- (d) Deny access if the record is exempt from public inspection under WAC 132M-110-050 as determined by RCW 42.17.310.

[Order 1-75, § 132M-110-080, filed 11/10/75.]

WAC 132M-110-090 Copying. No fee shall be charged for the inspection of public records. The college shall charge a minimum fee of twenty-five cents per page of copy for providing copies of public records. In the event the

copying of public records would unreasonably burden existing personnel of the college, or additional personnel and/or equipment would have to be added because of the request(s) for copying the public records, then a reasonable charge may be added to the twenty-five cents per copy minimum to reflect the cost for additional personnel or equipment. The increased cost shall be determined by the records officer and shall be stated on the form requesting the copying of public records when the same request is approved by the records officer. In any case where the records officer estimates that the cost of duplication of a request will exceed ten dollars, then he may at his discretion require an advance payment of all or a percentage of the cost estimate prior to complying with the request for duplication. When, in the opinion of the records officer, it would be less expensive or more practical to duplicate public records by contract with a printing company, then the records officer shall have the authority to do the same and the actual cost of the printing shall be paid by the person requesting the duplication.

[Order 1-75, § 132M-110-090, filed 11/10/75.]

WAC 132M-110-100 Exemptions. (1) The college reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 132M-110-080 is exempt under the provisions of chapter 42.17 RCW.

(2) In addition, pursuant to RCW 42.17.260, the college reserves the right to delete identifying details when it makes available or publishes any public record, in any case when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 42.17 RCW. The records officer and/or his designee will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

[Order 1-75, § 132M-110-100, filed 11/10/75.]

WAC 132M-110-110 Review of denials of public records. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the records officer and/or his designees which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the records officer and/or his designee denying the request shall refer it to the college president. The college president or his designee shall immediately consider the matter and either affirm or reverse such denial or consult with the attorney general to review the denial. In any case, the request shall be returned with a final decision within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the college has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

[Order 1-75, § 132M-110-110, filed 11/10/75.]

WAC 132M-110-120 Protection of public records. Requests for public records shall be to the agency records officer and/or his designees in the appropriate locations on the campus. Public records and a facility for their inspection will be provided by the records officer and/or his designees. Such records shall not be removed from the place designated for their inspection. Copies shall be made only at Lower Columbia College. If copying facilities are not available at the college, the college will arrange to have copies made commercially according to the provisions of WAC 132M-110-090.

[Order 1-75, § 132M-110-120, filed 11/10/75.]

WAC 132M-110-130 Records index. (1) The records officer and/or his or her designee has available to all persons a current index which provides identifying information as to those records promulgated and indexed since June

30, 1972, pursuant to RCW 42.17.260. The records officer shall be located in the Personnel Office, Lower Columbia College, 1600 Maple Street, Longview, WA 98632. The college's schedule for revising and updating the index may be obtained by contacting the records officer.

(2) The index shall reference records by one or more of the following classifications: Date of implementation, subject matter, or organizational unit.

(3) The current index promulgated by the district shall be available to all persons under the same rules and on the same conditions as are applied to public records available for inspection.

WAC 132M-113-010 Student's access to records.

(1) When a student enrolls at the college and submits the required data for academic and personal records, there is an assumption of trust placed in the college as custodian of this data. The college policy is that "education records," as defined at 20 U.S.C. § 1232g(a)(4), shall remain confidential, except as otherwise specified in this chapter. (f) Any person or entity designated by judicial order or lawfully issued subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of the compliance therewith. WAC 132M-120-010 General policy. (1) The college is dedicated not only to learning and the advancement of knowledge but also to the development of ethically sensitive and responsible persons. It seeks to achieve these goals through a sound educational program and policies concerning conduct which encourage independence and maturity while strengthening the spirit of mutual cooperation and responsibility shared by all members of the college community.

(2) In keeping with these objectives the college, to the extent appropriate and feasible, shall pursue the same policies with regard to maintaining standards of behavior for students.

(3) The college distinguishes its responsibility for student conduct from the control functions of the wider community. When a student has been apprehended for the violation of a law of the local community, the state, or the nation, the college will not request or agree to special consideration for the student because of his/her status as a student. Where the violation occurred on college facilities or at a college-sponsored event, the student apprehended shall be held accountable to the provisions of this chapter and the proceedings of the appropriate law enforcement agencies shall have no bearing on the outcome of the college proceedings. The college will cooperate fully, however, with law enforcement agencies, and with other agencies on any program for the rehabilitation of the student.

(4) The college may apply sanctions or take other appropriate action when student conduct materially and substantially interferes with teaching, freedom of movement, or other lawful activities of the college campus.

(5) Procedural due process is basic to the proper enforcement of all college rules.

(6) In particular, no disciplinary sanction shall be imposed without notice to the accused of the nature of the charges. A student accused of violating this code of student rights and responsibilities is entitled, upon request, to procedural due process as set forth in this chapter.

(7) Students shall have an opportunity to participate in the formulation of all policies and rules pertaining to student conduct and in the enforcement of all such rules.

(8) Rules and sanctions affecting the conduct of men and women shall be based on general principles of equal treatment, including like penalties for like violations.

(9) All rules adopted herein concerning student conduct and discipline shall apply to every student whenever said student is engaged in or present at any college-sponsored activity whether occurring on or outside of college facilities.

(10) Faculty members, other college employees, and members of the public who breach or aid or abet another in the breach of any provision of this chapter shall be subject to:

- (a) Possible prosecution under the state criminal law;
- (b) Any other civil or criminal remedies available to the public; or
- (c) Appropriate disciplinary action pursuant to the state of Washington higher education personnel board rules, the district's tenure rules and policies, or other applicable district policies.

(1) Disciplinary warning. Written notice to a student by the dean that he/she has violated the rules of conduct as outlined in this chapter or has otherwise failed to meet the college's standards of conduct. Such warnings shall indicate that continuation or repetition of the specific conduct involved or engaging in other misconduct will normally result in one or more of the serious disciplinary actions described below.

(2) Reprimand. Formal action censuring a student for violating the rules of conduct as outlined in WAC 132M-120-040. Reprimands shall be made in writing to the student by the dean. A reprimand shall indicate to the student that continuation or repetition of the specific violation involved will result in one of the more serious disciplinary actions described below.

(3) Restitution. Reimbursement for damage, misappropriation of or loss to college or other property, and for injury to persons. Failure to make restitution within thirty days shall result in dismissal for an indefinite period of time as set forth below: *Provided*, That the student may be reinstated upon payment.

WAC 132M-120-100 Appeals. (1) Appeals contesting any disciplinary actions may be made by the student(s) involved, in the following order:

(a) Appeals from disciplinary action taken by the dean or his/her designee may be appealed within five academic calendar days to the student hearing and grievance committee, which may, at the request of the student(s), hear the case *de novo*.

(b) Disciplinary recommendations made by the student hearing and grievance committee may be appealed to the president of the college within ten academic calendar days following notification of the action taken by the student hearing and grievance committee. In the consideration of such an appeal, the president shall base his/her decision only on the official written record of the case and on any reports or recommendations of the dean and the student hearing and grievance committee. The president may, at his/her discretion, suspend any disciplinary action pending determination of the merits of the findings, conclusions, and disciplinary actions imposed. The president may either attach written concurrence to the recommendation of the student hearing and grievance committee; impose a lesser sanction than that recommended by the student hearing and grievance committee; terminate the proceeding and exonerate the student or students; or dismiss the case after whatever counseling and advice may be appropriate. The decision of the president shall be final; no further appeal within the college is provided.

(2) Appeals must be in writing, filed within ten working days from the date on which the student was notified that disciplinary action was being taken, and must clearly state errors in fact or matters in extenuation or mitigation which justify the appeal.

(3) All appellate decisions shall be sent from the office of the dean. Written decisions shall include the signatures of the student hearing and grievance committee or college president.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-100, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-110 Hearing procedures before the student hearing and grievance committee. (1) The student hearing and grievance committee shall hear all disciplinary cases where a student appeals a decision of the dean in accordance with the grievance procedure.

(2) The student has a right to a fair and impartial brief adjudicative proceeding before the student hearing and grievance committee on any charge of violating the rules of conduct. The student's failure to cooperate with the proceedings, however, shall not preclude the committee from making its findings of fact, conclusions, and recommendations. Failure by the student to cooperate may be taken into consideration by the committee.

(3) The presiding officer shall be selected from the committee members and shall exercise the powers and duties usually granted to the presiding officer of a judicial body including but not limited to the power to make rulings on all evidentiary and procedural matters heard in the course of the disciplinary hearing.

(4) If any member of the student hearing and grievance committee is unable to consider a particular disciplinary proceeding for any reason (including but not limited to conflict of interest, matters of conscience, or related reasons), such members shall abstain from considering the issues. The presiding officer shall make temporary appointments where members abstain.

(5) A quorum shall be required for all proceedings and shall consist of the presiding officer and at least two committee members.

(6) Written notice of the time and place of the proceedings before the student hearing and grievance committee shall be given to the student by personal service or certified mail. Such notice shall be afforded not less than ten calendar days in advance and shall be issued by the office of the dean. The notice shall include:

(a) A statement of the time, place, and nature of the disciplinary proceeding;

(b) A statement of the charges, including reference to the particular sections of the rules of conduct involved; and

(c) To the extent known, a list of witnesses who will appear and a summary description of any documentary or other physical evidence which will be presented by the college at the proceeding.

(7) The student shall be entitled to:

(a) Hear and examine the evidence brought forward and be informed of the identity of its source;

(b) Present evidence in the student's own behalf and to cross-examine witnesses testifying against the student as to factual matters; and

(c) Obtain information, provided that the requests for such information are specifically described in writing and tendered to the dean no later than three days prior to the proceeding, or to request the presence of witnesses or the

production of other evidence relevant to the issues of the proceeding.

(8) The student may be represented by counsel of choice at the disciplinary proceeding. If the student elects to choose a duly licensed attorney admitted to practice in the state of Washington as counsel, notice thereof must be tendered by the student to the dean at least five working days prior to the proceeding.

(9) In all disciplinary proceedings, the college may be represented by a designee appointed by the dean. That designee may then present the college's case against the student accused of violating the rules of conduct: *Provided*, That in those cases in which the student elects to be represented by a licensed attorney, the dean may elect to have the college represented by an assistant attorney general.

(10) An adequate summary of all the evidence and facts presented to the committee during the course of the proceedings shall be taken. A copy shall be available at the office of the dean.

(11) Proceedings conducted by the student hearing and grievance committee shall be held in closed session except when a student requests that the proceedings be held in open session. If at any time during the conduct of a proceeding visitors disrupt the proceeding, the presiding officer of the committee may exclude such persons from the proceeding room.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-110, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-120 Evidence admissible in proceedings. (1) Only those matters presented at the proceeding, in the presence of the accused student, except where the student fails to attend after receipt of proper notice, will be considered by the student hearing and grievance committee in determining whether there is sufficient cause to believe that the accused student violated the rules as charged. Hearsay evidence is admissible.

(2) The members of the committee shall give probative effect to evidence which possesses probative value commonly accepted by reasonable, prudent persons in the conduct of their affairs.

(3) The presiding officer of the committee shall, in the course of the proceeding, give effect to the rules of privilege recognized by law and exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-120, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-130 Decision by the student hearing and grievance committee. (1) Upon conclusion of the disciplinary proceeding, the committee shall consider all the evidence therein presented and decide by majority vote whether to uphold the decision of the dean, overrule the decision of the dean, or to recommend any other sanction deemed appropriate under the circumstances to the president: *Provided*, That no additional sanction may be recommended if the decision of the dean is upheld.

(2) Within thirty days following the conclusion of the proceeding, the student will be provided with a copy of the committee's findings of fact and conclusions regarding what occurred and whether the student violated any rule or rules

of the code of conduct. The committee shall also advise the student of his/her right to present, within ten working days, a written statement to the president of the college appealing the decision of the student hearing and grievance committee.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-130, filed 4/17/92, effective 5/18/92.]

SUMMARY SUSPENSION

WAC 132M-120-200 Summary suspension procedures. (1) As a general rule, disciplinary sanctions will be imposed only after appropriate proceedings have taken place and after the student has, if he/she so chooses, exercised the right to appeal. However, if the dean or his/her designee has cause to believe that the student:

- (a) Has committed a felony; or
- (b) Has violated any provision of the student conduct code; and
- (c) Presents an imminent danger either to himself or herself, other persons on the campus, or to the educational process, that student may be summarily suspended pending investigation, action, or prosecution on charges of alleged student conduct code violation.

(2) Any student summarily suspended shall be notified by certified and regular mail at the student's last known address or shall be personally served. The notice shall be entitled "notice of summary suspension" and shall state:

(a) The charges against the student including reference to the provisions of WAC 132M-120-040 or statutory law involved; and

(b) That the student charged must appear before the dean or his/her designee at a time specified in the notice for a summary suspension proceeding.

(3) The summary suspension proceeding shall be held as soon as possible after the summary suspension. The dean shall determine whether there is probable cause to believe that continued suspension is necessary and/or whether some other disciplinary sanction is appropriate.

(4) If the dean, following the summary suspension proceeding, finds that there is probable cause to believe that:

(a) The student against whom specific violations are alleged has committed one or more such violations;

(b) Summary suspension of that student is necessary for the safety of the student, other students or persons on college facilities, the educational process of the institution, or to restore order to the campus; and

(c) Such violation or violations constitute grounds for disciplinary action as provided for in WAC 132M-120-040, then the dean may continue to enforce the suspension of the student from college and may impose any other disciplinary sanction deemed appropriate.

(5) If the student has been served pursuant to the notice required in WAC 132M-120-200 and fails to appear at the time designated for the summary suspension proceeding, the dean may, with the written concurrence of the president, suspend the student for a maximum of ten academic calendar days.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-200, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-210 Notice of summary suspension.

(1) If a student's summary suspension is upheld or if the student is otherwise disciplined, the student will be provided written notice of the decision, as expressly concurred in by the president, including the dean's findings of fact and conclusions which lead the dean to believe that summary suspension should continue.

(2) The student suspended pursuant to the authority of this rule shall be served a copy of the notice of suspension by personal service or by certified and regular mail at the student's last known address within three working days following conclusion of the proceeding before the dean.

(3) The notice of suspension shall specify the duration of the suspension or the nature of the disciplinary action and the conditions under which the suspension may be terminated.

(4) During the period of summary suspension, the suspended student shall not enter the campus other than to meet with the dean or to attend the summary suspension proceeding. However, the dean may grant the student special permission to enter for the express purpose of meeting with faculty, college personnel, or students in preparation for the proceeding.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-210, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-220 Appeals from summary suspension.

(1) Any student aggrieved by an order issued at the summary suspension proceeding may appeal to the student hearing and grievance committee. No such appeal shall be heard, however, unless:

(a) The student has first appeared before the dean at the proceeding set forth in WAC 132M-120-200;

(b) The student has been officially notified of the outcome of that proceeding;

(c) Summary suspension or another disciplinary sanction has been upheld; and

(d) The appeal conforms to the requirements set forth in WAC 132M-120-100(2).

(2) The student hearing and grievance committee shall, within five working days, conduct a brief adjudicative proceeding according to the provisions of WAC 132M-120-110. Appeals from summary suspension shall take precedence over other matters before the committee.

(3) The president or his/her designee shall review the findings and conclusions of the dean in conjunction with the recommendations of the student hearing and grievance committee and will issue a final decision within three days.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-220, filed 4/17/92, effective 5/18/92.]

ACADEMIC GRIEVANCES

WAC 132M-120-300 Student grievances. (1) The purpose of WAC 132M-120-300 through 132M-120-320 is to protect each student's freedom of expression in the classroom and to protect each student from improper, arbitrary, or capricious academic evaluation as evidenced by the student's final course grade.

(2) A student may not invoke the provisions of these sections as the basis for filing a grievance based on the

outcome of summary or other disciplinary proceedings described in previous sections of this student conduct code.

(3) Federal and state laws, rules, and regulations, in addition to policies, regulations, and procedures adopted by the state board for community and technical colleges, shall not be grievable matters.

(4) Students shall use chapter 132M-300 WAC for grievances pertaining to sexual discrimination or discrimination based upon handicap.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-300, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-310 Grievance procedures. (1) Initiating the grievance process. If a student believes he/she has been unfairly treated by an officer of the college, faculty member, or a member of the college staff, the student shall first discuss the matter with the individual toward whom the grievance is directed. The purpose of this discussion should be to clarify the perceived problem and request specific action designed to resolve the problem.

(2) Proceeding with a formal grievance.

(a) If, within ten academic calendar days following the student's attempt to resolve the grievance in the manner described above, the student feels a satisfactory resolution has not been achieved, the student may file a formal grievance with the appropriate dean. If the grievance is lodged against the office of the dean, the president shall designate another operational dean as the grievance officer.

(b) The grievant shall present his/her grievance in writing and shall include a statement specifying the nature of the grievance, a summary of actions taken by the student to resolve the grievance up to that point, and any proposed solution to the problem the grievant may wish to offer. In cases of academic grievances, the student shall present his/her grievance in writing to the dean and, where appropriate, indicate the grade received in the course in question, together with the reason for the grade complaint, specifying as accurately as possible all necessary performance scores and attendance data.

(c) The appropriate dean will attempt to resolve the problem within ten working days by arranging a meeting with the student and the faculty or staff member to bring about a resolution that is satisfactory to all concerned parties. In the case of an academic grievance, the dean will arrange such a meeting with the student and/or the appropriate instructional administrator.

(d) If the proceeding with the dean does not resolve the grievance to the student's satisfaction, the dean may request, in the case of academic grievances, that the academic standards committee hear the grievance; or, in all other grievances heard under this section, the student may appeal to the student hearing and grievance committee by submitting a written petition to the chairperson of that committee within ten academic calendar days of receiving the decision of the dean.

(3) Procedures of the committee.

(a) The proceeding before the academic standards committee shall not be considered a formal hearing. Any witnesses may be called and testimony heard as needed to reach a prompt, fair resolution of the grievance.

(b) All proceedings arising from student-initiated grievances, including appeals to the president shall remain closed unless all parties to the grievance agree on an open proceeding.

(4) Decisions.

(a) The academic standards committee shall make a recommendation in writing to the president within thirty days of receiving the appeal.

(b) The recommendation shall be reviewed by the president, who may dismiss the case after whatever counseling and advice may be appropriate or may amend, modify, refuse, or accept the recommendation. However, the president may not impose a greater sanction than that recommended by the academic standards committee. The decision of the president shall be final, and no further appeal within the college is provided.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-310, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-320 Withdrawal of grievance. (1) At any time during the grievance procedure, the grievant may officially withdraw the grievance in writing. Further, any appeal of the dean's decision forwarded to the president may be officially withdrawn in writing at any time by the appellant.

(2) In the event the grievant or appellant fails to appear for any scheduled proceeding without prior notification or evidence of extenuating circumstances, this shall be considered to constitute withdrawal of the grievance or appeal.

WAC 132M-136-020 Distribution of materials policy. (1) Free expression is encouraged on the college campus. Use of college facilities as determined by the president and regulated by his/her designee, however, does not accord users immunity from legal action.

(2) Handbills, leaflets, newspapers, and similar material—except those which are commercial, obscene, or unlawful—may be distributed only in areas on the campus designated by the director of student programs where, and at times when, such distribution will not interfere with the orderly administration of the college, the ingress or egress of persons, or the free flow of traffic.

(3) Newspapers, leaflets, and similar material offered for sale by any student or nonstudent person or organization may be distributed and sold through the college bookstore as are other commercial forms of merchandise, subject to reasonable rules and regulations that may be imposed by the bookstore manager.

(4) All handbills, leaflets, newspapers, and similar material must bear identification as to the publishing agency and distributing organization or individual.

WAC 132M-136-030 Outside speaker policy. (1) The college subscribes to the proposition that an important aspect of the education of college students is the opportunity to listen to speakers representing a wide variety of opinions and beliefs on important public issues. In conformity with the American tradition of free speech and free inquiry, the following policies are established governing the appearance on campus of speakers not themselves members of the college community.

(2) Any recognized ASLCC student organization with written sanction of its advisor, may invite individuals to speak on campus.

(3) The appearance of an invited speaker on the campus does not involve an endorsement, either implicit or explicit, of his views by this college, its students, its faculty, its administration, or its board.

(4) The scheduling of facilities for hearing invited speakers shall be made through the dean of instruction and/or director of student activities.

(5) The dean of students will be notified at least three days prior to the appearance of an invited speaker, at which time a form, available in the office of the dean of students, shall be completed with such particulars as speaker, time, and place, signed by the sponsoring organization advisor, and filed with the dean of students. Exceptions to the three day ruling may be made by the director of student activities with the approval of the dean of students.

(6) The dean of students may require and arrange to have views other than those of the invited speaker represented at the meeting, or at a subsequent meeting. The president may, at his discretion, assign a faculty member to preside over any meeting where a speaker has been invited.

[Order 15, § 132M-136-030, filed 12/20/72.]

WAC 132M-136-050 Outside organizations meeting with students. (1) The college encourages and welcomes representatives of organizations not associated with the college to meet with students for the purpose of providing additional opportunities for their total educational development. However, the holding of such meetings on the campus does not constitute an endorsement of the organization by the college; nor will the college necessarily require or request students to attend the meeting or meetings.

(2) Any organization wishing to hold a meeting, or meetings, on the college campus with students shall contact the director of student activities and provide the following information

- (a) Name of sponsoring organization
- (b) Name of person in charge of arrangements
- (c) Names of participating individuals
- (d) Nature of proposed meeting
- (e) Desired dates and times
- (f) Type of facilities desired

(3) The director of student activities will present the request to the student services council. If approved, the director of student activities, after conferring with appropriate college officials, will contact the requesting organization to complete the arrangements.

(4) When meetings have been approved in accordance with the procedures outlined, the college will provide suitable space not being used for regular college activities, and arrange for announcements of the meeting to be made through the college's normal communication media.

[Order 15, § 132M-136-050, filed 12/20/72.]

WAC 132M-136-060 Use of college facilities. (1) The policy of the college is to permit the use of its facilities by responsible organizations or groups on a space available basis except when the use of such facilities is for the purpose of:

- (a) Making a profit and is in competition with available privately owned facilities.
- (b) Political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.
- (c) Religious groups, as a permanent meeting place, under any circumstances. Such use shall be intermittent only.

(2) The president may allow persons or organizations other than college faculty, staff, or recognized student

organizations use of college facilities when satisfactory arrangements can be worked out and such use does not conflict with the educational programs being offered by the college or with the maintenance and repair programs of the college. Authorization to persons or organizations other than college faculty, staff, or recognized student organizations for use of college facilities is granted with the express understanding and condition that such persons or organizations assume full responsibility for any loss, damage, or claims arising out of such use. The president or his/her designee may require proof of appropriate liability insurance coverage or posting of a bond prior to granting authorization for use of college facilities.

(3) The use of college facilities shall, in all instances, be determined and regulated by the policies of the institution.

(4) Nonprofit organizations such as, but not limited to, those directly concerned with public schools and those sponsored by public schools or affiliated organizations may be allowed reasonable use of college facilities without the payment of a rental fee. However, functions which require college personnel, other support services, or utilities, including heat, thereby resulting in additional costs to the college shall be charged for such costs accordingly.

(5) The college shall permit the use of its facilities to persons, groups, or organizations for such fees as will compensate for the reasonable costs thereof. Additionally, to any organization using college facilities with the intent of realizing a profit therefrom (through charging admission, taking up a collection, or other) rental fees to be determined by the president or his designee shall be charged.

(6) The president shall establish and revise, as circumstances warrant, a schedule of rental and/or other fees consistent with the policy outlined above and shall advise the board thereof. The established fees in effect at any given time shall apply to the facilities covered by the schedule. For those facilities which are not covered in the schedule, the president may determine reasonable fees from the relevant factors or decline them for noncollege use.

(7) Application is made through the office of the president or his designee. When the application is approved, an invoice shall be sent to the applicant by the business office. Full payment of appropriate fees, if any, or satisfactory payment arrangements are required prior to the actual use of the facilities.

(8) Special conditions and considerations for the use of specific college facilities may be set forth in board policies as now or hereafter amended.

(9) College facilities may not be used by groups or organizations which discriminate in their membership or limit participation in a manner inconsistent with the college's commitment to nondiscrimination as set forth in its written policies and rules.

(10) No person or group may use or enter college facilities having in their possession firearms or other weapons, even if licensed to do so, except duly appointed and commissioned law enforcement officers.

WAC 132M-136-100 Commercial activities. College facilities shall not be used for commercial solicitation, advertising, or promotional activities except when such activities clearly serve educational objectives, including but not limited to display of books of interest to the academic or career-oriented community or the display or demonstration of technical or research equipment, and when such commercial activities related to educational objectives are conducted under the sponsorship or at the request of a college department or of the dean for students or his/her designee: *Provided*, That such solicitation does not interfere with, or operate to the detriment of, the conduct of college affairs or the free flow of pedestrian or vehicular traffic.

(iii) Following the hearing and within thirty calendar days of receiving the written request, the affirmative action officer will report his/her findings in writing to both the complainant and the person to whom the complaint has been directed.
