Accordingly, the following rules are hereby promulgated.

[Order 73-1, § 172-09-010, filed 1/23/73.]

WAC 172-09-020 Definition of public record. A public record includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by Eastern Washington State College, regardless of the physical form or characteristics.

[Order 73-1, § 172-09-020, filed 1/23/73.]

[Title 172 WAC—p. 6]

WAC 172-09-025 Exempted records. In accordance with section 31 of Initiative 276, the following personal and other records are exempt from the definition of "public record" and will not be produced upon demand:

(1) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, welfare recipients, prisoners, probationers or parolees.

(2) Personal information in files maintained for employees, appointees or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(3) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would violate the taxpayer's right to privacy or would result in unfair competitive disadvantage to such taxpayer.

(4) Specific intelligence information and specific investigative files compiled by investigative, law enforcement and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(5) Information revealing the identity of persons who file complaints with investigative, law enforcement or penology agencies, except as the complainant may authorize.

(6) Test questions, scoring keys, and other examination data used to administer a license, employment or academic examination.

(7) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition of property, until the project is abandoned or until such time as all of the property has been acquired, but in no event shall disclosure be denied for more than three years after the appraisal.

(8) Valuable formulae, designs, drawings and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(9) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(10) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

The exemptions of this section shall be inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interest, can be deleted from the specific records sought. No exemption shall be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

[Order 73-1, § 172-09-025, filed 1/23/73.]

WAC 172-09-030 Description of central and field organization at Eastern Washington State College. (1) Eastern Washington State College is located on a campus largely contained within the city of Cheney, Washington.

This campus comprises the central headquarters for all operations of the college; any "field" activities of the college are directed and administered by personnel located on the campus at Cheney. The college is administered by a board of trustees appointed by the governor; such board normally meets at least once every calendar month.

(2) In accordance with the bylaws at Eastern Washington State College, which bylaws are obtainable at the office of the president, the college is organized into divisions administered by vice presidents. Specifically, academic matters are the concern of a vice president for academic affairs, business and physical planning functions and activities are the responsibility of the vice president for business and management, and student affairs are the responsibility of the vice president for student services. All vice presidents are directly responsible for the operations of all deans, department heads, faculty, and classified personnel operating within their divisions. The vice presidents directly report to the president of the college.

WAC 172-09-040 General course and method of decision making. (1) The formal procedures for decision making at the college are determined by the bylaws of the board of trustees at Eastern Washington State College and rules promulgated in accordance with the requirements of chapter 28B.19 RCW, the Higher Education Administrative Procedure Act (HEAPA). Accordingly, all rules, orders, or directives, or regulations of the college which affect the relationship of the general public with the institution, or the relationship of particular segments of the college, such as students, faculty, or other employees, with the college or with each other,

(a) The violation of which subjects the person to a penalty of administrative sanction; or

(b) Which establishes, alters, or revokes any procedures, practice or requirement relating to institutional hearings; or

(c) Which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law;

are implemented only through the procedures of the HEAPA. In accordance with RCW 28B.19.020(2), the college reserves the right to promulgate as internal rules not created or implemented in accordance with the HEAPA, the following: Rules, regulations, orders, statements, or policies relating primarily to the following: Standards for admissions; academic advancement, academic credits, graduation, and the granting of degrees; tuition and fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under this chapter unless otherwise required by law.

(2) Other formal procedures may appear within the bylaws of Eastern Washington State College and may relate to such things as matters that must be first considered by the faculty senate or subcommittees thereof or by the associated students at Eastern Washington State College or subcommittees thereof prior to their consideration by the board of trustees. Requirements regarding such prior considerations by any

faculty or student or any other college group also appear in the bylaws of Eastern Washington State College.

[Order 73-1, § 172-09-050, filed 1/23/73.]

WAC 172-09-060 Designation of public records officers. (1) In accordance with the requirements of Initiative 276, insofar as such initiative requires state agencies to adopt and enforce reasonable rules and regulations to provide full public access to official records while yet protecting the same from damage and to prevent excessive interference with essentials of the agency, all public records at the college shall be in the charge of persons holding positions as records officers.

(2) Overall responsibility for coordinating responses to requests for examination of public records shall be the responsibility of the person known as the "public records officer." The person holding such position will be headquartered in the administration building of the college; his exact location and name can be determined by inquiring at the office of the president of the college.

(3) Those persons reporting directly to the "public records officer" with other responsibilities relative to public records are:

(c) A "civil service personnel records officer" who shall be the personnel director of the college;

(d) A "faculty personnel records officer" who shall be the vice president for academic affairs or his designee; and

(e) An "administrative personnel records officer" who shall be located within the office of the president and reporting directly to the president.

(f) Any other position designated in writing by the president. Such designation shall be available at the office of the president.

(4) In any cases where a question arises as to whether a given public record is a responsibility of one records officer or the other, the determination of such ministerial responsibility shall be made by the public records officer, or the president of the college.

[Order 73-1, § 172-09-060, filed 1/23/73.]

WAC 172-09-070 Availability for public inspection and copying of public records. (1) Public records shall be available for inspection and copying during the customary office hours of the college. For the purposes of this chapter, the customary office hours shall be from 9 a.m. to noon and from 1 p.m. to 4 p.m., Monday through Friday, excluding legal holidays, unless the person making the request and the college or its representative agree on a different time.

[Order 73-1, § 172-09-070, filed 1/23/73.]

WAC 172-09-080 Requests for public records. In accordance with the Initiative 276 requirements that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records are only obtainable by members of the public when those members of the public comply with the following procedures:

(1) A request shall be made in writing upon a form which shall be available at the office of the public records officer and shall be presented to the public records officer or any other of the persons designated by this chapter as a custodian of certain college records, per WAC 172-09-060. Such request shall include the following:

- (a) The name of the person requesting the record;
- (b) The time of day and calendar date on which the request was made; and
- (c) If the matter requested is referenced within the current index maintained by the college records officer, a reference to the requested record as it is described in such current index;
- (d) If the requested matter is not identifiable by reference to the college records current index, a statement that succinctly describes the record requested;
- (e) A verification that the records requested shall not be used to compile a commercial sales list.

(2) In all cases in which a member of the public is making a request, it shall be the obligation of the college person to whom the request is being made to assist the member of the public in succinctly identifying the public record requested.

[Order 73-1, § 172-09-080, filed 1/23/73.]

WAC 172-09-090 Charges for copying. (1) No fee shall be charged for inspection of public records. Eastern Washington State College may impose a reasonable charge for providing copies of public records and for the use by any person of agency equipment to copy public records; such charges shall not exceed the amount necessary to reimburse the college for its actual costs incident to such copying.

(2) No person shall be released a record which has been copied by photostatic process until and unless the person requesting the copied public record has tendered payment for such copying to the records official from whom the public record was obtained, or to any person designated by such records official.

[Order 73-1, § 172-09-090, filed 1/23/73.]

WAC 172-09-100 Determination regarding exempt records. (1) The college reserves the right to determine that a

[Title 172 WAC—p. 8]

public record requested in accordance with the procedures of this chapter is exempt under the provisions of section 31 of Initiative 276. Such determination may be made in consultation with any of the records officers of the college, the president or a vice president of the college, or an assistant attorney general assigned to the college.

(2) Responses to requests for records must be made promptly. For the purpose of these rules, a prompt response occurs if the person requesting the public record is notified within one business day as to whether his request for a public record will be honored.

(3) All denials of requests for public records must be accompanied by a written statement specifying the specific reasons therefor.

[Order 73-1, § 172-09-100, filed 1/23/73.]

WAC 172-09-110 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record shall petition for prompt review of such decision by tendering a written request for a review of such denial. Such written request by a person demanding prompt review shall specifically reference the written statement by the college denying that person's request for a public record.

(2) Within two business days after receiving the written request by a person petitioning for prompt review of a decision denying a public record, the president of the college or any of his designees, which for the purposes of this section may include any vice president of the college, shall consider such petition.

(3) During the course of the two business days in which the president or his designee reviews the decision of the public records officer denying the request for a public record, the president or his designee may conduct an informal hearing. During the course of such informal hearing, the president or his designee may require that the person requesting the public record appear in person at a reasonable time and place located on the campus and further explain and identify the exact nature of the public record he is seeking. Failure by the person requesting the review hearing to appear at such informal hearing shall be deemed a waiver of that person's right to insist upon completion of the review of his request within two business days. If the petitioner requesting review does appear at such informal hearing, then the period for review by the college shall be extended to a period not exceeding one business day after such person requesting review has appeared before the president or his designee.

(4) During the course of the informal hearing conducted by the president or his designee under this section, he shall consider the obligations of the college fully to comply with the intent of Initiative 276 insofar as it requires providing full public access to official records, but shall also consider the exemptions provided in section 31 of Initiative 276 and the requirement of section 29 of that same initiative insofar as it requires the college to protect public records from damage or disorganization, prevent excessive interference with essential functions of the agency, and to prevent any unreasonable invasion of personal privacy by deleting identifying details.

The regulations are subject to all the limitations imposed by state law, and if any part of these regulations are declared inconsistent with state law by legislative amendment or a judgment by a court of competent jurisdiction, the regulations shall be deemed amended to the extent of the inconsistency, but the remainder of these regulations shall remain in full force and effect.

WAC 172-65-030 General prohibition against drinking in public places. (1) Drinking of alcoholic beverages is prohibited in public places by Washington state law. This prohibition applies to all functions open to the public, such as entertainment, dances, and athletic events, and also applies to all entrances, hallways, corridors, lounges, and reception areas of the residence living units and to all academic buildings.

(2) The university shall not deem the general prohibition of this section applicable to the consumption of liquor on public places designated in any special banquet permit issued to an event sponsor by the state liquor control board: *Provided*, That prior written approval of the event sponsor's application for the permit has been given by the university.

[Statutory Authority: RCW 28B.35.120(12). 92-09-103, § 172-65-030, filed 4/20/92, effective 5/21/92; Order 74-9, § 172-65-030, filed 11/25/74; Order 71-1, § 172-65-030, filed 11/26/71.]

(1) For purposes of these regulations, the university recognizes that the students' individual residence hall rooms and other individual student housing constitute private places to which the general public does not have an unrestricted right of access, and are therefore not public places within the meaning of RCW 66.04.010(23) (which defines what is a public place as far as the law prohibiting consumption of liquor in a public place is concerned), if the rooms are not actually utilized as public places.

(2) Students who are twenty-one years and older are permitted to possess and consume alcoholic beverages on an individual basis in the privacy of the residence hall rooms or other places of residence.

(3) Due to the physical conditions in residence halls and other student housing, the possession and consumption of alcohol in the privacy of the room and other housing shall not infringe on the privacy and peace of other individuals. Any infringement on the privacy and peace of an individual inhabitant of the residence hall or other student housing shall, regardless of the age of the offending individual, be considered a violation of university regulations and therefore subject to disciplinary action under the Eastern Washington University student conduct code.

(4) Keggers, cocktail parties, or similar functions are not permitted and any student or students who host such a function will be subject to disciplinary action under the Eastern Washington University student conduct code. Any student who infringes on the privacy and peace of other individuals while attending such a function will also be subject to disciplinary action.

WAC 172-120-010 Introduction. The board of trustees of Eastern Washington University has the authority and obligation to adopt regulations for the governance of the university for the purpose of providing educational opportunities to its students, transmitting and advancing knowledge and of providing a wide range of services to both students and the general public. To carry out these responsibilities, the university requires a community free from violence, threats, and intimidation; protective of free inquiry, respectful of the rights of others; open to change; supportive of democratic and lawful procedures; and dedicated to the rational and orderly approach to the resolution of human problems. To safeguard the rights, opportunities, and welfare of students, faculty, staff and guests of the university community, and to assure protection of the interests of the university as it seeks to carry out its mission on behalf of the citizens of the state of Washington, certain minimum standards of conduct become necessary.

[Statutory Authority: RCW 28B.35.120 and 43.21C.120. 87-20-056 (Order 87-01), § 172-120-010, filed 10/2/87. Statutory Authority: RCW 28B.35.120. 81-06-023 (Order 1-22-81), § 172-120-010, filed 2/25/81; Order 72-2, § 172-120-010, filed 5/12/72.]

WAC 172-120-015 Definitions. For purposes of the student conduct code, chapter 172-120 WAC, the definitions of this section apply throughout the chapter.

(1) "Student" includes all persons taking courses at the university, both full and part time. Nonmatriculated, international students attending language institutes or foreign study programs at the university are also considered students under the terms of this code.

(2) "University" refers to the facilities, property, programs, activities and members of the Eastern Washington University community.

[Statutory Authority: RCW 28B.35.120. 97-06-095, § 172-120-015, filed 3/4/97, effective 4/4/97.]

WAC 172-120-020 Interest of the university relevant to a student code. The university is a special-purpose, as opposed to general-purpose community, and as such must devise procedures and regulations to control disruptive elements which would deter the university from furthering its mission—providing learning experiences for its students, transmitting and advancing knowledge and providing services to the greater community. Special university interests provide a foundation for building a code of conduct.

(1) The university has a primary concern with matters which impinge on academic achievement and integrity.

(2) The university has a concern with conduct which breaches the peace, causes disorder and substantially interferes with the rights of others.

(3) The university has an interest in behavior which threatens or actions which imperil the physical and mental health and safety of members of the university community.

(4) The university has an obligation to protect its property and the property of members of its community from theft, damage, destruction or misuse.

(5) The university has a commitment to meet its contractual agreements.

(6) The university has an obligation to support and be guided by laws of the land.

[Statutory Authority: RCW 28B.35.120, 97-06-095, § 172-120-020, filed 3/4/97, effective 4/4/97; 81-06-023 (Order 1-22-81), § 172-120-020, filed 2/25/81; Order 72-2, § 172-120-020, filed 5/12/72.]

WAC 172-120-030 Relationship between civil and criminal laws and university disciplinary proceedings. Many offenses actionable under this code are also violations of federal, state or local laws. A student may face criminal and civil prosecution as well as university disciplinary action for violation of these laws. The university reserves the right to initiate action for offenses that have an impact on the educational or administrative functions or the general well-being of the university. Proceedings under this code may be carried out prior to, simultaneously with, or following civil or criminal proceedings in the courts. University proceedings are not subject to challenge or dismissal referencing, as a basis, that criminal charges involving the same incident have been dismissed or reduced.

[Statutory Authority: RCW 28B.35.120, 97-06-095, § 172-120-030, filed 3/4/97, effective 4/4/97. Statutory Authority: RCW 28B.35.120 and 43.21C.120, 87-20-056 (Order 87-01), § 172-120-030, filed 10/2/87; Order 72-2, § 172-120-030, filed 5/12/72.]

If any student or student organization is found to have violated any of the offenses enumerated at WAC 172-120-040, one or more of the following sanctions may be imposed against the student or student organization. Failure to comply with any imposed sanctions may result in additional sanctions.

(1) Minor disciplinary sanction:

(a) Admonition: An oral statement to a student that he/she is violating university rules and regulations.

(b) Warning: Notice, orally or in writing, that continuation or repetition of conduct found wrongful, within a speci-

fied period of time stated in the warning, may cause more severe disciplinary action.

(c) Censure: A written reprimand for violation of specified regulations, including notice of the possibility of more severe disciplinary sanctions in the event of the finding of a violation of any regulation within a stated period of time.

(d) Disciplinary probation: Formal action placing condition on the student's continued attendance for violation of specified regulations. The disciplinary probation shall specify, in writing, the period of probation and the conditions which may include conditions such as limiting the student's participation in university-related privileges or extra-curricular activities or enforcing a "no contact" order which would prohibit direct or indirect physical and/or verbal contact with specific individuals or groups. Disciplinary probation further shall give the student notice that any further misconduct will automatically raise the question of suspension from the university. Disciplinary probation shall be for a specified period of time.

(e) Restitution: Reimbursement for damage or destruction to the property of the university or others for loss of property as a result of theft or negligence, or for medical expenses from violations of this code. (f) Fines: The disciplinary officer and the university disciplinary committee may assess monetary fines up to a maximum of two hundred dollars against individual students for violation of university rules or regulations or for failure to meet the university's standards of conduct. Failure to pay promptly such fines will prevent the student from future registration. Failure to pay may result in additional sanctions. Appeal through chapter 172-124 WAC is solely to dispute the existence of the alleged debt and not to rehear the matter which resulted in the sanction of the fine itself.

(h) Discretionary sanctions: Work assignments, service to the university community or other related discretionary assignments for a specified period of time as directed to the disciplinary officer or judicial body.

(j) Assessment: Referral for drug/alcohol or psychological assessment may be required. Results of the assessment may lead to the determination that conditions of treatment and further assessment apply to either continued attendance or return after a period of suspension.

(2) Major disciplinary sanction:

(a) Suspension: Exclusion from classes and other privileges or activities as set forth in a written notice for a specified period of time. Conditions of readmission shall be stated in the order of suspension.

(b) Dismissal: Permanent separation of the student from the university with no promise (implied or otherwise) that the

student may return at any future time. The student will also be barred from university premises.

(3) Loss of institutional, financial aid funds. Formal withholding of all or a part of institutional funds currently being received by the student or promised for future disbursement to the student for a specified period of time.

(4) Group sanctions:

(a) Probation: Formal action placing conditions on the group's continued recognition by or permission to function at the university. The probationary conditions will apply for a specified period of time. Violation of the conditions of probation or additional violations while under probation may result in more severe sanctions.

(b) Social probation: Prohibition of the group from sponsoring any organized social activity, party or function, or from obtaining a permission for the use of alcoholic beverages at social functions for a specified period of time.

(c) Charter restriction: The temporary withdrawal of university or ASEWU recognition for a group, club, society or other organization. It may be recommended by the appropriate judicial body, but may only be imposed by the president of the university or the president's designee.

(d) Charter revocation: The permanent withdrawal of university or ASEWU recognition for a group, club, society or other organization. It may be recommended by the appropriate judicial body, but can only be imposed by the president of the university or the president's designee.

The university president shall designate a person to be the university disciplinary officer who shall review and decide questions of university interest. The university disciplinary officer may investigate and make decisions in some instances of code violation.

students of Eastern Washington University for one-year terms. No student shall be eligible for appointment who holds any position with any of the associated student courts, serves as an attorney general or assistant attorney general in any of the student courts, or is in any way affiliated with any judicial, quasi-judicial, or advocacy position with the courts of the associated students of Eastern Washington University.

(c) A nonvoting chair shall be elected for a one year term by the committee from outside the committee. Reelection of the chair is permissible.

(d) Six voting members constitute a quorum.

(e) In the event the chair is not in attendance, the quorum shall select a voting member to preside at the hearing.

(f) Members of the disciplinary committee shall not participate in any case in which they are a defendant, complainant or witness, in which they have a direct or personal interest or bias, or in which they have acted previously in an advisory or adjudicatory capacity. A committee member's eligibility to participate in a case may be challenged by parties to the case or by other committee members, but decisions in this regard shall be made by the committee as a whole.

(g) In the event members of the disciplinary committee are disqualified or disqualify themselves from hearing a case, a temporary (for that case only) replacement shall be appointed. If the member is a student, the temporary appointment will be made by the associated students of Eastern Washington University president. If the member is a faculty member or administrator, the temporary appointment will be made by the university president.

(3) Student courts:

Student courts, the associated students superior court and those established by the associated students legislature as lesser courts to the associated students superior court, may act on such internal disciplinary problems as they feel competent to deal with effectively. If the student court is inoperative, or if it decides to do so, the student court may refer cases involving alleged violations of rules on which that court may extend jurisdiction to the university disciplinary officer or the university disciplinary committee.

WAC 172-120-070 Initiation of disciplinary procedures. The object of this code is to provide fair and reasonable procedures with which to deal with problems of student conduct.

(1) Any student, faculty member, staff member or the university may file a complaint against a student or student organization for any violation of the student conduct code.

(2) A person wishing to charge a student with a violation of the conduct code may:

(a) File a written charge with a student court when that system has jurisdiction; or

(b) File a written charge with the office of the dean of students or other designated officer.

(3) In instances of alleged violations of local, county, state or federal law, nothing in this conduct code will prohibit

or limit the right of persons to go directly to the civil and/or criminal authorities and file charges.

(4) University disciplinary proceedings may be instituted against a student charged with the violation of a local, county, state, or federal law which is also a violation of this conduct code; for example, if both violations result from the same, factual situation, without regard to the possibility of civil litigation or criminal prosecution. Proceedings under this conduct code may be carried out prior to, simultaneously with or following criminal proceedings off campus.

[Statutory Authority: RCW 28B.35.120. 97-06-095, § 172-120-070, filed 3/4/97, effective 4/4/97; 81-06-023 (Order 1-22-81), § 172-120-070, filed 2/25/81; Order 76-9-1, § 172-120-070, filed 9/23/76; Order 72-2, § 172-120-070, filed 5/12/72.]

WAC 172-120-080 Authority of university disciplinary officer. When the university disciplinary officer receives a complaint against a student or student organization for a violation of the code, the disciplinary officer will review the complaint to determine if there is sufficient evidence to hear the matter and explain to the complainant his/her rights under the student conduct code and possible avenues of action which the complainant has against the student or student organization, including reference to remedies under civil law as well as possible remedies under the student code. If the university disciplinary officer decides to initiate a disciplinary proceeding against the accused student or student organization, the disciplinary officer will then notify the accused student or student organization for an initial conference. This notification includes a written list of charges. During the initial conference, the university disciplinary officer will review with the accused student the written list of charges, provide the student with a copy of the student conduct code and any other relevant university policies and explain the student's rights under the student code and what possible ramifications may occur under civil law, if any. The disciplinary officer will further explain the disciplinary procedures, the individual's or organization's rights and responsibilities in the disciplinary process, and possible penalties under the student code and advise that the student must, within twenty-four hours after receipt of this explanation, decide to have the case heard by the university disciplinary officer, or by the university disciplinary committee, and sign a statement declaring the same. The committee must receive at least seventy-two hours notice as to the time and place of the hearing. The student may, at this time, waive his/her right to prior notice about a disciplinary hearing and request that the case be heard immediately following the initial conference.

(1) If the student accused of violating the student conduct code chooses a hearing before the university disciplinary officer, that officer, after considering the evidence against a student so charged, may take any of the following actions:

(a) Terminate the complaint, exonerating the student.

(b) Dismiss the charge after whatever counseling and advice is deemed appropriate.

(c) Refer the student to the mental health review board when it is reasonably determined from the available evidence that such referral is appropriate.

(d) Impose any number of sanctions from WAC 172-120-050(1) (minor disciplinary sanction).

(e) Refer the case to the university disciplinary committee in the event the university disciplinary officer deems major disciplinary sanction may be warranted or if the student requests that his/her case be heard by the committee.

(2) If the student requests that the case be heard by the university disciplinary committee rather than the university disciplinary officer, the committee may take any of the sanctions listed in subsections (1), (2), (3) and (4) of this section, except that the committee may impose a major disciplinary sanction as defined in WAC 172-120-050(2).

(3) If a student accused of violating the conduct code has withdrawn or withdraws from the university after the filing of any charge against him/her, either:

(a) A registration hold will be placed on the student's academic record and the student will be notified that disciplinary action may be initiated on the student's reentry or application for readmission; or

(b) The university may proceed with the disciplinary action or disciplinary committee hearing.

(4) The disciplinary officer has the right to place a hold on a student's transcript or registration pending the student's satisfaction of a disciplinary sanction imposed for violation of this code.

WAC 172-120-090 Consolidation of cases permissible. In the event that one or more students are charged with the same misconduct arising from the same occurrence, the disciplinary committee or university disciplinary officer shall be authorized to consolidate the hearings as practical, as long as consolidation does not prejudice the rights of any students.

WAC 172-120-100 Hearings procedure. Hearings shall be conducted in a manner which is informal and, at the same time, assures fundamental fairness of procedure.

(1) Hearings before the university disciplinary officer or the university disciplinary committee shall be closed hearings. Admission of any person to the hearing shall be at the discretion of the judicial body or officer. In hearings involving more than one accused student, the chairperson of the judicial body or the disciplinary officer, at his/her discretion may permit the hearings concerning each student to be conducted separately.

(2) A written record or a tape recording of the testimony before the university disciplinary committee shall be kept. It may be reviewed by the student at any reasonable time prior to the final disposition of the case. Records from all proceedings will be kept and filed with the university disciplinary officer for a period of seven years. These disciplinary proceedings and records shall be the property of the university and are confidential.

(a) Disciplinary records will be made available to hearing boards and university personnel as needed for valid educational purposes.

(b) Any student may review his/her own disciplinary records by contacting the dean of students' office.

(c) Except as outlined in these procedures, the university will not communicate a student's disciplinary record to any person or agency outside the university without the prior, written consent of the student, except as required by law. If the student is a minor, the student's parents or legal guardians may review these records.

(3) The complainant and the accused have the right to be assisted by any (one) advisor they choose, at their own expense. The advisor may be an attorney. The complainant and/or the accused is responsible for presenting his or her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing before the university disciplinary officer or the university disciplinary committee. The accused student can, however, speak with his or her advisor during the hearing. If the student utilizes an attorney as an advisor, the student must give to the university disciplinary officer or committee two days' notice of intent to do so. If the student elects to be advised by an attorney, the university disciplinary officer or committee may elect to have the university advised by an assistant attorney general.

(4) The following guidelines apply only to hearings before the university disciplinary committee:

(a) The complainant, the accused and the disciplinary committee shall have the privilege of presenting witnesses, subject to the right of cross-examination by the disciplinary committee. The complainant and the accused may submit questions to be asked of all witnesses to the disciplinary committee;

(b) Any person, including the accused student or any member of the accused organization, who disrupts a hearing may be excluded from the proceedings;

(c) Pertinent records, exhibits and written statements may be accepted as evidence for consideration by the disciplinary committee at the discretion of the chairperson.

(5) The disciplinary officer or presiding chairperson of the disciplinary committee will exercise control over the hearing. All procedural questions are subject to the final decision of the disciplinary officer or the chairperson of the disciplinary committee.

(6) Only those matters presented at the hearing in the presence of the accused student, except where the student fails to attend after receipt of proper notice that a hearing regarding the university's allegation that he/she violated the student code is being held at a certain time and place, will be considered in determining whether the judicial body hearing the case has sufficient cause to believe that the accused student is guilty of violating any of the written list of charges presented him/her pursuant to WAC 172-120-080. However, the complete record of the student's or student organization's prior conduct and academic performance may be taken into account by the disciplinary officer or disciplinary committee in imposing any sanction(s).

(a) In determining whether sufficient cause, as stated in the foregoing paragraph, exists, the university disciplinary officer or in the instance of a hearing, the university disciplin-

ary committee, shall decide whether a preponderance of the evidence indicates that the student charged violated the student code by engaging in the conduct for which he/she was charged pursuant to WAC 172-120-080.

(b) For the purposes of this code, the phrase, "preponderance of the evidence," means that it is more likely that the student charged violated the student code by engaging in the conduct for which he/she is charged than that he/she did not.

(c) The chair of the university disciplinary committee is not bound by the rules of evidence observed by courts and may exclude incompetent, irrelevant, immaterial and unduly repetitious evidence.

WAC 172-120-110 Deliberations and sanctions. (1)

After the hearing, the judicial body having heard the matter will meet in closed session and decide by majority vote whether the preponderance of the evidence indicates that the student violated the conduct code. If the decision is that the student engaged in an act of misconduct in violation of the rules with which he/she is charged with having violated, the committee will by majority vote determine what sanction from WAC 172-120-050 shall be imposed. If the university disciplinary committee was the body which heard the matter, it will deliberate in the manner described above, but will determine what sanctions it will recommend that the president impose on the student. This recommendation to the president must be made within five working days of the time when the hearing is terminated.

(2) In the course of determining what sanctions shall be imposed or recommended, the judicial body hearing the matter may consider any evidence of past misconduct that the chair of the committee deems relevant; such evidence may be presented by the university disciplinary officer or his/her designee.

(3) No sanction(s) may be imposed based solely on the failure of the accused student to answer the charges or appear at the hearing. The decision must be based on the evidence presented at the hearing to include the evidence of past misconduct deemed relevant.

WAC 172-120-120 Appeals. (1) If the accused student or student organization feels aggrieved by the imposition of disciplinary sanctions by the disciplinary officer or by a judicial body other than the university disciplinary committee, that student or student organization shall have a right to appeal the decision to the university disciplinary committee. The appeal must be in writing and received by the committee within five days after imposition of the sanction. Appeals to the university disciplinary committee shall be filed with the dean of students or other designated office. The written notice of appeal shall set forth:

(a) The student's name;
 (b) The nature of the disciplinary action imposed; and
 (c) The reasons why the student or student organization feels that the imposition of that sanction is unjust and what remedy the student or student organization is seeking. Before making a decision, the university disciplinary committee may request a written report of the case from the judicial body which heard the case. The committee shall also have the right to request additional written information or explanation from any of the parties to the proceeding before rendering its decision. In making its decision, the committee shall only consider the written record before it, the student's notice of appeal and such other information and explanation it has requested from the parties to the proceeding. The committee may consider the complete record of the student's or student organization's prior conduct and academic performance in imposing any sanctions. The committee is empowered to affirm, reverse, remand, or modify (only to a less severe sanction). The university disciplinary committee's hearing of a matter on appeal is the final level of appeal on the matter.

(2) Appeals to the president:

When the university disciplinary committee is the judicial body to first hear a case, the aggrieved student or student organization has a right of appeal to the president, or the president's designee by following the steps listed in subsection (1) of this section for filing an appeal. The president or the president's designee may request a written report of the case from the university disciplinary committee before making a decision. The president or the president's designee may also request additional information from any of the parties to the proceedings before rendering a decision. In making a decision, the president of the university or the president's designee shall only consider the written record and such other information requested from the parties to the proceeding.

In the instance in which the president has received a finding that the university student code has been violated, the president may, in considering what disciplinary sanction should be imposed, affirm, reverse, remand or modify the recommendation of the university disciplinary committee. In imposing any sanctions, the president may consider the complete record of the student's or student organization's prior conduct and academic performance.

WAC 172-120-130 Interim suspension permitted. (1) Disciplinary actions of the university will be implemented by the president of the university, except as such implementation may be delegated by the president or the board of trustees. Ordinarily, the disciplinary authority of the university will be invoked only after completion of the procedures established for the review of disciplinary cases and after the student, if he/she so wishes, has availed himself/herself of the appeal procedures. However, in situations where there is cause to believe that the student or the student organization poses an immediate threat to himself or herself, to others or to property, or is incapable of continuing as a student for medical or psychological reasons, or where it is believed that the stu-

dent's continued attendance or presence may cause disorder or substantially interfere with or impede the lawful activities of others or imperil the physical or mental health and safety of members of the university community, interim actions may be taken immediately without prior notice or hearing. These actions, taken by the president or the president's designee, may include:

(a) Interim restrictions, including but not limited to assignment to alternate university housing or removal from university housing, limitation of access to university facilities, or restriction of communication with specific individuals or groups;

(b) Interim suspension, including temporary total removal from the university or restriction of access to campus;

(c) Mandatory medical/psychological assessment, including referral to outside, medical professionals and/or to the mental health advisory board for assessment of the student's capability to remain in the university.

(2) In all such cases, the student or student organization is entitled to personally appeal before the dean of students or designee as soon as is reasonably possible but not later than ten days after the action is taken, unless the student requests an extension in order to review the following issues only:

(a) The reliability of the information concerning the student's behavior;

(b) Whether or not the student's continued presence or prior or present behavior warrants interim suspension for the causes listed in subsection (1) of this section.

As a result of the meeting between the dean of students and the student, the dean may recommend to the president or the president's designee either continuation or termination of the interim suspension action and/or initiate disciplinary procedures in accordance with this conduct code.

(a) A fair and impartial hearing before the appropriate judicial body composed of members of the campus community;

(b) Notice of the charge(s) against them and the basis for the charge(s);

(g) To consult an advisor;

(h) One appeal; and

(i) To be subjected to university judicial action only one time for the same offense.

(2) Any student or student organization brought before the university disciplinary committee has these additional rights:

- (a) To call any person(s) as a witness who may have information regarding the case;
- (b) To view the material to be presented against them in advance of the hearing;
- (c) To hear the testimony of all witnesses;
- (d) To present questions to be asked of all witnesses; and
- (e) To have a record made of the hearing.

(3) The burden of proof rests with the accuser. This burden shall be carried if guilt is indicated by a fair preponderance of the evidence when considered as a whole.

(1) All library materials kept in a carrel must be checked out, and are subject to the library's loan policies. University staff members may enter the carrels for checking and retrieving library materials and for cleaning and maintaining the carrels.

(2) The library is not responsible for personal property left in the carrels.

(3) A carrel assignment may be withdrawn or denied if the rules governing its use are not observed.

Gifts estimated to be less than five thousand dollars will be accepted with the donor's valuation without proof, provided it appears reasonable. The library reserves the right to reject, dispose, sell, or return to the donor any gift.

WAC 172-168-100 Library borrowers. Use of the library as part of a state public institution is the right of any adult resident of the state; however, borrowing privileges and other services may be limited in order to serve first the primary clientele of students and faculty. Children under twelve years of age must be accompanied by an adult or obtain permission from the senior staff member on duty. Use of the library may be denied to anyone for continuing abuse of library services or resources. Library materials may be circulated to the following:

(1) Students either full time or part time, including those serving as student teachers; graduate students; faculty members, including special categories such as visiting professors, and emeriti faculty, administrative and civil service staff; and trustees.

(2) Faculty members of public higher education institutions of Washington state.

(3) Spouses of faculty, staff members, and students.

(4) Members of "Associates of the EWU Library."

(5) Other libraries through interlibrary loans.

(6) Children between ages twelve and sixteen years may register and be issued a borrower's card, provided the card is co-signed by their parent or guardian.

(7) Other individuals as determined by the dean of libraries.

[Statutory Authority: RCW 28B.35.120, 92-23-047, § 172-168-100, filed 11/16/92, effective 12/17/92; 82-07-064 (Resolution No. 82-02), § 172-168-100, filed 3/22/82; Order 73-10, § 172-168-100, filed 4/18/73.]

WAC 172-168-110 Library circulation policy. Amounts of materials loaned at a given time may be limited by demand, availability, or the discretion of the circulation manager or the librarians. All materials held past the due date, or past the revised due date resulting from a recall, are considered overdue.

(1) General materials, government documents, and music scores have a standard loan period of thirty days, beginning the day of check out, with one opportunity for renewal.

(2) Reference materials, bound periodicals, video recordings, or special collections materials do not circulate outside the library.

(3) Unbound periodicals circulate for three days.

(4) Reserve materials may be checked out for one hour, two hours, overnight, one day, two days, or three days, depending on the type of reserve requested.

(5) Sights and sounds materials circulate for seven days.

(6) Curriculum laboratory materials circulate for two weeks and are nonrenewable.

(7) Prints, framed pictures, uncataloged library materials, and any small collections which may be established from time to time are loaned at the discretion of the circulation manager or the librarians.

(8) Penalties. Violation of the loan periods in subsections (1) through (7) of this section by a library user may result in the assessment of fees or the imposition of restrictions on borrowing privileges.

(9) Holds. Items that have holds placed on them may not be renewed.

(10) Recall of materials. Except as noted above, borrowers are allowed two weeks of uninterrupted use before a recall may be requested. However, loaned materials may be recalled before that time for class use by a faculty member. Once a recall is issued, the borrower is given seven days to return the material; this date becomes the revised due date.

(11) Extended loan periods. Faculty members and graduate students may check out general materials anytime within the academic quarter with the item being due at the end of that quarter. However, items checked out within the last thirty days of any academic quarter are due at the end of the following quarter. Renewal may be requested one time by graduate students and three times by faculty members. Materials loaned to faculty members and graduate students are subject to subsections (2) through (10) of this section.

(12) Responsibility. Materials borrowed from the library remain the responsibility of the borrower until the materials have been discharged by the library.

WAC 172-168-120 Library fines and charges for lost, damaged, and overdue materials. Fine schedules are posted at the circulation counters at the university library and its branches.

(1) Persons to whom overdue materials are checked out are subject to specific fines. Service charges are assessed for notices, and the replacement cost of each item overdue is assessed in the final notice. Reserve materials are subject to a separate fine schedule.

(2) A block restricting borrowing privileges will be placed on a borrower's record at the time a final notice is sent (thirty days past due date) or when accumulated library charges reach \$50.00. The balance must be reduced to \$25.00 or less to reinstate borrowing privileges.

(3) Ordinarily the library sends reminder notices and hold notices on overdue materials. However, it must be recognized that the return of library materials is solely the borrower's responsibility, and the library may, when necessary, curtail the practice of sending notices.

(4) Reimbursement shall be made to the library for lost or damaged materials, the charges to be established by the dean of libraries or authorized designee. The charges will be

a fair estimate of replacement or repair cost plus a five dollar processing charge.

(5) Final notice fees, service charges, and replacement amounts due will be forwarded to the controller's office for collection when materials become sixty days overdue. (This may affect registration and financial aid.) The account may be turned over to a collection agency.

(6) All library patrons should be aware of RCW 27.12.340 which states:

"27.12.340 Wilfully retaining books—Infraction. It is a class 4 civil infraction for any person to wilfully retain any book, newspaper, magazine, pamphlet, manuscript, or other property belonging in or to any public library, reading room, or other educational institution, for thirty days after notice in writing to return the same, given after the expiration of the time that by the rules of such institution such article or other property may be kept."

(7) The library may resort to legal action to obtain compliance with these regulations.

WAC 172-168-130 Library service fees. Fees may be levied for some special services in the library which are not funded and must be self-supporting. In all cases, the fees reflect the actual cost of the service. A current fee schedule will be maintained in the library as established by the university librarian, or authorized designee. At present, fees are charged for a variety of photocopying, bibliographic and related services. Normally these charges will not exceed actual costs incurred, including labor and overhead.

WAC 172-190-010 Purpose. The purpose of this chapter is to comply with the requirements of Public Law 93-380, § 513, of 1974, also annotated as 20 U.S.C.A. 1232, which law represents amendments to the General Education Provisions Act. As indicated in the aforesaid law, its purpose is to assure that students attending institutions of higher education

such as Eastern Washington University shall have a right to inspect certain records and files intended for school use or made available to parties outside the university.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-010, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-010 (codified as WAC 172-190-010), filed 3/3/75.]

WAC 172-190-020 Definitions. The following definitions shall apply in interpreting these regulations:

(1) "Education records" are defined as records, files, documents, and other materials which contain information directly related to a student and are maintained by the university. Also included are records relating to an individual in attendance at the university who is employed as a result of his or her status as a student. The definition of "education records," however, does not include any materials used by any university instructor in the course of assessing a student's academic performance, including but not limited to academic grades conferred, essays, tests, written evaluations given during directed studies, and the like, nor materials maintained by the university's counseling center, or by any psychologist paraprofessional acting in a professional or paraprofessional capacity for the benefit of the university.

(2) "Student" is defined as a person who is or has been in attendance at Cheney, Spokane, or any other location at which the university confers credit and regarding whom the university maintains educational records.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-020, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-020 (codified as WAC 172-190-020), filed 3/3/75.]

WAC 172-190-030 Right of inspection. Any student shall have a right, subject to the procedural requirements outlined in WAC 172-190-070 through 172-190-090, to inspect any education records directly related to him or her that are intended for school use or are available for parties outside the school or school system. In the case of any education records relating to a student which also include information regarding another student, the responsible university officials shall delete any personally identifiable information relating to the identity of the other student.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-030, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-030 (codified as WAC 172-190-030), filed 3/3/75.]

WAC 172-190-035 Availability of directory information. Except as hereinafter provided, the following information contained in a student's education records shall be available to members of the public: Student's name, address, telephone listing, date and place of birth, and participation in officially recognized activities and sports; weight, height and birth dates of athletic team members; dates of attendance at the university, degrees and awards received, and the most recent previous educational agency or institution attended by the student. The information shall be deemed "directory information." The university will give public notice to students of the matters contained in the above-designated "directory information" that is available to members of the public at the time the student registers for enrollment in the academic quarter. On the day of registration each student shall indicate

on the university registration form whether he or she will not consent to the university's release of directory information to others.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-035, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-035 (codified as WAC 172-190-035), filed 3/3/75.]

WAC 172-190-040 Access permitted to university and certain other officials without consent. (1) The following persons, individuals, agencies, or organizations shall be entitled to access to official records, files, and data of any student, subject to the limitations outlined in subsection (2) of this section, without the written consent of the student:

(a) Other school officials, including instructors within the university who have a legitimate educational interest;

(b) Officials of other universities, schools, or school systems, upon the condition that a reasonable attempt is made to notify the student of the transfer and to provide the student with a copy of the record if he or she desires it and the student has the opportunity to challenge the content of the record, per the procedures outlined in WAC 172-08-090;

(c) Authorized representatives of the controller general of the United States; the Secretary of Health, Education and Welfare; and administrative head of an education agency as defined in § 409 of Public Law 93-380; or state of Washington educational authorities: *Provided*, That except when collection of personally identifiable data is specifically authorized by federal law, any data collected by the controller general, the secretary, administrative head of a United States Education Agency or state educational authorities with respect to individual students shall not include information (including social security numbers) which permit the personal identification of the students.

(d) Authorized representatives of the Office of Education at the U.S. Department of Health, Education and Welfare; the Law Enforcement Assistance Administration of the U.S. Department of Justice; the U.S. Veterans Administration; the Bureau of Indian Affairs; the Washington state council on higher education; the Washington state department of social and health services; lending institutions receiving applications from students or granting to students financial aid; and individual organizations or institutions that provide scholarships to any applicant student when the organizations or individuals make requests for students' education records in connection with a student's application for, or receipt of, financial aid.

(e) State and local officials or authorities, if a state statute adopted prior to November 19, 1974, specifically requires disclosures to those officials and authorities. This does not prevent a state from further limiting the number of type or state or local officials to whom disclosures may be made under that paragraph.

(f) Disclosures to organizations (including, but not limited to, federal, state, local agencies, and independent organizations) conducting studies for, or on behalf of, educational agencies or institutions to:

- (i) Develop, validate, or administer predictive tests;
- (ii) Administer student aid programs; or
- (iii) Improve instruction.

This information may be disclosed if the study is conducted in a manner that does not permit personal identification of parents or students by individuals other than representatives of the organization and the information is destroyed when no longer needed for the purposes for which the study was conducted.

(g) The disclosure is to accrediting organizations to carry out their accrediting functions.

(h) The disclosure is to parents of a dependent student, as defined in Section 152 of the Internal Revenue Code of 1954.

(i) The disclosure is to comply with a judicial order or lawfully-issued subpoena. Information may be disclosed only if the institution or agency makes a reasonable effort to notify the parent or eligible student of the order or subpoena in advance of compliance.

(j) Disclosure is in connection with a health or safety emergency.

(k) Disclosure is information the educational agency or institution has designated as "directory information."

(l) This section does not forbid or require an educational agency or institution to disclose personally identifiable information from the education records of a student to any parties under (a) through (l) of this subsection.

(2) The university shall maintain a record, kept with the education records of each student, which will indicate all the agencies or organizations referenced in subsection (1)(b) and (c) of this section, which have requested or obtained access to the student's education records. The university employee who is the custodian charged with the maintenance of the student education records shall further indicate specifically the legitimate interest each agency or organization has in obtaining this information.

(3) If any of the agencies or organizations described in subsection (1)(b) or (c) of this section, request access to the education records of ten or more students, they may do so on a form provided by the university that indicates the request is being made on a blanket basis. The form shall also require the agency to identify the legitimate interest the agency has regarding students' education records. The university employee who is the custodian of each student education record requested by an agency or organization referenced in subsection (1)(b) and (c) of this section shall then enter in the education record notice of the agency's or organization's request and the place where the request may be found.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-040, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-040 (codified as WAC 172-190-040), filed 3/3/75.]

WAC 172-190-050 Distribution of information to others. The university shall not furnish in any form any personally identifiable information contained in education records directly related to a student to any person, agency, or organization other than those designated in WAC 172-190-040, unless written consent is first obtained from the student and, specifically identifies the records to be released, the legitimate interests the party has in obtaining the information and to whom the personally identifiable information is to be released. In the case any personally identifiable information contained in a student's education records is to be furnished in compliance with a judicial order or pursuant to a lawfully

issued subpoena, the university shall make a reasonable attempt to notify the student in advance of compliance therewith.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-050, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-050 (codified as WAC 172-190-050), filed 3/3/75.]

WAC 172-190-060 Notice of rights given under Family Educational Rights and Privacy Act of 1974. In accordance with the requirements of the aforesaid federal statute, the university will make its best efforts to notify all students of their rights under this act. The notification shall be done by the registrar through the Washington Administrative Code procedures provided for by the Administrative Procedure Act, notices accomplished through the university catalogs, quarterly course announcements, and other publications and media that the university deems appropriate. The notification shall include at least a statement which indicates where the policy is kept and how copies of the policy may be obtained.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-060, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-060 (codified as WAC 172-190-060), filed 3/3/75.]

WAC 172-190-070 Requests for access to student records. No personally identifiable information relating to a student's education record will be furnished to any person whatsoever unless the person makes a written request to do so and provides to the custodian of the records information sufficient to identify the requesting party as a person who has a right to access to the records. By way of example and not limitation, a requesting party who identifies himself or herself as a student to whom the record relates must provide a department of licensing identification or international driver's license or identification sufficient to identify the student, university identification card, and any other official identifying document that is sufficient to establish the identity of the student. In the case of any persons in the category of those individuals, persons, agencies, or organizations identified in WAC 172-190-040, no personally identifiable information contained in any student's education record will be disclosed without providing information of the same type and nature as that required of a student plus other information as the custodian of the record deems sufficient to ascertain the official capacity of the requesting party.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-070, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-070 (codified as WAC 172-190-070), filed 3/3/75.]

WAC 172-190-080 Determination regarding records. The university reserves the right to determine that a record regarding a student is not an education record or material defined in WAC 172-190-020 or that the provision of personally identifiable information relating to a student was properly given to an authorized agency per WAC 172-190-040. The determination shall be made in writing and may be accomplished in consultation with any of the records officers of the university designated in chapter 172-09 WAC, the president, a vice-president, or an assistant attorney general assigned to the university.

(1999 Ed.)

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-080, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-080 (codified as WAC 172-190-080), filed 3/3/75.]

WAC 172-190-090 Review proceeding available. (1) Any person objecting to a denial of a request for any university record relating to a student, or any student who contests whether the transfer of any university record relating to him or her is permitted under these regulations, may petition for prompt review of the denial or written objection to transfer. The written request shall:

(a) Be served on the public records officer provided for in chapter 172-09 WAC;

(b) Demand prompt review; and

(c) In the case of objection to transfer, specifically reference the party to whom he or she does not want the record transferred and contain a written statement by the record custodian denying the person's request.

Upon receipt of a proper written objection to transfer of a student record, the university public records officer shall cause the records to not be transferred pending outcome of the proceeding provided for in these regulations.

(2) Within ten days after receipt of the written request by a person petitioning for prompt review of a decision by a custodian of student records, the president of the university or any authorized designees, which for the purposes of this section may include any vice-president of the university, shall consider the petition.

(3) The president or authorized designee may at the end of the ten day period either meet the objecting party's objection and advise the party of the same in writing, or in the alternative, set the matter up for a proceeding before a presiding officer designated by the president or the president's designee. The proceeding shall be conducted within thirty days after the objecting party served the objections on the university's public records officer and shall be a brief adjudicative proceeding, as that term is defined in RCW 34.05.482 through 34.05.494 and shall be conducted as provided for therein. The president or authorized designee shall determine the time and place for the proceeding. At the proceeding, the objecting party shall further explain and identify the exact purpose for seeking the record which has been denied or why he or she has lodged objections to transfer of a student record. Failure by the person requesting the review to appear at the brief adjudicative proceeding shall be deemed a waiver of that person's right to insist upon completion of the review of the request.

(4) During the proceeding conducted by the president, an authorized designee, or by anyone appointed by the president or authorized designee, the person conducting the proceeding shall consider the obligation of the university to fully comply with the Family Educational Rights and Privacy Act, but shall also consider the exemptions provided in the course of these regulations. A record shall be made of the proceeding by mechanical transcriptions or any other means satisfactory to the university.

(5) Within ten days after the hearing has occurred, the president, or authorized designee, or the hearing officer appointed to conduct the informal hearing shall provide the objecting party with a written decision, which decision shall be binding upon the university and upon the objecting party.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-090, filed 12/30/91, effective 1/30/92; Order 75-1 § 172-08-090 (codified as WAC 172-190-090), filed 3/3/75.]

WAC 172-190-100 Right of students to register objections. Any student who objects to the accuracy or truthfulness of any information contained in any Eastern Washington University education records or portion thereof that is related to the student may submit to the university's public records officer his or her written views regarding the same, which written objection shall then be included in the education records: *Provided*, That no student has any right to post objections to academic grades and have the same appear on his or her academic transcript.

[Statutory Authority: RCW 28B.35.120(12), 92-02-053, § 172-190-100, filed 12/30/91, effective 1/30/92; Order 75-1, § 172-08-100 (codified as WAC 172-190-100), filed 3/3/75.]
