WAC 106-120-003 Purpose. The students of Central Washington University are responsible for complying with policies, standards, rules, and requirements for academic and social behavior formulated by the university for the maintenance of and orderly and responsible functioning of the university community. At the same time, students have protection through orderly procedures against arbitrary or capricious actions or decisions by university authorities. Due process is recognized as essential to the proper enforcement of university rules. The purpose of this chapter is to provide a procedure and rules by which a student will be afforded due process in the matter of alleged violations of university standards, rules and requirements governing academic and social conduct of students.

The university recognizes a responsibility to resolve behavior problems before they escalate into serious problems requiring the application of these rules. Therefore, the vice-president for student affairs shall generally review and/or investigate student behavioral problems which are referred by university community members or any subsidiary judicial agencies to the campus judicial council, or which otherwise come to the attention of the vice-president through campus safety reports or other official university reports. The vice-president shall be as proactive as is possible concerning the resolution of student behavioral problems and use reasonable arbitration and conflict resolution methods in order to prevent such problems from further interfering with the university community or the student's own educational progress.

WAC 106-120-005 Provision for due process. The vice-president shall provide for due process for students throughout the behavioral problem solving intervention by following the proper steps related to the initiation, investigation, and disposition of complaints against a student which is outlined in WAC 106-120-131.

WAC 106-120-006 Students subject to judicial code. Any student is subject to these rules, independent of any other status the individual may have with the university. WAC 106-120-007 Cooperation with law enforcement agencies. Central Washington University distinguishes its responsibility for student conduct from the controls imposed by the larger community beyond the university, and of which the university is a part. The university does not have the responsibilities of a parent for the conduct of students, and is not responsible for conduct of students off campus. When students are charged with violations of laws of the nation or state, or ordinances of the county or city, the university will neither request nor agree to special consideration for students because of their status as students, but the university will cooperate with law enforcement agencies, courts, and any other agencies in programs for rehabilitation of students.

Central Washington University reserves the right to impose the provisions of this chapter and apply further sanctions before or after law enforcement agencies, courts, and other agencies have imposed penalties or otherwise disposed of a case.

WAC 106-120-021 Campus judicial council. WAC 106-120-022 Subsidiary judicial agencies. Other divisions of the university may elect to establish subsidiary judicial agencies over which the campus judicial council will have appellate jurisdiction. Subsidiary judicial

agencies or persons levying sanctions should devise sanctions which are in proportion to both the nature and extent of the misconduct, and which redress injury, damage, expense, inconvenience and/or grievance as far as possible. Appeal from subsidiary councils or agencies must be made within five working days from the time of publication of findings by said subsidiary judicial agency. Failure to file such an appeal will constitute and be construed as full acceptance by all parties of the findings.

(5) Furnishing false information to the campus judicial council with the intent to deceive, the intimidation of witnesses, the destruction of evidence with the intent to deny its presentation to the campus judicial council or the willful failure to appear before the campus judicial council or the vice-president when properly notified to appear.

(20) Violation of the university policy on alcoholic beverages which states:

(a) Persons twenty-one years of age or older may possess and/or consume alcoholic beverages within the privacy of their residence hall rooms or apartments. Washington state law provides severe penalties for the possession or consumption of alcoholic beverages by persons under twenty-one years of age and for persons who furnish alcoholic beverages to minors. All university students should be aware of these laws and the possible consequences of violations.

WAC 106-120-028 Disciplinary sanctions. The following definitions of disciplinary terms have been established and may be the sanctions imposed by the vice-president or by the campus judicial council.

(1) Warning. Notice in writing that the student has violated university rules or regulations or has otherwise failed to meet the university's standard of conduct. Such warning will contain the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(2) Disciplinary probation. Formal action specifying the conditions under which a student may continue to be a student at the university including limitation of specified activities, movement, or presence on the CWU campus. The conditions specified may be in effect for a period of time or for the duration of the student's attendance at the university.

(3) Restitution. An individual student may be required to make restitution for damage or loss to university or other property and for injury to persons. Failure to make restitution will result in suspension for an indefinite period of time as set forth in subsection (4) below provided that a student may be reinstated upon payment.

(4) Suspension. Dismissal from the university and from status as a student for a stated period. The notice suspending the student will state in writing the term of the suspension and any condition(s) that must be met before readmission is granted. The student so suspended must demonstrate that the conditions for readmission have been met. There is to be no refund of fees for the quarter in which the action is taken, but fees paid in advance for a subsequent quarter are to be refunded.

(5) Deferred suspension. Notice of suspension from the university with the provision that the student may remain enrolled contingent on meeting a specified condition. Not meeting the contingency shall immediately invoke the suspension for the period of time and under the conditions originally imposed.

(6) Expulsion. The surrender of all rights and privileges of membership in the university community and exclusion from the campus without any possibility for return.

(7) For the specific instance of hazing, forfeiture of any entitlement to state-funded grants, scholarships, or awards for a specified period of time.

WAC 106-120-033 Readmission after suspension. Any student suspended from the university under the

[Title 106 WAC—page 30]

provisions of the student judicial code may be readmitted upon expiration of the time period specified in the document of original suspension.

If circumstances warrant reconsideration of the suspension prior to its time of expiration, the student may be readmitted following approval of a written petition submitted to the vice-president. Such petitions must state reasons which either provide new evidence concerning the situation which resulted in the suspension, or demonstrate that earlier readmission is in the best interest of the student and the university. Approval for such readmission must be given by the vice-president or by the campus judicial council.

Students who have been suspended and whose suspension upon appeal is found to have been unwarranted shall be provided full opportunity to reestablish their academic and student standing to the extent possible within the abilities of the university, including an opportunity to retake examinations or otherwise complete course offerings missed by reason of such action.

WAC 106-120-131 Initiation, investigation, and disposition of complaints. (1) Philosophy.

When student behavioral problems occur, the university employs a team problem-solving approach. The director of housing, director of residence living, and the chief of public safety and police services join the assistant and associate vice-president weekly to review residence living incident reports filed by living group advisors and hall managers, as well as campus police reports which cover both on-campus and off-campus students. This problem-solving team then deals with student behavioral problems which constitute violations of this code.

The problem-solving team works together to suggest intervention strategies which are considered to be most appropriate and effective for eliminating specific negative student behaviors.

(2) Process.

Incidents which come to the attention of the problem-solving team may be addressed in one of the following ways:

- (a) No action;
- (b) Informal meetings with relevant university officials;
- (c) Referral to the residence hall arbitration council, for resolving certain disputes within the residence halls;
- (d) Proceedings in the office of the vice-president.

Official proceedings in the vice-president's office are conducted when it becomes apparent to the problem-solving team that the initial and more informal forms of intervention with a student have been unsuccessful in positively modifying a student's behavior. The following rules will govern the processing of alleged violations of the proscribed conduct listed in the student judicial code.

(3) A complaint alleging misconduct against any student at the university may be filed by anyone at the office of the vice-president. Students, faculty members, administrators, and other employees of the university shall have concurrent authority to request the commencement of the disciplinary

proceedings provided for in this chapter. A person filing a complaint shall be complainant of record.

(4) Any student charged in a complaint shall receive oral or written notification from the vice-president. Such notice shall:

(a) Inform the student that a complaint has been filed alleging that the student violated specific provisions of the student judicial code and the date of the violation(s);

(b) Set forth those provisions allegedly violated;

(c) Specify a time and date the student is required to meet with the vice-president or designee; and

(d) Inform the student that failure to appear at the appointed time at the vice-president's office may subject the student to suspension from the university.

(5) When the vice-president meets with the student, the vice-president shall:

(a) Provide for the student a copy of the student judicial code;

(b) Review the facts of the alleged violation with the student; and

(c) Conduct an investigation into the alleged violation.

(6) Upon completion of the review with the student and/or the investigation, the vice-president may:

(a) Drop the charges, when they appear to be invalid or without substance or capricious;

(b) Issue a verbal warning;

(c) Apply any of the sanctions as outlined in WAC 106-120-028 if such sanction is warranted by the evidence;

(d) Refer the case to the campus judicial council; or

(e) Invoke the summary suspension procedure as outlined in WAC 106-120-143 when deemed appropriate.

The vice-president shall inform the student that the vice-president's sanction may be appealed to the campus judicial council, and that if an appeal is made, the vice-president shall take no action or make any determination, except for summary suspension, in the matter other than to inform the student of the time, date, and location of the proceeding by the campus judicial council.

WAC 106-120-132 Procedures for proceeding before the campus judicial council. (1) When a case is referred to the campus judicial council the vice-president shall forward to the council:

(a) A statement describing the alleged misconduct;

(b) The name and address of the complainant;

(c) The name and address of the student charged; and

(d) All relevant facts and statements.

(2) The council chair shall call a special meeting of the council and arrange for a proceeding in the following manner:

(a) The council shall determine the time and place of the proceeding, which shall be at least ten days after delivery of written notice to the student. In the interest of timeliness and efficiency, upon the request of either the student or the vice-president, this ten-day interval may be waived by the vice-president, with the student's permission. Time and

place shall be set to make the least inconvenience for all interested parties. The chair may change the time and place of the proceeding for sufficient cause.

(b) The council shall draw lots for five student names, one of whom will serve as an alternate to be available until the proceeding board has been constituted.

(c) No case shall be heard unless the full membership of the proceeding board is present.

(d) All cases will be heard de novo, whether the case be an appeal from a subsidiary judicial body or is heard as an original complaint.

(3) The council chair shall send written notice by certified mail of the proceeding to the student to the student's last known address. The notice shall contain:

(a) A statement of the date, time, place and nature of the proceeding;

(b) To the extent known, a list of witnesses who will appear; and

(c) A summary description of any documentary or other physical evidence that would be presented by the university.

(4) The student shall have all authority possessed by the university to obtain information he/she specifically describes in writing and tenders to the council chair no later than two days prior to the proceeding or to request the presence of witnesses, or the production of other evidence relevant to the proceeding. However, the university shall not be liable for information requested by the student or the presence of any witnesses when circumstances beyond the control of the university prevent the obtaining of such information or the attendance of such witnesses at the proceeding.

(5) Proceedings will ordinarily be held in closed session unless the proceeding board determines there is a compelling reason for the proceeding to be open, or the student requests an open proceeding. A closed proceeding shall include only members of the proceeding board, persons directly involved in the proceeding as parties and persons called as witnesses.

(6) The proceeding shall be audio tape recorded, and the tape shall be on file at the office of the vice-president for a period of three years.

(7) The university shall be represented by the vice-president who shall present the university's case against the student.

(8) The student may be accompanied by counsel, or another third party, who may offer advice. If the student utilizes an attorney as advisor, the student must give to the vice-president two days notice of intent to do so. If the student elects to be advised by an attorney, the vice-president may elect to have the university advised by an assistant attorney general.

(9) The council chair shall insure that:

(a) The proceeding is held in an orderly manner giving full care that the rights of all parties to a full, fair and impartial proceeding are maintained.

(b) The charges and supporting evidence or testimony shall be presented first, and that there is full opportunity for the accused student to challenge the testimony and/or evidence, and to cross examine appropriately.

(c) The student charged shall next present evidence or testimony to refute the charge, and that there is full opportunity for the accuser to challenge testimony and/or evidence, and to cross examine appropriately.

(d) Only those materials and matters presented at the proceeding will be considered as evidence. The presiding officer shall exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.

(10) Any person disruptive of the proceeding or any other procedure described in this document may be excluded from the process by the chair of the campus judicial council or by the vice-president, using such means as are necessary to ensure an orderly process. Any student engaging in such interference shall be in contempt and may be summarily suspended from the university by the campus judicial council or the vice-president immediately. The student shall be subject to a suspension or any lesser sanction as may be determined by the campus judicial council or the vice-president at the time the interference takes place or within fifteen working days thereafter.

(11) The student has a right to a fair and impartial proceeding, but the student's failure to cooperate with or attend a proceeding procedure shall not preclude the committee from making its finding of facts, conclusions, and recommendations. Failure by the student to cooperate may be taken into consideration by the campus judicial council and the vice-president in deciding the appropriate disciplinary action.

(12) Upon conclusion of the proceeding, the proceeding board in closed session shall consider all the evidence presented and decide by majority vote to exonerate the student or to impose one of the sanctions authorized by this document.

(13) The student shall be provided with a copy of the board's findings of fact and conclusions regarding whether the student did violate any rule or rules of the student judicial code and the board's decision as to the appropriate sanction to be imposed.

(14) If a student charged with misconduct under this code has been charged with a crime for the same act or closely related acts by federal, state, or local authorities, or if it appears that such criminal charge is under consideration, the campus judicial council may postpone action on the complaint until there has been a disposition of the criminal charge or of the consideration of filing such charge. However, prior to action by other agencies, the council may proceed to hear and decide the case if in the judgment of the council, the nature of the alleged misconduct and the circumstances surrounding it pose a serious risk to the health or well being of the student or other members of the university. If there is a determination of guilt by the council and if the subsequent criminal proceedings result in a judgment of acquittal, the student may petition the campus judicial council for a rehearing.

WAC 106-120-143 Summary suspension proceedings. The vice-president may summarily suspend any student from the university pending investigation, action of prosecution of charges of an alleged proscribed conduct violation or violations, if the vice-president has reason to

believe that the student's physical or emotional safety and well-being, or the safety and well-being of other university community members, or the protection of property requires such suspension.

(1) If the vice-president finds it necessary to exercise the authority to summarily suspend a student the vice-president shall:

WAC 106-160-120 Admission requirements—To freshman standing. Central Washington University will admit qualified students who meet the published admissions criteria for any quarter. Admission to the university is based on the student's ability to successfully complete programs offered by the university. Eligibility for admission as a first-time freshman is based on evidence of potential success in university study. Eligibility for regular admission as a freshman will be guided by the following situations:

Situation 1: Regular admission of freshman under twenty-one years of age. Eligibility for regular admission as a freshman for those twenty-one years of age or younger will be determined using both the student's high school grade point average and a nationally normed standardized test, either the American College Test (ACT), or the Scholastic Aptitude Test (SAT). The high school grade point average and test score will be combined to produce, for each freshman applicant, an admission index number. An offer of acceptance to the university as a freshman will be based on the resulting index number. The minimum index number established by the higher education coordinating board for the three regional universities and The Evergreen State

College for regular admission is 13. A 13 index indicates that applicants have at least a sixty-five percent probability of achieving a "C" or better grade point average at the completion of their freshman year at Central Washington University. Freshman applicants must have prescribed set of high school courses totaling fifteen units. The required high school courses include: Four years of English, three years of math, two years of science, three years of social studies, two years of single foreign language, and one year of fine, visual or performing arts, or any of the above college-prep courses.

Situation 2: Regular admission of freshmen twenty-one years of age or older. A student twenty-one years of age or older who is seeking initial entry at the freshman level may be offered regular admission if the student obtained a score of at least eighteen on the Enhanced ACT Exam or seven hundred minimum on the SAT Exam, or he or she has scored at least an eighty-three or higher on WPCT if they took that exam prior to June 1, 1989.

Situation 3: Alternate standards for freshman admissions. Students seeking freshman admission may be admitted through the use of alternative criteria. Students applying under the alternative standard must satisfy each of the following requirements:

- (1) Submit a score on the ACT or SAT;
- (2) Submit a transcript showing achievement of a 2.0 or higher high school grade point average and/or a passing score on the General Education Development Test;
- (3) Complete high school course pattern requirements as prescribed with no more than three subject year deficiencies waived; and
- (4) Present evidence of success outside the classroom and strong motivation to succeed in college.

[Statutory Authority: RCW 28B.10.528 and 28B.35.120(12). 94-21-008 (Order CWU AO 77), § 106-160-120, filed 10/6/94, effective 11/6/94.]

WAC 106-160-130 Admission requirements for transfer applicants. Eligibility for admission of transfer applicants with fewer than forty transferable quarter credits is the same as first-time freshmen as they must meet freshman requirements in addition to an assessment of the quality of previous college work.

Applicants who have earned more than forty transferable quarter credits will be admitted based on the quality of college work only. If transcripts do not provide evidence of academic ability, regardless of the grade point average, additional information may be required.

Central Washington University accepts academic credits earned at other accredited collegiate institutions which are essentially equivalent in academic level and nature of work offered at CWU. The university endorses the policy in the Intercollegiate Transfer and Articulation Agreement among Washington public colleges and universities.

Transfer students who have not earned a Washington community college academic associate of arts degree will be admitted on sliding scale. Priority will be given to students with the highest grade point average (gpa) computed from previous transferable college-level work and with the greatest number of hours completed in transfer.

[Statutory Authority: RCW 28B.10.528 and 28B.35.120(12). 94-21-008 (Order CWU AO 77), § 106-160-130, filed 10/6/94, effective 11/6/94.]

WAC 106-160-140 Readmission of former students. Former CWU students who have interrupted their studies for one year, or who have attended another college or university, except for summer school, must file a returning CWU student application. Transcripts of any college work completed since last enrolled at Central Washington University must be submitted. Students will be admitted on a priority basis, based on the additional academic credits taken and the academic standing they had when they left CWU.

[Statutory Authority: RCW 28B.10.528 and 28B.35.120(12). 94-21-008 (Order CWU AO 77), § 106-160-140, filed 10/6/94, effective 11/6/94.]

WAC 106-160-150 Provisional enrollment. Students who are applying for admission but who have been unable to submit all necessary materials before a registration period may be allowed to enroll as provisional students if space permits. This status will be available for one quarter during which time the student must complete the admission process and receive a favorable admission decision to register for the next term.

[Statutory Authority: RCW 28B.10.528 and 28B.35.120(12). 94-21-008 (Order CWU AO 77), § 106-160-150, filed 10/6/94, effective 11/6/94.]

WAC 106-160-160 Nonmatriculating students. Students who are not seeking a degree or certificate may request enrollment as a nonmatriculant. Upon approval by the office of admissions, they may enroll if space is available, for a maximum of nine credits so long as they meet academic standards. Credits earned in this status may not be applied to any degree or certificate unless the student is formally admitted to the university, in which case a maximum of forty-five credits may be applied. Nonmatriculant students are not eligible for most financial aid, veterans' benefits, credit evaluations, or other university services.

[Statutory Authority: RCW 28B.10.528 and 28B.35.120(12). 94-21-008 (Order CWU AO 77), § 106-160-160, filed 10/6/94, effective 11/6/94.]

They must be recommended by their high school principal, have parent or guardian approval if under eighteen years of age, and meet with the director of admissions prior to acceptance.

Situation 2: Students who wish to enrich their high school program may take one or more college level courses while still enrolled in high school. The opportunity is available to students who have completed their junior year and have at least a 3.0 cumulative grade point average. Prior to enrollment, courses must be approved by the high school principal or counselor and the director of admissions.

(5) International students must have two letters of recommendation from a professor or counselor with whom they are currently working.

(2) "Students in public schools" means all past, present, and future students enrolled at Central Washington University.

(3) "Vital governmental interest" includes, but is not limited to, matters affecting national security; the selection of a site or the purchase of real estate when publicity regarding such consideration would cause a likelihood of increased price.

(4) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, and other documents.

WAC 106-276-010 Definition of public record. (1) A public record includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by Central Washington University, regardless of the physical form or characteristics: *Provided, however,* That in accordance with RCW 42.17.310, the following personal and other records are exempt from the definition of public record:

(a) Personal information in any files maintained for students in public schools and the information, data, and records subject to the student records policy, WAC 106-172-700 through 106-172-799.

(b) Personal information in any files maintained for patients or clients of public institutions or public health agencies, welfare recipients, prisoners, probationers, or parolees.

(c) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(d) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would violate the taxpayer's right to privacy or would result in unfair competitive disadvantage to such taxpayer.

(e) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(f) Information revealing the identity of persons who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property: *Provided,* That if at the time the complaint is filed the complainant indicates a desire for disclosure or nondisclosure, such desire shall govern: *Provided further,* That all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(g) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(h) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.

(i) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(j) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(k) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(l) Records, maps, or other information identifying the location of archaeological sites in order to avoid the looting or depredation of such sites.

(m) Any library record, the primary purpose of which is to maintain control of library materials, or to gain access to information, which discloses or could be used to disclose the identity of a library user.

(2) The exemptions of this section shall be inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interest, can be deleted from the specific records sought. No exemption shall be construed to permit the nondisclosure of statistical

information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a proceeding with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Any response refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.
