INSTRUCTIONS

Item No./Description: As each item to be auctioned is received, assign it a number and a brief description.

Contributor: The person or organization that donates an item or service to be auctioned. If the campaign purchases items for auction, state "purchased by committee" under contributor's name. If auction is held by state office candidate, designate which election (PRI or GEN) contribution is for. Contribution amount is fair market value of item or service and is subject to any applicable contribution limit. Adjust fair market value amount if sold for less than initial fair market value. See No. 2 below.

Buyer: The person who buys the item or service being auctioned. If auction is held by state office candidate, designate which election (PRI or GEN) buyer is giving to when purchase price exceeds fair market value amount.

Fair Market Value: The retail value of the article. Adjust if amount paid is less than fair market value. See No. 2 below.

Sale Price: The amount the buyer paid for the item or service.

Amount Over Fair Market Value: The amount the sale price exceeds fair market value. If sale price is less than or equal to the fair market value, leave blank. The amount paid in excess of fair market value is a contribution from the buyer and is subject to any applicable contribution limit.

Aggregate Total:

Contributor: Fair market value of the donation plus all previous contributions made during campaign (for state office candidates, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

Buyer: Amount over fair market value plus all previous contributions made during campaign (for state office candidates, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

If Cash is Received: RCW 42.17.740 says that a political committee must make all of its monetary contributions by check (or other written instrument). However, individuals, businesses, unions and other entities may use currency to make small contributions. The maximum amount of a currency contribution is periodically adjusted by PDC. See WAC 390-05-400 or contact PDC. If the campaign receives cash contributions, each of which does not exceed the maximum, but is more than $50, prepare a receipt - signed by the donor and either the candidate, treasurer or deputy treasurer - and keep it as part of the campaign records.

SEE INSTRUCTIONS ON REVERSE
Please consult PDC instruction manuals when completing this report. Reporting requirements are contained in and governed by RCW 42.17 and WAC 390.

**WHO MUST FILE**
Each candidate and political committee using Full Reporting.

**FILING DATES**
1) **File with C-1 or C-1pc** (Registration form) if you received contributions or made expenditures before registering.

2) **File on the 10th of each month** if contributions or expenditures are over $200 since last C-4 was filed. (These 10th-of-the-month reports are not required if another C-4 must be filed during that month. See #3 below.)

3) **For each primary, general and special election in which the candidate or political committee makes an expenditure, file**
   - 21 days prior to the election
   - 7 days prior to the election
   - 10th of the first month after the election — see note below

   (Note: Not required after primary election from candidates who will be in the general election or from continuing political committees.)

4) **File final report** when campaign is finished or committee closes operation. Often, this coincides with the primary or general post-election, 10th-of-the-month report.

All reports are considered filed as of the postmark date or the date hand-delivered to PDC.

**WHERE TO SEND REPORTS**
Send original C-4 reports, along with all schedules and attachments, to PDC. Candidates send a duplicate copy to their County Auditor (County Elections Department). Political committees send a copy to County Auditor of the county in which their headquarters is located or, if no headquarters, the county in which their treasurer resides.

Candidates for city offices, city ballot issue committees and other political committees who give to city candidates or ballot issue committees should check with city clerk regarding any local filing requirements.

---

*FOR ALL PACS, POLITICAL PARTIES & CAUCUS POLITICAL COMMITTEES*

The question posted near the top of the front side of this form regarding independent expenditures applies to **ALL POLITICAL COMMITTEES** required to file C-4 reports, except ballot issue committees that neither contribute to candidates nor make independent expenditures regarding them and candidate committees (because they are prohibited from making expenditures that are not directly related to their own campaigns).

All other Political Committees and PACs must indicate whether they made any independent expenditures supporting or opposing one or more candidates for state or local office.

If the response is "yes," the independent expenditure(s) **MUST** be itemized on the appropriate schedule (either Schedule A, or Part 3 of Schedule B), showing:

- the date of the expense;
- the name and address of the vendor or recipient of the funds;
- if using Schedule A, an "I" in the Code column;
- the name and office sought of the candidate supported or opposed;
- an indication of support or opposition; and
- a brief description of the expense (e.g., brochure mailed to absentee voters).

Chapter 390-17 WAC

CONTRIBUTION LIMITATIONS

WAC 390-17-030 Sample ballots and slate cards.

WAC 390-17-030 Sample ballots and slate cards. (1) Intent. The commission finds that, under certain conditions, expenditures for slate cards and other candidate listings fall within the scope of RCW 42.17.640 (14)(a) and are, therefore, exempt from contribution limits and eligible for payment with a bona fide political party's exempt funds. Slate cards and other candidate listings remain reportable under chapter 42.17 RCW and subject to the political advertising provisions of the law.

The purpose of this exemption from the contribution limits is to allow political parties and other sponsors to tell the general public which candidates they support. The exemption is not intended as a device to circumvent the contribution limits and full reporting requirements by undertaking any degree of significant campaigning on behalf of candidates.

(2) For purposes of RCW 42.17.640 (14)(a), "sample ballots" means slate cards, or other candidate listings, that satisfy the qualifying criteria specified in subsection (10) of this section.

(3) Sample ballots constitute political advertising for a slate or list of candidates and must be properly identified and otherwise in compliance with the political advertising provisions, RCW 42.17.505 through 42.17.550.

(a) A bona fide political party may use contributions it receives pursuant to RCW 42.17.640(14) to design, print and distribute sample ballots.

(b) Expenditures for sample ballots do not count against a bona fide political party's contribution limit to the candidates listed on the sample ballot. Further, when reporting sample ballot expenditures, a bona fide political party is not required to attribute a portion of the expenditure to the candidates listed on the sample ballot, but the names of the candidates must be reported along with the other information required by chapter 42.17 RCW and chapter 390-17 WAC.

(5) Any person, as defined by RCW 42.17.020, who makes an expenditure for sample ballots has made an expenditure that does not count against that person's contribution limit to the candidates listed.

(6) An in-state political committee, when disclosing expenditures for sample ballots as part of its C-4 report, is not required to attribute a portion of the expenditure to the candidates listed on the sample ballot, but the names of the candidates and their respective party affiliations must be reported along with other information required by chapter 42.17 RCW and chapter 390-17 WAC.

(7) An out-of-state or federal committee, when disclosing expenditures for sample ballots on a C-5 report, is not required to allocate a portion of the expenditure to the candidates listed on the sample ballot, but must report that an expenditure for sample ballots was made, the name and address of the person to whom the expenditure was made, the full amount of the expenditure, and the name, office sought and party affiliation of each candidate listed on the sample ballot. The report is due within ten days of the date the sample ballot is received by recipients.

(8) If a lobbyist or lobbyist employer makes expenditures for sample ballots, those expenditures are required to be reported in detail on the lobbyist's monthly L-2 report. Itemization of these expenditures must include the names and respective party affiliations of the candidates listed on the sample ballot, but no portion of the expenditure need be allocated to individual candidates listed on the sample ballot.

(9) The candidates listed on a sample ballot are not required to report any portion of the expenditure as an in-kind contribution to their campaigns.

(10) Qualifying criteria for sample ballots, slate cards and other candidate listings. In order not to count against a person's contribution limit to the candidates listed on a sample ballot and, in the case of a bona fide political party, in order to be eligible for payment with contributions received pursuant to RCW 42.17.640(14), a sample ballot must satisfy all of the criteria in (a) through (d) of this subsection.

(a) The sample ballot must list the names of at least three candidates for election to public office in Washington state. That is, identify any combination of three or more candidates, whether the candidates are seeking federal, state or local office in Washington.

(b) The sample ballot must not be distributed through public political advertising; for example, through broadcast media, newspapers, magazines, billboards or the like. The sample ballot may be distributed through direct mail, electronic mail, Web sites, electronic bulletin boards, electronic billboards or personal delivery by volunteers.

(c) The content of a sample ballot is limited to:

• The identification of each candidate (pictures may be used);
• The office or position currently held;
• The office sought;
• Party affiliation; and
• Information about voting hours and locations.

Therefore, the sample ballot must exclude any additional biographical data on candidates and their positions on issues as well as statements about the sponsor's philosophy, goals or...
accomplishments. The list must also exclude any statements, check marks or other indications showing support of or opposition to ballot propositions.

(d) The sample ballot is a stand-alone political advertisement. It must not be a portion of a more comprehensive message or combined in the same mailing or packet with any other information, including get-out-the-vote material, candidate brochures, or statements about the sponsor’s philosophy, goals or accomplishments. On Web sites, electronic bulletin boards or electronic billboards, the sample ballot must be a separate document.
