WAC 132E-16-340 Adoption. The board of trustees of the Community College District No. 5 acting for the Everett Community College, find that the immediate adoption of the foregoing traffic regulations of Everett Community College is necessary for the preservation of public safety and general welfare. The observance of the requirements of notice and opportunity to present views on the proposed traffic regulations would be contrary to the public interest, therefore, the board adopts the traffic regulations as an emergency rule. The reason for the finding is that due to an oversight, notice and hearing on the regulations were not

regularly scheduled and it is imperative that regulations be in effect for 90 days to provide time for notice and hearing. That regulations are necessary for the safety of the students and other users of the Everett Community College campus and for the safety of the general public and the general welfare of the public and property owners adjacent or near to the campus of the Everett Community College.

(a) To appear alone or with any other person to advise and assist him before an appropriate committee, court, or official,

(b) To know the nature and source of the evidence against him and to present evidence in his own behalf, and

(c) To have his case reviewed by the faculty-student disciplinary committee.

(4) Students shall have an opportunity to participate fully in the formulation of all policies and rules pertaining to student conduct.

(5) Rules and sanctions affecting the conduct of men and women shall be based on general principles of equal treatment, including like penalties for like violation.

As such, we believe we have a special obligation to vigorously promote the freedoms provided by the democratic processes of our free society. We conceive that central to its very existence is full and free discussion of the controversial issues of our time conducted in a responsible manner.

(2) We believe that freedom of speech and assembly requires a forum wherein students may develop their thoughts and their convictions.

(3) We seek to enlist and maintain a competent faculty whose members subscribe to high standards of professional conduct. We encourage the faculty to assist students in their search for truth in any way consistent with those standards which include an obligation on the part of the instructor to place major emphasis on information and analysis in his field of competence.

(4) We hold that an instructor's unique role in the community is to be specially involved in the objective search for truth. His chief contribution, however, is in the classroom where in order to foster the spirit of responsible, objective inquiry he has freedom to discuss his subject and to lead discussion in any controversial aspects of its content. We hold that an instructor's unique position imposes upon him special obligations.

(a) In his writing and speaking he should seek accuracy.

(b) He should exercise appropriate restraint.

(c) He should show respect for the opinions of others and for freedom of expression among others.

(d) While writing or speaking as a private citizen he should clearly indicate that he is not a college spokesman.

We further believe that when an instructor speaks or writes as a private citizen he is entitled to all the rights of his citizenship and he must assume the responsibility for his own actions.

(5) We encourage inviting to the college speakers who represent diverse points of view. Such speakers are expected to regard this privilege as entailing the same responsibilities and obligations as those faced by instructors. We, moreover, will always assure ourselves that the event is in no way an abuse of that privilege. In the discussion of sensitive issues the board of trustees reserves the right, either by its own act or by delegation, to impose conditions upon these speakers which will insure the opportunity to challenge these views. The trustees further insist that there shall be left no implication by the college of approval or disapproval of either the speakers or of their views.

(6) We encourage student organizations which are officially recognized by the college to invite speakers to the campus providing suitable space is available and there is no interference with the regularly scheduled program of the college.

(7) In order to provide an atmosphere of open exchange and to insure that the educational objectives of the college are not obscured, the president may prescribe conditions for the conduct of the meeting in any case which may be attended by extreme emotional feeling. Such action may include designating a member of the faculty to be chairman, and/or requiring permission for comments and questions from the floor. Likewise the president may require the appearance of one or more additional speakers at the meeting in question, or at a subsequent meeting, so that other points of view may be expressed. He shall also prescribe the regulations for the advanced planning of all meetings to be addressed by outside speakers and may designate representatives to recommend conditions for the conduct of particular meetings.

(8) The board of trustees will neither authorize nor tolerate actions by any speaker during a meeting which:

(a) Incite the audience to riot or violate state or federal laws.

(b) Advocate the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the state of Washington, or any political subdivision of either of them by revolution, force or violence.

(9) The president or his duly delegated representative shall be charged with the responsibility of carrying out and implementing the policy enumerated herein.

WAC 132E-124-020 Everett Community College distribution of literature procedures. In order to insure an atmosphere in which the discussion of diverse points of view and ideas may exist, the following policy with regard to the distribution of printed matter will be implemented.

(1) Printed matter may be distributed in an orderly and nonforceful manner anywhere in the student center building, and the area directly in front thereof, except that

(a) Noninstructional printed matter shall not be distributed in the classroom.

(b) Printed matter shall not be distributed in Olympus Hall, the library, (other than specifically provided for) or in any area where the distribution of printed matter would restrict the physical passage of students or interfere with the instructional program.

(c) Printed matter shall not be placed on any vehicle parked on the campus.

(d) Posters and advertising bulletins must be approved by the office of student activities before they may be posted on campus. In general, material concerning off-campus activities will not be approved unless it is determined to be special service to ECC students.

(2) In addition, three central points of distribution will be made available on campus:

(a) A table in the library.

(b) The kiosks in the student lounge.

(c) A table in the TUB foyer—eastside entrance to the cafeteria.

(3) As to content of printed matter, the college will be guided by both adherence to the First Amendment of the Federal Constitution and existing laws regarding libel, slander and obscenity

(4) A system of prior censorship is to be avoided if at all possible. Therefore, maximum cooperation of students, faculty and administration will be necessary. Matters of interpretation regarding these procedures and questions as to content of any displayed material will be handled by the dean of students.

(5) Printed matter originating with an off-campus individual or organization must be registered with the dean of students before distribution will be permitted.

WAC 132E-130-010 Purpose. (1) This policy shall govern reduction in force, which is deemed to constitute sufficient or adequate cause for dismissal/termination of probationary faculty employees prior to the written term of their individual appointment or tenured faculty employees.

(2) Reduction in force shall include, but not be limited to, any of the following grounds:

(a) Lack of funds.
(b) Elimination and/or reduction of programs, courses or services.

(c) Decreased enrollment.

(d) Changes in educational policy and/or goals.

(3) Nothing in this reduction in force policy shall be construed to affect the decision and right of the appointing authority not to renew a probationary academic employee appointment without cause pursuant to RCW 28B.50.857.

[Statutory Authority: RCW 28B.50.140, 82-18-068 (Order 82-8-1, Resolution No. 82-8-1), § 132E-130-010, filed 9/1/82.]

WAC 132E-130-020 Implementation of reduction in force. If the number of academic employees is to be reduced, the district president shall decide which programs and/or support services are most necessary to maintain the educational mission of the district. The district president shall then decide the number of full-time academic employees to be laid off in each lay-off unit. If a reduction is determined to be necessary, the order of reduction normally will be based on seniority within the applicable layoff unit. In instances where it is in the best interest of the quality or effectiveness of the programs and services of the college, and after consultation with appropriate administrators responsible for and/or related to the lay-off unit regarding qualifications and/or performance of involved faculty, the district president may determine individuals to be laid off without following the order of seniority. Subsequent steps in the procedure for reduction in force are specified in Appendix B of the District V/Everett Community College federation of teachers labor agreement.

Continuous service shall include leaves of absence, professional leaves, and periods of layoffs. The longest term of employment as thus established shall be considered the highest level of seniority. In instances where

faculty members have the same beginning date of full-time professional service, seniority shall be determined in the following order:

- (1) First date of signature of an employment contract.
- (2) First date of signature of letter of intent.
- (3) First date of application for employment.

[Statutory Authority: RCW 28B.50.140, 82-18-068 (Order 82-8-1, Resolution No. 82-8-1), § 132E-130-030, filed 9/1/82.]
