WAC 132N-20-010 Student responsibilities and standards of conduct. Admission to the college carries with it the presumption that students will conduct themselves as responsible members of the academic community. Thus, when they enroll in the college, students assume the obligation to observe standards of conduct which are appropriate to the pursuit of educational goals.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-010, filed 8/2/88.]

WAC 132N-20-020 Authority. The board of trustees, acting pursuant to RCW 28B.50.140(14), has delegated (by written order) to the president of the college the authority to administer disciplinary action. Pursuant to this authority, the president, or designee, shall be responsible for the administration of the disciplinary procedures provided for herein. However, all disciplinary action in which there is a recommendation that a student be suspended shall be reviewed by the president or acting president.

Only where the institution's interests as an academic community are distinctly and clearly involved shall the special authority of the institution be asserted. Institutional action shall be based on the facts and circumstances of each case, and shall be independent of community pressure.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-020, filed 8/2/88.]

WAC 132N-20-030 Summary action. Nothing herein shall prevent faculty members or administrators from taking reasonable summary action to maintain order when they have reason to believe that such action is necessary for the physical safety and well-being of the student, or the safety and protection of other students or of college property, or when a student materially and substantially disrupts the educational process. Such summary action in the form of removal from the classroom or campus shall be effective for a period not to exceed two scheduled class days. The procedure for summary action which would result in removal from the classroom for more than two days is contained in WAC 132N-20-090.

Faculty and administrators shall maintain a written record of any summary action and a copy shall be filed with the dean of students and dean of faculty within two scheduled class days.

Any summary action may be appealed to the dean of students or designee for an informal hearing.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-030, filed 8/2/88.]

WAC 132N-20-040 Student participation. Students shall have an opportunity, through ASCC, to participate in the formulation of all policies and rules pertaining to student conduct.

Rules and sanctions affecting the conduct of men and women shall be based on general principles of equal treatment, including penalties for like violations.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-040, filed 8/2/88.]

WAC 132N-20-050 Violations. Disciplinary action may result from the commission of any of the actions listed below, or any violation of civil or criminal law while on college property or on a college-sponsored activity off campus where, in the judgment of the dean of students or designee, said commission affects suitability as a member of a college community. No disciplinary action shall be imposed on a student except in accordance with this chapter:

(12) Furnishing, purchasing, sale, possession, or consumption of alcoholic beverages (as defined by federal or state law) on college-owned or controlled property, or at a college or student organization supervised function. When these acts occur with the prior permission of the board of trustees or its authorized designee and under a permit issued by the state of Washington liquor control board or its

WAC 132N-20-060 Disciplinary hearing procedures.

(1) Allegations of misconduct which constitute a violation of this chapter shall be filed in the dean of students' office in writing. The notice shall state specifically the alleged violation and summarize the supporting evidence. Upon review and investigation, the dean of students or designee shall make preliminary findings regarding the alleged violation.

(2) Students charged with misconduct will meet with the dean of students or designee within twenty-four hours of notification excluding nonclass days. He/she will determine whether disciplinary action is required. The student will be informed of what provision or provisions of the code of student conduct he/she is charged with violating and what appears to be the maximum penalties, if any, which might result from a finding of violation in the disciplinary proceeding.

(3) The dean of students or designee shall be the primary person responsible for the initiation of disciplinary action for conduct which is prohibited pursuant to this code of student conduct and for violation of other college rules,

except for those rules which are the responsibility of the divisions and instructors hereafter enumerated:

(a) The division chair and the faculty of each division, shall be responsible for the administration of discipline, for the infraction of any rule relating to such student's academic program in that division;

(b) The instructor of each course shall be responsible for maintenance of order, security, and proper student conduct in a classroom. Such instructor shall be authorized to take any summary steps as may be necessary to preserve order and maintain effective cooperation of the class in fulfilling the objective of the course; and

(c) The classroom instructor may, for serious violation of classroom decorum or order, refer such violation to the chair of the division involved and such chair, through the dean of faculty, may request the dean of students or designee to initiate disciplinary action. (See WAC 132N-20-090 for procedure.)

(4) After considering the evidence in the case, and interviewing the student or students accused of violating the rules of student conduct, the dean of students or designee may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students;

(b) Dismiss the case after whatever counseling and advice may be appropriate;

(c) Impose minor sanctions (reprimand) directly;

(d) Recommend major sanctions, (probation, or suspension). See subsection (5) of this section.

(5) If major sanctions (probation or suspension) are deemed necessary, the dean of students or designee may recommend that the president impose a form of disciplinary action provided for in this chapter.

(a) In the event that the student wishes to contest the proposed disciplinary action, the student may request a hearing before a committee on student conduct by filing within three class days of the receipt of the proposed disciplinary action, a written request in the office of the president together with a written response to the findings and conclusions and proposed recommendation of the vice-president or designee. The disciplinary action shall be held in abeyance until the hearing procedure is completed, unless otherwise provided in this procedure. If the request for hearing is not filed within the prescribed time, it shall be deemed that the student accepts the disciplinary action.

(b) The committee on student conduct shall be convened not later than five class days after receipt of the student's request for hearing unless the student and the college mutually agree to a different time period. The committee on student conduct shall receive evidence and submit its recommendations to the president.

(c) The hearing shall be tape recorded and written findings and conclusions, along with the recommendation of the committee on student conduct shall be reviewed by the president. If the president or acting president concludes additional evidence should be taken, he/she may remand the matter to the committee for further proceedings. If the president is satisfied that the record is complete, he/she may confirm, reverse, or modify the recommendation of the committee on student conduct. The decision of the president shall be communicated to the student in a timely manner. The decision of the president shall be final.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-060, filed 8/2/88.]

WAC 132N-20-070 Committee on student conduct.

(1) The committee on student conduct shall conduct hearings as provided for herein regarding alleged violations of the code of student conduct. The committee will be convened whenever a student makes a written request to the president for a hearing to contest a proposed disciplinary action.

(2) The committee shall be appointed by the president. Vacancies on the committee shall be filled as they arise.

(3) The committee shall include:

(a) Two students nominated by the ASCC;

(b) Two persons nominated by the Clark College AHE faculty;

(c) One administrator appointed by the president.

Faculty members shall be appointed for overlapping two-year terms so that there will be continuity on the committee.

(4) A quorum shall consist of three members with at least one student member present.

(5) All committee members shall have voting rights.

(6) The committee shall select its chair and make additional rules for conducting hearings.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-070, filed 8/2/88.]

WAC 132N-20-080 Forms of disciplinary action.

The following are types of disciplinary action which may be taken pursuant to this chapter.

(1) **Reprimand:** An official reprimand serves to place on record that conduct in a specific instance does not meet the standards expected at the college. A person receiving a reprimand is notified that any future misconduct may result in further disciplinary action. He/she is further informed that records of reprimands are confidential property of the college and are destroyed two years after the last entry has been made concerning any disciplinary action. Such records are not considered part of a student's permanent file at the college.

(2) **Disciplinary probation:** The president or designee may restrict the college-related activities of individual students or groups of students as he/she deems necessary and feasible by placing them on disciplinary probation. Disciplinary probation may be imposed for a period not to exceed one academic year. Repetition, during the probationary period, of the conduct which resulted in disciplinary probation or a new violation may be cause for suspension or other disciplinary action.

(3) **Disciplinary suspension:** Disciplinary suspension for a specified period serves as a penalty against the student who violates the code of student conduct. A suspended student may not occupy any portion of the campus (including off-campus centers) and is denied all college privileges including class attendance during the period of the suspension. Disciplinary suspension requires the approval of the college president.

(4) **Summary suspension:** Summary suspension may be used to protect the college from the immediate possibility of disorder or threat to the safety of students, staff, or to protect against destruction or harm to college property. A

suspended student is not to occupy any portion of the campus and is denied all college privileges including class attendance. Summary suspension for the purpose of investigating the event or events in which the student or students were allegedly involved shall be for no more than two class days. However, it may be extended pending final disposition of the case if it is reasonably necessary for the safety of students or staff or for the protection of college property.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-080, filed 8/2/88.]

WAC 132N-20-090 Procedure for summary suspension. (1) The appropriate dean or designee may summarily suspend a student or students when he/she deems it necessary for the safety and welfare of the college. The president must be informed immediately following a summary suspension.

(2) Notification of the reason or reasons for a summary suspension and of the specific violations with which the student is being charged shall be sent by registered mail or delivered in person to the student and the student's parents if the student is under eighteen years of age. The notice will be addressed to the last known residence of the student within one class day of the summary suspension.

(3) A copy of this notice shall be given to the president.

(4) Upon receipt of the notification of summary suspension, the student may request a meeting with the dean of students or designee, and shall have the right to have that meeting within one class day of his/her request. At that time, the student may present any defenses, explanations, and/or mitigation of why the summary suspension should not be continued until a formal hearing can be held.

(5) After the meeting with the student and the student's parents (if student is under eighteen years of age), the dean of students or designee may make a decision to terminate the summary suspension; however, a summary suspension shall remain in full force and effect until such time as the dean of students or designee notifies the student in writing of the termination of summary suspension. A decision to terminate the summary suspension shall be made only if it appears that there are no grounds for continuing the summary suspension and no threat to the safety of persons on the campus or to college property or disruption of the educational process.

(6) The dean of students or designee shall, in any event, issue within five class days, his/her decision and proposal to the president regarding any additional disciplinary action to be taken against the student. A student shall be allowed to appeal from said proposed decision and to have a full hearing before the committee on student conduct, as provided in this chapter.

[Statutory Authority: Chapters 28B.50 and 28B.10 RCW. 88-16-068 (Order 88-01), § 132N-20-090, filed 8/2/88.]

Exemptions to the rental fee must be authorized by the president, or designee, if deemed to be in the best interests of Clark College, its faculty, staff or students.

College facilities may not be used for religious worship, exercise, or instruction (Washington state Constitution, Article 1, section 2). College facilities may not be used in ways which interfere with the college's teaching, research, public service or support programs or interfere with the flow of pedestrian or vehicular traffic.

The college reserves the right to deny any application or to revoke any permit at any time if actions resulting from such application or permission constitute unlawful activity or, if in the judgment of the administration, present imminent

danger of unlawful activity or, if a prospective user has previously violated the provisions of the Clark College User's Handbook, other written rules or regulations of Clark College, or if activities which, in the judgment of the president or designee conflict with, directly compete with, or are incompatible with the programs or mission of the college.

WAC 132N-144-020 Administrative procedures—Rental regulations (campus facilities). (1) Arrangements and conditions. Outside groups making arrangements to reserve facilities are to make them with the Student Programs Office, Gaiser Hall. Outside groups using campus facilities on weekends and school holidays must pay custodial services and appropriate rental charges for a minimum of four hours. The only exception will be when a faculty member or administrator is designated as the person responsible for damage or theft of equipment and/or facilities and no special clean-up or set-up services are required.

If special clean-up and/or set-up services are required, the outside group will be billed for extra custodial services.

The contractee shall accept full responsibility for liability claims of personal injury or personal theft, and shall be responsible to the college for any destruction, mutilation, theft or damage to college property. Every contract for the use of campus facilities shall contain a provision recognizing acceptance of responsibility.

The outside groups must name one person to be responsible for any theft or damage to equipment and/or facilities.

All reservation commitments will not be final until approved by the director of financial aid/student programs or designee.

Financial negotiations with regard to custodial expense and rental expense are the responsibility of the director of financial aid/student programs or designee.

Under normal circumstances, the college is obliged to charge a basic rental fee plus any "out-of-pocket" costs. However, related college groups may be allowed the use of facilities without charge at the discretion of college officials, provided the college is not liable for, or incurs any additional expense or liability by reason of said use. Under most circumstances any group, including college related groups (except student clubs or organizations) using facilities for fund raising activities will be required to pay the minimum rental fee.

(2) Food service. All food service shall be arranged with the foods program coordinator. In providing food service for any outside organization, the college will not compete with regular commercial enterprises able to provide such services.

(3) Supervision. A custodian or other authorized representative of the college must be on duty when facilities are being used by any organization. The student programs office is responsible for supervising all school events; club advisors are responsible for supervising club events; and a faculty or staff member is responsible for supervising or providing acceptable supervision of meetings or events

which he or she has scheduled. Ordinarily, faculty or staff members are responsible for the supervision of meetings or events sponsored by groups or organizations of which they are members and/or active supporters.

The college may hire one of its faculty or staff members to supervise a meeting or event not otherwise described in this subsection. The charge for such services will be added to the facilities use contract, along with the basic rental fee and "out-of-pocket" costs.

(4) Rental fee schedule. The fee schedule for rental of available college space shall be available in the student center office.

Rental rates for college organizations may differ from those charged for noncollege organizations and for usage which involves fund raising either through solicitation of donations or by admissions charge. The fee schedule shall be established by the board of trustees. The college reserves the right to change the rates without notice, provided that such changes shall also be available in the student center office.

These basic rental rates shall cover utilities except for off-period heating costs.

The director of financial aid/student programs or designee will normally require a signed contractual agreement.

Exceptions to the procedures in this section may be made by the president or designee.

INTRODUCTION

WAC 132N-156-300 Purpose. The parking and traffic rules and regulations contained herein provide a fair and uniform method of regulating college vehicular, nonvehicular, and pedestrian traffic and are based on the following objectives:

- (1) To protect and control vehicular, nonvehicular, and pedestrian traffic.
- (2) To assure access at all times for emergency equipment.
- (3) To minimize traffic disturbances during class hours.
- (4) To facilitate the work of the college by assuring access for college vehicles and by assigning the limited parking spaces to the most efficient use.
- (5) To protect college facilities.

Permission to park or operate a vehicle on college property is governed by these regulations. The purchase of a permit for designated parking does not ensure the regular availability of a parking space.
