CESSATION OF DISABILITY

WAC 415-104-115 Purpose and scope. The purpose of WAC 415-104-125 through 415-104-175 is to implement the provisions of RCW 41.26.135 to be followed by the department of retirement systems. These rules apply only to disability retirees over age fifty who seek a determination that their disability has ceased.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-115, filed 3/11/87.]

WAC 415-104-125 Director's review of disability board order. (1) Every order of a disability board determining that an applicant's disability has ceased pursuant to RCW 41.26.130(3) shall be reviewed by the director, or his designated representative. The director may affirm or reverse the order or remand the matter for further proceedings.

(2) A retiree may appeal the disability board determination that a disability has not ceased to the director pursuant to the provisions of RCW 41.26.140(6).

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-125, filed 3/11/87.]

(1990 Ed.)

WAC 415-104-135 Notice for hearing. Before appealing to the superior court, any person aggrieved by the director's final decision on review of the local board determination or the director's final decision after review of the record on appeal shall invoke the director's jurisdiction by filing a notice for hearing in accordance with RCW 41.26.210 and WAC 415-08-020. Such hearing shall be in accordance with RCW 41.26.220.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-135, filed 3/11/87.]

WAC 415-104-145 Department examination. The director or his representative, in his/her discretion, may require a disability retiree to undergo a mental and/or physical examination prior to the hearing to be held pursuant to RCW 41.26.220. The cost of such examination is the responsibility of the department.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-145, filed 3/11/87.]

WAC 415-104-155 Burden of proof. The retiree has the burden of proof in the proceedings before the disability board and the director.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-155, filed 3/11/87.]

WAC 415-104-165 Payment of benefits pending final determination. When a disability board determines that a retiree's disability has ceased, the department shall continue to pay monthly benefits: Provided, however, that the department shall pay either the member's monthly service retirement allowance or monthly disability allowance, whichever is less, until there is a final determination from which no appeal is taken. Any retroactive adjustment that may be necessary as the result of the final determination shall be made after the appeal period has passed.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-165, filed 3/11/87.]

WAC 415-104-175 Comparison of disability retirement allowance and service retirement allowance. In comparing the member's disability retirement allowance and his/her service retirement allowance as required by RCW 41.26.130(3), the department shall calculate the service retirement allowance using a final average salary calculated as follows:

On the date the disability ceased, the average of the greatest basic monthly rate of salary or wages (basic salary) that was paid or would have been paid to the member had he/she been in "active service" (employed) during any consecutive twenty-four month period within the member's last ten years of service for which service credit was given (including periods of disability leave and disability retirement).

The initial calculation of the service retirement allowance does not include any cost-of-living increases that would have been granted if the service retirement allowance had been in effect during the period of disability

[Title 415 WAC—p 27]

retirement. The service retirement allowance is then compared to the monthly disability retirement allowance amount that the member was receiving on the date that the disability ceased.

[Statutory Authority: RCW 41.50.050(5) and 41.50.090. 87-07-016 (Order 87-4), § 415-104-175, filed 3/11/87.]

WAC 415-105-020 Purpose. These rules are adopted pursuant to section 1, chapter 294, Laws of 1981 [RCW 41.26.115] to implement chapter 41.26 RCW and to provide a basis for uniform administration of disability retirement matters. They shall be followed by each disability board.

[Statutory Authority: RCW 41.26.115. 81-23-032 (Order 81-03), § 415-105-020, filed 11/16/81.]

WAC 415-105-030 Board doctor. (1) A duly licensed and practicing physician or physicians shall be appointed by the board. No disability retirement shall be approved by the board without prior examination of the claimant by the board doctor or a specialist of his selection, on or near the expiration of the disability leave period. The board doctor shall render such other medical service as may be requested by the board.

(2) In order to carry out the duties of this position, each physician appointed or approved by the board is required to be knowledgeable concerning the duties, functions and general demands required of the employee being examined. The disability board shall furnish to the examining physician the job and/or position description of the applicant.

(3) Reexamination of any member on disability retirement shall be conducted by a board appointed or approved physician.

[Statutory Authority: RCW 41.26.115. 81-23-032 (Order 81-03), § 415-105-030, filed 11/16/81.]

WAC 415-105-040 Disability leave. (1) Following receipt of an application for disability benefits, the board shall review all relevant information pertaining to the question of the applicant's fitness for duty, and if, in the opinion of the majority of the board, the evidence supports the proposition that the member is unfit for duty, such member shall be granted disability leave, unless such leave is waived pursuant to RCW 41.26.120(4). In considering such application, the board shall consider the duties of the position, and any other evidence that is relevant.

(2) The burden of proving the existence of a disabling condition, and whether or not the condition was incurred in line of duty, shall be upon the applicant.

(3) The minimum medical and health standards previously promulgated by the state retirement board for entry or reentry into LEOFF System membership were provided only to safeguard the fiscal integrity of the pension system and are not the applicable standards for any other purpose.

(4) Each application shall be accompanied by a list identifying by name any physician who had been contacted within the last six months for the illness or injury for which disability is claimed.

(5) In the event the board finds that insufficient information is available to make a determination, the matter may be continued to the next regular board meeting or be set for consideration at a special meeting. The board shall also advise the member of the additional information needed, and of the member's obligation to provide additional information and the deadline date by which such information must be provided.

(6) The board shall be authorized to demand the appearance of the member and to request the appearance of such other persons as it deems appropriate. It shall be incumbent upon each member obtaining medical evaluations to be used in connection with such disability leave and subsequent evaluations, to advise each and every

examining physician: that such evaluation is being conducted at the direction of the board; that any reports relating thereto are for the benefit of the board; that the doctor-patient privilege may not be invoked with respect thereto; and that the physician may be called upon by the board to testify as to his findings.

[Statutory Authority: RCW 41.26.115. 81-23-032 (Order 81-03), § 415-105-040, filed 11/16/81.]

WAC 415-105-050 Examination for disability retirement. (1) Every applicant for disability retirement shall be reexamined during the fifth or sixth month of disability leave in order to determine his/her eligibility for disability retirement, with the following exception: If the applicant establishes that the disabling condition will be in existence for a period of at least six months and he/she voluntarily waives disability leave. No applicant will be granted a disability retirement allowance unless the conditions imposed by this subsection are met.

(2) In the event the medical and other relevant evidence is inconclusive, the board may specify in written order a reasonable trial service period for return to duty in the same position held at the time of discontinuance of service to determine the member's fitness for active duty. The reasonable length of such trial return to service shall be supported by medical evidence. Such a trial return to service does not entitle the member to a second six-month period of disability leave for the same disability if, based upon this trial period of service, the member is found to be disabled.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-050, filed 3/11/87; 81-23-032 (Order 81-03), § 415-105-050, filed 11/16/81.]

WAC 415-105-060 Granting disability retirement.

(1) If the evidence shows to the satisfaction of the board that the member is physically or mentally disabled from further performance of duty and that the disability has been continuous from the date of commencement of disability leave for a period of six months, the board shall enter its written decision and order, accompanied by appropriate findings of fact and conclusions of law in compliance with RCW 41.26.120 or 41.26.125. Such written decision and order with supporting documentation shall thereafter be forwarded to the director, department of retirement systems, for review. In the event a regular meeting of the board precedes by no more than 40 days the date at which the full six months will conclude and the evidence is clear that the disability can be expected to continue through the full six-month period, the board may make a finding of six months continuous disability prior to the actual conclusion of the six-month period, so as to eliminate unnecessary delay of receipt of retirement benefits.

(2) In order to qualify to receive a disability retirement allowance, the applicant will be required to prove that he or she is physically or mentally disabled to such extent that he or she is unable to discharge with average efficiency the duty of the position held at time of discontinuance of service: *Provided*, That no member shall

be entitled to a disability retirement allowance if the appropriate authority advises that there is an available position for which the member is qualified and to which one of such grade or rank is normally assigned and the board determines that the member is capable of discharging, with average efficiency, the duties of the position.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-060, filed 3/11/87; 81-23-032 (Order 81-03), § 415-105-060, filed 11/16/81.]

WAC 415-105-070 Execution. Every order of the disability board granting or denying a disability retirement allowance shall contain the following presented in clear and concise terms:

(1) Findings of fact supported by credible evidence sufficient to sustain the granting or denying of the disability retirement allowance. When a disability retirement is granted, findings of fact shall include:

(a) Whether or not the disability was incurred in the line of duty.

(b) Whether or not the disability was incurred in other employment.

(c) Dates encompassing disability leave and/or dates relating to authorized trial basis return to duty; and, in the case of return to duty on a trial basis, the factual basis for such decision.

(d) Dates encompassing waiver of disability leave, if applicable; and that applicant established that such disability will be in existence for a period of six months.

(2) Conclusions of law in accordance with law on the basis of the facts in the case.

(3) Decision and order.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-070, filed 3/11/87; 81-23-032 (Order 81-03), § 415-105-070, filed 11/16/81.]

WAC 415-105-080 Appeal. If the board denies disability leave or disability retirement or cancels a previously granted disability leave or retirement, the applicant shall be immediately notified and advised of the right to appeal such decision or order to the director of the department of retirement systems, pursuant to RCW 41.26.200. Such notification shall be in writing and served by personal service or mail. Provided, that written notice need not be given if applicant or his or her duly authorized representative is in attendance at the meeting or hearing and is advised of decision and of the right of appeal.

[Statutory Authority: RCW 41.26.115. 81-23-032 (Order 81-03), § 415-105-080, filed 11/16/81.]

WAC 415-105-090 Reexamination and return to duty. (1) In the event a member is placed on disability retirement, the board may determine whether or not the member is so disabled that no possibility exists for return to duty or that there is no possibility that rehabilitation could restore the member to fitness for duty. Further, the board may at any point subsequent to retirement make such a determination provided a current (within ninety days) medical examination by the board

physician or a specialist of his/her selection indicates that the retiree is so disabled that no possibility for recovery exists. A copy of all such determinations shall be sent to the department of retirement systems. Unless the board has made such a finding, the board's representative shall order a reexamination at six-month intervals and advise the board of the results thereof with a copy to the department of retirement systems: *Provided*, That such reexamination need not be conducted on a member over 49.5 years of age. In the event the retired member is residing at a location more than 100 miles from his former place of employment, the member may be authorized to be examined by a physician in his immediate area, provided, however, such physician shall be first approved by the board and prior to such evaluation the examining physician shall be apprised of the basis upon which the examination is to be conducted and the issues to be addressed in the physician's evaluative report.

(2) In the event such evaluation discloses fitness to perform duties of the rank or position held by the member at the time of disability retirement, the member shall be entitled to a hearing before the board, and further consideration of the matter. Such notice and hearing shall comply with the requirements of chapter 34.04 RCW.

(3) The hearing provided by RCW 41.26.140(2) is to be held, unless the retiree waives such hearing, prior to actual cancellation of a disability retirement allowance.

(4) The retirement allowance of any member who fails to submit to medical examination as provided herein shall be discontinued and in the event such refusal continues for one year, his retirement allowance shall be cancelled. Failure of the member to affirmatively respond to the request for reexamination shall be deemed a continuing refusal.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-090, filed 3/11/87; 81-23-032 (Order 81-03), § 415-105-090, filed 11/16/81.]

CESSATION OF DISABILITY

WAC 415-105-100 Purpose. These rules are adopted pursuant to RCW 41.26.115 to implement the provisions of RCW 41.26.130(3) and 41.26.135 and establish procedures to be followed by the applicant and the disability board. These rules apply only to a disability retiree over age fifty who seeks a determination that his/her disability has ceased.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-100, filed 3/11/87.]

WAC 415-105-110 Application to disability board. (1) When a disability retiree over age fifty believes that his/her disability has ceased, he/she may make application to cancel the disability retirement allowance. Such application shall be made to the disability board that originally considered the application for disability retirement.

(2) The application must be in writing and contain the following information:

(a) The retiree's name, birthdate, Social Security number, mailing address, telephone number, former LEOFF employer, and the name and mailing address of the retiree's legal representative, if any;

(b) The nature of the disability and the date the disability ceased;

(c) The names, addresses and telephone numbers of all physicians and other health care practitioners who have been contacted by the retiree or his/her representative in the last year for medical care, consultation or evaluation;

(3) The application must be accompanied by the following documents:

(a) Copies of any written documents supporting the retiree's claim that his/her disability has ceased;

(b) A copy of the local disability board order granting disability retirement if the original disability board order was summarily affirmed by the director or the LEOFF retirement board; or

(c) A copy of the director's order or the LEOFF retirement board's order if the director or the LEOFF retirement board entered the final order granting disability retirement.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-110, filed 3/11/87.]

WAC 415-105-120 Burden of proof. The retiree has the burden of proof in the proceedings before the disability board.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-120, filed 3/11/87.]

WAC 415-105-130 Standard for determination. To obtain a determination that a disability has ceased, the retiree must demonstrate that:

(1) He/she is reasonably able to perform the ordinary duties of his/her former position or position within his/her former rank with average efficiency; and

(2) There has been a material change in the circumstances upon which the original disability determination was based; and

(3) No other physical or mental disability now prevents the retiree from performing the ordinary duties of his/her position or rank.

A retiree may not obtain a determination that his/her disability has ceased by demonstrating that the medical condition was incorrectly diagnosed at the time of the initial disability hearing. The disability board need not rely solely on medical evidence in making its determination. If the medical condition for which the retiree was granted disability retirement has improved, but the retiree is still not physically or mentally able to perform his/her duties with average efficiency, he/she shall continue to receive a disability retirement allowance and shall not be entitled to service retirement.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-130, filed 3/11/87.]

WAC 415-105-140 Examination by board physician. (1) Before acting on an application, the disability

board shall have the retiree examined by the board doctor as provided in WAC 415-105-030. If the board doctor has seen the retiree before in any capacity except evaluation on behalf of the disability board, the board doctor shall refer the retiree to another physician who has not seen the retiree in any capacity except evaluation on behalf of the disability board.

(2) Before the retiree is examined, the disability board shall furnish the board doctor or other physician with a current job description for the rank or position held by the member at the time he/she was granted disability retirement and a copy of these regulations.

(3) The board doctor or other physician shall examine the retiree to determine if he/she is able to perform with average efficiency the duties of the rank or position held by the retiree at the time of discontinuance of service and that he/she meets the requirements of WAC 415-105-130.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-140, filed 3/11/87.]

WAC 415-105-150 Disability board order. Upon the basis of the application and the medical evaluation by the board doctor, and any other relevant evidence, the disability board shall determine whether the disability retiree has met the standards set out in WAC 415-105-130 and is physically and mentally capable of performing his/her duties with average efficiency. If it is determined that the retiree's disability has ceased, the board shall enter its written decision and order accompanied by appropriate findings of fact and conclusions of law evidencing compliance with the applicable statutes and regulations. The disability board must make a finding which specifies the date the disability ceased.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-150, filed 3/11/87.]

CESSATION OF DISABILITY WHILE UNDER AGE FIFTY

WAC 415-105-160 Purpose—Under age fifty. These rules are adopted pursuant to RCW 41.26.115 to implement the provisions of RCW 41.26.130(3) and establish procedures to be followed by the applicant and the disability board in cases in which the applicant is under age fifty and believes that his disability has ceased.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-160, filed 3/11/87.]

WAC 415-105-170 Application to the disability board—Under age fifty. A disability retiree under age fifty who believes that his/her disability has ceased may make application to the disability board which originally found the member to be disabled for a determination that the disability has ceased. Such application must be in writing and contain the information set forth in WAC 415-105-110(2). Thereafter, the rules and procedures set forth in WAC 415-105-120 through 415-105-140 shall be in effect.

[Statutory Authority: RCW 41.26.115. 87-07-015 (Order 87-3), § 415-105-170, filed 3/11/87.]

WAC 415-105-180 Disability board hearing and order. (1) Upon the basis of the application, the medical evaluation by the board doctor, and any other relevant evidence, the disability board shall determine whether the disability retiree has met the standards set out in WAC 415-105-130 and is physically and mentally capable of performing his/her duties with average efficiency. If the board determines that the retiree's disability has ceased, both the retiree and the former employer shall be entitled to a notice and a hearing. Both the notice and the hearing shall comply with the requirements of chapter 34.04 RCW.

(2) After the hearing, the board shall enter its written decision and order, accompanied by appropriate findings of fact and conclusions of law, either denying the retiree's application or cancelling his/her disability retirement allowance and restoring him/her to duty pursuant to RCW 41.26.140(2).

(3) Any person aggrieved by a determination or order of a disability board that the applicant's disability has not ceased may file an appeal with the director pursuant to RCW 41.26.140(6).

WAC 415-108-410 Definitions. As used in WAC 186-16-400 through 186-16-440, unless a different meaning is plainly required by the context:

(b) "Group disability insurance policy or plan" means a group disability insurance contract issued by an insurance carrier authorized to do business in the state of Washington which meets the requirements of chapter 48.21 RCW, and the term shall also include a group health care service contract as issued pursuant to, and regulated by, the provisions of chapter 48.40 RCW;

(c) To the extent that they are defined by RCW 41.40.010, all other terms used in WAC 186-16-400 through 186-16-440 which are thereby defined shall be given the same meaning herein as is set forth in the cited statute.

[Statutory Authority: RCW 41.50.050(6) and 41.50.090. 78-03-023 (Order IV), § 415-108-410, filed 2/15/78. Formerly WAC 184-16-020.]

Any beneficiary of a retirement allowance payable for service or disability under the provisions of chapter 41.40 RCW may, in the manner provided for by WAC 415-108-430, authorize the director to deduct therefrom, on a monthly basis only, such amounts as are due as premiums on any group life or disability insurance policy or plan currently covering the beneficiary, issued to the employer by which he was employed prior to his retirement for the benefit of a group comprised of himself and his fellow public employees, under authority granted to the employer by act of the Washington legislature. The department and the director are not and will not be liable for any failure to make such deduction payments on time or in the proper amount.

[Statutory Authority: RCW 41.50.050(6) and 41.50.090. 78-03-023 (Order IV), § 415-108-420, filed 2/15/78. Formerly WAC 184-16-030.]

(g) Any lump sum payment for accrued leave or any form of severance pay.

(3) "Compensation earnable," for Plan I PERS members, does not include:

(3) "Compensation earnable," for Plan II PERS members, does not include:

(b) Any lump sum payment for accrued leave or any form of severance pay;

(l) Any payment, other than those described in subsection (2)(c) and (d) of this section, made by an employer to a member, that is not in exchange for personal services rendered by the member to the employer.

[Statutory Authority: RCW 41.40.010(8), 88-11-030 (Order 88-11), § 415-108-460, filed 5/13/88.]

WAC 415-108-470 Nonmoney maintenance compensation—Determination and reporting—Form and weight of evidence. (1) Except for compensation described in WAC 415-108-450(2) or except as otherwise provided in this section, "nonmoney maintenance compensation" means the fair market value of living quarters, shelter, lodging, food, board, clothing, laundry, transportation, fuel, utilities, or other personal advantages of a similar nature legally furnished in a medium other than cash to a member (or the member and the member's dependents) by the member's employer in partial payment for the member's rendering of personal services to the employer.

(2) "Nonmoney maintenance compensation" does not include:

(a) Clothing, materials, vehicles, fuel, or equipment furnished by the member's employer or purchased, rented, or leased by the employee with an allowance provided by the employer, if such clothing, materials, vehicles, fuel, or equipment are used by the member in rendering personal services to the employer;

(b) Any form of compensation in a medium other than cash: (i) That is associated with an available corresponding deduction for ordinary and necessary employee business expenses, under any provision of the United States Internal Revenue Code in the tax year the compensation was earned by the member; or (ii) that is excludable from taxation, under any provision of the United States Internal Revenue Code in the tax year the compensation was earned by the member, regardless of whether the employer and/or member reported the non-monetary compensation to the Internal Revenue Service as taxable.

(3) Every employer furnishing one or more items of "nonmoney maintenance compensation," to a Plan I PERS member shall contemporaneously establish and regularly update a written schedule reflecting the monthly fair market value of each such item of nonmoney maintenance compensation. The fair market value of an item of nonmoney maintenance compensation is determined on the basis of all objective facts and circumstances. It is usually what the cost of the item would be if acquired in an arm's length purchase or lease.

(4) For each month during which an employer furnishes to a Plan I PERS member "nonmoney maintenance compensation," the employer shall report to the department as "compensation earnable" the amount by which the fair market value of the "nonmoney maintenance compensation" exceeds the amount, if any, paid by the member for the "nonmoney maintenance compensation."

(5)(a) No item reported to the department as "nonmoney maintenance compensation" shall be included in the calculation of a Plan I PERS member's retirement benefits unless the employer or the member substantiates, by adequate records or by other sufficient corroborating evidence, the employer's report under subsection (4) of this section and the member's own statement: (i) That the net amount of the item, as reported in accordance with subsection (4) of this section is accurate; (ii) that the item was furnished for the personal use of the member in partial payment for the member's rendering of personal services to the employer; and (iii) that for federal income tax purposes the item was neither associated with an available corresponding deduction for ordinary and necessary employee business expenses nor excludable from taxation, as reflected in subsection (2)(b) of this section. Absent such evidence corroborating each of these elements, the department shall presume that the item neither qualifies as "nonmoney maintenance compensation" nor as "compensation earnable."

(b) Except as provided in WAC 415-108-480 (containing special substantiation rules for employer-provided vehicles and vehicle allowances), corroborating records or other evidence may take any form, but different types of evidence have different degrees of probative value. Usually, oral evidence alone has considerably less probative value than written evidence. In addition, the probative value of written evidence is greater the closer in time it relates to the furnishing of the item. Thus, written evidence prepared at or near the time the item was furnished, absent unusual circumstances, generally has much more probative value than evidence created years later. Except as provided in WAC 415-108-480, the department will carefully weigh the probative value of all forms of evidence submitted or obtained to determine whether it is sufficient, when taken as a whole, to corroborate the employer's report and the member's own statement.

[Statutory Authority: RCW 41.40.010(8) and 41.40.020, 87-17-061 (Order DRS 87-08), § 415-108-470, filed 8/19/87.]

WAC 415-108-480 Special recordkeeping rules for vehicles and vehicle allowances provided by employers to PERS members—Exemption—Presumption in absence of records. (1)(a) For fiscal years beginning after the effective date of this regulation, and except as provided in (b) of this subsection, each employer shall maintain monthly contemporaneous records for each vehicle provided to a Plan I PERS member reflecting: (i) Whether the vehicle was authorized and available for personal use, including commuting; (ii) whether the vehicle was used for commuting and, if so, the distance the member normally commuted on a daily basis during the month; (iii) the dates, if any, on which the member used the vehicle for other personal purposes, the miles driven on each such trip, and the itinerary of each such trip; (iv) the total number of miles the vehicle was driven during the month; and (v) the percentages of the total miles driven during the month which were driven by the

member for personal use of the vehicle (including commuting) during the month. If the employer maintains such records, the employer shall report to the department as "compensation earnable" for each month the lesser of: (A) The product of the monthly fair market lease value of the vehicle times the percentage of personal use of the vehicle during the month, or (B) one-twelfth of the amount reported by the employer to the Internal Revenue Service as the member's taxable income attributable to the personal use of the vehicle during the year under any alternative valuation method authorized by Internal Revenue Service regulations.

(b) The monthly records required under (a) of this subsection need not be maintained if: (i) The employer has an established policy that the vehicle shall not be used for personal purposes; (ii) any commuting or other personal use of the vehicle by the member during the month is excludable from the member's taxable income under any provision of the United States Internal Revenue Code; or (iii) any commuting or other personal use of the vehicle by the member is otherwise excluded from the definition of "compensation earnable" under WAC 415-108-450(2).

(c) Unless the employer maintains the records required under (a) of this subsection, the department shall presume that any vehicle provided by an employer to a member is authorized for use solely in connection with the employer's business, and therefore the use of the vehicle neither qualifies as "nonmoney maintenance compensation" nor as "compensation earnable."

(2)(a) For fiscal years beginning after the effective date of this regulation and except as provided in (b) of this subsection, each employer that provides a vehicle allowance to one or more PERS members shall maintain monthly contemporaneous records for each such member reflecting: (i) The dates, if any, on which each such member used a privately owned vehicle in performing services for the employer, (ii) the miles driven on each such trip, and (iii) the itinerary of each such trip. If the employer maintains such records, the employer shall report to the department as "compensation earnable" for each member the difference between: (A) The vehicle allowance; and (B) the number of miles such employee drove a privately owned vehicle in performing services for the employer during the reporting period times the mileage reimbursement rate used by the employer to reimburse its other employees for expenses incurred in performing service to the employer; or (C) if the employer has established no such rate, the rate established by the United States Internal Revenue Service for use by taxpayers in computing deductions for employees business expenses.

(b) The monthly records required under (a) of this subsection need not be maintained if: (i) The contract of employment provides that such allowance is solely in lieu of reimbursement for expenses incurred or expected to be incurred in performing services for the employer; or (ii) the member receiving such allowance also receives separate reimbursement for automobile expenses for

each use of a privately owned vehicle in performing services for the employer on the same basis as the other employees of the employer.

(c) For purposes of (a) and (b) of this subsection, a "privately owned vehicle" means any vehicle not owned by or leased to the employer.

(d) Unless the employer maintains the records required under (a) of this subsection or is excused from maintaining the records under (b) of this subsection, the department shall presume that any vehicle allowance provided by an employer to a PERS member is solely in lieu of reimbursement for expenses incurred or expected to be incurred in performing services for the employer and therefore does not constitute "compensation earnable."

WAC 415-108-490 Back pay award or settlement—
Definition—Allocated by the department for retirement system purposes. "Back pay award or settlement" means a retroactive payment made by an employer or former employer to a member pursuant to an award by a court or an order of or conciliation agreement with an administrative agency charged with enforcing federal, state, or local statutes, ordinances, or regulations protecting employment rights, or a bona fide settlement of such a claim before a court or administrative agency. The department shall allocate any such award or settlement to the period or periods in which the work was done or in which it would have been done and, for retirement system purposes, deem such payments as earned in the period or periods to which the award or settlement is so allocated.

[Statutory Authority: RCW 41.40.010(8) and 41.40.020. 87-17-061 (Order DRS 87-08), § 415-108-490, filed 8/19/87.]

WAC 415-108-500 Public employees' retirement board. The purpose of the WAC is to implement the provisions of RCW 41.40.120(17) relating to city managers.

Effective immediately and until December 31, 1986 any current member described in RCW 41.40.120(17) may, at his/her option, elect to withdraw from membership in the retirement system provided by chapter 41.40 RCW. Such election is to be made in writing on a form provided for that purpose by the department. Persons making this election will be refunded the contributions and related interest which were credited while in their current position. The effect of such a withdrawal will be to terminate and cancel the service credit acquired while in that position. Such action is final and no service credit may ever be obtained in the future for the period cancelled.

Effective immediately any person described in RCW 41.40.120(17) who is employed in one of the positions described shall not become a member of the system provided by chapter 41.40 RCW unless within thirty days of employment in such position he/she shall submit in writing on a form, provided by the department, a waiver of his/her right to be excluded and requesting his/her

inclusion in the system. Such a person may not then subsequently withdraw from the system except as provided by RCW 41.40.260 or 41.40.730 as appropriate.

[Statutory Authority: RCW 41.40.120(17), 86-13-023 (Order 86-3), § 415-108-500, filed 6/10/86.]

WAC 415-108-510 First-in-first-out accounting method for determining when leave earned. When an employer provides cash compensation in lieu of unused leave, the department applies a first-in-first-out accounting method to determine when the compensated leave was earned, unless the employer has in place a regulation charter provision, ordinance, collective bargaining agreement, or other comparable written policy statement which clearly delineates a different method of accounting for the accrual and use of leave, and, if applicable, compensation for unused leave and the same such method is consistently applied in each instance and for all purposes.

Any employer's policy which is not consistent for all purposes which is contained in a regularly negotiated labor agreement in effect on the effective date of this section will be honored until the expiration date of the agreement not including any extensions at which time it will be brought into compliance with this section. Any employer's policy which is not consistent for all purposes which is established by the employer shall be brought into compliance within sixty days of the effective date of this section. In the event an employer fails to come into full compliance with this section by the dates established herein, the department will treat cashed out leave on the same basis as the employer has established for using leave.

[Statutory Authority: RCW 41.40.010(8) and 41.40.020, 87-17-061 (Order DRS 87-08), § 415-108-510, filed 8/19/87.]

WAC 415-112-010 Description of teachers' retirement system. (1) The Washington state teachers' retirement system, established effective April 1, 1938, is an agency of the state of Washington operating under chapter 41.32 RCW, for the benefit of the public school teachers of the state. The teachers' retirement system is a joint-contributory system with the members and the state contributing jointly to provide a variety of benefit programs, including disability benefits, survivor benefits, death benefits, and retirement benefits. The members and the state share equally in the operating costs of the teachers' retirement system. The liabilities of the teachers' retirement system are funded on an actuarial reserve basis. Reserve funds are invested in long term, high quality securities. The earnings on these investments accrue to the benefit of the members of the teachers' retirement system in a variety of ways and help to meet the state's pension liability.

(2) The teachers' retirement system is governed by a board of nine trustees, including the state superintendent of public instruction, the state insurance commissioner, five members of the teachers' retirement system who are

appointed for three-year terms by the state board of education. Three of the appointed members must be classroom teachers. Two former members retired for service or disability who are appointed by the state board of education. The director of the department of retirement systems is responsible for the administration of the teachers' retirement system in accordance with the provisions of state law and the board of trustees policy. The board of trustees meetings are held in the department of retirement system's office in Olympia on the second Monday of the month which is not a holiday of January, April, July, and October.

least twenty days but less than one hundred forty-four days during a school year. (3) For members who are employed as community college academic employees as defined by chapter 28B-.52 RCW, a school year shall consist of at least three academic quarters or two semesters during a fiscal year. Academic employees shall be granted one full year of service credit for eighty percent of the full-time annual load as defined in their institution's negotiated agreement. In the absence of a definition of full-time annual load in the agreement, the official board-adopted college policy will apply. Percents of load of at least eleven percent (reported as not less than twenty days per fiscal year) and less than eighty percent (reported as eighty percent of the individual college academic calendar or one hundred thirty-four days per fiscal year, whichever is greater) will be applied pro rata. Percent of load will be converted to days for institution reporting and for retirement benefit calculation purposes. Nonacademic employees will have their service credit reported and benefits calculated based on actual days worked. Where there is no definition of full-time load in either the collective bargaining agreement or the official board-adopted college policy, service credit will be calculated pursuant to subsections (4) and (5) of this section.

(4) For members who are employed as community college classroom instructors, a school year shall consist of at least three academic quarters or two semesters during a fiscal year. Such a classroom instructor shall be granted one year of service credit for teaching thirty-six quarter hours or twenty-four semester hours. A fractional year of credit shall be granted to such instructors who teach at least five but less than thirty-six quarter hours, or at least three but less than twenty-four semester hours. The fraction shall be that produced by using the quarter hours taught as the numerator and forty-five as the denominator, or the semester hours taught as the numerator and thirty as the denominator.

(5) Members who are not employed as classroom instructors and who are employed for one hundred forty-four or more days during a fiscal year shall be granted one year of service credit. A fractional year of credit shall be granted to a member who is employed for at least twenty days but less than one hundred forty-four days. The credit granted shall be the fraction produced by using the days employed as the numerator and one hundred eighty as the denominator. Where there is no indication in the contract or elsewhere concerning what constitutes one day of employment, one day of credit shall be granted for every eight hours the member works and for which the member is compensated: *Provided*, That counselors and librarians who are employed by a community college district in an instructional position as defined in RCW 41.32.010 (11)(a)(ii) and paid on an

hourly rate shall be granted one day of credit for every seven hours the member works and for which the member is compensated.

(6) The fact that a member is granted a fractional year of service credit under this section shall not be determinative as to whether that member was employed less than full time in a year used to determine benefits under RCW 41.32.497, 41.32.498, and 41.32.520, for purposes of determining whether the member held a bona fide part-time position and what earnable compensation the member would have received under RCW 41.32.011.

[Statutory Authority: RCW 41.32.270 and 41.32.010 (11)(a)(ii), 88-17-052 (Order 88-13), § 415-112-330, filed 8/17/88.]

(k) Any payment made without legal authority by an employer to a member; or

(l) Any payment, other than those described in subsection (2)(g) and (h) of this section, made by an employer to a member, that is not in exchange for personal services rendered by the member to the employer.

[Statutory Authority: RCW 41.32.010(11), 88-11-031 (Order 88-12), § 415-112-411, filed 5/13/88.]

WAC 415-112-412 Nonmoney maintenance compensation--Determination and reporting--Form and weight of evidence. (1) Except for compensation described in WAC 415-112-410(3) or except as otherwise provided in this section, "nonmoney maintenance compensation" means the fair market value of living quarters, shelter, lodging, food, board, clothing, laundry, transportation, fuel, utilities, or other personal advantages of a similar nature legally furnished in a medium other than cash to a member (or the member and the member's dependents) by the member's employer in partial payment for the member's rendering of personal services to the employer.

(2) "Nonmoney maintenance compensation" does not include:

(a) Clothing, materials, vehicles, fuel, or equipment furnished by the member's employer or purchased, rented, or leased by the employee with an allowance provided by the employer, if such clothing, materials, vehicles, fuel, or equipment are used by the member in rendering personal services to the employer;

(b) Any form of compensation in a medium other than cash: (i) That is associated with an available corresponding deduction for ordinary and necessary employee business expenses; or (ii) that is excludable from taxation, under any provision of the United States Internal Revenue Code in the tax year the compensation was earned by the member, regardless of whether the employer and/or member reported the nonmonetary compensation to the Internal Revenue Service as taxable.

(3) Every employer furnishing one or more items of nonmoney maintenance compensation to a Plan I TRS member shall contemporaneously establish and regularly update a written schedule reflecting the monthly fair market value of each such item of nonmoney maintenance compensation. The fair market value of an item of nonmoney maintenance compensation is determined on the basis of all objective facts and circumstances. It is usually what the cost of the item would be if acquired in an arm's length purchase or lease.

(4) For each month during which an employer furnishes to a Plan I TRS member "nonmoney maintenance compensation," the employer shall report to the department as earnable compensation the amount by which the fair market value of the "nonmoney maintenance compensation" exceeds the amount, if any, paid by the member for the "nonmoney maintenance compensation."

(5)(a) No item reported to the department as "nonmoney maintenance compensation" shall be included in the calculation of a Plan I TRS member's retirement benefits unless the employer or the member substantiates by adequate records or by other sufficient corroborating evidence, the employer's report under subsection (4) of this section and the member's own statement: (i) That the net amount of the item, as reported in accordance with subsection (4) of this section is accurate; (ii) that the item was furnished for the personal use of the member in partial payment for the member's rendering of personal services to the employer; and (iii) that for

federal income tax purposes the item was neither associated with an available corresponding deduction for ordinary and necessary employee business expenses nor excludable from taxation, as reflected in subsection (2)(b) of this section. Absent such evidence corroborating each of these elements, the department shall presume that the item neither qualifies as "nonmoney maintenance compensation" nor as "compensation earnable."

(b) Except as provided in WAC 415-112-413 (containing special substantiation rules for employer-provided vehicle, and vehicle allowances), corroborating records or other evidence may take any form, but different types of evidence have different degrees of probative value. Usually, oral evidence alone has considerably less probative value than written evidence. In addition, the probative value of written evidence is greater the closer in time it relates to the furnishing of the item. Thus, written evidence prepared at or near the time the item was furnished, absent unusual circumstances, generally has much more probative value than evidence created years later. Except as provided in WAC 415-112-413, the department will carefully weigh the probative value of all forms of evidence submitted or obtained to determine whether it is sufficient, when taken as a whole, to corroborate the employer's report and the member's own statement.

WAC 415-112-413 Special recordkeeping rules for vehicles and vehicle allowances provided by employers to Plan I TRS members—Exemption—Presumption in absence of records. (1)(a) For fiscal years beginning after the effective date of this regulation, and except as provided in (b) of this subsection, each employer shall maintain monthly contemporaneous records for each vehicle provided to a Plan I TRS member reflecting: (i) Whether the vehicle was authorized and available for other personal use including commuting; (ii) whether the vehicle was used for commuting and, if so, the distance the member normally commuted on a daily basis during the month; (iii) the dates, if any, on which the member used the vehicle for other personal purposes, the miles driven on each such trip, and the itinerary of each such trip; (iv) the total number of miles the vehicle was driven during the month; and (v) the percentage of the total miles driven during the month which were driven by the member for personal use of the vehicle (including commuting) during the month. If the employer maintains such records, the employer shall report to the department as "earnable compensation" for each month the lesser of: (A) The product of the monthly fair market lease value of the vehicle times the percentage of personal use of the vehicle during the month, or (B) one-twelfth of the amount reported by the employer to the Internal Revenue Service as the member's taxable income attributable to the personal use of the vehicle during the year under any alternative valuation method authorized by Internal Revenue Service regulations.

(b) The monthly records required under (a) of this subsection need not be maintained if: (i) The employer has an established policy that the vehicle shall not be used for personal purposes; (ii) any commuting or other personal use of the vehicle by the member during the month is excludable from the member's taxable income under any provision of the United States Internal Revenue Code; or (iii) any commuting or other personal use of the vehicle by the member is otherwise excluded from the definition of "earnable compensation" under WAC 415-112-410(3).

(c) Unless the employer maintains the records required under (a) of this subsection, the department shall presume that any vehicle provided by an employer to a member is authorized for use solely in connection with the employer's business, and therefore the use of the vehicle neither qualifies as "nonmoney maintenance compensation" nor as "earnable compensation."

(2)(a) For fiscal years beginning after the effective date of this regulation and except as provided in (b) of this subsection, each employer that provides a vehicle allowance to one or more TRS members shall maintain monthly contemporaneous records for each such member reflecting: (i) The dates, if any, on which each such member used a privately owned vehicle in performing services for the employer, (ii) the miles driven on each such trip, and (iii) the itinerary of each such trip. If the employer maintains such records, the employer shall report to the department as "compensation earnable" for each member the difference between the vehicle allowance and the number of miles such employee drove a privately owned vehicle in performing services for the employer during the reporting period times the mileage reimbursement rate used by the employer to reimburse its other employees for expenses incurred in performing service to the employer; or (iv) if the employer has established no such rate, the rate established by the United States Internal Revenue Service for use by taxpayers in computing deductions for employees' business expenses.

(b) The monthly records required under (a) of this subsection need not be maintained if (i) the contract of employment that provides such allowance is solely in lieu of reimbursement for expenses incurred or expected to be incurred in performing services for the employer, or (ii) the member receiving such allowance also receives separate reimbursement for automobile expenses for each use of a privately owned vehicle in performing services for the employer on the same basis as the other employees of the employer.

(c) For purposes of (a) and (b) of this subsection, a "privately owned vehicle" means any vehicle not owned by or leased to the employer.

(d) Unless the employer maintains the records required under (a) of this subsection, or is excused from maintaining the records under (b) of this subsection, the department shall presume that any vehicle allowance provided by an employer to a TRS member is solely in lieu of reimbursement for expenses incurred or expected to be incurred in performing services for the employer

and therefore does not constitute "earnable compensation."

WAC 415-112-414 Back pay award or settlement--
Definition--Allocated by the department for retirement system purposes. "Back pay award or settlement" means a retroactive payment made by an employer or former employer to a member pursuant to an award by a court or an order of or conciliation agreement with an administrative agency charged with enforcing federal, state, or local statutes, ordinances, or regulations protecting employment rights, or a bona fide settlement of such a claim before a court or administrative agency. The department shall allocate any such award or settlement to the period or periods in which the work was done or in which it would have been done and, for retirement system purposes, deem such payments as earned in the period or periods to which the award or settlement is so allocated.

[Statutory Authority: RCW 41.32.010(11) and 41.32.160. 87-17-060 (Order DRS 87-07), § 415-112-414, filed 8/19/87.]

WAC 415-112-415 First-in-first-out accounting method for determining when leave earned. When an employer provides cash compensation in lieu of unused leave, the department applies a first-in-first-out accounting method to determine when the compensated leave was earned, unless the employer has in place a regulation, charter provision, ordinance, collective bargaining agreement, or other comparable written policy statement which clearly delineates a different method of accounting for the accrual and use of leave, and, if applicable, compensation for unused leave and the same such method is consistently applied in each instance and for all purposes.

Any employer's policy which is not consistent for all purposes which is contained in a regularly negotiated labor agreement in effect on the effective date of this section will be honored until the expiration date of the agreement not including any extensions at which time it will be brought into compliance with this section. Any employer's policy which is not consistent for all purposes which is established by the employer shall be brought into compliance within sixty days of the effective date of this section. In the event an employer fails to come into full compliance with this section by the dates established herein, the department will treat cashed out leave on the same basis as the employer has established for using leave.

(1) A member's total contributions to the teachers' retirement system based on salary and wages paid by a Washington employer for services rendered during a fiscal year, beginning July 1, 1967, shall serve as the basis for determining a member's earnable compensation for each fiscal year. Contributions made by

the member for out-of-state service, military service, professional preparation, or other service not paid for by a Washington employer shall not be included in determining a member's earnable compensation for computing his retirement allowance.

(2) In determining a member's earnable compensation for any fiscal year prior to July 1, 1967, the director shall in all cases of doubt secure confirmation from the employer of all salary and wages paid to a member for any fiscal year in question.

WAC 415-112-430 Computing the average earnable compensation. In computing a member's average earnable compensation, the computations shall include only the service during which a member was employed for salary or wages by a state of Washington employer and for which he established Washington membership service credit with the teachers' retirement system. This excludes out-of-state service, military service and professional preparation or other service for which credit may have been established but for which no salary or wages were paid to the member by a state of Washington employer. Contributions based on sabbatical leave, paid sick leave, or other leave paid for by a state of Washington employer and for which credit has been established with the teachers' retirement system shall be included in computing the earnable compensation.

(1) Upon approval by the board of trustees of an application for service retirement, the teachers' retirement allowance shall accrue from the first of the month following that in which a member terminated public school service, unless a full year of Washington service credit is established for the school year in which a member retires, in which case the date of accrual of his retirement allowance shall be July 1st following the member's final year of service. In no case shall the accrual date be prior to the first of the month following that in which proof and payment are received to establish membership or additional service credit.

(2) If a member terminates public school employment prior to eligibility for a service retirement allowance and at some future date qualifies for a deferred retirement allowance on the basis of age, the accrual date of such member's retirement allowance shall be the date on which the member reaches the minimum age required for such an allowance, provided the member is not employed in public education at the time. (1) In the case of a member who elects to have earnable compensation defined as provided in section 2, chapter 265, Laws of 1987, the department will determine whether the member held a bona fide part-time position during the years used to compute benefits, and what earnable compensation the member would have received if employed on a regular full-time basis in the same position under section 2, chapter 265, Laws of 1987. The department will consider, but not be limited to considering, the following factors:

(a) The salary schedule and related workload provisions, if any, adopted pursuant to RCW 28A.67.066 by the school district by which the member was employed;

(b) The salary schedule, workload provisions, or related documents, used by the community college district by which the member was employed, including salary schedules or workload provisions contained in a collective bargaining agreement negotiated pursuant to chapter 28B.52 RCW;

(d) When the member's position was created, and how long the position was held by the member;

(e) Whether the member has previously retired under the provisions of chapter 41.32 RCW.

(2) Employers shall provide to the department information addressing the factors listed in subsection (1) of this section and such further information as the department may request.

WAC 415-113-010 Background and purpose. (1) Background - chapter 41.54 RCW as amended by chapter 192, Laws of 1990 (House Bill 1323) provides that portability of public retirement benefits are to be made available to employees of the cities of Seattle, Spokane and Tacoma (first class cities). Chapter 192, Laws of 1990 (HB 1323) provides the option to the first class cities to irrevocably elect to have their city retirement system subject to portability with the department of retirement systems (DRS) administered retirement systems. The DRS administered retirement systems that are participating in portability under this chapter are limited to those established under chapters 41.32 (TRS), 41.40 (PERS), 41.44 (SCERS), and 43.43 RCW (WSP).

(2) Purpose - this chapter is intended to provide permanent rules for the election of portability by the first class cities identified by chapter 192, Laws of 1990 (HB 1323). Chapter 192, Laws of 1990 allows the first class cities to individually elect to participate before December 1, 1990 with portability becoming effective on January 1, 1991.

[Statutory Authority: RCW 34.05.350 and 1990 c 192 § 5(4). 90-22-038, § 415-113-010, filed 11/1/90, effective 12/2/90.]

WAC 415-113-020 Authority to assess costs of portability. Chapter 192, Laws of 1990 (HB 1323) provides that the entire additional costs of a person receiving DRS benefits resulting from portability under its provisions are to borne by the first class city retirement system or systems of which the person is currently or has been a member. These additional costs are to be assessed by DRS against the city retirement system or systems of which the person is a current or former member.

[Statutory Authority: RCW 34.05.350 and 1990 c 192 § 5(4). 90-22-038, § 415-113-020, filed 11/1/90, effective 12/2/90.]

(1990 Ed.)

WAC 415-113-030 Definitions for purposes of WAC 415-113-010 through 415-113-050. (1) "Additional costs" means any benefits incurred by the DRS administered systems for member retirement allowances that are the direct result of portability under chapter 192, Laws of 1990 (HB 1323).

(3) "Portability" means that a person can be a dual member of both a city retirement system or systems and one or more of the DRS administered retirement systems for the purpose of combining service credit for determining eligibility from each system if the person meets the requirements of dual membership as defined in chapter 192, Laws of 1990 (HB 1323).

WAC 415-113-040 Additional costs. (1) City retirement systems will be assessed the following "additional costs" under chapter 192, Laws of 1990 (HB 1323):

(a) The additional costs of DRS benefits that result from a dual member's use of base salary or average compensation from a city retirement system to increase DRS benefits. Cities will also be assessed for any cost of living adjustments (COLA) in statute at the time of the dual member's retirement which are applied to the additional costs of DRS benefits for the dual member. Cities may be assessed the cost of future COLA's only through the revision of chapter 192, Laws of 1990 (HB 1323) or the promulgation of new regulations.

(b) The additional costs of DRS benefits that result from the combination or reestablishment of service credit that is allowed under the portability provided by chapter 192, Laws of 1990 (HB 1323). The city retirement systems will bear the entire costs of the DRS benefits for a dual member when portability allows the dual member to become vested for a DRS benefit. When city retirement systems bear the entire costs of DRS benefits, the costs to the cities will be reduced by the amount of accumulated employee contributions. When portability allows a dual member to be eligible for early retirement, the cities will be assessed the present value of the difference between what would have been the member's retirement allowance with an actuarial reduction, absent portability, and the retirement allowance provided as the result of portability. Cities will also be assessed the costs of COLA's in statute at the time of the dual member's retirement which are applied to the additional costs of DRS benefits for the dual member. Cities may be assessed the cost of future COLA's only through the revision of chapter 192, Laws of 1990 (HB 1323) or the promulgation of new regulations.

(2) When a person is or has been a member of more than one city retirement system, the costs of the additional DRS benefits will be apportioned among the city retirement systems the person is or has been a member of. Additional costs will be apportioned based on the service credit the dual member has with each city retirement system.

(3) Cities will not be assessed for the administrative costs DRS incurs to implement portability under chapter 192, Laws of 1990 (HB 1323).

(4) Cities will be assessed for the cost of future DRS benefit increases which are the result of recomputation of a dual member's DRS benefits, when such recomputation is the result of revision of chapter 192, Laws of 1990 (HB 1323).

WAC 415-113-050 Election to participate. To participate in portability under chapter 192, Laws of 1990 (HB 1323) a first class city (Seattle, Spokane or Tacoma) must irrevocably elect to participate by adoption of a resolution before December 1, 1990. This resolution must be transmitted to the director of DRS and to the joint committee on pension policy prior to December 1, 1990. Election to participate is on an individual basis for each city. If any city should elect not to participate, this will not prevent any of the other identified cities from having the ability to elect to participate. Transmittal of the resolutions should be made to the following offices:

For the director of DRS – George Northcroft
Director
Department of
Retirement Systems

For the joint committee – Stan Johnson, Chairman
Office of the
State Actuary

WAC 415-113-060 Reimbursement of additional costs. (1) DRS will assess the additional costs of DRS benefits in the following manner. Upon retirement of a dual member, DRS will compute the total cost of additional DRS benefits. DRS will notify the city retirement system of the dual member of the total costs of additional DRS benefits and the city retirement system shall then reimburse DRS for the additional costs in one lump sum, offset by accumulated employee contributions when appropriate. City retirement systems will have thirty days from notification to pay the total costs of additional DRS benefits. Interest will be charged at a reasonable rate to be determined by the department of retirement systems for late payments by the cities.

(2) DRS computations of additional DRS benefit costs will be based on actuarial services provided by the office of the state actuary (OSA). If any city should elect to participate in portability under chapter 192, Laws of 1990 (HB 1323), OSA will provide DRS before January 1, 1991 actuarial tables to compute the costs of dual member's additional DRS benefits. The tables will use interest and mortality assumptions that are used for the public employees retirement system.

(3) Dual member retirees may return to employment in a position or for such a duration as to cause a suspension of their DRS benefits. DRS recognizes that a lump sum reimbursement of costs for additional DRS benefits may lead to city retirement systems reimbursing DRS for DRS benefits that may never be paid, or may result in a lesser charge to the city retirement system, if a dual member retiree is reemployed. The OSA will recompute the remaining actuarial value of DRS benefits for a reemployed dual member employee upon rereirement of the dual member. DRS will then refund the actuarial value to the city retirement system or systems which have paid the additional costs, if the recomputation results in a lesser cost to DRS than the original computation.
