WAC 253-16-060 Priorities regarding applicant funding. The authority will process higher educational facility applications for assistance in the order of their date of receipt. The date of receipt shall be the date the higher education facility application is received by the authority at its office.

The authority reserves the right to change priorities and scheduling when the authority determines that a "first come, first served" priority scheduling is detrimental to the sale of another higher educational facility's bond issue or when conditions of health and safety or public benefit require a different priority.

WAC 253-16-070 Authority action on applications. (1) The authority shall meet to review and consider the staff analysis and recommendations and the application.

(2) The authority may approve an application and adopt a resolution authorizing the issuance of bonds for the requested financing where it determines:

(a) It is necessary or advisable for the benefit of the higher education system for the authority to provide financing for the proposed project;

(b) The applicant can reasonably be expected to achieve successful completion of the higher education facilities to be financed by the authority;

(c) The proposed project and the issuance of bonds by the authority for such project are economically feasible and can be undertaken on terms economically satisfactory to the authority;

The applicant shall be notified in writing of such conditions or requirements, which may include, but need not be limited to, the amendment of an application or proposed bond resolution in order to meet the availability of funds, changes in costs, or other purposes or circumstances which may enhance the ability of the authority or the applicant to complete the project or better serve the purposes and policies of the act. Upon the satisfaction of such additional conditions or requirements, the application shall be deemed approved pursuant to subsection (2) of this section.

(4) The authority may also deny an application; in such event, it shall notify the applicant of such action, specifying in writing the reasons for its denial.

WAC 253-16-090 Selection of investment banking firms as underwriters. (1) The authority shall create and maintain a roster of underwriters who the authority believes possess the requisite special expertise and professional standing to provide bond marketing services which would be accepted by bondholders and other members of the financial community, and which would be in furtherance of the public interest in marketing the authority's bonds at the lowest possible costs in Washington state as well as nationally.

[Statutory Authority: RCW 28B.07.040. 84-24-012 (Order 3), § 253-16-060, filed 11/27/84.]
(2) Any underwriter may apply to have its name placed on the roster. Each underwriter placed on the roster must be able to demonstrate current competence and experience in the structuring and sale of higher educational facility bond financing. In addition, the underwriter must meet the following minimum standards:

(a) The firm must have a minimum equity capital of five million dollars; and

(b) The firm must currently possess the competence and ability to underwrite a higher education facility bond issue by demonstrating, among other things, that the firm or its key underwriting personnel have either managed or comanaged two higher educational facility bond issues within the last three calendar years; or

(c) The firm has served as a credit facility for a higher education facility within the past three years; or

(d) The firm meets other criteria as the authority may adopt from time to time which establish a firm's ability to prepare for issuance, underwrite, and market bonds to be issued by the authority.

(3)(a) Whenever the authority decides that it needs the services of an underwriter, it shall provide all underwriters on the roster with a notice of its intentions and shall invite each of them to submit to the authority an itemization of its fees and other charges for providing underwriting services on the issue. The authority shall have wide discretion in selecting the underwriter it considers to be most appropriate to provide the services, but in the exercise of discretion the authority shall consider the underwriter's fees and other charges and the public interest in achieving issuance of bonds on terms most favorable to the authority.

(b) The applicant may, at its option, exercise the notice and selection procedures regarding underwriters set forth in (a) of this subsection. In such circumstances the applicant shall supply the authority with written verification that it has complied with the provisions of (a) of this subsection and the applicant shall obtain the authority's prior approval of the actual selection of the underwriter.

(4)(a) To provide balanced management knowledge and sale distribution and to assure the most realistic bond terms and interest, the authority reserves the right to name investment banking firms as comanagers of any authority bond issue(s) in the same manner that a senior manager is selected.

(5) For private placements, the applicants may select a firm as placement agent for its proposed financing, subject to review and approval by the authority. In every instance, the placement agent selected must be able to demonstrate a familiarity with, and competence and experience in, the structuring and sale of higher education facility bonds. The applicant shall notify the authority in writing of its proposed placement agent selection fifteen days prior to the date it intends to enter into a formal contractual agreement. The authority will notify the applicant of its acceptance or rejection of the applicant's placement agent selection no later than ten days after receipt of the applicant's notification. If rejected, the authority will set forth the reasons for rejection, and the applicant will then propose another placement agent subject to authority approval in the same manner. The authority shall, in its discretion, make the final determination whether an issue is a private placement.

WAC 253-16-100 Selection of bond counsel. The authority will establish a roster of bond counsel whom the authority believes possess the requisite special expertise and professional standing to provide bond counsel opinions which would be accepted by the underwriters, bond holders, rating agencies and other members of the financial community, and which would be in furtherance of the public interest in obtaining the lowest possible interest rates on bonds issued by the authority.

Law firms or attorneys may submit to the authority at any time the request to be included on the roster of approved bond counsel.

At least once every two calendar years, the authority shall select anew an attorney or attorneys to serve as bond counsel. However, the authority may retain an attorney for longer than two years when necessary to complete work on a particular bond issue. An attorney previously selected may be selected again, but the authority will provide other attorneys or bond counsel on the roster with an opportunity to be selected prior to this action being taken. The authority also reserves the right to appoint bond counsel with respect to only a particular bond issue or issues.
