WAC 132N-156-300 Purpose. The parking and traffic rules and regulations contained herein provide a fair and uniform method of regulating college vehicular, nonvehicular, and pedestrian traffic and are based on the following objectives:

- (1) To protect and control vehicular, nonvehicular, and pedestrian traffic.
- (2) To assure access at all times for emergency equipment.
- (3) To minimize traffic disturbances during class hours.

(4) To facilitate the work of the college by assuring access for college vehicles and by assigning the limited parking spaces to the most efficient use.

(5) To protect college facilities.

Permission to park or operate a vehicle on college property is governed by these regulations. The purchase of a permit for designated parking does not ensure the regular availability of a parking space.

All college faculty, staff, and administrators using college parking facilities at any time between 8:00 a.m. and 10:00 p.m. during the academic year are to purchase and display a valid parking permit. The fact that an employee may be eligible to park in a physically disabled persons parking zone will not relieve the employee of this requirement. A valid faculty/staff parking permit may not, by itself, constitute authority to park in other parking facilities leased or owned by the college.
