WAC 390-05-215 Receipt of a campaign contribution. "Receipt" of a campaign contribution, as that term is used in chapter 42.17 RCW, shall be deemed to occur at the earliest of the following:

(1) The date that the candidate, treasurer, deputy treasurer, campaign manager, campaign chairperson or similarly situated campaign official obtains possession of the contribution, or

(2) The date that the candidate, treasurer, deputy treasurer, campaign manager, campaign chairperson or similarly situated campaign official is informed of the contribution, or becomes aware that the campaign, or in the case of an earmarked contribution, the intermediary or conduit, has possession of the contribution, or

(3) The date that the contribution becomes available for use by the candidate or committee.

WAC 390-05-220 Definition—Consideration. The term "consideration" as used in the act and in these rules shall be deemed to include anything of value promised or paid or transferred in return for a person's property or services rendered or to be rendered, including but not limited to reimbursement for traveling or other expenses.

[Statutory Authority: RCW 42.17.370(1). 85-15-020 (Order 85-03), § 390-05-220, filed 7/9/85; Order 62, § 390-05-220, filed 8/26/75.]

WAC 390-05-235 Definition—Fair market value.

(1) "Fair market value" or "value" when used in the act or rules is the amount in cash which a well-informed buyer or lessee, willing but not obligated to buy or lease that property, would pay, and which a well-informed seller, or lessor, willing but not obligated to sell or lease it, would accept, taking into consideration all uses to which the property is adapted and might in reason be applied.

(b) If, in determining "fair market value" or "value," the amount buyer would pay and the amount a seller would accept would be based on varying standards, then the fair market value of the contribution shall be based on the amount the contributor would ordinarily accept for selling the property, rather than the amount the candidate or political committee would ordinarily pay. For example, if a contributor who sells property in the ordinary course of this or her business at a wholesale price donates such property to a candidate or political committee who would ordinarily pay the retail price as a consumer, then the fair market value of the contribution shall be the wholesale price.

(2)(a) Any person who donates an item for sale, raffle, auction or awarding at a fund-raising event is making a contribution to the recipient candidate or political committee in an amount equal to the fair market value of the item donated.

(b) Any person who buys a donated item makes a contribution equal in value to the difference between the purchase or auction price and the fair market value of the donated item.

(c) If the purchase or auction price is the same as the fair market value, the buyer's contribution is zero. If the purchase or auction price is less than the fair market value, the buyer's contribution is zero and the donor's contribution is reduced to the amount of the sale or auction price.

(3) The value of any in-kind contribution donated to any candidate or political committee subject to contribution limits

pursuant to RCW 42.17.640 shall not, when combined with other contributions to that candidate or political committee, exceed the donor's applicable contribution limit as set forth in RCW 42.17.640. The value of an in-kind contribution donated as an exempt contribution to a bona fide political party committee or other political committee eligible to receive exempt funds is only subject to the limit imposed by RCW 42.17.105(8).

(4)(a) Except as provided in WAC 390-16-207, if a person permits a candidate, a candidate's authorized committee or a political committee to use the telephones of a business, union, organization or other entity without charge for the purpose of making local campaign-related calls, the telephone usage is an in-kind contribution and shall be valued at its fair market value or, if no fair market value is ascertainable, \$1 per telephone per calendar day or part thereof.

(b) If toll calls are permitted, the toll charges are also an in-kind contribution unless the candidate, the candidate's authorized committee or the political committee reimburses the person in full within 30 days of making the toll calls.

WAC 390-05-271 General applications of RCW 42.17.130. (1) RCW 42.17.130 does not restrict the right of any individual to express his or her own personal views concerning, supporting, or opposing any candidate or ballot proposition, if such expression does not involve a use of the facilities of a public office or agency.

(2) RCW 42.17.130 does not prevent a public office or agency from (a) making facilities available on a nondiscriminatory, equal access basis for political uses or (b) making an objective and fair presentation of facts relevant to a ballot proposition, if such action is part of the normal and regular conduct of the office or agency.

Normal and regular conduct of a public office or agency, as that term is used in the proviso to RCW 42.17.130, means conduct which is (1) lawful, i.e., specifically authorized, either expressly or by necessary implication, in an appropriate enactment, and (2) usual, i.e., not effected or authorized in or by some extraordinary means or manner. No local office or agency may authorize a use of public facilities for the purpose of assisting a candidate's campaign or promoting or opposing a ballot proposition, in the absence of a constitutional, charter, or statutory provision separately authorizing such use.

WAC 390-12-050 Operations and procedures. (1) The public disclosure commission was created by the passage of Initiative 276 in 1972 for the principal purpose of providing the public with accurate information about certain financial affairs of candidates and elected officials, about the financing of election campaigns and the sponsors of political advertising, and about expenditures made in the course of lobbying. The initiative also contains provisions guaranteeing citizen access to most records of most elements of state and local government.

(2) The duties, responsibilities and powers of the commission are set forth in RCW 42.17.360, 42.17.370, 42.17.395 and 42.17.397. Provisions for establishing the commission and appointing the members thereof are stated in RCW 42.17.350.

(3) Commissioners meet monthly to consider and act on major policy matters, on requests for reporting modifications and on enforcement cases. All meetings are conducted in accordance with the Open Public Meetings Act (chapter 42.30 RCW) and the Administrative Procedure Act (chapter 34.05 RCW), and Sturgis Standard Code of Parliamentary Procedure. The passage of any motion adopting, amending or repealing any rule, or recommending changes to the act shall require a majority vote of the members of the commission as distinguished from a quorum of the commissioners.

(4) The staff prepares and distributes reporting forms and instructions in the most practical manner to persons subject to the law. The instructions are intended to satisfy the requirement of RCW 42.17.360 to publish bookkeeping manuals. The staff also provides personal instruction and technical assistance to persons with specific problems and questions.

(5) Between 45,000 and 55,000 reports are received during a calendar year from an average of 9,500 reporting "clients." The staff receives these reports, records their receipt, and microfilms and files them. Every effort is made to have reports filmed and available for public inspection and copying within twenty-four hours of their receipt.

(6) Procedures for accessing the files of the agency are given in chapter 390-14 WAC. The staff will provide microfiche copies of reports when requested by mail or telephone. Reports are generally sent the same day the request is received. Answers to telephone inquiries seeking information from particular reports will be limited to (a) verification that a report is on file and (b), if regarding a campaign financing report, the most recent totals for contributions and expenditures.

(7) While some citizens will benefit from the reports by personally reviewing them, most will look to the news media for information. The staff compiles occasional summaries and studies for distribution to news outlets. Known as "Reports to the Public," they provide a condensed mirror

image of the information in reports filed with the commission.

(8) The act demands complete, accurate and timely reporting. The commission, as a vehicle of communication between those engaged in political life and the general public, is expected to take whatever actions are necessary to assure the public of having the information it is entitled to; that the flow of communication is not interrupted by those responsible for providing the information. Within the resources provided the commission, reports are reviewed, field audits are conducted and complaints are investigated. The staff concentrates on assisting people in meeting their obligations under the law in hopes of fulfilling the purpose of the act without having to resort to enforcement actions resulting in embarrassment and monetary penalties. Gross negligence and evasions of the act will not be tolerated, however. Acting without fear or favor, the staff will bring to the commissioners for appropriate action all matters where there is evidence of a material violation of chapter 42.17 RCW and/or lack of substantial compliance.

WAC

- 390-13-010 Optional format for requests for lists of individuals.
- 390-13-100 Duties of elections officials receiving copies of campaign finance reports.

WAC 390-13-010 Optional format for requests for lists of individuals. The use of a list of individuals obtained from an agency for commercial purposes is prohibited by RCW 42.17.260(9). The commission finds that the term "commercial purposes" has been interpreted by different agencies in inconsistent ways resulting in confusion and a lack of uniform administration of that statute. Therefore, the following format is adopted by the commission and authorized for use by agencies, at their option, to bring uniformity to the administration of that statute.

1. I have requested copies of the following public records:
2. I understand that Washington state law, RCW 42.17.260(9), prohibits the use of lists of individuals for commercial purposes.
3. I understand that the use for commercial purposes of said records may also violate the rights of the individuals named therein and may subject me to liability for such commercial use.
4. I understand that section 2 [and] [or] 3 herein apply when I use said records for commercial purposes and when others use said records or copies of same for commercial purposes. I understand that I may be liable in either case.
5. I understand that "commercial purposes" means that the person requesting the record intends that the list will be used to communicate with the individuals named in the record for the purpose of facilitating profit expecting activity.
6. Therefore, I do hereby swear and affirm on oath and under penalty of law that I will not use said records for commercial purposes and that further, it is my affirmative duty to prevent others from using said records for commercial purposes.
7. I do further swear and affirm on oath and under penalty of law that I will protect and hold harmless, including the cost of defending, the agency and its agents and employees from which I have obtained said records from any and all claims arising either directly or indirectly from the commercial use of said records.

- (e) Reports shall be placed in the files and available for public inspection by the end of the next business day following receipt.

CONTRIBUTIONS OF \$100 OR MORE When an individual gives the campaign a total of \$100 or more in the aggregate, that person's employer must be identified by name, city, state and the person's occupation must also be disclosed. Once an individual gives at least \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives \$100 or more since the beginning of the calendar year, show occupation and employer.

PRIMARY/GENERAL ELECTION Candidates for legislative or state executive office must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a "X" in the PRI box; if it counts toward the contributor's general election limit, put an "X" in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks - one each for the primary and general donations. See instruction manual for example.

Local and judicial office candidates, political committees and continuing political committees - primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Legislative or State Executive Candidates: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person's primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor's general election total. (Only your campaign records and PDC's computer records will keep track of the grand total for both elections.)

Local and Judicial Candidates: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

Item No./Description: As each item to be auctioned is received, assign it a number and a brief description.

Contributor: The person or organization that donates an item or service to be auctioned. If the campaign purchases items for auction, state "purchased by committee" under contributor's name. If auction is held by state office candidate, designate which election (PRI or GEN) contribution is for. Contribution amount is fair market value of item or service and is subject to any applicable contribution limit. Adjust fair market value amount if sold for less than initial fair market value. See No. 2 below.

Buyer: The person who buys the item or service being auctioned. If auction is held by state office candidate, designate which election (PRI or GEN) buyer is giving to when purchase price exceeds fair market value amount.

Fair Market Value: The retail value of the article. Adjust if amount paid is less than fair market value. See No. 2 below.

Sale Price: The amount the buyer paid for the item or service.

Amount Over Fair Market Value: The amount the sale price exceeds fair market value. If sale price is less than or equal to the fair market value, leave blank. The amount paid in excess of fair market value is a contribution from the buyer and is subject to any applicable contribution limit.

Aggregate Total:

Buyer: Amount over fair market value plus all previous contributions made during campaign (for state office candidates, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

Cash Payments: No cash payment of more than \$50 may be accepted unless a receipt, signed by the buyer and the candidate, treasurer or deputy treasurer, is prepared and made part of the campaign's financial records.

The purpose of this report is to highlight receipt of an earmarked contribution. (That is, a contribution given to one candidate or political committee with the understanding, intent or instruction that it be used to benefit another candidate or committee.) This report is filed in addition to any other required reporting of the transaction.

A separate "Special Report E" is filed for each earmarked contribution received by any candidate or political committee.

File this report within two working days of receiving the earmarked contribution. Mail or deliver the original to PDC. Send a copy to the benefiting candidate or committee, also within two working days.

NOTE: Candidates for legislative and statewide executive office are subject to state contribution limits. Earmarked contributions count toward the applicable limit and are attributed to the original source of the contribution (unless another person controlled the choice of recipient). It's a violation for anyone to accept a contribution in excess of the relevant limit. Verify with the campaign of a legislative or statewide office candidate before accepting a contribution earmarked for the benefit of such a candidate.

WAC 390-17-200 Major political party organizations. (1) With respect to a major political party, each of the following is considered a separate organization for purposes of making and receiving contributions: governing body of the state organization, county central committee and legislative district committee.

(2) Each major political party is restricted to one state central committee, one county central committee per county and one legislative district committee per legislative district.

(3) Each major political party shall designate each county central committee and each legislative district committee and shall notify the commission within two weeks following the designation by filing a PDC Form C-1pc.

[Statutory Authority: RCW 42.17.370. 93-16-064, § 390-17-200, filed 7/30/93, effective 8/30/93.]

WAC 390-17-205 Number of registered voters—Calculation. (1) For purposes of determining the number of registered voters in a jurisdiction, as required in RCW 42.17.640, bona fide political parties and caucus committees shall initially use the number of registered voters as of the date of the last general election for the office sought by the candidate for whom the contribution is to be made. The final number of registered voters for an election will be the number of registered voters on the last day of voter registration prior to the relevant election according to chapter 29.07 RCW.

(2) If the bona fide political party or caucus committee makes contributions to a candidate based on the initial number of registered voters and the final number of registered voters is less than the initial number such that the aggregate contributions made to the candidate exceeds the contribution limit, the bona fide political party or caucus committee shall request and the candidate shall, after receiving this request, return to the bona fide political party or caucus committee, that amount which exceeds the contribution limit.

(3) For purposes of this rule and RCW 42.17.640, registered voters and eligible registered voters shall have the same meaning.

WAC 390-17-300 Contribution designation for primary and general election. (1) Pursuant to RCW 42.17.640(1), if a contribution is designated in writing by the contributor for a specific election, the contribution will be attributed to the contributor's limit for that designated election.

(2) An undesignated contribution made prior to the date of a primary election shall be attributed to the contributor's limit for the primary election. Undesignated contributions made after the date of the primary shall be attributed to the contributor's limit for the general election.

(3) Any portion of an undesignated contribution made prior to the date of the primary which exceeds the contribu-

tor's primary election contribution limit shall be attributed to the contributor's limit for the general election.

(4) Contributions for the primary election shall be accounted for separately from those for the general election, such that campaign records reflect one aggregate contribution total for each contributor giving in the primary election as well as one aggregate contribution total for each contributor giving in the general election.

(5) General election contributions shall not be spent for the primary election if to do so would cause the contributor of the general election contribution to exceed that contributor's contribution limit for the primary election.

(6) If a candidate loses in the primary election, or otherwise is not a candidate in the general election, all contributions attributed to the primary election remaining after repayment of outstanding campaign obligations shall be considered surplus funds, disposal of which is governed by RCW 42.17.095. If a candidate loses in the primary election, or otherwise is not a candidate in the general election, all contributions attributed to the general election shall be returned to the contributors of the funds in an amount equal to the contributor's general election aggregate total. If a portion of a contributor's general election contribution was spent on the primary election consistent with subsection (5) of this section, the amount returned to the contributor may be reduced by the amount of the contribution spent on the primary election.

(d) Income from trusts, if established before candidacy;

(e) Income from trusts established from bequests, even if established after candidacy;

(f) Personal gifts, if customarily received; and

(g) Proceeds from lotteries and similar games of chance.

(2) A candidate may also use, as personal funds, his or her portion of assets owned jointly with a spouse. If the candidate's financial interest is not specified, then the candidate's share is deemed to be half the value of the asset.

(3) If any person gives or loans the candidate funds in connection with his or her campaign, the funds are not considered personal funds of the candidate. Such funds are considered a contribution under chapter 42.17 RCW unless the loan meets the exemption provided in RCW 42.17.720(3).

POLITICAL ADVERTISING

WAC

390-18-010	Political advertising—Identification of sponsor.
390-18-020	Political advertising—Political party identification.
390-18-030	Political advertising—Exemptions from identification.

WAC 390-18-010 Political advertising—Identification of sponsor. (1) For the purposes of RCW 42.17.510 and this rule, "sponsor" means the candidate, political committee or other person paying for the advertising. If a person acts as an agent for another or is reimbursed by another for the payment, the original source of the payment is the sponsor.

(2) With advertising for which no payment is demanded or for which a cost is not readily ascertainable, the sponsor is the candidate, political committee or person who solicits or arranges for the advertising to be displayed or broadcast.

(3) If more than one person sponsors specific advertising, the identity of each sponsor must be shown. However, if a person contributes in cash or in-kind to a candidate or political committee to assist in paying the cost of advertising, it is unnecessary to include that contributor's name as a sponsor provided the contribution is reported in accordance with applicable provisions of chapter 42.17 RCW.

(4) Printed advertising shall clearly state in a printed or drawn box set apart from any other printed matter that it has been paid for by the sponsor (Example: (1) Paid for by the XYZ Committee, mailing address, city, state, zip code; (2) Vote for John Doe, paid for by John Doe, mailing address, city, state, zip code). Broadcast advertising shall conform to the requirements of the Federal Communications Commission.

(5)(a) Political advertising consisting of more than one page but intended to be presented as a single item (i.e. 3-page letter with return envelope) must identify the sponsor on each page of the advertising. Identification on an enclosed return envelope or the envelope in which the advertising is sent is not sufficient.

(b) Political advertising which is a collection of several items relating to more than one candidate or committee and distributed simultaneously must show the respective sponsor on the respective items.

WAC 390-18-020 Political advertising—Political party identification. The commission shall publish a suggested list of abbreviations or symbols which may be used by candidates and political committees which the commission finds will clearly identify political party affiliation.

WAC 390-18-030 Political advertising—Exemptions from identification. (1) Pursuant to RCW 42.17.510(4), the

following forms of political advertising need not include the sponsor's name and address, the "notice to voters" or the "top five contributors" information as otherwise required by RCW 42.17.510 (1) and (2) because such identification is impractical: Ashtrays, badges and badge holders, balloons, bingo chips, brushes, bumper stickers—size 4" x 15" or smaller, buttons, cigarette lighters, clothes pins, clothing, coasters, combs, cups, earrings, emery boards, envelopes, erasers, frisbees, glasses, golf balls, golf tees, hand-held signs, hats, horns, ice scrapers, inscriptions, key rings, knives, labels, letter openers, magnifying glasses, matchbooks, nail clippers, nail files, newspaper ads of one column inch or less, noisemakers, paper and plastic cups, paper and plastic plates, paper weights, pencils, pendants, pennants, pens, pinwheels, plastic tableware, pocket protectors, pot holders, reader boards where message is affixed in moveable letters, ribbons, 12-inch or shorter rulers, shoe horns, skywriting, staple removers, stickers—size 2-3/4" x 1" or smaller, sunglasses, sun visors, swizzle sticks, state or local voters pamphlets published pursuant to law, tickets to fund raisers, water towers, whistles, yard signs—size 4' x 8' or smaller, yo-yos, and all other similar items.

[Statutory Authority: RCW 42.17.390. 95-01-074A, § 390-18-030, filed 12/16/94, effective 1/16/95. Statutory Authority: RCW 42.17.370(1). 85-15-020 (Order 85-03), § 390-18-030, filed 7/9/85.]

WAC 390-18-040 Use of the terms "reelect," "retain," and "return." (1) The term "reelect" when used in a political advertisement represents that the candidate is presently holding the office being sought, was elected to it, and is seeking another term in that same office in the same district or political subdivision.

(2) The term "reelect" may be used in a political advertisement by a nonincumbent candidate who has previously been elected to the office being sought provided that in the same advertisement it is clearly stated that the candidate is not the incumbent.

(3) The term "retain" in a political advertisement represents that the candidate is the incumbent but does not [represent] [imply] that the candidate attained the office by election.

(4) The term "return" in a political advertisement represents that the candidate now holds, or has previously held, the office being sought, but does not represent that the office was attained by election.

(5) Whenever the boundaries of a district or political subdivision are officially altered through redistricting, consolidation or other official procedures, the candidate holding an office in the affected district or political subdivision may, in a political advertisement, use the term "reelect," "retain" or "return," as appropriate, if the candidate is seeking the same office in the revised district or political subdivision.

(6) Stating the office sought (e.g., "mayor") by a candidate in a political advertisement without expressly stating the candidate is seeking election to the office (e.g., "for mayor"; "Elect Smith Mayor") represents that the candidate presently holds that office.

[Statutory Authority: RCW 42.17.370. 92-12-037, § 390-18-040, filed 5/29/92, effective 6/29/92. Statutory Authority: RCW 42.17.370(1). 88-14-064 (Order 88-02), § 390-18-040, filed 7/1/88; 86-12-059 (Order 86-03), § 390-18-040, filed 6/3/86.]

Reviser's note: RCW 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 390-18-050 Commercial advertisers—Public inspection of records. (1) Pursuant to RCW 42.17.110, any person, without reference to or permission from the public disclosure commission, is entitled to inspect the political advertising records of a commercial advertiser.

(2) No commercial advertiser shall be required to make available for public inspection information regarding political advertising prior to the time when the advertisement has initially received public distribution or broadcast.

(3) The documents and books of account which must be maintained open for public inspection pursuant to RCW 42.17.110 (1)(a), (b) and (c) shall at a minimum include the following information:

(a) The name of the candidate or ballot measure supported or opposed;

(b) The name and address of the person who sponsored the advertising;

(c) The total cost of the advertising, how much of that amount has been paid, who made the payment, when it was paid, and how payment was made;

(d) Date(s) the services of the commercial advertiser was rendered;

(e) RCW 42.17.110 (1)(c) requires the maintenance of records which show the exact nature and extent of services rendered. Sufficient information describing the major work components or tasks which were required to provide the advertising services satisfies this requirement; examples of which include, but are not limited to, the following:

(i) For printers and similar print commercial advertisers: Quantity or items, amount of space, item description, design, layout, typesetting, photography, printing, silk screening, bindery;

(ii) For mailing services: Quantity of items mailed, bindery or stuffing, labeling, list or directory services, postage or delivery;

(iii) For broadcast media: Time or number of spot advertisements. If the broadcaster provides additional services such as copy writing, talent, production, tape reproduction, some type of record or notation evidencing the additional service should be available.

(iv) For billboard or sign companies: Number and location of signs, design, printing and art work, erection/removal costs;

(v) For specialty or novelty commercial advertisers: Quantity of items provided, silk screening, design, printing and art work;

(vi) For newspapers and other print media: Amount of space and frequency that advertisement is run. If the advertiser provides additional services such as design or layout, some type of record evidencing such additional services should be available.

WAC 390-20-052 Application of RCW 42.17.190—Reports of agency lobbying. Pursuant to the authority granted in RCW 42.17.190(8), the commission adopts the following interpretations regarding the reporting of lobbying by public agencies pursuant to RCW 42.17.190:

(1) The phrase "in-person lobbying" contained in RCW 42.17.190 (5)(d)(v)(B) includes activity which is intended to influence the passage or defeat of legislation, such as testifying at public hearings, but does not include activity which is not intended to influence legislation, such as attending a hearing merely to monitor or observe testimony and debate.

(2) The phrase "a legislative request" contained in RCW 42.17.190 (5)(d)(ii) includes an oral request from a member of the legislature or its staff.

(3)(a) When any subagency (i.e. department, bureau, board, commission or agency) within a state agency, county, city, town, municipal corporation, quasi-municipal corporation or special purpose district (i.e. primary agency) has independent authority to expend public funds for lobbying, that subagency may file a separate L-5 reporting the information required by RCW 42.17.190(5).

(b) When a subagency elects to file its own, separate L-5, it shall notify the commission and the administrative head of the primary agency of its intentions in writing. The primary agency shall not thereafter include information for the subagency in its L-5, and shall have no legal obligation for the filings of the subagency.

(4) Pursuant to RCW 42.17.190(6), certain local agencies may elect to have lobbying activity on their behalf reported by their elected officials, officers and employees in the same manner as lobbyists who register and report under RCW 42.17.150 and 170:

(a) Whenever such a local agency makes such an election, it shall provide the commission with a written notice.

(b) After such an election, those who lobby on behalf of such local agency shall register and report all lobbying activity reportable under RCW 42.17.190(5) in the same manner as lobbyists who are required to register and report under RCW 42.17.150 and 42.17.170. Such a local agency shall report pursuant to RCW 42.17.180.

(c) In order to terminate such an election, such a local agency shall provide the commission with a written notice and it shall report pursuant to RCW 42.17.190(5) thereafter.

(d) The exemptions from reportable lobbying activity contained in RCW 42.17.190 (5)(d) apply to all agencies, whether or not they have exercised the election to report in the same manner as lobbyists who report under RCW 42.17.150, 42.17.170 and 42.17.180. The exemptions contained in RCW 42.17.160 (1), (4) and (5) do not apply to any agency.

(5) Unless an agency has elected to report its lobbying pursuant to RCW 42.17.190(6) and subsection (3) of this section, an agency shall include the reportable lobbying activity on its behalf by an elected official in its quarterly report. Such an elected official does not file any separate report of that activity.

(6) Reportable in-person lobbying by elected officials, officers and employees:

(a) An elected official does not engage in reportable in-person lobbying on behalf of this agency unless and until that elected official has expended in excess of fifteen dollars of nonpublic funds in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington during any three-month period as provided in RCW 42.17.190 (5)(d)(v)(B).

(b) Other officers and employees do not engage in reportable in-person lobbying on behalf of their agency unless and until they have, in the aggregate, expended in excess of fifteen dollars of nonpublic funds in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington or they have, in the aggregate, engaged in such lobbying for more than four days or parts thereof during any three month period as provided in RCW 42.17.190 (5)(d)(v)(B).

(c) When limits in (a) or (b) of this subsection have been exceeded, the agency shall report such elected official, officer, or employee as a "person who lobbied this quarter" on the front of PDC Form L-5 and include a listing of those excess expenditures as noted on that form.

(2) An agency which retains an independent contractor as a lobbyist and reports all of its expenditures in connection therewith pursuant to RCW 42.17.190 shall not be obligated to file a report pursuant to RCW 42.17.180 with regard to that lobbyist.

WAC 390-20-100 Effect of Public Disclosure Act—Freedom of communication—Employer interference. Except as provided by RCW 42.17.150 - 42.17.190, which require certain persons who lobby to register and file periodic reports with the commission, nothing in the Public Disclosure Act shall be deemed to impair or restrict the right of any individual to communicate to any member of the legislature or other legislative enactment of any other state agency, regardless of whether or not such matter as to which he or she communicates also affects, directly or indirectly, the interest of his or her employer: *Provided*, Such activity involves no unauthorized or unlawful use of an employer's time or funds.

Nothing in the act shall be deemed to necessitate or excuse if otherwise unlawful, any instruction, directive or order issues, orally or in writing, by any employer restrain-

ing such communication by an employee, or requiring such employee to obtain advance permission from such employer in order to make such communication. Any adverse action taken against such employee for the alleged violation of such instruction, directive or order, contrary to the policies expressed in these rules, which depends or purports to depend upon the provisions of the Public Disclosure Act for its validity, shall be considered unlawful. Any such action, when reported to or discovered by the commission, shall be reported to appropriate enforcement agencies for such civil or criminal action as may be appropriate.

WAC 390-20-105 Lobbyist's employer—Meaning—Examples. (1) The term "lobbyist's employer" includes every person who engages or utilizes the services of any other person to lobby, upon an agreement express or implied, for compensation or for other consideration, as that term is defined in WAC 390-05-220. A person is a lobbyist's employer within the meaning of the act when:

(a) Other persons are actually employed by or receive consideration from such person in whole or in part[,] for lobbying;

(b) Officers or [employees] [employers] of such person, lobby for or on behalf of such person, whether such duties are expressed in the corporate or partnership articles or bylaws or other writings of such employer, or in a written or oral contract, or exist by reason of a mutual understanding;

(c) The lobbying services are secured or arranged for through an authorized representative.

(2) A person shall not be deemed to be a lobbyist's employer solely because an employee of such person engages in lobbying.

[Statutory Authority: RCW 42.17.370(1). 88-14-064 (Order 88-02), § 390-20-105, filed 7/1/88; 85-24-020 (Order 85-05), § 390-20-105, filed 11/26/85; Order 62, § 390-20-105, filed 8/26/75.]

Reviser's note: RCW 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

Reviser's note: Notice of Objection: The Joint Administrative Rules Review Committee finds that WAC 390-20-110 has not been modified, amended, withdrawn, or repealed by the Public Disclosure Commission so as to conform with the intent of the Legislature as expressed in RCW 42.17.170 and 42.17.180. Therefore, pursuant to its authority under RCW 34.04.240, this notice of objection is filed.

The Joint Committee finds that WAC 390-20-110 requires the disclosure of information from lobbyists' employers which RCW 42.17.170 specifically excludes from reporting by lobbyists. It is the opinion of the Joint Committee that the Commission is attempting to obtain information from lobbyists' employers which the Commission would not otherwise be able to obtain from lobbyists themselves. This would thwart the express intent of the Legislature that such information is inappropriate for reporting. WAC 390-20-110 would effectively neuter the reporting exemptions in RCW 42.17.170—the Commission would have the information. This is not what the Legislature intended. [Joint Administrative Rules Review Committee, Memorandum, August 16, 1984—Filed August 28, 1984, WSR 84-18-014.]

WAC 390-20-111 Form for lobbyist employers report of political contributions. The official form entitled "Employer of Lobbyist Monthly Political Contribution Report" as required by RCW 42.17.180 (2)(a) is designated "L-3C." Copies of this form are available at the Commission Office, Room 403, Evergreen Plaza Building, Olympia, Washington, 98504. Any attachments must be on 8-1/2" x 11" white paper.

Description of Contribution

Monetary Monetary contributions are those made in cash or by check, money order or other negotiable instrument. If total in amount column represents aggregate total given that recipient during the month (i.e., more than one contribution), indicate the date and amount of each contribution figured into the total.

For contributions given to incumbent candidates and elected officials, indicate whether the contribution is for the recipient's campaign account or public office account.

In-Kind Donated goods or services qualify as reportable contributions. In-kind contributions include such things as discounts on products or services, free transportation, free or reduced-rate office space, personal services, polling services, professional assistance to campaign managers and help with preparation of political advertising.

Amount or Value of Contribution

If the aggregate amount or value contributed to one recipient (candidate, elected official, agency officer or employee, or political committee) during a calendar month was over \$100 -- and the aggregate contribution was not reported by your lobbyist on his/her monthly report or the aggregate contribution was not made through and reported by your affiliated PAC -- put the total contributed in the Amount or Value column and provide the other required information.

In-Kind Value in-kind contributions at the amount you actually paid for the donated item or service or, if no purchase was made, value them at their fair market value. Fair market value is the amount a well-informed buyer or lessee, willing but not obligated to buy or lease, would pay; and what a well-informed seller, or lessor, willing but not obligated to sell or lease, would accept.

---	--------------------------

These instructions apply only to government agencies reporting pursuant to RCW 42.17.190.

Who Should Report?

Each state agency, county, city, town, municipal corporation, quasi-municipal corporation or special purpose district which expends public funds for "lobbying". Please study the definitions of what is and is not included in lobbying to determine if your agency is required to report.

"Lobbying" means attempting to influence the passage or defeat of any legislation by the state legislature or the adoption or rejection of any rule, standard, rate or other legislative enactment by any state agency under chapters 28.19 and 34.04 RCW. "Legislation" means bills, resolutions, motions, amendments, nominations, and other matters pending or proposed in either house of the state legislature, and includes any other matter which may be the subject of action by either house, or any committee of the legislature and all bills and resolutions which having passed both houses, are pending approval by the Governor.

Lobbying Does Not Include

1. Requests for appropriations by a state agency to OFM pursuant to RCW 43.88 or requests by OFM to the legislature for appropriations other than its own agency budget. Note that an agency representative who, in person, contacts a legislator or committee on appropriations matters is lobbying.
2. Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation or report on a particular subject.
3. Official reports including recommendations submitted annually or biennially by a state agency as required by law.
4. Requests, recommendations or other communications between or within state agencies or between or within local agencies.
5. Telephone conversations or preparation of written correspondence.
6. Preparation or adoption of policy positions within an agency or group of agencies. Note that once a position is adopted, further action to advocate it may constitute lobbying.
7. Attempts to influence federal or local legislation.

Lobbying Not Reportable

1. In person lobbying totaling no more than four days or parts of days during any three month period in aggregate for all officials and employees of the agency. In person lobbying includes testifying at legislative committee hearings and state agency hearings on rules and regulations but does not include attendance merely to monitor or observe testimony and debate.
2. In person lobbying by any elected official on behalf of his agency or in connection with his powers, duties or compensation.

Expenditures Over \$15 of Non-public Funds

Any person (including an elected official) who expends more than \$15 of personal or non-public funds for or on behalf of one or more legislators, state elected officials or state public officers or employees in connection with in-person lobbying must be listed on the L-5 report. Attach a page showing the spender's name, and date, the source of funds and amount spent, and for whom the money was spent. Examples of these expenditures include entertainment, dinners and campaign contributions.

Reports Required

The L5 report is submitted to cover each calendar quarter in which lobbying occurs. No report is required if no reportable lobbying has taken place during the quarter.

Due Dates

April 30 (1st quarter)	July 31 (2nd quarter)
October 31 (3rd quarter)	January 31 (4th quarter)

[Statutory Authority: RCW 42.17.370(1). 85-24-020 (Order 85-05), § 390-20-130, filed 11/26/85; Order 62, § 390-20-130, filed 8/26/75.]

WAC 390-20-140 Loss of RCW 42.17.160 exemptions. (1) For the purpose of determining compliance with RCW 42.17.220, a lobbyist's employer shall be responsible for the applicability of all of the exemptions provided in RCW 42.17.160 to any lobbyist the employer employs, pays, or agrees to pay.

(2) The commission recognizes that a lobbyist who initially intends in good faith to utilize the "casual lobbying" exemption from registration and reporting which is provided in RCW 42.17.160(4) may thereafter become ineligible for that exemption, thus violating RCW 42.17.150 and/or 42.17.170 by not having registered and/or reported within the prescribed time periods.

(3) The commission shall not commence enforcement proceedings against a lobbyist or his or her employer in circumstances described in subsection (2) of this section if the lobbyist:

(a) Registers pursuant to RCW 42.17.150 before doing any lobbying in excess of the exemption limitations in RCW 42.17.160(4); and

(b) Files a report on Form L-2 when next due under RCW 42.17.170, which report includes all reportable information for the lobbying activities cumulatively causing the exemption limitations to be reached.

(4) The duty under RCW 42.17.230(1) of a person required to register as a lobbyist to obtain and preserve all records necessary to substantiate required financial reports shall include such records of all activities which cumulatively cause the RCW 42.17.160(4) exemption limitations to be reached and exceeded.

(5) A lobbyist whose only compensation or other consideration for lobbying is payment of or reimbursement for expenditures not required to be reported per RCW 42.17.170 (2)(a)(i-iv), does not qualify for exemption from registration and reporting per RCW 42.17.160(3).

[Statutory Authority: RCW 42.17.370(1). 85-24-020 (Order 85-05), § 390-20-140, filed 11/26/85; 82-14-016 (Order 82-04), § 390-20-140, filed 6/28/82. Statutory Authority: RCW 42.17.160(4) and 42.17.370(1). 78-07-038 (Order 99), § 390-20-140, filed 6/26/78.]

WAC 390-20-141 Registration and reporting required when a lobbyist employs another lobbyist. (1) If a registered lobbyist employs another lobbyist to perform lobbying activities in excess of the exemptions specified in RCW 42.17.150(2) or 42.17.160 then such registered lobbyist is also an employer of a registered lobbyist.

(2) Any person who becomes an employer of a registered lobbyist under such circumstances must (a) confirm such employment on the employee's L-1 registration statement; (b) in a written instrument filed with such employee's L-1 registration statement identify which clients the employee is authorized to represent; (c) file an annual L-3 report as an employer of a registered lobbyist; and (d) continue to file monthly L-2 reports as a registered lobbyist.

(1997 Ed.)

shall be deemed to have properly restricted its lobbying activities and is eligible for the RCW 42.17.160(4) "casual lobbying" exemption during any three-month period in which its agents or employees do not make an expenditure of more than twenty-five dollars for or on behalf of legislators, state elected officials, public officers or employees of the state of Washington.

(2) A lobbyist other than a natural person which does sponsor or coordinate or directly make unreported expenditures exceeding twenty-five dollars during a three-month period, as fully described in subsection (1), must register and report as required by RCW 42.17.150 and 42.17.170: *Provided*, That it can satisfy these requirements by having an individual agent (a) register and reports as a lobbyist, and (b) include as part of Form L-2 a report of these and all other lobbying expenditures made on behalf of the nonnatural person during that three-month period.

(3) An entity, including but not limited to a law firm, consulting firm, advertising agency, or other similar organization, which receives or expects to receive compensation for lobbying from any person, must register and report as a lobbyist pursuant to RCW 42.17.150 and 42.17.170: *Provided*, That membership dues or contributions to a non-profit organization made for the purpose of promoting a general interest and not in return for lobbying on behalf of any specific member or contributor shall not be regarded as compensation for this purpose. Registration statements and reports shall list as the lobbyists both the firm or organization and each individual acting on its behalf. The person paying the compensation shall report under RCW 42.17.180 as a lobbyist's employer.

WAC 390-20-144 Registration and reporting by lobbyist organizations. (1) Any firm, company, association or similar organization required to register as a lobbyist shall file one registration statement (PDC Form L-1) for each employer for whom the organization will lobby.

(a) The lobbying organization will attach to the registration statement a photo and the biographical information required by RCW 42.17.155 (page 3 of the L-1 Form) for each individual agent of the organization who is authorized to lobby for that particular employer.

(b) If the agent is authorized to lobby for several employers, only one photo and biographical sheet need be submitted.

(c) The organization will notify the commission in writing when there is any change in the employment or assignment of agents who lobby.

(2) One monthly expenditure report (PDC Form L-2) shall be submitted showing all expenditures made by the organization and its agents. (3) If any individual agent of the organization ceases to lobby or the organization terminates that agent's authority to lobby, the organization shall notify PDC in writing or by notation on the L-2 report of the termination.

(2) Any other lobbyist reporting such a gathering may incorporate by reference in his Form L-2 a Form L-2 which is filed on the sponsor's behalf and which reports the gathering in accordance with applicable provisions of law, including WAC 390-20-143(2) and subsection (1) of this rule.

(a) Any person whose interest in a matter before the commission may be resolved by settlement shall communicate his or her request to the executive director, setting forth all pertinent facts and the desired remedy. If the executive director requires additional information to resolve the matter informally, the executive director shall promptly provide to the person seeking relief an opportunity to supply such information. (c) In the event an early, informal resolution or stipulation of facts is reached, the executive director is responsible for providing a written description of the recommended resolution or stipulation to the person(s) involved.

(2)(a) If settlement of an enforcement hearing (adjudicative proceeding) may be accomplished by informal negotiation, negotiations shall be commenced at the earliest possible time. Settlement shall be concluded by:

- (i) Stipulation of facts of the parties; or
- (ii) Stipulation of the parties; or

(iii) Withdrawal of the application for an enforcement hearing by the applicant; or

(iv) Withdrawal by the executive director of the action which is the subject matter of the enforcement hearing.

(b) Any proposed stipulation shall be in writing and signed by each party to the stipulation or his or her representative. The stipulation shall be recited on the record at the hearing. The commission has the option of accepting, rejecting, or modifying the proposed stipulation or asking for additional facts to be presented. If the commission rejects the stipulation or the opposing party does not agree to the commission's proposed modifications to the stipulation, then a hearing shall be held. If the commission requests additional facts be presented, the matter shall be referred to the executive director for further investigation.
