WAC 335-06-070 Fees. No fee shall be charged for the inspection of public records. For printed, typed, and written material of a maximum size of 8 1/2' by 14', the office shall charge a reasonable fee, determined from time to time by the board, for providing copies of public records and for use of the office's copy equipment, payable at the time copies are furnished. This charge is the amount necessary to reimburse the office for its actual costs incident to such copying and shall not exceed 20 cents per copy. For copies from microfilm, the charge shall not exceed 40 cents per copy. Copies of maps, photos, reports, and other nonstandard items shall be furnished at the regular price established by the board. When other special copy work for nonstandard items is requested, the fee charged will reflect the actual costs incident to such copying.

WAC 335-06-080 Statement of reason for denial of public records request. When the office refuses, in whole or in part, a written request for inspection of any public record, it shall include a statement of the specific exemption authorizing the refusal and a brief explanation of how the exemption applies to the record withheld.

WAC 335-06-090 Reviews of denial of public records request. Upon denial of a request for inspection of a public record, in whole or in part, the public records officer or other staff member denying the request shall refer the denial to the program director or his designee for review. The program director or designee shall immediately review the denial and either affirm or reverse the denial. Such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action for the purposes of review. The final decision shall be sent to the person requesting inspection promptly following the decision.

WAC 335-06-100 Protection of public records. In order to adequately protect the public records of the board, the following guidelines shall be adhered to by any person inspecting such public records:

   (3) No public records may be marked or defaced in any manner during inspection.
   (4) Public records, which are maintained in a file or jacket, or chronological order, may not be dismantled except for purposes of copying and then only by the public records officer or designee.
   (5) Access to file cabinets, shelves, vaults, and other storage areas is restricted to office personnel, unless other arrangements are made with the public records officer or designee.
