WAC 182-08-095 Waiver of coverage. Employees eligible for PEBB health care coverage have the option of waiving medical coverage for themselves and any or all dependents if they are covered by another medical plan. In order to waive medical coverage, the employee must complete an enrollment form that identifies the individuals for whom coverage is being waived. If an employee waives medical coverage for him/herself, coverage is automatically waived for all eligible dependents. An employee may choose to enroll only him/herself, and waive medical coverage for any or all dependents.

Employees and dependents whose medical coverage is waived will remain enrolled in a PEBB dental plan. Employ-

ees will also remain enrolled in PEBB life and long term disability coverage.

If PEBB medical coverage is waived, an otherwise eligible person may not enroll in a PEBB plan until the next open enrollment period, or within 31 days of loss of other medical coverage. Proof of other medical coverage is required to demonstrate that: 1) Coverage was continuous from the date PEBB coverage was waived; and 2) the period between loss of coverage and application for PEBB coverage is 31 days or less. The employee and dependents may have an additional opportunity to enroll in the event of acquisition of a new dependent as a result of marriage, birth, adoption, or placement for adoption, provided that enrollment is requested within 31 days of marriage or within 60 days of birth, adoption or placement for adoption.

WAC 182-08-120 Employer contribution. The PEBB has utilized the employers' contribution to provide coverage for the basic life insurance benefit, a basic long term disability benefit, medical coverage, and dental coverage, and to establish a reserve for any remaining balance. There is no employer contribution available for any other insurance coverages.

WAC 182-08-160 Group coverage when not in pay status. Employees covered by a PEBB health plan have options for providing continued coverage for themselves and their dependents during temporary or permanent loss of eligibility. With the exception of approved family and medical leave, employees not in pay status for at least 8 hours per month are ineligible to receive the employer premium contribution:

(1) When an employee loses eligibility as an active employee, PEBB group coverage, except long-term disability, may be continued at the group premium rate by self-paying premiums for medical coverage only, or for medical and dental combined, or for dental only, and on life insurance for a maximum of 29 months. With respect to medical and dental coverage, the maximum time shall be reduced by the number of months of self-pay allowed under COBRA and the number of employer-paid months allowed under family and medical leave. Part-time faculty may self-pay for group coverage between periods of active employee eligibility for a maximum of 18 months. If an employee is temporarily not in pay status for any of the following reasons, he or she may continue PEBB group coverage by self-paying the premium:

- (a) The employee is on authorized leave without pay;
- (b) The employee is laid off because of a reduction in force (RIF);
- (c) The employee is receiving time-loss benefits under workers' compensation;

(2001 Ed.)

(d) The employee is awaiting hearing for a dismissal action;

(e) The employee is applying for disability retirement.

(2) The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) gives enrollees the right to continue group coverage for a period of 18 to 36 months.

(3) The Family and Medical Leave Act of 1993 gives the enrollee the opportunity to extend eligibility with employer contribution toward premium for up to 12 weeks, see WAC 182-08-175.

(4) Enrollees have the right to convert to individual medical coverage when continuation of group medical coverage is no longer possible.

(5) The dependents of employees also have options for continuing coverage for themselves following loss of eligibility.

(6) Employees who revert to a previously held position and do not regain pay status during the last month in which their employer contribution is made may continue their PEBB-sponsored health and life coverage, by self-paying premium for up to 18 months (and in some cases up to 29 months).

(7) If a dependent(s) loses eligibility due to the death of the employee, the dependent(s) may continue coverage under a retiree plan provided the dependent(s) will immediately begin receiving a monthly benefit from any state of Washington-sponsored retirement system. The employee's spouse may continue coverage indefinitely; other dependents may continue coverage until they lose eligibility under PEBB rules. Application for surviving dependent coverage must be made within 60 days from the death of the employee. If a dependent is not eligible for a monthly retirement income benefit, or a lump-sum payment because the monthly pension payment would be less than \$50, the dependent may be eligible for continued coverage under COBRA.

(8) An employee may retain long-term disability coverage by self-payment of premium up to twenty-four months during an authorized leave without pay, but only if such leave is an approved educational leave.

WAC 182-08-165 Other group coverage option. The following shall apply to employees during any period of approved educational leave. In order to avoid duplication of group medical coverage, such employees who obtain coverage under another group medical plan may interrupt continuance of their PEBB self-pay medical/dental coverage for each full calendar month in which they maintain coverage under the other group medical plan, with the right to reinstate PEBB self-pay medical/dental coverage in the month following termination of the other group medical coverage. Provided, that the furnishing of evidence of such other group medical coverage may be required by the Washington state health care authority. Provided further, that the option to continue self-

pay dental coverage shall be suspended for the same period that PEBB self-pay medical is suspended.

WAC 182-08-175 Group coverage while on family and medical leave. Employees on leave under the federal Family and Medical Leave Act of 1993, and regulations implementing that act, shall continue to receive up to twelve weeks of employer-paid group medical, dental, basic life, and basic long-term disability insurance while on family and medical leave and may self-pay their optional life and long-term disability. If an employee fails to return to work after expiration of family and medical leave for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstance beyond the control of the employee, the employer may recover the premiums paid to maintain the employee's insurance coverage from the employee.

WAC 182-08-180 Reimbursement payment of miscalculated premiums. Premiums miscalculated will be adjusted by returning the excess charged premium to the employer or subscriber. Errors producing an underpayment will be reimbursed by the employer or subscriber. The HCA will develop a repayment plan that will not create undue hardship on the employer or subscriber.

WAC 182-08-190 Employer contribution. Every department, division, or agency of state government, and such county, municipal or other political subdivisions as are covered under the PEBB plans, shall provide premium contributions to the HCA for insurance benefits for its employees and their dependents. State employer contributions shall be set by the HCA and are subject to the approval of the governor. Employer contributions shall include an amount determined by the HCA to pay administrative costs to administer the plans for employees of these groups. Each eligible state employee in pay status for eight or more hours during a calendar month or for each eligible employee on family and medical leave shall be eligible for the employer contribution.

WAC 182-08-200 Payment of the employer contribution for eligible employees changing agency employment. WAC 182-12-110 Purpose. The purpose of this chapter is to establish criteria of employee eligibility for and effective date of enrollment in the public employees benefits board (PEBB) approved plans.

(2001 Ed.)

[Statutory Authority: Chapter 41.05 RCW. 96-08-043, § 182-12-110, filed 3/29/96, effective 4/29/96; Order 5646, § 182-12-110, filed 2/9/76.]

WAC 182-12-111 Eligible entities and individuals.

The following entities and individuals shall be eligible to participate in PEBB insurance plans subject to the terms and conditions set forth below:

(1) State agencies. Every department, division, or separate agency of state government, including all state higher education institutions, including the higher education coordinating board, and the state board for community and technical colleges is eligible and required to participate in all PEBB approved plans. Insurance and health care contributions for ferry employees shall be governed by RCW 47.64.270.

Employees of technical colleges previously enrolled in a benefits trust may terminate PEBB coverage by January 1, 1996, or the expiration of the current collective bargaining agreements, whichever is later. Employees electing to terminate PEBB coverage have a one-time re-enrollment option after a five year wait. Employees of a bargaining unit may terminate only as an entire bargaining unit. All administrative or managerial employees may terminate only as an entire unit.

Technical colleges with employees enrolled in a benefits trust shall remit to the HCA a retiree remittance as specified in the omnibus appropriations act, for each full-time employee equivalent. The remittance may be prorated for employees receiving a prorated portion of benefits.

(2) Employees of employee organizations representing state civil service employees, at the option of each employee organization, and, effective October 1, 1995, employees of employee organizations currently pooled with employees of school districts for the purpose of purchasing insurance benefits, at the option of such employee organization.

(3) Employees of a school district, educational service district, county, municipality, or other political subdivision of the state may participate in PEBB insurance programs provided:

(a) All eligible employees of the entity transfer to PEBB plan coverage as a unit. If the employer group meets the minimum size standards established by HCA, bargaining units may elect to participate separately from the whole group, and the nonrepresented employees may elect to participate separately from the whole group provided all non-represented employees join as a group.

(b) The legislative authority or the board of directors obligates itself to participate in all PEBB insurance plans. The PEBB medical must be the only employer sponsored medical plans available to all eligible employees.

(c) The legislative authority of the entity or the board of directors submits an application together with employee census data and, if available, prior claims experience of the entity to the HCA. The application to participate in the PEBB plans is subject to the approval of the HCA.

(d) The legislative authority or the board of directors agrees to maintain its PEBB plan participation for a minimum of one full year, and then through the end of the plan year.

(e) The terms and conditions for the payment of the insurance premiums shall be set forth in the provisions of the bargaining agreement or terms of employment and shall comply with the employer contribution requirements specified in the governing statute. These provisions, including eligibility, shall be subject to review and approval by the HCA at the time of application for participation. Any substantive changes will be submitted to HCA.

(f) The eligibility requirements for dependents shall be the same as the requirements for dependents of the state employees and retirees as defined in WAC 182-12-119.

(g) The legislative authority or the board of directors shall provide the HCA written notice of its intent to terminate PEBB plan participation no later than thirty days prior to the effective date of termination. If a county, municipality, or political subdivision, or employees of employee organizations as defined in WAC 182-12-111(2) terminates coverage in PEBB insurance plans, retired and disabled employees who began participating after September 15, 1991, will no longer be eligible to participate in PEBB insurance plans beyond the mandatory extension requirements specified in WAC 182-12-215.

(4) Eligible nonemployees:

(a) Dislocated forest products workers enrolled in the employment and career orientation program pursuant to chapter 50.70 RCW shall be eligible for PEBB medical and dental plan coverage while enrolled in that program.

WAC 182-12-115 Eligible employees. The following employees of state government, higher education, K-12 school districts, educational service districts, political subdivisions and employee organizations representing state civil service workers are eligible to apply for coverage by PEBB plans. For purposes of defining eligible employees of school districts, and educational service districts, the collective bargaining agreement will supersede all definitions provided under this rule if approved by the PEBB and/or the HCA.

(1) "Permanent employees." Those who work at least half-time per month and are expected to be employed for more than six months. Coverage begins on the first day of the month following the date of employment. If the date of employment is the first working day of a month, coverage begins on the date of employment.

(2) "Nonpermanent employees." Those who work at least half-time and are expected to be employed for no more than six months. Coverage begins on the first day of the seventh month following the date of employment.

(3) "Seasonal employees." Those who work at least half-time per month during a designated season for a minimum of three months but less than nine months per year and who have an understanding of continued employment season after

season. Coverage begins on the first day of the month following the date of employment. If the date of employment is the first working day of a month, coverage begins on the date of employment. However, seasonal employees are not eligible for the employer contribution during the break between seasons of employment but may be eligible to continue coverage by self-paying premiums.

(4) "Career seasonal/instructional employees" Employees who work half-time or more on an instructional year (school year) or equivalent nine-month seasonal basis. Coverage begins on the first day of the month following the date of employment. If the date of employment is the first working day of the month, coverage begins on the date of employment. These employees are eligible to receive the employer contribution for insurance during the off-season following each period of seasonal employment.

(5) "Part-time faculty." Faculty who are employed on a quarter/semester to quarter/semester basis become eligible to apply for coverage beginning with the second consecutive quarter/semester of half-time or more employment at one or more state institutions of higher education. Coverage begins on the first day of the month following the beginning of the second quarter/semester of half-time or more employment. If the first day of the second consecutive quarter/semester is the first working day of the month, coverage begins at the beginning of the second consecutive quarter/semester.

Employers of part-time faculty must:

(a) Consider spring and fall as consecutive quarters/semesters when determining eligibility; and

(b) Determine "halftime or more employment" based on each institution's definition of "full-time"; and

(c) At the beginning of each quarter/semester notify, in writing, all current and newly hired part-time faculty of their potential right to benefits under this section. The employee shall have the responsibility, each quarter, to notify the employers, in writing, of the employee's multiple employment. In no case will there be a requirement for retroactive coverage or employer contribution if a part-time faculty member fails to inform all of his/her employing institutions about employment at all institutions within the current quarter; and

(d) Where concurrent employment at more than one state higher education institution is used to determine total part-time faculty employment of half-time or more, the employing institutions will arrange to prorate the cost of the employer insurance contribution based on the employment at each institution. However, if the part-time faculty member would be eligible by virtue of employment at one institution, that institution will pay the entire cost of the employer contribution regardless of other higher education employment. In cases where the cost of the contribution is prorated between institutions, one institution will forward the entire contribution monthly to HCA; and

(e) Once enrolled, if a part-time faculty member does not work at least a total of half-time in one or more state institutions of higher education, eligibility for the employer contribution ceases.

(6) "Appointed and elected officials." Legislators are eligible to apply for coverage on the date their term begins. All other elected and full-time appointed officials of the leg-

islative and executive branches of state government are eligible to apply for coverage on the date their term begins or they take the oath of office, whichever occurs first. Coverage for legislators begins on the first day of the month following the date their term begins. If the term begins on the first working day of the month, coverage begins on the first day of their term. Coverage begins for all other elected and full-time appointed officials of the legislative and executive branches of state government on the first day of the month following the date their term begins, or the first day of the month following the date they take the oath of office, whichever occurs first. If the term begins, or oath of office is taken, on the first working day of the month, coverage begins on the date the term begins, or the oath of office is taken.

(7) "Judges." Justices of the supreme court and judges of the court of appeals and the superior courts become eligible to apply for coverage on the date they take the oath of office. Coverage begins on the first day of the month following the date their term begins, or the first day of the month following the date they take oath of office, whichever occurs first. If the term begins, or oath of office is taken, on the first working day of a month, coverage begins on the date the term begins, or the oath of office is taken.

WAC 182-12-117 Eligible retirees. (1) "Retirees and disabled employees." Eligible employees who terminate state service after becoming vested in a Washington state sponsored retirement system are eligible for retiree medical, dental and life coverages provided the person:

(a) Elects Medicare Parts A and B if the retiree, or covered dependents of a retiree, retired after July 1, 1991 and is eligible for Medicare; and

(b) Immediately begins receiving a monthly retirement income benefit from such retirement system; or

(c) If not retiring under the public employees retirement system (PERS), would have been eligible for a monthly retirement income benefit because of age and years of service had the person been employed under the provisions of PERS I or PERS II for the same period of employment; or

(d) Is an elected official as defined under WAC 182-12-115(6) who has voluntarily or involuntarily left a public office, whether or not they receive a benefit from a state retirement system; or

(e) Must have taken a lump sum retirement benefit payment because their monthly benefit would have been under fifty dollars.

Employees who are permanently and totally disabled and eligible for a deferred monthly retirement income benefit are likewise eligible, provided they apply for retiree coverage

(2001 Ed.)

before their PEBB active employee coverage ends. Persons retiring who do not have waiver of premium coverage from any PEBB life insurance plan are eligible for retiree life insurance, subject to the same qualifications as for retiree medical coverage. With the exception of the Washington State Patrol, retirees and disabled employees are not eligible for an employer premium contribution. The Federal Civil Service Retirement System shall be considered a Washington state sponsored retirement system for Washington State University cooperative extension service employees who hold a federal civil service appointment and who are covered under the PEBB program at the time of retirement or disability.

(2) Retired and disabled school district and educational service district employees. The following persons are eligible to participate in PEBB medical and dental plans only, provided they meet the enrollment criteria stated below and if eligible for Medicare, be enrolled in Medicare Parts A and B:

(a) Persons receiving a retirement allowance under chapter 41.32 or 41.40 RCW as of September 30, 1993, and who enroll in PEBB plans not later than the end of the open enrollment period established by the authority for the plan year beginning January 1, 1995;

(b) Persons who separate from employment with a school district or educational service district on or after October 1, 1993, and immediately upon separation begin to receive a retirement allowance or have taken a lump-sum payment because their benefit would be less than fifty dollars under chapter 41.32 or 41.40 RCW. Individuals in teachers' retirement system, TRS III, not receiving a monthly retirement allowance (defined benefit) must be at least age fifty-five with at least ten years of service at the time of separation. Such persons who retire on or after October 1, 1993, must elect PEBB coverage not later than the end of the open enrollment period established by the authority for the plan year beginning January 1, 1995, or sixty days following retirement whichever is later;

(c) Persons who separate from employment with a school district or educational service district due to a total and permanent disability, and are eligible to receive a deferred retirement allowance under chapter 41.32 or 41.40 RCW. Such persons must enroll in PEBB plans not later than the end of the open enrollment period established by the authority for the plan year beginning January 1, 1995, or sixty days following retirement, whichever is later.

WAC 182-12-119 Eligible dependents. "Eligible dependents." The following are eligible as dependents under the PEBB eligibility rules:

(1) Lawful spouse or "qualified domestic partner" (same sex domestic partner qualified through the declaration certificate issued by the health care authority).

(2) Dependent children through age nineteen. The term "children" includes the subscriber's natural children, step-children, legally adopted children, children for whom the subscriber has assumed a legal obligation for total or partial support of a child in anticipation of adoption of the child, children of the subscriber's qualified domestic partner, or

children specified in a court order or divorce decree. Married children who qualify as dependents of the subscriber under the Internal Revenue Code, and extended dependents approved by the HCA are included. To qualify for HCA approval, the subscriber must demonstrate legal custody for the child with a court order, and:

(a) Be living with the subscriber in a parent-child relationship;

(b) Be dependent upon the subscriber for financial support; and

(c) Not be a foster child for whom support payments are made to the subscriber through the state department of social and health services (DSHS) foster care program.

(3) Dependent children age twenty through age twenty-three who are dependent upon the employee/retiree for maintenance and support, and who are registered students in full-time attendance at an accredited secondary school, college, university, vocational school, or school of nursing. Dependent student eligibility continues year-round for those who attend three of the four school quarters or two semesters and for the quarter following graduation provided the employee/retiree is covered at the same time; the dependent limiting age has not been exceeded; and the dependent meets all other eligibility requirements.

(4) Dependent children of any age who are incapable of self-support due to developmental or physical disability, provided such condition occurs prior to age twenty or during the time the dependent was covered under a PEBB plan as a full-time student. Proof of such disability and dependency must be furnished prior to the dependent's attainment of age twenty or loss of eligibility for student coverage, and as periodically requested thereafter.

(5) Dependent parents. Dependent parents covered under a PEBB medical plan before July 1, 1990, may continue enrollment on a self-pay basis as long as:

(a) The parent maintains continuous coverage in a PEBB-sponsored medical plan;

(b) The parent continues to qualify under the Internal Revenue Code as a dependent of an eligible subscriber;

(c) The subscriber who claimed the parent as a dependent continues enrollment in a PEBB program; and

(d) The parent is not covered by any other group medical insurance. Dependent parents may be enrolled in a different PEBB plan than that selected by the eligible subscriber; however, dependent parents may not add additional family members to their coverage.

(6) Surviving dependents.

(a) The following surviving dependents may continue their medical and dental coverages on a self-pay basis:

(i) If a dependent loses eligibility under a PEBB plan due to the death of the employee, the dependent(s) may continue coverage under a retiree plan provided the dependent(s) will immediately begin receiving a monthly benefit from any state of Washington-sponsored retirement system (the Federal Civil Service Retirement System shall be considered a Washington sponsored retirement system for Washington State University cooperative extension service employees who held a federal civil service appointment and who were covered under the PEBB program at the time of death).

(ii) If a surviving dependent of a PEBB employee is not eligible for a monthly retirement income benefit, or lump-sum payment because the monthly pension payment would be less than \$50, the dependent may be eligible for continued coverage under COBRA.

(iii) Dependents of retirees enrolled in the retiree's PEBB plan or waiving coverage under a PEBB plan while eligible for an employer sponsored medical plan at the time of the retiree's death are eligible to continue PEBB retiree coverage.

(iv) Surviving spouses and/or eligible dependent children of a deceased school district or educational service district employee who were not enrolled in a PEBB plan at the time of death may continue coverage provided the employee died on or after October 1, 1993 and the dependent(s) immediately began receiving a retirement benefit allowance under chapter 41.32 or 41.40 RCW.

(b) Application for surviving dependent(s) coverage must be made in writing on the enrollment form approved by the health care authority within sixty days from the date of death of the employee or retiree. Coverage is retroactive to the date the employee or retiree coverage terminated subject to the payment of the premium. In order to avoid duplication of group medical coverage, surviving dependents may defer or waive their enrollment in the PEBB coverage each full calendar month in which they maintain coverage under an employer sponsored medical plan. Notice of intent to waive PEBB coverage must be sent in writing to the Washington state health care authority. When an employer sponsored medical plan ends, surviving dependent(s) must submit an application to enroll in a PEBB plan within sixty days of the last day of coverage under the employer sponsored medical plan. Satisfactory evidence of continuous enrollment in an employer sponsored medical plan will be required by the Washington state health care authority prior to enrollment in a PEBB plan. The employee's or retiree's spouse or qualified domestic partner may continue coverage indefinitely; other dependents may continue coverage until they lose eligibility under PEBB rules.

WAC 182-12-121 Change in eligibility status.

Employees who voluntarily move from an eligible to an otherwise noneligible position shall retain their eligibility for the employer contribution each month in which they are in pay status eight hours or more, provided, (1) the new position is one in which the employee is scheduled to work half time or more, and (2) the employee did not terminate state service before taking the new position. Layoff because of reduction in force is not considered termination of state service. Proviso (1) above does not apply to employees who are on reduction in force status.

WAC 182-12-132 Waiving or deferring coverage.

Retirees may waive PEBB medical and dental coverage for themselves and all dependents if they are covered under another comprehensive employer sponsored medical plan. (Other coverage may be attained through the retiree's reemployment or the spouse's employment.) In order to continue retiree term life coverage, coverage must be selected upon retirement and premiums must continue to be paid during reemployment status. When the retiree again ceases active employment, the retiree may enroll in PEBB medical and dental coverage with evidence of continuous coverage within sixty days of the loss of coverage. Coverage will become effective the first of the month following the date other coverage ended.

WAC 182-12-200 Retirees may change enrollment in approved PEBB health plans. A retiree, whose spouse is enrolled as an eligible employee in a PEBB or Washington state school district-sponsored health plan, may defer enrollment in PEBB retiree medical and dental plans and enroll in the spouse's PEBB or school district-sponsored health plan. If a retiree defers enrollment in a PEBB retiree medical plan, enrollment must also be deferred for dental coverage. The retiree and eligible dependents may subsequently enroll in a PEBB retiree medical, or medical and dental, plan(s) if the retiree was continuously enrolled under the spouse's PEBB or school district-sponsored health coverage from the date the retiree was initially eligible for retiree coverage:

(1) During any open enrollment period determined by the HCA; or

(2) Within 31 days of the date the spouse ceases to be enrolled in a PEBB or school district-sponsored health plan as an eligible employee; or

(3) Within 31 days of the date of the retiree's loss of eligibility as a dependent under the spouse's PEBB or school district-sponsored health plan.

WAC 182-12-215 Continued PEBB medical/dental coverage under COBRA. WAC 182-12-220 Eligibility during appeal of dismissal. Employees awaiting hearing of a dismissal action before the personnel appeals board, higher education personnel board or court may continue their PEBB coverages by self-payment of premium on the same terms as an employee who is granted leave without pay. If the hearing board or court upholds the dismissal, coverages shall terminate at the end of the month in which the board or court's decision is made. If the hearing board or court sustains the employee in the appeal and directs reinstatement of employer paid coverages retroactively, the employer must forward to the HCA the full employer contribution for the period directed by the hearing board or court. PEBB will refund to the employee any premiums the employee paid for coverages provided by the employer contribution. All optional life and long term disability insurance which was in force at the time of dismissal shall be reinstated retroactively, provided the employee makes retroactive payment of premium for any such optional coverage which was not continued by self-payment during the appeal process. If the employee chooses not to pay the retroactive premium, evidence of insurability will be required to obtain such optional coverage.

WAC 182-25-020 BHP benefits. (1) The administrator shall design and from time to time may revise BHP benefits, according to the requirements of chapter 70.47 RCW, as amended. These benefits will include physician services, prescription drugs and medications, and inpatient and outpatient hospital services, limited mental health care services, limited chemical dependency services, limited organ transplant services, and all services necessary for prenatal, postnatal and well-child care, and will emphasize proven preventive and primary care services. The Medicaid scope of benefits may be provided by BHP as the BHP plus program through coordination with DSHS for children under the age of nineteen, who are found to be Medicaid eligible. BHP benefits may include co-payments, waiting periods, limitations and exclusions which the administrator determines are appropriate and consistent with the goals and objectives of the plan. BHP benefits will be subject to a nine-month waiting period for preexisting conditions. Exceptions (for example, maternity, prescription drugs, services for a newborn or newly adopted child) are outlined in the schedule of benefits. Credit toward the waiting period will be given for any continuous period of time for which an enrollee was covered under similar health coverage if that coverage was in effect at any time during the three-month period immediately preceding the date of reservation or application for coverage under BHP. Similar coverage includes BHP; all DSHS programs administered by the medical assistance administration which have the Medicaid scope of benefits; the DSHS program for the medically indigent; Indian health services; most coverages offered by health carriers; and most self-insured health plans. A list of BHP benefits, including co-payments, waiting periods, limitations and exclusions, will be provided to the subscriber.

(2) In designing and revising BHP benefits, the administrator will consider the effects of particular benefits, co-payments, limitations and exclusions on access to necessary health care services, as well as the cost to the enrollees and to the state, and will also consider generally accepted practices of the health insurance and managed health care industries.

(3) Prior to enrolling in BHP, each applicant will be given a written description of covered benefits, including all co-payments, waiting periods, limitations and exclusions, and be advised how to access information on the services, providers, facilities, hours of operation, and other information descriptive of the managed health care system(s) available to enrollees in a given service area.

(4) BHP will mail to all subscribers written notice of any changes in the amount and scope of benefits provided under BHP, or policy changes regarding premiums and co-payments at least thirty days prior to the due date of the premium payment for the month in which such revisions are to take effect. The administrator may make available a separate schedule of benefits for children, eighteen years of age and younger, for those dependent children in the plan.

WAC 182-25-030 Eligibility. (1) To be eligible for enrollment in BHP, an individual must be a Washington state resident who is not:

(a) Eligible for free Medicare coverage or eligible to buy Medicare coverage; or

(b) Institutionalized at the time of enrollment.

(2) Persons not meeting these criteria, as evidenced by information submitted on the application for enrollment or otherwise obtained by BHP, will not be enrolled. An enrollee who is no longer a Washington resident, who becomes eligible for free or purchased Medicare, or who is later determined to have failed to meet BHP's eligibility criteria at the time of enrollment, will be disenrolled from the plan as provided in WAC 182-25-090. An enrollee who was not confined to an institution at the time of enrollment, who is subsequently confined to an institution, will not be disenrolled, provided he or she remains otherwise eligible and continues to make all premium payments when due.

(3) Eligibility for BHP Plus and maternity benefits through medical assistance is determined by DSHS, based on Medicaid eligibility criteria.

(4) For subsidized enrollment in BHP, an individual must meet the eligibility criteria in subsection (1) of this section and the definition of "subsidized enrollee" in WAC 182-25-010(38), and must pay, or have paid on his or her behalf, the monthly BHP premium.

(5) To be eligible for nonsubsidized enrollment in BHP, an individual may have any income level, must meet the eligibility criteria in subsection (1) of this section, and must pay, or have paid on their behalf, the full costs for participation in BHP, including the cost of administration, without subsidy from the HCA.

(6)(a) An individual otherwise eligible for enrollment in BHP may be denied enrollment if the administrator has determined that acceptance of additional enrollment would exceed limits established by the legislature, would jeopardize the orderly development of BHP, or would result in an overexpenditure of BHP funds. An individual otherwise eligible for enrollment in either the subsidized or nonsubsidized program may also be denied enrollment if no MHCS is accepting new enrollment in that program or from the geographic area where the applicant lives.

(b) If the administrator closes or limits subsidized enrollment, to the extent funding is available, BHP will continue to accept and process applications for enrollment from:

(i) Applicants who will pay the full premium, provided at least one MHCS is accepting new nonsubsidized enrollment from the geographic area where the applicant lives;

(ii) Children eligible for BHP Plus;

(iii) Children eligible for subsidized BHP, who were referred to DSHS for BHP Plus coverage, but were found ineligible for BHP Plus for reasons other than noncompliance;

(iv) Employees of a home care agency group enrolled or applying for coverage under WAC 182-25-060;

(v) Eligible individual home care providers;

(vi) Licensed foster care workers;

(vii) Limited enrollment of new employer groups; and

(viii) Subject to availability of funding, additional space for enrollment may be reserved for other applicants as determined by the administrator, in order to ensure continuous coverage and service for current individual and group accounts. (For example: Within established guidelines, processing routine income changes that may affect subsidy eligibility for current enrollees; adding new family members to an existing account; transferring enrollees between group and individual accounts; restoring coverage for enrollees who are otherwise eligible for continued enrollment under WAC 182-25-090 after a limited suspension of coverage due to late payment or other health care coverage; adding newly hired employees to an existing employer group; or adding new or returning members of federally recognized native American tribes to that tribe's currently approved financial sponsor group.)

(c) If the administrator has closed or limited subsidized enrollment, applicants for subsidized BHP who are not in any of the categories in (b) of this subsection may reserve space on a reservation list to be processed according to the date the reservation or application is received by BHP. When enrollment is reopened by the administrator, applicants whose names appear on the reservation list will be notified by BHP of the opportunity to enroll. BHP may require new application forms and documentation from applicants on the reservation list, or may contact applicants to verify continued interest in applying, prior to determining their eligibility.

WAC 182-25-031 Transition coverage. (1) During plan year 2000, because most MHCS are not accepting new enrollment in the nonsubsidized program, all MHCS serving subsidized enrollees will offer limited transition coverage for enrollees who lose eligibility for premium subsidy. For coverage after December 31, 1999, a subsidized enrollee who loses eligibility for premium subsidy may remain enrolled with no change in MHCS, benefits, or copayments through December 31, 2000, provided:

(a) The enrollee's subsidy change was processed after September 10, 1999;

(b) The enrollee is otherwise eligible for BHP;

(c) The enrollee continues to reside within the MHCS service area; and

(d) The enrollee pays the full cost of his or her coverage, plus a fee for HCA administrative costs.

(2) To retain coverage for plan year 2001, the enrollee will be required to select a MHCS contracting to serve nonsubsidized enrollees and will be covered according to the schedule of benefits for nonsubsidized enrollees.

WAC 182-25-040 Enrollment in the plan. (1) Any individual applying for enrollment in BHP must submit a signed, completed BHP application for enrollment. Applications for enrollment of children under the age of eighteen must be signed by the child's parent or legal guardian, who shall also be held responsible for payment of premiums due on behalf of the child. If an applicant is accepted for enrollment, the applicant's signature acknowledges the applicant's obligation to pay the monthly premium in accordance with the terms and conditions identified in the member handbook. Applications for subsidized enrollment on behalf of children under the age of nineteen shall be referred to the department of social and health services for Medicaid eligibility determination, unless the family chooses not to access this option.

(2) Each applicant shall list all eligible dependents to be enrolled and supply other information and documentation as required by BHP and, where applicable, DSHS medical assistance.

(a) Documentation will be required, showing the amount and sources of the applicant's gross family income. Documentation will include a copy of the applicant's most recently filed federal income tax form, and/or other documentation that shows year-to-date income, or income for the most recent thirty days or complete calendar month as of the date of application. An average of documented income received over a period of several months may be required for purposes of eligibility determination.

(b) Documentation of Washington state residency shall also be required, displaying the applicant's name and address. Other documentation may be accepted if the applicant does not have a physical residence.

(c) BHP may request additional information from applicants for purposes of establishing or verifying eligibility,

premium responsibility or managed health care system selection.

(d) Submission of incomplete or inaccurate information may delay or prevent an applicant's enrollment in BHP. Intentional submission of false information may result in disenrollment of the subscriber and all enrolled dependents.

(3) Each member may be enrolled in only one BHP account. Each family applying for enrollment must designate a managed health care system from which the applicant and all enrolled dependents will receive covered services. All applicants from the same family who are covered under the same account must receive covered services from the same managed health care system (with the exception of cases in which a subscriber who is paying for BHP coverage for his/her dependent who lives in a different service area). No applicant will be enrolled for whom designation of a managed health care system has not been made as part of the application for enrollment. The administrator will establish procedures for the selection of managed health care systems, which will include conditions under which an enrollee may change from one managed health care system to another. Such procedures will allow enrollees to change from one managed health care system to another during open enrollment, or otherwise upon showing of good cause for the transfer.

(4) When a managed health care system assists BHP applicants in the enrollment process, it must provide them with the toll-free number for BHP and information on all MHCS available within the applicant's county of residence and the estimated premiums for each available MHCS.

(5) If specific funding has been appropriated for that purpose, insurance brokers or agents who have met all statutory and regulatory requirements of the office of the insurance commissioner, are currently licensed through the office of the insurance commissioner, and who have completed BHP's training program, will be paid a commission for assisting eligible applicants to enroll in BHP.

(a) Individual policy commission: Subject to availability of funds, and as a pilot program, BHP will pay a one-time fee to any currently licensed insurance broker or agent who sells BHP to an eligible individual applicant if that applicant has not been a BHP member within the previous five years.

(b) Group policy commission: Subject to availability of funds, and as a pilot program, fees paid for the sale of BHP group coverage to an eligible employer will be based on the number of employees in the group for the first and second months of the group's enrollment.

(c) Insurance brokers or agents must provide the prospective applicant with the BHP toll-free information number and inform them of BHP benefits, limitations, exclusions, waiting periods, co-payments, all managed health care systems available to the applicant within his/her county of residence and the estimated premium for each of them.

(d) All statutes and regulations of the office of the insurance commissioner will apply to brokers or agents who sell BHP, except they will not be required to be appointed by the MHCS.

(e) BHP will not pay renewal commissions.

(6) Except as provided in WAC 182-25-030(6), applications for enrollment will be reviewed by BHP within thirty

days of receipt and those applicants satisfying the eligibility criteria and who have provided all required information, documentation and premium payments will be notified of their effective date of enrollment.

(7) Eligible applicants will be enrolled in BHP in the order in which their completed applications, including all required documentation, have been received by BHP, provided that:

(a) At least one MHCS is accepting new enrollment in the program for which the applicant is applying and from the geographic area where the applicant lives; and

(b) The applicant also remits full payment of the first premium bill to BHP by the due date specified by BHP.

In the event a reservation list is implemented, eligible applicants will be enrolled in accordance with WAC 182-25-030(6).

(8) An open enrollment period of at least twenty consecutive days will be held annually. During this open enrollment period, enrollees may apply to enroll additional family members or to transfer their enrollment to a different MHCS, provided the MHCS selected is accepting new enrollment for the enrollee's program in the geographic area where the enrollee lives.

(9) Not all family members are required to apply for enrollment in BHP; however, any family member for whom application for enrollment is not made at the same time that other family members apply, may not subsequently enroll as a family member until the next open enrollment period, unless the subscriber has experienced a "qualifying change in family status." "Qualifying changes in family status" include:

(a) The loss of other health care coverage, for a family member who has previously waived coverage, provided BHP receives the family member's application within thirty days of the loss of other coverage, along with proof of the family member's continuous medical coverage from the date the subscriber enrolled in BHP;

(b) Marriage or assuming custody or dependency of a child or adult dependent (other than newborn or newly adopted children), provided BHP receives the new family member's application within thirty days of the change in family status; or

(c) Addition of an eligible newborn child or a child newly placed for adoption provided BHP receives the child's application for enrollment within sixty days of the date of birth or placement for adoption. These children may be enrolled effective from the date of birth or placement for adoption.

(10) On a schedule approved by the administrator, BHP will request verification of information from all or a subset of enrollees ("recertification"), requiring new documentation of income to determine if the enrollee has had a change in income that would result in a different subsidy level. For good cause, BHP may require recertification on a more widespread or more frequent basis. Enrollees who fail to comply with a recertification request will be converted to nonsubsidized enrollment for at least one month, until new income documentation has been submitted and processed. Each enrollee is responsible for notifying BHP within thirty days of any changes which could affect the enrollee's eligi-

bility or premium responsibility. If, as a result of recertification, BHP determines that an enrollee has not reported income or income changes accurately, the enrollee will be subject to the provisions of WAC 182-25-085.

(2) With the exception of home care agencies (see WAC 182-25-060(2)), the employer must enroll at least seventy-five percent of all eligible employees within a classification of employees in the basic health plan, and the employer must not offer other health care coverage to the same classification of employees. For purposes of this section, a "classification of employees" will be defined as a subgroup of employees (for example, part-time employees, full-time employees or bargaining units). Employees who demonstrate in the application process that they have health care coverage from other sources, such as their spouse or a federal program, shall be excluded from the minimum participation calculation.

(3) BHP may require a minimum financial contribution from the employer for each enrolled employee.

(4) The employer will provide the employees the complete choice of BHP managed health care systems available within the employee's county of residence.

(5) The employer will pay all or a designated portion of the premium, as determined by the administrator, on behalf of the enrollee. It is the employer's responsibility to collect the employee's portion of the premium and remit the entire payment to BHP and to notify BHP of any changes in the employee's account.

(6) In the event that an employer group will be disenrolled, all affected employee(s) will be notified prior to the disenrollment, and will be informed of the opportunity to convert their BHP group membership to individual account(s).

(7) Employees enrolling in BHP must meet all BHP eligibility requirements as outlined in WAC 182-25-030.

WAC 182-25-060 Home care agencies. BHP will accept applications from home care agencies under contract with the department of social and health services (DSHS) for group enrollment in BHP, with premiums paid by the home care agency or DSHS or a designee, under the provisions for employer groups, WAC 182-25-050, with the following exceptions or additions:

(1) To qualify for premium reimbursement through DSHS, home care agencies who enroll under the provisions of this section must be under current contract with DSHS as a home care agency, as defined by DSHS.

(2) Home care agencies need not enroll at least seventy-five percent of all eligible employees in the basic health plan, and home care agencies may offer other coverage to the same classification of employees.

(3) Home care agencies need not make a minimum financial contribution for each enrolled employee.

(4) Home care agencies are not subject to WAC 182-25-050(5).

(5) Individual home care providers may enroll in BHP as individuals.

WAC 182-25-070 Financial sponsors. (1) A third party may, with the approval of the administrator, become a financial sponsor to BHP enrollees. Financial sponsors may not be a state agency or a managed health care system.

(2) BHP may require a minimum financial contribution from financial sponsors who are paid to deliver BHP services. Sponsors who meet the following criteria will be exempt from the minimum contribution:

(a) Organizations that are not paid to perform any function related to the delivery of BHP services, and do not receive contributions from other organizations paid to deliver BHP services;

(b) Charitable, fraternal or government organizations (other than state agencies) that are not paid to perform any function related to the delivery of BHP services, who receive contributions from other individuals or organizations who may be paid to deliver BHP services, if the organization can demonstrate all of the following:

(i) Organizational autonomy (the organization's governance is separate and distinct from any organization that is paid to deliver BHP services);

(ii) Financial autonomy and control over the funds contributed (contributors relinquish control of the donated funds);

(iii) Sponsored enrollees are selected by the sponsoring organization from all persons within the geographic boundaries established by the sponsor organization who meet the selection criteria agreed upon by the sponsor organization and the HCA; and

(iv) There is no direct financial gain to the sponsoring entity.

(c) Charitable, fraternal, or government organizations (other than state agencies) that are paid to perform a health care function related to the delivery of BHP services, if the organization can demonstrate all of the following:

(i) The organization's primary purpose is not the provision of health care or health care insurance, including activities as a third-party administrator or holding company;

(ii) There is organizational and financial autonomy (the organization's governance and funding of sponsored enrollees is separate and distinct from the function that is paid to deliver BHP services);

(iii) The selection of sponsored enrollees is made by the organization separate and distinct from the function that is paid to deliver BHP services, and sponsored enrollees are selected from all eligible persons who meet the selection criteria agreed upon by the sponsor organization and the HCA,

who live within the geographic boundaries established by the sponsor organization; and

(iv) There is no direct financial gain to the sponsoring entity.

(3) The financial sponsor will establish eligibility for participation in that particular financial sponsor group; however, sponsored enrollees must meet all BHP eligibility requirements as outlined in WAC 182-25-030.

(4) The financial sponsor will pay all or a designated portion of the premium on behalf of the sponsored enrollee. It is the financial sponsor's responsibility to collect the enrollee's portion of the premium, if any, and remit the entire payment to BHP and to notify BHP of any changes in the sponsored enrollee's account.

(5) A financial sponsor must inform sponsored enrollees and BHP of the minimum time period for which they will act as sponsor. At least sixty days before the end of that time period, it is the responsibility of the financial sponsor to notify sponsored enrollees and BHP if the sponsorship will or will not be extended.

(6) A financial sponsor must not discriminate for or against potential group members based on health status, race, color, creed, political beliefs, national origin, religion, age, sex or disability.

(7) A financial sponsor must disclose to the sponsored enrollee all the managed health care systems within the enrollee's county of residence, the estimated premiums for each of them, and the BHP toll-free information number.

(8) BHP may periodically conduct a review of the financial sponsor group members to verify the eligibility of all enrollees.

[Statutory Authority: RCW 70.47.050. 98-07-002, § 182-25-070, filed 3/5/98, effective 4/5/98; 96-15-024, § 182-25-070, filed 7/9/96, effective 8/9/96.]

WAC 182-25-080 Premiums and co-payments. (1)

Subscribers or their employer or financial sponsor shall be responsible for paying the full monthly premium to BHP, on behalf of the subscriber and all enrolled dependents, according to the most current premium schedule. A third party may, with the approval of the administrator, become a financial sponsor and pay all or a designated portion of the premium on behalf of a subscriber and dependents, if any.

(2) The amount of premium due from or on behalf of a subscriber will be based upon the subscriber's gross family income, the managed health care system selected by the subscriber, rates payable to managed health care systems, and the number and ages of individuals in the subscriber's family.

(3) Once BHP has determined that an applicant and his/her dependents (if any) are eligible for enrollment, the applicant or employer or financial sponsor will be informed of the amount of the first month's premium for the applicant and his/her enrolled dependents. New enrollees will not be eligible to receive covered services on the effective date of enrollment specified by BHP unless the premium has been paid. Thereafter, BHP will bill each subscriber or employer or financial sponsor monthly.

(4) Full payment for premiums due must be received by BHP by the date specified on the bill. If BHP does not receive full payment of a premium by the date specified on

the bill, BHP shall issue a notice of delinquency to the subscriber, at the subscriber's last address on file with BHP or, in the case of group or financial sponsor coverage, to the employer or financial sponsor. If full payment is not received by the date specified in the delinquency notice, the subscriber and enrolled family members will be suspended from coverage for one month. If payment is not received by the due date on the notice of suspension, the subscriber and enrolled family members will be disenrolled effective the date of the initial suspension. If an enrollee's coverage is suspended more than two times in a twelve-month period, the enrollee will be disenrolled for nonpayment under the provisions of WAC 182-25-090(2). Partial payment of premiums due or payment by check which is returned due to insufficient funds will be regarded as nonpayment.

(5) Enrollees shall be responsible for paying any required co-payment directly to the provider of a covered service at the time of service or directly to the MHCS. Repeated failure to pay co-payments in full on a timely basis may result in disenrollment, as provided in WAC 182-25-090(2).

[Statutory Authority: RCW 70.47.050. 98-07-002, § 182-25-080, filed 3/5/98, effective 4/5/98; 96-15-024, § 182-25-080, filed 7/9/96, effective 8/9/96.]

WAC 182-25-085 Enrollees' failure to report correct income. (1) If the HCA determines that the enrollee has received a subsidy overpayment due to failure to report income correctly, the HCA may:

(a) Bill the enrollee for the amount of subsidy overpaid by the state; or

(b) Impose civil penalties of up to two hundred percent of the subsidy overpayment.

(2) Any HCA determination under subsection (1) of this section is subject to the enrollee appeal provisions in WAC 182-25-105.

(3) When a decision under subsection (1)(a) of this section is final, the HCA may establish a payment schedule and collect the amount owed through future premium statements. The payment schedule will be for a period of no more than six months, unless the HCA approves an alternative payment schedule requested by the enrollee. When a payment schedule is established, the HCA will send the enrollee advance written notice of the schedule and the total amount due. The total amount due each month will include the regular monthly premium plus charges for subsidy overpayment. If an enrollee does not pay the amount due, including charges for subsidy overpayment, the enrollee and all family members enrolled on the account will be disenrolled for nonpayment under WAC 182-25-090 (2)(b).

(4) When a decision under subsection (1)(b) of this section becomes final, the HCA will send the enrollee notice that payment of the civil penalty is due within thirty days after the decision becomes final, unless the HCA approves a different due date at the enrollee's request. If the enrollee does not pay the civil penalty by the due date, the enrollee and all family members on the account will be disenrolled for nonpayment under WAC 182-25-090 (2)(c).

(5) Individuals who are disenrolled from BHP may not reenroll until charges for subsidy overpayments or civil pen-

alties imposed under subsection (1) of this section have been paid or the HCA has approved a payment schedule.

(6) The HCA will take all necessary and appropriate administrative and legal actions to collect the unpaid amount of any subsidy overpayment or civil penalty.

(7) Enrollees under employer group or financial sponsor group coverage who do not follow the income reporting procedures established by BHP and their employer or financial sponsor may be billed directly by the HCA for subsidy overpayments or civil penalties assessed under subsection (1) of this section. Enrollees who do not pay the amount due will be disenrolled under WAC 182-25-090 (2)(b) or (c). Enrollees who are disenrolled for nonpayment of a subsidy overpayment or civil penalties will be excluded from the minimum participation calculation for employer groups under WAC 182-25-050(2).

[Statutory Authority: RCW 70.47.050, 70.47.060 and 70.47.090. 99-12-033 (Order 99-01), § 182-25-085, filed 5/26/99, effective 6/26/99.]

WAC 182-25-090 Disenrollment from BHP. (1) An enrollee or employer group may disenroll effective the first day of any month by giving BHP at least ten days prior written notice of the intention to disenroll.

(2) BHP may disenroll any enrollee or group from BHP for good cause, which includes:

(a) Failure to meet the eligibility requirements set forth in WAC 182-25-030, 182-25-050, 182-25-060, and 182-25-070;

(b) Nonpayment of premium under the provisions of subsection (5) of this section;

(c) Nonpayment of civil penalties assessed under WAC 182-25-085;

(d) When the enrollee's MHCS will no longer be available to him or her and no other MHCS in the area where the enrollee lives is accepting new enrollment in the enrollee's program;

(e) Repeated failure to pay co-payments in full on a timely basis;

(f) Fraud, failure to provide requested verification of eligibility, or knowingly providing false information;

(g) Abuse or intentional misconduct;

(h) Danger or threat to the safety or property of the MHCS or the health care authority or their staff, providers, patients or visitors; and

(i) Refusal to accept or follow procedures or treatment determined by a MHCS to be essential to the health of the enrollee, when the MHCS has advised the enrollee and demonstrated to the satisfaction of BHP that no professionally acceptable alternative form of treatment is available from the MHCS.

In addition to being disenrolled, any enrollee who knowingly provides false information to BHP or to a participating managed health care system may be held financially responsible for any covered services fraudulently obtained through BHP.

(3) At least ten days prior to the effective date of disenrollment under subsection (2) of this section, BHP will send enrollees written notice of disenrollment.

(a) The notice of disenrollment will:

(i) State the reason for the disenrollment;

(ii) State the effective date of the disenrollment;

(iii) Describe the procedures for disenrollment; and

(iv) Inform the enrollee of his or her right to appeal the disenrollment decision as set forth in WAC 182-25-100 and 182-25-105.

(b) The notice of disenrollment will be sent to both the employer or sponsor and to all members of an employer group, home care agency group or financial sponsor group that is disenrolled under these provisions. Enrollees affected by the disenrollment of a group account will be offered coverage under individual accounts. Coverage under individual accounts will not begin unless the premium for individual coverage is paid by the due date for the coverage month. A one-month break in coverage may occur for enrollees who choose to transfer to individual accounts.

(4) Enrollees covered under BHP Plus or receiving maternity benefits through medical assistance will not be disenrolled from those programs when other family members lose BHP coverage, as long as they are still eligible for those programs.

(5) Under the provisions of this subsection, BHP will suspend or disenroll enrollees and groups who do not pay their premiums when due, including amounts owed for subsidy overpayment. Partial payment or payment by check which cannot be processed or is returned due to nonsufficient funds will be regarded as nonpayment.

(a) At least ten days before coverage will lapse, BHP will send a delinquency notice to each subscriber whose premium payment has not been received by the due date. The delinquency notice will include a delinquency due date and a notice that BHP coverage will lapse unless payment is received by the delinquency due date.

(b) Except as provided in (c) of this subsection, coverage will be suspended for one month if an enrollee's premium payment is not received by the delinquency due date. BHP will send written notice of suspension to the subscriber, stating:

(i) The effective date of the suspension;

(ii) The due date by which payment must be received to restore coverage after the one-month suspension;

(iii) The subscriber and any enrolled dependents will be disenrolled if payment is not received by the final due date; and

(iv) The enrollee's right to appeal under WAC 182-25-105.

(c) Enrollees whose premium payment has not been received by the delinquency due date, and who have been suspended twice within the previous twelve months will be disenrolled for nonpayment as of the effective date of the third suspension.

(d) Enrollees who are suspended and do not pay the premium for the next coverage month by the due date on the notice of suspension will be immediately disenrolled and issued a notice of disenrollment as provided in subsection (3)(a) of this section.

(6)(a) Enrollees who voluntarily disenroll or are disenrolled from BHP may not reenroll for a period of twelve months from the date their coverage ended. An exception to this provision will be made for:

(i) Enrollees who left BHP for other health insurance, who are able to provide proof of continuous coverage from the date of disenrollment, and who apply to reenroll in BHP within thirty days of losing the other coverage;

(ii) Enrollees who left BHP because they lost eligibility and who subsequently become eligible to reenroll; and

(iii) Persons enrolling in subsidized BHP, who had enrolled and subsequently disenrolled from nonsubsidized BHP under subsection (1) or (2)(b) of this section while waiting on a reservation list for subsidized coverage.

(iv) Enrollees who were disenrolled by BHP because no MHCS was contracted to serve the program in which they were enrolled in the geographic area where they live; these enrollees may reenroll if a MHCS begins accepting enrollment for their program in their area or if they become eligible and apply for another BHP program.

(b) An enrollee who is required to wait twelve months for reenrollment under (a) of this subsection and who has been waiting on a reservation list for subsidized BHP may not reenroll prior to the end of the required twelve-month wait. If the enrollee satisfies the required twelve-month wait for reenrollment while on the reservation list, enrollment will not be completed until funding is available to enroll him or her from the reservation list.

WAC 182-25-100 Where to find instructions for filing an appeal. (1) WAC 182-25-105 and 182-25-110 cover appeals submitted by or on behalf of **basic health plan** enrollees or applicants. To appeal a decision regarding a child enrolled in **BHP plus** or a woman receiving **maternity benefits through medical assistance**, subscribers must contact the Washington state department of social and health services (DSHS) to request a fair hearing under chapters 388-08 and 388-526 WAC.

(2) WAC 182-25-105 covers appeals of decisions made by the health care authority, such as decisions regarding basic health plan eligibility, premium, premium adjustments or penalties, enrollment, suspension, disenrollment, or a member's selection of managed health care system (MHCS). Decisions which affect an entire group (for example, the disenrollment of an employer group) should be appealed for the entire group by the employer, home care agency, or financial sponsor, using these same rules.

(3) WAC 182-25-110 covers appeals of decisions made by the enrollee's managed health care system (MHCS), such as decisions regarding coverage disputes or benefits interpretation. The term MHCS, which is defined in WAC 182-25-010(22), refers to the health plan or carrier that provides BHP coverage.

WAC 182-25-105 How to appeal health care authority decisions. (1) Under this section, enrollees or applicants may file appeals of health care authority decisions regarding eligibility, premiums, premium adjustments or penalties, enrollment, suspension, disenrollment, or a member's selection of managed health care system (MHCS).

(2) To appeal a health care authority (HCA) decision, enrollees or applicants must send a letter of appeal to the HCA appeals committee. The letter of appeal must be signed by the appealing party and received by the HCA within thirty calendar days of the date of the decision. The letter of appeal must include:

(a) The name, mailing address, and BHP account number of the subscriber or applicant;

(b) The name and address of the enrollee or applicant affected by the decision, if that person is not the subscriber on the account;

(c) A copy of the HCA notice of the decision that is being appealed or, if the notice is not available, a statement of the decision being appealed; and

(d) A statement explaining why the appealing party believes the decision was incorrect, outlining the facts surrounding the decision and including supporting documentation.

(3) Upon receiving the letter of appeal, the HCA will send notification to the appealing party, confirming that the appeal has been received and indicating when a decision can be expected.

(4) The HCA will conduct appeals according to RCW 34.05.485. The HCA appeals committee or a hearings officer designated by the HCA will review and decide the appeal based on submitted documents unless the HCA and the appealing party agree to hold a hearing in person or by telephone.

(5) The HCA will send the appealing party written notification of the appeals committee's or hearings officer's initial decision within sixty days of receiving the letter of appeal. The notification will include the reasons for their initial decision, and instructions on further appeal rights.

(6) The initial decision of the appeals committee or hearings officer becomes the final decision unless the HCA receives a request for a review hearing from the appealing party within thirty days of the date of the decision. The appealing party may request review of the initial decision either verbally or in writing. The person requesting review must reference the initial decision and provide any additional written information that the appealing party would like considered in the review.

(a) If the appealing party requests a review of the appeals committee's or hearings officer's initial decision regarding a disenrollment, the office of administrative hearings will review the decision through a hearing conducted under chapter 34.12 RCW and RCW 34.05.488 through 34.05.494.

(b) If the appealing party requests a review of any decision of the appeals committee or hearings officer other than a disenrollment decision, a hearings officer designated by the HCA will review the decision through a hearing conducted under RCW 34.05.488 through 34.05.494.

(7) In a review under subsection (6)(a) or (b) of this section:

(a) The hearings officer will review and decide the appeal based on submitted documents unless the HCA and the appealing party agree to hold a hearing in person or by telephone.

(b) The review officer will make any inquiries necessary to determine whether the proceeding must become a formal adjudicative proceeding under the provisions of chapter 34.05 RCW.

(8) If an enrollee submits a timely appeal of a disenrollment decision that was based on eligibility issues and not related to premium payments, the enrollee will remain enrolled during the appeal process, provided the enrollee:

(a) Otherwise remains eligible;

(b) Continues to make all premium payments when due; and

(c) Has not demonstrated a danger or threat to the safety or property of the MHCS or health care authority or their staff, providers, patients or visitors.

(9) An enrollee who has appealed a disenrollment decision related to nonpayment of premium or any issue other than eligibility will remain disenrolled during the appeal process.

(10) If the appealing party disagrees with a review decision under subsection (6) of this section, the appealing party may request judicial review of the decision, as provided for in RCW 34.05.542. Request for judicial review must be filed with the court within thirty days of service of the final agency decision.

WAC 182-25-110 How to appeal a managed health care system (MHCS) decision. (1) Enrollees who are appealing a MHCS decision, including decisions related to coverage disputes, denial of claims, or benefits interpretation, must first appeal the decision through their MHCS's grievance/appeals process. Under this section, the HCA may review MHCS decisions that have been the subject of a MHCS grievance/appeal process.

(2) Each MHCS must maintain a grievance/appeals process for enrollees and must provide enrollees with instructions for filing a grievance or appeal. This grievance/appeals process must comply with HCA contract requirements for timeliness in responding to complaints, including procedures for an expedited review if the enrollee is urgently in need of medical care. In addition, the MHCS grievance/appeal process must include review of MHCS decisions by:

(a) MHCS personnel who have the authority to require corrective action; and

(b) Appropriate medical personnel, if the appeal includes complaints regarding quality of care or access to urgently needed services.

(3) An enrollee who has appealed a MHCS decision may ask the HCA to initiate informal dispute resolution in either of the following circumstances:

(a) The appeal has not been resolved within the timelines established by the MHCS grievance/appeal process or agreed to by the MHCS and the appealing party; or

(b) The enrollee has not received a response from the MHCS within thirty days of initiating the appeal. The response from the MHCS may be a decision or, if a delay of the appeal decision is necessary, it may be notification of a delay. If the decision has been delayed, the notice must include the reason for the delay and the date the enrollee can expect a decision from the MHCS. The HCA has the authority to determine if the delay is reasonable.

(i) If the HCA determines the delay to be unreasonable, the HCA will initiate informal dispute resolution.

(ii) If the HCA determines the delay to be reasonable, the HCA will not initiate informal dispute resolution unless the MHCS fails to issue a decision by the date indicated in the delay notice.

(4) Enrollees requesting informal dispute resolution must submit a written request to the HCA, which includes:

(a) The name, mailing address, and BHP account number of the subscriber;

(b) The name and address of the enrollee affected by the decision, if that person is not the subscriber on the account;

(c) A statement of the dispute and efforts to resolve it; and

(d) A statement, with facts and documentation, in support of the appealing party's opinion.

(5) When the HCA receives the request for informal dispute resolution, the HCA will notify the MHCS and will attempt to resolve the dispute. The HCA will notify the enrollee of the outcome of the informal dispute resolution or of the reason for a delay, within thirty days of receiving the request. If the issue has not been resolved to the satisfaction of the enrollee, the appealing party may ask the HCA appeals committee to review the MHCS decision. The request may be written or oral and must be received within thirty days of the date the HCA notifies the appealing party of the outcome of the informal dispute resolution. The appealing party may submit additional documentation with the request.

(6) Enrollees may appeal a final MHCS decision by sending a letter of appeal to the HCA appeals committee, asking for review of the final MHCS decision. The letter of appeal must be signed by the appealing party and received by the HCA within thirty days of the date of the final MHCS decision, and must include the information listed in subsection (4) of this section.

(7) The HCA will follow the procedures in WAC 182-25-105 (3) through (7) when conducting reviews of MHCS decisions. The MHCS must be given the opportunity to submit written comments or participate in any proceeding before the appeals committee or in any subsequent administrative review.
