ELIGIBILITY CRITERIA

Eligibility criteria.

Termination.

WAC 67-55-040 Eligibility criteria. (1) To be eligible for child and family services an individual must be between the ages of birth through six years of age or fourteen through twenty-one years of age.

(2) Any child below the age of twenty-one years who has completed high school or has discontinued his/her formal education shall not be eligible for child and family services. Such children shall be referred for vocational rehabilitation or other appropriate resources.

(3) Eligibility for child and family services shall be dependent on documentation of a visual impairment including one or more of the following conditions:

(a) Legal blindness or visual handicap as they are customarily defined, either in terms of qualifying reduction in visual acuity and/or a qualifying reduction in visual fields.

(b) A visual impairment which is progressive in nature and can be expected to lead to blindness within a reasonable period of time.

(c) Reductions in both visual acuity and visual fields such that the effect is substantially that of legal blindness, or visual efficiency is so reduced as to have substantially the same effect as legal blindness.

(d) A visual impairment which makes it impossible for a child to compete successfully in school and other childhood endeavors.

67-55-060 Termination. A child shall be terminated from child and family services for the following reasons:

(1) The child has completed high school;

(2) The child has withdrawn from school prior to his/her senior year and does not intend to return;

(3) The child has reached the age of twenty-one years, or is between the ages of seven and fourteen years;

(4) The child's vision improves to a degree which no longer meets the criteria for eligibility;

(5) The child moves from the state of Washington; or

(6) The child and/or his/her family requests termination.

[2000 WAC Supp—page 144]
Eligibility requirements are applied without regard to sex, race, creed, color, marital status, sexual orientation, religion, or natural origin of the individual applying for service. No group of individuals is excluded from service solely on the basis of the type of disability or on the basis of age.

No residence requirement is imposed which excludes from services any individual who is present in the state.

Eligibility is based only upon:

(a) The presence of a severe physical or mental disability, which shall include a visual disability defined as follows:

(i) Legal blindness or visual impairment as they are customarily defined either in terms of a qualifying reduction in visual acuity and/or a qualifying reduction in visual field.

(ii) A visual impairment which is progressive in nature and can be expected to lead to blindness within a reasonable period of time.

(iii) Reduction in both visual acuity and visual fields is such that the effect is substantially that of legal blindness, or visual efficiency is reduced so as to have substantially the same effect as legal blindness.

(iv) A visual impairment which makes it impossible for the individual to perform successfully in one or more of life's functions;

(b) The presence of a severe limitation in ability to function independently in family or community or to engage or continue in employment; and

(c) A reasonable expectation that independent living rehabilitation services will significantly assist the individual to improve his or her ability to function independently in family or community or to engage or continue in employment.

For purposes of determining an individual's eligibility for independent living services, improvement in ability to function independently in family or community refers to a demonstration in functional and behavioral terms of an individual's greater independence or maintenance of independence in such areas as self-care, activities of daily living, using public transportation, shopping, housekeeping, communicating, or living more independently.

WAC 67-75-042 Certification for decision of eligibility or ineligibility. (1) There will be a certification that the individual has met the basic eligibility criteria. The statement of eligibility will be dated and signed by the independent living service provider or the department's independent living program staff.

(2) Whenever it has been determined on the basis of clear evidence that an individual is ineligible for independent living services, there shall be a certification, dated and signed by the independent living service provider agency or the department's independent living program. Certifications of ineligibility shall indicate the reasons for the ineligibility determination and shall be made only after full consultation with the individual or, as appropriate, his or her parent, guardian, or other representative, or after giving a clear opportunity for this consultation.

WAC 67-75-044 Notice to applicant. (1) The individual shall be notified in writing of the action taken on a determination of ineligibility.

(2) The individual shall be informed of the department's procedure for administrative review and fair hearings and the services available through the client assistance program if he or she is dissatisfied with the department's decision.

(3) If the applicant was determined to be ineligible for independent living services, the certification shall clearly specify how he or she failed to meet the criteria of eligibility.

(4) If an applicant was determined ineligible, he or she shall be given a full opportunity to participate in the review and reconsideration of eligibility no later than twelve months after the determination was made. The review need not be conducted in situations where the individual refuses the review, the individual is no longer present in the state, or the individual's whereabouts is unknown.
