**WAC 132I-120-010 Purpose.** Community College District 9 serves its community and the general public by providing continuing educational opportunities for all persons who are eligible to attend. To fulfill this purpose, the college provides students with broad, comprehensive pro-

grams of general education, including university-parallel transfer courses, developmental-remedial programs, and vocational-technical curricula. The college also provides cultural, recreational, and community service activities. The college provides health, guidance, and counseling services which every student is encouraged to make use of on a voluntary basis. The confidentiality of counseling, health, and adviser services will be strictly maintained except as called for by legal requirement.

As members of the college community, students are encouraged through free inquiry and free expression, to develop their capacity for critical judgment and to engage in sustained and independent search for knowledge. It is the responsibility of the student to observe and help maintain appropriate conditions in the classroom, on campus, and in the larger community.

Highline Community College may take appropriate disciplinary action when student conduct unreasonably interferes with the college's educational responsibilities, its subsidiary responsibilities, or to protect the health and safety of persons on or in college facilities, to maintain and protect college property or private property on college facilities, to protect college records, to provide college services, and/or to sponsor non-classroom activities such as lectures, concerts, athletic events, and social functions.

The purpose of these rules is to prescribe standards of conduct for students of Community College District No. 9, the violations which may constitute sufficient cause for disciplinary action as described in and in accordance with the procedures established in WAC 132I-120-010 through 132I-120-520.

A student's registration constitutes acceptance of the responsibility to comply with the general policies and regulations established by the college.

(2) Highline Community College cannot and will not establish regulations which would abridge constitutional rights.

(3) Proper procedures are established to maintain conditions conducive to the effective performance of the function of the college, to protect individual students from unfair imposition of penalties, and to assure due process. Highline Community College is granted the right by law to adopt such rules as are deemed necessary to govern its operations.

(4) If these rules are broken, the college has the right and the obligation to take that action which is in the best interest of the entire college and which is commensurate with the constitutional rights of the individual.

(5) If a student is charged with an off-campus violation of the law, the matter shall be of no disciplinary concern to the college unless the student is incarcerated and unable to comply with academic requirements. If the violation of law occurs on campus and is also a violation of a published

college regulation, the college may institute its own proceedings against the offender or may refer the violation to the appropriate civilian authorities for disposition. The college shall not proceed with a disciplinary action that in fact or appearance duplicates punishment for the same offense unless the interests of the college are implicated in some separate way by violation of law.

(6) The Highline College Student Union will have the right to participate in the formulation and review of all policies and rules pertaining to student conduct and in the enforcement of all such rules as provided by these rules.

(7) Rules of conduct and procedures of enforcement shall be printed and made available to all students.

(8) All rules herein adopted concerning student conduct shall apply to every student attending the college in any college facility.

(2) Summary suspension of said student is necessary for the safety of the student, other students or persons on college facilities, the educational process of the institution, or to restore order to the campus; and

**WAC 132I-140-010 Purpose.** The trustees of Highline Community College believe that educational and community service opportunities are extended to the community when the college's buildings, grounds, and facilities are made available for use by the students, faculty, administration, staff, and the community. This use shall not interfere with regular college activities and shall be in accordance with the public interest, welfare, laws of the state of Washington, and in the best interest(s) of the college as interpreted by the administration of Highline Community College and/or the board of trustees.

**WAC 132I-140-015 Trespass.** (1) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college

facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW, as not law or hereafter amended.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accord with established college policies.

(3) Persons who violate a district policy may have their license or privilege to be on district property revoked and be ordered to withdraw from and refrain from entering upon any district property. **WAC 132I-140-016 Prohibited conduct at college facilities.** (1) State law governs the use or possession of intoxicants on campus or at college functions. The use or possession of unlawful drugs or narcotics, not medically prescribed, on college property or at college functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs, or narcotics while in college facilities shall be subject to disciplinary action.

(2) The use of tobacco is restricted by law and by regulations of the smoking policy to designated smoking areas.

(3) Destruction of public property is prohibited by state law.

**WAC 132I-140-110 Right to deny use of facilities.** (1) The trustees reserve the right to deny facility use to individuals or groups of a private nature whose activities, be they secret or otherwise, are inconsistent with the open and public nature of Highline Community College and where such use would conflict with the purpose of state and federal laws against discrimination.

(2) If at any time actual use of college facilities by the individual or group constitutes an unreasonable disruption of the normal operation of the college, such use shall immediately terminate, all persons engaged in such use shall immediately vacate the premises, and leave the college property upon command of the appropriate college official.

(3) Any individual or group granted permission to use college facilities shall agree in advance to abide by all college rules and regulations. The college reserves the right to deny use of college facilities to any individual or group whose past conduct indicates a likelihood that college rules and regulations will not be obeyed.

(4) No single group shall be allowed use of facilities on a regular or continuing basis.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-110, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-120 Basis of fee assessment.** (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of

(1995 Ed.)

operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The position of the board of trustees is that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the office of continuing education.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees believes a commercial facility can be patronized. At no time shall facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-120, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-130 Application procedures.** (1) At least seven college working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application on a "use of facility" form which may be obtained through the college's office of community services. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; then separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory becomes responsible for all charges which may include interest payment for overdue accounts as specified on the rental form but not less than one percent per month.

(3) Large events, events requiring expenditures on the part of the college, or where significant areas are made available to the renter; a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The board of trustees reserves the right to cancel any permit and refund any payments for use of college facilities and equipment if the groups use of college facilities and/or equipment would violate any federal, state, local, or school law, regulation, or rule or when the planned use could subject the college to any liability.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) The decision to issue permits is based on the assumption that any admission charges are to be specified and approved by the college.

(9) Organizations using Highline Community College's facilities shall conduct all activities in accordance with all

applicable local, state, and federal laws including the rules and regulations adopted by Community College District 9 as stated in Title 132I WAC and in the use of facility form.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-130, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-134 Request for brief adjudicative proceeding over denial of facility use.** Any organization that is denied use of college facilities may challenge said denial by filing an appeal as specified in WAC 132I-140-135(2) with the president's designee.

Upon receipt of such appeal, the president's designee shall hold a brief adjudicative proceeding.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-134, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-135 Appeal of denial of facility use.**

(1) Any organization whose application for facility use has been denied may appeal such decision to the president.

(2) The appeal must be in writing and must clearly state errors in fact or matters in extenuation or mitigation which justify the appeal. The appeal must be filed within twenty-one days from the date of service upon appellant of the order denying use of facilities.

(3) The president's determination shall be final.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-135, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-140 Supervision during activity.** (1) Signatories of the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of special facilities makes it necessary that supervision be provided, the trustees reserve the right to require a staff member represent the college at any activity on Highline Community College facilities. Such service shall be paid at the current rate, by the organization requesting use of the facility (see WAC 132I-140-160), and does not relieve the organization from safeguarding the college's property.

(2) The security staff or some other authority of the college will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned on any occasion to any using organization with the exception of keys to designated off-campus locations.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-140, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-150 Care and maintenance of facilities and equipment.** (1) College-owned equipment shall not be removed from college facilities for loan or rental. Organizations wishing to use equipment in connection with a rental should make arrangements through the office of continuing education at the time of application. Further rental and operational restrictions may be outlined when the application is approved.

(2) Appropriate equipment is expected when using facilities when the absence of such special equipment may be detrimental to that facility (e.g., tennis shoes must be worn on gymnasium floors).

(3) Organizations allowed use of facilities are required to leave premises in as good condition as when the organization was admitted to its use. After facility use, organizations are required to arrange for proper disposal of decorations and other refuse when restoring the facility to its original condition for resumption of college use.

(4) Custodial and other services beyond those regularly scheduled to support normal college activities may be required for specific activities by outside groups, based on the size of group, the complexities of the event, or the facilities being used. Needed custodial services beyond that normally scheduled will result in that organization being charged at the established rate. All extra custodial time required as a result of the organization's use of the facility will be charged to the organization, including those receiving complimentary usage.

(5) The security staff should be contacted for problems with facilities. The security staff will monitor any permit violations.

(6) All moving of college equipment for facility use will be under permission and supervision of the college.

(7) Any decoration or use of facility that may result in permanent damage or injury to the facility is strictly prohibited.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-150, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-160 Athletic facilities.** (1) Highline Community College playing fields may be used by community members and groups provided such use does not interfere with regular college activities and that proper permits for use of college grounds have been secured for activities other than unorganized casual use.

(2) Highline Community College allows only highly restricted use in scheduling the use of the swimming pool. Permitted users shall comply with all pool regulations, as determined by the college. Such regulations may vary based on the anticipated use. Applications should be made on a use of facility form obtained through the college's office of continuing education. A condition of rental is the college's right to set forth the number of lifeguards and to select and hire these lifeguards on its own criteria. Cost of usage will include these employee's salaries and other personnel expenses.

(3) The pavilion may be used by community organizations subject to the same restrictions and regulations governing the use of other facilities. Because of the size of the facility, most users will be required to have college personnel on site during usage. Cost of usage will include these employee's salaries and other personnel expenses.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-160, filed 7/21/92, effective 8/21/92.]

**WAC 132I-140-170 Liability for damage.** The lessee of college facilities, including agreement signatories and individual organizations leaders, shall be liable for any damage to college property occurring or having apparently occurred during the time the facility was being used by the organization. The lessee also agrees to hold harmless and indemnify Highline Community College, its agents, employees, officers, trustees, students and/or attorneys for any claim

made against the college as a result of the lessee's use of college facilities. The college reserves the right to require using organizations to purchase insurance, naming the college as the insured, and may specify the amount of that insurance.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-170, filed 7/21/92, effective 8/21/92.]

A copy of the Revised Code of Washington is available in the Highline Community College library.

**WAC 132I-160-031 Admission policy for applicants who are not able to demonstrate they are competent to profit from the college's courses.** Applicants, regardless of age, who have either a high school diploma or a GED credential are assumed to be competent to profit from the college's courses. Applicants who are eighteen years old or older without a high school diploma or GED credential are provisionally admitted in keeping with the open door policy. However, these students may not necessarily be competent to profit from the college's courses. Therefore, these students are considered not regularly admitted students.

Provisional admission for these not regularly admitted students may be revoked if prior school records or professional testing or evaluation determines that the student is not competent to profit from the college's courses. The college may request such information on an as-needed basis. A review committee consisting of the director of admissions, a professional counselor, and the section 504 compliance officer shall review such documentation and make any determination of revocation.

**WAC 132I-160-032 Admission policy for applicants who are currently enrolled in a common school district or private high school.** Highline Community College admits applicants who are concurrently enrolled in a common school district or accredited private school and Highline Community College. These applicants must meet the requirements in WAC 132I-160-045.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-032, filed 7/21/92, effective 8/21/92.]

**WAC 132I-160-033 Admission requirements.** There are some requirements in addition to the general admission policy (WAC 132I-160-025). These are:

(1) Highline does not require specific test scores for admission to the college. However, assessment for advising, placement, and retention is required for all new students with less than forty-five transferable college-level credits and for entry into selected courses and programs. The college uses the ASSET system for this purpose. It is given at frequent intervals in the Highline Community College testing center.

(2) The following programs have special admission requirements and procedures: Dental Assistant, Diving Technician, Medical Assistant, Registered Nursing, Respiratory Care, GED, and High School. These programs have specific selection procedures due to limited space or special requirements. The requirements and procedures differ for each program. They are updated annually. Contact the Highline Community College office of admissions, for specific information.

**WAC 132I-160-035 Admission procedures.** Applicants can become newly admitted students in two ways: Formal and informal. Both methods require applicants to meet the policy listed in WAC 132I-160-025 and the requirements listed in WAC 132I-160-033. The formal method is used for applicants who wish to register for daytime credit courses and who want the earliest possible registration appointment. The informal method is used by applicants who wish to register for evening or Saturday credit courses. The informal method is also used by all applicants during late registration. Persons granted admission by either process are newly admitted students.

(1) These are the formal application procedures:

(a) Complete and return either a state of Washington uniform community college application form or a Highline Community College application form to the admission office. These forms are available at any community college and at most high schools. Contact the admission office at Highline Community College to request an application form. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college. Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. Students wishing transcript evaluations must also complete a transcript evaluation request form which is available from the registration office. The registration office will notify students in writing of the evaluation. Transcript evaluation is a service and is not required for admission to the college.

(c) Falsification of documents for admission may result in disciplinary, civil, or criminal proceedings.

(2) These are the informal application procedures:

(a) Register for any credit course during open enrollment. No appointment is necessary during open enrollment. No application form is required. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college.

Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. Students wishing transcript evaluations must complete a transcript evaluation request form which is available from the registration office. The registration office will notify students in writing of the evaluation. Transcript evaluation is a service and is not required for admission to the college.

(c) Falsification of documents for admission may result in disciplinary, civil, or criminal proceedings.

**WAC 132I-160-045 Admission requirements for applicants who are currently enrolled in a common school district or private high school.** Applicants who are currently enrolled in a common school district or accredited private school and Highline Community College must meet the following requirements:

(1) Applicants must be currently enrolled as juniors or seniors in a common school district or accredited private school. Students enrolled in a home school are not eligible for admission.

(2) Applicants must take the entire ASSET assessment process and score at college level.

(3) Applicants must not be on academic or disciplinary warning, probation, suspension, or dismissal status in their high school.

(4) Applicants must have permission from their high school principal; applicants under the age of eighteen must also have permission of a parent or legal guardian.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-045, filed 7/21/92, effective 8/21/92.]

**WAC 132I-160-047 Admission procedures for applicants who are currently enrolled in a common school district or private high school.** Applicants who are currently enrolled in a common school district or accredited private school and Highline Community College must perform the following procedures:

(1) Demonstrate college level skills on the ASSET placement test.

(2) Submit an official "authorization to register." This form is available from Federal Way, South Central, and Highline high schools and the admission office of Highline Community College.

(3) The authorization to register form must have the signature of the high school principal, a college curriculum adviser, and, for students under the age of eighteen, a parent or legal guardian.

(4) Pay for tuition, books, fees, and supplies.

(5) Enroll only during open enrollment.

(6) Enroll only in college level courses (numbered 100 or above). The college may limit access to some college level courses for these students.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-047, filed 7/21/92, effective 8/21/92.]

**WAC 132I-160-060 Residency.** Students who meet the definition of resident students according to RCW

28B.15.012(2) shall be classified as resident students. Students not eligible for residency classification will be classified as nonresident students. A copy of the Revised Code of Washington is available in the Highline Community College library.

Students who have questions about their classification must complete a residency questionnaire and submit the necessary documentation to the registrar. This questionnaire is available in the registration office. The registrar will review the questionnaire and will notify the student in writing of the decision within one week. Appeals of the decision of the registrar are referred by the registrar to the office of the attorney general. A written response is generally available to the student within thirty days.

Students are responsible for registering under the proper residency classification. Students who are not sure of their residency status should fill out and then submit a completed residency questionnaire to the registrar.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-060, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-060, filed 1/6/76.]

**WAC 132I-160-065 Registration procedures.** There are two categories of registration procedures. One category applies only to daytime credit courses while the other category applies to evening and Saturday credit courses and all continuing education courses. In both cases, registration is not completed until the student completes and submits all registration material, pays in full for all tuition and fees, and has all these items accepted by the registration office.

(1) Daytime credit courses. The college prints the schedule of dates and times to register in "The Quarterly," which is Highline Community College's quarterly schedule of course offerings. One to two weeks before the start of registration, "The Quarterly" is available on campus in Building 6 and by mail. The registration office schedules currently enrolled, former, and newly admitted students, in that order, into three sets of registration appointments according to these rules:

(a) Currently enrolled students are assigned the first set of registration appointments on the basis of the number of credits earned at Highline Community College. Students with the highest number of earned credits are assigned the first block of appointments. Subsequent blocks of appointments are assigned on the basis of descending number of credits. Appointments are by date and students may register at any time on or after that date. Appointment dates are only found in registration appointment books located in the registration area, faculty buildings, the library, the Federal Way center, and the advising resource center. Appointment dates are listed by name. These appointment books are available two weeks before registration begins.

(b) Former students are assigned a date to register after currently enrolled student appointments. This date is announced in "The Quarterly." Former students may register any time on or after this date.

(c) Newly admitted students who complete the formal application process described in WAC 132I-160-030 are assigned the last set of appointments. The admissions office will notify these students by mail of their specific appointment time and date. Newly admitted students may register

at their scheduled date and time, may reschedule with the admissions office for a later appointment, or may register during late registration.

(d) Late registration occurs after the period of appointments. It is a period of open enrollment. Fewer courses are available during this period. Students register without appointments. Any student eligible for admission (WAC 132I-160-030) may register during late registration. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

(2) Evening and Saturday credit courses and continuing education courses. Any student and any applicant eligible for admission (WAC 132I-160-030) may register for evening, Saturday, and continuing education courses at any time during the registration period without an appointment. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-065, filed 7/21/92, effective 8/21/92.]

**WAC 132I-160-090 Changes in registration.** (1) Changes in schedule: Students may change their course schedule after initial registration. Deadlines for changes are announced in "The Quarterly." Submit the change of schedule (add/drop) form to the registration office. Instructors' signatures are required after the first week of the quarter. This form is available in the registration area and educational planning center. Students may wish to talk with an advisor first.

(2) Dropping a course: Students may drop courses until the end of the ninth week of the quarter (except during summer). Instructors' signatures are required after the first week of the quarter. Classes dropped during the first three weeks of the quarter will not appear on student transcripts. Instructors have the option of assigning either a withdrawal grade (W) or, if the student is performing failing work at the time of withdrawal, a failing grade (0.0) to students who withdraw from a course after the third week of the quarter. Students may wish to talk with an adviser first. Check "The Quarterly" for the deadline to drop (withdraw) from courses.

(3) Withdrawal from college: Students who wish to withdraw from Highline Community College use the same procedures as for dropping a course. The signature of the instructor of each course is required on the change of schedule (add/drop) form after the first week of the quarter. Students who do not officially withdraw and simply cease to attend courses may be assumed by the instructor to have not met minimum course requirements and therefore may be graded as having failed (0.0) the course.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-090, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-090, filed 1/6/76.]

**WAC 132I-160-100 Fees.** (1) Tuition and fees are based on residency requirements (WAC 132I-160-060) and upon chapter 28B.15 RCW, College and university fees. Tuition and fees are set by the Washington state legislature

and are subject to change. The current tuition and fee schedule is available in "The Quarterly."

(2) Special quarterly fees:

(a) Parking: Students who park on-campus must pay a parking fee. On-campus parking rates vary according to the number of credit hours. Information about on-campus parking fees, traffic rules and regulations is available at the campus Security Office, Building 6, 878-3710, extension 218.

(b) Some courses may have additional fees as listed in the official quarterly course schedule. These fees are established by the board of trustees and are listed as "special instructional fees." Further information is available through the registration office.

(c) Some testing services charge a fee. A list of these services and fees may be obtained from the testing center.

(d) Some laboratory courses may assess a breakage fee.

(e) Processing fees: No processing fee will be charged for registration changes initiated by the college or for students wishing to add credits. Changes resulting in a reduced number of credits will be charged a two-dollar processing fee. All changes after the end of the third week of the quarter will result in a two-dollar processing fee. There is no charge for a complete withdrawal.

(f) An explanation of fees may be obtained under the "Quarterly Tuition and Fee Schedule" section of the Highline Community College catalog.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-100, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-100, filed 1/6/76.]

**WAC 132I-160-110 Refunds.** Refunds resulting from official withdrawal from courses will be computed as follows for state supported courses:

(1) One hundred percent. The refund will be one hundred percent of the amount paid if an official withdrawal form is received in registration or at the Highline College Federal Way center before the close of business on the fifth calendar day of the quarter. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in "The Quarterly."

(2) Cancelled courses. When Highline Community College cancels a course, Highline will refund the total amount paid for the course unless the student enrolls in a course to replace the cancelled course. If the new course is for fewer credits, Highline will refund the difference.

(3) Fifty percent. Highline Community College will refund fifty percent of the total amount paid if an official withdrawal form is received in the registration office or at the Highline Community College Federal Way center after the fifth calendar day, but before the close of business on the 30th calendar day of the quarter. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in "The Quarterly."

(4) Summer quarter, late starting, and short courses. Refunds for these courses will be determined by the registrar.

(5) Continuing education classes. To obtain refunds for self-support courses, withdrawals must be received forty-eight hours before the first scheduled course meeting. Other

refunds, except for course cancellation, will be made at the discretion of the director of continuing education.

(6) There is no refund of the twenty-five dollars nonrefundable fall quarter registration deposit to students who did not pay the total amount of their tuition and fees before the deadline. This deadline is published in "The Quarterly."

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-110, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-110, filed 1/6/76.]

**WAC 132I-160-120 Appeals.** Students have the right to appeal admission and registration decisions. Students are entitled to two levels of appeal. All appeals must be in writing. Admission decisions are appealed at the first level to the director of admissions and at the second level to the dean of students. Registration decisions are appealed at the first level to the registrar and at the second level to the dean of administration. The student must initiate an appeal at the first level. If the student is not satisfied with the decision at the first level, the student may appeal at the second level. The results of a second level appeal are final. Students may expect a written response to an appeal within ten working days.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-120, filed 7/21/92, effective 8/21/92.]

132I-168A-020	Basis of policies and procedures. [Order 012, § 132I-168-020 (codified as WAC 132I-168A-020), filed 10/31/75.] Repealed by 92-15-115, filed 7/21/92, effective 8/21/92. Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140.
---------------	--

**WAC 132I-168A-010 Purpose of the library.** Highline Community College library, in its role of cooperating against the abridgment of free expression and free access to ideas, provides public information and enlightenment through its responsibility to maintain books and other materials of value for their wide range of information, interest, viewpoints and enlightenment on the problems and issues of our times. Just as its doors remain open to all individuals, regardless of age, sex, race, religion, national origin or socio-political views, so its shelves remain open to all books regardless of the author's age, sex, race, religion, national origin or socio-political viewpoint. Further, Highline Community College's library perceives itself as

challenger to all attempts at censorship and/or proscription of views of either patron or authors because it is an educational institution for democratic living.

[Order 012, § 132I-168-010 (codified as WAC 132I-168A-010), filed 10/31/75.]

**WAC 132I-168A-030 Definition of terms.** (1) **Circulating material:** Materials designated as available for library patrons to check out.

(2) **Circulation period:** The length of time materials may be checked out of the library. The time period varies with material's classification.

(3) **Holds:** A request that material be held for a specific library patron's use when returned to the circulation desk.

(4) **Library day:** A library day is constituted by each day the library is open to the public.

(5) **Library hours:** A library hour is constituted by each hour the library is open to the public.

(6) **Noncirculating materials:** Materials designated not available for library patrons to check out. Rare exceptions may be authorized by a librarian.

(7) **Recalls:** A request for a patron to return circulating materials under conditions prescribed in WAC 132I-276-070.

(8) **Reserve material:** Materials placed under specially supervised circulation at special request of a Highline instructor.

(9) **Search:** A patron may request the library to make special efforts to locate a particular piece of library material.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-168A-030, filed 7/21/92, effective 8/21/92; Order 012, § 132I-168-030 (codified as WAC 132I-168A-030), filed 10/31/75.]

**WAC 132I-168A-040 Classification of materials.** Library materials may be divided generically into the following classes: Books, periodicals, microform, audio-tape material, video-tape material, slides, recordings, and vertical file materials. These genera may be additionally classified as circulating, of limited circulation or noncirculating, depending upon the content, demand and availability of the specific material, but not necessarily depending upon the form of the material. Because of a special interest in a material for a limited period of time, library materials may be placed in a "reserve" section for specially supervised circulation only at the request of an instructor. The director of the library may classify certain library materials as part of a special collection due to the rarity, condition, or some other degree of speciality of that material. Patrons should consult the office of the director of the library for any restrictions or particular conditions regarding the use of such materials.

[Order 012, § 132I-168-040 (codified as WAC 132I-168A-040), filed 10/31/75.]

**WAC 132I-168A-050 Borrower classification.** Consistent with a community college being the symbol of a community's recognition of the value of education, the library acts as Highline college's emissary to all those acknowledging that value and actively seeking it. Within this principle are readily identifiable groups that have

varying demands upon existing facilities. These groups are as follows:

- (1) Currently enrolled students
- (2) All faculty and staff of Highline Community College
- (3) The community at large which includes former students and graduated alumni
- (4) Other libraries

Patrons wishing to retain anonymity against future searches of library records may make special arrangements to check out materials on a disposable book card. Books, packages, briefcases and similar receptacles are subject to inspection upon leaving the library. Library privileges may be refused to patrons who repeatedly cause disturbances and have been forewarned of the possibility of such action.

[Order 012, § 132I-168-050 (codified as WAC 132I-168A-050), filed 10/31/75.]

**WAC 132I-168A-060 Periods of circulation.** Printed materials in the Highline Community College library are available to borrowers under the following guidelines. The established loan time period for circulating materials is based upon anticipated demand and is so established by the director of the library and his staff. This schedule is based on a circulation period of two weeks starting from the Wednesday following the borrowing date. Circulation periods are subject periodic review by the director and his staff. Certain library materials, because of their high demand, the high degree of readily accessible facts and information, their essential capacity as a means to greater information sources or due to the specific nature of their form, may be designated as noncirculating by the library. Listening-language lab materials are classified as noncirculating. Materials classified as noncirculating do not circulate without the permission of a librarian. Two renewals, each of a two-week duration, are permissible unless someone has requested the material. Further renewals are subject to the discretion of the office of the director of the library. Overdue materials may be renewed in accordance with these procedures. Telephone renewals are permissible. Vertical file materials are subject to the same regulations as stated above except that the circulation period is three library days. Audio-visual materials circulate for three days through an instructor at the college. All periodicals (except the most recent issue of each title) may circulate for a three-day period. Renewals of periodicals are subject to the same regulations concerning renewals of other printed materials except that the length of renewal for periodicals is equal to the length of the original circulating period and that periodicals may only be renewed once.

[Order 012, § 132I-168-060 (codified as WAC 132I-168A-060), filed 10/31/75.]

**WAC 132I-168A-070 Holds, recalls and searches.**

(1) Holds:

(a) Reserve materials: Faculty members (only) may request that certain library materials be placed on "reserve" for restricted circulation periods of two hours, twenty-four hours, or three days. Library patrons may check out only one reserve item at a time unless special permission to use more than one reserve item has been obtained from a librarian, a circulation technician or from the instructor who

placed the items on reserve. Reserve materials may not be renewed without special permission from a librarian or from the instructor requesting the materials held for reserve. Materials must remain available for others to use for at least one hour from the time of return.

(b) Materials placed on regular "hold": A patron may request a hold placed on any circulating material except reserve materials. Book materials on "hold" circulate under the rules and regulations governing regular library materials except that they must be checked out before they are allowed from the hold section (circulation desk).

(2) Recalls: After a patron has requested that a certain material be placed on "hold," that material may be recalled any time after the initial circulation period has ended. Material placed on long-term loan may be recalled at any time. Materials needed to facilitate an instructor's reserve request may be recalled at any time. Materials checked out to noncollege patrons but needed for use by on-campus patrons may be recalled at any time.

(3) Searches: When a patron has been unable to locate a particular item in the library, a "search" for that item may be requested by filing appropriate search forms obtainable from the circulation desk or the office of the director of the library.

[Order 012, § 132I-168-070 (codified as WAC 132I-168A-070), filed 10/31/75.]

**WAC 132I-168A-080 Return of library materials.**

The library considers materials returned as of the date such materials are found in any of the library receiving points. Reserve, overnight, reference and special collection materials are considered returned when received at the point of circulation. After-hours receiving points are emptied when the library reopens on the following day. Materials found there will be considered as returned as of closing time the previous day. Equipment must be returned to the location from which it was circulated.

[Order 012, § 132I-168-080 (codified as WAC 132I-168A-080), filed 10/31/75.]

**WAC 132I-168A-090 Schedule of fines and charges.**

(1) Fines. The schedule of fines and charges is posted at the circulation desk and is available through the office of the director of the library. All patrons are subject to uniform application of this schedule. There are no fines levied for overdue materials that are in regular circulation. Fines are charged for overdue reserve, overnight, reference and special collections materials as follows:

(a) For materials under two to twenty-four hour circulation, fines are levied at a rate of \$.25/library hour up through the first four hours inclusive and \$.10/library hour thereafter.

(b) For materials under three-day loan, fines are levied at a rate of \$.50/library day.

(c) For periodicals, fines are levied at a rate of \$.25/library day per item up to a maximum of \$2.00.

(2) Damage and replacement charges.

(a) Damage charges for all library materials, regardless of classification, will reflect the cost of repair but will not exceed the cost of replacement. Damages to special collection materials will be determined by the director of the

library of his delegate. Charges for damaged reprints reflect the current copy-machine rates.

(b) Replacement charges are \$2.00 over the current list price of the lost or missing item. This rate for replacement applies to all library materials except:

(i) Vertical file materials which are assessed at \$2.00 per item;

(ii) Special collection materials which are assessed as determined by the director of the library or his delegate, and;

(iii) Periodical materials which are assessed at \$2.00 above the current list price for each periodical in addition to which bound periodicals will have an additional charge levied to reflect the cost of replacement and the cost of binding in volumes.

(3) Notification of overdue materials will be by mail to the address listed on the book card, registration roster or in the office of the registrar. Notice of materials placed on reserve may be by telephone and/or by mail. Responsibility for correct address information lies with the patron exclusively.

(4) Anyone owing over a total of \$50.00 in fines, damages and/or replacement charges shall have library privileges withheld as notified, in writing, by the director of the library or his delegate.

(5) Failure to return library materials and/or to settle disputes concerning fines, damages or replacement fees by the end of the quarter during which the material was circulated or the fine or fee was incurred may result in having library privileges suspended until the dispute is satisfactorily settled.

(6) Fines accrue from the first day or hour such materials are overdue.

(7) Failure to accommodate a library hold or recall effort may result in fines or similar appropriate disciplines.

(8) College employees who are terminating their employment at Highline Community College may have outstanding fines and/or charges deducted from final paychecks or may have final paychecks withheld until charges are paid.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-168A-090, filed 7/21/92, effective 8/21/92; Order 012, § 132I-168-090 (codified as WAC 132I-168A-090), filed 10/31/75.]

#### **WAC 132I-168A-100 Appeals of fines and charges.**

(1) Library patrons wishing to appeal fines and/or charges assessed by the library may do so by completing library forms found at the circulation desk. Completed forms are to be filed with a librarian at the circulation desk. Failure to file this form within twenty library days of the assessment of the fine or charge in question or within twenty days of the time the library patron was made aware of the fine or should have been aware of the fine shall be deemed a waiver of the right to appeal.

(2) Upon receipt of a properly filed request for a brief adjudicative proceeding, the librarian shall conduct a hearing. Within ten days of such hearing, the librarian shall serve the patron with an initial order either upholding or denying the patron's appeal. Such order shall comply with the requirements of RCW 34.05.485 and WAC 10-08-210.

(3) If the initial order is considered unsatisfactory, the library patron may file an appeal with the appropriate dean

or his or her designee. Such request shall be made in writing, shall clearly state the grounds for the appeal, and shall be postmarked within twenty-one days of the date of service of the initial order. Failure to file this request within twenty-one library days shall be deemed as acceptance of the disposition proposed by the director.

(4) The dean's decision shall be final.

**WAC 132I-280-010 Confidentiality of student records.** The college continually receives requests from outside sources for information about students, both past and present. The staff and faculty of the college are reminded that 20 U.S.C 1232(g) the Family Educational Rights and Privacy Act of 1974 directs the college to adopt a policy on student education records to insure that information contained in such records is treated in a responsible manner with due regard to the personal nature of the information contained in those records. In order to prevent embarrassment or possible legal involvement of the college and its employees because of improper disclosure of information, it is important that college policy be implemented in the release of such information.

**WAC 132I-280-015 Definition of a student.** A student is defined as any person who is or has been officially registered at Highline Community College and with respect to whom the college maintains education records or personally identifiable information.

**WAC 132I-280-020 Education records—Student's right to inspect.** (1) A student has the right to inspect and review his or her education records.

(a) For purposes of this section the term "education records" means those records, files, documents, and other materials which contain information directly related to a student.

(b) The term "education records" does not include:

(i) Records of instructional, supervisory, and administrative personnel which exist solely for the use of the maker and which are not accessible or revealed to any other person except a substitute.

(ii) In the case of persons who are employed by an educational institution but who are not attending that institution, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for any other use.

(iii) Records on a student which are created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional capacity, or assisting in that capacity and which are created, maintained, or used only in connection with the treatment of the student, and are not available to anyone other than persons providing such treatment; provided, however, that such records can be personally reviewed by a physician or other appropriate professional of the student's choice.

(2)(a) Recommendations, evaluations, or comments concerning a student that are provided in confidence, either expressed or implied, as between the author and the recipient, shall be made available to the student, except as provided in (b), (c), and (d) of this subsection.

(b) The student may specifically release his right to review where the information consists only of confidential recommendations respecting:

(i) Admission to any educational institution; or

(ii) An application for employment; or

(iii) Receipt of an hour or honorary recognition.

(c) A student's waiver of his or her right of access to confidential statements shall apply only if:

(i) The student is, upon request, notified of the names of all persons making confidential statements concerning him; and

(ii) Such confidential statements are used solely for the purpose for which they were originally intended; and

(iii) Such waivers are not required as a condition for admission to, receipt of financial aid form, or receipt of any other services or benefits from the college.

(d) Recommendations, evaluations, or comments concerning a student that have been provided in confidence, either expressed or implied, as between the author and the recipient, prior to January 1, 1975, shall not be subject to release under (a) of this subsection. Such records shall remain confidential and shall be released only with the consent of the author. Such records shall be used by the institution only for the purpose for which they were originally intended.

(3) Where requested records or data include information on more than one student, the student shall be entitled to receive or be informed of only that part of the record or data that pertains to the student.

(4) Students have the right to obtain copies of their educational records. Charges for the copies shall not exceed the cost normally charged by the college (except in cases where charges have previously been approved by the board of trustees action for certain specified services, such as transcripts and grade sheets).

(5) The college registrar is the official custodian of academic records and therefore is the only official who may issue a transcript of the student's official academic record.

(6) Student education records may be destroyed in accordance with a department's routine retention schedule. In no case will any record which is requested by a student for review in accordance with this section and WAC 132I-280-025 be removed or destroyed prior to providing the student access.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-280-020, filed 7/21/92, effective 8/21/92.]

**WAC 132I-280-025 Requests and appeal procedures.** (1) A request by a student for review of information should be made in writing to the college individual or office having custody of the particular record.

(2) An individual or office must respond to a request for education records within a reasonable period of time, but in no case more than thirty days after the request has been made. A college individual or office which is unable to comply with a student's request within the above-stated time period shall inform the student of that fact and the reasons in writing.

(3)(a) A student who feels that his or her request has not been properly answered by a particular individual or office or who feels that the information contained in those records is incorrect should contact the appropriate dean responsible for the individual or office for mediation.

(b) In cases where a student remains dissatisfied after consulting with the appropriate dean the student may then

request a hearing by the president or his or her designee(s). Following the hearing, the hearing officer shall render his or her decision within a reasonable period of time. In all cases the decision of the hearing officer shall be final.

(c) In no case shall any request for review by a student be considered by the college which has not been filed with that body in writing within ninety days from the date of the initial request to the custodian of the record.

(d) The college shall not review any matter regarding the appropriateness of official academic grades beyond that provided for in WAC 132I-120-427, et seq.

**WAC 132I-280-030 Release of personally identifiable records.** (1) The college shall not permit access to or the release of education records or personally identifiable information contained therein, other than "directory information" without the written consent of the student, to any party other than the following:

(a) College staff, faculty, and students when officially appointed to a faculty council or administrative committee, when the information is required for a legitimate educational interest within the performance of their responsibilities to the college, with the understanding that its use will be strictly limited to the performance of those responsibilities.

(b) Federal and state officials requiring access to education records in connection with the audit and evaluation or a federally or state-supported education program or in connection with the enforcement of the federal or state legal requirements which relate to such programs. In such cases the information required shall be protected by the federal or state official in a manner which will not permit the personal identification of students and their parents to other than those officials and such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation, or enforcement of legal requirements.

(c) Agencies or individuals requesting information in connection with a student's application for, or receipt of financial aid.

(d) Organizations conducting studies for or on behalf of the college for purposes of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations, and such information will be destroyed when no longer needed for the purposes for which it was provided.

(e) Accrediting organizations in order to carry out their accrediting functions.

(f) Any person or entity designated by judicial order or lawfully issued subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of the compliance therewith. Any college individual(s) or office(s) receiving a subpoena or judicial order for education records shall immediately notify the assistant attorney general for the college before releasing the documents.

(2) Where the consent of a student is obtained for the release of education records, it shall be in writing, signed

and dated by the person giving such consent, and shall include:

(a) A specification of the records to be released;

(b) The reasons for such release; and

(c) The names of the parties to whom such records will be released.

(3) In cases where records are made available without student release as permitted by subsection (1)(b), (c), (d), (e), and (f) of this section, the college shall maintain a record kept with the education record released which will indicate the parties which have requested or obtained access to a student's records maintained by the college and which will indicate the legitimate interest of the investigating party. Releases in accordance with subsection (1)(a) of this section need not be recorded.

(4) Personally identifiable education records released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released in a personally identifiable form to any other parties without obtaining consent of the student.

(5) The term "directory information" used in subsection (1) of this section is defined as a student's name, address, telephone number, dates of attendance, and degrees and awards received. Students may request that the college withhold directory information through written notice to the registration office.

(6) Information from education records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person(s).

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-280-030, filed 7/21/92, effective 8/21/92.]

(2)(a) A student who believes that information contained in his or her educational records is inaccurate or misleading or violates his or her privacy may request that the college amend these records.

(b) The college shall decide within ten working days of a student's request to amend records whether or not it will amend those records.

(c) If the college decides to refuse to amend the educational records of the student according to his or her request, it shall so inform the student of the refusal and advise the student of the right to a hearing.

(d) The student feeling aggrieved by a denial of his or her request to amend educational records may file an appeal requesting a formal adjudicative proceeding before the president or their designee.
