The person who signs the ticket or has possession of an unsigned ticket is considered the bearer of the ticket. (1) The price of an instant game ticket shall not be less than $1.00 and not more than $5.00, except for those tickets used in authorized media promotions and authorized retailer incentive programs.

(2) Winners of an instant game are determined by the matching or specified alignment of the play numbers on the tickets. The ticket bearer must notify the lottery of the win and submit the winning ticket to the lottery as specified by the director. The winning ticket must be validated by the lottery through use of the validation number and/or any other means as specified by the director.

(3) The total of all prizes available to be won in an instant game shall not be less than forty-five percent of the instant game's projected revenue.

(4) The instant game shall pay out both lower tier prizes and higher tier prizes. Lower tier prizes are of $25.00 or less. Higher tier prizes are of more than $25.00. The director shall determine the number of lower and higher tier prizes.

(5) The start date and closing date of the instant game shall be publicly announced. Lottery retailers shall not sell any tickets prior to the start date of a game unless expressly authorized by the director. Lottery retailers may continue to sell tickets for each instant game for up to 14 days after the official end of game as authorized by WAC 315-10-060.

(6) There is no required frequency of drawing or method of selection of a winner in an instant game.

(7) At the director's discretion, an instant game may include a grand prize drawing(s). The criteria for the grand prize drawing shall be as follows:

(a) Finalists for a grand prize drawing shall be selected in an elimination drawing(s) from redeemed tickets meeting the criteria stated in specific game rules as determined by the director. Participation in the elimination drawing(s) shall be limited to such tickets which are actually received and validated by the director or on or before a date to be announced by the director. The director may reserve the right to place any semi-finalist whose entry was not entered in the elimination drawing(s) and who is subsequently determined to have been entitled to such entry into an elimination drawing of a subsequent instant game, and the determination of the director shall be final.

(b) The number of prizes and the amount of each prize in the grand prize drawing(s) shall be determined by the director to correspond with the size and length of the instant game and to comply with subsection (3) of this section.

(c) The dates and times as well as the procedures for conducting the elimination drawing and grand prize drawing shall be determined by the director.

(8) Procedures for claiming instant game prizes are as follows:

(a) To claim an instant game prize of $25.00 or less, the claimant shall present the apparent winning ticket to the lottery retailer from whom the ticket was purchased. The lottery retailer shall verify the claim and, if acceptable, make payment of the amount due the claimant. In the event the lottery retailer cannot verify the claim, the claimant shall fill out a claim form, as provided in WAC 315-06-120, which shall be obtained from the lottery retailer and present the completed form, together with the disputed ticket to the director. If the claim is validated by the director, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the director, the claim shall be denied and the claimant shall be promptly notified.

(b) To claim an instant game prize of more than $25.00 through $600.00 the claimant either may present the apparent winning ticket to a lottery retailer included in the computer validation system, regardless where the ticket was purchased, or may complete a claim form, as provided in WAC 315-06-120, which is obtained from a lottery retailer or the director and mail the completed form together with the apparent winning ticket to the director. When the retailer is presented with a claim under this section, the retailer shall verify the claim and, if acceptable, make payment of the amount due the claimant. The prizes shall be paid during all normal business hours of that retailer provided that claims can be validated on the computer validation system. The retailer shall not charge the claimant any fee for payment of the prize or for cashing a business check drawn on the retailer's account. In the event the retailer cannot verify the claim, the claimant shall present a claim to the director. If the claim is validated by the director, a check shall be forwarded to the claimant in payment of the amount due. A player may submit a low-tier winning ticket to the lottery retailer from whom the ticket was purchased or the lottery and a high-tier winning ticket to the lottery for prize payment up to one hundred and eighty days after the official end of game. In order to participate in a grand prize drawing in which the entry is the submittal of one or more winning or nonwinning tickets, a player must redeem and submit such a ticket or tickets within the time limits set forth in chapter 315-11 WAC governing the conduct of that specific game.

(2) A lottery retailer may continue to sell tickets for each instant game up to fourteen days after the official end of that game.

Lottery retailers who are permitted by the director to return tickets within thirty days after the official end of that game will receive full credit for the tickets returned from the lottery. Lottery retailers who are permitted by the director to return tickets between thirty-one and ninety days after the official end of game will be charged a fifteen percent restocking fee. The lottery has no obligation to grant credit for tickets returned more than ninety days after the official end of game.

WAC 315-10-070  Ticket validation requirements.

(1) To be a valid Washington state lottery instant game ticket, a ticket must meet all of the following validation requirements.

(a) The ticket must have been issued by the director in an authorized manner.

(b) The ticket must not be altered, unreadable, or tampered with in any manner.

(c) The ticket must not be counterfeit in whole or in part.

(d) The ticket must not be stolen nor appear on any list of omitted tickets on file with the lottery.

(e) The ticket must be complete and not blank or partially blank, miscut, misregistered, defective, or produced in error.

(f) The ticket must have exactly one play symbol and exactly one caption under each of the rub-off spots, exactly one pack-ticket number, exactly one agent verification code, and exactly one validation number. They must be present in their entirety, legible, right-side up, and not reversed in any manner.

(g) The validation number of an apparent winning ticket shall appear on the lottery's official list of validation numbers of winning tickets; and a ticket with that validation number shall not have been previously paid.

(h) The ticket must pass all additional confidential validation requirements established by the director.

(2) The director may authorize reconstruction of an alleged winning ticket which was not received and/or cannot be located by the lottery. Provided, the person requesting reconstruction submits to the lottery sufficient evidence to enable reconstruction and that they have submitted a claim for the prize, if any, for that ticket. If the reconstructed ticket is a winning ticket and...
meets the validation requirements contained in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game, the director may authorize payment of the prize. Provided, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first day following the official end of that instant game. A ticket(s) validated pursuant to this subsection shall not entitle the claimant entry into the grand prize drawing, if any, for that or any subsequent instant game.

(3) Any ticket not passing all the validation requirements in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game is invalid and ineligible for any prize.

(4) The director may replace any invalid ticket with an unplayed ticket of equivalent sales price from any current instant game. In the event a defective ticket is purchased, the only responsibility or liability of the lottery shall be the replacement of the defective ticket with an unplayed ticket of equivalent sales price from any current instant game, or issue a refund of the sales price. However, if the ticket is partially mutilated or if the ticket is not intact but it still can be validated by other validation tests, the director may pay the prize for that ticket.

[Statutory Authority: RCW 67.70.040. 86-12-001 (Order 91), § 315-11-200, filed 5/22/86.]

WAC 315-11-201 Criteria for Instant Game Number 20. (1) The price of each instant game ticket shall be 1.00.

(2) Determination of prize winning tickets: An instant prize winner is determined in the following manner:

   (b) In any event, only the highest instant prize amount meeting the standards of (a) of this subsection will be paid on a given ticket.

(3) No portion of the display printing nor any extraneous matter whatever shall be usable or playable as a part of the instant game.

(4) The determination of prize winners shall be subject to the general ticket validation requirements of the lottery as set forth in WAC 315-10-070, to the particular ticket validation requirements for Instant Game Number 20 set forth in WAC 315-11-202, to the confidential validation requirements established by the director, and to the requirements stated on the back of each ticket.

(5) There will be a total of three grand prize drawings held in conjunction with the lottery's 1986 instant games. They will be conducted at times and places and pursuant to procedures to be established and announced by the director. The prize awarded at each of the grand prize drawings will be $5,000.00 per month for life with a minimum of $1,000,000 guaranteed to the prize winner or the prize winners estate. Qualifying entries from Instant Game Number 20 will be entered into one or more of these grand prize drawings. In the event that an entry is not included in the grand prize drawing process and the director determines that the entry was entitled to participation in the process, the director reserves the right to place that entry into a subsequent grand prize drawing process.
   (a) To be eligible for entry into the grand prize drawings, an entrant must:
      (i) Be eligible to win a prize pursuant to chapter 67.70 RCW and Title 315 WAC.
      (ii) Collect stubs with a total of ten "W" stub play symbols. The stubs may be from Instant Game Number 19, "Three Cards Up," and/or Instant Game Number 20, "Cash Code."

(iii) Write or print legibly, the entrant's name, address, and telephone number on the one or more stubs or on a separate sheet of paper. An entry containing more than one name shall be disqualified.

(iv) Place the stubs in an envelope. An envelope which contains extraneous material or which has had the exterior altered for the apparent sole purpose of making the envelope more prominent shall be disqualified.

(v) Mail the envelope with proper postage and a legible return address of the entrant to the address specified on the back of the ticket and in the player's brochure ("GRAND PRIZE DRAWING," WASHINGTON LOTTERY, TACOMA, WA 98455), or deliver it in person during normal business hours to lottery headquarters or any of the regional offices at the address listed in the player's brochure.

(b) There is no limit to the number of entries a person may submit, but each entry must be submitted in a separate envelope and both the entry and the entrant of each must meet the qualifications set forth above.

(c) An entry which contains one or more stolen tickets may be disqualified by the director.

(d) A nonconforming entry, at the sole discretion of the director, may be disqualified.

(e) The lottery shall not be responsible for any other material, including winning tickets, mailed or delivered to the "GRAND PRIZE DRAWING." All mail not drawn will be incinerated unopened.

(f) The lottery shall not be responsible for, nor place in the grand prize drawing, any entries mailed or delivered to the wrong address.

(6) Supplemental drawings will be held each week using grand prize drawing entries received since the previous supplemental drawing. Entries received by the lottery at lottery headquarters by 9:00 a.m. local time on the day of a supplemental drawing shall be entitled to participation in that drawing. Entries received at headquarters after that time will be entered in the next supplemental drawing. The supplemental drawings will be conducted at times, places, and pursuant to procedures to be established and announced by the director. Entries selected during the supplemental drawings will be retained and be eligible for the next grand prize drawing provided they have not been disqualified pursuant to these rules. The director reserves the right to place an entry which was entitled to, but which was not entered into a supplemental drawing, into a subsequent supplemental drawing. The deadline for entry and the date of supplemental drawings may vary at the discretion of the director. The prize awarded at the supplemental drawing will be:
   (a) $21,000 cash; or
   (b) The director may offer an alternate prize package valued at $21,000 or more based on the suggested retail price for goods and services or face value for cash and securities.

(c) Selection of the cash prize or alternative prize package, if offered, shall be at the sole option of the winner. Provided, the selection must be made within five days after the drawing. If the winner fails, within that required time, to make a selection and/or tender any
moneys required pursuant to (f) of this subsection, the winner will be deemed to have selected the prize of $21,000 cash.

(d) Composition of the alternate prize package shall be at the discretion of the director.

(e) Total cost to the lottery of the alternate prize package, including but not limited to cost of the prizes, taxes, and fees shall not exceed $21,000.

(f) All taxes and fees including any cash payments necessary to satisfy withholding obligations pursuant to requirements of the Internal Revenue Service or other taxing unit shall be the responsibility of the winner. Provided, the director may include sufficient cash in the alternate prize package to satisfy tax obligations and/or fees due at the time the prize is awarded. Taxes and fees payable subsequent to that time shall be the responsibility of the winner.

(7) The lottery, in conjunction with Instant Game Number 20, shall provide additional compensation for lottery retailers pursuant to WAC 315-04-190(3). The purpose of the program is to increase the sales of lottery tickets and to encourage lottery retailers to promote the supplemental drawing program.

(a) The lottery shall provide additional compensation of $2,100 to lottery retailer(s) in conjunction with the supplemental drawings held pursuant to subsection (6) of this section.

(b) The compensation shall be provided to the lottery retailer(s) that sold the lottery tickets whose stubs comprised the winning entry in that week's supplemental drawing.

(c) The lottery retailers will be selected as follows:

(i) The $2,100 will be divided equally between the number of stubs contained in the entry with each stub receiving one share.

(ii) The lottery retailer(s) will receive one share for each stub of a ticket which they sold that is contained in the entry.

(d) The prize awarded to the lottery retailer(s) will be paid as follows:

(i) The amount received will be credited to any overdue balance owed the lottery.

(ii) The balance, if any, will be paid to the lottery retailer(s).

(8) Notwithstanding any other provisions of these rules, the director may:
