WAC 308-12-031 Registration examination. The board adopts the N.C.A.R.B. Architect Registration Examination (A.R.E.) as the examination required of applicants. Where RCW 18.08.360 refers to the "entire examination," it means the NCARB A.R.E. together with the oral examination.

The board adopts the grading procedures prepared by the NCARB.

(1) The test vendor shall publish an information guide concerning examination content, locations, schedules, and fees.

(2) An applicant must pass each division of the NCARB examination.

(3) The oral examination is given upon the applicant's completion of the NCARB examination.

The purpose of the oral examination is to test in those areas of knowledge and skill not covered in the NCARB examination.

The oral part of the examination shall include a review of the applicant's practical experience, an understanding of the law and the responsibility to safeguard life, health, and property and to promote the public welfare.

The oral examination may be conducted by the full board or by an architect member of the board. The board may set aside the full board examination if the examining board member deems the applicant prepared for registration. If the full board examination is not set aside or if the examining board member fails the applicant, the applicant must then appear for a full board oral examination.

The board may set aside the entire oral examination based upon certification by the NCARB of successful completion of the intern development program. Such applicants shall submit the NCARB Council Record of IDP completion. The decision to set aside the oral examination does not affect the requirement to summarize the law and rules pertaining to architecture.

An applicant must successfully complete the entire examination within a five-year period. The five-year period shall begin with the month an applicant passes the first division of the examination. Passing scores for any division of the examination may be carried forward for a period of five years from the date the applicant passed that division of the examination. Applicants shall retake any division of the examination which was passed more than five years previously, along with any division of the examination not yet passed. The oral examination is part of the entire examination and shall be completed within the five-year period.

WAC 308-49-100 Purpose. The purpose of this chapter is to implement the provisions of RCW 18.39.240 through 18.39.345 and 18.39.360, by establishing rules for the registration of funeral establishments which enter into prearrangement funeral service contracts and to establish uniform minimum requirements for such contracts and prearrangement trust funds.

[Statutory Authority: RCW 18.39.175(4), 90-17-148, § 308-49-100, filed 8/22/90, effective 9/22/90. Statutory Authority: 1982 c 66 § 12. 83-04-021 (Order PL 420), § 308-49-100, filed 1/26/83.]

WAC 308-49-140 Registration of establishments. (1) Each funeral establishment entering into prearrangement funeral service contracts in which one or more of the following conditions exist must be registered with the board before entering into such contracts:

(a) The sales price of the contract, using either trust or insurance as a method of funding, guarantees a final price for merchandise and services. The guarantee assures the purchaser that there will be no additional charges for the merchandise and services disclosed within the agreement.

(b) The sales price of the contract using a trust as a method of funding plus accruals will be applied toward the cost of merchandise and services at the time of need. Should the cost of merchandise and services selected at the time of need exceed the sales price of the contract plus accruals, the purchaser will pay the difference. Should the cost of merchandise and services selected at the time of need be less than the sales price of the contract plus accruals, the purchaser will receive a refund for the difference.

(c) Insurance is used as a method of funding guaranteeing a final price for merchandise and services. Such guaran-

tee assures the purchaser that there will be no additional charges for merchandise and services disclosed in the agreement.

(2) Before entering into any prearrangement funeral service contracts in this state, a funeral establishment shall first obtain a certificate of registration from the board. To apply for registration, a funeral establishment must file an application on forms approved by the board of funeral directors and embalmers, which includes:

(a) The name, address, and telephone number of the funeral establishment;

(b) A statement of the establishment's current financial condition and an explanation of how the establishment plans to offer, market and service prearrangement contracts including:

(i) The type of business organization which operates the funeral establishment, e.g., sole proprietorship, partnership, or corporation and a list of all officers, directors, partners and managers by name and title, and any person owning more than ten percent of the business;

(ii) A balance sheet and a profit and loss statement for the most recently concluded fiscal year and/or other such fiscal documents as the board may require;

(c) The prearrangement funeral service contract forms the establishment proposes to use need not be in final printed form when submitted; however, a copy of the final printed form shall be filed with the board before the form is used;

(d) Identification of the trustee(s) of the prearrangement funeral service trust, including address and telephone number.

(e) A copy of the prearrangement funeral service trust agreement and the prearrangement funeral service trust depository agreement.

(3) Upon review of the application, the board may require additional information or explanation prior to registration or refusing to register the funeral establishment.

(4) The application shall be accompanied by a check payable to the state treasurer in the amount required by the director for issuance of the certificate of registration.

[Statutory Authority: RCW 18.39.175(4), 90-17-148, § 308-49-140, filed 8/22/90, effective 9/22/90. Statutory Authority: RCW 18.35.175(4), 88-13-010 (Order PM 737), § 308-49-140, filed 6/6/88. (vi) That reasonable fees as set forth by statute for the administration of the trust plus taxes paid or withheld shall be deducted from the interest, dividends and increases that the trust may earn.

(vii) That the board may terminate a contract if the establishment goes out of business, becomes insolvent or bankrupt, makes an assignment for the benefit of creditors, has its prearrangement funeral service certificate of registration revoked, or for any other reason is unable to fulfill the obligations under the contract. That in such event, or upon demand of the purchaser or beneficiary of the prearrangement funeral service contract the funeral establishment shall refund to the purchaser or beneficiary all moneys deposited in trust and allocated to the contract unless otherwise ordered by a court of competent jurisdiction. That the purchaser or beneficiary may, in lieu of a refund, elect to transfer the prearrangement funeral service contract and all amounts in trust to another funeral establishment licensed by the board to enter into prearrangement funeral service contracts which will agree to endorse the contract and to be bound to the contract and to provide for the funeral merchandise or services.

(e) If a contract is to be funded through insurance, the contract shall also contain language which:

(i) States the amount of insurance;

(ii) Informs the purchaser of the name and address of the insurance company through which the insurance will be provided and the policy number;

(iii) Informs the purchaser that amounts paid for insurance may not be refundable.

(f) A statement to the purchaser of the contract that the funds deposited under the contract, plus accruals thereon, shall be withdrawable from the trust under the following circumstances and conditions;

(i) If the funeral establishment files a verified statement with the trust that the prearrangement funeral merchandise and services covered by the contract have been furnished and delivered in accordance therewith; or

(ii) If the funeral establishment files a verified statement with the trust that the prearrangement funeral merchandise and services covered by the contract have been canceled in accordance with its terms;

WAC 308-49-200 Telephone solicitation. (1) The use of telephones for solicitation of prearrangements is prevalent. This form of communication offers unique benefits, but

entails special risks and poses potential for abuse. The board finds that any impropriety in telephone solicitation is a matter vitally affecting the public interest. For the general welfare of the public and in order to protect the integrity of the funeral industry, the use of telephones in solicitation of prearrangements must be defined by the board.

(2) Definitions:

(a) "Telephone solicitor" means any person who engages in telephone solicitation on behalf of a holder of an establishment license.

(b) "Telephone solicitation" means an unsolicited telephone call to a person and conversation for the purpose of inducing the person to make funeral prearrangements made without previous invitation, expressed or implied, by the person called.

(3) Time limits:

(a) No licensee may knowingly cause a telephone solicitation to be made to any person more often than once in every six months.

(b) A telephone solicitor shall not place calls which will be received before 8:00 a.m. or after 9:00 p.m.

(4) Unfair/deceptive practices. A telephone solicitor may not engage in any conduct the natural consequence of which is to harass, intimidate, or torment any person in connection with the telephone call.

(5) Identification. Within the first thirty seconds of the telephone call, a telephone solicitor or salesperson shall:

(a) Identify himself or herself, the company on whose behalf the solicitation is being made, the property, goods, or services being represented; and

(b) Terminate the telephone call within ten seconds if the purchaser indicates he or she does not wish to continue the conversation.

(6) Termination of contact. If at any time during the telephone contact, the purchaser states or indicates that he or she does not wish to be called again by the telephone solicitor or wants to have his or her name and individual telephone number removed from the telephone lists used by the telephone solicitor, the telephone solicitor shall not make any additional telephone solicitation of the called party at that telephone number within a period of at least one year.

The MSO/MCO shall contain the following information:

WAC 308-56A-115 Vehicles from jurisdiction other than Washington. (1) What ownership documents are required to title and license a vehicle not currently titled or licensed in the state of Washington?

(a) If the vehicle was acquired from an agency of the United States government, the original or a copy of the bill of sale issued by the United States government must accompany the application for certificate of ownership.

(b) If a vehicle is titled in another state, the application for certificate of ownership must be accompanied by the most current title issued by that state. The department will accept a copy of the current title when it is being held by the lien holder and is not available.

(c) If a vehicle is titled in another country, the application for certificate of ownership must be accompanied by the most current title issued by that jurisdiction. If the country from which the vehicle is imported cancels the vehicle title and/or registration for export, the application for certificate of ownership must be accompanied by documents showing proof of ownership and evidence of the cancellation.

(d) If a member of the United States armed forces owns the vehicle and the vehicle has been registered by the United States government military entity, the application for certificate of ownership shall be accompanied by the registration certificate as proof of ownership. If there is a lien holder, the United States armed forces member must contact the lien holder and obtain a copy of the ownership documents being held.

(2) What ownership documents are required to obtain a certificate of ownership for a vehicle from a jurisdiction that by policy or law does not title or register certain classes of vehicles based on age, type, or other criteria?

If the vehicle is from a jurisdiction that by policy or law does not title a specific vehicle, but does register it, the department will accept the registration as an ownership document. If the applicant is not the owner shown on the registration, a bill of sale or release of interest is also required. If the vehicle is from a jurisdiction that neither registers nor titles, the department will accept a statement from the applicant certifying when and where they purchased the vehicle, and that the previous jurisdiction does not title or register this type of vehicle. If the applicant is not the owner of the vehicle that was brought in from such jurisdiction, a bill of sale is required, and the statement certifying how the vehicle was acquired. The Washington certificate of ownership may contain a special notation if issued under these circumstances. If the bill of sale is not available, ownership in doubt procedures from WAC 308-56A-210 apply.

(1999 Ed.)

(3) What ownership documents are required to title a vehicle from a jurisdiction which has refused to issue a title document for a specific vehicle?

If the jurisdiction has refused to issue title, Washington will require the customer to comply with ownership in doubt procedures from WAC 308-56A-210. In those cases where a title was refused for reasons not applicable to Washington, the department may consider issuing a title with the appropriate documentation.

(4) What additional documentation is required if my vehicle is from a foreign country?

In addition to the ownership document, the application for certificate of ownership must be accompanied by:

(a) An approved United States Department of Treasury Customs Service form properly executed authorizing the vehicle entry into this country. Applications for certificate of ownership for vehicles imported from Puerto Rico need not be accompanied by a customs document;

(b) A certificate of inspection signed by an authorized inspector as described in WAC 308-56A-150;

(c) An English translation for any document provided which is not in the English language. The translator shall provide a notarized/certified affidavit attesting to the accuracy of the translation; and

(d) A release of interest from the owners shown on the ownership documents, as provided in WAC 308-56A-210, if the applicant is not the owner shown.

(5) What if my vehicle does not pass the EPA?

If the vehicle does not conform with all applicable federal motor vehicle safety standards or federal air pollution control regulations, and the United States Customs Service will not issue a custom document, the department will not issue a certificate of ownership or registration for the vehicle.

(6) What if there is no indication that my vehicle is from a nontitle or nonregistration jurisdiction, and no other jurisdiction has a record of my vehicle?

If there is no indication that your vehicle is from a nontitle or nonregistration jurisdiction, and no jurisdiction has a record for your vehicle, you need to follow ownership in doubt procedures in WAC 308-56A-210.

WAC 308-56A-160 Model year—How determined. Model year is the year used to designate a discrete vehicle model irrespective of the calendar year in which the vehicle was actually produced so long as the actual production period is less than two years.

(1) The model year for a vehicle, including kit vehicles defined in RCW 46.04.251, is the model year assigned by the manufacturer. The manufacturer shall adopt a standard for assigning model year based on either the date of manufacture or features of the vehicle. The standard must be such that all vehicles assigned a model year which are manufactured on the same date with the same features are assigned the same model year. The model year shall be designated on the manufacturer's certificate of origin (MCO) or similar documents provided by the completing vehicle manufacturer. The model year of a kit vehicle shall not be the model year of the vehicle the kit replicates.

(2) Manufacturers of chassis or incomplete vehicles sold to motor home or recreational vehicle manufacturers who issue separate MCOs need not assign model year to these vehicles. The final stage manufacturer of these vehicles shall assign the model years as provided in subsection (1) of this section. In the event a model year is assigned by both the incomplete vehicle manufacturer and the completing manufacturer, the completing manufacturer assigned model year shall be used on the certificates of ownership and registration.

(3) In the event an original manufacturer has not assigned a model year or the vehicle is rebuilt, home made, street rod assembled, or is a kit vehicle, the Washington state patrol or other person authorized by the director to make vehicle inspections will use the following criteria to establish the model year:

(a) The model year for a homemade vehicle will be the year of inspection for the purpose of making an application for certificate of ownership.

(b) When possible, the model year will be determined from the vehicle identification number (VIN). When the VIN does not identify the production date, corresponding production records of the original manufacturer shall be used.

(c) The model year for assembled vehicles will be determined by the Washington state patrol based on the date of

manufacture of the vehicle which the vehicle most closely resembles.

(4) For purposes of this section the following terms shall have the meanings indicated:

(a) "Manufacturer" means any person, firm, association, corporation, or trust, resident or nonresident, who manufactures or assembles new and unused vehicles or remanufactures vehicles. Manufacture shall include the assembling, altering, or converting of a vehicle to the extent the vehicle qualifies for a change in the series and body type appearing on its title, MCO or similar document.

(b) "Incomplete vehicle" means an assemblage consisting, as a minimum, of frame and chassis structure, power train, steering system, suspension system, and braking system, to the extent that those systems are to be part of the completed vehicle, that requires further manufacturing operation, other than the additions of readily attachable components, such as mirrors or tire and rim assemblies, or minor finishing operations such as painting, to become a completed vehicle.

(c) "Model" means a name which a manufacturer applies to a family of vehicles of the same type, make, line, series, and body type.

(d) "Assembled and homemade vehicles" have the meaning provided in WAC 308-56A-455.

WAC 308-56A-200 Lost title. If the last issued certificate of title has been lost or destroyed:

(1) An application for a duplicate certificate of title must be accompanied by an affidavit of loss or destruction in a form approved by the department and signed by the legal owner.

(2) An application for transfer or reissue of title may be accepted if accompanied by

(a) An affidavit of loss or destruction in a form approved by the department signed by the legal owner of record; and

(b) A proper release of interest.

(3) And the title is from a foreign state or jurisdiction,

(a) The owner of record in that foreign state must apply for a duplicate title from the state issuing the certificate of title or registration and that duplicate certificate must be attached to the application for a Washington certificate of title.

(b) If undue hardship would result from the necessity of obtaining a duplicate certificate, a letter verifying the ownership of the vehicle from the issuing state will be accepted in lieu of a foreign certificate if that letter of verification is no more than 30 days old.

(c) If the foreign certificate or letter of verification shows a person other than the person making the application for Washington certificate of title, the person or persons shown must release his/her or their interest either by endorsement on the certificate or on a release of interest form.

WAC 308-56A-205 Release of interest. If the registered and/or legal owners of record cannot release their interest on the title, a release of interest form approved by the department properly signed in accordance with WAC 308-56A-275, may be used as supportive documentation.

WAC 308-56A-210 Ownership in doubt. (1) **What does an applicant do if they are unable to provide an acceptable release of interest as defined in WAC 308-56A-105 from the owner(s) of record for a vehicle?**

When an applicant is unable to provide an acceptable release of interest, the applicant may:

(a) Petition any district or superior court of any county of this state to receive a judgment awarding ownership of the vehicle. Such judgment is required if ownership of the vehicle is contested after the applicant makes application for ownership in doubt and before the three-year ownership in doubt period has lapsed; or

(b) Apply for registration only or bonded certificate of ownership as described in this rule if a judgment is unnecessary as described in (a) of this subsection. The applicant shall:

(i) Provide evidence of ownership of the vehicle such as, but not limited to, a bill of sale;

(ii) Obtain a Washington state patrol VIN inspection;

(iii) Make a reasonable effort to determine ownership of the vehicle by writing to the agency that issued the last known certificate of ownership or registration. For purposes of this section, an individual purchaser or transferee of a vehicle may request the name and address of the owner(s) of record for that vehicle from the department by satisfying (b)(i) of this subsection and completing a form approved by the department. When satisfied the request is for obtaining proper release of interest, the department may disclose the name(s) and address of the last owner(s) of record for that vehicle.

(A) If a record is found, the applicant shall send a certified or registered letter, return receipt requested, to each owner and secured party of record at the address shown on the last record. The letter shall contain information regarding the sender's claim to ownership and a request for the released certificate of ownership or a notarized or certified release of interest.

(B) If no record is found, or the previous owner did not respond within fifteen days after acknowledged receipt or the letter was returned unclaimed, the applicant shall provide an affidavit of request for bonded title or registration without title form explaining how the vehicle was acquired;

(iv) Determine whether to bond the vehicle and apply for a certificate of ownership or apply for registration only. A bond is required if the seller of the vehicle is a Washington state vehicle dealer or in lieu of the judgment described in (a) of this subsection if there is evidence of a security agreement on the last record as found in (b)(i) of this subsection. A bond shall be for a period of three years from the date of application and be in the amount of one and one-half times the value of the vehicle as determined by one of the following:

(A) Information provided by any guide book or other publication of recognized standing in the vehicle industry; or

(B) A value that is agreeable to the applicant and verifiable by the authorized department agent or employee.

(2) If I have a bonded certificate of ownership, how can I get a certificate of ownership without the bonded notation?

In order to get a certificate of ownership without the bonded notation, you may:

(a) Submit the properly endorsed certificate of ownership or a satisfactory release of interest and make application to the department anytime during the three-year period; or

(b) After the three-year period, make application to the department.

(3) If I have a three-year registration only, how can I obtain a certificate of ownership?

In order to get a certificate of ownership, you may:

(a) Submit the properly endorsed certificate of ownership or a satisfactory release of interest and make application to the department anytime during the three-year period; or

(b) After the three-year period, make application to the department.

(4) Can I sell the vehicle when there is a bonded certificate of ownership or has a three-year registration only?

Yes. A bonded certificate of ownership may be released and provided to the buyer the same as any other certificate of ownership. If there is a registration only, provide the buyer with a notarized or certified release of interest. The new owner may either provide a judgment as described in subsection (1)(a) of this section or shall apply to the department for ownership in doubt as described in subsection (1)(b) of this section and complete the time remaining on the previous ownership in doubt period.

308-58-040	Salvage vehicles rebuilt.
308-58-050	Destroyed vehicle retitled.

WAC 308-58-010 Definitions. (1) For the purpose of RCW 46.12.070, destruction of a vehicle or total loss, less salvage value, shall mean the vehicle is:

(a) Dismantled with the intention of never again operating it as a vehicle; or

(b) Damaged to the extent that the cost of repair exceeds its market value immediately prior to the damage; or

(c) Damaged to the extent that the cost of repairing it plus its salvage value in its damaged condition exceeds or approximately equals the market value in its repaired or restored condition; or

(d) Damaged to the extent that the owner, an insurer, or other person acting on behalf of the owner, has determined the vehicle is uneconomical to repair. "Uneconomical to

(1999 Ed.)

repair" means the cost of parts, labor, and salvage value is greater than the economic value placed on the repaired vehicle by the owner.

(2) For the purpose of RCW 46.12.070, the settlement of an insurance claim as a total loss, less salvage value shall mean the date on which an insurance company actually makes payment to the claimant for the damage.

[Statutory Authority: RCW 46.01.110 and 46.12.075. 97-11-049, § 308-58-010, 5/19/97, effective 6/19/97. Statutory Authority: RCW 46.01.110 and 46.12.070. 91-04-025, § 308-58-010, filed 1/29/91, effective 3/1/91; Order MV 142, § 308-58-010, filed 8/28/72.]

WAC 308-58-020 Method of reporting destruction.

(1) An insurance company settling a claim for a destroyed vehicle will report such settlement by using one of the following two methods:

(a) If the title is in the insurer's possession, the title will be forwarded to the department within fifteen days of the settlement. The insurer will type or print on the title, the name and address of the insurer, a notation "DESTROYED" or, in the event the vehicle is a total loss under the definitions contained in WAC 308-58-010, but in the opinion of the insurer may be repaired at a cost not to exceed sixty percent of its fair market value if repaired, a notation "TOTAL COST OF REPAIR LESS THAN SIXTY PERCENT," and the approximate date of destruction. The requested information will be placed on the title in such a manner as not to obscure any of the printed matter on the title itself. The title, with the information thereon, will be mailed to the Technical Services Unit, Department of Licensing, PO Box 9042, Olympia, WA 98507-9042.

(b) If the destroyed vehicle and its title do not come into the insurer's possession, the insurer will report the fact of settlement within fifteen days of settlement on a form to be supplied by the department. The report will include the following information:

- (i) Year, make, series and body style of vehicle;
- (ii) License plate number, last year of registration and name of state in which registered;
- (iii) Registered and legal owner's name and address, if known;
- (iv) Cause of damage;
- (v) If the vehicle is repairable (A vehicle should be considered repairable only if its cost of repair would not exceed sixty percent of its fair market value if repaired.);
- (vi) Date and amount of sale;
- (vii) Name and address of the purchaser and if the purchaser is the assured, a private party, a salvage buyer, or a motor vehicle wrecker;
- (viii) Name and address of insurance company or adjuster;
- (ix) Date of report.

(2) Any private party, government agency, or self-insured person shall, upon destruction of a vehicle registered in their name, forward the title to the department within fifteen days of the destruction of the vehicle. The title must be endorsed by the legal owner to release their interest, if the legal owner is not the same as the registered owner. The registered owner will print or type on the title the word

"DESTROYED," the approximate date of destruction and sign the title.

The title for a vehicle that has been destroyed, which title has not been surrendered to the department, shall be cancelled. Notice of this cancellation will be mailed to the legal owner of the vehicle by regular mail to the address as shown in the department's vehicle records. The legal owner will promptly return the cancelled title to the department.

The bill of sale must be signed by a representative of the insurer and provide their appellative title. The representative's signature need not be notarized.

(2) After a vehicle has been reported destroyed pursuant to RCW 46.12.070 and the vehicle is retained by the registered owner, the vehicle may be sold in its present condition using a bill of sale. The bill of sale must be signed by the owner of record and the signature notarized.

The affidavit shall state that the sale was conducted properly pursuant to chapter 46.55 RCW. The affidavit may be submitted to the department with an application for certificate of title or may be used as a title document by a licensed auto wrecker, hulk hauler or scrap processor.

(2) "Secure area" - a place of safety for vehicle storage and in an area completely enclosed by a fence of sufficient height and construction to prevent access by the general public, with a gate which can be locked. The fence shall be at least six feet high with at least two strands of barbed wire along the top, for a total combined height of eight feet or more, provided, however, that the fencing requirement may be waived by the department where, due to the topography or zoning a fence would be impracticable and the storage area is secure without a fence. When a licensee has operator registrations under more than one name and owns or leases a common secure area, the areas for each operator registration must be segregated by a physical barrier at least as strong as one strand of chain, cable or barbed wire. When two or more operators with different ownership share a secured area, those respective areas must be segregated by an eight-foot fence as described above.

Wherever practicable secure storage areas will be located on improved property which is leveled and illuminated at night for the safe keeping of stored vehicles.

(3) "Abandoned vehicle report" - is that document, prescribed by the department, by which the operator is to report to the department his/her possession of an abandoned vehicle.

(4) "Notice of custody and sale" - is that document sent by the operator to the registered owner, legal owner (lien holder) giving notice of the amount of the operator's lien for services, place and time of public auction if the vehicle is not redeemed, and of the operator's right to seek a deficiency against the last registered owner.

(5) "Registered tow truck operator's business location" - is a location at which records and files necessary to conduct the business are kept, and where the operator can normally be contacted by the public.

(2) A newspaper of general circulation in the county shall mean a newspaper which is one of three with the largest circulation in the county where the sale will be conducted.

(3) If a vehicle in the custody of an operator is not identifiable, including no license plates or registration, the operator shall conduct an examination of the vehicle only to determine its make, model, year and vehicle identification number which shall be included on the abandoned vehicle report to the department.

(4) If the department cannot provide owner information on a vehicle after the operator submits an abandoned vehicle report, the operator may then inspect the vehicle as permitted in RCW 46.55.100(5) to determine whether owner information is within the vehicle.

(5) Upon inspection of the vehicle as provided in subsection (4) of this section the operator may return the original abandoned vehicle report with additional information from the inspection of the vehicle to assist the department in providing owner information.

(6) The department may require an inspection by the Washington state patrol to verify the vehicle identification number of an unidentified vehicle. All such information shall be reported to the department, which will communicate with such other states as may be necessary to determine whether the registered and legal owner information is available for the vehicle.

(7) After all reasonable efforts to obtain the owner information have proved unsuccessful, the vehicle may be disposed of in accordance with all procedures except that the notification to the registered and legal owners by certified or registered mail may be omitted. A record of all steps taken to locate the owner(s) of the vehicle shall be kept by the operator for a period of three years.

(8) If the operator elects to bid at auction, that bid must be disclosed as such, and shall not merely be an effort to set a minimum for other bids. If an operator is the successful bidder and the bid exceeds the lien for towing and storage, the

excess funds shall be remitted to the department just as in any other sale. The operator cannot elect to retain a vehicle at auction because the operator feels that the bidding is insufficient.

(1) Following the auction of an abandoned vehicle the operator shall give to the successful bidder an affidavit of sale, as defined, which shall disclose the amount of the lien and the amount of the successful bid. (c) Any person whose claim is denied by the state shall have the opportunity to request a departmental hearing as provided in chapter 34.05 RCW.

(3) The fifteen-day title transfer requirement provided for in RCW 46.55.130 (2)(f) shall not apply to properly licensed hulk haulers, scrap processors, and wreckers who have acquired the vehicle for salvage purposes in accordance with chapters 46.79 and 46.80 RCW.

WAC 308-66-150 Warranty practices. (1) It shall not be considered unlawful under the provisions of RCW 46.70.180 (14)(f) for a vehicle manufacturer to provide under the terms of any warranty that a purchaser of a vehicle must make warranty claims against only the manufacturer of an integral part of a vehicle if the manufacturer of that integral part has assumed a direct warranty obligation thereon to the purchaser and does, in fact, provide facilities or agencies within the states of Washington, Oregon or Idaho to discharge such warranty obligation.

(2) No manufacturer need make reimbursement under RCW 46.70.101 (2)(j) except to dealers selling its product at retail or to the dealers holding units purchased from the manufacturer for resale at retail: Provided, however, That if the warranty agreement between the dealer and the manufacturer requires prior approval by the manufacturer, such approval must be given within a reasonable time and in no event later than ten days, except in emergency situations where the life, health, or safety of the occupant or owner requires immediate action.

WAC 308-66-152 Unlawful practices. (1) Examples of unlawful acts or practices, as defined by RCW 46.70.180 (1)(a), include, but are not limited to representations such as "no down payment," "a dollar down," "five dollars down," "take-over payments," "no cash out of your pocket," "no cash needed," and others of similar nature if either secondary financing or initial payment of any amount, including factory

rebates in excess of that represented, is required from the purchaser. A dealer's plan to have all or a portion of the selling price financed by a third party does not relieve the dealer of an obligation to refrain from this prohibited type of advertising. When any of these representations are made a payment disclosure shall be made as contained in subsection (6) of this section.

(2) Examples of unlawful acts or practices as defined by RCW 46.70.180 (1)(b), include, but are not limited to representations such as "one hundred percent financing" if the terms of the purchase involve more than one security agreement and payments to more than one financing institution. When collateral in addition to the vehicle is required, it shall be listed on the security agreement containing the vehicle's description, not on a separate agreement.

(3) It shall be considered false, deceptive or misleading, and thereby unlawful, to advertise with words, phrases, or initials which are not clear and conspicuous and easily comprehended by persons other than those closely allied with the vehicle industry.

(a) Clear and conspicuous within an advertisement shall mean:

(i) In the case of a television advertisement, the information required to be disclosed shall be completely disclosed audibly, visually, or a combination thereof.

(A) If made visually, shall be made in a type size sufficiently large to be read with reasonable ease; shall appear on the television screen for at least seven seconds; shall be in print type of a color or shade that contrasts readily with the background; shall not be obscured by other words or images appearing on the television screen; and

(B) If made audibly, shall be spoken with sufficient deliberateness, clarity, and volume so as to be understood by the average television listener; shall not be obscured by sounds which interfere with or distract from the disclosures being made.

(ii) In the case of a radio advertisement, the information required to be disclosed shall be spoken with sufficient deliberateness, clarity, and volume so as to be understood by the average radio listener; shall not be obscured by sounds which interfere with or distract from the disclosures being made.

(iii) In the case of a printed advertisement, the information required to be disclosed shall be made in a type size which shall be sufficiently large to be read with reasonable ease and shall be made in relatively close proximity to each of the terms which require that the disclosures be made; disclosures shall be made in such color and contrast so as not to be obscured by other words or pictures appearing in the advertisement.

(b) Examples of words, phrases, or initials which are not easily comprehended by persons other than those closely allied with the vehicle industry, and that may not be used without explaining their meaning in the same advertisement, include but are not limited to: Executive; capitalized cost reduction, o.a.c., c.f., f.o.b. The words annual percentage rate may be abbreviated to read A.P.R. or apr.

(4) Examples of false, deceptive or misleading, and thereby unlawful statements or representations within the meaning of RCW 46.70.180(1) include, but are not limited to:

(a) Advertising a used vehicle for sale that is not available at the time the advertisement is placed;

(b) Advertising a new vehicle as available for immediate delivery if it is available only on order;

(c) Advertising any offer in connection with the sale of a vehicle or model or type of vehicle without disclosing any material limitations, including, but not limited to, the time limit, or that there is no time limit on the offer;

(d) Advertising using a picture:

(i) Of a new vehicle which does not substantially show the same vehicle offered for sale; or

(ii) Of a used vehicle which is not the same vehicle offered for sale;

(e) Causing an advertisement to be placed by a dealer or dealer representative that does not identify the dealer by his/her complete business name, or by the word "dealer" or abbreviation "DLR";

(f) Incorporating in the dealer's name any term or designation which would have a tendency to mislead others as to the true nature of the business, such as the use of "wholesale," when a dealer's business is substantially retail, or "discount" when the price and policy of a dealer does not provide substantial discounts;

(g) Advertising a not-new vehicle manufactured less than two years prior to the date of the advertisement without designating the vehicle as "used," "demo," or "demonstrator." For purposes of adequate disclosure, the appropriate quoted term must be employed. Other descriptive words, such as "executive," "lease," or "rental" may be used in conjunction therewith, but not so as to create ambiguity as to whether a said vehicle is new, used, or a demonstrator.

(h) Advertising a "rebuilt vehicle" for sale with knowledge as defined in RCW 46.70.101 (1)(b)(xi) that the vehicle is rebuilt, without clearly and conspicuously disclosing "rebuilt" in the advertisement;

(i) Advertising a specific price for a specific vehicle or model or type of vehicle without designating the number of vehicles available at that price, and;

(i) Without clearly identifying the vehicles available by complete vehicle identification number, license plate number; or

(ii) Without clearly and conspicuously stating in the advertisement that such vehicle identification or license plate number for each advertised vehicle is available from the dealer upon request, and requiring that the dealer using this method of identifying vehicles keep the media advertising copy along with the vehicle identification number or license plate number of each advertised vehicle offered for a specific price. Such records shall be retained for one year following the advertisement. Dealers shall also date and post a written copy of the advertisement text and list of vehicle identification numbers or license plate numbers in a conspicuous public area at their place of business for the duration of the vehicle's availability at the advertised price: Provided, however, That a dealer need not designate the number of vehicles available or identify the vehicles available or state in the advertisement that the identification of advertised vehicles is available upon request if, in fact, an unlimited supply of such vehicles are available for immediate delivery;

(j) Selling a particular vehicle at a higher price than advertised, regardless of trade-in allowance;

(k) Adding charges, costs, or items to the advertised price, except those allowed by statute, other than the selling price of additional equipment ordered by the purchaser, sales tax, and license fees. "Additional equipment ordered by the purchaser" shall not include options already installed on the vehicle at the time of advertising;

(l) Expressing "advertised price" as a combination of:

(i) Dollar figures and words unless all component figures and the total dollar figure is expressed; or

(ii) Dollar figures and dollar figures unless all component figures and the total dollar figure is expressed;

(m) Advertising that a new vehicle or model or type of vehicle will be sold for a certain amount above or below invoice or cost without:

(i) Disclosing the actual dollar amount being referred to as "invoice";

(ii) Stating the final, total price for each vehicle, which may exclude sales taxes and license fees; and

(iii) Computing invoice as the actual cost to the dealer to get each vehicle from the manufacturer.

In computing "invoice" the dealer may include the actual cost of transportation of the vehicle from the manufacturer to the dealer, but must exclude dealer holdbacks, other manufacturer incentives, optional advertising fees, dealer overhead expenses, and other similar expenses;

(n) Advertising that a new or used vehicle is reduced in price from a former price, or that the advertised price is a percentage of dollar amount savings from a former price, or words to that effect, unless the seller actually recently advertised or has records showing that vehicle has been offered for sale at the former price;

(o) Advertising or offering:

(i) Any rebate that is not an authorized manufacturer's rebate paid directly to the consumer, which the consumer may apply to the purchase; and

(ii) Any manufacturer's rebate for which the manufacturer requires any financial participation by the dealer, without also clearly and conspicuously stating the following disclosure: "Dealer participation in this rebate program may increase vehicle price before rebate";

(p) Advertising that "any written price quote will be beaten," "any deal will be accepted," or that a dollar amount is guaranteed on any "push, pull or drag," trade-in, or words to that effect unless the dealer can clearly show through the records of the dealership that such is the case;

(q) Advertising a vehicle or model or type of vehicle as being available at "lowest cost," "best deal" or other words to that effect unless the dealer can clearly show through the records of the dealership that such is the case;

(r) Advertising an interest rate that is adjustable without clearly and conspicuously disclosing that the interest rate is adjustable;

(s) Advertising a vehicle or model or type of vehicle for sale at a financing rate which has been bought down by the dealer, without disclosing the actual annual percentage rate.

(5) No advertisement to aid, promote, or assist directly or indirectly any extension of credit may state:

(a) That a specific amount of credit or installment amount can be arranged unless the creditor usually and customarily arranges or will arrange credit amounts or installments for that period and in that amount; or

(b) That no down payment or that a specified down payment will be accepted in connection with any extension of credit unless the creditor usually and customarily accepts or will accept down payment in that amount.

(6) No advertisement to aid, promote, or assist directly or indirectly any credit sale of a vehicle shall state the amount or percentage of the down payment required, or that no down payment is required, the amount of any payment or the number of payments or the period of repayment, the amount of any finance charge or that there is no charge for credit, unless it states clearly and conspicuously all of the following items:

(a) The cash price or the amount of the loan as applicable;

(b) The amount or percentage of the down payment required, or that no down payment is required, as applicable;

(c) The number, amount, and frequency of payments scheduled to repay the indebtedness if the credit is extended;

(d) The amount of the finance charge expressed as an annual percentage rate;

(e) The deferred payment price or the sum of the payments as applicable;

(f) The specific model or type of vehicle(s) to which the advertised offer applies; and

(g) Any other conditions material to the advertised offer.

(7) Any advertisement to aid, promote, or assist directly or indirectly a consumer lease with option to purchase must state clearly that the advertisement offers a lease with option to purchase rather than a vehicle sale.

(3) Requirements for selling consigned vehicles.

(a) All funds received, including deposits or payments in full or proceeds from the sale of trade-ins, shall be placed in a trust account as required under RCW 46.70.180(9), and said funds shall remain in such trust account until the consignor's and the legal owner's interest, if any, have been fully satisfied as provided in the consignment agreement. It shall be considered an unlawful practice for a vehicle dealer or salesperson to commingle funds received on a consigned vehicle with the assets of the dealer and the salesperson until all terms of the agreement have been completed.

(b) The amount due a consignor from the date of completion of sale of the consigned vehicle shall be paid by the consignee immediately where title has been delivered to the purchaser, and in all cases shall be paid within ten days.

(c) The dealer shall give to the consignor a copy of the purchase order used to complete the sale at the same time payment is made pursuant to (b) of this subsection.

(1) Upon written request of the licensee, such cancellation to become effective sixty days from the date of receipt of the written request of such licensee for cancellation thereof.

(2) Upon investigation and sixty days notice if the director ascertains and finds that the person to whom the license is issued is no longer engaged in the sale or distribution of motor vehicle fuel and has not been so engaged for the period of six months prior to such cancellation. A licensee whose sales or distributions of motor vehicle fuel at wholesale constitutes less than a substantial part of the total volume of sales during a consecutive six month period is considered no longer engaged in the business of a licensee, and the license must be canceled as provided in RCW 82.36.190.

WAC 308-72-540 Tax exempt transactions. (1) Exports. Exemption from the motor vehicle fuel tax may be claimed when a licensee delivers motor vehicle fuel:

(a) To a customer at a point outside the state by means of equipment owned and operated or completely controlled by the licensee.

(b) To a common or contract "carrier" for transportation to a destination outside the state under a bill of lading or a shipping contract that definitely establishes that the licensee claiming the export actually and, in fact, retains title to and control over said fuel until actual delivery to its destination out of the state of Washington.

(c) To another licensee at a destination outside the state. The delivering licensee shall claim exemption by reason of export and shall report such transactions in the same manner as an export to any other customer.

(d) To another licensee at a destination outside this state following a receipt from another licensee in this state. The licensee receiving the fuel in this state shall be deemed the exporter.

(2) United States armed forces and National Guard. Exemption from the motor vehicle fuel tax may be claimed when a licensee delivers motor vehicle fuel:

(a) To the United States armed forces or National Guard under a government bill of lading for the express purpose of exportation from the state by the armed forces or National Guard.

(b) Into the fuel tanks of ships operated by the United States armed forces or National Guard and bearing armed forces or National Guard identification names or numbers.

(c) Into the storage facilities of the United States armed forces or National Guard maintained exclusively for the purpose of fueling ships.

(d) Within the state in accordance with a credit or courtesy card issued to the United States armed forces or National Guard by a licensee provided that a delivery is made into the fuel tanks of ships operated by the United States armed forces or National Guard.

For a licensee who is required to report, these sales shall be supported by Schedule 10, Uniform Motor Vehicle Fuel Tax Multiple Schedule of Disbursements (Form FT 441-841), a separate schedule for each state of destination. The department shall furnish the government agency of the state or foreign jurisdiction of destination a copy of this Schedule 10 to give information on the movement of untaxed fuel across state lines. In the case of a delivery onto a federally recognized Indian reservation or onto Indian country, the schedule must identify the state within the contiguous United States, Hawaii, Alaska, District of Columbia, U.S. possession, or Canadian Province in which the delivery took place.

WAC 308-72-542 Tax exempt sales to qualified personnel of foreign governments. (1) Tax exempt sales of motor vehicle fuel may be made by a licensee, other than an exporter, to qualified foreign diplomatic and consular missions and their qualified personnel if the diplomatic, consular missions, and qualified personnel maintain tax exempt credit card accounts. The Office of Foreign Missions, United States Department of State, will determine who are qualified under existing federal treaties or agreements with foreign governments.

(2) Motor vehicle fuel purchased by cash is not tax exempt.

(3) The tax exempt credit card accounts may be obtained by foreign government personnel from oil companies through the Office of Foreign Missions of the United States Department of State, 3005 Massachusetts Avenue N.W., Washington, D.C. 20008, Attention: Gasoline Tax Exemption Program.

(4) Licensees issuing credit cards for the purchase of motor vehicle fuel, shall not accept credit card applications for diplomatic motor vehicle fuel tax exemption, unless the application is accompanied by Form DSP-99A, issued by the Office of Foreign Missions, United States Department of State, and approved by that office.

(5) Such sales shall be reported on the licensee's monthly tax return under "Sales to Qualified Foreign Government Personnel" and supported by an accompanying schedule showing the month of sale, the name of the foreign government personnel, and the quantity in gallons of motor vehicle fuel sold. Licensees, who are not required to submit monthly tax returns, may apply for a refund of the motor vehicle fuel

tax previously paid on motor vehicle fuel sold tax exempt under this section.

WAC 308-72-550 Tax exempt losses. (1) Motor vehicle fuel lost or destroyed in this state while being transported in the equipment of a licensee or in the equipment of a common or contract carrier for a licensee shall be considered as a taxable distribution. Credit for or a refund of the motor vehicle fuel tax paid may be taken when the licensee or the common or contract carrier furnishes acceptable proof of the exact quantity of fuel lost provided the documents in support of the loss are submitted to the director for approval. Acceptable proof of loss shall ordinarily be understood to consist of:

(a) An affidavit by a person having actual knowledge of the loss, setting forth the origin and destination of the shipment, the circumstances surrounding the loss, the exact quantity of fuel lost, the exact quantity of fuel salvaged, the disposition of the salvaged fuel, and the procedure used in the determination of the quantity of fuel lost;

(b) A signed statement by a state patrol officer or official witness to the loss;

(c) A bill of lading or other shipping document;

(d) A statement by the licensee establishing his ownership of the fuel at time of loss;

(2) Loss of motor vehicle fuel which has been proven lost or destroyed prior to distribution from a licensee's bulk storage plant is allowable. Affidavits or other documentary evidence substantiating losses shall be retained by the licensee. Unproved losses shall be considered as distribution subject to tax.

(3) Charges for losses made to employees or agents of the licensee or to other persons who fail to satisfactorily account for fuel shall be invoiced inclusive of tax.

(4) Other losses shall be accounted for and supported by proof which clearly established their validity.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-72-550, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-550, filed 9/10/71.]

WAC 308-72-555 Delinquent account notification process. In this section, "distributor" means motor vehicle fuel distributor; and "supplier" means motor vehicle fuel supplier.

(1) When a distributor does not pay a supplier the motor vehicle fuel taxes which are due, the supplier must notify the department. The supplier must notify the department of the fuel tax delinquency no later than twenty calendar days from the date the fuel tax was due to the supplier. If that twentieth day falls on a Saturday, Sunday, or holiday, the supplier must notify the department on the next business day. The supplier must completely fill out the form that has been developed by the department for this purpose.

(2) The department's receipt of the completed notification form constitutes satisfactory evidence that the distributor has failed to pay the motor vehicle fuel taxes owed.

(3) When the distributor's license has been suspended for nonpayment of the motor vehicle fuel taxes due a sup-

(1999 Ed.)

plier, the department will notify all suppliers of the suspension in one or more of the following ways:

(a) Posting notification of the suspension on the department's web site;

(b) Transmission of the notification via electronic mail or facsimile;

(c) Mailing of the notification via U.S. mail.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-72-555, filed 11/19/98, effective 1/1/99.]

WAC 308-72-557 Refund for bad debt loss (other than a motor fuel supplier). (1) You may request a refund for tax paid on a worthless accounts receivable if you:

(a) Are a motor vehicle fuel importer, motor vehicle fuel blender, or motor vehicle fuel distributor; and

(b) Paid tax on an account found to be a worthless accounts receivable; and

(c) Charged off the amount for federal income tax purposes.

(2) The right to the tax refund arises during the month the account is reported as a bad debt on your federal income tax return. You may request the tax refund during any month within three years of the month in which you reported the bad debt. (For example, if you reported the bad debt in June 1999, you can request the tax refund in any month up to June 2002.)

(3) You must supply the department with a copy of the federal income tax return and a supporting schedule listing the bad debt as charged off. This is sufficient proof for the department to establish the validity of the tax refund.

(4) You cannot claim a tax refund for any portion of a debt which has been recovered, but is retained by or paid to a person as compensation in collecting the account. (For example, a collection agency.)

(5) If the purchaser of the motor vehicle fuel is indebted to you for other items, payments made by the purchaser must first be credited to the amount owed for the motor vehicle fuel and motor vehicle fuel tax, unless instructed otherwise by the purchaser. You must apply the amount collected ratably to the charges for the fuel and the tax.

(6) If you are a motor vehicle fuel importer or motor vehicle fuel blender, and you collect any motor vehicle fuel tax previously taken as a tax refund on a worthless accounts receivable, you must include that motor vehicle fuel tax in the tax return for the reporting period that motor vehicle fuel tax was collected in.

(7) If you are a motor vehicle fuel distributor, you must remit the motor vehicle fuel tax collected to the department no later than the last state business day of the month immediately following the month of collection. (For example, if you collected the tax in June 1999, you must remit the amount collected to the department by July 30, 1999.)

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-72-557, filed 11/19/98, effective 1/1/99.]

WAC 308-72-560 Records. (1) Every licensee and every dealer shall maintain a complete stock summary of the gallons of motor vehicle fuel handled each month which reflects inventories, receipts, sales, use, other distribution, and loss or gain. The stock summary shall be supported by:

(a) Physical inventories of bulk storage plants taken at the close of each calendar month;

(b) Meter readings for pumps through which fuel is dispensed taken at the close of each calendar month;

(c) A record of fuel receipts together with invoices, bills of lading, transfer documents, yield reports, and other documents relative to the acquisition of fuel;

(d) A record of fuel disbursements together with invoices, bills of lading and other documents relative to the disbursements of fuel.

(2) All receipts into storage and withdrawals from storage shall be recorded at the storage facility at which made.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-560, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-560, filed 9/10/71.]

WAC 308-72-570 Invoices. (1) Every licensee shall issue an invoice at the time of each sale, distribution or use. An invoice is defined as: Any document, paper or electronic, evidencing the transfer of title to motor vehicle fuel. If an electronic invoice is issued, a paper copy of the invoice must be produced if required by the department or if submitted in support of a refund claim. Each invoice must include the following information:

(a) The name and motor vehicle fuel tax license number of the licensee;

(b) The name, address, and motor vehicle fuel tax number, if applicable, of the purchaser;

(c) The date of delivery; (month, day and year)

(d) The location of the point of shipment, in words;

(e) The place of delivery, including the name of the state or Canadian Province, in words, if different from shipping point;

(f) Customer's truck or common carrier when delivered thereto;

(g) Name of product sold;

(h) The quantity, in gallons, of product sold;

(i) The price per gallon and total amount charged;

(j) The statement "Ex Washington motor vehicle fuel tax" if exemption is claimed;

(k) In the case of border or interstate sales where place of delivery may be different than purchaser's address, indicate, "state" where delivered, i.e., Washington delivery, Idaho delivery, Oregon delivery; and

(l) In the case of a delivery onto a federally recognized Indian reservation or onto Indian country, the invoice must identify the state within the contiguous United States, Hawaii, Alaska, District of Columbia, U.S. possession, or Canadian Province in which the delivery took place.

(2) Returns. When motor vehicle fuel is physically returned for credit or refund from a customer other than a dealer (service station) the licensee may claim credit or request a refund for the tax previously paid if the original invoice is obtained from the customer and retained by the licensee. When the number of gallons returned is less than the quantity sold and when the customer desires to file claim for refund of tax on the unreturned portion, the licensee shall obtain the refund copy of the delivery invoice and retain it in the tax files. In such cases, a new invoice may be issued for the unreturned portion, making reference to the original date

of delivery and invoice number. If the licensee is unable to obtain the customer's invoice when motor vehicle fuel is physically returned, the licensee receiving the fuel may obtain permission from the director to claim credit or refund for the tax without obtaining the invoice after furnishing the name and address of the customer, name or location of the licensee's station making the sale, date and number of the delivery invoice, gallons delivered and gallons returned.

An invoice used to record a returned sale or billing adjustment resulting in a credit, must be clearly identified as a credit invoice by means other than circling of figures.

When circumstances require an invoice prepared at the time of delivery to be replaced by another, the new document must include all of the pertinent information shown on the first document including the date of transaction and any unique transaction codes or numbers identifying the first document.

(3) Own use, taxable. Fuel used in motor vehicles or for other taxable purposes by a licensee or an agent of the licensee shall be supported by an invoice or usage report covering the total fuel used at a particular plant during the month. If motor vehicle fuel is acquired from another licensee or a dealer, the invoice shall be retained in the licensee's files and the purchase noted on the usage report.

(4) Own use, tax refundable. If motor vehicle fuel is used for a purpose subject to tax refund, the licensee may claim credit or request a refund for such use. In such case, the supporting invoices or tax return shall clearly indicate the use as well as the equipment in which used.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-570, filed 11/19/98, effective 1/1/99. Statutory Authority: RCW 82.36.435, 90-13-037 (Order PFT 90-03), § 308-72-570, filed 6/14/90, effective 7/15/90; Order 107MV, § 308-72-570, filed 9/10/71.]

WAC 308-72-610 Refund claim number. Any person desiring to claim a refund of the motor vehicle fuel tax shall make application for a refund claim number. The refund claim number must be obtained before filing a claim for refund and will be used for identifying subsequent refund claims.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-610, filed 11/19/98, effective 1/1/99; Order 470-DOL, § 308-72-610, filed 12/30/77; Order MV 175, § 308-72-610, filed 10/24/73; Order 107MV, § 308-72-610, filed 9/10/71.]

WAC 308-72-615 Interest assessment on refund claims. Within thirty business days after receipt of a motor vehicle fuel tax refund claim, the department must issue a refund. If the department does not issue the refund within thirty business days, interest is due. The first day of the thirty-day period begins on the date the properly filed and completed refund claim is received by the department. The postmark date on the envelope is not considered the received date for this purpose.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-615, filed 11/19/98, effective 1/1/99.]

WAC 308-72-620 Filing of claim. (1) A refund claim may be filed monthly, quarterly, annually or for whatever period of time the applicant desires except that such claim must be filed not later than the close of the last business day

of a period thirteen months from the date of purchase of the motor vehicle fuel. The postmark date will be recognized as the date claim was filed for purposes of establishing the last business day of the period.

(2) If your motor vehicle fuel tax refund claim is one hundred dollars or less, you do not have to send your purchase invoices with your refund claim. The department may require you to submit copies of your purchase invoices to establish the validity of your refund claim.

(3) If electronic invoices were issued to the claimant, paper copies of the invoices must be submitted with the refund claim.

(4) Individuals must sign their own claims. A partnership claim may be signed by any one of the partners. Claims of business firms or corporations must be signed by an authorized agent. Accountants and other persons assisting in preparation of claims must also sign in the space provided. Claims should be made out in the same name as that shown on the invoices. If it is desired to have a claim paid in a name differing from that shown on the purchase invoice, attach a letter of authorization signed by the person to whom the invoice was issued.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-620, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-620, filed 9/10/71.]

WAC 308-72-630 Invoice requirements, seller responsibility. (1) The seller of motor vehicle fuel is required to issue to each purchaser who claims to be entitled to a refund separate invoices for each purchase of fuel. Each invoice must be issued at the time of purchase. Each invoice in support of a claim for refund must show:

- (a) Name and address of the seller;
- (b) Kind or type of fuel and number of gallons delivered;
- (c) Complete date of sale (month, day and year).

(2) A single invoice covering multiple deliveries made during a period of time not to exceed one calendar month may constitute a separate invoice as required by subsection (1): Provided, each delivery is individually listed on the invoice or on an accompanying statement in accordance with the requirements of said subsection (1) for single deliveries. If the multiple delivery invoice includes deliveries on which refund of the tax is not claimed and deliveries on which refund is claimed, the invoice shall contain or be accompanied by a statement showing separately the deliveries and gallons on which tax is claimed as refundable and the nonrefundable deliveries and gallons.

(3) Invoices which indicate alterations, corrections or erasures shall be void and will not be accepted. Any person who alters any part of an invoice that will tend to give the claimant an illegal gain may have the entire claim invalidated and the director may suspend any further claims for refund for a period of one year.

(4) A "corrected invoice" used to support a claim must be accompanied by the original invoice. If an electronic invoice was issued, then a paper copy of the electronic invoice must be submitted.

(5) If an invoice is lost or destroyed, the seller may issue a duplicate copy entering thereon the invoice number, date of sale, gallonage, price and amount, and any information that

(1999 Ed.)

appeared on the first invoice. The copies shall be certified by the seller as being true and correct according to his records and shall be plainly marked "copy" or "duplicate." The claimant may then submit the certified copy for validation. The validated copy will be returned to the claimant who, when the thirteen month time limit has elapsed for the copy, may submit it with a separate claim for refund showing the refundable and nonrefundable usage of the fuel.

(6) Sellers of fuel shall not issue two invoices, one each on a different form for the same delivery of fuel. Only one invoice shall be issued for any one delivery.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-630, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-630, filed 9/10/71.]

WAC 308-72-640 Records. Each claimant shall maintain records which are sufficient to substantiate the accuracy of the claim. Such records shall reflect all motor vehicle fuel receipts, the gallons of fuel used in each type of equipment (both refundable and nonrefundable), other uses, loss and gain, and inventory on hand. The records must indicate the date of receipt or disbursements and identify the equipment into which the fuel is delivered or the purpose for which the fuel is used. Failure of the claimant to maintain the required records or to accede to a demand for examination of them constitutes a waiver of all rights to the refund. If the claimant maintains electronic invoices, paper copies of these invoices must be produced, upon demand of the department.

The following rules shall govern records maintained to support claims for refund:

(1) Use of fuel from common storage. Fuel purchased and delivered into bulk storage for use in vehicles required to be registered and licensed to operate on the public roads and for nonhighway use, must be fully accounted for by detail withdrawal records to accurately show the manner in which used. This record must be available for inspection upon request. Any fuel on hand (by actual measurement) should be indicated on the claim as closing storage inventory and should be reported as an opening storage inventory on the next claim. Credit for the inventory will be allowed on the next claim if it is filed within thirteen months from the filing date of the claim which established the inventory. All invoices for the total fuel purchased must be submitted with each claim unless the amount of the claim is one hundred dollars or less. (For exception see subsection (5) of this section.) A bulk storage receipt and disbursement record form designated for recording purchases and withdrawals of fuel from bulk storage will be furnished free upon request.

(2) Use of fuel from separate storage. Where separate bulk storage tanks are maintained for nonhighway use and for public road use, seller should mark the invoices at the time of delivery identifying the storage into which the fuel was delivered. No further detailed record will be required. Inventories must be reported and all invoices must be submitted. Fuel may not be used from the nonhighway tank in motor vehicles required to be registered and licensed. To do so will invalidate this method of determining refundable gallonage.

(3) Use of fuel from restricted use storage. Special storage facilities in the woods or farm fields or for other uses for

certain periods should be identified and explained. If such storage is used entirely for nonhighway purposes and not used in motor vehicles required to be registered and licensed, no other record will be required. Purchase invoices showing delivery into such storage must be submitted and inventory at end of claim period should be reported.

(4) Fuel purchased for other than bulk storage. Fuel purchased in small containers for nonhighway use (boats, tractors, power saws, etc.) should be identified on the purchase invoice and no further record will be required.

(5) Proof of public road use. When no nonrefundable use deduction is made from invoices attached to the claim, claimant shall retain taxable invoices in files and be prepared to substantiate fuel used in motor vehicles required to be registered and licensed upon request.

(6) Where a claim covering the operation of an unregistered or unlicensed motor vehicle is entirely over private roads or property subject to refund, no record will be required other than that necessary to show the source and number of gallons of fuel used.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-640, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-640, filed 9/10/71.]

WAC 308-72-650 Refunds to dealer delivering fuel exclusively for marine use. (1) Marine dealers may file claim for refund when motor vehicle fuel is delivered directly into the fuel tanks connected to the engine of any marine vessel owned or operated by the purchaser of the fuel, but only if the person to whom the fuel is sold is a holder of a valid motor vehicle fuel tax refund claim number at the time of sale. The dealer should request purchaser to exhibit the refund claim number at the time of delivery. A claim for refund shall be supported by:

(a) Invoices covering fuel deliveries into the dealer's storage facilities.

(b) Invoices covering tax exempt sales of motor vehicle fuel. These invoices shall, in addition to the applicable invoice requirements of WAC 308-72-630, contain:

(i) The vessel or boat name;

(ii) The Coast Guard or official number;

(iii) The applicable sales tax;

(iv) Purchaser's motor vehicle fuel tax refund permit number;

(v) The statement "Ex Washington motor vehicle fuel tax."

(2) The dealer shall also file an exemption certificate containing a certificate signed by the purchaser that the fuel will be used solely for marine use. In lieu of a separate certificate, the dealer may imprint an exemption certification on his original sales invoices provided such form has been approved by the director.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-72-650, filed 11/19/98, effective 1/1/99; Order 107MV, § 308-72-650, filed 9/10/71.]

WAC 308-72-660 Power take-off use. (1) Tax refund may be claimed for fuel used in a motor vehicle which is equipped with a power take-off unit to operate auxiliary equipment provided that the fuel used for power take-off

operation is supplied from a tank which is not connected with a tank supplying fuel to propel the vehicle on the highway or if the fuel used to operate the auxiliary equipment by the power take-off is accurately measured by a metering device that has been specifically approved by the director, and, in certain motor vehicles, when established by the following formula:

(a) For gasoline used in pumping fuel oil or heating oil by means of a power take-off unit on a delivery truck at the rate of three-fourths of one gallon for each one thousand gallons of fuel or heating oil delivered. Fuel oil delivery truck operators must maintain records which show the total gallons of fuel oil or heating oil pumped by each vehicle for which refund is claimed together with supporting meter readings.

(b) For gasoline used in operating a power take-off unit on a cement mixer truck or for gasoline used in operating a power take-off unit which operates a load compactor on a garbage truck at the rate of twenty-five percent of the total gallons of gasoline used in each truck. Garbage trucks with power take-off units which operate only a dump box, hoist or other type of lift shall not apply. Cement mixer truck and garbage truck operators must maintain records which show the total gallons of fuel used and the total miles operated for each vehicle.

(c) For gasoline used in operating a power take-off unit on any of the vehicles listed herein when direct measurement is not feasible, at the rate specified as a percentage of the total taxable fuel used by the vehicles:

Fire trucks (private)	25%
Mobile cranes	25%
Sanitation trucks	25%
Sewer cleaning truck/jet vactor	25%
Super suckers	25%
Line truck with digger/derrick or aerial lift	20%
Log truck with self loader	20%

Sweeper trucks (must be motor vehicle)	20%
Boom truck/block boom	15%
Bulk feed truck	15%
Dump trailers	15%
Dump trucks	15%
Hot asphalt distribution truck	15%
Leaf truck	15%
Lime spreader	15%
Pneumatic tank truck	15%
Salt spreader on dump truck	15%
Seeder truck	15%
Semi-wrecker	15%
Service truck with jack hammer/drill	15%
Snow plow	15%
Spray truck	15%
Tank transport	15%
Tank trucks	15%
Truck with PTO hydraulic winch	15%
Wrecker	15%
Car carrier with hydraulic winch	10%
Carpet cleaning van	10%
Others	7.5%

If a claimant can provide satisfactory documentation and records to show that the fuel consumed by the power take-off is greater than the percentages indicated, the department may grant the higher percentage on a case by case basis.

(2) All claims must be accompanied by valid purchase invoices to cover the total gallons of gasoline purchased, except that invoices for gasoline used in fuel oil delivery trucks or when measured by a metering device need only be equal to or greater than the gallons claimed as refundable.

(3) If fuel is used from bulk storage, claimant shall maintain a detailed record of all receipts, withdrawals, and beginning and ending inventories to substantiate fuel used in motor vehicles.

(4) A schedule of vehicle operations shall support each claim for refund.

WAC 308-72-690 Special rules and requirements for fuel tax refunds. (1) U.S. government. Tax refund shall be allowed for fuel used off the public highways for official use in a motor vehicle owned by the United States. When fuel is sold to agencies of the United States, including taxable sales to the armed forces, and when the original invoice must be forwarded to the federal service agencies to support payment for the fuel, the seller, the federal agency and the state by mutual arrangement shall designate a copy as the only copy to be used in support of a claim for refund of the tax. The invoice so designated shall be deemed the original invoice.

(2) Marine users. Marine users, excluding marine dealers, need only to submit those fuel receipts on which the tax is refundable.

(3) Urban transportation systems. A schedule of vehicle operations of an urban passenger transportation system shall supplement the claim for refund.

(4) Snowmobiles. Motor vehicle fuel used for providing the motive power for snowmobiles shall not be claimed for refund of the motor vehicle fuel tax paid thereon.

(5) All terrain vehicles (ATV) and off-road vehicles (ORV). Motor vehicle fuel used for providing the motive power for all terrain vehicles and off road-vehicles is not refundable except that portion used for nonrecreational purposes, inclusive of but not limited to farming, logging, and construction. Any recreational use of all terrain vehicles and off road-vehicles, although considered a nonhighway use of fuel, shall not be claimed for refund of the motor vehicle fuel tax paid thereon.

(6) No refund shall be made and should not be claimed for motor vehicle fuel used in a motor vehicle required to be registered and licensed notwithstanding that such motor vehicle occasionally may be operated over private roads or property which would otherwise be subject to refund.

[Order 107MV, § 308-72-700, filed 9/10/71.]

WAC 308-72-710 Mitigation of penalties and interest. The department, in its discretion, may mitigate, extinguish or adjust penalties and interest arising from late or missing fuel tax returns, unpaid or underpaid taxes, lack of complete records to support reported fuel usage, or license revocation penalties, when reasonable cause is shown by the taxpayer or as indicated from the records on file with the department that failure to comply with the requirements of this chapter was not intentional or unreasonable.

The department, after review of records furnished and/or tax returns available, may take into consideration a taxpayer's history of underpayments and overpayments, late pay-

ment(s), late filing of tax returns, or incomplete records in arriving at its decision to mitigate.

Taxpayers who fail to pay assessed taxes on a timely basis may have late payment penalties and interest mitigated if the individual, partnership or corporation is able to establish that failure to take such payment action within a 30 day period after service of an assessment was based upon an internal business or employee oversight, or other unavoidable reasonable circumstance.

WAC 308-77-010 Definitions. (1) "Highway" includes a way or place of whatever nature within the exterior boundaries of the state including a way or place within a federal area publicly maintained and open to the use of the public for purposes of vehicular travel notwithstanding private participation in the maintenance of the way or place. It shall be presumed that the way or place is dedicated and accepted as a highway when it is recognized as a part of its maintained highway system by a proper public authority.

A way or place within a national or state forest which is entirely privately constructed or maintained will not be considered a highway, notwithstanding the fact that it may be declared by the public authority to be a part of its road system.

A way or place is not a highway during such times as it is closed by the governmental authority to the use of the public regardless of the purpose for which it is closed. A highway is open to the use of the public if vehicular travel is permitted although subject to traffic controls.

Roads maintained exclusively by the United States within a national park are subject to the control of the Secretary of the Interior. When, in the exercise of that control, a permit and payment of a fee are required for the use of such roads, they are not highways open to the use of the public.

(2) "Special fuel" means that definition given in RCW 82.38.020(23) and includes diesel fuel, propane, natural gas and any other combustible liquid or gas by whatever name the liquid or gas may be known or sold for the generation of power to propel a motor vehicle on the highways except fuel that is subject to the tax imposed by the motor vehicle fuel tax law, chapter 82.36 RCW. Four and one-quarter pounds of propane or one hundred cubic feet of natural gas shall be deemed the equivalent of one liquid gallon.

(3) "Publicly owned fire fighting equipment" means fire fighting equipment owned by any agency of the state of Washington, or by any city, town, county, or fire protection district of Washington state, and shall include fire engines, aid cars, ambulances, and vehicles used to transport fire fighting personnel to the fire scenes.

(4) "Farmer" means any person, firm, partnership or corporation engaged in the cultivation and tillage of the soil, dairying, the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities (except forestry or forestry operations), the raising of livestock, bees, fur-bearing animals, or poultry, and any practices performed on a farm as an incident to or in conjunction with such farming operations.

(5) "Logging company" means any person, firm, partnership or corporation engaged in the business of cutting and taking of timber.

(6) "Construction company" means any person, firm, partnership or corporation who or which is engaged in the business of a contractor.

(7) "Contractor" is any person, firm or corporation who or which, in the pursuit of an independent business undertakes to, or offers to undertake, or submits a bid to, construct, alter, repair, add to, subtract from, improve, move, wreck or demolish, for another, any building, highway, road, railroad,

excavation or other structure, project, development, or improvement attached to real estate or to do any part thereof including the installation of carpeting or other floor covering, the erection of scaffolding or other structures or works in connection therewith or who installs or repairs roofing or siding.

(8) "Export" means to obtain special fuel in this state for sale or distribution outside this state. To be considered an "export" and qualify for exemption from the special fuel tax, special fuel obtained outside the bulk transfer terminal system must be physically off-loaded in the destination state, province, or foreign country and the exporter must be licensed or registered, if required, in the state, province, or country of destination.

(9) "Special fuel supplier" means a person who is licensed and:

(a) Owns and stores special fuel within the bulk transfer/terminal system, including special fuel in a terminal facility; or

(b) Refines and stores special fuel at a refinery.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-77-010, filed 11/19/98, effective 1/1/99. Statutory Authority: RCW 82.37.170, 94-11-029, § 308-77-010, filed 5/9/94, effective 6/9/94. Statutory Authority: RCW 82.38.260. 79-08-140 (Order 548 DOL), § 308-77-010, filed 8/1/79; Order 475-DOL, § 308-77-010, filed 12/30/77; Order MV-191, § 308-77-010, filed 3/27/74; Order MV-137, § 308-77-010, filed 6/1/72; Order 114 MV, § 308-77-010, filed 11/26/71.]

WAC 308-77-020 Incidental use/exemptions. An operation is not considered to be on a highway when a vehicle is operated thereon only for the purpose of moving between two pieces of private property when the vehicle is not operated for a distance exceeding fifteen miles on the highway and the moving is incidental to the primary use of the motor vehicle.

If fuel is used in the operation of a motor vehicle in a continuous trip which is partly on and partly off the highway, the tax applies to all the fuel used including the fuel used in the operation off the highway when the total distance traveled off the highway does not exceed one mile.

A continuous trip means a vehicular movement involving the use of a highway for the transportation of persons or property from one place to another or, in the instance of a round trip, from the point of origin of the movement to the point of destination and return to the point of origin.

The user shall maintain adequate accurate records of the operation off the highway including the miles traveled and fuel used to establish to the satisfaction of the department that the user is entitled to exemption for off-highway use of fuel. Claims based on estimates or percentages of miles traveled, hours of operation, fuel used, etc. will not be accepted to support claims for off highway use.

To qualify for a tax exemption for special mobile equipment as defined in RCW 46.04.552:

(1) Miles driven must be within the confines of a contract while actually engaged in work on the project; and

(2) You must provide positive means of measuring or determining the exact mileage between jobs or home base and off-highway and incidental mileage.

You cannot claim a tax exemption for mileage covered when units are moved from one project to another or

returned to the base of operations. For these instances, you must be covered by a special fuel tax trip permit.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-77-020, filed 11/19/98, effective 1/1/99. Statutory Authority: RCW 82.38.260. 79-08-140 (Order 548 DOL), § 308-77-020, filed 8/1/79; Order 114 MV, § 308-77-020, filed 11/26/71.]

WAC 308-77-040 Issuance of license. An International Fuel Tax Agreement license or dyed special fuel user who wishes to conduct separate businesses at different locations or to operate two or more separate fleets of motor vehicles will be issued a license for each separate business or fleet upon request and filing an application for a license and a bond (if required) for each location or fleet. The license shall be displayed or be kept available for inspection at the owner's principal place of business and a reproduced copy thereof shall be carried in each motor vehicle entering this state from another state or province. A special fuel tax trip permit may be purchased by a special fuel user entering this state in lieu of an International Fuel Tax Agreement license. The user must be the registered owner and/or lessee of the vehicle, or a dealer of motor vehicles. Operators of vehicles having two axles and a gross vehicle weight or registered gross vehicle weight exceeding twenty-six thousand pounds, or having three or more axles regardless of weight, or a combination of vehicles, when the combination exceeds twenty-six thousand pounds gross vehicle weight, will require an International Fuel Tax Agreement license or a special fuel tax trip permit to enter this state.

WAC 308-77-105 Refund for bad debt loss (other than a special fuel supplier). (1) You may request a refund for tax paid on a worthless accounts receivable if you:

- (a) Are a special fuel importer, special fuel blender, or special fuel distributor; and
- (b) Paid tax on an account found to be a worthless accounts receivable; and
- (c) Charged off the amount for federal income tax purposes.

(2) The right to the tax refund arises during the month the account is reported as a bad debt on your federal income tax return. You may request the tax refund during any month within three years of the month in which you reported the bad debt. (For example, if you reported the bad debt in June 1999, you can request the tax refund in any month up to June 2002.)

(3) You must supply the department with a copy of the federal income tax return and a supporting schedule listing

the bad debt as charged off. This is sufficient proof for the department to establish the validity of the tax refund.

(4) You cannot claim a tax refund for any portion of a debt which has been recovered, but is retained by or paid to a person as compensation in collecting the account. (For example, a collection agency.)

(5) If the purchaser of the special fuel is indebted to you for other items, payments made by the purchaser must first be credited to the amount owed for the special fuel and special fuel tax, unless instructed otherwise by the purchaser. You must apportion the amount collected between the charges for the fuel and the tax.

(6) If you are a special fuel importer or special fuel blender, and you collect any special fuel tax previously taken as a tax refund on a worthless accounts receivable, you must include the special fuel tax in the tax return for the reporting period the special fuel tax was collected in.

(7) If you are a special fuel distributor, you must remit the special fuel tax collected to the department no later than the last state business day of the month immediately following the month of collection. (For example, if you collected the tax in June 1999, you must remit the amount collected to the department by July 30, 1999.)

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-77-105, filed 11/19/98, effective 1/1/99.]

WAC 308-77-110 Allowance of credit or refund of tax paid. The tax paid either directly to the department or to a special fuel licensee in this state may be applied by the special fuel licensee as a credit or refund against the tax due on all fuel used in this state in the month or reporting period in which the fuel, with respect to which the tax was paid, was used.

The amount of credit or refund allowable is the amount of tax shown on the invoices issued by special fuel licensees to the receiving special fuel licensee. To be entitled to the credit or refund, the special fuel licensee shall retain in records for inspection by the department all invoices given by special fuel licensees showing the amount of tax paid and evidence of payment. Should the special fuel licensee accumulate surplus credits or refundable amounts which have not been applied to payment of the tax liability or if the special fuel licensee ceases to be a licensee in this state, a claim for refund as provided in RCW 82.38.180 and 82.38.190 may be filed. All claims for refund of overpayments shall be accompanied by the invoices obtained by the purchasing special fuel licensee from the selling special fuel licensee.

WAC 308-77-115 Delinquent account notification process. (1) When a distributor does not pay a supplier the special fuel taxes which are due, the supplier must notify the department. The supplier must notify the department of the fuel tax delinquency no later than twenty calendar days from the date the fuel tax was due to the supplier. If that twentieth day falls on a Saturday, Sunday, or holiday, the supplier must notify the department on the next state business day. The

(1999 Ed.)

supplier must completely fill out the form that has been developed by the department for this purpose.

(2) The department's receipt of the completed notification form constitutes satisfactory evidence that the distributor has failed to pay the special fuel taxes owed.

(3) When the distributor's license has been suspended for nonpayment of the special fuel taxes due a supplier, the department will notify all suppliers of the suspension in one or more of the following ways:

(a) Posting notification of the suspension on the department's web site;

(b) Transmission of the notification via electronic mail or facsimile;

(c) Mailing of the notification via U.S. mail.

WAC 308-77-150 Records, receipts and invoices.

Every licensee and every person importing, manufacturing, refining, dealing in, transporting or storing special fuel shall maintain a complete record of all sales or other dispositions including special fuel used by them, inventories, purchases, receipts, tank gaugings or meter readings of special fuels the use of which is subject to the special fuel tax. Each special fuel user shall obtain from a special fuel licensee an invoice for each delivery of special fuel into the fuel supply tank or tanks of each vehicle operated and for each delivery into bulk storage tank or tanks. The invoices shall include the information specified for sales invoices and shall be filed and identified in a systematic manner so that they may be readily traced into purchase or expense records and into reports to the department. Such records, receipts and invoices shall be made available for inspection by the department or its authorized representatives and shall be maintained for a period of not less than five years. If electronic invoices are maintained, then a paper copy of the invoice must be produced upon demand of the department. A lessor of a vehicle who is a special fuel user shall also maintain records of each trip and the mileages the lessor's vehicle is operated by the lessee within and without the state of Washington. A lessor who is a special fuel user must obtain from the lessee, and retain in the lessor files, the original copy of all invoices substantiating claims by the lessor for purchases of fuel upon which the special fuel tax was paid.

The recordkeeping requirements of this section also apply to dyed special fuel which is:

(1) Purchased and used by licensed dyed special fuel users; and

(2) Authorized for use on the highway.

WAC 308-77-160 Sales invoices. Special fuel licensees shall prepare a serially numbered invoice for each sale of fuel whether the fuel is sold for use in motor vehicles or for other uses. A single invoice covering multiple deliveries of fuel made during a period of time not to exceed a calendar month may constitute an invoice of sale. If the multiple delivery invoice includes tax exempt deliveries into a bulk storage facility of an authorized International Fuel Tax Agreement licensee and deliveries into the fuel supply tanks of motor vehicles upon which the tax is required to be collected, the invoice shall contain or be accompanied by a statement showing separately the deliveries and gallonage upon which the tax is collected and the tax deferred deliveries and gallonage. An original or electronic invoice shall be delivered to the purchaser and a copy thereof shall be retained by the special fuel licensee. If an electronic invoice is issued, then a paper copy of the invoice must be produced upon demand of the department.

A sales invoice shall contain the following information:

- (1) The name and special fuel tax license number of the licensee;
- (2) The name, address, and special fuel tax license number, if applicable, of the purchaser;
- (3) The date of delivery (month, day and year);
- (4) The location of the point of shipment, in words;
- (5) The place of delivery, including state or foreign jurisdiction, in words, if different from shipping point. In the case of a delivery onto a federally recognized Indian reservation or onto Indian country, the invoice must identify the state within the contiguous United States, Hawaii, Alaska, District of Columbia, U.S. possession, or Canadian Province in which the delivery took place;
- (6) Purchaser's method of transporting fuel; either customer equipment, common carrier, (if by common carrier, common carrier name), barge, railcar, or pipeline;
- (7) Name of product sold;
- (8) The quantity of product sold, in gallons;
- (9) The price per gallon and total amount charged;
- (10) The amount of the special fuel tax collected;
- (11) The statement "Ex Washington special fuel tax" if exemption is claimed.

The amount of the tax need not be separately stated if the invoice bears the notation that the price includes the special fuel tax. Billing systems for any type of dispenser of special fuel that uses a magnetic or other form of card identification must be approved by the department to assure that prospective refund claimants are provided with sufficient information to support their claims.

WAC 308-77-165 Export sales. (1) Export sales shall be reported as "export sales, exported by purchaser" and supported by Schedule 10, Uniform Motor Vehicle Fuel Tax Multiple Schedule of Disbursements (Form FT 441-841), a separate schedule for each state or foreign jurisdiction of

destination. This Schedule 10 should be submitted with the tax report. The department shall furnish the government agency of the state or foreign jurisdiction of destination a copy of this Schedule 10 to give information on the movement of untaxed fuel across state lines.

(2) In the case of a delivery onto a federally recognized Indian reservation or onto Indian country, the invoice must identify the state within the contiguous United States, Hawaii, Alaska, District of Columbia, U.S. possession, or Canadian Province in which the delivery took place.

WAC 308-77-170 Metric measurement. Any requirement imposed by chapter 82.38 RCW or these rules regarding quantity measurement for inventory sales, purchases, use, or other purpose may, at the option of the licensee, be recorded in SI liters in lieu of United States gallons. Tax reports submitted to the department must show all figures converted to gallons at the rate of 3.785 liters per gallon.

WAC 308-77-180 Audit assessment conference. In any case of an account under audit where substantial agreement has not been reached between the taxpayer and the field auditor, the taxpayer may request a conference with the field audit supervisor or his designee prior to finalization and submission of the audit report. Such conference is informal in nature, and is intended to clarify the issues in dispute, resolving them where possible, and in any event effecting agreement as to the facts and figures involved. In those cases where agreement cannot be reached at this level as to the tax interpretations applied, the report will be finalized and submitted to Olympia, from where, following review and approval of the recommendations of the report, an assessment will be issued.

[Statutory Authority: RCW 82.38.260, 79-08-140 (Order 548 DOL), § 308-77-180, filed 8/1/79.]

WAC 308-77-190 Audit appeal procedure. Any person having been issued a notice of assessment of additional taxes, delinquent taxes, penalties, or interest and desiring to contest such notice may petition the department of licensing for a reassessment by formal hearing or may petition for a reassessment conference in lieu of proceeding directly to a formal hearing. All petitions for reassessment must be in writing and must be received by the department of licensing within thirty days after the receipt of the original notice of assessment. All petitions filed shall set forth the specific reasons why reassessment is sought and the amount of tax, interest, and penalties which the petitioner believes to be due.

Upon receipt of a petition for a reassessment conference, the department will establish the time and place for the conference and notify the petitioner by mail at least ten days prior to the scheduled date. If the petitioner, for good and compelling reasons, is unable to attend the conference on the

date or time scheduled, he may request the department in writing to reschedule the conference. At the conference the department of licensing will be represented by the administrator of prorate and fuel tax services, the licensing services manager for fuel tax, the field audit supervisor, the field auditor who performed the audit if appropriate, an attorney from the office of the attorney general, or either of them. The petitioner may appear in person or may be represented by an attorney, accountant, or any other person competent to present his case.

Following the conference, the administrator will make such determination as may appear to him just and lawful and in accordance with the Revised Code of Washington and rules, principles, and precedents established by the department of licensing, and shall notify the petitioner in writing of his decision. The determination of the administrator shall be deemed to represent the official position of the prorate and fuel tax division of the department of licensing and shall be binding upon the petitioner unless further appealed.

If the petitioner believes that an error has been made in the determination by the administrator, the petitioner may, within ten days after the date of receipt of the determination, appeal in writing and request a formal hearing by a hearing officer. The appeal shall indicate the portions of the determination which the petitioner feels are in error and set forth the reasons for believing that the decision should be amended. The department will establish a time and place for a formal hearing and give the petitioner at least ten days notice of the time and place thereof.

The decision of the department upon a petition for reassessment shall become final, due and payable thirty days after service upon the petitioner of notice thereof.

All petitions and correspondence relating to appeal conferences and hearings will be addressed to Department of Licensing, Administrator, Prorate and Fuel Tax Services, P.O. Box 9036, Olympia, Washington 98504.

WAC 308-77-215 Mitigation of penalties and interest. The department, in its discretion, may mitigate, extinguish or adjust penalties and interest arising from late or missing fuel tax returns, unpaid or underpaid taxes, lack of complete records to support reported fuel usage, or license revocation penalties, when reasonable cause is shown by the taxpayer or as indicated from the records on file with the department that failure to comply with the requirements of this chapter was not intentional or unreasonable.

The department, after review of records furnished and/or tax returns available, may take into consideration a taxpayer's history of underpayments and overpayments, late payment(s), late filing of tax returns, or incomplete records in arriving at its decision to mitigate.

Taxpayers who fail to pay assessed taxes on a timely basis may have late payment penalties and interest mitigated if the individual, partnership or corporation is able to establish that failure to take such payment action within a thirty-day period after service of an assessment was based upon an

internal business or employee oversight, or other unavoidable reasonable circumstance.

[Statutory Authority: RCW 82.38.260. 92-01-014, § 308-77-215, filed 12/6/91, effective 1/6/92.]

WAC 308-77-220 Filing of refund claim. A claim may be filed monthly, quarterly, annually or for any period of time within thirteen months from the date of purchase or from the last day of the month following the close of the monthly period for which the refundable amount is due. For purposes of this section, the postmark date shall be accepted as the date the claim was filed.

Claims shall be accompanied by invoices issued to the claimant by the seller of the fuel. If your refund claim is one hundred dollars or less, you do not have to send your purchase invoices with your refund claim. The department may require you to submit copies of your purchase invoices to establish the validity of your refund claim. Claims of individuals or proprietors shall be signed by the claimant. A partnership claim must be signed by any one of the partners. Claims of business firms or corporations shall be signed by an authorized agent. Accountants and other persons assisting in preparation of claims must also sign in the space provided on the form. A claim should be filed in the same name as that shown on invoices. If it is desired to have a claim paid in a name differing from that shown on the purchase invoice, a letter of authorization shall be attached signed by the person to whom the invoice was issued.

The use tax imposed by chapter 82.12 RCW is to be deducted from the amount of refund claimed. The claimant may calculate the tax or it will be computed by the department.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-77-220, filed 11/19/98, effective 1/1/99. Statutory Authority: RCW 82.38.260. 79-08-140 (Order 548 DOL), § 308-77-220, filed 8/1/79; Order 114 MV, § 308-77-220, filed 11/26/71.]

WAC 308-77-225 Interest assessment on refund claims. Within thirty business days after receipt of a special fuel tax refund claim, the department must issue the refund. If the department does not issue the refund within thirty business days, interest is due. The first day of the thirty-day period begins on the date the properly filed and completed refund claim is received by the department. The postmark date on the envelope is not considered the received date for this purpose.

[Statutory Authority: RCW 82.36.435 and 82.38.260. 98-24-011, § 308-77-225, filed 11/19/98, effective 1/1/99.]

WAC 308-77-230 Invoice requirements for refund purposes. (1) The seller of special fuel is required to issue to each purchaser who claims to be entitled to a refund a separate original or electronic invoice for each purchase of fuel. A single invoice covering multiple deliveries made during a period of time not to exceed one calendar month may constitute a separate invoice as provided in WAC 308-77-160. Each delivery is to be individually listed on the invoice or on an accompanying statement in accordance with the requirements of the rule for single deliveries. If the multiple delivery invoice includes deliveries on which refund of the tax is

not claimed and deliveries on which refund is claimed, the invoice shall contain or be accompanied by a statement showing separately the deliveries and gallons on which a refund of the tax is claimed and is not claimed. You may submit copies in lieu of the original invoice in support of a claim for refund. If an electronic invoice is issued, then a paper copy of the invoice must be produced if required by the department.

(2) Each invoice in support of a claim for refund must show:

- (a) Name and address of the seller,
- (b) Purchaser's name (invoices showing "cash," "equipment name or number," "boat number," etc. will not qualify),
- (c) Complete date of sale (month, day and year),
- (d) Kind of fuel delivered,
- (e) Number of gallons delivered,
- (f) Price per gallon,
- (g) Total amount of sale,
- (h) Amount of special fuel tax paid. The amount of the tax paid need not be separately stated if the invoice bears the notation that the price includes the tax.

(3) Invoices with alterations, corrections or erasures affecting gallonage, place, date or separately stated tax shall be void and will not be accepted. A claimant who submits an invoice that has been altered that may give the claimant an illegal gain may have the entire claim invalidated and the department may suspend any further claims for refund for a period of one year.

(4) A "corrected invoice" used to support a claim must be accompanied by the invoice received at time of purchase.

(5) If an invoice is lost or destroyed, the seller may issue a copy or duplicate entering thereon the invoice number, date of sale, gallons, price and amount and any other essential information that appeared on the initial invoice. The copy or duplicate shall be certified by the seller as being true and correct according to the seller's records and shall be plainly marked "copy" or "duplicate." The claimant may then submit the certified copy to the department for validation.

(6) Only one invoice shall be issued for any one delivery.

[Statutory Authority: RCW 82.36.435 and 82.38.260, 98-24-011, § 308-77-230, filed 11/19/98, effective 1/1/99. Statutory Authority: RCW 82.38.260, 79-08-140 (Order 548 DOL), § 308-77-230, filed 8/1/79; Order 114 MV, § 308-77-230, filed 11/26/71.]

WAC 308-77-240 Records for refund claims. Claimants shall maintain records which are sufficient to substantiate the accuracy of the claims. Such records shall reflect all special fuel receipts, the gallons of fuel used in each type of equipment (both refundable and nonrefundable), other uses, loss and gain and inventories of fuel on hand. The records must indicate the date of receipt or disbursements and identify the equipment into which the fuel is delivered or the purpose for which the fuel is used. Failure of the claimant to maintain the required records or to permit examination by representatives of the department shall constitute a waiver of all rights to the refund.

The following rules shall govern records maintained to support claims for refund:

Special fuel purchased in small containers (tanks, cans, bottles, etc.) for nonhighway use (boats, tractors, mobile

homes, trailers, etc.) and identified thus on purchase invoice will require no further records.

Invoices covering special fuel purchased, tax included, exclusively for use in motor vehicles will not be required in support of nonrefundable use but they shall be retained in the files of the claimant to account for fuel used in motor vehicles.

Where a claim covering the operation of a motor vehicle is entirely over private property and subject to refund, no record will be required other than that necessary to establish the source and number of gallons of special fuel used.

[Statutory Authority: RCW 82.38.260, 79-08-140 (Order 548 DOL), § 308-77-240, filed 8/1/79; Order 114 MV, § 308-77-240, filed 11/26/71.]

WAC 308-77-250 Power take-off use. (1) Tax refund may be claimed for special fuel purchased inclusive of tax which is used in a motor vehicle equipped with a power take-off unit to operate auxiliary equipment provided the fuel used for the power take-off operation is supplied from a tank which is not connected with a tank supplying fuel to propel the vehicle on the highway, or the fuel used to operate auxiliary equipment by the power take-off is accurately measured by metering device that has been specifically approved by the department, and in certain motor vehicles, when established by the following formula:

(a) For special fuel used in pumping propane, fuel or heating oils, or milk picked up from a farm or dairy storage tank by a power take-off unit on a delivery truck, at the rate of three-fourths of one gallon for each one thousand gallons of fuel delivered or milk picked up. Propane and fuel oil delivery truck operators must maintain records which show the total gallons of propane, or fuel or heating oils pumped by each vehicle for which refund or credit is claimed together with supporting meter readings.

(b) For special fuel used in operating a power take-off unit on a cement mixer truck or a load compactor on a garbage truck at the rate of twenty-five percent of the total gallons of fuel used in each truck. Garbage trucks with power take-off units which operate a dump box, hoist or other type of lift do not qualify for a refund. Cement mixer truck and garbage truck operators must maintain records which show the total gallons of fuel used and the total miles traveled for each vehicle.

(c) For special fuel used in operating a power take-off unit when direct measurement is not feasible on the following vehicles at the rates specified as a percentage of the total taxable fuel used by the vehicles:

If any special fuel user can provide satisfactory documentation and records to show that the fuel consumed by the power take-off is greater than the percentages indicated, the department may grant the higher percentage on a case-by-case basis.

(2) Deduction may be claimed on the user's tax report for the gallons of special fuel exempt from tax as provided in subsections (1)(a), (b) and (c) of this section.

(3) All claims in excess of one hundred dollars must be accompanied by purchase invoices to cover the total gallons of special fuel purchased, except that invoices for special fuel used in propane or fuel oil delivery trucks or when measured by a metering device need only be equal to or greater than the gallons claimed as refundable. The department may require you to submit copies of your purchase invoices to establish the validity of your refund claim.

Estimates for refundable use will not qualify for refund when separate tanks are used. Claimant shall maintain a detailed record of the gallons of fuel used. WAC 308-91-040 General provisions. (1) Fleet composition. Carriers may separate their apportionable vehicles into two or more fleets. Fleets will consist of either motor or nonmotor vehicles but not a mixture of both.

(2) Records substantiating the latest purchase cost or price and year of purchase of each vehicle in the fleet must be retained for the period specified in RCW 46.87.310 and made available to the department upon request.

(3) Filing and compliance dates. Proportional registration renewal applications must be filed with the prorate section of the department no later than two months immediately preceding the year in which proportional registration is sought to insure timely issuance of identification for the new registration year. No temporary operating authority will be issued for renewal vehicles if the renewal application is received by the department after the filing deadline indicated above. Washington proportional registrations expire at mid-night, on the expiration date indicated on the cab card.

(4) Proportional registration credentials. Washington prorate credentials consist of a cab card, which describes the vehicle and period for which the vehicle has been proportionally registered, and a prorate backing plate upon which is affixed current prorate validation tabs. If the vehicle described on the cab card is Washington based, apportioned license plates, with current validation tabs affixed, will be issued in lieu of the backing plate. If the vehicle is operating under the IRP, the cab card will show the jurisdiction(s) and gross weight for which the vehicle is registered. The cab card is to be carried in or on the vehicle to which it has been issued, or in the case of a trailing unit, it may be carried in or on the power unit of the combination. Photocopies or other facsimiles of the cab card are invalid. The cab card or the Washington fee/tax receipt issued by the department, or the IRP base jurisdiction's cab card, are the only acceptable evidence of proportional registration in this state, unless the receipt required by WAC 308-91-170 is required to accompany the base jurisdiction's cab card. The prorate backing plate, if applicable, is mounted on the front of a power unit.

(5) Transfer of proportional registration credentials. Washington proportional registration credentials cannot be transferred from one vehicle to another vehicle or from one fleet to another fleet.

(6) Surrender of proportional registration credentials. Upon termination of proportional registration or deletion of a vehicle from a fleet, prorate credentials will be disposed of as follows:

(a) Vehicle based in Washington. The cab card and apportioned plate(s) with current validation tabs attached must be returned to the prorate section of the department. If vehicle is being deleted from the fleet, credentials must accompany the application effecting the deletion.

(b) Vehicle registered under provisions of the compact and based in another jurisdiction. Only the Washington cab card is returned to the prorate section. The prorate backing plate with validation tab attached must be returned to the prorate unit of the base jurisdiction licensing agency. If vehicle is being deleted from the fleet, cab card must accompany the application effecting the deletion. The end of year deletion of a vehicle listed on the renewal application need not be accompanied by the identification issued to such vehicle.

(c) Vehicles based in IRP jurisdictions. Upon termination of proportional registration or deletion of a vehicle from a fleet, the credentials must be returned to the base jurisdiction.

WAC 308-91-050 Applications for proportional registration. (1) Applicants desiring proportional registration in this state must make application to the prorate section of the department in the manner and upon the forms prescribed. Forms will be made available by the department. Washington based carriers desiring registration in other IRP jurisdictions must indicate on their applications the jurisdictions in which the fleet is (is to be) registered, list vehicles by gross weight groups and indicate within each gross weight group the gross weight each vehicle of the group is to be registered for in each jurisdiction listed. Motor vehicles and nonmotor vehicles must be in separate fleets. Incorrect, illegible, or incomplete applications will be returned without action.

(2) Registration options for owner-operators who lease their vehicles(s) with driver(s) to motor carriers are as follows:

(a) The owner-operator may be the registrant. The vehicle(s) will be titled and registered in the owner-operator's name. The registration will show the name of the owner-operator followed by the name of the carrier to whom the vehicle(s) and driver(s) are leased for operations. The owner-operator will be responsible for registration of such vehicles(s), and establishing and maintaining records required of proportionally registered fleets.

(b) The carrier (lessee) may be the registrant. The vehicle(s) will be titled and registered in the names of both the carrier as lessee and the owner-operator as lessor. The carrier will be responsible for registration of such vehicle(s), and establishing and maintaining records required of proportionally registered fleets.

(3) The application for any fleet shall bear the same applicant's name, or be identified therewith, for each jurisdiction.

tion in which proportional registration is sought for such fleet.

(4) After an original or renewal proportional registration application has been filed with this state for a fleet, vehicles can only be added or deleted, or changes made in registered/combined gross vehicle weight, by filing a prorated registration application supplement - Schedule "A & C" in the manner prescribed.

(5) In circumstances where immediate operation of vehicles being added to the fleet is essential, a temporary letter of authority may be requested by the applicant for such vehicles, pending processing of the application and issuance of prorated credentials by the department, provided that:

(a) Licensing fees and taxes have been paid in full for the fleet's original Washington proportional registration application; and

(b) The proportional registration renewal application or supplement - Schedule "A & C" adding such vehicles to the proportionally registered fleet is acceptable and on file in the prorated section of the department; and

(c) The applicant's proportional registration account is considered to be in good standing and on active status.

(6) The temporary letter of authority will permit operation of the vehicles listed thereon, in jurisdictions and at gross weights indicated, for a period of time to be determined by the department but not longer than two months from the effective date of the letter. The temporary letter of authority will be issued by one of the following means as requested by the applicant:

(a) Mail;

(b) Facsimile transmission;

(c) Over the counter.

WAC 308-91-060 Mileage and prorated percentage.

(1) Vehicles developing mileage experience must travel in two or more jurisdictions during the mileage experience or registration year. The mileage reported must be the actual miles accumulated by only those vehicles that were part of the proportionally registered fleet during the mileage experience year. If a vehicle was part of the proportionally registered fleet for only a part of the mileage experience year, then only the miles accumulated by this vehicle during the time it was a part of the fleet are to be included in the mileage experience year. If a carrier has more than one prorated fleet, a separate mileage report must be kept for each fleet.

(2) Vehicles operating only intrastate during the registration year are not eligible for proportional registration and cannot be considered as part of a prorated fleet. Mileage accumulated by such vehicles cannot be included in the mileage experience year of any prorated fleet.

(3) Estimated mileage:

(a) New fleets will estimate their mileage for the first year of operation, however, if actual operation was conducted for at least three months prior to the date of application, actual mileage will be used in calculating the prorated percentage.

(b) When a carrier wants to expand operations of a fleet into a new jurisdiction(s), mileage will be estimated for such jurisdiction(s) as indicated for new fleets in (a) of this subsection. Because the prorated percentage of the fleet is based on the actual mileage accumulated by the fleet during the preceding year, the prorated percentage for the new jurisdiction(s) will be above that calculated for the original jurisdictions in which the fleet operated during the preceding year.

(c) If a fleet fails to accumulate mileage during the preceding year in a jurisdiction(s) in which the fleet was registered and they desire to register the fleet in such jurisdiction(s) the following year, mileage will be estimated for such jurisdiction(s) as indicated for new jurisdictions in (b) of this subsection.

(4) Mileage computation.

(a) Applications containing power units only: Use miles of prorated fleet power units only.

(b) Applications containing trailing units only: Use either the mileage traveled by the trailers of the fleet or use the mileage traveled by the motor vehicles while used in combination with the trailers of the fleet. In instances where the use of mileage accumulated by the trailer fleet is impractical, see alternate measures provided under the provisions of RCW 46.87.120(3).

(5) The prorated section of the department will not accept any original or renewal prorated applications which contains one or more of the following:

(a) Estimated mileage that does not realistically reflect proposed operations.

(b) Estimated mileage on renewal applications.

(c) Mileage data, other than estimated mileage, expressed in rounded-off numbers on renewal applications.

(d) Identical mileage data reported for consecutive registration years for the same fleet.

(6) To compute the prorated percentages, divide the miles for each jurisdiction by the total fleet miles. The results are to be computed to the fourth decimal of the percent and rounded up to the third decimal. Express the percent in two digits before the decimal and three digits after the decimal. The Washington prorated percentage established on an original or renewal application will remain in effect for all supplemental applications filed during the registration year unless adjusted by audit or under the provisions of RCW 46.87.120.

WAC 308-91-080 Temporary authorization permit.

Washington temporary authorization permits (TAPs) are available to carriers prorated with the state of Washington and who have not had their TAP or prorated privileges suspended, revoked or canceled in this state within the past three

years. These permits may be used by qualified carriers to allow immediate operation of vehicles in their fleets pending issuance of proportional registration credentials.

Carriers desiring to utilize TAPs must make application in writing to the prorate section of the department. Upon approval of the application, the carrier may place an order for TAPs on a form prescribed by the department; payment as prescribed in RCW 46.87.080 must accompany the application. TAPs are valid for a period of two months from the date of issuance. The following procedures govern the use and issuance of these permits:

(1) TAPs are serially numbered and must be issued in sequential order. Carriers are accountable and liable for all TAPs purchased from the department. TAPs are not transferable. All unused TAPs must be returned to the department upon cancellation or nonrenewal of the carrier's prorate account; or at such time as the department withdraws, suspends, revokes or cancels their TAP and/or prorate privileges in this state. No refunds or credits will be given for TAPs that are returned to the department.

(2) TAPs may be used to:

- (a) Add vehicles to established fleets;
- (b) Increase gross weight of vehicles in established fleets;
- (c) Add jurisdictions to established fleets;
- (d) Transfer vehicles from one established fleet to another;
- (e) Establish a new fleet.

(3) TAPs must be completed in a legible manner. All applicable blanks must be completed with requested data. If an error is made in the issue date, expiration date, gross weight, license plate number, serial/identification number blanks or in the jurisdiction/weight section, void the permit by printing the word "VOID" in large letters across the face of the permit. Return the vehicle copy and prorate copy to the department within one week. If TAP is to be used for a vehicle registered under the provisions of the IRP, the jurisdiction postal code abbreviation, along with the declared operating weight for such jurisdiction, must be indicated in the space provided for each jurisdiction in which the fleet is registered. Jurisdiction/weight listings must begin in the upper left space provided and continue across the form to the right. Each line must be completed before starting the next line immediately below if needed. After the last entry, spaces to the right must be filled with asterisks as must be the entire line immediately below the last completed line in this section of the form. The purpose of the asterisks is to preclude entry of additional jurisdictions/weights. Retain the applicant's file copy for four years pending possible audit of account under the provisions of RCW 46.87.310. No refund or credit will be given for voided permits; and, they must be accounted for in the department and carrier's records.

(4) The original copy of the TAP is to be carried in the vehicle to which it was issued; however, if the vehicle is a trailing unit, it may be carried in the towing vehicle. The second copy of the permit is to be retained in the carrier's files for a period of four years pending possible audit under the provisions of RCW 46.87.310. The third copy is to be attached to a Washington proration application supplement.

(5) When TAPs have been issued, a proration registration application supplement Schedule "A & C" listing such vehicles must be submitted to the prorate section of the department, along with the third copy of the TAP attached, within one week of the issue date of such TAPs. To facilitate compliance with this requirement, proration registration application supplement Schedule "A & C" and TAPs should be issued from the same location.

(6) Grounds for suspension and cancellation of TAP are:

- (a) Failure to comply with chapter 46.87 RCW and chapter 308-91 WAC; or
- (b) Failure to make timely payment of registration fees, taxes or audit assessments when due and final.

WAC 308-91-090 Leased and rented vehicles. (1) The registration of leased or rental vehicles will be conducted under either the provisions of chapter 46.16 RCW or under the provisions, currently identified as Article XI—registration of rental vehicles, of the international registration plan (IRP) as now written or hereafter amended. Rental or leased vehicles under this section include: Trucks, tractors, and truck-tractors; trucks of one-way fleets (less than 26,000 pounds gross weight); trailers and semitrailers (exceeding 6,000 pounds gross weight), utility trailers (not exceeding 6,000 pounds gross weight), and passenger cars (for the purpose of these rules, motorhomes and travel trailers are treated the same as passenger cars). In addition to the certificate of registration (cab card) or a photocopy thereof, a copy of the rental/lease agreement must be carried in the rental/leased vehicle or if it is a nonpowered vehicle, the vehicle providing the motive power for the combination. Refer to WAC 308-91-030 for the definition of terms used in this section.

(2) Owners of rental vehicles engaged in the business of renting passenger cars in this state may request the approval of the department to apportion the registrations of the rental fleet under the provisions of the IRP by making application to the department at least thirty days prior to the start of each calendar year. Applications will be submitted on forms furnished by the department.

(a) To determine the percentage of total fleet vehicles that shall be registered in this state, divide the gross revenue received in the preceding year for use of such rental vehicles arising from passenger car rental transactions occurring in this state by the gross revenue received in the preceding year for the use of such rental vehicles arising from passenger car rental transactions occurring in all jurisdictions in which such vehicles were operated (the rental transaction location is deemed to be where the vehicle first comes into possession of the user). The resulting percentage shall be applied to the total number of passenger cars in the fleet and that figure shall be the minimum number of rental passenger cars that shall be fully licensed in the state of Washington during the calendar year.

(3) Owners of rental vehicles engaged in the business of renting passenger cars in this state who do not make application under the provisions of subsection (2) of this section or comply with the requirements of subsection (2) of this section must register all such vehicles under the provisions of chapter 46.16 RCW.

(4) In the absence of an agreement or arrangement to the contrary, rental or leased vehicles are not eligible for vehicle license reciprocity in the state of Washington except for the classes of vehicles and circumstances indicated below:

(a) Passenger cars and motorhomes currently and properly registered in another jurisdiction will be granted vehicle license reciprocity in this state if:

(i) The vehicle was rented by the vehicle operator from a location outside of the state of Washington; or

(ii) The vehicle was dropped off in Washington by the previous renter and is being rented for a one-way trip out of Washington.

(b) Trailers and semitrailers with a gross vehicle weight in excess of 6,000 pounds, trucks, truck tractors, tractors, and road tractors that are currently and properly registered in other jurisdictions will be granted vehicle license reciprocity in this state if:

(i) The vehicle is rented from a location within another jurisdiction; and

(ii) The vehicle registration certificate (cab card) or a photo copy thereof and a copy of the rental agreement is carried in the rental vehicle or in the vehicle providing the motive power for a combination of vehicles.

(5) Normally the lessee of a vehicle is responsible for its licensing under proportional registration subject to the following exceptions:

(a) Household goods carriers, wherein the agent is the lessor and the company is the lessee, may file and register as dual applicants. Under this procedure, the lessor's fleet is prorated in its name and cab cards are issued in the name of both the lessor and lessee. The application is based on the lessor's vehicles and the mileage accumulated by the lessor under its name and that of the lessee. The application should be filed in the name of the lessee and the lessor. For equipment owned and operated by owner-operators, other than service representatives, and used exclusively to transport cargo for the household goods carrier, the vehicle shall be registered by the carrier in the base jurisdiction of the carrier, but in both the owner-operator's name and that of the carrier as lessee, with the apportionment of fees according to the records of the carrier.

(b) Optional for rental vehicles referred to in subsection (1) of this section.

(1) Any owner registering a Washington based fleet of commercial vehicles in one or more other jurisdictions and engaged in interstate operation, may, in lieu of registration of vehicles under the provisions of chapter 46.16 RCW, proportionally register the vehicles of the fleet under the provisions of chapter 46.87 RCW by filing a proportional registration application with the department.

(2) The department of licensing shall require owners of motor vehicles with a declared combined gross weight of 55,000 pounds or more to provide proof, acceptable to the department, that the federal heavy vehicle use tax imposed by section 4481 of the Internal Revenue Code of 1954 has been suspended or paid at the time of registration unless specifically exempt by the rules and regulations of the Internal Revenue Service. (1) Petition any district or superior court of any county of this state to receive a judgment awarding ownership of the vessel. Such judgment is required if ownership of the vessel is contested after the applicant makes application for ownership in doubt and before the three-year ownership in doubt period has lapsed; or

(2) Apply for registration only or bonded certificate of ownership as described in this rule if a judgment is unnecessary as described in subsection (1) of this section. The applicant shall:

(c) Determine whether to bond the vessel and apply for a certificate of ownership or apply for registration only. A bond is required if the seller of the vessel is a Washington state vessel dealer or in lieu of the judgment described in subsection (1) of this section if there is evidence of a security agreement on the last record as found in (b) of this subsection. A bond shall be for a period of three years from the date of application and be in the amount of one and one-half times the value of the vessel as determined by one of the following:

(i) A statement from a vessel dealer showing the average retail value of that year, make and model of the vessel in average condition; or

(ii) Information provided by any guide book or other publication of recognized standing in the vessel industry; or

(iii) An agreement reached between the applicant and an authorized department agent or employee.

(d) Apply to the department after the three-year bond or registration only period has lapsed, or submit the proper endorsement on the certificate of ownership or a satisfactory release of interest. The department shall, upon proper application, issue a certificate of ownership without the bond notation.

(e) Upon transferring ownership during the three-year ownership in doubt period, provide the transferee with a notarized or certified release of interest. The new owner may either provide a judgment as described in subsection (1) of this section or shall apply to the department for ownership in doubt as described in subsection (2) of this section and complete the time remaining on the previous ownership in doubt period.

(1999 Ed.)

(1) "Indian tribe" and "tribal" means the Indian tribes which are signatory to the Consent Decree entered in *United States v. Washington*, Civ. No. 9213 - Phase I - Sub. 88-1 entered on November 28, 1994, including: Lower Elwha S'Klallam Tribe, Hoh Tribe, Jamestown S'Klallam Tribe, Lummi Nation, Makah Tribe, Muckleshoot Tribe, Nisqually Tribe, Nooksack Tribe, Port Gamble S'Klallam Tribe, Puyallup Tribe, Quileute Tribe, Quinault Indian Nation, Sauk-Suiattle Tribe, Skokomish Tribe, Squaxin Island Tribe, Stillaquamish Tribe, Suquamish Tribe, Swinomish Indian Tribal Community, Tulalip Tribes, Upper Skagit Tribe, and Yakama Nation.

(2) "Tribal member(s)" means those persons duly enrolled in the Indian tribes identified in subsection (1) of this section.

(3) The terms "vessels" or "boats" are synonymous and mean watercraft used in connection with the exercise of federally secured fishing rights.

(4) All other terms have the same meaning as used in chapter 88.02 RCW and chapter 308-93 WAC.

[Statutory Authority: RCW 88.02.100 and United States v Washington, Subproceeding No. 88-1. 96-16-038, § 308-93-710, filed 8/1/96, effective 9/1/96.]

WAC 308-93-720 Indian tribe exempt vessels. (1) State ad valorem property and watercraft excise taxes shall not be imposed upon any vessel owned by a tribal member(s) and used in connection with the exercise of federally secured fishing rights, so long as the member's tribe imposes a treaty, fishing rights-related tax. The taxes also shall not apply to tribally owned boats used in connection with or in activities related to the exercise of tribal fishing rights, including but not limited to, management, regulation or enforcement thereof.

(2) State registration, numbering, and fee requirements otherwise applicable to a nontreaty vessel, shall not be applied to any tribally owned vessel or vessel owned by a tribal member(s) which is used in the exercise of treaty fishing rights and is tribally registered.

[Statutory Authority: RCW 88.02.100 and United States v Washington, Subproceeding No. 88-1. 96-16-038, § 308-93-720, filed 8/1/96, effective 9/1/96.]

WAC 308-93-730 Indian tribe vessel numbering system. (1) A tribal vessel number conforming to the specifications of 33 C.F.R. sections 173.27 and 174.23 and a certificate of number conforming to 33 C.F.R. section 174.19, shall be assigned, and a "decal" shall be issued for each Indian tribe and tribal member vessel and displayed thereon. Upon agreement of the Coast Guard and Indian tribes, different specification may be established for treaty fishing vessels.

(2) Each tribe shall be entitled to a block of numbers with a unique tribal suffix. Each tribe may select a unique, three-letter suffix for its state or tribally produced vessel number, unless otherwise agreed upon by the Coast Guard. The vessel numbers shall otherwise be of the same size and placed in the same location as specified for those vessels registered pursuant to chapter 88.02 RCW. The department shall not issue a plaque, sticker, or other form of number or annual registration to affix to a numbered vessel.

[Title 308 WAC—p. 221]

(3) The decal may be unique to each tribe, so long as otherwise conforming to the Coast Guard specifications regarding size and color. A tribe may choose to use department issued decals.

(4) By June 1st of each year, the department will provide each Indian tribe a list of vessel numbers, and state decals if the Indian tribe so requests, in the quantity, and with any particular three-letter suffix specified by the Indian tribe. Such quantity shall be sufficient to enable each Indian tribe to issue a vessel number to each of its tribal fishers for the vessels they use in the treaty fishery. Notwithstanding the foregoing, the department need not provide an Indian tribe the list of vessel numbers and decals sooner than thirty days after the Indian tribe has advised the department of its number and decal requirement.

(5) Failure of the department to provide a list of vessel numbers requested by an Indian tribe in the time frames outlined in this section shall not preclude the Indian tribe or tribal fishermen from lawfully fishing pursuant to the treaty fishing right, and shall be a complete defense in any action by the state to enforce its tax or vessel registration laws until the state complies with the terms of this section.

[Statutory Authority: RCW 88.02.100 and United States v Washington, Subproceeding No. 88-1. 96-16-038, § 308-93-730, filed 8/1/96, effective 9/1/96.]

If the state establishes the registration is improper, the Indian tribe shall revoke the registration, plaque, and decal.

[Statutory Authority: RCW 88.02.100 and United States v Washington, Subproceeding No. 88-1. 96-16-038, § 308-93-750, filed 8/1/96, effective 9/1/96.]

(2) If an Indian tribe becomes aware that information regarding a vessel authorized by that tribe to participate in the treaty fishery, and contained in the department vessel identification system, or the vessel identification system of another Indian tribe, may be erroneous or incomplete and should be corrected, the tribe will promptly notify the department or the tribe which operates the identification system. Release of information may be made to other persons or groups when specifically authorized in writing by all persons identified in the information to be released.

(2) Access to Indian tribe information shall be available via a modem, or other suitable electronic format, to all state, tribal, federal, and foreign law enforcement agencies. Information available by computer shall not be considered in the possession or control of any other party. WAC 308-96A-180 Registration of rental cars. (1) What is a rental car?

A rental car is defined in RCW 46.04.465.

(2) How is a rental car licensed?

Registrations shall be maintained for the period in which the rental car is operated as part of the rental car business fleet.

(3) Do rental cars operated in Washington need to be registered in Washington?

Rental cars must be registered in Washington unless:

(a) Rented by a customer at a location outside of the state of Washington;

(b) The vehicle was dropped off at a Washington rental car business by its previous renter and is being rented for a one-way trip out of Washington; or

(c) The vehicle is part of a properly registered International Registration Plan (IRP) rental car business fleet.

(4) Does the current certificate of registration issued by the department need to be carried in the rental car?

A photocopy of the current certificate of registration may be carried in a rental car in lieu of the original certificate of registration.

(5) Who may operate a rental car?

Rental cars may only be used by rental customers, unless the rental car is being moved by the business to another business site, to or from maintenance or repair facilities, or for testing purposes.

(6) What does a rental car company do when they remove a rental car from their fleet?

When a rental car company removes a vehicle from their fleet, they shall alter the current month and year tab on the license plates. To alter these tabs, the rental car company will

WAC 308-96A-201 Purchasing gross weight—Expiration dates. (1) What would the gross weight expiration date be if I purchase twelve thousand pounds or less?

The gross weight license expiration must be the same as the registration expiration. Gross weight fees must be paid for the same number of months as the registration.

(2) What would the gross weight expiration date be if I purchase fourteen thousand pounds or more?

You, the owner, have two options:

(a) If you choose to purchase twelve months gross weight, the expiration date of the gross weight is the same as the expiration date of the vehicle registration; or

(b) If you choose to purchase one to eleven consecutive months, the expiration date of the gross weight is the same day of the month as the expiration date of the vehicle registration. For example: If the vehicle registration expires March 9, monthly gross weight licenses will expire April 9, May 9, etc. Monthly gross weight may not be purchased beyond the vehicle registration expiration date.

(3) When renewing the registration, and purchasing monthly gross weight, what is the effective date of my gross weight license?

The effective date of the gross weight license must be the first month the new registration is effective. Example: If the vehicle expiration is March 9, and the vehicle registration is purchased prior to April 9, the effective date is March 9. If the registration is purchased June 15, the effective date is June 9, etc. When there is a partial month between the requested effective date of the gross weight license and the expiration date of the gross weight license, gross weight fees shall be charged for a full month.

(4) If the vehicle registration expiration date is the thirty-first day of the month, what is the expiration date of the gross weight for those months having fewer than thirty-one days?

If the vehicle registration date is the thirty-first, the monthly gross weight will expire on the last calendar day of those months having fewer than thirty-one days.

WAC 308-96A-202 Power units towing trailers with permanent registrations. (1) What determines if I pay the higher gross weight fees and additional excise tax on my power unit?

If the declared gross weight of the power unit exceeds forty thousand pounds AND the power unit will be towing a trailer, the power unit must be licensed with a combination (CMB) or farm combination (FCB) use class. This results in higher gross weight fees and excise tax.

[Title 308 WAC—p. 238]

(2) How do I change to a CMB or FCB use class during the registration year?

If you choose to change the use class of your power unit during the registration year, you will need to:

(a) Pay the additional excise tax for the remaining months of the registration year;

(b) Pay the additional gross weight fees for the remaining months of the gross weight license period currently in effect; and

(c) Immediately attach the combination decals between the lower boltholes on the front and rear license plates.

If the license plates were issued prior to January 1, 1987, new plates are required.

(3) What if I change to a CMB or FCB use class at renewal time?

If you change use class at renewal time, you will pay the additional excise tax and gross weight fees for the new registration year. Fees are not due for the remainder of the current registration year. If the plates were issued prior to January 1, 1987, new plates are required. The combination decals assigned may not be attached to the license plates until the first day of the new registration year, when the new use class is effective.

(4) What if I change from CMB or FCB to COM or FAR?

If you change from CMB or FCB to COM or FAR, you will need to purchase new plates. If you change use class during the registration year, you would forfeit the higher amount of excise tax paid. Excess gross weight fees may be used to purchase additional months of gross weight to the end of the current registration year.

(5) If I sell the power unit with a CMB or FCB use class, will the new owner need to purchase new plates?

If the new owner retains the CMB or FCB use class, new plates are not required. If the use class is changed to commercial (COM) or farm (FAR), new plates are required.

(6) If new plates are required because of the change of use class or because they were issued prior to January 1, 1987, am I required to pay replacement plate fees?

No, you would only pay the reflectorization fee in RCW 46.16.237 and plate fee in RCW 46.16.650.

[Statutory Authority: RCW 46.01.110, 46.16.070 and 46.16.135, 99-01-133, § 308-96A-202, filed 12/21/98, effective 1/21/99.]

WAC 308-96A-203 Permanent trailer registrations.

(1) Do I have an option of purchasing a permanent registration for my trailer to offset the higher fees on my power unit?

Yes, if the power unit towing the trailer is properly licensed to tow a trailer with a permanent registration.

(2) How does the power unit need to be licensed to tow a trailer with a permanent registration?

The power unit must have a combination (CMB) or farm combination (FCB) use class.

(3) How does the power unit qualify for the CMB or FCB use class?

The declared gross weight of the power unit must exceed forty thousand pounds. The CMB and FCB use classes require a higher excise tax rate and higher gross weight fees

(1999 Ed.)

to offset the annual revenue loss of the permanently licensed trailer(s) the power unit is towing.

(4) If I am not required to renew the permanent trailer registration each year, how is my registration kept updated?

Your registration will show an expiration date of "PERM." Your vehicle record will show a current expiration date, which is updated annually. And your trailer plate will have a permanent trailer validation tab assigned to it.

(5) Are there any restrictions on the use of the trailer with permanent plates?

Yes, there is a restriction printed on the registration stating that the vehicle must be towed by a power unit with a CMB or FCB use class and gross weight in excess of forty thousand pounds.

(6) How long is the permanent registration valid?

The permanent registration is valid until ownership in the trailer changes. For purposes of this section, the following are not considered changes of ownership:

- (a) Addition or deletion of spouse or co-owner; or
- (b) Change of lessee with the same lessor.

(7) What do I do if I want to cancel the permanent registration and register the trailer as commercial?

You may change from CMB to COM use class at any time. You will need to pay all fees and taxes from the date of application to the expiration date shown on the vehicle record. A partial month requires a full month's fees.

(8) What type of plates do I display on a trailer with a permanent registration?

A regular trailer plate, including a permanent trailer tab and combination decal, must be displayed on the trailer. The trailer may not display personalized or other special plates in this case.

(9) How is the expiration date established for a permanent trailer registration?

If the vehicle is unlicensed at the time of application, an expiration date is established based on the date of application as defined in WAC 308-96A-260. The permanent trailer plate fee is charged. If the vehicle is currently registered, either as COM or CMB, the permanent trailer plate fee is charged and the expiration date remains the same.

(10) Do I need to get a new plate when I get a permanent trailer registration?

If the vehicle is new, is currently registered to another owner with CMB use class, or the plate was issued prior to January 1, 1987, a new plate must be issued. If the vehicle is currently registered with a COM use class, and the plate has been issued since January 1, 1987, the permanent trailer tab and combination decal may be attached to the existing plate.

(11) If the trailer has a permanent registration and I no longer wish to use the trailer, or I sell the trailer and the new owner does not wish to license the trailer, may a title purpose only title be issued?

Yes, however, a title purpose only title will not eliminate the requirement for license fees to be paid. As soon as the vehicle is no longer used as a CMB trailer, license fees are due. The owner has the choice of:

(a) Paying to change the use class to COM, in which case the registration would not need to be renewed the following year if it is not being used; or

(1999 Ed.)

(b) Paying the permanent trailer registration fee one time and having the vehicle be licensed.

(12) If I need to purchase new plates because of changing the use class or because the plates were issued prior to January 1, 1987, do I need to pay replacement plate fees?

No. You would only pay the reflectorization fee in RCW 46.16.237 and the plate fee in RCW 46.16.650.

[Statutory Authority: RCW 46.01.110, 46.16.070 and 46.16.135. 99-01-133, § 308-96A-203, filed 12/21/98, effective 1/21/99.]

Yes, you may, by applying at any Washington vehicle licensing office.

(2) What would the gross weight expiration date be when I increase the declared gross weight of my vehicle?

(a) If the current declared gross weight is twelve thousand pounds or less, the increased gross weight expiration date will be the same as your vehicle registration expiration date; or

(b) If the current declared gross weight is fourteen thousand pounds or more, the gross weight expiration date will remain the same as is currently in effect. You may choose to purchase additional months of gross weight not to exceed the vehicle registration expiration date.

(3) What will be the start date of the new gross weight license?

The new gross weight license start date is the first day of the current registration month, as described in WAC 308-96A-201 (2)(b), or any subsequent registration month of the current gross weight license period.

(4) Will I receive credit for gross weight fees that I have already paid?

You will receive dollar value credit for the number of months from the start date of the new gross weight license to the expiration of the current gross weight license and at the rate of the declared gross weight of the current gross weight license. However, you must surrender the current gross weight license in order to receive credit. If the gross weight license is lost, stolen or destroyed, you must sign an affidavit of loss and a statement that the gross weight license has not been transferred to another vehicle. You will not receive credit for the monthly gross weight permit fees as defined in RCW 46.16.135.

(5) How many months gross weight fees will I be charged when I increase the declared gross weight on my vehicle?

You will be charged for the number of months from the start date of the new gross weight license to the expiration of the new gross weight license at the rate of new declared gross weight amount and use class. Credit will be given as provided in subsection (4) of this section. You will also be charged for the permit fees as defined in RCW 46.16.135, when applicable, in addition to all other fees required to license the vehicle.

WAC 308-96A-206 Gross weight—Decreasing declared gross weight. (1) May I decrease the declared gross weight on my vehicle?

Yes, you may, by applying at any Washington vehicle licensing office.

(2) When is the best time to decrease the declared gross weight on my vehicle?

Unless you have been advised by law enforcement to decrease the declared gross weight on your vehicle, the best time is at the time you are purchasing gross weight. Decreasing the declared gross weight results in a forfeiture of gross weight fees paid, unless you purchase additional months within the same registration year.

(3) What would the gross weight expiration date be when I decrease the declared gross weight of my vehicle?

(a) If the declared gross weight is twelve thousand pounds or less, the gross weight expiration date will be the same as your vehicle registration expiration date; or

(b) If the declared gross weight is fourteen thousand pounds or more, the gross weight expiration date will remain the same as is currently in effect. You may choose to purchase additional months of gross weight not to exceed the vehicle registration expiration date.

(4) What will be the start date of the new gross weight license?

The start date will depend upon the date of application. If the application is made on the first day of a gross weight license month, the owner has the option of making the start date the day of application, or the first day of any gross weight license month already purchased. If the application is made other than on the first day of the gross weight license month, the owner has the option of making the effective date the first day of any gross weight license month already purchased. The start date may not be prior to the date of application.

(5) Will I receive credit for gross weight fees that I have already paid?

You will receive dollar value credit for the number of months and at the rate of the declared gross weight previously purchased for the period between the effective date of the change and the expiration date of the previously issued gross weight license. At the time of application, any excess credit accrued as a result of such change may be applied toward the payment of gross weight license fees for the gross weight license months between the previous gross weight license expiration date and the registration expiration date. Credit may not be carried over to the next registration year and any credit still remaining after decreasing gross weight to the registration expiration date shall be forfeited. You must surrender the current gross weight license in order to receive credit. If the gross weight license is lost, stolen or destroyed, you must sign an affidavit of loss and a statement that the gross weight license has not been transferred to another vehi-

cle. You will not receive credit for the monthly gross weight permit fees as defined in RCW 46.16.135.

(6) How many months gross weight fees will I be charged when I decrease the declared gross weight of my vehicle?

You will be charged for the number of months from the start date of the new gross weight license to the expiration of the new gross weight license at the rate of new declared gross weight. Credit will be given as provided in subsection (5) of this section. You will also be charged for the permit fees as defined in RCW 46.16.135, when applicable, in addition to all other fees required to license the vehicle.

(2) What would the gross weight expiration date be when I change my vehicle registration from a farm use class to a nonfarm use class?

(a) If the declared gross weight is twelve thousand pounds or less, the gross weight expiration date will be the same as your vehicle registration expiration date; or

(b) If the declared gross weight is fourteen thousand pounds or more, the gross weight expiration date will remain the same as is currently in effect. You may choose to purchase additional months of gross weight not to exceed the vehicle registration expiration date.

(3) What will be the start date of the gross weight license with the nonfarm use class?

The new gross weight license start date is the first day of the current registration month, as described in WAC 308-96A-201 (2)(b), or any subsequent registration month of the current gross weight license period.

(2) When is the best time to change my vehicle registration from a nonfarm use class to a farm use class?

The best time to change your vehicle registration from a nonfarm to a farm use class is at the time you are purchasing gross weight, because changing from nonfarm to farm results in a forfeiture of gross weight fees paid, unless you are increasing your declared gross weight enough to make up the difference between the nonfarm and the farm gross weight fees.

(3) What would the gross weight expiration date be when I change my vehicle registration from a nonfarm use class to a farm use class?

(a) If the declared gross weight is twelve thousand pounds or less, the gross weight expiration date will be the same as your vehicle registration expiration date; or

(4) What will be the effective date of the gross weight license with the farm use class?

However, you must surrender the current gross weight license in order to receive credit. WAC 308-104-010 Vision test. All applicants for a driver's license or renewal shall be required to take a vision test administered by the department. Any person having less than a 20/40 Snellen vision acuity with both eyes combined either corrected or uncorrected, or having some apparent significant visual limitation, must have an eye examination by an ophthalmologist or optometrist. If an applicant's vision cannot be corrected so that it will be within the 20/40 Snellen range for visual acuity or other vision problems cannot be corrected, then he must submit to a special examination in order to determine if a license or renewal shall be issued and if so what limitations or restrictions should be placed on the driving privilege.

[Order 2, § 308-104-010, filed 6/26/68.]

Completion of an examination but dissatisfaction with the departmental action which follows that examination may be grounds for appeal of the departmental action by the affected driver. Such driver may request a formal hearing as provided in RCW 46.20.329.

WAC 308-104-025 Effect of accumulation of traffic offenses. Whenever the official records of the department show that a person has committed at least four traffic offenses within a twelve-month period, or at least five traffic offenses within a twenty-four-month period, the department may require the person to appear for a driver improvement interview, as provided in chapter 46.20 RCW: *Provided*, That when a person has committed fewer traffic offenses than set forth in this section, the department may require the person to appear for a driver improvement interview or suspend the person's driving privilege when such action appears to be in the interest of the safety of other persons on the highways. For purposes of this section, the driver improvement interview may be conducted in a group setting.

Failure to appear at the interview may result in a suspension of the driving privilege. For purposes of this section "traffic offense" means a conviction as defined in RCW 46.20.270, or a finding that a traffic infraction has been committed as defined in RCW 46.63.020, of a moving violation as defined in WAC 308-104-160. (b) In addition to the valid identifying documentation listed in subsection (1)(a), the department may request supplemental identifying documentation, or may undertake an investigation to verify the validity of any documentation presented, in order to ascertain identity.

(2) An applicant unable to present a piece of identifying documentation listed in RCW 46.20.035(1) may request that other identifying documentation be considered by the department in order to ascertain identity, as provided by RCW 46.20.035(2). The department may waive the requirement for a piece of valid identifying documentation listed in RCW 46.20.035(1) if the applicant presents sufficient valid supporting documents found by the department to clearly establish the identity of the applicant. (b) If the in-office document review cannot clearly establish an applicant's identity, and if requested by an applicant, a senior technician for the region in which the applicant is making application will evaluate the applicant's documentation in order to determine whether identity can be clearly established.

(c) If requested by the applicant, the senior technician shall refer the applicant to driver licensing headquarters staff for final determination whether identity can be clearly established.

(b) Completed a motorcycle skill test waiver certificate; and

(c) If the applicant is under eighteen years of age, presented a certificate verifying completion of an approved motorcycle safety education course;

(a) Unable to take or successfully complete a traffic safety education course and the reasons therefor, and

(b) That there exists an immediate need to operate a motor vehicle. The immediate need shall be set forth in as much detail as possible. For the purpose of meeting this requirement, "an immediate need exists" shall be construed to mean that the capability to drive will reduce or help eliminate the negative consequences of the situation that created the immediate need to drive. WAC 308-104-120 Extra-territorial convictions—Hearing. Any person notified of the suspension of his driver's license pursuant to RCW 46.20.300 may within 15 days of the mailing date indicated on the notice of suspension/revocation request an administrative hearing before a hearing officer appointed by the director who shall conduct such hearings.

Upon receipt of a timely request for a hearing, the department shall convene the hearing as provided in RCW 46.20.329 and 46.20.332 considering only the following issues:

(1) Whether the licensee was convicted in another state of an offense which, if committed in this state, would be grounds for the suspension or revocation of the driver's license or nonresident driving privilege.

(2) Whether the statute under which the licensee was convicted in the other state provides for the suspension of the licensee's privilege to drive in that state.

The department need not show that the evidence upon which the licensee was convicted would have been sufficient to convict in this state, but need only show that the violation with which he was charged would have been grounds for suspension or revocation in this state.

WAC 308-104-130 Convictions—Driving records. The department shall consider the information transmitted on the abstract of conviction as being accurate for the purposes of recording information on the defendant's driving record and initiating suspension/revocation action. The defendant shall be deemed to have been convicted of the traffic law violation(s) if any of the following appears on the abstract:

(1999 Ed.)

- (1) The payment of a fine.
- (2) An unvacated forfeiture of bail or collateral deposited to secure the defendant's appearance in court.
- (3) A plea of guilty by the defendant.
- (4) A finding of guilt.

For the purposes of maintaining the driving record, initiating suspension/revocation action, and requiring the filing of proof of financial responsibility, the conviction shall be deemed final if any one of the above elements is present regardless of whether the imposition of sentence is deferred or penalty suspended. The department will not amend or modify the driving record of any suspension/revocation action if the court subsequently dismisses the charge at the conclusion of a successful deferral or probation period.

The forfeiture of bail shall be conclusive evidence of a conviction unless the court vacates that forfeiture. The payment of a fine on a traffic violation charge shall be conclusive evidence of a conviction unless the court subsequently reimburses the defendant for all fines, costs, and other penalties imposed.

A plea of guilty shall be conclusive evidence of the conviction unless the defendant withdraws the plea of guilty during the proceedings, the defendant appeals the judgment within fourteen days or the court sets aside the judgment and orders a new trial within fourteen days.

A finding of guilt shall be conclusive evidence of the conviction unless the court approves a motion for a new trial within fourteen days or the defendant appeals the conviction to a higher court within fourteen days of the conviction.

If a court defers a finding after hearing the evidence, the department shall not consider the defendant as having been convicted until a final disposition is entered by that court, except when the defendant entered a guilty plea which was not withdrawn, or when the court imposed a penalty or sanction which could only be imposed upon a determination that the defendant was guilty.

A reporting error by the court which materially alters the original record of a conviction for a mandatory offense must be reported to the department in writing accompanied by a copy of the docket, or other permanent court record.

(1) Bank accounts shall be designated as trust accounts in the firm or DBA name of the real estate broker as licensed.

(2) Interest credited to a clients account must be recorded as a liability on client ledger. Interest assigned or credited by written assignment agreement to the broker may not be maintained in the trust account. The broker is responsible to make arrangements with the financial institution to credit this interest to the general account of the firm.

(3) The broker shall establish and maintain a system of records and procedures approved by the director that provide an audit trail accounting for all funds received and disbursed, identified to the account of each individual client. Records and procedures described herein meet approval requirements. Any alternative records or procedures proposed for use by a broker shall be approved in advance by the department.

(4) The real estate broker shall be responsible for deposits, disbursements or transfers of clients' funds received and held in trust, whether disbursed by personal signature, signature plate or signature of another person authorized to act on the broker's behalf.

(a) Checks received as earnest money deposits when the earnest money agreement states that a check is to be held for a specified length of time or until the occurrence of a specific event; and

(b) Checks, funds or moneys received as rent, contract payments or mortgage payments on real estate or business opportunities, owned exclusively by the real estate broker or the broker's real estate firm.

(c) For purposes of this section, Saturday shall not be considered a banking day.

(6) All checks, funds or moneys received shall be identified by the day received and by the amount, source and purpose on either a cash receipts journal or duplicate receipt retained as a permanent record.

(7) All deposits to the trust bank account shall be documented by duplicate deposit slip, validated by bank imprint, teller's stamp, or electronic transfer memo identifying the source of funds and transaction to which it applies. Receipt of funds by wire transfer are to be posted in the same manner as other receipts provided there is a traceable identifying number provided by the financial institution or transferring entity. The broker must also make arrangements for a follow-up "hard-copy" receipt for the deposit.

(8) An individual client's ledger sheet shall be established and maintained for each client for whom funds are received in trust, to which ledger sheet all receipts and disbursements shall be posted. The credit entries must show the date of deposit, amount of deposit, and item covered including, but not limited to "earnest money deposit," "down pay-

ment," "rent," "damage deposit," "rent deposit" "interest." The debit entries must show the date of the check, check number, amount of the check, name of payee and item covered. The "item covered" entry may indicate a code number per chart of accounts, or may be documented by entry in a cash receipts journal, cash disbursements journal, or check voucher.

(9) The real estate trust bank account balance must be equal at all times to the outstanding trust liability to clients. The balance shown in the check register or bank control account must equal the total liability to clients.

(10) The broker shall be responsible for preparation of a monthly trial balance of the client's ledger, reconciling the ledger with both the trust account bank statement and the trust account check register or bank control account.

(11) All disbursements of trust funds shall be made by check, or electronic transfer, drawn on the real estate trust bank account and identified thereon to a specific real estate or business opportunity transaction, or collection/management agreement. (c) The broker shall retain in the transaction file a copy of instructions signed by the owner of funds to be wire-transferred which identifies the receiving entity and account number.

(12) Voided checks written on the trust bank account shall be permanently defaced and shall be retained.

(13) Commissions owed to another real estate broker may be paid from the real estate trust bank account. Those commissions shall be paid promptly upon receipt of funds. Commissions shared with another broker are a reduction of the gross commissions received.

(14) No deposits to the real estate trust bank account shall be made of funds:

(a) That belong to the real estate broker or the real estate firm, including funds to "open" the bank account or to keep the account from being "closed"; or

(15) No disbursements from the real estate trust bank account shall be made:

(a) For items not pertaining to a specific real estate or business opportunity transaction or a rental, contract or mortgage collection account;

Arrangements must be made with the bank to have any such charges applicable to the real estate trust bank account charged to the regular business bank account, or to provide a separate monthly statement of bank charges so that they may be paid from the brokers business bank account.

(16) The provisions of this chapter are applicable to manual or computerized accounting systems. For clarity, the following is addressed for computer systems:

(a) The system must provide for a capability to back-up all data files.

(b) Receipt and check registers will be printed at least once monthly and retained as a permanent record. Reconciliation and trial balance will be accomplished at least once monthly, printed and retained as a permanent record.

(c) The broker will maintain a printed, dated source document file to support any changes to existing accounting records.

(d) If the program has the ability to write checks, the check number must be preprinted on the check or retained voucher copy by the supplier. The program may, if desired assign suffixes or subaccount codes before or after the check number for identification purposes.

Statutory Authority: RCW 18.85.310, 88-06-040 (Order PM 712), § 308-124E-012, filed 3/1/88.]

WAC 308-124E-013 Administration of funds held in trust—Real estate and business opportunity transactions. The procedures in this section are applicable to funds received by the broker in connection with real estate sales or business opportunity transactions or options thereon. These procedures are in addition to the requirements of the general trust account procedures contained in WAC 308-124E-012.

(1) Bank accounts shall be designated as trust accounts in the firm or DBA name of the real estate broker as licensed. Trust bank accounts for real estate sales or business opportunity transactions shall be interest bearing demand deposit accounts. These accounts shall be established as described in RCW 18.85.310 and this section.

(a) The broker shall maintain a pooled interest bearing trust account identified as housing trust fund account for deposit of trust funds which are five thousand dollars or less.

Interest income from this account will be paid to the department by the depository institution in accordance with RCW 18.85.310(7) after deduction of reasonable bank ser-

vice charges and fees, which shall not include check printing fees or fees for bookkeeping systems. The department shall remit the funds to the state treasurer.

(b) The agent shall disclose in writing to the party depositing more than five thousand dollars that the party has an option between (i) and (ii) below;

(i) All trust funds not required to be deposited in the account specified in (a) of this subsection shall be deposited in a separate interest-bearing trust account for the particular party or party's matter on which the interest will be paid to the party(ies); or

(ii) In the pooled interest-bearing account specified in (a) of this subsection if the parties to the transaction agree in writing.

(c)(i) For accounts established as specified in (a) of this subsection, the broker will maintain an additional ledger card with the heading identified as "Housing trust account interest." As the monthly bank statements are received, indicating interest credited, the broker will post the amount to the pooled interest ledger card. When the bank statement indicates that the interest was paid to the state or bank fees were charged, the broker will debit the ledger card accordingly.

(ii) For accounts established as specified in (b)(i) of this subsection, the interest earned or bank fees charged will be posted to the individual ledger card.

(d) When the bank charges/fees exceed the interest earned, causing the balance to be less than trust account liability, the broker shall within one banking day after receipt of such notice, deposit funds from the brokers business account or other non-trust account to bring the trust account into balance with outstanding liability. The broker may be reimbursed by the party depositing the funds for these charges for accounts established as specified in (b)(i) of this subsection, if the reimbursement is authorized in writing by the party depositing the funds. For accounts established under (a) of this subsection, the broker will absorb the excess bank charges/fees as a business expense.

(2) A separate check shall be drawn on the real estate trust bank account, payable to the broker as licensed, for each commission earned, after the final closing of the real estate or business opportunity transaction. Each commission check shall be identified to the transaction to which it applies.

(3) No disbursements from the real estate trust bank account shall be made in advance of closing of a real estate or business opportunity transaction or before the happening of a condition set forth in the earnest money agreement, to any person or for any reason, without a written release from both the purchaser and seller; except that

(i) If the agreement terminates according to its own terms prior to closing, disbursement of funds shall be made as provided by the agreement without a written release; and

(ii) Funds may be disbursed to the escrow agent designated in writing by the purchaser and seller to close the transaction, reasonably prior to the date of closing in order to permit checks to clear.

(4) When a transaction provides for the earnest money deposit/note or other instrument to be held by a party other than the broker, the broker shall deliver the deposit to the party designated to hold the funds, unless the parties to the transaction instruct otherwise in writing. The delivery shall

be made within one banking day after all parties to the transaction have signed the agreement. A dated receipt will be obtained and placed in the transaction file.

(1) Bank accounts shall be designated as trust accounts in the firm or DBA name of the real estate broker as licensed. Trust bank accounts for property management transactions are exempt from the interest-bearing requirement of RCW 18.85.310. (a) Interest-bearing trust bank accounts or dividend-earning investment accounts containing only funds held on behalf of an individual owner of income property managed by the broker may be established when directed by written property management agreement or directive signed by the owner: *Provided*, That all interest or earnings shall accrue to the owner;

(b) Interest-bearing trust bank accounts containing only damage or security deposits received from tenants of residential income properties managed by the broker for an individual owner may be established by the broker when directed by written management agreement, and the interest on such trust bank accounts may be paid to the owner, if the broker is by written agreement designated a "representative of the landlord" under the provisions of RCW 59.18.270, Residential Landlord-Tenant Act;

(c) The broker is not required to establish individual interest-bearing accounts for each owner when all owners assign the interest to the broker;

WAC 308-125-010 Definitions. (1) Words and terms used in these rules shall have the same meaning as each has in the Certified Real Estate Appraiser Act, (chapter 18.140 RCW).

(2) "Appraisal" means the act or process of estimating value; an estimate of value; or of or pertaining to appraising and related functions.

The term "appraisal assignment" may apply to valuation work and analysis work.

(5) "Certified appraisal" means an appraisal prepared or signed by a state-certified real estate appraiser. A certified appraisal represents to the public that it meets the appraisal standards defined in this chapter.

(13) "State-licensed real estate appraiser" means a person who develops and communicates real estate appraisals, and who holds a valid license issued to him/her for residential real estate under this chapter. A state-licensed real estate appraiser may designate or identify an appraisal rendered by him/her as a "licensed appraisal."

(14) "Advisory committee" means a committee of seven individuals, of whom at least five are real estate appraisers appointed by the director to provide technical assistance

relating to real estate appraisal standards and real estate appraiser experience, education, and examination requirements that are appropriate for each classification of state-certified real estate appraiser.

WAC 308-200A-100 Summary of information which may be required of a private applicant. (1) There are three areas of these rules where the department is allowed to require information from a private applicant. These are:

- (a) Environmental checklist;
- (b) Threshold determination; and
- (c) Draft and final EIS.

Further information may be required if the responsible official determines that the information initially supplied was not reasonably adequate to fulfill the purpose for which it was required. An applicant may voluntarily submit, at any time, information beyond that which may be required under these rules.

(2) Environmental checklist. A private applicant is required to complete an environmental checklist as set forth in WAC 197-10-365 and in section 308-200A-365 of this chapter, either concurrently with or after filing the application. Explanations for each "yes" and "maybe" answer indicated thereon are required. The department may not require a complete assessment or "mini-EIS" at this stage.

(3) Threshold determination. The lead agency shall make an initial review of a completed checklist without requiring more information from a private applicant. After completing this initial review, the lead agency may require further information from the applicant, including explanation of "no" answers on the checklist. This information shall be limited to those elements on the environmental checklist for which, as determined by the lead agency, information accessible to the lead agency is not reasonably sufficient to evaluate the environmental impacts of the proposal. Field investigations or research by the applicant reasonably related to determining the environmental impacts of the proposal may be required.

(4) Draft and final EIS preparation. An EIS may be prepared by the applicant under the direction of the responsible official, if the responsible official requires and so notifies the applicant in writing. Alternatively, the responsible official may require a private applicant to provide data and information which is not in the possession of the lead agency relevant to any or all areas to be covered by an EIS. A private applicant shall not be required to provide information which is the subject of a predraft consultation request until the consulted agency has responded, or the forty-five days allowed for response by the consulted agency has expired, whichever is earlier. (See WAC 308-200A-420.)

APPLICABILITY OF THIS CHAPTER

WAC 308-200A-900 Applicability of this chapter.

This chapter integrates the policies and procedures of the State Environmental Policy Act, chapter 43.21C RCW, into the various programs and activities of the department of licensing, its divisions and its affiliated agencies. With a few exceptions for sections peculiar to the department of licensing or in which the department has exercised an option available to it under applicable department of ecology guidelines, this chapter adopts verbatim the language of the respective sections of the department of ecology guidelines, chapter 197-10 WAC. Consequently, references are not usually made directly to the department of licensing, but rather to "lead agency," "consulted agency," etc.; when the department acts as a particular type of agency, reference to that type of agency will apply to the department. Also consequently, some provisions may seem overbroad. Nevertheless, the chapter governs only the SEPA-related actions of the department, its divisions and its affiliated agencies. If the provisions of this chapter do not adequately cover the duties of the department, its divisions and its affiliated agencies on any matter relating to SEPA, chapter 197-10 WAC shall control such duties.

The department of licensing hereby phases the grocery related consolidated licensing program heretofore operated by the department of commerce and economic development into the department of licensing division entitled the business license center, to further the purposes of the Business License Center Act.

In the event of the proven incapacity, death, receivership, bankruptcy, or assignment for benefit of creditors of any licensee, the license may be transferred to a court appointed or court confirmed guardian, executor or administrator, receiver, trustee, or assignee for the benefit of creditors, who may continue to operate the activity under the license, subject to the rules of the individual agencies.

the information was filed, the applicant or licensee shall immediately notify the business license center in writing of such change or correction. Notification shall be made in advance of the change where possible, and in no event shall be received at the business license center later than thirty days following the change.

Where the rules of the granting agency require notice of a change in advance of a change, or a certain period of time in advance of the change, that requirement shall be met by the licensee.

Where changes require the approval of the granting agency before implementing the change (for example, as is often the case with a change of name or a change of location of the business), the change shall not be implemented until the licensee receives written notice of approval of the change from the state.

Where a fee is required by a granting agency in connection with the change, that fee shall be submitted with notice of the change. Such fees will be processed in the same manner as those fees received with license applications.

Where the change is of such magnitude or character as to require a new master license or a new license from any granting agency or agencies under the rules of such agency or agencies, the person or persons seeking the license shall submit a new master application, setting out the particular licenses sought, together with the total of all fees required by the granting agency for such license. See WAC 308-300-090.

This prorating of fees shall be computed on a monthly basis (i.e., one-twelfth of the annual payment per month) and added to or subtracted from the regular annual fee. Prorating shall be based on the number of whole months between the previous expiration date and the next renewal date.

(2) Prorated fees will be made for supplemental licenses and new branch licenses based on the number of whole months to the expiration of the master license, if authorized by the appropriate agency.

(a) The name of the operator providing the services which are the subject of the advertisement or sales promotion shall appear on the front or first page of the offer. If the offer is made by an agent or independent contractor employed or authorized by the operator, or is made under a name other than the registered name of the operator, the name of the operator shall be more prominently and conspicuously displayed than the name of the agent, independent contractor, or other name.

(b) No item or promotion may be labeled gift, prize, award, sweepstakes, premium, free, or the like if the intended recipient is required to purchase a camping resort contract or expend any sum of money other than travel costs to attend a sales presentation or pay any shipping and handling charges to receive or redeem the item.

(c) The use of any printing styles, graphics, lay-outs, text, colors, or formats on envelopes or on the offer which implies, creates an appearance, or would lead a reasonable person to believe, that the offer originates from or is issued by or on behalf of a government or public agency, public utility, public organization, insurance company, credit reporting agency, bill collecting company or law firm, unless the same is true, is prohibited.

(g) No offer shall be labeled a notice of termination or notice of cancellation.

(h) The offer, plan, program or the affiliation, connection, association, or contractual relationship between the person making the offer and the operator may not be represented if they are not the same.

(i) The advertisement or sales promotion literature shall identify each item and its retail fair market value. To determine the retail fair market value, the following methods may be used:

(j) If the item is one or more of a larger group, and if offered or given on a random basis, the advertisement or sales promotion literature must disclose the actual odds of receiving each item. The odds shall be stated in Arabic numerals in ratio form and if the odds are not printed on the front or first page of the offer, then the location of the odds must be disclosed on the front or first page in a type size that is equal to or larger than standard text type used on the front or first page of the offer.

(k) If receipt of the advertised item is contingent upon certain restrictions or qualifications which the recipient must meet, then a clear and complete disclosure of those restrictions and whether they apply to receipt of the gift or acceptability to buy into the program, must be made in the offer. Restrictions that must be disclosed include, but are not limited to the following:

(i) The deadline by which the recipient must buy a camping resort membership, visit a camping resort property, complete a tour of a camping resort property, receive a sales presentation, or contact a salesperson in order to receive an item, if any such deadline exists;

(l) No camping resort operator or salesperson shall make any offer of an item when the operator or salesperson knows or has reason to know that the item is not readily available;

(m) Any restriction or requirement that time, money or effort must be expended by the recipient of an item in order for the recipient to use the item must be disclosed in the advertisement or sales promotion literature. Examples of such restrictions or requirements include any items that require assembly by the recipient, travel or other entertainment gifts or prizes for which there are limitations on the dates or times when the recipient may use the item, or which require nonrefundable reservation deposits or additional travel costs in order for the recipient to use the travel or other entertainment gift or prize.

(n) Provisions explaining any conditions to qualify for a gift, prize, award, sweepstakes, premium, free item, or any item of value must be in type at least equal to or larger than the average type size on the face page of the advertisement or sales promotion literature.
