A claim which includes one or more tickets with an address label or stamp on the back of the ticket shall be deemed to have been entered in the name of one claimant: Provided, That if the address label or stamp contains the name of more than one claimant, the prize payment will be made to the one who has signed the ticket and/or claim form or, if there is no signature or two signatures, to the first claimant listed on the address label or stamp. The claimant must submit his or her Social Security number (SSN) or the federal employer's identification number (FEIN) when claiming any prize exceeding six hundred dollars.
- (3) A claim may be entered in the name of a claimant other than a natural person only if the claimant is a legal entity and possesses a federal employer's identification number (FEIN) as issued by the Internal Revenue Service, such number is shown on the claim form and the entity's terms comply with subsection (4) of this section. Groups, family units, organizations, clubs, or other organizations which are not a legal entity, or do not possess a federal employer's identification number, shall designate one natural

person or one legal entity in whose name the claim is to be entered.

(4) The terms governing a claimant other than a natural person, i.e., articles of incorporation, trust terms, etc., shall be submitted to the director for approval. Terms not in compliance with lottery statutes or rules shall not be approved. Payment shall not be made to a claimant other than a natural person until the director has approved the terms.

All claimants other than natural persons shall have governing terms which:

- (a) Prohibit deletion, amendment, or addition of terms without the director's approval;
- (b) State the names of all natural persons who have a direct or indirect right or interest in the claimant, each of their percentage interests and their Social Security numbers;
- (c) Acknowledge that the debt collection process mandated by RCW 67.70.255 and WAC 315-06-125 shall be applied to the natural persons who hold interests in the claimant through their Social Security numbers; and
- (d) Provide that in the event the claimant ceases to exist prior to the full payout of the prize, the lottery will not make further payment without court order.
- (5) The lottery shall not make payment to a claimant other than a natural person unless the terms governing the claimant include those enumerated in subsection (4) of this section.
- (6) Unless otherwise provided in the rules for a specific type of game, a claimant shall sign the back of the ticket and/or complete and sign a claim form approved by the director. The claimant shall submit the claim form and/or claimant's ticket to the lottery in accordance with the director's instructions as stated in the players' manual and/or on the back of the ticket or submit a request for reconstruction of an alleged winning ticket and sufficient evidence to enable reconstruction and that the claimant had submitted a claim for the prize, if any, for that ticket. The claimant, by submitting the claim or request for reconstruction, agrees to the following provisions:
- (a) The discharge of the state, its officials, officers, and employees of all further liability upon payment of the prize; and
- (b) The authorization to use the claimant's name and, upon written permission, photograph for publicity purposes by the lottery.
- (7) A prize must be claimed within the time limits prescribed by the director in the instructions for the conduct of a specific game, but in no case shall a prize be claimed later than one hundred eighty days after the official end of that instant game or the on-line game drawing for which that on-line ticket was purchased.
- (8) The director may deny awarding a prize to a claimant if:
 - (a) The ticket was not legally issued initially;
- (b) The ticket was stolen from the commission, director, its employees or retailers, or from a lottery retailer; or
- (c) The ticket has been altered or forged, or has otherwise been mutilated such that the authenticity of the ticket cannot be reasonably assured by the director.
- (9) No natural person or legal entity entitled to a prize may assign the right to payment, except under the following limited circumstances:

- (a) That payment of a prize may be made to any court appointed legal representative, including, but not limited to, guardians, executors, administrators, receivers, or other court appointed assignees; and
- (b) When payment of the entire remainder of an annuity and the right to receive future annual prize payments has been voluntarily assigned to another person, pursuant to an appropriate judicial order that meets the requirements of RCW 67.70.100(2). No voluntary assignment is effective unless and until the national office of the Federal Internal Revenue Service provides a ruling that the voluntary assignment of prizes will not affect the federal income tax treatment of prize winners who do not assign their prizes.
- (10) In the event that there is a dispute or it appears that a dispute may occur relative to any prize, the director may refrain from making payment of the prize pending a final determination by the director or by a court of competent jurisdiction relative to the same.
- (11) A ticket that has been legally issued by a lottery retailer is a bearer instrument until signed. The person who signs the ticket or has possession of an unsigned ticket is considered the bearer of the ticket. Payment of any prize may be made to the bearer, and all liability of the state, its officials, officers, and employees and of the commission, director and employees of the commission terminates upon payment.
- (12) All prizes shall be paid within a reasonable time after the claims are validated by the director and a winner is determined. Provided, prizes paid for claims validated pursuant to WAC 315-10-070(2) shall not be paid prior to one hundred eighty-one days after the official end of that instant game. The date of the first installment payment of each prize to be paid in installment payments shall be the date the claim is validated. Subsequent installment payments shall be made as follows:
- (a) If the prize was awarded as the result of a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date of the drawing in accordance with the type of prize awarded, except that when a drawing occurs during the last week of the calendar year and it is impossible to claim the prize in the calendar year of the drawing solely due to weekend or extraordinary closure of the lottery's offices, installment payments shall be made weekly, monthly, or annually, in accordance with the type of prize awarded, from the date prize is claimed; or
- (b) If the prize was awarded in a manner other than a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date the claim is validated in accordance with the type of prize awarded.
- (13) The director may, at any time, delay any payment in order to review a change of circumstances relative to the prize awarded, the payee, the claim or any other matter that may have come to his or her attention. All delayed payments shall be brought up to date immediately upon the director's confirmation and continue to be paid on each originally scheduled payment date thereafter.
- (14) If any prize is payable for the life of the winner, only a natural person may claim such a prize.
- (15) The director's decisions and judgments in respect to the determination of a winning ticket or of any other

- dispute arising from the payment or awarding of prizes shall be final and binding upon all participants in the lottery.
- (16) Each lottery retailer shall pay all prizes authorized to be paid by the lottery retailer by these rules during its normal business hours at the location designated on its license.
- (17) In the event a dispute between the director and the claimant occurs as to whether the ticket is a winning ticket, and if the ticket prize is not paid, the director may, solely at his or her option, replace the disputed ticket with an unplayed ticket (or tickets of equivalent sales price from any game). This shall be the sole and exclusive remedy of the claimant.

- (2) Any creditor may submit, to the lottery, in a format specified by the director, data processing tapes containing debt information specified by the director. Tapes which do not contain the required information or are not in the proper format will be returned to the creditor. The creditor submitting debt information tapes shall provide replacement tapes on a regular basis at intervals not to exceed one month or less than one week. The creditor shall be solely responsible for the accuracy of the information contained therein.
- (3) Creditors submitting data processing tapes to the lottery shall also submit the name or names of designated contact persons.
- (4) The lottery shall include the debt information submitted by the creditor in its validation and prize payment process. The lottery shall delay payment of a prize, exceeding six hundred dollars, for a period not to exceed two working days, to any individual prize winner or to any other prize winner which has an individual holding a direct or indirect interest in the prize winner, and who owes a debt to a creditor pursuant to the information submitted in subsection (2) of this section. The lottery shall make a reasonable

- attempt to contact the creditor's designated contact person(s) by phone, followed by written correspondence, to verify the debt. Three phone calls, excluding busy signals, shall constitute a reasonable attempt. The prize shall be paid to the prize winner if the debt is not verified by the submitting creditor within two working days. - (9) Prior to disbursement, any verified debts owed to a creditor by the individual winner of any lottery prize exceeding six hundred dollars or by an individual holding more than a six hundred dollar interest in a prize winner shall be set off against the prize owing to the individual or against the proportionate interest of the individual in the prize winner. In the event a prize winner or an individual holding more than a six hundred dollar interest in a prize winner owes debts to more than one creditor, and the total prize to that winner or individual is insufficient to pay all debts, the set off shall be paid to the creditors on a pro rata basis based on the amount of debt owed to each creditor unless priority is established by statute.

the prize as property to pass to the surviving spouse without probate upon the death of the prize winner, then the prize shall be made payable to the surviving spouse, without the probating of an estate of the deceased.

- (2) Prize moneys will be paid according to the law of descent and distribution, chapter 11.04 RCW, of the state of Washington if the winner thereof dies intestate regardless of whether the prize winner was domiciled at the time of the prize winner's death in the state of Washington.

Payment to the surviving spouse of the remaining community property interest shall continue in installments.
- (6) The director may petition any court of competent jurisdiction to request a determination for the payments of any prize winnings which are or may become due the estate of a deceased winner or a winner under a disability because of, but not limited to, underage, mental deficiency, or physical or mental incapacity.

WAC 315-10-030 Instant games criteria. (1) The price of an instant game ticket shall not be less than \$1.00

and not more than \$5.00, except for those tickets used in authorized media promotions and authorized retailer incentive programs.

- (2) Winners of an instant game are determined by the matching or specified alignment of the play numbers on the tickets. The ticket bearer must notify the lottery of the win and submit the winning ticket to the lottery as specified by the director. The winning ticket must be validated by the lottery through use of the validation number and/or any other means as specified by the director.
- (3) The total of all prizes available to be won in an instant game shall not be less than forty-five percent of the instant game's projected revenue.
- (4) The instant game shall pay out both lower tier prizes and higher tier prizes. Lower tier prizes are of \$25.00 or less. Higher tier prizes are of more than \$25.00. The director shall determine the number of lower and higher tier prizes.
- (5) The start date and closing date of the instant game shall be publicly announced. Lottery retailers shall not sell any tickets prior to the start date of a game unless expressly authorized by the director. Lottery retailers may continue to sell tickets for each instant game for up to sixty days after the official end of game as authorized by WAC 315-10-060.
- (6) There is no required frequency of drawing or method of selection of a winner in an instant game.
- (7) At the director's discretion, an instant game may include a grand prize drawing(s). The criteria for the grand prize drawing shall be as follows:
- (a) Finalists for a grand prize drawing shall be selected in an elimination drawing(s) from redeemed tickets meeting the criteria stated in specific game rules as determined by the director. Participation in the elimination drawing(s) shall be limited to such tickets which are actually received and validated by the director on or before a date to be announced by the director. The director may reserve the right to place any semi-finalist whose entry was not entered in the elimination drawing(s) and who is subsequently determined to have been entitled to such entry into an elimination drawing of a subsequent instant game, and the determination of the director shall be final.
- (b) The number of prizes and the amount of each prize in the grand prize drawing(s) shall be determined by the director to correspond with the size and length of the instant game and to comply with subsection (3) of this section.
- (c) The dates and times as well as the procedures for conducting the elimination drawing and grand prize drawing shall be determined by the director.
- (8) Procedures for claiming instant game prizes are as follows:
- (a) To claim an instant game prize of \$600.00 or less the claimant either may present the apparent winning ticket to any lottery retailer regardless of where the ticket was purchased, or may present the apparent winning ticket to the lottery by mail or in person. When a retailer is presented with a claim under this section, the retailer shall verify the claim and, if acceptable, make payment of the amount due the claimant. The prizes shall be paid during all normal business hours of that retailer provided that claims can be validated on the lottery's instant ticket accounting system (ITAS). The retailer shall not charge the claimant any fee

for payment of the prize or for cashing a business check drawn on the retailer's account.

- (b) In the event the retailer cannot verify the claim, the claimant shall present a claim to the lottery by mail or in person. If the claim is validated by the lottery, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the director, the claim shall be denied and the claimant shall be promptly notified.
- (c) To claim an instant prize of more than \$600.00, the claimant shall complete a claim form, as provided in WAC 315-06-120, which is obtained from the lottery retailer or the lottery and mail or present in person the completed form together with the apparent winning ticket to the lottery. In the event that the claim is not validated by the director, the claim shall be denied and the claimant shall be promptly notified.
- (d) To claim an instant prize pursuant to WAC 315-10-070(2), the claimant shall notify the lottery of the claim and request reconstruction of the ticket not later than one hundred eighty days after the official end of that instant game. If the director authorizes reconstruction, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first day following the official end of that instant game. A ticket(s) validated pursuant to WAC 315-10-070(2) shall not entitle the claimant entry into the grand prize drawing, if any, for that or any subsequent instant game.
- (e) Any ticket not passing all the validation checks specified by the director is invalid and ineligible for any prize and shall not be paid. However, the director may, solely at his or her option, replace an invalid ticket with an unplayed ticket (or tickets of equivalent sales price from any other current game). In the event a defective ticket is purchased, the only responsibility or liability of the director shall be the replacement of the defective ticket with another unplayed ticket (or tickets of equivalent sale price from any other current game).

- (c) The ticket must not be counterfeit in whole or in part.
- (d) The ticket must not be stolen nor appear on any list of omitted tickets on file with the lottery.
- (e) The ticket must be complete and not blank or partially blank, miscut, misregistered, defective, or printed or produced in error.
- (f) The ticket must have exactly one play symbol and exactly one caption under each of the rub-off spots, exactly one pack-ticket number, exactly one agent verification code, and exactly one validation number. They must be present in their entirety, legible, right-side up, and not reversed in any manner.
- (g) The validation number of an apparent winning ticket shall appear on the lottery's official list of validation numbers of winning tickets; and a ticket with that validation number shall not have been previously paid.
- (h) The ticket must pass all additional confidential validation requirements established by the director.
- (2) The director may authorize reconstruction of an alleged winning ticket which was not received and/or cannot be located by the lottery. Provided, the person requesting reconstruction submits to the lottery sufficient evidence to enable reconstruction and that they have submitted a claim for the prize, if any, for that ticket. If the reconstructed ticket is a winning ticket and meets the validation requirements contained in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game, the director may authorize payment of the prize. Provided, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first day following the official end of that instant game. A ticket(s) validated pursuant to this subsection shall not entitle the claimant entry

into the grand prize drawing, if any, for that or any subsequent instant game.

- (3) Any ticket not passing all the validation requirements in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game is invalid and ineligible for any prize.
- (4) The director may replace any invalid ticket with an unplayed ticket of equivalent sales price from any current instant game. In the event a defective ticket is purchased, the only responsibility or liability of the lottery shall be the replacement of the defective ticket with an unplayed ticket of equivalent sales price from any current instant game, or issue a refund of the sales price. However, if the ticket is partially mutilated or if the ticket is not intact but it still can be validated by other validation tests, the director may pay the prize for that ticket.

(1) Each retailer licensed with the lottery to sell instant tickets shall establish an account for deposit of moneys derived from instant game sales with a financial institution that has the capability of electronic funds transfer (EFT) and shall make payment of all moneys due the lottery through the EFT account. Funds generated from the sale of instant tickets are held in trust by the retailer until transfer to the lottery.
