Disciplinary procedures used by the school are

considered part of its educational process. The removal from classes, subjects, or activities shall continue only until:

(a) The danger or threat ceases; or

(3) A student may be suspended for a short term after another less restrictive form of disciplinary action, reasonably calculated to modify his or her conduct, has been imposed as a consequence of misconduct of the same nature: *Provided*, That the school may resort to immediate short-term suspension in cases involving exceptional misconduct. For the purposes of this section, "exceptional misconduct" means misconduct, other than absenteeism, of such frequent occurrence, notwithstanding prior attempts by the school to control such misconduct through the use of other forms of disciplinary action, and/or so serious in nature as to warrant immediate resort to short-term suspension.

(4) Any student subject to short-term suspension shall be provided the opportunity upon return to make up assignments and tests missed by reason of the suspension if such assignments or tests have a substantial effect upon the semester grade.

The school personnel member whose action is being grieved shall be notified of the initiation of a brief adjudicative proceeding as soon as reasonably possible. The IEP team shall determine whether the misconduct is a manifestation of or is substantially related to the student's handicapping condition(s).

(5) If the IEP team concludes that the misconduct is not a manifestation of the student's handicapping condition(s), the student may be disciplined under the procedures set forth in WAC 72-120-234 through 72-120-236.

(6) If the IEP team concludes that the misconduct is a manifestation of the student's handicapping condition(s), suspension for more than ten days shall not be imposed unless:

(a) The school and parent(s) or guardian(s) agree otherwise; or

(b) The IEP team recommends a change of placement.

(7) A student involved in the complaint shall remain at the school during the pendency of any administrative or judicial proceeding, unless:

(a) The student's misconduct poses an immediate threat to the safety of others or where maintaining the student in his/her current placement at the school has a substantial likelihood of resulting in injury either to the student or to others; or

(b) The school, student, and parent(s) agree otherwise.

(8) A party may request a hearing pursuant to WAC 72-171-600, on any matter described in this section.

(2) The hearing shall be an adjudicative proceeding governed by the Administrative Procedure Act, chapter 34.05 RCW and chapter 72-108 WAC.

(3) During the pendency of any administrative or judicial proceeding involving suspension under this section, unless the school and the parent(s) of the student (or the eligible student as defined in WAC 72-171-010(1)) agree otherwise, the student shall remain in the educational placement he or she was in when the request for hearing was made.

72-140-080	Prohibited conduct at school facilities.

WAC 72-140-010 Policy on public use of school facilities. Because the Washington state school for the blind is an educational institution provided and maintained by the people of the state, its campus, buildings, properties, and facilities shall be reserved at all times for those activities which are either directly related to its educational mission or are justified on the basis of their contributions to the cultural, social, or economic development of the state and its visually impaired citizens. The school is not obligated to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-010, filed 7/19/90, effective 8/19/90.]

WAC 72-140-020 Application for use of school facilities. (1) Applications for use of school facilities should be made on the Facilities Request Form, available from the administrative office of the school, 2214 East 13th Street, Vancouver, Washington 98661.

(2) Reasonable conditions may be imposed upon the applicant to regulate the timeliness of the request, to determine the appropriateness of intended use of the space assigned, and to ensure proper maintenance of the facilities. A detailed listing of such conditions is available from the school's administrative office.

(3) The school may restrict an individual's or a group's use of school facilities if that person or group has, in the

past, physically abused school facilities. Charges may be imposed for damage or for any unusual costs related to the use of facilities.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-020, filed 7/19/90, effective 8/19/90.]

WAC 72-140-030 Allocation of space. Allocation of space shall be made in accordance with school regulations and on the basis of time, space, priority of request, and the demonstrated needs of the applicant. When allocating the use of school facilities, top priority will always be given to activities directly related to the school's mission. No arrangement shall be made that may interfere with, or operate to the detriment of, the school's own educational, research, residential, or public service programs.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-030, filed 7/19/90, effective 8/19/90.]

WAC 72-140-040 Basis of fee assessment. (1) The school has established a three-tiered fee schedule for the use of school facilities. The schedule reflects the school's cost of operation and its evaluation of the intended purpose of the use. Groups closely affiliated with the school's mission, such as other state agencies or groups specifically promoting the education of the visually impaired, may be allowed access to school facilities free of charge. However, a small rental fee may be imposed if special operating costs are necessarily incurred. Other community groups will be charged according to the schedule. A current copy of the fee schedule is available from the school's administrative office.

(2) The school neither intends nor desires to compete with private enterprise in making its facilities available to the public. The school encourages the community to patronize local businesses whose privately operated facilities are well qualified to meet community needs.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-040, filed 7/19/90, effective 8/19/90.]

WAC 72-140-050 General policies limiting use. (1) School facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2) Religious groups shall not, under any circumstances, use the facilities as a permanent meeting place. Use shall be intermittent only.

(3) The school reserves the right to prohibit the use of school facilities by groups which restrict membership or participation in a manner inconsistent with the school's commitment to nondiscrimination as set forth in its written policies and commitments.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These general policies shall apply to recognized student groups using school facilities.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-050, filed 7/19/90, effective 8/19/90.]

WAC 72-140-060 Specific limitations on use. (1) The permissible use of facilities is limited to the purpose stated in the application and approved by the superintendent.

(2) Only that portion of the building listed and approved on the application shall be available for use by the organization.

(3) The facility shall be vacated by the time listed on the facility usage form.

(4) The user group shall abide by these and all other limitations established by the superintendent and set forth in the superintendent's policy on use of school facilities. A copy of such policy is available at the administrative office of the school.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-060, filed 7/19/90, effective 8/19/90.]

WAC 72-140-070 Supervision. (1) Adult supervisors of student organizations using school facilities shall remain with their groups during usage, and shall ensure compliance with school regulations governing the use of facilities.

(2) A designated school employee or representative will be on site during usage, and will be compensated by the using organization when the event occurs outside of normal scheduled coverage.

[Statutory Authority: RCW 72.40.022. 90-16-007, § 72-140-070, filed 7/19/90, effective 8/19/90.]

WAC 72-140-080 Prohibited conduct at school facilities. (1) State law relative to public institutions governs the use or possession of intoxicants on campus or at school functions. The use or possession of unlawful drugs or narcotics, not medically prescribed, on school property or at school functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs, or narcotics while in school facilities shall be subject to disciplinary action.

(2) The use of tobacco is restricted in accordance with published policy.

(3) Destruction of property is also prohibited by state law in reference to public institutions.

(4) No person or group may use or enter onto school facilities having in their possession firearms or other weapons, even if licensed to do so, except duly appointed and commissioned law enforcement officers.

ASSESSMENT AND PLACEMENT

WAC 72-171-100 Initial assessment. (1) Prior to any action taken with respect to the initial placement of a student at the Washington state school for the blind, a full and individual assessment of the student's educational needs shall be conducted.

(2) A student may be admitted for the purpose of assessment.

(3) The school shall fully assess the student and arrive at a decision pursuant to WAC 72-171-130 within (a) thirty school days after written consent for assessment has been provided by the parent(s) or eligible student, or (b) such

other time period as may be agreed to by the parent(s), eligible student, and school.

(4) If temporary (not to exceed thirty school days) special education programming is necessary for diagnostic reasons during the assessment period, the school shall obtain written permission for such diagnostic placement from the parent(s).

(5) The school shall request that the parent(s) sign consent form(s) for the mutual exchange of pertinent information where such information is available between the school, other agencies, and/or professionals.

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1401, 1412-1417, 90-16-008, § 72-171-100, filed 7/19/90, effective 8/19/90.]

WAC 72-171-110 General areas of assessment. The assessment of a student shall be in all areas related to the suspected disability. The assessment procedures outlined in this chapter are to be considered minimal, required procedures. Where concerns are indicated as judged by the multidisciplinary team, additional or more in-depth assessment in each of the following areas shall be conducted.

(1) Scholastic assessment. This area may include assessment of the intellectual, language and communication, academic and cognitive development of the student, and any other scholastic area as deemed appropriate by the multidisciplinary team.

(2) Physical assessment. This area may include a review of the general health status of the student, vision screening and complete audiological examination, oral-peripheral examination, evaluation of musculo-skeletal, neurological, and developmental modalities, and any other physical area as deemed necessary by the multidisciplinary team.

(3) Adjustment assessment. This area may include assessment of the social skills and emotional status of the student, career and vocational assessment, and assessment of adaptive behaviors (e.g., self-help, interpersonal communication, survival skills, and practical application of academic skills).

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1401, 1412-1417, 90-16-008, § 72-171-110, filed 7/19/90, effective 8/19/90.]

WAC 72-171-120 General assessment safeguards—Personnel, materials, and procedures. Every student who is assessed or reassessed shall be assessed according to the procedures established in this chapter.

(1) The initial assessment of a student shall be made by a multidisciplinary team (i.e., a group of professionals) including at least one special education teacher and at least one person qualified to conduct individual diagnostic assessment in the area of suspected disability. In a reassessment of a student, the multidisciplinary team also shall include a representative from each service area involved in the student's individualized education program and such other professional service providers as recommended by any professional involved in the reassessment. Each member of the team shall be licensed, registered, credentialed, or certificated according to his or her professional standards in accordance with state statutes and rules.

(2) No single test instrument or single procedure shall be the sole criterion for determining a student's eligibility

and/or for determining the appropriate educational program for a student.

(3) Assessment materials, procedures, and instruments used for the purpose of assessment and placement shall be selected and administered so as not to be racially or culturally or educationally discriminatory.

(4) All tests and other evaluation materials shall have been validated for the specific purpose for which they are used and shall accurately reflect whatever factors the tests purport to measure. If properly validated tests are unavailable, the professional judgment of each member of the multidisciplinary team may determine eligibility for special education based on other evidence of the existence of a specific handicap and need. This professional judgment shall be documented in a written narrative.

(5) All tests and other evaluation materials shall be administered by qualified personnel in conformance with the instructions of their producer. Tests designed to measure intellectual functioning shall be administered and interpreted by a qualified psychologist: *Provided*, That cognitive tests for developmentally delayed students other than an intelligence quotient test shall be administered by a qualified psychologist or by professionals with other titles who have considerable training and experience in individual psychological or psychoeducational assessment.

(6) Assessment materials, procedures, or instruments shall be provided and administered in a student's native language or mode of communication, unless it is clearly not feasible to do so. Tests shall be selected and administered so as to ensure that the test results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors the test purports to measure).

(7) In interpreting assessment data and in making placement recommendations, the assessment team shall:

(a) Collect and review information from a variety of sources, including but not limited to all available existing academic, medical, and other records pertinent to the suspected handicapping condition(s) of the student, aptitude and achievement tests, teacher recommendations or recommendations of related service providers, physical condition, social or cultural background, and adaptive behavior;

(b) Ensure that information obtained from all of these sources is documented and carefully considered.

(8) Assessment data shall be summarized in writing, dated, and signed by each person conducting an assessment. Information used to support the assessment, but which is not incorporated into the file, (e.g., review of health record), shall be referenced as to date of record, location, and source person. The summaries shall specify the procedures and instruments used, the results obtained, and the apparent significance of findings as related to the student's instructional program, including a description of the specific factors which are interfering with the student's educational performance and the special education and related services needed to assist the student in benefiting from his or her educational placement.

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1401, 1412-1417, 90-16-008, § 72-171-120, filed 7/19/90, effective 8/19/90.]

WAC 72-171-130 Summary analysis of assessment data. (1) The leader of the student's assessment team shall review and analyze the summaries of assessment data provided for in WAC 72-171-120(8) and any other available data in each of the areas assessed. The conclusions, recommendations, and the facts and/or reasons resulting in the placement decision pursuant to WAC 72-171-150 shall:

(a) Describe the discrepancy which exists between the student's actual performance and his or her expected performance;

(b) Identify the disability, if any, that qualifies the student as a handicapped student;

(c) Set forth the nature and extent of the special education and related services that the student needs, if any;

(d) Reconcile any inconsistent or contradictory information and/or opinions evidenced in the assessment data, if any, supporting conclusion(s) with appropriate data;

(e) Relate the apparent significance, as appropriate, of such factors as test measurement error or cultural, environmental, economic, and behavioral factors to the assessment results.

Where specific test results obtained in any assessment do not appear to the multidisciplinary team to accurately reflect a student's expected performance the multidisciplinary team shall apply professional judgment to determine eligibility for special education and related services. In such event, the multidisciplinary team shall document in a written narrative the basis for such determination, the instruments used, and the data used for a determination of eligibility;

(f) Make recommendations to the individualized education program committee regarding placement, special education and related services needed, needs for specialized materials or equipment, learning modalities, and student management strategies (e.g., reinforcement schedules, etc.), as determined by the multidisciplinary team to be significant to the student's program;

(g) Provide any necessary professional judgment(s) and the facts or reasons in support of the judgment(s).

(2) The summary analysis shall be signed and dated by the multidisciplinary team.

(3) Each multidisciplinary team member shall certify in writing whether the summary analysis reflects his or her conclusion. If it does not reflect his or her conclusion, the team member must submit a separate statement presenting his or her conclusion(s) and the reasons therefor.

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1401, 1412-1417, 90-16-008, § 72-171-130, filed 7/19/90, effective 8/19/90.]

WAC 72-171-140 Independent educational assessment. (1)(a) The parent(s) of a student (or an eligible student) assessed or any student reassessed has the right to obtain an independent educational assessment, subject to subsections (3) and (4) of this section.

(b) The school shall provide to parent(s) (or eligible student), on request, information about where an independent educational assessment may be obtained.

(c) For the purposes of this section:

(i) "Independent educational assessment" means an assessment conducted by a qualified examiner who is not employed by the school responsible for the education of the student in question; and

(ii) "Public expense" means that the school either pays for the full cost of the assessment or assures that the assessment is otherwise provided at no cost to the parent (or eligible student).

(2) A parent (or eligible student) has the right to an independent educational assessment at public expense if the parent (or eligible student) disagrees with the assessment results obtained by the school, as follows:

(a) The parent(s) (or eligible student) shall provide a written notice to the superintendent which:

(i) Specifies the portion(s) of the assessment results with which the parent(s) (or eligible student) disagrees; and

(ii) Requests an independent educational assessment at public expense;

(b) The school shall have the prior opportunity to initiate mediation or an adjudicative proceeding pursuant to WAC 72-171-600 et seq., to show that its assessment is appropriate: *Provided*, That the school shall provide the parent(s) (or eligible student) written notice of the election to initiate mediation or an adjudicative proceeding no later than the tenth day after the date of receipt of the parent's (or eligible student's) written notice of disagreement;

(c) If the final decision is that the school assessment is appropriate, the parent (or eligible student) still has the right to an independent educational assessment, but not at public expense; and

(d) If the school elects not to initiate an adjudicative proceeding or is not upheld by the final decision, the independent assessment requested by the parent (or eligible student) shall be provided at public expense in accordance with the same criteria which the school uses when it initiates an assessment including, but not limited to, the location of the assessment and the qualifications of the examiner.

(3) If the parent (or eligible student) obtains an independent educational assessment at private expense, the results of the assessment:

(a) Shall be considered by the school in any decision made with respect to the provision of special education and related services to the student; and

(b) May be presented as evidence at the adjudicative proceeding regarding that student.

(4) If the administrative law judge requests an independent educational assessment as part of the adjudicative proceeding, such assessment shall be at public expense.

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1401, 1412-1417, 90-16-008, § 72-171-140, filed 7/19/90, effective 8/19/90.]

WAC 72-171-150 Admission and placement. In accordance with the least restrictive environment mandate of Public Law 94-142: A student may be admitted and enrolled at the Washington state school for the blind when:

(1) The school district of that student's residence refers the student or agrees that the student can be served at the Washington state school for the blind;

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1232(g), 1412 (2)(D), 1414 (a)(1)(B) and 1417(c). 90-16-010, § 72-280-010, filed 7/19/90, effective 8/19/90.]

WAC 72-280-011 Definitions. As used in this chapter:

(1) "Directory information" means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.

(2) "Disclosure" means to permit access to or the release, transfer, or other communication of education records, or the personally identifiable information contained in those records, to any party, by any means, including oral, written, or electronic means.

(3) "Education records" means those records, files, documents, and other materials that are:

- (a) Maintained by the school; and
- (b) Directly related to a student.

The term "education records" does not include:

(i) Records of instructional, supervisory, and administrative personnel and educational personnel ancillary to those persons that are kept in the sole possession of the maker of the record, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;

(ii) Records of the school security department that are kept apart from education records, maintained solely for law enforcement purposes, and are not available to persons other than law enforcement officials of the same jurisdiction;

(iii) In the case of persons who are employed by but do not attend the school, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for use for any other purpose: *Provided*, That this exception from the definition of "education records" does not apply to records relating to an individual in attendance at the school who is employed as a result of his or her status as a student;

(iv) Records on a student who is eighteen years of age or older that are created and maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional or paraprofessional capacity, or assisting in that capacity and that are created, maintained, or used only in connection with the treatment of the student; and are not available to anyone other than persons providing such treatment; provided, however, that such records can be personally reviewed by a physician or other appropriate professional of the student's choice;

(v) Records that contain only information relating to an individual after he or she is no longer a student at the school.

(4) "Eligible student" means a student who has reached eighteen years of age. When a student becomes an "eligible student," the rights accorded to, and the consent required of, parents under this chapter, transfer from the parents to the student.

(5) "Parent" means a parent of a student and includes a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or guardian.

(6) "Party" means an individual, agency, institution, or organization.

(7) "Personally identifiable information" includes, but is not limited to the student's name; the name of the student's parent or other family member; the address of the student or student's family; a personal identifier, such as the student's Social Security number or student number; a list of personal characteristics that would make the student's identity easily traceable; or other information that would make the student's identity easily traceable.

(8) "Student" means any individual who is or has been in attendance at the school and regarding whom the school maintains education records.

[Statutory Authority: RCW 72.40.022 and 20 U.S.C. §§ 1232(g), 1412 (2)(D), 1414 (a)(1)(B) and 1417(c). 90-16-010, § 72-280-011, filed 7/19/90, effective 8/19/90.]

(2) Where the education record or data includes information on more than one student, the parent(s) of those students (or the eligible students) shall have the right to inspect and review only the information relating to their child (or themselves) or to be informed of that specific information.

(3) The parent (or eligible student) has the right to obtain copies of the student's education records. Charges for the copies shall not exceed the cost normally charged by the school. However, if the fee effectively prevents the parent (or eligible student) from exercising the right to inspect and review the student's education records, the school may provide such copies free of charge.

(4) The school may presume that a parent has authority to inspect and review records relating to his/her child unless the school has been advised that the parent does not have the authority under applicable state law governing such matters as guardianship, separation, and dissolution.

(2) The school shall decide whether to amend the record as requested within a reasonable time after receipt of the request.

(3) If the school decides not to amend the record as requested, it shall inform the parent (or eligible student) of the decision and of the right to a brief adjudicative proceeding under WAC 72-108-100.

(7) If, as a result of the brief adjudicative proceeding, the school decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall inform the parent (or eligible student) of the right to place in the records it maintains on the student a statement commenting on the information or setting forth any reasons for disagreeing with the decision of the school, (or both).

(8) Any explanation placed in the records of the student under this section must:

(a) Be maintained by the school as part of the records of the student as long as the record or contested portion is maintained by the school; and

(d) Organizations conducting studies for, or on behalf of the school, for purposes of developing, validating or administering predictive tests, administering student aid programs, and improving instruction: *Provided*, That the study is conducted in such a manner that does not permit the personal identification of parents and students by persons other than representatives of such organizations, and such information is destroyed when no longer needed for the purposes for which it was provided;
