WAC 132M-110-080 Requests for public records. In accordance with requirements of chapter 42.17 RCW that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records may be inspected or copied or copies of such records may be obtained, by members of the public, upon compliance with the following procedures:

(1) A request shall be made in writing upon a form prescribed by the college which shall be available at its administrative office on the campus. The form shall be presented to the records officer and/or designee at the administrative office on the campus during customary office hours. The request shall include the following information:

(a) The name of the person requesting the record;

(b) The time of day and calendar date on which the request was made;

(c) The nature of the request;

(d) If the material requested is referenced within the current index maintained by the records officer, a reference to the requested record as it is described in the index;

(e) If the material requested is not identifiable by reference to the current index, an appropriate description of the record requested.

(2) In all cases in which a member of the public is making a request, it shall be the obligation of the records officer and/or designee to assist the member of the public in appropriately identifying the public record requested.

(3) The records officer and/or his designee to whom the request is presented shall respond promptly and

WAC 132M-110-090 Copying. No fee shall be charged for the inspection of public records. The college shall charge a minimum fee of twenty-five cents per page of copy for providing copies of public records. In the event the copying of public records would unreasonably burden existing personnel of the college, or additional personnel and/or equipment would have to be added because of the request(s) for copying the public records, then a reasonable charge may be added to the twenty-five cents per copy minimum to reflect the cost for additional personnel or equipment. The increased cost shall be determined by the records officer and shall be stated on the form requesting the copying of public records when the same request is approved by the records officer. In any case where the records officer estimates that the cost of duplication of a request will exceed ten dollars, then he may at his discretion require an advance payment of all or a percentage of the cost estimate prior to complying with the request for duplication. When, in the opinion of the records officer, it would be less expensive or more practical to duplicate public records by contract with a printing company, then the records officer shall have the authority to do the same and the actual cost of the printing shall be paid by the person requesting the duplication.

[Order 1-75, § 132M-110-090, filed 11/10/75.]

WAC 132M-110-100 Exemptions. (1) The college reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 132M-110-080 is exempt under the provisions of chapter 42.17 RCW.

(2) In addition, pursuant to RCW 42.17.260, the college reserves the right to delete identifying details when it makes available or publishes any public record, in any case when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 42.17 RCW. The records officer and/or his designee will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

[Order 1-75, § 132M-110-100, filed 11/10/75.]
WAC 132M-110-110 Review of denials of public records. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the records officer and/or his designees which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the records officer and/or his designee denying the request shall refer it to the college president. The college president or his designee shall immediately consider the matter and either affirm or reverse such denial or consult with the attorney general to review the denial. In any case, the request shall be returned with a final decision within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the college has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

WAC 132M-110-120 Protection of public records. Requests for public records shall be to the agency records officer and/or his designees in the appropriate locations on the campus. Public records and a facility for their inspection will be provided by the records officer and/or his designees. Such records shall not be removed from the place designated for their inspection. The records officer shall be located in the Personnel Office, Lower Columbia College, 1600 Maple Street, Longview, WA 98632. The college's schedule for revising and updating the index may be obtained by contacting the records officer.

(2) The index shall reference records by one or more of the following classifications: Date of implementation, subject matter, or organizational unit.

(3) The current index promulgated by the district shall be available to all persons under the same rules and on the same conditions as are applied to public records available for inspection.

(3) Confidential letters and recommendations to which a student has waived his/her right of access, or which were placed in the student’s file prior to January 1, 1975, may not be used for any purpose other than that specifically intended and shall not be subject to release under WAC 132M-113-010(2). Such records shall remain confidential and shall be released only with consent of the author.

(1) The college respects the right of its students to determine employers or prospective employers to whom they wish the college to furnish personal information. At the written request of the student concerned, the college shall respond to inquiries originating from employers or prospective employers—public or private.

(3) In such cases where records are made available without student release as permitted by subsection (1)(b), (c), (d), (e), and (f) of this section, the college shall maintain a record kept with the education records that will indicate the parties which have requested or obtained access to a student's records maintained by the college and which will indicate the legitimate interest of an investigating party. Releases in accordance with subsection (1)(a) of this section need not be recorded.

(4) Personally identifiable education records released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released in a personally identifiable form to any other parties without obtaining consent of the student.

(2) Disciplinary records shall be kept separate from academic records, and transcripts of a student's academic record shall contain no notation of any disciplinary action. Special precautions shall be exercised to ensure that information from disciplinary or counseling files is not revealed to unauthorized persons except as allowed under 20 U.S.C. § 1232g(b)(6). it is inaccurate, misleading, or in violation of his/her privacy rights.

(b) The college shall decide within ten working days of a student's request to amend records whether or not it will amend those records.

Student Rights and Responsibilities

Chapter 132M-120

WAC 132M-120-010 General policy. (1) The college is dedicated not only to learning and the advancement of knowledge but also to the development of ethically sensitive and responsible persons. It seeks to achieve these goals through a sound educational program and policies concerning conduct which encourage independence and maturity while strengthening the spirit of mutual cooperation and responsibility shared by all members of the college community.

(2) In keeping with these objectives the college, to the extent appropriate and feasible, shall pursue the same policies with regard to maintaining standards of behavior for students.

(3) The college distinguishes its responsibility for student conduct from the control functions of the wider community. When a student has been apprehended for the violation of a law of the local community, the state, or the nation, the college will not request or agree to special consideration for the student because of his/her status as a student. Where the violation occurred on college facilities or at a college-sponsored event, the student apprehended shall be held accountable to the provisions of this chapter and the proceedings of the appropriate law enforcement agencies shall have no bearing on the outcome of the college proceedings. The college will cooperate fully, however, with law enforcement agencies, and with other agencies on any program for the rehabilitation of the student.

(4) The college may apply sanctions or take other appropriate action when student conduct materially and substantially interferes with teaching, freedom of movement, or other lawful activities of the college campus.

(5) Procedural due process is basic to the proper enforcement of all college rules.

(6) In particular, no disciplinary sanction shall be imposed without notice to the accused of the nature of the charges. A student accused of violating this code of student rights and responsibilities is entitled, upon request, to procedural due process as set forth in this chapter.

(7) Students shall have an opportunity to participate in the formulation of all policies and rules pertaining to student conduct and in the enforcement of all such rules.

(8) Rules and sanctions affecting the conduct of men and women shall be based on general principles of equal treatment, including like penalties for like violations.

The student’s failure to cooperate with the proceedings, however, shall not preclude the committee from making its findings of fact, conclusions, and recommendations. Failure by the student to cooperate may be taken into consideration by the committee.

(3) The presiding officer shall be selected from the committee members and shall exercise the powers and duties usually granted to the presiding officer of a judicial body including but not limited to the power to make rulings on all evidentiary and procedural matters heard in the course of the disciplinary hearing.

(4) If any member of the student hearing and grievance committee is unable to consider a particular disciplinary proceeding for any reason (including but not limited to conflict of interest, matters of conscience, or related reasons), such members shall abstain from considering the issues. The presiding officer shall make temporary appointments where members abstain.

(5) A quorum shall be required for all proceedings and shall consist of the presiding officer and at least two committee members.

(6) Written notice of the time and place of the proceedings before the student hearing and grievance committee shall be given to the student by personal service or certified mail. (8) The student may be represented by counsel of choice at the disciplinary proceeding. If the student elects to choose a duly licensed attorney admitted to practice in the state of Washington as counsel, notice thereof must be tendered by the student to the dean at least five working days prior to the proceeding.

(9) In all disciplinary proceedings, the college may be represented by a designee appointed by the dean. That designee may then present the college’s case against the student accused of violating the rules of conduct: Provided, That in those cases in which the student elects to be represented by a licensed attorney, the dean may elect to have the college represented by an assistant attorney general.

(10) An adequate summary of all the evidence and facts presented to the committee during the course of the proceedings shall be taken. A copy shall be available at the office of the dean.

(11) Proceedings conducted by the student hearing and grievance committee shall be held in closed session except when a student requests that the proceedings be held in open session. If at any time during the conduct of a proceeding visitors disrupt the proceeding, the presiding officer of the committee may exclude such persons from the proceeding room.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-110, filed 4/17/92, effective 5/18/92.]

(1) Only those matters presented at the proceeding, in the presence of the accused student, except where the student fails to attend after receipt of proper notice, will be considered by the student hearing and grievance committee in determining whether there is sufficient cause to believe that the accused student violated the rules as charged. Hearsay evidence is admissible.

(2) The members of the committee shall give probative effect to evidence which possesses probative value commonly accepted by reasonable, prudent persons in the conduct of their affairs.

(3) The presiding officer of the committee shall, in the course of the proceeding, give effect to the rules of privilege recognized by law and exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-120, filed 4/17/92, effective 5/18/92.]

**WAC 132M-120-130** Decision by the student hearing and grievance committee. (1) Upon conclusion of the disciplinary proceeding, the committee shall consider all the evidence therein presented and decide by majority vote whether to uphold the decision of the dean, overrule the decision of the dean, or to recommend any other sanction deemed appropriate under the circumstances to the president: Provided, That no additional sanction may be recommended if the decision of the dean is upheld.

[Title 132M WAC—page 12]
(2) Within thirty days following the conclusion of the proceeding, the student will be provided with a copy of the committee’s findings of fact and conclusions regarding what occurred and whether the student violated any rule or rules of the code of conduct. The committee shall also advise the student of his/her right to present, within ten working days, a written statement to the president of the college appealing the decision of the student hearing and grievance committee.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-130, filed 4/17/92, effective 5/18/92.]

SUMMARY SUSPENSION

WAC 132M-120-200 Summary suspension procedures. (1) As a general rule, disciplinary sanctions will be imposed only after appropriate proceedings have taken place and after the student has, if he/she so chooses, exercised the right to appeal. However, if the dean or his/her designee has cause to believe that the student:

(a) Has committed a felony; or

(b) Has violated any provision of the student conduct code; and

(c) Presents an imminent danger either to himself or herself, other persons on the campus, or to the educational process, that student may be summarily suspended pending investigation, action, or prosecution on charges of alleged student conduct code violation.

(2) Any student summarily suspended shall be notified by certified and regular mail at the student’s last known address or shall be personally served. The notice shall be entitled “notice of summary suspension” and shall state:

(a) The charges against the student including reference to the provisions of WAC 132M-120-040 or statutory law involved; and

(b) That the student charged must appear before the dean or his/her designee at a time specified in the notice for a summary suspension proceeding.

(3) The summary suspension proceeding shall be held as soon as possible after the summary suspension. The dean shall determine whether there is probable cause to believe that continued suspension is necessary and/or whether some other disciplinary sanction is appropriate.

(4) If the dean, following the summary suspension proceeding, finds that there is probable cause to believe that:

(a) The student against whom specific violations are alleged has committed one or more such violations;

(b) Summary suspension of that student is necessary for the safety of the student, other students or persons on college facilities, the educational process of the institution, or to restore order to the campus; and

(c) Such violation or violations constitute grounds for disciplinary action as provided for in WAC 132M-120-040, then the dean may continue to enforce the suspension of the student from college and may impose any other disciplinary sanction deemed appropriate.

(5) If the student has been served pursuant to the notice required in WAC 132M-120-200 and fails to appear at the time designated for the summary suspension proceeding, the dean may, with the written concurrence of the president, suspend the student for a maximum of ten academic calendar days.

WAC 132M-120-210 Notice of summary suspension. (1) If a student’s summary suspension is upheld or if the student is otherwise disciplined, the student will be provided written notice of the decision, as expressly concurred in by the president, including the dean’s findings of fact and conclusions which lead the dean to believe that summary suspension should continue.

(2) The student suspended pursuant to the authority of this rule shall be served a copy of the notice of suspension by personal service or by certified and regular mail at the student’s last known address within three working days following conclusion of the proceeding before the dean.

(3) The notice of suspension shall specify the duration of the suspension or the nature of the disciplinary action and the conditions under which the suspension may be terminated.

(4) During the period of summary suspension, the suspended student shall not enter the campus other than to meet with the dean or to attend the summary suspension proceeding. However, the dean may grant the student special permission to enter for the express purpose of meeting with faculty, college personnel, or students in preparation for the proceeding.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-210, filed 4/17/92, effective 5/18/92.]

WAC 132M-120-220 Appeals from summary suspension. (1) Any student aggrieved by an order issued at the summary suspension proceeding may appeal to the student hearing and grievance committee. No such appeal shall be heard, however, unless:

(a) The student has first appeared before the dean at the proceeding set forth in WAC 132M-120-200;

(b) The student has been officially notified of the outcome of that proceeding;

(c) Summary suspension or another disciplinary sanction has been upheld; and

(d) The appeal conforms to the requirements set forth in WAC 132M-120-100(2).

(2) The student hearing and grievance committee shall, within five working days, conduct a brief adjudicative proceeding according to the provisions of WAC 132M-120-110. Appeals from summary suspension shall take precedence over other matters before the committee.

(3) The president or his/her designee shall review the findings and conclusions of the dean in conjunction with the recommendations of the student hearing and grievance committee and will issue a final decision within three days.

[Statutory Authority: RCW 28B.50.140. 92-09-094, § 132M-120-220, filed 4/17/92, effective 5/18/92.]

ACADEMIC GRIEVANCES

WAC 132M-120-300 Student grievances. (1) The purpose of WAC 132M-120-300 through 132M-120-320 is to protect each student’s freedom of expression in the classroom and to protect each student from improper,
(a) The proceeding before the academic standards committee shall not be considered a formal hearing. Any witnesses may be called and testimony heard as needed to reach a prompt, fair resolution of the grievance.

(b) All proceedings arising from student-initiated grievances, including appeals to the president shall remain closed unless all parties to the grievance agree on an open proceeding.

(4) Decisions.

(a) The academic standards committee shall make a recommendation in writing to the president within thirty days of receiving the appeal.

(b) The recommendation shall be reviewed by the president, who may dismiss the case after whatever counseling and advice may be appropriate or may amend, modify, refuse, or accept the recommendation. However, the president may not impose a greater sanction than that recommended by the academic standards committee. The decision of the president shall be final, and no further appeal within the college is provided.

WAC 132M-120-320 Withdrawal of grievance. (1) At any time during the grievance procedure, the grievant may officially withdraw the grievance in writing. Further, any appeal of the dean’s decision forwarded to the president may be officially withdrawn in writing at any time by the appellant.

DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER

Use of College Facilities—Academic

WAC 132M-136-020  Distribution of materials policy. (1) Free expression is encouraged on the college campus. Use of college facilities as determined by the president and regulated by his/her designee, however, does not accord users immunity from legal action.

(2) Handbills, leaflets, newspapers, and similar material—except those which are commercial, obscene, or unlawful—may be distributed only in areas on the campus designated by the director of student programs where, and at times when, such distribution will not interfere with the orderly administration of the college, the ingress or egress of persons, or the free flow of traffic.

(3) Newspapers, leaflets, and similar material offered for sale by any student or nonstudent person or organization may be distributed and sold through the college bookstore as are other commercial forms of merchandise, subject to reasonable rules and regulations that may be imposed by the bookstore manager.

(4) All handbills, leaflets, newspapers, and similar material must bear identification as to the publishing agency and distributing organization or individual.

(5) All students and nonstudents shall be required to register with the director of student programs prior to the distribution or sale of any handbill, leaflet, newspaper, or related material, including but not limited to posting materials on college bulletin boards and distributing materials in college parking lots.

(6) Any student who violates any provision of this section relating to the distribution and sale of handbills, leaflets, newspapers, or related materials shall be subject to disciplinary action.

(7) Any distribution of materials regulated by established policies and authorized under this section by the director of student programs shall not be construed as support or approval of the content by the college or by the board of trustees of Washington Community College District No. 13.

WAC 132M-136-030  Outside speaker policy. (1) The college subscribes to the proposition that an important aspect of the education of college students is the opportunity to listen to speakers representing a wide variety of opinions and beliefs on important public issues. In conformity with the American tradition of free speech and free inquiry, the following policies are established governing the appearance on campus of speakers not themselves members of the college community.

(2) Any recognized ASLCC student organization with written sanction of its advisor, may invite individuals to speak on campus.

(3) The appearance of an invited speaker on the campus does not involve an endorsement, either implicit or explicit, of his views by this college, its students, its faculty, its administration, or its board.

(4) The scheduling of facilities for hearing invited speakers shall be made through the dean of instruction and/or director of student activities.

(5) The dean of students will be notified at least three days prior to the appearance of an invited speaker, at which time a form, available in the office of the dean of students, shall be completed with such particulars as speaker, time, and place, signed by the sponsoring organization advisor, and filed with the dean of students. Exceptions to the three day ruling may be made by the director of student activities with the approval of the dean of students.

(6) The dean of students may require and arrange to have views other than those of the invited speaker represented at the meeting, or at a subsequent meeting. The president may, at his discretion, assign a faculty member to preside over any meeting where a speaker has been invited.

WAC 132M-136-050  Outside organizations meeting with students. (1) The college encourages and welcomes representatives of organizations not associated with the college to meet with students for the purpose of providing additional opportunities for their total educational development. However, the holding of such meetings on the campus does not constitute an endorsement of the organization by the college; nor will the college necessarily require or request students to attend the meeting or meetings.

(2) Any organization wishing to hold a meeting, or meetings, on the college campus with students shall contact the director of student activities and provide the following information

(a) Name of sponsoring organization
(b) Name of person in charge of arrangements
(c) Names of participating individuals
(d) Nature of proposed meeting
(e) Desired dates and times
(f) Type of facilities desired

(3) The director of student activities will present the request to the student services council. If approved, the director of student activities, after conferring with appropriate college officials, will contact the requesting organization to complete the arrangements.

(4) When meetings have been approved in accordance with the procedures outlined, the college will provide suitable space not being used for regular college activities, and arrange for announcements of the meeting to be made through the college’s normal communication media.

WAC 132M-136-060  Use of college facilities. (1) The policy of the college is to permit the use of its facilities by responsible organizations or groups on a space available basis except when the use of such facilities is for the purpose of:

(a) Making a profit and is in competition with available privately owned facilities.
(b) Political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.
(c) Religious groups, as a permanent meeting place, under any circumstances. Such use shall be intermittent only.

(2) The president may allow persons or organizations other than college faculty, staff, or recognized student organizations use of college facilities when satisfactory arrangements can be worked out and such use does not conflict with the educational programs being offered by the college or with the maintenance and repair programs of the college. Authorization to persons or organizations other than college faculty, staff, or recognized student organizations for use of college facilities is granted with the express understanding and condition that such persons or organizations assume full responsibility for any loss, damage, or claims arising out of such use. The president or his/her designee may require proof of appropriate liability insurance coverage or posting of a bond prior to granting authorization for use of college facilities.

(3) The use of college facilities shall, in all instances, be determined and regulated by the policies of the institution.

(4) Nonprofit organizations such as, but not limited to, those directly concerned with public schools and those sponsored by public schools or affiliated organizations may be allowed reasonable use of college facilities without the payment of a rental fee. However, functions which require college personnel, other support services, or utilities, including heat, thereby resulting in additional costs to the college shall be charged for such costs accordingly.

(5) The college shall permit the use of its facilities to persons, groups, or organizations for such fees as will compensate for the reasonable costs thereof. Additionally, any organization using college facilities with the intent of realizing a profit therefrom (through charging admission, taking up a collection, or other) rental fees to be determined by the president or his designee shall be charged.

(6) The president shall establish and revise, as circumstances warrant, a schedule of rental and/or other fees consistent with the policy outlined above and shall advise the board thereof. The established fees in effect at any given time shall apply to the facilities covered by the schedule. For those facilities which are not covered in the schedule, the president may determine reasonable fees from the relevant factors or decline them for noncollege use.

(7) Application is made through the office of the president or his designee. When the application is approved, an invoice shall be sent to the applicant by the business office. Full payment of appropriate fees, if any, or satisfactory payment arrangements are required prior to the actual use of the facilities.

(8) Special conditions and considerations for the use of specific college facilities may be set forth in board policies as now or hereafter amended.

(9) College facilities may not be used by groups or organizations which discriminate in their membership or limit participation in a manner inconsistent with the college’s commitment to nondiscrimination as set forth in its written policies and rules.

(10) No person or group may use or enter college facilities having in their possession firearms or other weapons, even if licensed to do so, except duly appointed and commissioned law enforcement officers.

WAC

132M-300-001 Statement of policy.
132M-300-010 Grievance procedure.

WAC 132M-300-001 Statement of policy. Lower Columbia College is covered by Title IX of the Education Amendments of 1972 prohibiting sex discrimination in education and Section 504 of the Rehabilitation Act of 1973 prohibiting discrimination on the basis of handicap. It is the policy of Lower Columbia College to provide equal opportunity in all areas of admission, education, application for employment, and employment regardless of sex or handicap status.

It is also the policy of Lower Columbia College to provide an environment in which members of the college community can work or study free from sexual harassment or sexual intimidation. Sexual harassment is a form of sex discrimination. As such, it is a violation of Title VII of the 1964 Civil Rights Act and Title IX of the 1972 Education Amendments.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

(1) Submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual’s employment or academic advancement or standing; and/or

(2) Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individual; and/or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidating, hostile, or offensive working or academic environment.

WAC 132M-300-010 Grievance procedure. (1) Any applicant for admission, enrolled student, applicant for employment, or employee of Lower Columbia College who believes he/she has been discriminated against on the basis of sex or on the basis of a handicap may lodge a formal institutional grievance according to the following procedure:

(a) Step 1: Informal meeting. In an attempt to informally resolve the concern, the complainant may request a meeting with the individual believed to have committed the discriminatory act or with the appropriate supervisor as determined by the affirmative action officer. The time period in which attempts to informally resolve the concern are made shall not exceed thirty days from the time the complaint is lodged.

(b) Step 2: Official hearing. If not satisfied by the results of the informal meeting or if the informal meeting has been waived, the complainant may request a meeting with the college affirmative action officer.

(i) The request for an official hearing must be made in writing and must set forth the specific grievance(s) raised by the complainant.

(1997 Ed.)
(ii) Within thirty calendar days of receiving the written request, the college affirmative action officer shall arrange a meeting to hear the complaint. It shall be at the discretion of the complainant to determine whether the affirmative action officer will meet with the complainant and the person to whom the complaint has been directed separately or in a single meeting. If the complainant requests a single meeting, the meeting shall be attended by the complainant, the person to whom the complaint is directed, and the affirmative action officer, who shall chair the meeting.

(iii) Following the hearing and within thirty calendar days of receiving the written request, the affirmative action officer will report his/her findings in writing to both the complainant and the person to whom the complaint has been directed.

(c) Step 3: Presidential appeal. If the complaint is not resolved as a result of the hearing conducted by the affirmative action officer, either the complainant or the person to whom the complaint has been directed may request an appeal to the college president.

(i) The request must be made in writing within ten days after receipt of the written results of the official hearing.

(ii) Within fifteen days after receiving the request, the college president or the president’s designee will conduct the presidential appeal hearing and report the findings in writing to both the complainant and the person to whom the complaint is directed.

(iii) Attendance at the presidential appeal hearing shall be limited to the college president or his/her designee, the affirmative action officer, the complainant, and the person to whom the complaint is directed unless otherwise mutually agreed by the parties. The college president or his/her designee shall preside.

(iv) Either the complainant or the person to whom the complaint is directed may call witnesses at the discretion of the person presiding.

(v) The written findings of the presidential appeal will be considered final. No further intrainstitutional appeal exists.
