WAC 389-12-020 Definitions. Unless the context requires otherwise:

(1) **Qualified public depositary.** "Qualified public depositary" means a financial institution which does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the commission eligible collateral having a value of not less than its maximum liability and which has been approved by the commission to hold public deposits.

(2) **Financial institution.** A "financial institution" means any of the following which are located in this state and are lawfully engaged in business:

Reviser's note: RCW 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 389-12-030 New qualified public depositaries. Any financial institution in the state of Washington eligible under the act, in order to become a qualified public depository, must be approved by the commission and segregate collateral in the manner as set forth in these rules prior to the receipt of public deposits. Until such time as qualified depositaries have submitted four consecutive reports to the commission as required by RCW 39.58.100, they shall at all times be required to pledge and segregate eligible securities, valued at market value, in an amount equal to not less than 10% of all public funds on deposit in said depository. During the interim period in which a financial institution is required to file four consecutive reports, each such institution shall report to the commission on each commission report date on forms supplied by the commission.

[Statutory Authority: RCW 39.58.040, 84-21-036 (Order 84-II, Resolution No. 84-004), § 389-12-030, filed 10/11/84; 84-03-037 (Order 84-01), § 389-12-030, filed 1/13/84; Order 77-XIII, § 389-12-030, filed 9/27/77; Order II, § 389-12-030, filed 6/13/73; Order 1, § 389-12-030, filed 2/9/70.]

WAC 389-12-040 Computation and report of maximum liability. On each commission report date each public depository shall recompute its maximum liability on a form to be supplied by the commission. Such report shall, in addition to other information, show the current amount of deposits of Washington state and its political subdivisions for

the most recent commission report date, such deposits as shown on the four most recent reports (i.e., current report and three immediately preceding reports), the average of these deposits for the four report periods, and the depository's maximum liability as defined in RCW 39.58.010(6).

The report to the commission shall be received in the office of the commission not later than thirty days following each calendar quarter end, and shall have attached a completed copy of the balance sheet portion of the depository's most recent consolidated report of condition or most recent report to the Federal Home Loan Bank, whichever is applicable.

At the end of each calendar quarter, the commission shall provide appropriate reporting forms to each qualified public depository and the amount constituting thirty percent of total public funds on deposit in Washington state for the preceding quarter. Depositories will use this figure for the current report period and to monitor their total public funds on deposit for the ensuing quarter, unless notified of a revised figure by the commission.

Upon written request from a depository the commission may, for good cause shown, extend the due date for commission reports for a period not to exceed ten days.

If the maximum liability has increased from the previous report or if aggregate public deposits exceed the limitations prescribed in section 19, chapter 177, Laws of 1984, the depository shall immediately increase its collateral and the commission shall be so notified.

Each public depository shall provide to the commission a copy of any changes, amendments, or alterations to the depository's financial report as submitted to appropriate regulatory authority which relate to (a) deposits of states and political subdivision, and/or (b) net worth.

[Statutory Authority: RCW 39.58.040. 84-21-036 (Order 84-II, Resolution No. 84-004), § 389-12-040, filed 10/11/84; 84-03-037 (Order 84-01), § 389-12-040, filed 1/13/84; Order 77-XIII, § 389-12-040, filed 9/27/77; Order II, § 389-12-040, filed 6/13/73; Order I, § 389-12-040, filed 2/9/70.]

WAC 389-12-050 Valuation. Securities pledged as collateral by a qualified public depository shall be reported at market value.

Market value shall be computed as of the date of segregation or the last preceding commission report date, whichever is later. When the commission report is submitted, each depository shall provide on a form supplied by the commission a current listing of those securities pledged and their then current market and par value.

[Statutory Authority: RCW 39.58.040. 84-21-036 (Order 84-II, Resolution No. 84-004), § 389-12-050, filed 10/11/84; 84-03-037 (Order 84-01), § 389-12-050, filed 1/13/84; Order 77-XIII, § 389-12-050, filed 9/27/77; Order II, § 389-12-050, filed 6/13/73; Order I, § 389-12-050, filed 2/9/70.]

WAC 389-12-060 Deposit of collateral. Except for the exchange or substitution of securities having a like or greater market value, the trustee shall not permit the withdrawal of any security without advance written approval of the commission.

The trustee, under a depository pledge agreement, shall inform the commission whenever assets are delivered to or by the trustee by mailing to the commission, within twenty-four hours following such deposit or withdrawal, a copy of

the receipt signed by the party that accepted delivery of such assets.

No costs, fees and expenses incidental to the functioning of the pledge agreement shall be a charge against the commission or its interest in the securities pledged.

Each qualified depository shall at all times maintain eligible collateral segregated and pledged with its trustee having a value at least equal to its maximum liability as defined in the act and under these rules and regulations. Compliance with the foregoing requirement shall be the depository's responsibility regardless of the frequency and form of reports required by the commission.

[Order 77-XIII, § 389-12-060, filed 9/27/77; Order II, § 389-12-060, filed 6/13/73; Order I, § 389-12-060, filed 2/9/70.]

WAC 389-12-065 Aggregate deposit limitations.

Whenever the public funds on deposit in a qualified public depository exceed the limits set forth in section 19, chapter 177, Laws of 1984, such depository shall immediately:

(1) Notify the commission; and

(2) Provide additional collateral, if necessary, to provide one hundred percent collateralization of such excess deposits.

When a depository's net worth position is reduced, such depository shall determine if any public treasurer's funds on deposit exceed the revised net worth. If any such excess deposits exist, the depository shall immediately notify the commission and provide the commission with a detailed accounting of deposits. The depository shall also advise the commission of its intent to:

(1) Provide one hundred percent collateralization of the excess deposits; or

(2) Allow the treasurer to withdraw such deposits in accordance with section 18, chapter 177, Laws of 1984.

WAC 389-12-071 Minimum standards for the financial condition of qualified public depositories.

Notwithstanding any other provisions of chapter 39.58 RCW and chapter 389-12 WAC, a qualified public depository must maintain a specified ratio of net worth to assets of not less than three percent. If such ratio for a depository shall fall below three percent, the depository shall pledge securities as collateral, valued at current market value, in a total amount at least equal to one hundred percent of its current public deposits: *Provided*, That the commission may, at any time, in its discretion, require a depository to pledge additional collateral after consultation with appropriate regulatory authorities.

The collateral pledged under this section shall not be less than the maximum liability as required in RCW 39.58.050(1), but may include collateral required by RCW 39.58.130, 39.58.135, and WAC 389-12-065.

WAC 389-12-080 Maximum deposit limitation. In determining the maximum deposit limitation of any financial institution, a treasurer, unless advised to the contrary by the commission, may assume that each depository's net worth has remained unchanged from that stated in the most recently rendered commission report.

[Statutory Authority: RCW 39.58.040. 84-21-036 (Order 84-II, Resolution No. 84-004), § 389-12-080, filed 10/11/84; 84-03-037 (Order 84-01), § 389-12-080, filed 1/13/84; Order 77-XIII, § 389-12-080, filed 9/27/77; Order 1, § 389-12-080, filed 2/9/70.]

All public depositories are required to submit to such inspections and/or audits of their public deposits and/or eligible collateral as the commission may from time to time require.

WAC 389-12-280 Copying. No fee shall be charged for the inspection of public records. The commission shall charge a fee of not to exceed 25 cents per page of copy for providing copies of public records. This charge shall not exceed the amount necessary to reimburse the commission for its actual costs incident to such copying.

[Order XII, § 389-12-280, filed 11/28/73.]

WAC 389-12-290 Exemptions. (1) The commission reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 389-12-270, is exempt under the provisions of section 31, chapter 1, Laws of 1973.

(2) In addition, pursuant to section 26, chapter 1, Laws of 1973, the commission reserves the right to delete identifying details when it makes available or publishes any public record, in any cases when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973. The public records officer will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

[Order XII, § 389-12-290, filed 11/28/73.]

WAC 389-12-300 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such a decision by tendering a written request for review. The written request shall specifically refer to the written statement by the public records officer or other staff member which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public

records officer or other staff member denying the request shall refer it to the state treasurer as chairman of the commission. The chairman shall consider the matter and either affirm or reverse such denial or call a special meeting of the Washington public deposit protection commission as soon as legally possible to review the denial. In any case, the request shall be returned with a final decision, within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the system has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

[Order XII, § 389-12-300, filed 11/28/73.]

WAC 389-12-310 Records index. It is unduly burdensome for the commission to prepare and maintain an index of their materials since there is no appropriation provision for administrative staff and all of the duties prescribed by statute are conducted by state treasurer staff members, in addition to their regularly assigned duties regardless of overtime requirements and without regard to additional pay. All records of the commission are and will be made available in accordance with the due processes as set forth in these rules.

[Order XII, § 389-12-310, filed 11/28/73.]
