**WAC 36-12-120 Powers of referee--Penalties for fouls, butts.** (1) The referee shall have power to stop a contest at any time if he considers it too one-sided, or if either contestant is in such condition that to continue might subject him to serious injury, and in either case to render a decision.

(2) In cases where a boxer receives a cut eye or any other injury which the referee may believe shall incapacitate the boxer, the referee shall call into the ring the commission physician for examination of the boxer before the referee shall render his decision in the matter.

(3) The referee shall stop a contest if in his judgment there is stalling or faking by either or both contestants or if there is collusion affecting the result, in which case he shall recommend to the commission that the purse or purses of the offending boxer or boxers be forfeited and paid to the commission.

(4) The referee shall penalize any contestant who fouls his opponent during a contest, by charging such contestant with the loss of points, whether such foul or fouls be intentional or unintentional. However, the referee shall use his own discretion in determining the

number of points, if any, chargeable against the contestant in each instance, depending upon the severity or harmlessness of the foul and its effect upon the opponent. The referee shall indicate on the official score card the number of points taken away from a contestant in any and all rounds in which he may find it necessary to charge the contestant with such loss. The referee shall, at the conclusion of each round notify the judges of the number of points to be deducted in accordance with his determination. Judges shall not deduct points without first receiving instruction from the referee.

(5) Persistent fouling by a contestant requiring cautioning by the referee shall be noted on the referee's score card and called to the attention of the commission for appropriate punishment.

(6) No contestant may be awarded a contest on a claim of a low-blow foul, nor may a contestant lose a decision by reason of a low-blow foul. Except where a contestant commits two fouls and after being warned each time by the referee, he commits a third foul, the referee may then within his discretion award the decision to the contestant who has been fouled.

(7) Any boxer guilty of intentional foul tactics in a boxing contest may be disqualified and his purse withheld from payment, and the boxer shall be automatically suspended. Disposition of the purse and the penalty to be imposed upon the boxer shall be determined by action of the commission.

(8) In the event of an unintentional foul (except as provided in subsection (9) of this section) other than low-blow fouls, rendering an opponent incapacitated or unfit to continue (in the opinion of the referee), the contest shall be terminated, no decision shall be rendered but the referee shall order withheld from payment the purses of both contestants; the referee shall make a full report thereof, as is otherwise indicated herein, and the matter shall be heard by the commission and be disposed of as the commission may in its judgment deem expedient. Referees are hereby required to report to the commission repeated or persistent intentional or unintentional fouling by any contestant, in which connection the commission may order a hearing and subject the offending contestant to such punishment, which may include a fine or suspension, or both.

(9) If an accidental butt occurs during any bout, the referee shall immediately warn the guilty boxer and he may penalize him by a deduction in points for the round, at the same time he shall so notify the other contestant. Should any such penalty be charged against the boxer guilty of butting it shall be charged at the end of the round in which the butting occurred and the referee's score card shall be so marked at the conclusion of the round, at which time he shall also notify the judges; the referee shall explain in writing on the back of his card the nature and circumstances surrounding the penalty.

(10) If a boxer is accidentally butted in a bout so that he cannot continue, the referee shall:

(a) Call the bout a draw if the injured boxer is behind in points, or

(b) Declare the injured boxer the winner on a technical decision if he has a lead in points. When judges are

used the majority vote as disclosed by the score cards shall prevail in determining the decision as specified in this section and the previous section hereof. If all three score cards differ the contest shall be declared a technical draw.

(c) If any accidental butt occurs during the first three rounds of any contest the referee shall call the bout a no contest.

The provisions of (a) and (b) of this subsection do not apply in world championship matches.

This rule applies only to accidental butting. Intentional butting is a foul and shall be penalized as such.

(11) The referee shall use his discretion in deciding any matters that may come up during a contest and are not covered by these rules.

Such consultation shall take place upon the conclusion of a round or with "time out" or in an emergency during the progress of any round. The termination of the bout shall be governed by the examining physician's decision.

(2) A contestant who goes down without being struck, and stays down, shall be disqualified and the referee may render the decision to his opponent, and the referee shall recommend to the commission that the purse of the offending boxer be forfeited and paid to the commission.

(3) Should a contestant leave the ring during the one minute period between rounds and fail to be in the ring when the gong rings the signal to resume boxing, or should a contestant fail to rise from his chair at the beginning of a round, the referee shall start counting immediately, and unless the contestant is on his feet in the ring at the end of ten seconds the referee shall declare him as counted out.

(4) Should a contestant who is "down" arise before the count of "ten" is reached, and go down again immediately without being struck, the referee shall resume the count where he left off. If in any boxing contest during the rest period between rounds the referee shall decide that either of the contestants is not able to continue, or if the chief second of either of the contestants shall inform the referee that his boxer is unable to continue, and the referee concurs therein, he shall render his decision before the gong or bell rings and then indicate on his score card that the opponent of the incapacitated boxer is the winner of the contest on a technical knockout as of the round which has last been finished.

(5) When a boxer resumes boxing after having been knocked or fallen or slipped to the floor, the referee shall wipe any accumulated resin or other foreign material from the boxer's gloves with a damp towel or on his shirt.

**WAC 36-12-150 When boxer falls from ring during round.** (1) A contestant who has been knocked or has fallen through the ropes and over the edge of the ring platform during a contest may be helped back by anyone except his seconds or manager and the referee will allow a reasonable time for this return. When on the ring platform outside the ropes the contestant must reenter the ring immediately, then he may either resume the contest or stay down for a count, which in the latter case shall be started by the referee as soon as the fallen contestant is back in the ring.

(2) Should the contestant stall for time outside the ropes the referee shall start the count without waiting for him to reenter the ring, and if he is not on his feet in the ring within ten seconds, the referee shall declare him "knocked out."

(3) When one boxer has fallen through the ropes the other shall retire to the farthest corner and stay there until the count is completed or his opponent is on his feet in the ring. The referee must signal for the resumption of fighting when the fighter has returned to the ring.

(4) A contestant who deliberately wrestles or throws an opponent from the ring, or who hits him when he is partly out of the ring, and prevented by the ropes from assuming a position of defense may be disqualified, and the referee shall recommend to the commission that the purse of the offending boxer or boxers be forfeited and paid to the commission.

[Statutory Authority: Chapter 67.08 RCW. 91-11-038, § 36-12-150, filed 5/10/91, effective 6/10/91; Rule .04.150, filed 9/22/60, 3/17/60.]

**WAC 36-12-160 Report of referee--Withholding or forfeiture of purse.** (1) A referee of any contest shall submit a report of any and all contests which he referees. Any matter involving disregard of the rules or law must be included in the report and any recommendations relative to fines or suspensions of violators of the rules or law. Mail the report to the commission office. All referees must fully and explicitly describe the circumstances in which any bout is stopped on account of a technical knockout. When requested by the commission the referee's report must contain the exact reason for his actions in awarding the decision to the winner as a result of a technical knock-out.

(2) The referee shall recommend to the commission that they declare forfeited any remuneration or purse, or any part thereof, belonging to the contestants or one of them, or any part of the gate receipts for which contestants are competing, if in his judgment such contestant or contestants are not honestly competing. It is the desire of the commission to strictly enforce the above, and every referee is ordered to warn competing boxers of the power of the commission to hold up the purse or purses, should there be any apparent cause for such warning.

(3) In any case where the referee decides that both contestants are not honestly competing, the BOUT MUST

BE STOPPED BEFORE THE END OF THE LAST ROUND, AND NO DECISION BE GIVEN. The announcer shall inform the audience, that no decision has been rendered. In such cases the purses shall be forfeited. A contestant earns nothing and shall not be paid for a contest in which there is stalling, faking, dishonesty or collusion. The commission shall have the power, independent of the referee or his decision, to determine the merits of any contest, and take whatever action it considers proper. Counting a boxer out, or disqualifying one of the contestants for fouling, is in effect giving a decision.

(4) A referee's decision rendered at the termination of any boxing contest is final and shall not be changed unless following the rendition of a decision the commission determines that any one of the following occurred:

(a) There was collusion affecting the result of any contest;

(b) The compilation of the scorecard of the referee or referee and judges shows an error which would mean that the decision was given to the wrong boxer;

(c) There was a clear violation of the laws or rules and regulations governing boxing which affected the result of any contest.

If the commission determines that any of the above occurred with regards to any contest then the decision rendered shall be changed as the commission may direct.

all examinations must be paid by the boxer. The commission may order examinations of boxers at any time for the purpose of determining whether such boxer is fit and qualified to engage in future contests. The printed form supplied to the physician must be filled out and returned to the commission, by the physician, and must be in the possession of the commission before the license application can be acted upon. The examination must be repeated and reports turned in once a year, as long as the boxer is licensed by the commission.

This rule will be effective regardless of how keen the boxer's vision may be in the other eye. Nor shall a boxer's license be issued to any boxer who has suffered a cerebral hemorrhage or any other serious head injury.

(9) When a boxer has been knocked out, none of his handlers are to touch him, except to remove his rubber mouth protector until the attending physician enters the ring and personally attends the fallen boxer, and issues such instructions as he sees fit to the boxer's handlers.

(5) All contracts between manager and boxer must be in writing and signed in triplicate, the original filed with the commission for approval. Contracts must state the division of the boxer's earnings, which in no case shall allow the manager more than 33-1/3 percent of the boxer's purse, exclusive of amounts owed by the boxer to the manager under subsection (15) of this section.

(6) No assignment of any part or parts of a boxer's or a manager's interest in a contract can be made without the written approval and consent of the commission.

(7) No manager shall be allowed to contract for the services of a boxer under his management for a match to take place on a date after the expiration of the contract between the boxer and the manager.

(8) Any boxer not under contract to a manager can make his own matches, sign contracts and need not apply for a manager's license to handle his own affairs.

The manager shall obtain the boxer's signature and date of signature on each accounting, within fourteen days of the loan or obligation being incurred.

**WAC 36-12-270 Matchmakers.** (1) Matchmakers must observe all of the rules and requirements with respect to weight agreement and weighing-in, and the proper execution and filing of contracts.

(2) Matchmakers will be held responsible by the commission if they make matches in which one of the principals is outclassed. Persistent lack of judgment in this matter will be regarded as cause for canceling the license of the matchmaker and the promoter which he represents, for the protection of both the boxers and the public.

(3) Managers are not allowed to have more than three boxers under their management appear in any one show. Matchmakers must rigidly enforce this rule.

(4) Any promoter or matchmaker found guilty of managing a boxer shall have his license suspended, and

**WAC 36-12-300 Judges.** (1) The commission inspector in charge at all boxing shows shall, before the start of each bout, give the judges a regulation scorecard. Judges shall score each round of the bout on this card and sign it at the conclusion of the contest.

(2) Judges shall score all contests and determine the winner through the use of the ten point must system. In this system the winner of each round receives ten points and the opponent a proportionately less number. If the round is even, each boxer receives ten points. No fraction of points may be given.

(3) The majority opinion on the judges scorecards shall be conclusive and if there is no majority then the decision shall be a draw.

(4) At the termination of each contest, the referee will pick up and deliver the scorecards to a commission representative. When the commission representative has verified the results of the contest, the ring announcer shall be informed of the decision and shall announce the decision.

(5) The commission inspector will deliver or mail all scorecards with the rest of his reports to the commission office.

[Statutory Authority: Chapter 67.08 RCW. 91-11-038, § 36-12-300, filed 5/10/91, effective 6/10/91; Rule .04.300, filed 9/22/60, 3/17/60.]

**WAC 36-12-310 Commission physician.** (1) Within eight hours of entering the ring each contestant must be given a thorough physical examination by a physician who has been appointed by the commission.

(2) Should the boxer examined prove unfit for competition, through physical injury, faulty heart action, the presence of any infection or contagious disease, or any weakness or disability discovered by the examining physician, said boxer shall be rejected and barred from contest. This decision must be reported immediately to the promoter and the commission inspector.

(3) The physician shall certify to the inspector in writing over his signature that the contestants passed by him are in good physical condition to engage in the contest, and shall give his written report on the boxers to the commission inspector.

(4) The physician shall be in attendance at the ringside during all the contests and shall be prepared to assist should any serious emergency arise. The commission physician at ringside will have the authority to stop a fight when he considers a boxer badly injured or in no shape to continue. Whenever a fight is stopped between rounds by the physician or otherwise because of injuries, the opponent shall be credited with a TKO for the round just concluded. No bout shall be allowed to proceed unless the physician is in his seat.

(5) The commission physician shall have a suitable place or room in which to make the examinations. Physicians, other than those licensed by the commission shall not be allowed in the dressing room of any boxer before a bout.

(3) Any person holding a license under this commission who has been suspended for using dishonest methods to affect the outcome of any contest, or for any conduct reflecting serious discredit upon the sport of boxing shall not be eligible for reinstatement.

(4) Any manager under temporary suspension shall be considered to have forfeited for the duration of his suspension all rights in this state held under the terms of any contract with a licensed boxer.
