An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(3) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. (5) If an administrative law judge becomes unavailable for any reason before the entry of the order, a substitute administrative law judge shall be appointed by the office of administrative hearings. (4) Any party may file a reply to the objections to the initial order. The reply shall be filed with the director within ten days of the date of service of the objections to the initial order and copies of the reply shall be served upon all other parties.

[Statutory Authority: RCW 39.19.030(7), 92-15-077, § 326-08-120, filed 7/16/92, effective 8/16/92. Statutory Authority: Chapter 39.19 RCW. 84-09-002 (Order 84-5), § 326-08-120, filed 4/5/84.]

WAC 326-08-130 Review of initial order—Final order. (1) An initial order will become final without further action by the office unless, within ninety days of the service of the initial order:

(a) The director determines that the initial order should be reviewed; or

(b) A party to the adjudicative proceeding files objections to the initial order as required in WAC 326-08-120(2).

(2) Upon the occurrence of either subsection (1)(a) or (b) of this section, the director will serve in writing a final order.

[Statutory Authority: RCW 39.19.030(7), 92-15-077, § 326-08-130, filed 7/16/92, effective 8/16/92. Statutory Authority: Chapter 39.19 RCW. 84-09-002 (Order 84-5), § 326-08-130, filed 4/5/84.]

WAC 326-08-140 Petition for reconsideration of a final order. (1) Within ten days of the service of a final order or when an initial order becomes final, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The petition shall be filed with the office.

(2) No petition for reconsideration may stay the effectiveness of an order.

(3) If a petition for reconsideration is timely filed, the time for filing a petition for judicial review does not commence until the director disposes of the petition for reconsideration.

(4) The petition shall be disposed of by the same person or persons who entered the final order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting the petition and dissolving or modifying the final order, or granting the petition and remanding for further hearing by the administrative law judge.

(1999 Ed.)

(5) The director is deemed to have denied the petition for reconsideration, if, within twenty days from the date the petition is filed, the director does not either:

(a) Dispose of the petition; or

(b) Serve the parties with a written notice specifying the date by which it will act on the petition.

(6) The filing of a petition for reconsideration is not a prerequisite for seeking judicial review. An order denying reconsideration, or a notice provided for in subsection (5)(b) of this section is not subject to judicial review.

[Statutory Authority: RCW 39.19.030(7), 92-15-077, § 326-08-140, filed 7/16/92, effective 8/16/92.]

(2) It is not the intent of the program to encourage the participation of businesses owned and controlled by minorities and/or women who have not encountered practices which prohibited or limited their access to contract opportunities, markets, financing, and other resources, based on their race or sex.

(3) Notwithstanding the provisions in subsection (1) of this section, to be eligible for certification, any business applying for certification shall have obtained all licenses necessary to lawfully conduct business in the state of Washington.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-010, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 87-18-030 (Order 87-6), § 326-20-010, filed 8/27/87. Statutory Authority: 1983 c 120 § 3(7). 83-22-045 (Order 83-3), § 326-20-010, filed 10/28/83.]

WAC 326-20-030 Proof of minority status. Each minority owner of a business applying for certification who is visibly identifiable as a minority shall submit with the MWBE application form a photograph or copy of documentation containing the owner's photograph. Each minority owner who is not visibly identifiable as a minority shall submit a copy of his or her birth certificate, tribal enrollment papers, or other document which shows that the owner meets the definition of "minority" as set forth in these rules. WAC 326-20-050 Proof of ownership of business. (1) All minority or women owners shall submit to the office proof of their ownership of the requisite percentage of the business at the time the application is submitted. Such proof shall consist of stock certificates, a notarized affidavit of stock ownership from the corporate treasurer, a partnership agreement, cancelled check used to purchase ownership, or other recognized proof of ownership. The ownership shall be

[Title 326 WAC—p. 12]

real, substantial, and continuing, shall go beyond the pro forma ownership of the business reflected in the ownership documents, and shall be based on the owner's capital contribution. The minority and/or women owner(s) shall enjoy the customary incidents of ownership and shall share in the risks and profits commensurate with their ownership interests, as demonstrated by an examination of the substance and the form of the arrangements.

(2) In cases of sole proprietorships or other cases where documentary proof of ownership is not available, the minority or women owners shall so advise the office, which may undertake further investigation. The office may also require documents showing how and when the minority or women owners' interest in the business was acquired.

(3) The office may, for any reason, require any minority or women owners to provide additional proof of, or information concerning, ownership. The office may request additional information regarding separate ownership of a business including, but not limited to, a separate property agreement.

(4) Ownership of a corporate-sponsored dealership shall be evaluated by using the following standards:

(a) The minority or women owner(s) have entered into a written agreement, contract, or arrangement with a national or regional corporation and has been granted a license to offer, sell, or distribute goods or services at wholesale or retail, leasing, or otherwise use the name, service mark, trademark, or related characteristics of the sponsoring corporation.

(b) The capital investment for the dealership or business is jointly contributed by the minority or women owner(s) and the sponsoring corporation.

(c) The original investment contributed by the minority or women owner(s) may be less than fifty-one percent, but must constitute at least twenty-five percent of the capitalization investment (total required equity capital) in the dealership corporation.

(d) A specified time limit of not more than ten years must be established, binding between the minority or women owner(s) and the sponsoring corporation, within which the buy-out of the corporate sponsor's interest shall be complete.

(e) The sponsoring corporation must have specifically developed a national or regional corporate sponsored dealership program which includes such features as capitalization assistance from the sponsoring corporation, on-going business operations training, technical assistance to the dealership owner, and a corporate sponsored minority and women's business program.

(f) The minority or women owner(s) must demonstrate that the relationship between the corporate sponsor and the minority or women's business was not formed for the primary purpose of achieving certification under chapter 39.19 RCW, or any similar provision of any ordinance, regulation, rule, or law.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-050, filed 5/11/92, effective 6/11/92. Statutory Authority: 1983 c 120 § 3(7). 83-22-045 (Order 83-3), § 326-20-050, filed 10/28/83.]

WAC 326-20-060 Community ownership. An ownership interest arising in a nonapplicant spouse solely because of the operation of community property laws will not disqual-

ify the applicant spouse from certification. Both spouses shall certify that:

- (a) Only one spouse participates in the management of the business.
- (b) The nonparticipating spouse relinquishes control over his/her community interest in the subject business.

[Statutory Authority: RCW 39.19.030(7), 92-11-007, § 326-20-060, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW, 84-09-002 (Order 84-5), § 326-20-060, filed 4/5/84. Statutory Authority: 1983 c 120 § 3(7), 83-22-045 (Order 83-3), § 326-20-060, filed 10/28/83.]

WAC 326-20-070 Counting ownership held in trust.

In determining whether the fifty-one percent ownership requirement is met, no stock or ownership held in trust shall be counted, except in the following cases:

- (1) Where both the trustee and the beneficiary are minorities, or both are women, and the trustee meets the control requirement; or
- (2) Where the stock or ownership is held in an irrevocable trust for the benefit of a minority or a woman and the minority or woman beneficiary meets the control requirement.

[Statutory Authority: RCW 39.19.030(7), 92-11-007, § 326-20-070, filed 5/11/92, effective 6/11/92. Statutory Authority: 1983 c 120 § 3(7), 83-22-045 (Order 83-3), § 326-20-070, filed 10/28/83.]

WAC 326-20-080 Factors considered in determining control.

(1) The minority or woman owner(s) must possess and exercise managerial and operational control over the day-to-day affairs of the business.

(a) Managerial control. The minority or woman owner(s) has the demonstrable ability to make independent and unilateral business decisions needed to guide the future and direction of the firm.

(b) Operational control. The minority or woman owner(s) has the demonstrable ability to independently make basic decisions pertaining to the daily operations of the business.

(2) Whether a minority or woman owner meets the control requirement is determined on an application-by-application basis. Office management, clerical, or other experience unrelated to the firm's field of operations, is insufficient to establish that the business is legitimately owned and controlled.

(3) Factors which may be considered in determining whether the minority or woman owner meets the control requirement include, but are not limited to, the following:

- (a) Authority and restrictions as indicated in the articles of incorporation, bylaws, partnership agreements and/or other business agreements and documents;
- (b) The financial interest and/or participation in any other business by any owner or key personnel;
- (c) Past and current employment history of minority and women owners involved in the business;
- (d) Members of the board of directors and corporate officers;
- (e) Experience, training, and expertise of any owners and key personnel;
- (f) Recent changes in ownership and/or control of the business;

(1999 Ed.)

(g) Financial obligation to and capital contributions from owners and nonowners of the business; and

(h) Documentation indicating who has ultimate authority to make policy and management decisions and to legally obligate the business.

(4) If persons who are not minorities or women are disproportionately responsible for the operation of the business, then the business is not eligible for certification.

(5) The requirements of this section shall not apply, if the business qualifies as a corporate-sponsored dealership under the provisions of WAC 326-20-050(4). Control of a corporate-sponsored dealership will be evaluated using the following standards:

(a) If the sponsoring corporation retains majority voting rights and control of the board of directors, then the minority or women owner(s) must annually apply at least fifty percent of the net profit and bonuses toward the buy-out of the corporate sponsors' interest within the buy-out time limit established with the corporation.

(b) The minority or women owner(s) must show active participation in the decision-making process on the board of directors of the dealership.

(c) The minority or women owner(s) must have and exercise managerial and operational control over the day-to-day management of the dealership, with responsibility for sales, service volume, and profits.

(d) The minority or women owner(s) must have prior business or management experience relating to the business being entered into as an owner.

(e) The minority or women owner(s) must be president of any corporation formed by the business.

[Statutory Authority: RCW 39.19.030(7), 92-11-007, § 326-20-080, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW, 88-12-060 (Order 88-5), § 326-20-080, filed 5/31/88; 87-18-030 (Order 87-6), § 326-20-080, filed 8/27/87. Statutory Authority: 1983 c 120 § 3(7), 83-22-045 (Order 83-3), § 326-20-080, filed 10/28/83.]

WAC 326-20-081 Intertwinement. To be eligible for certification, a business must be independent. Intertwinement with a noncertified business may be grounds for denial or decertification of a business. The office will determine whether a business is intertwined with a noncertified business by looking for factors which include, but are not limited to, the following:

- (1) Shared ownership;
- (2) Common directors or partners;
- (3) Shared equipment, facilities, resources, or employees;
- (4) Beneficial financial arrangements which indicate less than arms length transactions with a noncertified business;
- (5) Overdependency on a noncertified business to obtain and perform work;
- (6) Such an identity of interest exists between the business seeking certification and a noncertified business that an affiliation may be presumed; and
- (7) The degree to which financial, equipment, leasing, business and other relationships with noncertified businesses vary from normal industry practice.

[Statutory Authority: RCW 39.19.030(7), 92-11-007, § 326-20-081, filed 5/11/92, effective 6/11/92; 89-24-047, § 326-20-081, filed 12/1/89, effective 1/1/90.]

WAC 326-20-092 Small business concern requirement. (1) In addition to meeting the ownership and control requirements of chapter 39.19 RCW and these regulations, a business must qualify as a small business concern to be eligible for certification or recertification.

(a) Except as otherwise provided in WAC 326-20-096 (for certain federal projects), a small business concern is a business which is independently owned and operated, is not dominant in its field of operations, and which does not exceed the size limitations as set forth in the current table of Standard Industrial Classification (SIC) codes and corresponding industry size standards as adopted by the United States Small Business Administration in Title 13 Code of Federal Regulations, Part 121, on file in the office.

(b) The number of employees or amount of annual receipts listed as the size standard for each SIC code indicates the maximum allowed for a business (including its affiliates) to qualify as a small business concern.

(c) The office's determination of whether a business qualifies as a small business concern shall be, whenever possible, based on criteria that is consistent with the small business requirements defined under section 3 of the Small Business Act, 15 U.S.C. 632, and its implementing regulations.

(2) A business which exceeds the small business size limits after certification by the office shall be subject to decertification.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-092, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 88-09-047 (Order 88-5), § 326-20-092, filed 4/18/88.]

WAC 326-20-094 Assignment of standard industrial classification (SIC) code. (1) The office will determine which SIC code an applicant falls under based on information submitted by the business. The office will prepare conversion tables showing the department of general administration's commodity code designations, the codes developed by the Construction Specifications Institute, and the corresponding SIC codes listed in the directory of certified businesses as described in WAC 326-20-190.

(2) In the event the business plans to expand the areas in which it operates, it must notify the office in writing at least thirty calendar days before the effective date of such expansion.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-094, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 88-09-047 (Order 88-5), § 326-20-094, filed 4/18/88.]

WAC 326-20-095 Determination of firm size. (1) At the time of application for certification, a business must demonstrate to the office that it is a small business concern. The office may verify that the business continues to be a small business concern, once certified, at any time. In verifying the applicant's size, the office will review the annual financial statements and other relevant information.

(2) Affiliates. Except as otherwise provided in this chapter, businesses are affiliates of each other when either directly or indirectly:

(a) One controls or has power to control the other; or

(b) A third party or parties controls or has the power to control both; or

[Title 326 WAC—p. 14]

(c) Such an "identity of interest" exists between or among them that affiliation may be presumed.

(3) Annual receipts. Where the maximum size standard is set by reference to "annual receipts," a business that exceeds the annual receipts in that standard is not eligible for certification. Annual receipts includes all revenue in whatever form received or accrued from whatever source, including from the sales of products or services, interest, dividends, rents, royalties, fees, or commissions, reduced by returns and allowances. However, the term "receipts" excludes proceeds from sales of capital assets and investments, proceeds from transactions between a concern and its domestic and foreign affiliates, proceeds from payments of notes receivable and accounts receivable, and amounts collected as an agent for another, such as gross bookings on which a commission is earned (in which case only the commission earned would constitute revenue) or such as taxes collected for remittance to a taxing authority.

(4) Period of measurement.

(a) The size of a business that has completed three or more fiscal years will be determined by averaging the annual receipts of the business for each of the most recent three years.

(b) The size of a business that has completed less than three fiscal years will be determined by computing the average of the annual receipts from the time the business was formed as follows: Total revenues compiled over the period divided by the number of weeks, including fractions of a week, multiplied by fifty-two.

(d) Method of determining annual receipts. Revenue may be taken from the regular books of account of the concern. If the office so elects or the firm has not kept regular books of account or the Internal Revenue Service has found such records to be inadequate and has reconstructed income of the concern, then revenue as shown on the Federal Income Tax return of the concern may be used in determining annual receipts along with other information the office deems relevant.

(4) Number of employees. Where the size standard is "number of employees" size eligibility requires that the concern may not exceed the number of employees in that standard.

(a) "Number of employees" means that average employment of the concern, including the employees of its domestic and foreign affiliates, based upon employment during each of the pay periods for the preceding completed twelve calendar months.

(b) In computing average employment, part-time and temporary employees are counted as full-time employees for each applicable pay period.

(c) If a concern has not been in business for twelve months, "number of employees" means the average employment of the concern, including its affiliates, during each of the pay periods during which it has been in business.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-095, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 88-09-047 (Order 88-5), § 326-20-095, filed 4/18/88.]

WAC 326-20-096 Size standard. (1) No business, regardless of its primary SIC code, is eligible for certification

(1999 Ed.)

if it exceeds the largest annual revenue limit contained in 13 Code of Federal Regulations, Part 121, on file in the office.

(2) In determining what is the primary industry in which an applicant (including its affiliates) is engaged, primary consideration shall be given to the distribution of receipts, employees and costs in the differing industry areas in which the business operated during its most recently completed fiscal year. Other factors (e.g., patents, contract awards, assets) may be considered.

(3) If the activities of the business encompass two or more SIC codes, the first SIC code listed in the directory is the primary industry classification of the business.

(4) A firm which exceeds the small business size limits after certification by the office shall be subject to decertification.

(5) For purposes of utilization on projects funded by the Federal Highway Administration or under The Surface Transportation and Uniform Relocation Assistance Act of 1987, (P.L. 100-17, or STURAA) the maximum dollar size standard set out in STURAA and 49 CFR Part 23 as adjusted for inflation, shall apply, even if the size standard would otherwise be set by reference to number of employees. This standard is a ceiling. Certified businesses are still subject to applicable lower limits on business size as established by the United States Small Business Administration and these regulations.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-096, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 88-09-047 (Order 88-5), § 326-20-096, filed 4/18/88.]

WAC 326-20-098 Applicability of federal regulations. Whenever issues arise regarding whether a business qualifies as a small business concern which cannot be resolved by reference to these regulations, federal regulations adopted by the United States Small Business Administration at 13 CFR 121 shall provide guidance to resolve such issues.

[Statutory Authority: RCW 39.19.030(7). 92-11-007, § 326-20-098, filed 5/11/92, effective 6/11/92. Statutory Authority: Chapter 39.19 RCW. 88-09-047 (Order 88-5), § 326-20-098, filed 4/18/88.]

WAC 326-20-110 Application process. (1) The office will develop and make available an application form for certification under chapter 39.19 RCW, and WAC 326-20-010. The application form may be modified at any time. The form will solicit enough information to determine whether the applicant is eligible for certification for state-funded projects and may include supplemental questions necessary to determine whether the applicant is eligible for certification for a specific federally-funded project. As part of its investigation, the office may require minority and women owners to provide information in addition to that requested on the application forms.

(2) Where additional information is required from the applicant business to complete the investigation, the office may request the information in writing and may impose a time limit of not more than twenty days in which the applicant must respond. The letter shall include notice to the applicant that, if the applicant fails to provide the information within the time requested, the file will be closed administratively. If all the requested information is not received by the

(1999 Ed.)

office within the twenty days, the office may administratively close the file. The applicant will be notified in writing that the file has been administratively closed.

(1) Certification shall entitle state agencies, educational institutions, and local government jurisdictions to count the business toward meeting their goals under this chapter, local legislation, and that require the participation of disadvantaged business enterprises. Certification shall be effective as of the date the decision is made in writing and will remain in effect for three years; except that the certification of DBEs shall be renewed annually.

(2) Certification does not constitute compliance with any other laws or regulations, including contractor registration or prequalification, and does not relieve any business of its obligations under other laws or regulations. Certification does not constitute any determination by the office that the firm is responsible or capable of performing any work.

The office will generally renew the certification as long as the business continues to meet the eligibility criteria; the business provides evidence of some level of activity e.g., gross receipts or evidence of continuing efforts to promote the business; and there have been no determinations that the business has violated chapter 39.19 RCW or its implementing rules in Title 326 WAC. Debarment of a business by the state or one or more federal agencies or local government jurisdictions may be grounds for nonrenewal of decertification.

Each certified business must submit a statement of present status prior to expiration of its three-year certification. The statement form will be provided to the certified business sixty days before expiration of its certification. Failure to return the completed form within thirty days may lead to decertification by expiration.

(b) Be accompanied by a written joint venture agreement that conforms to the requirements of subsection (2) of this section; and

(c) Contain a statement that gives the approving agency or educational institution authority to audit the joint venture.

(2) Contents of joint venture agreement.

(a) The joint venture agreement must be signed under oath by each of the joint venturers. It shall specify the capital contribution made by each joint venturer, the control each will exercise, and the distribution of profit and loss. Each of these elements must be allocated in proportion to their contribution.

(b) The joint venture agreement must also identify the part of the work each joint venturer will do, which participant(s) are certified businesses, and their certification status. The work to be performed by the certified participant must be a commercially useful function.

(3) Time of request. A request for approval of a joint venture must be submitted and approved before the time fixed for bid opening for all contracts. If the joint venture is not approved, the agency shall award to the lowest responsive bidder or rebid.

(4) Effect of approval. An approved joint venture is approved only for one specific contract. Disbursement of funds to a certified business that is participating in an approved joint venture shall be counted toward contract goals in accordance with the provisions of WAC 326-40-060 (1)(e).

(5) Investigation. The agency or educational institution may request additional information from any enterprise seeking approval as a joint venture. Failure to provide the requested information shall result in the denial of the requested approval.

(6) Complaints. Complaints regarding the composition or validity of an approved joint venture shall be written and shall be made to the approving agency or educational institution and to the office. The agency or educational institution shall fully investigate each complaint and issue a written

report of its findings. The report will be provided to the complainant and to the office. Concurrently, the office may investigate complaints pursuant to its rules and chapter 39.19 RCW.

WAC 326-50-010 Participation programs, purpose and intent. It is the policy of the state of Washington to provide the maximum practicable opportunity for increased participation by minority and women-owned businesses in public works and the process by which goods and services are procured by state agencies and educational institutions from the private sector.

OMWBE is directed by RCW 39.19.030(1) to: "Develop, plan, and implement programs" to provide such opportunities for participation by qualified minority and women-owned businesses. OMWBE has found that there is a need to supplement the certification program in order to encourage MWBE participation in state contracts. Therefore, OMWBE will develop participation programs to advance the state of Washington's policy to mitigate the effects of societal discrimination, and to increase opportunities for minority and women-owned firms to do business with the state. The implementation of these programs will result in increased opportunities for MWBEs to develop and grow in the existing market place, and to assist them in establishing new business relationships with the state of Washington.

[Statutory Authority: Chapter 39.19 RCW. 85-24-010 (Order 85-10), § 326-50-010, filed 11/25/85, effective 3/1/86.]

WAC 326-50-020 Definitions. For purposes of chapter 326-50 WAC;

(1) "Non-MWBE firm" means a firm or business which is not certifiable as a MWBE under chapter 39.19 RCW and its implementing regulations, or a firm which has chosen not to seek certification as a MWBE;

(2) Solely for purposes of participation programs as used in chapter 326-50 WAC, "MWBE" shall mean:

(a) Either an enterprise certified by OMWBE on or before November 22, 1985; or an enterprise which is certified at any time, provided such enterprise has been engaged in bona fide business activities as a minority or woman-owned business for at least one year prior to the filing of an agreement of intent with OMWBE, and

(b) Either an enterprise which is incorporated in the state of Washington as a Washington domestic corporation; or an

enterprise whose principal place of business is located within the state of Washington for enterprises which are not incorporated.

(c) Nothing contained in subsections (a) and (b) shall be construed to include or allow foreign corporations to participate in any participation program.

(3) "Participation program" means programs created to supplement the certification program to encourage MWBE participation in state contracts in the areas of goods and services, construction, and personal services.

[Statutory Authority: Chapter 39.19 RCW. 85-24-010 (Order 85-10), § 326-50-020, filed 11/25/85, effective 3/1/86.]

WAC 326-50-030 Business partnership program—Purchased goods and services, architecture, engineering and other consultants—Purpose and intent. (1) Purpose and intent. The primary purpose of this Participation Program I, hereinafter referred to as the business partnership program, is to increase opportunities for certified MWBEs to provide purchased goods and services, and architecture, engineering and other consultant services to state agencies and educational institutions. This program is designed to increase the number of MWBEs participating in state contracts, and to enhance the economic viability of certified businesses, by providing incentives to non-MWBE firms, both large and small, to develop ongoing business relationships with OMWBE certified firms.

(a) The business partnership program will be in effect as of March 1, 1986. This program is a prototype program, and will be periodically evaluated by OMWBE. After the program has been in effect for 12 months, OMWBE will evaluate the program to determine whether it is fulfilling the purposes for which it is designed.

(2) The program is designed to address several specific needs of minority and women firms by (a) increasing opportunities for providing purchased goods and services, and architecture, engineering and other consultant services, and (b) providing short-term and limited financial assistance, technical assistance, and networking.

[Statutory Authority: RCW 39.19.030(7), 89-24-050, § 326-50-030, filed 12/1/89, effective 1/1/90. Statutory Authority: Chapter 39.19 RCW. 85-24-010 (Order 85-10), § 326-50-030, filed 11/25/85, effective 3/1/86.]

WAC 326-50-040 Implementation of business partnership program. (1) Agreement of intent—Contents of agreement. In order to claim business partnership credit for contracts or other assistance provided to MWBEs, an agreement of intent must be filed with OMWBE by the non-MWBE firm within seven days of the commencement of the supplier-service contract. The agreement of intent to be filed with OMWBE must include such information as required by OMWBE.

(2) Evaluation committee.

(a) An evaluation committee will review each agreement of intent and make a recommendation to the director. Evaluation committees appointed by OMWBE will consist of a representative from the private sector, a representative from the MWBE community, and a state agency representative. During the prototype phase of the program, the purchased

goods and services workgroup, appointed by the OMWBE advisory committee, will serve as the evaluation committee.

(b) The office, through the evaluation committee, will monitor the progress of the agreement of intent against the details outlined in the agreement of intent as filed with OMWBE, or as approved under subsection (3) below.

(3) The director may approve the agreement, with or without modifications, or disapprove the agreement. Upon approval of the agreement, OMWBE will establish an account for non-MWBE firms under the number assigned to the agreement of intent. Upon proof of completion of the agreement, or portions thereof if applicable, credits for the negotiated dollar value of the contract will be placed in the non-MWBE firm's account.

(4) The credit received by the non-MWBE firms will be calculated from the firm's documented expenditures. Prior to initiating a goods or service contract or other approved assistance, the non-MWBE firm must file an agreement of intent with OMWBE. Upon approval of the plan, the firm will thereafter document the actions that have been taken on behalf of MWBEs. The actual dollar value to be credited may be established either before or after the program is concluded, but the agreement of intent must set the standards for evaluation and receive approval by OMWBE. The amount of credit that will be given for any contracted good or service or other approved assistance will be established between OMWBE and the non-MWBE firm.

[Statutory Authority: Chapter 39.19 RCW. 85-24-010 (Order 85-10), § 326-50-040, filed 11/25/85, effective 3/1/86.]

WAC 326-50-050 Utilization of credits in business partnership account. (1) The credits in a non-MWBE firm's business partnership account may be applied to goods and services, architecture, engineering and other consultant services contracts or requests for proposals. The credits cannot apply to MWBE requirements set on construction or public works contracts.

(2) Only the value of those transactions requested and approved may be applied against MWBE requirements set by state agencies or educational institutions in meeting contract specifications.

(3) When the non-MWBE firm bids on a state contract, it may utilize the credit it has established with OMWBE by applying the credit against the MWBE participation requirements set on contracts or requests for proposals for purchase of goods and services, architecture, engineering and other consultant services.

(4) The state agency or educational institution shall give the non-MWBE firm equal consideration as other vendors utilizing certified MWBE vendors in evaluating the bids or requests for proposal. The state agency or educational institution may count the credit toward its annual overall goals.

(5) The credit obtained by an agreement of intent shall only be used once. Additional credits may be obtained by filing additional agreements of intent with OMWBE.

(6) If credits on file with OMWBE are invoked by the non-MWBE firm on more than one outstanding bid or proposal, the credits shall be utilized on the first contract awarded.

(1999 Ed.)

(7) The state agency letting a contract shall contact the OMWBE to verify the existence of credits on file at the time an apparent low bidder using business partnership credits to meet the MWBE requirements of the contract is identified. The state agency letting the contract shall notify the OMWBE of the award of the contract, and the number of credits utilized by the non-MWBE firm to meet the MWBE requirements of the contract.

(8) If credits are used on one contract (first awarded), the non-MWBE firm, if the apparent low bidder, may be allowed a period of up to 24 working hours to secure new or additional MBE or WBE subcontractors. If written proof of subcontractors with new or additional MBE or WBE firms is not provided to the agency within that time, agency may award contract pursuant to WAC 326-40-020.

(9) The business partnership credits will remain in the account established for the non-MWBE firm for one year after the credits are accrued, or for one year from the time the contract in the agreement of intent is completed, as stipulated in the agreement of intent. All unused credit will be voided six months after the effective date, in the event the business partnership program is discontinued.

WAC 326-50-060 Default by either party to the agreement of intent. The parties to the agreement of intent (the non-MWBE firm and MWBE firm) reserve their rights to pursue legal remedies based upon the underlying contract between them. In the event of default by either party, appropriate action can be taken by either to assure compliance or to recover damages. Approval of the agreement of intent by OMWBE does not constitute a ruling that the contract is in compliance with state laws, nor that either party is capable of performing its portion of the agreement. Approval of the agreement by OMWBE merely signifies that OMWBE believes the fulfillment of this agreement will further the goals of the program established by the state under chapter 39.19 RCW. If the MWBE is unable or unwilling to perform the agreement of intent, the non-MWBE firm may utilize its right to substitute under WAC 326-30-080. OMWBE also reserves the authority to apply the full range of sanctions available under the law against the parties to the agreement of intent, as appropriate, if perjured agreements of intent are filed, or spurious claims for credits are made.
