[Title 253 WAC—page 6]

The authority reserves the right to change priorities and scheduling when the authority determines that a "first come, first served" priority scheduling is detrimental to the sale of another higher educational facility's bond issue or when conditions of health and safety or public benefit require a different priority.

The applicant shall be notified in writing of such conditions or requirements, which may include, but need not be limited to, the amendment of an application or proposed bond resolution in order to meet the availability of funds, changes in costs, or other purposes or circumstances which may enhance the ability of the authority or the applicant to complete the project or better serve the purposes and policies of the act. WAC 253-16-090 Selection of investment banking firms as underwriters. (1) The authority shall create and maintain a roster of underwriters who the authority believes possess the requisite special expertise and professional standing to provide bond marketing services which would be accepted by bondholders and other members of the financial

community, and which would be in furtherance of the public interest in marketing the authority's bonds at the lowest possible costs in Washington state as well as nationally.

(2) Any underwriter may apply to have its name placed on the roster. Each underwriter placed on the roster must be able to demonstrate current competence and experience in the structuring and sale of higher educational facility bond financing. In addition the underwriter must meet the following minimum standards:

(a) The firm must have a minimum equity capital of five million dollars; and

(b) The firm must currently possess the competence and ability to underwrite a higher education facility bond issue by demonstrating, among other things, that the firm or its key underwriting personnel have either managed or comanaged two higher educational facility bond issues within the last three calendar years; or

(c) The firm has served as a credit facility for a higher education facility within the past three years; or

(d) The firm meets other criteria as the authority may adopt from time to time which establish a firm's ability to prepare for issuance, underwrite and market bonds to be issued by the authority.

(3)(a) Whenever the authority decides that it needs the services of an underwriter, it shall provide all underwriters on the roster with a notice of its intentions and shall invite each of them to submit to the authority an itemization of its fees and other charges for providing underwriting services on the issue. The authority shall have wide discretion in selecting the underwriter it considers to be most appropriate to provide the services, but in the exercise of this discretion the authority shall consider the underwriter's fees and other charges and the public interest in achieving issuance of bonds on terms most favorable to the authority.

(b) The applicant may, at its option, exercise the notice and selection procedures regarding underwriters set forth in (a) of this subsection. In such circumstances the applicant shall supply the authority with written verification that it has complied with the provisions of (a) of this subsection and the applicant shall obtain the authority's prior approval of the actual selection of the underwriter.

(4)(a) To provide balanced management knowledge and sale distribution and to assure the most realistic bond terms and interest, the authority reserves the right to name investment banking firms as comanagers of any authority bond issue(s). The authority will not name an investment banking firm or firms as a comanaging underwriter or comanaging underwriters on bond issues of less than ten million dollars unless the authority determines that special circumstances so require. On each issue aggregating more than ten million dollars the authority may name a comanager or comanagers. On each issue aggregating more than twenty million dollars the authority may name two or more comanagers. The authority will also review and approve the division of the management fee in each instance where a comanager is named. While the authority will actually select the comanagers, it will consider recommendations from the applicant as to the selection of any comanager or comanagers. In each instance, the applicant will be given a written notification fifteen days prior to the authority's actual designation of an investment banking firm or firms as a comanager on a particular bond issue.

(b) For purposes of selecting comanagers on any bond issues, the authority shall maintain a roster of qualified comanagers for higher education facility bond issues. Any underwriter may, at any time, apply to the authority to have the underwriter's name placed on the roster or removed from the roster. Any underwriter qualified as a senior manager pursuant to subsection (2) of this section will also be placed on the roster of comanagers. The authority may, from time to time, request updated proposals for underwriter services from firms on the comanager roster. When the authority determines the need to retain comanagers, it shall select comanagers from the roster, with the advice of the applicant, the financial advisor, and the senior underwriter on the particular issue. In selecting a comanager, the authority shall consider each of the following factors:

(i) The underwriter's success in structuring and/or marketing higher education bond issues;

(ii) Underwriter's familiarity with higher education bond issues;

(iii) The underwriter's fee schedule for services;

(iv) The underwriter's regional and/or national reputation with respect to financial and underwriting services and ability to market bonds nationally and regionally as well as in Washington;

(v) Other qualifications which the authority may establish from time to time which indicate the firm's ability to act as a comanager on an authority bond issue.

(5) All compensation of the senior and comanaging underwriters, members of any underwriting syndicate, and placement agents shall be contingent upon the successful issuance and payment for the obligations and shall be paid from the proceeds of the sale or through the underwriting spread. The amount of the compensation for all such parties shall be determined by the authority, after considering the recommendations of the participant.

(6) For private placements the applicants may select a firm as placement agent for its proposed financing, subject to review and approval by the authority. In every instance, the placement agent selected must be able to demonstrate a familiarity with, and competence and experience in, the structuring and sale of higher education facility bonds. The applicant shall notify the authority in writing of its proposed placement agent selection fifteen days prior to the date it intends to enter into a formal contractual agreement. The authority will notify the applicant of its acceptance or rejection of the applicant's placement agent selection no later than ten days after receipt of the applicant's notification. If rejected, the authority will set forth the reasons for rejection, and the applicant will then propose another placement agent subject to authority approval in the same manner. The authority shall, in its discretion, make the final determination whether an issue is a private placement.

WAC 253-16-100 Selection of bond counsel. The authority will establish a roster of bond counsels whom the authority believes possess the requisite special expertise and professional standing to provide bond counsel opinions which would be accepted by the underwriters, bond holders,

rating agencies and other members of the financial community, and which would be in furtherance of the public interest in obtaining the lowest possible interest rates on bonds issued by the authority.

The authority will notify bond counsel firms that the authority is establishing an initial roster by publishing a notice in a publication commonly circulated among bond counsels, by sending notice to each of the bond counsel firms listed in the Washington state section of the *Red Book (Bond Buyers' Directory of Municipal Bond Dealers of the United States — 1984 spring edition)* and notifying the Washington State Bar Association. Interested firms will be requested to submit their qualifications for listing on the authority's initial roster, together with its proposal for serving as bond counsel, including a determination as to whether the firm believes that a test suit is necessary as a prerequisite to the issuance of any bonds.

The authority will upon receipt of these submissions establish an initial roster of bond counsel whom the authority believes possess the requisite special expertise and professional standing to provide bond counsel opinions.

Any firm or attorney wishing to be considered for the initial roster or added to the roster shall provide the background, expertise, professional standing and a listing of approving bond counsel opinions previously written to the authority for its consideration in adding the firm's or attorney's name to the roster of bond counsel.

Law firms or attorneys may submit to the authority at any time the request to be included on the roster of approved bond counsel.

Before beginning the selection process for bond counsel from the approved roster, the authority will give notice of its intention to select bond counsel. Each firm or attorney listed on the approved roster will be asked to submit a proposal, including a fee schedule for providing bond counsel services if such proposal and fee schedule would be different from that previously submitted to the authority for establishing the approved roster. The authority when making the initial selection will review the submissions, determine the relative expertise of those who wish to be selected, and will review the fee schedule and whether the firm believes that a test case or litigation is necessary prior to the issuance of the bonds. The authority has wide discretion in selecting the attorney or attorneys or bond firm it considers to be most appropriate to provide the services, but in exercise of this discretion the authority shall consider all submitted fee schedules and the public interest in achieving the issuance of bonds on terms most favorable to the authority.

At least once every two calendar years, the authority shall select anew an attorney or attorneys to serve as bond counsel. However, the authority may retain an attorney for longer than two years when necessary to complete work on a particular bond issue. An attorney previously selected may be selected again, but the authority will provide other attorneys or bond counsel on the roster with an opportunity to be selected prior to this action being taken. The authority also reserves the right to appoint bond counsel with respect to only a particular bond issue or issues.
