The right to elect a majority of the board is presumptively reasonable.

The charter documents of a corporation proposing to issue convertible preferred shares or the indenture or other instrument pursuant to which convertible debt securities or options or warrants are proposed to be issued should normally contain an appropriate antidilution provision providing for an adjustment of the number of shares into which such shares or units are convertible or the number of shares purchasable pursuant to such options or warrants upon any stock split or stock dividend or other recapitalization of the issuer. [Order 304, § 460-16A-070, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-075 Selling expenses. No issuer of securities shall incur more selling expenses than are reasonably necessary for the sale and issuance of such securities. Selling expenses which do not exceed 15 percent of the aggregate offering price (before deducting discounts and commissions) are presumed to be reasonable if the said percentage is computed only on the portion of the aggregate offering price when and as paid to the issuer. "Selling expenses," as used in these regulations, means the total underwriting and brokerage discounts and commissions (including fees of the underwriters' attorneys paid by the issuer) paid in connection with the offering plus all other expenses actually incurred by the issuer relating to printing, engraving, mailing, salaries of employees while engaged in sales activity, charges of transfer agents, registrars, trustees, escrow holders, depositories, and engineers and other experts, expenses of qualification of the sale of the securities under federal and state laws, including taxes and fees, and any other expenses actually incurred by the issuer and directly related to the offering and sale of the securities, but excluding accountants' and the issuer's attorneys' fees and options to underwriters.

Stock acquired or to be acquired by the underwriter, a person associated with an underwriter, underwriters' counsel, finder, financial adviser, or related parties in connection with the offering is considered part of the underwriters' compensation and is valued for such purposes on a formula basis

taking into account the difference between the cost of such stock and the public offering price and other factors. However, the fact that stock has been held, or that there is an obligation to hold it, for a substantial period of time, and the method of payment therefore, may alter the valuation placed thereon.

[Order 304, § 460-16A-075, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-080 Subscription agreement. The subscription agreement shall contain among other things an acknowledgment by the subscriber that he has received a copy of the offering circular. Each completed subscription agreement shall be kept in the office of the issuer or broker-dealer for a period of three years after the transaction.

WAC 460-16A-090 Pro rata options to shareholders. Options may be issued to all of the shareholders of an issuer (or all of the holders of a particular class of stock) to purchase additional shares on a pro rata basis and having a term of not more than 90 days following their issuance, provided the exercise price is not so low in relation to the market price, or the underlying value of the shares where no market exists, as to be unreasonably prejudicial to those shareholders unable to exercise or sell their options and provided that the relative equity positions of different classes of outstanding shares will not be unfairly prejudiced thereby. An exercise price which is not more than 15 percent below the preexisting market price is presumptively reasonable under this section. Such options to shareholders should normally be freely transferable.

[Order 304, § 460-16A-090, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-095 Options to purchasers of debt securities. Options may be issued to the purchasers of debt securities from the issuer provided the terms of such options are reasonable and their issuance is reasonably necessary in order to obtain the debt financing. If the term of such options does not exceed the maximum life of the debt securities or 15 years, whichever is less, the number of shares of equity securities issuable upon exercise of shares that could be purchased at the exercise price with the face amount of the debt securities and the exercise price is not less than the market price at the date of the grant of such options, the terms and conditions of such options are presumptively reasonable.

[Order 304, § 460-16A-095, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-101 Application to promotional shares. The director has determined it to be in the public interest and consistent with the goals of investor protection in public offerings of corporate equity securities to provide rules to ensure that the potential rewards to public investors and to promoters bear a reasonable relationship to the respective risks assumed. The standards contained in WAC 460-16A-101 through 460-16A-106 apply to applications for

registration by coordination or qualification of equity securities to be issued by corporations. Nothing contained in these rules shall prevent the securities administrator from considering variations in the application of any, or all, of the standards when such variations are justified in light of all the facts and circumstances surrounding a particular public offering.

[Statutory Authority: RCW 21.20.250 and 21.20.450. 88-03-015 (Order SDO-164A-87), § 460-16A-101, filed 1/11/88.]

WAC 460-16A-102 Definitions applicable to promotional shares. As used in WAC 460-16A-101 through 460-16A-106, the terms listed below shall have the following meanings:

(1) An "affiliate" means a person that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified herein.

(2) The term "control" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(3) The term "earnings per share" means after-tax earnings per share as computed according to generally accepted accounting principles before extraordinary items.

(4) "Equity security" means any common stock, preferred stock, or similar security; or any instrument convertible, with or without consideration, into such a security, or carrying a warrant, option or right to subscribe to or purchase such a security; or any such warrant, option or right.

(5) "Person" means any individual, corporation, partnership, trust or other legal entity, or any unincorporated association or organization and includes the following: (a) Any relative, spouse, or relative of the spouse of the specified person; (b) any trust or estate in which the specified person or any of the persons specified in (a) of this subsection collectively own five percent or more of the total beneficial interest or of which any of such persons serve as trustee, executor, or in any similar capacity; and (c) any corporation or other organization (other than the issuer corporation) in which the specified person or any of the persons specified in (a) of this subsection are the beneficial owners collectively of five percent or more of any class of equity securities or five percent or more of the equity interest.

(6) The term "promoter" means: (a) Any person who, acting alone or in conjunction with one or more persons, directly or indirectly, takes the initiative in founding and organizing the business or enterprise of a corporation; (b) any person who, in connection with the founding or organizing of the business or enterprise of a corporation, directly or indirectly, receives in consideration of services or property or both services and property, five percent or more of any class of equity security of the corporation or five percent or more of the proceeds from the sale of any class of equity security of the corporation: *Provided, however,* That a person who receives such securities or proceeds solely as underwriting commissions shall not be deemed a promoter within the meaning of this clause if such person does not otherwise take part in founding and organizing the enterprise; (c) any person who is an officer, director, or who

beneficially owns, directly or indirectly, more than five percent of any class of equity security of corporation, excluding any unaffiliated institutional investor that purchased its shares more than one year prior to the filing date of the proposed offering; (d) any person who is an affiliate of a person specified under (a), (b), or (c) of this subsection.

(7) The term "promotional or development stage corporation" means a corporation which has no public market for its shares and has no significant earnings.

(8) "Promotional shares" are equity securities which were issued within the last three years, or are to be issued, to promoters for a consideration of less than eighty-five percent of the proposed public offering price. Such securities which were, or are to be, issued for services rendered, patents, copyrights or other intangibles are presumed to be promotional shares unless the value of such intangibles has been established to the satisfaction of the administrator. Note #1. In determining the consideration paid or the value of property under subsection (8) of this section, the administrator may disallow as consideration any property, including patents, copyrights, or goodwill, unless and to the extent that the value is established to the administrator's satisfaction. Consideration for shares of stock may include the market value of such assets if the market value can be determined by recognized standards of valuation acceptable to the administrator, and may also include out-of-pocket development or marketing expenses (excluding promoters' salaries) paid by promoters to the extent such expenses are not reimbursed by the corporation.

(9) "Public market" is meant to exclude thin markets which do not result in reliable prices. If doubt is raised as to the reliability of the market for an applicant's shares, the administrator may consider the market history, the public trading volume, the spread between the bid and asked prices, the number of market makers, public float, the pricing formula, and other relevant factors.

(10) "Significant earnings" shall be deemed to exist if the corporation's earnings record over the last five years (or the shorter period of its existence) demonstrates that it would have met either of the earnings tests set forth in WAC 460-16A-105(1) based upon its shares outstanding immediately before the proposed public offering capitalized at the proposed public offering price. However, such earnings tests shall not be deemed exclusive for the determination of significant earnings.

(11) An "unaffiliated institutional investor" means any unaffiliated bank; investment company registered under the

Investment Company Act of 1940 or a business development company as defined in section 2 (a)(48) of the Investment Company Act of 1940; small business investment company licensed by the United States Small Business Administration under section 301 of the Small Business Investment Act of 1958; employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974; insurance company; private business development company as defined in section 202 (a)(22) of the Investment Advisors Act of 1940 or comparable business entity engaged as a substantial part of its business in the purchase and sale of securities and which owns less than twenty percent of the securities to be outstanding at the completion of the proposed public offering.

WAC 460-16A-103 Amount of promotional shares.

The maximum number of promotional shares shall not exceed seventy-five percent of the outstanding shares of the corporation after the completion of the offering.

[Statutory Authority: RCW 21.20.250 and 21.20.450. 88-03-015 (Order SDO-164A-87), § 460-16A-103, filed 1/11/88.]

WAC 460-16A-104 Escrow of promotional shares.

The administrator shall require as a condition of registration by coordination or qualification that all promotional shares in excess of twenty-five percent of the shares to be outstanding upon completion of the offering be deposited in escrow absent adequate justification that escrow of such shares is not in the public interest and not necessary for the protection of investors. If such shares were issued by a promotional or development stage corporation and it is no longer in such a stage, then the escrow provisions of this section shall not apply. Notwithstanding the above, if a corporation issues any equity securities at less than eighty-five percent of the fair market value on the date of issuance, such shares may be deemed to be promotional shares and subject to the escrow provisions.

[Statutory Authority: RCW 21.20.250 and 21.20.450. 88-03-015 (Order SDO-164A-87), § 460-16A-104, filed 1/11/88.]

WAC 460-16A-105 Release provisions.

(1) Promotional shares which are to be escrowed shall remain in escrow until the administrator approves of their release. Each promoter's shares shall be released from escrow upon the achievement by the corporation of any of the following tests:

(a) After two consecutive fiscal years from the date of effectiveness, during which the corporation has minimum annual earnings per share equal to five percent of the public offering price. (See Note #2)

(b) After five fiscal years from the date of effectiveness, the average earnings per share are equal to five percent or more of the public offering price. (See Note #2)

Note #2. A request to the administrator for termination of an escrow based on satisfaction of any of the tests set forth in subsection (1)(a) or (b) of this section shall be accompanied by an earnings per share calculation audited and reported on by an independent certified public accountant.

(2) In the case of oil and gas exploration companies, the administrator may allow a test for release from escrow based upon the achievement of new proved developed reserves in lieu of the tests set forth in subsection (1) of this section.

(3) Shares may be released from escrow by the administrator if the public offering is terminated and no securities were sold pursuant thereto.

[Statutory Authority: RCW 21.20.250 and 21.20.450. 88-03-015 (Order SDO-164A-87), § 460-16A-105, filed 1/11/88; Order 304, § 460-16A-105, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-106 Terms of escrow. (1) The shares in escrow may be transferred by will or pursuant to the laws of descent and distribution or through appropriate legal proceedings without the consent of the administrator, but in all cases the shares shall remain in escrow and subject to the terms of the escrow agreement. In addition, upon the death of a promoter, such promoter's escrowed shares may be hypothecated, subject to all of the terms of the escrow agreement, to the extent necessary to pay the expenses of the estate; otherwise, the escrowed shares may not be pledged to secure a debt. The securities in escrow may be transferred by gift to family members, provided the shares remain subject to the terms of the escrow agreement.

(2) The shares required to be held in escrow as a condition to registration by coordination or qualification of a public offering shall not have any right, title, interest, or participation in the assets of the corporation in the event of dissolution, liquidation, merger, consolidation, reorganization, sale of assets, exchange or any other transaction or proceeding which contemplates or results in the distribution of the assets of the corporation, until the holders of all shares not escrowed have received, or had irrevocably set aside for them, an amount equal to the purchase price per share in the public offering, adjusted for stock splits and stock dividends. Subsequently, the holders of the escrowed shares shall be entitled to receive an amount per share equal to the amount per share received by or set aside for the holders of the nonescrowed shares plus any dividends and interest set aside for the escrowed shares (to the extent any such cash dividends plus interest are not necessary to meet the corporation's obligation of payment to holders of shares not escrowed), and thereafter all shares shall participate on a pro rata basis. However, a merger, consolidation, or reorganization may proceed on terms and conditions different than those stated above if a majority of shares held by persons other than promoters approve the terms and conditions by vote at a meeting held for such purpose.

(3) Shares held in escrow shall continue to have all voting rights to which those shares are entitled. Any dividends paid on such shares shall be paid to the escrow agent and held pursuant to the terms of the escrow agreement. The escrow agent shall treat such dividends as assets available for distribution as provided under subsection (2) of this section. The escrow agent shall place any cash dividends in an interest-bearing account. The cash dividends and any interest earned thereon will be disbursed when the shares are released from the escrow.

All certificates representing stock dividends and shares resulting from stock splits of escrowed shares shall be

delivered to the escrow agent to be held pursuant to the escrow agreement.

(4) A summary of the terms of the escrow shall be included in the prospectus or offering circular and, during the term of the escrow agreement and until the release of all shares from escrow, in subsequent prospectuses or circulars, annual reports to shareholders, proxy statements, or other disclosure materials used by shareholders or investors in making decisions with respect to the corporation.

(5) The escrow agent must be satisfactory to the administrator and may not be affiliated with any promoter of the corporation. The company shall not bear any of the escrow agent's fees or expenses associated with the escrow.

WAC 460-16A-108 Inapplicability of restrictions on amounts of promotional shares. The restrictions and requirements on the amounts of promotional shares contained in WAC 460-16A-101 through 460-16A-106 shall not apply with respect to offerings as to which each of the following conditions is met:

(1) The offering shall be firmly underwritten by a syndicate of not less than fifteen investment banking firms, each of which firmly agrees to purchase for resale in the offering at least \$100,000 of securities; and

WAC 460-16A-109 Hi-tech exemption from promotional shares rules. (1) "Hi-tech companies" do not have to comply with the provisions of WAC 460-16A-101 through 460-16A-106, and 460-46A-050.

(2) For the purposes of this section "hi-tech company" means a company that is primarily engaged in the development or production, for commercial marketing, of a new product or products that involve new technology. WAC 460-16A-111 Equity investment of promoters.

(1) The offering or proposed offering of an issuer which is in the promotional or developmental stage shall be considered unfair and inequitable to public investors unless the fair value of the equity investment of the officers, directors, and promoters of such issuer, determined as of the offering date, equals at least five percent of the total equity investment resulting from the sale of all of the securities which are the subject of the offering or proposed offering.

(2) For purposes of this policy:

(a) An issuer which is in the "promotional or developmental stage" shall mean an issuer which has no significant record of operations or earnings prior to the proposed offering date or the offering of whose securities cannot be justified on the basis of such record.

(b) The "fair value of the equity investment" of the officers, directors and promoters shall mean and total of all sums contributed to the issuer in cash together with the reasonable value of all tangible assets contributed to the issuer, as determined by independent appraisal or otherwise, and as adjusted by the earned surplus or deficit of the issuer subsequent to the dates of contribution.

(c) The term "total equity investment" shall mean the total of

(i) The par or stated value of all securities outstanding or offered or proposed to be offered, and

(ii) The amount of capital contributed in excess of par or stated value, regardless of description and whether or not restricted.

(d) Upon the application and justification of the registrant, the director or administrator may waive, in whole or in part, the applicability of this rule if it is found in the public interest to grant such relief.

WAC 460-16A-115 Reimbursement of expenses incurred by promoters. Actual and necessary expenses paid by a promoter in connection with the founding or organizing of a business enterprise, the offering of its securities and the acquisition of assets with which the issuer is to carry on its business may be reimbursed out of the proceeds of the sale of securities, subject, however, in the case of selling expenses to the limitation on total selling expenses contained in WAC 460-16A-075 of these rules.

(1) The administrator shall require the use of an offering circular or prospectus for each registration that is filed with the division.

(2) The prospectus or offering circular may be printed, mimeographed, lithographed, or typewritten, or prepared by any similar process which will result in clear legible copies.

If printed, it shall be set in clear roman type at least as large as ten point modern type, with financial data or other statistical or tabular matter at least as large as eight point (all type shall be leaded at least two point).

(3) Every offering circular or prospectus must disclose all material facts affecting the sale of securities. Contents of prospectus for real estate programs are set out in WAC 460-32A-195 and should be used for other types of securities where appropriate.

[Order 304, § 460-16A-125, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

With respect to offerings registered with the Securities and Exchange Commission under the Securities Act of 1933, as amended, and qualified with the administrator by coordination, a prospectus which is part of a registration statement which has been declared effective by the SEC shall be deemed to comply with all requirements as to form of this rule: *Provided, however,* That the administrator reserves the right to require additional disclosure of substance in his discretion.

[Order 304, § 460-16A-127, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-150 Imposition of impound condition. In a case where the offering of securities is not firmly underwritten, the administrator considers that one or more of the following circumstances require the imposition of an impound condition:

(1)(a) That a specific minimum amount of funds is necessary to finance the proposed undertaking as described in the application; and

(b) That it is inadvisable for the issuer to expend the proceeds from the sale of securities prior to receipt of such minimum amount.

(2)(a) That promotional shares and/or cheap stock will be issued in connection with the issue; and

(b) That it is inadvisable for the issuer to expend the proceeds from the sale of securities prior to receipt of an amount necessary to evidence compliance with the maximum amount of allowances for promotional shares and/or cheap stock as set forth in WAC 460-16A-105 and 460-16A-107.

[Order SD-131-77, § 460-16A-150, filed 11/23/77; Order 304, § 460-16A-150, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

been satisfied and the impounds have been released to the issuer pursuant to an order of the administrator. All checks shall be made payable to the depository.

One hundred percent of any amounts received from the sale of securities, including any amounts to be allowed as selling expenses, shall within 48 hours of the receipt be placed with the depository until the administrator takes further action.

[Order 304, § 460-16A-155, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-156 Source of impound deposits. All funds deposited into the impound account shall be derived solely from the sale of the securities for which the impound condition has been imposed.

WAC 460-16A-160 Subscription agreements and purchase receipts. When an impound condition is imposed, the issuer shall deliver to each subscriber a subscription agreement, in a form approved by the administrator. Such subscription agreements shall be consecutively numbered and prepared in quadruplicate and the original given to the subscriber, the first copy to the depository together with the payment received, the second copy to the issuer, and the third copy shall be retained by the broker, if any. In addition, if the securities are to be paid for in installments, each subscriber shall be given a receipt, in a form satisfactory to the administrator, for each installment payment made subsequent to the first payment.

Funds subject to an impound condition shall be placed in a separate trust account with a bank located in Washington or a Washington bank, savings and loan or trust company, or (if the issuer is a corporation located in another state) a foreign bank, savings and loan or trust company approved by the administrator. A written consent of the depository to act in such capacity shall be filed with the division, on a form satisfactory to the administrator.

[Order 304, § 460-16A-165, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-170 Release of impounds. The administrator will authorize the depository to release the impounds to the issuer when the full amount of impounds specified in the impound condition has been deposited with the depository, and any other conditions to such release have been satisfied, unless there have been changes in the plan of operation or in other circumstances that would render that amount of impounds inadequate to finance the proposed plan of operations. In unusual cases a partial release or modification of impounds may be approved based upon the individual circumstances. An application for an order of the administrator authorizing the release of impounds to the issuer shall contain the following:

(1) A statement of the issuer that all required proceeds from the sale of securities have been placed with the depository in accordance with the terms and conditions of the impound condition and that there have been no material adverse changes in the financial condition of the issuer and any changes in the plan of operation or in other circumstances that would render the amount of the impounds inadequate to finance the proposed plan of operation.

(2) A statement of the depository signed by an appropriate officer setting forth the aggregate amount of impounds placed with the depository, a list of all subscribers to the offering whose funds have been deposited in the account together with the addresses of the subscribers and the amount of each such deposit.

(3) Such other information as the administrator may require in a particular case.

WAC 460-16A-175 Failure to comply with impound condition. If the specified amount of impounds has not been obtained as of the date specified in the impound condition, or upon the earlier issuance of a stop order or order suspending or revoking the permit, the administrator will issue an order directing the depository to return directly to each subscriber the amount of impounds which correspond to his payments; except that in unusual cases an extension of time may be granted upon application.

[Order 304, § 460-16A-175, filed 2/28/75, effective 4/1/75. Formerly chapter 460-16 WAC.]

WAC 460-16A-180 Technical reports. (1) The administrator may require the submission of a technical report whenever he determines that such a report is necessary in resolving a matter pending before him. The cost of the technical report shall be borne by the person requested by the administrator to submit it. The administrator may require or permit a technical report to be prepared by an employee of the state of Washington.

(2) The engineer, appraiser or other skilled person preparing a technical report shall submit with such report a statement as to his qualifications and experience and a statement of any material relationship or other factors which tends to impair his independence from the subject matter to which or the person to whom the technical report relates.

WAC 460-16A-185 Technical reports prepared by state employee. When a technical report is to be prepared by an employee of the state of Washington, the administrator shall estimate the expense of making such report and notify the applicant thereof. Before any preparation of the technical report is commenced, the applicant shall deposit with the administrator the estimate cost thereof in cash, accompanied by written instructions authorizing the disbursement of the funds. If it appears that the expense of preparing the report will exceed the estimate, an additional deposit may be required before the report is filed. When the deposit exceeds

the actual expense incurred in preparing the report, the excess will be returned to the applicant.

WAC 460-16A-190 Petition for repeal or adoption of new rules. Any interested persons may petition the administrator in writing, requesting the promulgation, amendment or repeal of any rule under the Washington Securities Act. Such petition may be in the form of a letter addressed to the administrator and shall set forth the proposed change, including the exact language of any proposed rule or amendment, and the reasons why such change is considered desirable. The administrator shall consider the petition and shall reach a determination within a reasonable time, which he shall communicate to the petitioner.

WAC 460-16A-200 Debt offering standards. (1) Debt securities may be offered and sold only if the issuer shows a reasonable ability to service the debt.

(2) For purposes of this section, "reasonable ability to service the debt" means:

(a) The issuer must have a positive net worth and not be in the development stage; and

(b) The issuer must demonstrate, based upon the results of its operations for its most recently ended fiscal year and for its latest interim period as reflected in its financial statements, a pro forma earnings to fixed-charges ratio of 1 to 1 or greater.

(3) For purposes of this section:

(a) "Earnings" shall mean pretax income from continuing operations plus fixed charges as defined in (b) of this subsection, adjusted to exclude any interest capitalized during the period.

(b) "Fixed charges" shall mean the total of (i) interest, whether expensed or capitalized, (ii) amortization of debt expense and discount or premium relating to indebtedness, whether expensed or capitalized, and (iii) such portion of rental expense as can be demonstrated to be representative of the interest factor in the particular case.

(c) The pro forma earnings to fixed charges ratio shall be calculated by adjusting the corresponding historical ratio to give effect to the net increase or decrease in interest expense resulting from (i) the proposed issuance of new debt, and (ii) the corresponding retirements of any debt presently outstanding (but only for the period of time outstanding) which will be retired with the proceeds of the proposed offering. If only a portion of the proceeds will be used to retire presently outstanding debt, then only a related portion of interest should be used in the pro forma adjustment.

(d) An issuer may elect to use the definitions of "earnings," "fixed charges," and the method for determining the ratio of earnings to fixed charges set forth in Item 503 of Securities and Exchange Commission Regulation S-K to determine whether that issuer meets the requirement of subsection (2)(b) of this section.

e.g., as being "(stated) percentage preferred stock," unless the dividends on the stock are cumulative; or

WAC 460-17A-010 ULOR-C registration. These rules are intended to encourage investment in small businesses. The rules in this chapter offer an optional method of registration for corporations issuing securities exempt from registration with the Securities and Exchange Commission under Rule 504 of Regulation D or under Section 3(a)(11) of the Securities Act of 1933. The administrator recognizes that small issuers raising small amounts of money face special problems not faced by issuers raising larger amounts, and that standards appropriate to registrations of larger offerings may become unduly burdensome when applied to registrations of small offerings. The optional registration method offered by these rules is intended to reduce the costs and burdens of raising capital for small business without sacrificing investor protection, and to maximize the amount of offering proceeds available to the issuer for investment in the business. Issuers eligible for this method of registration shall use the registration form ULOR-C as the disclosure document for the offering. This method of registration shall be known as ULOR-C registration.

[Statutory Authority: RCW 21.20.210, 21.20.240 and 21.20.450, 88-17-012 (Order SDO-048-88), § 460-17A-010, filed 8/8/88.]

WAC 460-17A-020 Application. (1) The rules in this chapter shall apply to ULOR-C registrations. While applications not conforming to the standards contained herein shall be looked upon with disfavor, where good cause is shown certain rules may be modified or waived by the administrator.

(2) Where individual characteristics of specific offerings warrant modification from these standards, they will be accommodated, insofar as possible, while still being consistent with the spirit of these rules.

[Statutory Authority: RCW 21.20.210, 21.20.240 and 21.20.450. 88-17-012 (Order SDO-048-88), § 460-17A-020, filed 8/8/88.]

WAC 460-17A-030 Availability. (1) ULOR-C is intended to allow small corporations to conduct limited offerings of securities. ULOR-C uses a simplified offering format designed to provide adequate disclosure to investors concerning the issuer, the securities offered, and the offering itself. Certain issuers may not be able to make adequate disclosure using the ULOR-C format and will, therefore, be unable to utilize ULOR-C. The administrator finds that ULOR-C is generally unsuitable for the following issuers and programs and that, therefore, they will not be allowed to utilize ULOR-C unless written permission is obtained from the administrator based upon a showing that adequate disclosure can be made to investors using the ULOR-C format:

(a) Holding companies, companies whose principal purpose is owning stock in, or supervising the management of, other companies;

(b) Portfolio companies, such as a real estate investment trusts as defined in Section (1)(q) of the North American Securities Administrators Association's Statement of Policy regarding real estate investment trusts as adopted by the administrator in WAC 460-16A-205 (1)(e);

(c) Issuers with complex capital structures;

(d) Commodity pools;

(e) Equipment leasing programs; and

(f) Real estate programs.

(2) These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resale of the issuer's securities. In addition, each of the following requirements must be met:

(a) The issuer must be a corporation organized under the laws of one of the states or possessions of the United States.

(b) The issuer must engage in a business other than petroleum exploration or production or mining or other extractive industries.

(c) The offering is not a "blind pool" or other offering for which the specific business to be engaged in or property to be acquired by the issuer cannot be specified.

(d) The offering price for common stock (and the exercise price, if the securities offered are options, warrants or rights for common stock, and the conversion price if the securities are convertible into common stock) must be equal to or greater than \$5.00 per share.

(e) The aggregate offering price of the securities offered (within or outside this state) shall not exceed \$1,000,000 less the aggregate offering price of all securities sold within the twelve months before the start of and during the offering of the securities under Securities and Exchange Commission

Rule 504 in reliance on any exemption under section 3(b) of the Securities Act of 1933, in reliance on the exemption under section 3 (a)(11) of that act, or in violation of section 5(a) of that act.

(3) ULOR-C registration is not available to investment companies subject to the Investment Company Act of 1940, nor is it available to issuers subject to the reporting requirements of section 13 or section 15(d) of the Securities Exchange Act of 1934.

[Statutory Authority: RCW 21.20.450. 91-04-009, § 460-17A-030, filed 1/25/91, effective 2/25/91; 88-17-012 (Order SDO-048-88), § 460-17A-030, filed 8/8/88.]

WAC 460-17A-040 Disqualification from use of ULOR-C registration. ULOR-C registration shall not be available for securities of any issuer if that issuer or any of its officers, directors, ten percent shareholders, promoters or any selling agents of the securities to be offered, or any officer, director, or partner of such selling agent:

(1) Has filed a registration statement which is the subject of a currently effective registration stop order entered pursuant to any federal or state securities law within five years prior to the filing of the ULOR-C registration application;

(2) Has been convicted within five years prior to the filing of the ULOR-C registration application of any felony or misdemeanor in connection with the offer, purchase or sale of any security or any felony involving fraud or deceit, including, but not limited to, forgery, embezzlement, obtaining money under false pretenses, larceny, or conspiracy to defraud;

(3) Is currently subject to any federal or state administrative enforcement order or judgment entered by any state securities administrator or the Securities and Exchange Commission within five years prior to the filing of the ULOR-C registration application or is subject to any federal or state administrative enforcement order or judgment in which fraud or deceit, including but not limited to making untrue statements of material facts and omitting to state material facts, was found and the order or judgment was entered within five years prior to the filing of the ULOR-C registration application;

(4) Is subject to any federal or state administrative enforcement order or judgment which prohibits, denies, or revokes the use of any exemption from registration in connection with this offer, purchase, or sale of securities;

(5) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction temporarily or preliminarily restraining or enjoining, or is subject to any order, judgment, or decree of any court of competent jurisdiction, permanently restraining or enjoining such party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any false filing with any state or with the Securities and Exchange Commission entered within five years prior to the filing of the ULOR-C registration application; provided, however, the prohibition of this subsection and subsections (1) through (3) of this section shall not apply if the person subject to the disqualification is duly licensed or registered to conduct securities related business in the state in which the administrative order or

judgment was entered against such person or if the broker-dealer employing such party is licensed or registered in this state and the Form BD filed in this state discloses the order, conviction, judgment, or decree relating to such person. No person disqualified under this section may act in any capacity other than that for which the person is licensed or registered. Any disqualification caused by this section is automatically waived if the state securities administrator or other state or federal agency which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that the exemption be denied.

WAC 460-17A-050 Agreement by registrant on stock splits and stock dividends. By filing for ULOR-C registration in this state, the registrant agrees with the administrator that the registrant will not split its common stock, or declare a stock dividend, for two years after the effectiveness of the registration without the prior written approval of the administrator.

[Statutory Authority: RCW 21.20.450. 88-17-012 (Order SDO-048-88), § 460-17A-050, filed 8/8/88.]

[Order 304, § 460-20A-005, filed 2/28/75, effective 4/1/75. Formerly chapter 460-20 WAC.]

WAC 460-20A-008 Fraudulent practices of broker-dealers and sales agents. A broker-dealer or agent who engages in one or more of the following practices shall be deemed to have engaged in an "act, practice, or course of business which operates or would operate as a fraud" as used in RCW 21.20.010. This section is not intended to be all inclusive, and thus, acts or practices not enumerated herein may also be deemed fraudulent.

(1) Entering into a transaction with a customer in any security at an unreasonable price or at a price not reasonably related to the current market price of the security or receiving an unreasonable commission or profit.

(2) Contradicting or negating the importance of any information contained in a prospectus or other offering

materials with intent to deceive or mislead or using any advertising or sales presentation in a deceptive or misleading manner.

(3) In connection with the offer, sale, or purchase of a security, falsely leading a customer to believe that the broker-dealer or agent is in possession of material, nonpublic information which would impact on the value of the security.

(4) In connection with the solicitation of a sale or purchase of a security, engaging in a pattern or practice of making contradictory recommendations to different investors of similar investment objective for some to sell and others to purchase the same security, at or about the same time, when not justified by the particular circumstance of each investor.

(5) Failing to make a bona fide public offering of all the securities allotted to a broker-dealer for distribution by, among other things, (a) transferring securities to a customer, another broker-dealer, or a fictitious account with the understanding that those securities will be returned to the broker-dealer or its nominees, or (b) parking or withholding securities.

(6) Although nothing in this section precludes application of the general antifraud provisions against anyone for practices similar in nature to the practices discussed below, the following subsections specifically apply only in connection with the solicitation of a purchase or sale of OTC non-NASDAQ equity securities:

(a) Failing to disclose the firm's present bid and ask price of a particular security at the time of solicitation, and the firm's bid and ask price at the time of execution on the confirmation.

(b) Failing to advise the customer, both at the time of solicitation and on the confirmation, of any and all compensation related to a specific securities transaction to be paid to the agent including commissions, sales charges, or concessions.

(c) In connection with a principal transaction, failing to disclose, both at the time of solicitation and on the confirmation, a short inventory position in the firm's account of more than five percent of the issued and outstanding shares of that class of securities of the issuer: *Provided*, That this subsection shall apply only if the firm is a market maker at the time of the solicitation.

(d) Conducting sales contests in a particular security.

(e) After a solicited purchase by a customer, failing or refusing, in connection with a principal transaction, to promptly execute sell orders.

(f) Soliciting a secondary market transaction when there has not been a bona fide distribution in the primary market.

(g) Engaging in a pattern of compensating an agent in different amounts for effecting sales and purchases in the same security.

(7) Effecting any transaction in, or inducing the purchase or sale of any security by means of any manipulative, deceptive, or other fraudulent device or contrivance including but not limited to the use of boiler room tactics or use of fictitious or nominee accounts.

(8) Failure to comply with any prospectus delivery requirement promulgated under federal law.

WAC 460-20A-010 Churning. The phrase "employ any device, scheme or artifice," as used in RCW 21.20.010(1), is hereby defined to include any act of any broker-dealer or agent designed to effect with or for any customer's account with respect to which such broker-dealer or his agent or employee is vested with any discretionary power, or with respect to which he is able by reason of the customer's trust and confidence to influence the volume and frequency of the trades, any transactions of purchase or sale which are excessive in size or frequency in view of the financial resources and character of such account.

(1) Whether he is acting as a broker for such customer, as a dealer for his own account, as a broker for some other person, or a broker for both such customer and some other person; and

(2) In any case in which he is acting as a broker for such customer or for both such customer and some other person, either the name of the person from whom the security was purchased or to whom it was sold for such customer and the date and the time when such transaction took place or the fact that such information will be furnished upon the request of such customer, and the source and amount of any commission or other remuneration received or to be received by him in connection with the transaction.

[Order 304, § 460-20A-015, filed 2/28/75, effective 4/1/75. Formerly chapter 460-20 WAC.]

WAC 460-20A-020 Disclosure of control of issuer. The phrase "employ any device, scheme, or artifice," as used in RCW 21.20.010(1), is hereby defined to include any act of any broker-dealer or agent controlled by, controlling, or under common control with, the issuer of any security, designed to effect with or for the account of a customer any transaction in, or to induce the purchase or sale by such customer of, such security unless such broker-dealer or agent, before entering into any contract with or for such customer for the purchase or sale of such security, discloses to such customer the existence of such control, and unless such disclosure, if not made in writing, is supplemented by the giving or sending of written disclosure at or before the completion of the transaction.

[Order 304, § 460-20A-020, filed 2/28/75, effective 4/1/75. Formerly chapter 460-20 WAC.]

The phrase "employ any device, scheme, or artifice," as used in RCW 21.20.010(1), is hereby defined to include any act of any broker-dealer or agent designed to effect with or for the account of a customer any transaction in, or to induce the purchase or sale by such customer of,

any security in the primary or secondary distribution of which such broker-dealer or agent is participating or is otherwise financially interested unless such broker-dealer or agent, at or before the completion of each such transaction, notifies such customer of the existence of such participation or interest.

[Order 304, § 460-20A-025, filed 2/28/75, effective 4/1/75. Formerly chapter 460-20 WAC.]

WAC 460-20A-030 Record of transactions in discretionary accounts. The phrase "employ any device, scheme, or artifice," as used in RCW 21.20.010(1), is hereby defined to include any act of any broker-dealer or agent designed to effect with or for any customer's account in respect to which such broker-dealer or his agent or employee is vested with any discretionary power any transaction of purchase or sale unless immediately after effecting such transaction such broker-dealer or agent makes a record of such transaction which record includes the name of such customer, the name, amount and price of the security, and the date and time when such transaction took place.

A written notification to a customer at or prior to the completion of the transaction that a broker-dealer making the principal market in a security may be in control of the market, by virtue of the fact that he is the only broker-dealer regularly appearing in the sheets or by reason of the volume of his transactions in relation to the total volume of trading by all broker-dealers, shall be sufficient to negate any representation which might otherwise be implied that he is selling "at the market."

[Order 304, § 460-20A-035, filed 2/28/75, effective 4/1/75. Formerly chapter 460-20 WAC.]

(1) The money or other consideration received is promptly transmitted to the persons entitled thereto; or

(2) If the distribution is being made on an "all-or-none" basis, or on any other basis which contemplates that payment is not to be made to the person on whose behalf the distribution is being made until some further event or contingency occurs, (1) the money or other consideration received is

promptly deposited in a separate bank account, as agent or trustee for the persons who have the beneficial interests therein, until the appropriate event or contingency has occurred, and then the funds are promptly transmitted or returned to the persons entitled thereto, or (2) all such funds are promptly transmitted to a bank which has agreed in writing to hold all such funds in escrow for the persons who have the beneficial interests therein and to transmit or return such funds directly to the persons entitled thereto when the appropriate event or contingency has occurred.

The Washington Securities Act provides that its interpretation and administration be coordinated with related Federal regulations. In light of such policy and due to the relevance and importance of the Securities and Exchange Commission Securities Act Release No. 5347, the division of securities hereby adopts Securities and Exchange Commission Securities Act Release No. 5347, which is hereinafter set forth in its entirety.

"The Securities and Exchange Commission called attention to the applicability of the federal securities laws to the offer and sale of condominium units, or other units in a real estate development, coupled with an offer or agreement to perform or arrange certain rental or other services for the purchaser. The Commission noted that such offerings may involve the offering of a security in the form of an investment contract or a participation in a profit sharing arrangement within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934. Where this is the case any offering of any such securities must comply with the registration and prospectus delivery requirements of the Securities Act, unless an exemption therefrom is available, and must comply with the anti-fraud provisions of the Securities Act and the Securities Exchange Act and the regulations thereunder. In addition, persons engaged in the business of buying or selling investment contracts or participations in profit sharing agreements of this type as agents for others, or as principal for their own account, may be brokers or dealers [for a special exemption from the

Washington Securities Act, see WAC 460-20A-235] within the meaning of the Securities Exchange Act, and therefore may be required to be registered as such with the Commission under the provisions of Section 15 of that Act.

The commission is aware that there is uncertainty about when offerings of condominiums and other types of similar units may be considered to be offerings of securities that should be registered pursuant to the Securities Act. The purpose of this release is to alert persons engaged in the business of building and selling condominiums and similar types of real estate developments to their responsibilities under the Securities Act and to provide guidelines for a determination of when an offering of condominiums or other units may be viewed as an offering of securities. Resort condominiums are one of the more common interests in real estate the offer of which may involve an offering of securities. However, other types of units that are part of a development or project present analogous questions under the federal securities laws. Although this release speaks in terms of condominiums, it applies to offerings of all types of units in real estate developments which have characteristics similar to those described herein.

"The offer of real estate as such, without any collateral arrangements with the seller or others, does not involve the offer of a security [for certain land located outside the state of Washington this is not true, see RCW 21.20.005(12)]. When the real estate is offered in conjunction with certain services, a security, in the form of an investment contract, may be present. The Supreme Court in *Securities and Exchange Commission v. W.J. Howey Co.*, 328 U.S. 293 (1946) set forth what has become a generally accepted definition of an investment contract.

"A contract, transaction or scheme whereby a person invests his money in a common enterprise and is led to expect profits solely from the efforts of the promoter or a third party, it being immaterial, whether the shares in the enterprise are evidenced by formal certificates or by nominal interests in the physical assets employed in the enterprise." (298)

"The *Howey* case involved the sale and operation of orange groves. The reasoning, however, is applicable to condominiums.

"As the Court noted in *Howey*, substance should not be disregarded for form, and the fundamental statutory policy of affording broad protection to investors should be heeded. Recent interpretations have indicated that the expected return need not be solely from the efforts of others, as the holding in *Howey* appears to indicate. For this reason, an investment contract may be present in situations where an investor is not wholly inactive, but even participates to a limited degree in the operations of the business. The 'profits' that the purchaser is led to expect may consist of revenues received from rental of the unit; these revenues and any tax benefits resulting from rental of the unit are the economic inducements held out to the purchaser.

"The existence of various kinds of collateral arrangements may cause an offering of condominium units to involve an offering of investment contracts or interests in a profit sharing agreement. The presence of such arrangements indicates that the offeror is offering an opportunity through which the purchaser may earn a return on his

investment through the managerial efforts of the promoters or a third party in their operation of the enterprise.

"For example, some public offerings of condominium units involve rental pool arrangements. Typically, the rental pool is a device whereby the promoter or a third party undertakes to rent the unit on behalf of the actual owner during that period of time when the unit is not in use by the owner. The rents received and the expenses attributable to rental of all the units in the project are combined and the individual owner receives a ratable share of the rental proceeds regardless of whether his individual unit was actually rented. The offer of the unit together with the offer of an opportunity to participate in such a rental pool involves the offer of investment contracts which must be registered unless an exemption is available.

"Also, the condominium units may be offered with a contract or agreement that places restrictions, such as required use of an exclusive rental agent or limitations on the period of time the owner may occupy the unit, on the purchaser's occupancy or rental of the property purchased. Such restrictions suggest that the purchaser is in fact investing in a business enterprise, the return from which will be substantially dependent on the success of the managerial efforts of other persons. In such cases, registration of the resulting investment contract would be required.

"In any situation where collateral arrangements are coupled with the offering of condominiums, whether or not specifically of the types discussed above, the manner of offering and economic inducements held out to the prospective purchaser play an important role in determining whether the offerings involve securities. In this connection see *Securities and Exchange Commission v. C.M. Joiner Leasing Corp.*, 320 U.S. 344 (1943). In *Joiner*, the Supreme Court also noted that:

"In enforcement of [the Securities Act], it is not inappropriate that promoters' offerings be judged as being what they were represented to be." (353)

"In other words, condominiums, coupled with rental arrangements, will be deemed to be securities if they are offered and sold through advertising, sales literature, promotional schemes or oral representations which emphasize the economic benefits to purchaser to be derived from the managerial efforts of the promoter, or a third party designated or arranged for by the promoter, in renting units.

"In summary, the offering of condominium units in conjunction with any one of the following will cause the offering to be viewed as an offering of securities in the form of investment contracts:

"1. The condominiums, with any rental arrangement or other similar service, are offered and sold with emphasis on the economic benefits to the purchaser to be derived from the managerial efforts of the promoter, or a third party designated or arranged for by the promoter, from rental of units."

"2. The offering of participation in a rental pool arrangement; and

"3. The offering of a rental or similar arrangement whereby the purchaser must hold his unit available for rental for any part of the year, must use an exclusive rental agent or is otherwise materially restricted in his occupancy or rental of his unit.

"In all of the above situations, investors protection requires the application of the federal securities laws.

"If the condominiums are not offered and sold with emphasis on the economic benefits to the purchaser to be derived from the managerial efforts of others, and assuming that no plan to avoid the registration requirements of the Securities Act is involved, an owner of a condominium unit may, after purchasing his unit, enter into a nonpooled rental arrangement with an agent not designated or required to be used as a condition to the purchase, whether or not such agent is affiliated with the offeror, without causing a sale of a security to be involved in the sale of the unit. Further, a continuing affiliation between the developers or promoters of a project and the project by reason of maintenance arrangements does not make the unit a security.

"In situations where commercial facilities are a part of the common elements of a residential project, no registration would be required under the investment contract theory where (a) the income from such facilities is used only to offset common area expenses and (b) the operation of such facilities is incidental to the project as a whole and are not established as a primary income source for the individual owners of a condominium or cooperative unit.

"The Commission recognizes the need for a degree of certainty in the real estate offering area and believes that the above guidelines will be helpful in assisting persons to comply with the securities laws. It is difficult, however, to anticipate the variety of arrangements that may accompany the offering of condominium projects. The Commission, therefore, would like to remind those engaged in the offering of condominiums or other interests in real estate with similar features that there may be situations, not referred to in this release, in which the offering of the interests constitutes an offering of securities. Whether an offering of securities is involved necessarily depends on the facts and circumstances of each particular case. The staff of the Commission will be available to respond to written inquiries on such matters. [Request for interpretative opinions from the Washington Securities Division should follow the procedure set out in WAC 460-16A-020.]"

WAC 460-33A-031 Minimum investor suitability requirements. In any sale of mortgage paper registered

under the rules of this chapter, the mortgage broker-dealer shall have reasonable grounds to believe and after making reasonable inquiry shall believe that both the conditions of subsections (1) and (2) of this section are satisfied:

(1) The investment is suitable for the purchaser upon the basis of the facts disclosed by the purchaser as to the purchaser's other security holdings and as to the purchaser's financial situation and needs; and

(2) The purchaser qualifies for at least one of the following:

(a) The purchaser's investment in the mortgage paper securities being offered does not exceed twenty percent of the purchaser's net worth, or joint net worth with that person's spouse: *Provided*, That the purchaser's total investment in mortgage paper securities involving any one borrower or his affiliates may not exceed twenty percent of the purchaser's net worth, or joint net worth with that person's spouse;

(b) The purchaser's investment in the mortgage paper securities being offered does not exceed ten percent of the purchaser's (including spouse) taxable income for federal tax purposes for the last year: *Provided*, That the purchaser's total investment in mortgage paper securities involving any one borrower or his affiliates may not exceed twenty percent of the purchaser's net worth, or joint net worth with that person's spouse;

(c) The purchaser, either alone or with a purchaser representative as defined in WAC 460-44A-501, has, as stated in WAC 460-44A-505, such knowledge and experience in financial and business matters that he is capable of evaluating the merits and risks of the prospective investment; or

(d) The purchaser is an accredited investor as defined in WAC 460-44A-501.

[Statutory Authority: RCW 21.20.450, 89-17-078 (Order SD0-124-89), § 460-33A-031, filed 8/17/89, effective 9/17/89; 86-21-107 (Order SDO-140-86), § 460-33A-031, filed 10/20/86.]

WAC 460-33A-035 Limitations on the use of optional registration of this chapter. The following types of securities cannot be offered or sold under the rules of this chapter unless written permission is obtained from the administrator based upon a showing that the investors will be adequately protected:

(1) Offerings involving construction loans may not be sold using the rules of this chapter unless the loan to value ratio, as determined utilizing the current value of the property without considering future improvements, is within the limits established by subsection (7) of this section.

(2) Offerings involving the mortgage broker-dealer, its officers, agents, affiliates, and persons controlling the mortgage broker-dealer or affiliates may not be sold as part of the optional registration of the rules of this chapter unless the registration with the administrator includes a full description of these transactions. An offering "involves" the persons listed where the person is the owner, the borrower, or has an interest in the proceeds other than fees, commissions, or mark-ups.

(3) Offerings involving documents reserving the right to subordinate the position of any investor to any mortgage, trust deed or lien created at or after the sale.

(4) Offerings involving pooling or participations involving more than ten investors may not be sold under the optional registration of the rules of this chapter. However, where only first liens are involved and the note amount equals or exceeds one hundred thousand dollars, the registrant may sell to up to twenty five investors. A husband and wife and their dependents may be counted as one investor.

(5) Offerings in which the real property or other collateral securing the notes, bonds or obligations is not within this state unless the general offering circular contains disclosure of all material facts concerning the relevant laws of the state in which the real property is situated and a risk factor discussing the risks of investing in out-of-state real estate.

(6) Offerings involving notes, bonds, or obligations secured by a single mortgage, deed of trust or real estate contract or a single group of mortgages, deeds of trust or real estate contracts that are not identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being a lender, and the sale to each purchaser or investor is not upon the same terms; provided however, an offering may be subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued.

(7) Offerings in which the aggregate principal amount of the notes, bonds or obligations sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, exceed the following percentages of the current market value (as determined by WAC 460-33A-105) of the real property:

(a) Single-family residences - eighty percent.

(b) Commercial and income-producing properties - seventy percent.

(c) Unimproved property which has been zoned for commercial or residential development - fifty percent. For purposes of this section, "unimproved property" includes real property with structures that cannot be legally occupied, do not substantially conform with the appraisal of the property prepared pursuant to WAC 460-33A-105, or otherwise lack the functional attributes or basic amenities customarily found in the type of structures in question.

(d) Other real property - forty percent.

(8) Offerings involving real estate paper in which a default in any note, bond or obligation will not be a default in all notes, bonds or obligations concerning a specific loan.

(9) Offerings in which the following actions may be taken on behalf of the investors without the consent of investors holding a majority percentage of the unpaid dollar amount of notes, bonds, or obligations cannot:

(a) Consenting to the sale or transfer by the borrower of the collateral securing the loan;

(b) Approving any modification to the loan which decreases the rate of interest payable to the investors;

(c) Deferring or forgiving the payment of any principal or interest;

(d) Making any agreements concerning the release, substitution, or exchange of any collateral, or any portion of the collateral, for the loan;

(e) Entering into any agreement to reduce the principal amount of the loan (except for actual payments of principal);

(f) Making any concession with respect to compliance with any material obligations imposed by the instruments evidencing or securing the loan; or

(g) Extending or renewing the loan.

(10) Loans in which investors are required to designate the servicing agent as their attorney-in-fact with respect to documents and instruments, other than those described below, which would otherwise require signing or other action by the investors:

(a) Escrow instructions concerning the closing and collection of the loan;

(b) Instruments necessary to substitute investors; and

(c) Partial or full satisfaction or release of the deed of trust or other security instrument pursuant to the provisions of the deed of trust or security agreement upon receipt of the appropriate payment.

(11) Offerings in which the investors holding a majority percentage of the unpaid dollar amount of any loan may not remove the servicing agent.

(12) A registrant requesting a modification under this section must request it in writing and must provide satisfactory evidence that the interest of the public will be adequately protected.

[Statutory Authority: RCW 21.20.045, 92-18-009, § 460-33A-035, filed 8/21/92, effective 9/21/92. Statutory Authority: RCW 21.20.450, 86-21-107 (Order SDO-140-86), § 460-33A-035, filed 10/20/86; 83-03-025 (Order SDO-7-83), § 460-33A-035, filed 1/13/83.]

WAC 460-33A-040 Net worth or bond requirement.

(1) All persons and entities meeting the definition of a mortgage broker-dealer must meet and maintain one of the following at all times:

(a) A minimum tangible net worth, as determined by generally accepted accounting principles, of the greater of one hundred thousand dollars or ten percent of the amount of securities registered pursuant to this chapter up to a maximum of one million dollars; or

(b) File a surety bond in the face amount of fifty thousand dollars satisfactory to the securities administrator; or

(c) In the event the mortgage broker-dealer and any affiliate does not handle the funds of lenders and borrowers, minimum tangible net worth of five thousand dollars, as determined by generally accepted accounting principles.

(2) Mortgage broker-dealers failing to maintain the above mentioned minimum net worth must inform the securities division of such failure within seventy-two hours at which time all sales of securities must be suspended.

[Statutory Authority: RCW 21.20.045, 92-18-009, § 460-33A-040, filed 8/21/92, effective 9/21/92. Statutory Authority: RCW 21.20.060 and 21.20.450, 86-21-107 (Order SDO-140-86), § 460-33A-040, filed 10/20/86. Statutory Authority: RCW 21.20.450, 83-03-025 (Order SDO-7-83), § 460-33A-040, filed 1/13/83.]

WAC 460-33A-055 Escrow account. (1) All funds received from lenders or investors to purchase mortgage paper securities shall be deposited within forty-eight hours of receipt in an escrow account acceptable to the administrator. The escrow account shall be maintained in a financial institution as set forth in WAC 460-33A-015(6), with an escrow agent registered under chapter 18.44 RCW, or with some other independent escrow agent acceptable to the

administrator. The entity acting as the escrow agent must be independently audited or examined, in a manner acceptable to the administrator, on a regular basis. All checks by which purchases or investments are made shall be made payable to the escrow account. All necessary disbursements shall be made from the escrow account. No person acting as a mortgage broker-dealer or his agent shall accept any purchase or investment funds for mortgage paper securities in advance of the time necessary to fund the loan transaction. A "material default" is a failure to pay, the effect of which is to cause indebtedness to become due prior to its stated maturity or to cause termination or reentry under a lease prior to its stated expiration, if the indebtedness or the rental obligation for the unexpired term exceeds five percent of the issuer's (and its consolidated subsidiaries) total assets, or if the arrearage in required dividend payments on preferred stock is not cured within thirty days;

(d) The issuer has had annual consolidated net income (before extraordinary items and the cumulative effect of accounting changes) as follows: (i) At least one million dollars in four of its last five fiscal years including its last fiscal year, and (ii) if the offering is of interest bearing securities, at least one and one-half times its annual interest expense, calculating net income before deduction for income taxes and depreciation and giving effect to the proposed offering and the intended use of the proceeds, for its last fiscal year. "Last fiscal year" means the most recent year for which audited financial statements are available, provided that such statements cover a fiscal period ended not more than fifteen months from the commencement of the offering.

(e) If the offering is of stock or shares (other than preferred stock or shares), and except as otherwise required by law, the securities have voting rights at least equal to the securities of each of the issuer's outstanding classes of stock or shares (other than preferred stock or shares), with respect to (i) the number of votes per share, and (ii) the right to vote on the same general corporate decisions;

(f) If the offering is of stock or shares (other than preferred stock or shares), the securities are owned beneficially or of record, on any date within six months prior to the commencement of the offering, by at least twelve hundred persons, and on that date there are at least seven hundred fifty thousand of the shares outstanding with an aggregate market value, based on the average bid price, of at least three million seven hundred fifty thousand dollars. In determining the number of persons who are beneficial owners of the stock or shares, the issuer or a broker-dealer may rely in good faith upon written information furnished by record owners;

(g) Provided that, if the securities to be issued are listed, or approved for listing upon notice of issuance, on the New York Stock Exchange, Inc. or the American Stock Exchange, Inc., and the current original listing standards of that exchange are satisfied as of the end of the issuer's most recent fiscal year, the conditions of (c) of this subsection need be met for only five years and the annual net earnings requirement of (d)(i) of this subsection shall be two hundred fifty thousand dollars;

(h) And provided further that, if the issuer of the securities is a finance company with liquid assets of at least one hundred five percent of its liabilities (other than deferred income taxes, deferred investment tax credits, capital stock and surplus) at the end of each of its last five fiscal years, the net income requirement of (d)(ii) of this subsection, but before deduction for interest expense, shall be one and one-fourth times its annual interest expense. "Finance company" means a company engaged primarily in the business of wholesale, retail, installment, mortgage, commercial, indus-

trial or consumer financing, banking or factoring. "Liquid assets" means cash receivables payable on demand or not more than twelve years following the close of the company's last fiscal year, and readily marketable securities, in each case less applicable reserves and unearned income.

(2) An issuer meets the conditions of WAC 460-42A-080 (1)(b), (c) and (d) if either the issuer or the issuer and the issuer's predecessor, taken together, meet these conditions and if: (a) The succession was primarily for the purpose of changing the state of incorporation of the predecessor or forming a holding company and the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor, or (b) all predecessors met the conditions at the time of succession and the issuer has continued to do so since the succession.

WAC 460-44A-200 Exemption from registration for secondary transactions pursuant to RCW 21.20.320(15).
 The term "securities previously sold and distributed to the

public" as used in RCW 21.20.320(15) shall not include securities sold and distributed pursuant to Securities and Exchange Commission Regulation D that have not been registered with the securities administrator of this state pursuant to the Securities Act of Washington. [Statutory Authority: RCW 21.20.450 and 21.20.320(15). 86-15-023 (Order SDO-89-86), § 460-44A-200, filed 7/14/86.]

WAC 460-44A-500 Preliminary notes. (1) The rules of WAC 460-44A-501 through 460-44A-508 relate to transactions exempted from the registration requirements of the Federal Securities Act of 1933 and RCW 21.20.140. WAC 460-44A-504 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 504 or Rule 147. WAC 460-44A-505 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 505. WAC 460-44A-506 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 506. Such transactions are not exempt from the anti-fraud, civil liability, or other provisions of the federal and state securities laws. Issuers are reminded of their obligation to provide such further material information, if any, as may be necessary to make the information required under these rules, in light of the circumstances under which it is furnished, not misleading.

(2) Attempted compliance with the exemption of WAC 460-44A-504, 460-44A-505, or 460-44A-506 does not act as an exclusive election; the issuer can also claim the availability of any other applicable exemption.

(3) These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resale of the issuer's securities. The rules provide an exemption only for the transactions in which the securities are offered or sold by the issuer, not for the securities themselves.

(4) In any proceeding involving the rules in WAC 460-44A-501 through 460-44A-508, the burden of proving the exemption or an exception from a definition or condition is upon the person claiming it.

(5) The effective date of the adoption of rules WAC 460-44A-501, 460-44A-502, 460-44A-503, and 460-44A-506 is May 25, 1982. Existing rules WAC 460-44A-010 through 460-44A-045 will be repealed on the adoption and effectiveness of the permanent rules WAC 460-44A-501, 460-44A-502, 460-44A-503, and 460-44A-506; no filings for exemption under rules WAC 460-44A-010 through 460-44A-045 will be accepted after repeal. For those offerings made in compliance with WAC 460-44A-010 through 460-44A-045 which commence or commenced prior to the date of repeal and which continue past the date of repeal, no registration is required if the offering terminates before June 30, 1983.

(6) For offerings commenced but not completed prior to the amendment of WAC 460-44A-501 through 460-44A-508, issuers may opt to follow the rules in effect at the date of filing notice of the offering.

[Statutory Authority: RCW 21.20.450, 21.20.320 (1), (9) and (17) and 21.20.340(11). 90-09-059, § 460-44A-500, filed 4/17/90, effective 5/18/90. WAC 460-44A-501 Definitions and terms. As used in rules WAC 460-44A-501 through 460-44A-508, the following terms shall have the meaning indicated:

(1) "Accredited investor" shall mean any person who comes within any of the following categories, or who the issuer reasonably believes comes within any of the following categories, at the time of the sale of the securities to that person:

(a) Any bank as defined in section 3 (a)(2) of the Securities Act of 1933, or any savings and loan association or other institution as defined in section 3 (a)(5)(A) of the Securities Act of 1933 whether acting in its individual or fiduciary capacity; any broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934; any insurance company as defined in section 2(13) of the Securities Act of 1933; any investment company registered under the Investment Company Act of 1940 or a business development company as defined in section 2 (a)(48) of that act; any small business investment company licensed by the U.S. Small Business Administration under section 301 (c) or (d) of the Small Business Investment Act of 1958; any plan established and maintained by a state, its political subdivisions, or any agency or instrumentality of a state or its political subdivisions, for the benefit of its employees, if such plan has total assets in excess of \$5,000,000; any employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974, if the investment decision is made by a plan fiduciary, as defined in section 3(21) of such act, which is either a bank, savings and loan association, insurance company, or registered investment adviser, or if the employee benefit plan has total assets in excess of \$5,000,000 or, if a self-directed plan, with investment decisions made solely by persons that are accredited investors;

(b) Any private business development company as defined in section 202 (a)(22) of the Investment Advisers Act of 1940;

(c) Any organization described in section 501 (c)(3) of the Internal Revenue Code, corporation, Massachusetts or similar business trust, or partnership, not formed for the specific purpose of acquiring the securities offered, with total assets in excess of \$5,000,000;

(d) Any director, executive officer, or general partner of the issuer of the securities being offered or sold, or any director, executive officer, or general partner of a general partner of that issuer;

(e) Any natural person whose individual net worth, or joint net worth with that person's spouse, at the time of his purchase exceeds \$1,000,000;

(f) Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person's spouse in excess of \$300,000 in each of those years and has a reasonable expectation of reaching the same income level in the current year;

(g) Any trust, with total assets in excess of \$5,000,000, not formed for the specific purpose of acquiring the securities offered, whose purchase is directed by a sophisticated person as described in 17 CFR Sec. 230.506 (b)(2)(ii); and

(h) Any entity in which all of the equity owners are accredited investors.

(2) "Affiliate" an "affiliate" of, or person "affiliated" with, a specified person shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified;

(3) "Aggregate offering price" shall mean the sum of all cash, services, property, notes, cancellation of debt, or other consideration to be received by an issuer for issuance of its securities. Where securities are being offered for both cash and noncash consideration, the aggregate offering price shall be based on the price at which the securities are offered for cash. Any portion of the aggregate offering price attributable to cash received in a foreign currency shall be translated into United States currency at the currency exchange rate in effect at a reasonable time prior to or on the date of the sale of the securities. If securities are not offered for cash, the aggregate offering price shall be based on the value of the consideration as established by bona fide sales of that consideration made within a reasonable time, or, in the absence of sales, on the fair value as determined by an accepted standard. Such valuations of noncash consideration must be reasonable at the time made;

(4) "Business combination" shall mean any transaction of the type specified in paragraph (a) of Rule 145 under the Securities Act of 1933 and any transaction involving the acquisition by one issuer, in exchange for all or a part of its own or its parent's stock, of stock of another issuer if, immediately after the acquisition, the acquiring issuer has control of the other issuer (whether or not it had control before the acquisition);

(5) "Calculation of number of purchasers." For purposes of calculating the number of purchasers under WAC 460-44A-504, 460-44A-505, and 460-44A-506 the following shall apply:

(a) The following purchasers shall be excluded:

(i) Any relative, spouse or relative of the spouse of a purchaser who has the same principal residence as the purchaser;

(ii) Any trust or estate in which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (iii) collectively have more than 50 percent of the beneficial interest (excluding contingent interests);

(iii) Any corporation or other organization of which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (ii) collectively are beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests; and

(iv) Any accredited investor.

(b) A corporation, partnership or other entity shall be counted as one purchaser. If, however, that entity is organized for the specific purpose of acquiring the securities offered and is not an accredited investor under WAC 460-44A-501 (1)(h), then each beneficial owner of equity securities or equity interests in the entity shall count as a separate purchaser for all provisions of WAC 460-44A-501

through 460-44A-508, except to the extent provided in (a) of this subsection.

(c) A noncontributory employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974 shall be counted as one purchaser where the trustee makes all investment decisions for the plan.

Note: The issuer must satisfy all the other provisions of WAC 460-44A-501 through 460-44A-506 for all purchasers whether or not they are included in calculating the number of purchasers. Clients of an investment adviser or customers of a broker-dealer shall be considered the "purchasers" under WAC 460-44A-501 through 460-44A-506 regardless of the amount of discretion given to the investment adviser or broker-dealer to act on behalf of the client or customer.

(6) "Executive officer" shall mean the president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), or any other officer who performs a policy making function, or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.

(7) "Issuer" as defined in Section 2(4) of the Securities Act of 1933 or RCW 21.20.005(7) shall apply, except that in the case of a proceeding under the Federal Bankruptcy Code (11 U.S.C. 101 et seq.), the trustee or debtor in possession shall be considered the issuer in an offering under a plan or reorganization, if the securities are to be issued under the plan.

(8) "Purchaser representative" shall mean any person who satisfies all of the following conditions or who the issuer reasonably believes satisfies all of the following conditions:

(a) Is not an affiliate, director, officer or other employee of the issuer, or beneficial owner of 10 percent or more of any class of the equity securities or 10 percent or more of the equity interest in the issuer, except where the purchaser is:

(i) A relative of the purchaser representative by blood, marriage or adoption and not more remote than a first cousin;

(ii) A trust or estate in which the purchaser representative and any person related to him as specified in WAC 460-44A-501 (8)(a)(i) or (iii) collectively have more than 50 percent of the beneficial interest (excluding contingent interest) or of which the purchaser representative serves as trustee, executor, or in any similar capacity; or

(iii) A corporation or other organization of which the purchaser representative and any persons related to him as specified in WAC 460-44A-501 (8)(a)(i) or (ii) collectively are the beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests;

(b) Has such knowledge and experience in financial and business matters that he is capable of evaluating, alone, or together with other purchaser representatives of the purchaser, or together with the purchaser, the merits and risks of the prospective investment;

(c) Is acknowledged by the purchaser in writing, during the course of the transaction, to be his purchaser representa-

tive in connection with evaluating the merits and risks of the prospective investment; and

(d) Discloses to the purchaser in writing a reasonable time prior to the sale of securities to that purchaser any material relationship between himself or his affiliates and the issuer or its affiliates that then exists, that is mutually understood to be contemplated, or that has existed at any time during the previous two years, and any compensation received or to be received as a result of such relationship.

Note 1: A person acting as a purchaser representative should consider the applicability of the registration and anti-fraud provisions relating to broker-dealers under chapter 21.20 RCW and the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq., as amended) and relating to investment advisers under chapter 21.20 RCW and the Investment Advisers Act of 1940.

Note 2: The acknowledgment required by paragraph (8)(c) and the disclosure required by paragraph (8)(d) of this WAC 460-44A-501 must be made with specific reference to each prospective investment. Advance blanket acknowledgment, such as for "all securities transactions" or "all private placements," is not sufficient.

Note 3: Disclosure of any material relationships between the purchaser representative or his affiliates and the issuer or its affiliates does not relieve the purchaser representative of his obligation to act in the best interest of the purchaser.

WAC 460-44A-502 General conditions to be met.

The following conditions shall be applicable to offers and sales made under WAC 460-44A-504, 460-44A-505, or 460-44A-506:

(1) "Integration." All sales that are part of the same offering under these rules must meet all of the terms and conditions of these rules. Offers and sales that are made more than six months before the start of an offering or are made more than six months after completion of an offering, will not be considered part of that offering, so long as during those six month periods there are no offers or sales of securities by or for the issuer that are of the same or a similar class as those offered or sold under these rules, other than those offers or sales of securities under an employee benefit plan.

Note: The term "offering" is not defined in the securities acts. If the issuer offers or sells securities for which the safe harbor rule in WAC 460-44A-502(1) is unavailable, the determination as to whether separate sales of securities are part of the same offering (i.e. are considered "integrated") depends on the particular facts and circumstances.

The following factors should be considered in determining whether offers and sales should be integrated for purposes of the exemptions under these rules:

(a) Whether the sales are part of a single plan of financing;

(b) Whether the sales involve issuance of the same class of securities;

(c) Whether the sales have been made at or about the same time;

(d) Whether the same type of consideration is received; and

(e) Whether the sales are made for the same general purpose.

See Securities and Exchange Commission Release No. 33-4552 (November 6, 1962).

(2) Information requirements.

(a) When information must be furnished.

If the issuer sells securities under WAC 460-44A-505 or 460-44A-506 to any purchaser that is not an accredited investor, the issuer shall furnish the information specified in WAC 460-44A-502 (2)(b) to such purchaser a reasonable time prior to sale. The issuer is not required to furnish the specified information when it sells securities under WAC 460-44A-504, or to any accredited investor.

Note: When an issuer provides information to investors pursuant to WAC 460-44A-502 (2)(a), it should consider providing such information to accredited investors as well, in view of the anti-fraud provisions of the federal and state securities laws.

(b) Type of information to be furnished.

(i) If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the following information, to the extent material to an understanding of the issuer, its business, and the securities being offered:

(A) Offerings up to \$2,000,000. The same kind of information as would be required in Part II of Form 1-A, 17 CFR Sec. 239.90, except that the issuer's balance sheet, which shall be dated within one hundred twenty days of the start of the offering, must be audited.

(B) Offerings up to \$7,500,000. The same kind of information as would be required in Part I of Form S-18 under the Securities Act of 1933, except that only the financial statements for the issuer's most recent fiscal year must be certified by an independent public or certified accountant. If Form S-18 is not available to an issuer, then the issuer shall furnish the same kind of information as would be required in Part I of a registration statement filed under the Securities Act of 1933 on the form that the issuer would be entitled to use, except that only the financial statements for the most recent two fiscal years prepared in accordance with generally accepted accounting principles shall be furnished and only the financial statements for the issuer's most recent fiscal year shall be certified by an independent public or certified accountant. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.

(C) Offerings over \$7,500,000. The same kind of information as would be required in Part I of a registration statement filed under the Securities Act of 1933 on the form that the issuer would be entitled to use. If an issuer, other

than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of federal income tax requirements and examined and reported on in accordance with generally accepted auditing standards by an independent public or certified accountant.

(D) If the issuer is a foreign private issuer eligible to use Form 20-F, the issuer shall disclose the same kind of information required to be included in a registration statement filed under the Securities Act of 1933 on the form that the issuer would be entitled to use. The financial statements need be certified only to the extent required by (2)(b)(i)(B) or (C) of this subsection, as appropriate.

(ii) If the issuer is subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the information required by Securities and Exchange Commission Regulation D, Rule 502 (b)(2)(ii) as appropriate.

(iii) Exhibits required to be filed with the administrator of securities or the securities and exchange commission as part of a registration statement or report, other than an annual report to shareholders or parts of that report incorporated by reference in a Form 10-K report, need not be furnished to each purchaser that is not an accredited investor if the contents of material exhibits are identified and such exhibits are made available to a purchaser, upon his written request, a reasonable time prior to his purchase.

(iv) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505 or 460-44A-506, the issuer shall furnish to the purchaser a brief description in writing of any material written information concerning the offering that has been provided by the issuer to any accredited investor but not previously delivered to such unaccredited purchaser. The issuer shall furnish any portion or all of this information to the purchaser, upon his written request a reasonable time prior to his purchase.

(v) The issuer shall also make available to each purchaser at a reasonable time prior to his purchase of securities in a transaction under WAC 460-44A-505 or 460-44A-506 the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and to obtain any additional information which the issuer possesses or can acquire without unreasonable effort or expense that is necessary to verify the accuracy of information furnished under WAC 460-44A-502 (2)(b)(i) or (ii).

(vi) For business combinations or exchange offers, in addition to information required by Form S-4, 17 CFR Sec. 239.25, the issuer shall provide to each purchaser at the time the plan is submitted to security holders, or, with an exchange, during the course of the transaction and prior to sale, written information about any terms or arrangements of the proposed transactions that are materially different from those for all other security holders. For purposes of this subsection, an issuer which is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act

of 1934 may satisfy the requirements of Part I.B. or C. of Form S-4 by compliance with (b)(i) of this subsection.

(vii) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505 or 460-44A-506, the issuer shall advise the purchaser of the limitations on resale in the manner contained in subsection (4)(b) of this section. Such disclosure may be contained in other materials required to be provided by this paragraph.

(3) Limitation on manner of offering. Neither the issuer nor any person acting on its behalf shall offer or sell the securities by any form of general solicitation or general advertising, including, but not limited to, the following:

(a) Any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio; and

(b) Any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(4) Limitations on resale. Securities acquired in a transaction under WAC 460-44A-501 through 460-44A-508 shall have the status of restricted securities acquired in a nonpublic offering transaction under section 4(2) of the Securities Act of 1933 and RCW 21.20.320(1) and cannot be resold without registration under the Securities Act of Washington or an exemption therefrom. The issuer shall exercise reasonable care to assure that the securities are restricted and that the purchasers of the securities are not underwriters within the meaning of section 2(11) of the Securities Act of 1933, which reasonable care may be demonstrated by the following:

(a) Reasonable inquiry to determine if the purchaser is acquiring the securities for himself or for other persons;

(b) Written disclosure to each purchaser prior to sale that the securities have not been registered under the Securities Act of 1933, and the Washington administrator of securities has not reviewed or recommended the offering or offering circular and the securities have not been registered under the Securities Act of Washington, chapter 21.20 RCW, and, therefore, cannot be resold unless they are registered under the Securities Act of 1933 and the Securities Act of Washington chapter 21.20 RCW or unless an exemption from registration is available; and

(c) Placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under the Securities Act of 1933 and the Securities Act of Washington chapter 21.20 RCW and setting forth or referring to the restrictions on transferability and sale of the securities.

(d) A written disclosure or legend will be deemed to comply with the provisions of WAC 460-44A-502 (4)(b) or (c) if it complies with the North American Securities Administrators Association Uniform Disclosure Guidelines on Legends, NASAA Reports CCH Para. 1352 (1989).

While taking these actions will establish the requisite reasonable care, it is not the exclusive method to demonstrate such care. Other actions by the issuer may satisfy this provision. In addition, WAC 460-44A-502 (2)(b)(vii) requires the delivery of written disclosure of the limitations on resale to investors in certain instances.

(a)(i)(A) For an offering in reliance on Securities and Exchange Commission Rule 505 or Rule 506, under WAC 460-44A-505 or 460-44A-506, respectively, the issuer shall file the initial notice on Securities and Exchange Commission Form D checking box 505 (and box ULOE) or box 506, as applicable, and pay a filing fee of three hundred dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance on the exemption of WAC 460-44A-505 or 460-44A-506;

(B) For an offering in reliance on Securities and Exchange Commission Rule 504, under WAC 460-44A-504, the issuer shall file the initial notice on Securities and Exchange Commission Form D checking box 504 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance on the exemption of WAC 460-44A-504;

(C) For an offering in reliance on Securities and Exchange Commission Rule 147, under WAC 460-44A-504, the issuer shall file the initial notice on Washington Securities Division Form WAC 460-44A-504/Rule 147 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance on the exemption of WAC 460-44A-504;

(ii) The issuer shall also file with or on the initial notice a representation that the issuer has reviewed all the conditions of WAC 460-44A-504, 460-44A-505, or 460-44A-506 and such conditions shall be met; and

(iii) Unless previously filed, the issuer shall include with the initial notice an executed uniform consent to service of process on Form U-2.

(2) By filing for the exemption of WAC 460-44A-505 or 460-44A-506, the issuer undertakes to furnish to the

administrator, upon request, the information to be furnished or furnished by the issuer under WAC 460-44A-502 (2)(b) to any purchaser that is not an accredited investor. Failure to submit the information in a timely manner will be a ground for denial or revocation of the exemption of WAC 460-44A-505 or 460-44A-506.

WAC 460-44A-504 Exemption for limited offers and sales of securities not exceeding \$250,000 to not more than twenty purchasers. (1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.504 and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, and 33-6825 or in compliance with the Securities Act of 1933, Rule 230.147 as made effective in Release No. 33-5450 that satisfy the conditions in subsections (2) and (3) of this section shall be exempt under RCW 21.20.320(9).

(2) General conditions to be met. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503 and 460-44A-508.

(3) Specific conditions to be met.

(a) Limitation on aggregate offering price. The aggregate offering price for an offering of securities under this section, as defined in WAC 460-44A-501(3), shall not exceed \$250,000, within or without this state, less the aggregate offering price for all securities sold within the twelve months before the start of and during the offering of securities under this section in reliance on any exemption under RCW 21.20.320(9) or sections 3(a) (11) or 3(b) of the Securities Act of 1933 or in violation of RCW 21.20.140 or section 5(a) of the Securities Act of 1933.

(b) No commissions. No commission, fee, or other remuneration shall be paid or given, directly or indirectly, to any person for soliciting any prospective purchaser in the state of Washington.

(c) Limitation on number of purchasers. There are no more than or the issuer reasonably believes that there are no more than twenty purchasers of securities in this state from the issuer in any offering in reliance on this section.

(d) In all sales to nonaccredited investors in this state under this section the issuer and any person acting on its behalf shall have reasonable grounds to believe and after making reasonable inquiry shall believe that, as to each purchaser, one of the following conditions, (i) or (ii) of this subsection, is satisfied:

(i) The investment is suitable for the purchaser upon the basis of the facts, if any, disclosed by the purchaser as to his other security holdings and as to his financial situation and needs. For the purpose of this condition only, it may be presumed that if the investment does not exceed ten percent of the purchaser's net worth, it is suitable. This presumption is rebuttable; or

(ii) The purchaser either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is or they are capable of evaluating the merits and risks of the prospective investment.

(e) Disqualifications. No exemption under this section shall be available for the securities of any issuer if any of the parties described in the Securities Act of 1933, Regulation A, Rule 230.252, sections (c), (d), (e), or (f) is disqualified for any of the reasons listed in WAC 460-44A-505 (2)(d) unless inapplicable or waived as set forth in WAC 460-44A-505 (2)(d)(vi) and (vii).

(f) Notice filing. The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(g) Advice about the limitations on resale.

The issuer, at a reasonable time prior to the sale of securities, shall advise each purchaser of the limitations on resale in the manner contained in WAC 460-44A-502 (4)(b).

(4) Transactions which are exempt under this section may not be combined with offers and sales exempt under any other rule or section of the Securities Act of Washington, however, nothing in this limitation shall act as an election. Should for any reason the offer and sale fail to comply with all of the conditions for the exemption of this section, the issuer may claim the availability of any other applicable exemption.

Note 1: WAC 460-44A-504 is not the exclusive method by which issuers may make offerings under Securities and Exchange Commission Rules 504 and 147. For example, offers and sales of an issuer in compliance with Securities and Exchange Commission Rule 504 or Rule 147 may also be registered by qualification under chapter 21.20 RCW. An issuer that qualifies may elect to register an offering pursuant to the Uniform Limited Offering Registration as set out in chapter 460-17A WAC. An issuer may also elect to claim the corporate limited offering exemption as set out in chapter 460-46A WAC.

Note 2: Issuers are reminded that nothing in these rules alters their obligation under RCW 21.20.010. RCW 21.20.010(2) renders it unlawful "to make any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading . . ." In addition, issuers must otherwise comply with the anti-fraud provisions of the federal and state securities laws. No format for disclosure is prescribed. However, issuers may wish to consider the question and answer disclosure format of Form ULOR-C of chapter 460-17A WAC, or the corporate limited offering exemption of chapter 460-46A WAC, in determining the disclosure they make. If either form is used, the issuer should indicate that the disclosure form is being used for an exempt offering under this section rather than in an offering under the chapters under which the form was adopted.

WAC 460-44A-505 Uniform offering exemption for limited offers and sales of securities not exceeding \$5,000,000. (1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.503; 230.505; and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, and 33-6825 that satisfy the conditions in subsection (2) of this

section shall be exempt transactions under RCW 21.20.320(17).

(2) Conditions to be met.

(a) General conditions. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503.

Note: In order to comply with this section the issuer must comply with the provisions of Rule 505 (17 CFR Sec. 230.505) of the Federal Securities and Exchange Commission.

(b) Specific conditions.

(i) No commission, fee, or other remuneration shall be paid or given directly or indirectly, to any person for soliciting any prospective purchaser that is not an accredited investor in the state of Washington unless such person is registered in this state as a broker-dealer or salesperson.

(ii) It is a defense to a violation of (b)(i) of this subsection if the issuer sustains the burden of proof to establish that he did not know and in the exercise of reasonable care could not have known that the person who offered or sold the security was not appropriately registered in this state.

(c) In all sales to nonaccredited investors in this state under this section the issuer and any person acting on its behalf shall have reasonable grounds to believe and after making reasonable inquiry shall believe that, as to each purchaser, one of the following conditions, (i) or (ii) of this subsection, is satisfied:

(i) The investment is suitable for the purchaser upon the basis of the facts, if any, disclosed by the purchaser as to his other security holdings and as to his financial situation and needs. For the purpose of this condition only, it may be presumed that if the investment does not exceed ten percent of the purchaser's net worth, it is suitable. This presumption is rebuttable; or

(ii) The purchaser either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is or they are capable of evaluating the merits and risks of the prospective investment.

(d) No exemption under this rule shall be available for the securities of any issuer if any of the parties described in Securities Act of 1933, Regulation A, Rule 230.252 sections (c), (d), (e), or (f):

(i) Has filed a registration statement which is the subject of a currently effective registration stop order entered pursuant to the Securities Act of Washington, chapter 21.20 RCW, or any other state's securities law, within five years prior to the filing of the notice required under this exemption.

(ii) Has been convicted within ten years prior to the filing of the notice required under this exemption of any felony or misdemeanor in connection with the offer, purchase or sale of any security or any felony involving fraud or deceit, including but not limited to forgery, embezzlement, obtaining money under false pretenses, larceny, or conspiracy to defraud.

(iii) Is currently subject to any state administrative enforcement order or judgment entered by the Washington state administrator of securities or any other state's securities administrator within five years prior to the filing of the notice required under this section or is subject to any state's administrative enforcement order or judgment in which fraud

or deceit, including but not limited to making untrue statements of material facts and omitting to state material facts, was found and the order or judgment was entered within five years prior to the filing of the notice required under this exemption.

(iv) Is subject to an order or judgment of the Washington state administrator of securities or any other state's administrative enforcement order or judgment which prohibits, denies or revokes the use of any exemption from registration in connection with the offer, purchase or sale of securities.

(v) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction temporarily or preliminarily restraining or enjoining, or is subject to any order, judgment or decree of any court of competent jurisdiction, permanently restraining or enjoining, such party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any filing with this or any state entered within five years prior to the filing of the notice required under this exemption.

(vi) The prohibitions of (d)(i), (ii), (iii), and (v) of this subsection shall not apply if the person subject to the disqualification is duly licensed or registered to conduct securities related business in this state and the Form B-D filed with this state discloses the order, conviction, judgment or decree relating to such person. No person disqualified under (d) of this subsection may act in a capacity other than that for which the person is licensed or registered.

(vii) Any disqualification caused by (d) of this subsection is automatically waived if the Washington state administrator of securities or the state securities administrator or other agency which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that the exemption of this section be denied.

(viii) It is a defense to a violation of this paragraph (d) if the issuer sustains the burden of proof to establish that the issuer did not know and in the exercise of reasonable care could not have known that a disqualification under this paragraph existed.

(e) The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(3) Transactions which are exempt under this section may not be combined with offers and sales exempt under any other rule or section of the Securities Act of Washington, however, nothing in this limitation shall act as an election. Should for any reason the offer and sale fail to comply with all of the conditions for the exemption of this section, the issuer may claim the availability of any other applicable exemption.

(4) The Washington state administrator of securities may, by rule or order, waive the conditions of this section.

(5) The exemption authorized by this section shall be known and may be cited as the "Washington uniform limited offering exemption."

WAC 460-44A-506 Exemption for nonpublic offers and sales without regard to dollar amount of offering.

(1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.503; 230.506; and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, and 33-6825 that satisfy the conditions in subsection (2) of this section shall be deemed to be exempt transactions within the meaning of RCW 21.20.320(1).

(2) Conditions to be met.

(a) General conditions. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503.

Note: In order to comply with this section the issuer must comply with the provisions of Rule 506 (17 CFR Sec. 230.506) of the Federal Securities and Exchange Commission.

(b) Specific conditions.

(i) No selling commission unless registered as a broker-dealer or salesperson.

(A) No commission, fee, or other remuneration shall be paid or given directly or indirectly, to any person for soliciting any prospective purchaser that is not an accredited investor in the state of Washington unless such person is registered in this state as a broker-dealer or salesperson.

(B) It is a defense to a violation of (b)(i)(A) of this subsection if the issuer sustains the burden of proof to establish that he did not know and in the exercise of reasonable care could not have known that the person who received a commission, fee or other remuneration was not appropriately registered in this state.

(ii) Limitation on selling expenses.

(A) Selling expenses in any offering under this section shall not exceed fifteen percent of the aggregate offering price. For the purposes of this section, "selling expenses" means the total underwriting and brokerage discounts and commissions (including fees of the underwriters' attorneys paid by the issuer) paid in connection with the offering plus all other expenses actually incurred by the issuer relating to printing, engraving, mailing, salaries of employees while engaged in sales activity, charges of transfer agents, registrars, trustees, escrow holders, depositories, and engineers and other experts, expenses of qualification of the sale of the securities under federal and state laws, including taxes and fees, and any other expenses actually incurred by the issuer and directly related to the offering and sale of the securities, but excluding accountants' and the issuer's attorneys' fees and options to underwriters.

(B) The number of shares or units called for by options issuable to underwriters or other persons as compensation, in whole or in part, for the offer or sale of securities in reliance on this section shall not exceed ten percent of the number of shares or units actually sold in the offering.

(3) Offers or sales which are exempted under this section may not be combined in the same offering with offers or sales exempted under any other rule or section of chapter 21.20 RCW; however, nothing in this limitation shall act as an election. Should for any reason an offering fail to

comply with all of the conditions for this section, the issuer may claim the availability of any other applicable exemption.

(4) The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(1) A failure to comply with a term, condition, or requirement of WAC 460-44A-504, 460-44A-505, or 460-44A-506 will not result in the loss of the exemption from the registration requirements of RCW 21.20.140 for any offer or sale to a particular individual or entity, if the person relying on the exemption shows:

(a) The failure to comply did not pertain to a term, condition, or requirement directly intended to protect that particular individual or entity; and

(b) The failure to comply was insignificant with respect to the offering as a whole: *Provided*, That any failure to comply with WAC 460-44A-502(3), 460-44A-503, 460-44A-504 (3)(a), (c), and (e), 460-44A-505 (2)(d) and (e) and (3), 460-44A-506 (3) and (4), paragraph (c) of Securities and Exchange Commission Rule 502, paragraphs (b)(2)(i) and (ii) of Securities and Exchange Commission Rule 505 and paragraph (b)(2)(i) of Securities and Exchange Commission Rule 506 shall be deemed to be significant to the offering as a whole; and

WAC 460-46A-020 Availability of exemption. (1) The corporate limited offering exemption (CLOE) is intended to allow small businesses to conduct limited offerings of securities. CLOE uses a simplified offering format designed to provide adequate disclosure to investors concerning the issuer, the securities offered, and the offering itself. Certain issuers may not be able to make adequate disclosure using the corporate limited offering exemption format and will, therefore, be unable to utilize the exemption. The corporate limited offering exemption is unavailable for the following types of offerings:

(a) "Blind pools" or other offerings for which the specific business to be engaged in or property to be acquired cannot be specified;

(b) Offerings involving petroleum exploration or production, mining, or other extractive industries; and

(c) Theatrical productions.

(2) The administrator finds that CLOE is generally unsuitable for the following issuers and programs and that, therefore, such offerings will not be allowed to use the CLOE unless written permission is obtained from the administrator based upon a showing that adequate disclosure can be made to investors using the CLOE format:

(a) Holding companies, companies whose principal purpose is owning stock in, or supervising the management of, other companies;

(b) Portfolio companies, such as real estate investment trusts as defined in Section (1)(q) of the North American Securities Administrators Association's Statement of Policy regarding real estate investment trusts as adopted by the administrator in WAC 460-16A-205 (1)(e);

(c) Issuers with complex capital structures;

(d) Commodity pools;

(e) Equipment leasing programs; and

(f) Real estate programs.

(3) Only corporations may use the corporate limited offering exemption. The corporate limited offering exemption may be used by an issuer more than once provided that the aggregate amount raised by all offerings by the issuer and its affiliates under the corporate limited offering exemption shall not exceed \$500,000. (The foregoing notwithstanding, offerings by affiliates of the issuer under the corporate limited offering exemption with respect to business ventures unrelated to that of the issuer occurring twenty-four months prior to or twenty-four months after the offering of the issuer under consideration shall not be included in calculating the \$500,000 limitation as to the issuer.)

(4) The corporate limited offering exemption may be used only for the offer and sale of common stock, preferred stock as provided in WAC 460-46A-071, or debt securities as provided in WAC 460-46A-061 and 460-46A-065.

(5) The corporate limited offering exemption is not available if the issuer or its affiliates have previously sold securities of such issuer or affiliate under the provisions of RCW 21.20.210 (registration by qualification) or RCW 21.20.180 (registration by coordination) or of similar provisions of the securities or blue sky laws of any other state.

(6) The total amount of funds raised by the issuer and its affiliates under all exemptions, including the corporate limited offering exemption, but excepting the statutory nonpublic offering exemption of RCW 21.20.320(1), may not

exceed \$500,000 in any 12-month period during which the corporate limited offering exemption is used.

WAC 460-46A-061 Availability of corporate limited offering exemption for debt offerings—Debt service requirements. (1) The corporate limited offering exemption may be used for the offer and sale of debt securities if the issuer shows, based upon the results of its operations for its most recently ended fiscal year and for its latest interim period as reflected in its financial statements, a pro forma ratio of earnings to fixed charges of 1 to 1 or greater.

(2) For the purpose of this section:

(a) "Earnings" shall mean pretax income from continuing operations plus fixed charges as defined in (b) of this subsection, adjusted to exclude any interest capitalized during the period;

(b) "Fixed charges" shall mean the total of (i) interest, whether expensed or capitalized, (ii) amortization of debt expense and discount or premium relating to indebtedness, whether expensed or capitalized, and (iii) such portion of rental expense as can be demonstrated to be representative of the interest factor in the particular case;

(c) Pro forma earnings to fixed charges ratios shall be calculated by adjusting the corresponding historical ratio to give effect to the net increase or decrease in interest expense resulting from (i) the proposed issuance of new debt and (ii) the corresponding retirements of any debt presently outstanding (but only for the period of time outstanding) which will be retired with the proceeds from the proposed offering. If only a portion of the proceeds will be used to retire presently outstanding debt, only a related portion of the interest should be used in the pro forma adjustment.

(d) An issuer may elect to use the definitions of "earnings," "fixed charges," and the method for determining the ratio of earnings to fixed charges set forth in Item 503 of Securities and Exchange Commission Regulation S-K to determine whether that issuer meets the requirement of subsection (1) of this section.

[Statutory Authority: RCW 21.20.450 and 21.20.320(9). 91-04-011, § 460-46A-061, filed 1/25/91, effective 2/25/91.]

WAC 460-46A-065 Availability of corporate limited offering exemption for debt offerings not meeting the debt service requirements of WAC 460-46A-060. If the issuer cannot show a pro forma debt service ratio meeting the requirements of WAC 460-46A-061(1) it may nevertheless use the corporate limited offering exemption for the sale of debt securities under the following conditions or as otherwise permitted by the securities administrator:

(1) The issuer sells only to persons who are, or the issuer reasonably believes to be, accredited investors as defined in WAC 460-44A-501(1); or

(2)(a)(i) The issuer sells only to persons who the issuer reasonably believes meet the following conditions (A) the person's purchase of securities in the offering represents no more than 10% of the person's individual or joint net worth (exclusive of home, furnishings, and automobiles), and either (B) the person has, individually or jointly with the person's

spouse, annual income for the year of purchase of at least \$50,000 or (C) the person has, individually or jointly with the person's spouse, net worth (exclusive of home, furnishings, and automobiles) of at least \$100,000; and

(b)(i) The debt securities offered are, to the satisfaction of the securities administrator, secured in a security arrangement by tangible assets, as determined according to generally accepted accounting principles (GAAP) with a book value or appraised value, as of the date the corporate limited offering exemption filing for the offering is declared effective by the securities administrator, of at least 150% of the aggregate principal amount of the debt securities offered; or

(ii) The debt securities offered are guaranteed, to the satisfaction of the securities administrator and the guarantor meets the pro forma debt service requirements of WAC 460-46A-061(1); or

(2) The administrator by order, which may apply individually or to a class, may establish a lower net capital requirement or a higher maximum ratio of aggregate indebtedness to net capital either unconditionally or upon special terms or conditions, for a commodity broker-dealer who satisfied the administrator that because of the special nature of his/her business and his/her financial condition, and the safeguards that have been established for the protection of customers' funds, investors would not be adversely affected.

(2) The administrator, in coordination with the securities administrators of other states, in addition to any other reports he/she may require, may require all registered commodity broker-dealers to which subsection (1) of this section is applicable to file reports on their net capital and aggregate indebtedness as of the end of any month, without prior notice, once during each year.

(a) "Predecessor," for the purposes of the disclosure required by item 1 in the body of the offering circular, is

defined as follows: A "predecessor" of a franchisor is (i) a person the major portion of whose assets have been acquired directly or indirectly by the franchisor, or (ii) a person from whom the franchisor acquired directly or indirectly the major portion of its assets;

(b) "Franchise broker," for the purposes of the disclosure required by the cover page and item 2 in the body of the offering circular, is defined as follows: A "franchise broker" is any person engaged in the business of representing a franchisor or subfranchisor in offering for sale or selling a franchise, except anyone whose identity and business experience is otherwise required to be disclosed at item 2 in the body of the offering circular.

(4) Disclosure: Each disclosure item should be either positively or negatively commented upon by use of a statement which fully incorporates the information required by the item.

(5) Subfranchisors: When the person filing the application for registration is a subfranchisor, the application shall also include the same information concerning the subfranchisor as is required from the franchisor; the franchisor, as well as the subfranchisor, shall execute a signature page.

(6) Signing of application: The application shall be signed by an officer or general partner of the applicant; however, it may be signed by another person holding a power of attorney for such purposes from the applicant. If signed on behalf of the applicant pursuant to such power of attorney, the application shall include as an additional exhibit a copy of said power of attorney or a copy of the corporate resolution authorizing the attorney to act.

(7) Manually signed consent of accountant: All applications shall be accompanied by a manually signed consent of the independent public accountants for the use of their audited financial statements as such statements appear in the offering circular.

(8) Application to amend the registration: An amendment to an application filed either before or after the effective date of registration shall contain only the information being amended identified by item number and shall be verified by means of the prescribed signature page. WAC 460-80-140 Financial statements. (a) Financial statements required to be filed in connection with an application for registration or renewal of an offer or sale of a franchise shall be prepared in accordance with generally accepted accounting principles as set forth in rules as

adopted pursuant to chapter 460-60A WAC etc. Such financial statements should be audited by a certified public accountant having the same qualifications and restrictions as those set forth in WAC 460-60A-100, except where the particular form or this section permits the use of unaudited statements for interim periods.

(b) In extraordinary cases the director may waive the requirement for audited statements if the statements have been prepared by an independent certified public accountant or independent public accountant and the director is otherwise satisfied as to the reliability of such statements and as to the ability of the franchisor to perform future commitments. Such waiver will ordinarily be granted only upon a showing that the franchisor has not had prior audited statements; that the close of the most recent or current fiscal year is so near the time of filing of the application that it would be unreasonably costly or impractical to provide audited statements with the application; and that audited statements will be furnished within a reasonable time after the end of the most recent or current fiscal year. In such cases the director may impose an impound condition and such other conditions and restrictions as in his discretion may be appropriate.

(c) The use of unaudited financial statements as provided in these rules does not relieve the applicant or any person from any liability for false and misleading statements contained in such financial statements.
