(j) Whether the assuming company holds a valid certificate of authority or registration for the kind of insurance involved in the proposed transfer, issued by the state of which the policyowner is a resident.

(j) Whether the proposed transfer would have any effect upon availability and extent of protection afforded by any state guaranty fund, in the event of insolvency of the proposed assuming company.

(2) The notice and disclosure shall be accompanied by a form by which the policyowner may consent to or reject the proposed transfer. The form shall be worded in language easily understood by the policyowner, and be accompanied by a postage prepaid return envelope, by which it may be returned. All the forms shall be subject to the type size requirements of RCW 48.20.012(2).

(3) After processing, the transferring company shall return to consenting policyowners a copy of the consent to transfer for attachment to the insurance contract. The transferring company shall retain the policyowner’s written consent with its records pertaining to each insurance contract.

(4) The notice and disclosure documents must also advise the policyowner that the transferring company will not unfairly discriminate against those policyowners who do not consent to the transfer.

(5) A certificate of assumption shall be provided to each consenting policyowner. The certificate shall include, at a minimum, the statement that the assuming company assumes all contractual obligations under the insurance contract. It shall include the name of the assuming company and its address to which communications relating to the insurance contract should be sent. The certificate of assumption shall become a part of the transferred contract. The form of certificate of assumption shall be filed with the insurance commissioner pursuant to RCW 48.18.100.

WAC 284-95-060 Prohibited policy provisions. No insurance contract, or other contractual document pertaining to any such insurance contract, shall contain any waiver or disclaimer of any of the rights recognized or protected by this regulation.

WAC 284-95-070 Transfers to unauthorized insurers. Where a Washington resident owns an insurance contract issued by a company authorized to do business in Washington, that company may not transfer such insurance contract to a company which is not authorized to do business in Washington. Acting as the assuming company in a transfer of insurance involving a Washington risk constitutes the transaction of insurance for which a Washington certificate of authority, license, or registration is required.

WAC 284-95-080 Unfair or deceptive acts or practices. It is an unfair or deceptive act or practice, pursuant to RCW 48.30.010, for any transferring company to:

(1) Be a party to a transfer of insurance contracts which is in violation of the provisions of this regulation; or

(2) Represent to policyowners, either verbally or in writing, that the commissioner has approved a transfer of insurance contracts. It shall be a false representation in advertising, in the sense of RCW 48.44.110, for a health care service contractor to represent to policyowners, either verbally or in writing, that the commissioner has approved any transfer of insurance contracts. It shall be a false or misleading practice in advertising, in the sense of RCW 48.46.400, and a deceptive, misleading, or unfair practice in advertising, in the sense of RCW 48.46.130 (1)(e), for a health maintenance organization to represent to policyowners, either verbally or in writing, that the commissioner has approved any transfer of insurance contracts; or
