(5) **Obstructions.** When the ten second signal is given by the timekeeper, all items shall be promptly cleared from the ring and no items shall be left on the ring platform at the time the bell sounds to start the round.

WAC 36-12-110 Referee. (1) The chief official of boxing events shall be the referee, who shall have general supervision over bouts and take his or her place in the ring prior to

each contest. The referee shall maintain the safety and welfare of the contestants foremost at all times.

(2) The referee shall, before starting a contest, ascertain from each contestant the name of his or her chief second, and shall hold said chief second responsible for the conduct of his or her assistant seconds during the progress of the contest.

(3) The referee shall call contestants together before each bout for final instructions, at which time each contestant shall be accompanied by his or her chief second only. The contestants, after receiving instructions, shall touch gloves and retire to their corners. The contestants shall not intentionally touch gloves at the beginning of a round again until the beginning of the final scheduled round.

(4) No person other than the contestants and the referee may enter the ring during the progress of a round except at the direction or request of a referee.

(5) The referee, in lieu of the inspector or designated representative, may inspect the bandages and the gloves and make sure that no foreign substances have been applied to either the gloves or any part of a boxer's head or body to the detriment of an opponent.

(6) Referees shall wear dark trousers, light blue shirt and bow tie or uniforms subject to approval of the department.

(7) All referees must take an annual physical and eye examination similar to that given to all applicants for a boxers' license. The results of the examination shall be provided to the department. Referees shall be examined, during the day a contest is to be held, by the department physician for the purpose of determining his or her suitability for officiating in the contest. If such examination indicates the referee is unfit to perform his or her duties during the contest, such fact should be immediately reported by the examining physician to the inspector, who shall take appropriate action to replace such referee.

WAC 36-12-120 Powers of referee—Penalties for fouls, butts. (1) Referees shall have power to stop a contest any time they think it is too one-sided, or if either contestant is in such condition that to continue might subject them to serious injury. In the event a referee stops a contest pursuant to this subsection, the referee is authorized to render a decision.

(2) In cases where a boxer receives any injury or cut which the referee reasonably believes shall incapacitate the boxer, the referee shall call into the ring the department physician to examine the boxer. The physician shall provide the referee with an opinion as to the seriousness of the trauma.

(3) The referee shall stop a contest if, in the referee's judgment, either or both contestants are intentionally delaying or not putting forth the full effort of which the contestants are capable. The referee shall also stop a contest if there is collusion affecting the result, in which case the referee shall recommend to the department that the purse or purses of the offending boxer or boxers be forfeited.

(4) The referee shall penalize any contestant who fouls an opponent during a contest, by charging such contestant

with the loss of points, whether such foul or fouls be intentional or unintentional. The referee shall use reasonable judgment in determining the number of points chargeable against the contestant in each instance. At the time of the infraction the referee shall notify the judges of the number of points to be deducted in accordance with the referee's determination. Judges shall not deduct points without first receiving instruction from the referee.

(5) Persistent unintended fouling by a contestant requiring cautioning by the referee shall be noted by the referee on the referee's report.

(6) An unintentional low-blow foul shall not, except as otherwise provided, be the basis for a referee to declare a contestant a winner or a loser of a contest. However, if the referee has already warned such contestant for two previous fouls, the unintentional low-blow foul would be a third foul and, accordingly, could be grounds for disqualification.

(7) If the referee determines a boxing contestant to have intentionally committed a foul, the referee may stop the contest, award the contest to the contestant who has been fouled, and shall notify the department.

(8) Except as provided in subsections (5), (6), (9), and (10) of this section, a single unintentional foul shall not be the basis of awarding a contest to the fouled contestant. If an unintentional foul renders a contestant unable to continue, the contest shall be terminated and no decision shall be rendered.

(9) If an accidental butt to the head occurs during any bout, the referee shall immediately warn the guilty boxer and may penalize the contestant by a deduction in points for the round. If the referee deducts points for a butt to the head, it shall be treated as a foul under subsection (4) of this section.

(10) If a contestant is accidentally butted in a bout and cannot continue, the referee shall:

(a) Call the bout a draw if the injured contestant is behind in points, or

(b) Declare the injured contestant the winner on a technical decision if he or she has a lead in points. When the judges scorecards are used, the majority shall prevail in determining the decision. If all three score cards differ the contest shall be declared a technical draw.

(c) If any accidental butt to the head occurs during the first three rounds of any contest and renders a contestant unable to continue the referee shall declare the contest terminated and shall not award the contest to either contestant.

The provisions of (a) and (b) of this subsection do not apply in world championship matches.

(11) The referee shall use reasonable discretion in deciding any matters that may come up during a contest and are not covered by these rules.

WAC 36-12-130 Duties of referee—Injuries, knock-downs, falls. (1) In case of a knockdown the referee shall require the fallen contestant to take a count of eight. The referee may compel a hurt contestant to take an eight count at any time. In the case of a cut in the area around the eye or serious laceration the referee shall consult with the ringside

physician. Such consultation may occur at any time. If it occurs during a round, the referee may interrupt the contest and direct the timekeeper to cease keeping time toward completion of the round while the physician examines the contestant and renders a decision on termination of the contest. The termination of a contest by the examining physician is final and may not be overruled by any official or the department.

(2) A contestant who goes down without being struck other than one who is attempting to rise following a knock-out, and stays down, shall be disqualified and the referee may render the decision to his or her opponent. The referee shall recommend to the department that the purse of the offending boxer be forfeited and paid to the department.

(3) A contestant who:

(a) Leaves the ring during the one minute period between rounds and fails to be in the ring when the bell rings the signal to resume boxing;

(b) Fails to continue the contest at the beginning of a round shall immediately be placed on a count by the referee. Unless the contestant returns to the contest at the end of ten seconds the referee shall award the contest to the other contestant.

(4) Should a contestant who is knocked down arise before the count of ten is reached, and go down again immediately without being struck, the referee shall resume the count where the count was when it was interrupted by the rising of the contestant.

(5) If the referee determines during the rest period in a contest that a contestant is unable to continue, or if a contestant's chief second informs the referee during the rest period that the contestant is unable to continue, and the referee concurs therein, the referee shall terminate the contest and indicate on the referee's report that the opponent of the incapacitated contestant is the winner of the contest on a technical knockout as of the round which has last been finished.

(6) When a contestant resumes boxing after having been knocked down or fallen or slipped to the floor, the referee shall wipe all foreign material from the boxer's gloves.

[Statutory Authority: Chapter 67.08 RCW. 97-01-035, § 36-12-130, filed 12/10/96, effective 1/10/97; 91-11-038, § 36-12-130, filed 5/10/91, effective 6/10/91; Rule .04.130, filed 9/22/60, 3/17/60.]

WAC 36-12-140 Method of counting over a boxer who is down. (1) When a contestant is knocked down the referee shall order the opponent to retire to the farthest neutral corner of the ring, pointing to the corner, while simultaneously beginning the count over the contestant who is down. The referee is the sole judge as to whether there has been a knockdown.

(2) The referee shall audibly announce the passing of each second, accompanying the count with a visible arm motion, the downward motion indicating the end of each second.

(3) Any contestant who is knocked down shall not be allowed to resume boxing until after the referee has finished the count of eight. The contestant may, but is not required to, rise before the referee has reached the count of eight.

(4) The timekeeper shall:

(2001 Ed.)

(a) Stand up and strike the edge of the platform with a hammer or other equipment approved by the department, at the end of each second; or

(b) By other effective signaling method, give the referee the correct one-second intervals for the purpose of maintaining the proper count of the passing seconds.

(5) Should the standing contestant leave the farthest neutral corner to which he or she has been directed by the referee, the referee shall interrupt the count. The count shall not be resumed until the contestant returns to the neutral corner to which he or she was directed by the referee. When the contestant returns to the appropriate corner, the referee shall resume the count from the point at which it was interrupted.

(6) When the referee determines a contestant has been knocked down primarily as a result of a blow, the referee shall require the contestant to be subjected to a count of eight before the contestant may resume the contest, regardless of whether the contestant rises from the ring floor prior to the count of eight being reached. This rule will prevent a boxer being struck while proper reflexes are absent and will also aid the referee in judging the condition of the boxer. If the contestant does not arise before the count of eight is reached, the referee must determine whether the contestant's reflexes and condition renders it appropriate to continue the contest.

(7) If the referee deems it appropriate, he or she may defer resumption of a contest to determine whether a contestant who was knocked down and arises before a count of eight is reached is in fit condition to continue. If so assured the referee shall, without loss of time, order both boxers to go on with the contest. During such intervention by the referee the striking of a blow by either boxer may be ruled a foul.

(8) If the contestant taking the count is still down when the referee calls the count of ten the referee shall wave both arms to indicate the contestant has been knocked out, and shall raise the hand of the opponent as winner. The referee's count is the official count. Upon the opinion and decision of both the physician and referee on any knockout, bad or continuous beating, a boxer will be suspended until such time as he takes a complete physical examination and is reinstated by such report from the department physician. This report will not include the blood test for communicable diseases, which is taken once a year.

(9) In all contests where a contestant has been knocked down a total of three times in a round, the contest shall be terminated and the opponent shall be awarded the decision.

(10) If a boxer is down and the referee is in the course of counting at the end of:

(a) A round other than the final scheduled round, the bell indicating the end of the round must not be sounded, but the bell must be sounded as soon as the downed boxer regains his feet and the referee indicates that the boxers should continue.

(b) The final round, the bell must be sounded indicating the end of the round and contest.

WAC 36-12-150 When boxer falls from ring during round. (1) A contestant who has been knocked or has fallen

through the ropes and over the edge of the ring platform during a contest may be helped back by anyone except his seconds or manager and the referee will allow a reasonable time for this return. When on the ring platform outside the ropes the contestant must reenter the ring immediately, then he may either resume the contest or stay down for a count, which in the latter case shall be started by the referee as soon as the fallen contestant is back in the ring.

(2) If a contestant intentionally declines to reenter the ring, the referee shall start the count immediately. If the contestant is not in the ring within ten seconds, the referee shall award the contest to the other contestant on the basis of a knockout.

(3) When a contestant has fallen through the ropes the other shall retire to the farthest neutral corner and stay there until the count is completed or the other contestant returns to the ring and the referee directs resumption of the contest.

(4) A contestant who deliberately wrestles or throws an opponent from the ring, or strikes an opponent who is partly out of the ring, and prevented by the ropes from assuming a position of defense may be disqualified, and the referee shall recommend to the department that the purse of the offending boxer be forfeited.

[Statutory Authority: Chapter 67.08 RCW, 97-01-035, § 36-12-150, filed 12/10/96, effective 1/10/97; 91-11-038, § 36-12-150, filed 5/10/91, effective 6/10/91; Rule .04.150, filed 9/22/60, 3/17/60.]

WAC 36-12-160 Report of referee—Withholding or forfeiture of purse. (1) A referee shall submit by mail or in person a report of any and all contests refereed. Any matter involving disregard of the rules or law must be included in the report and any recommendations relative to suspensions of violators of the rules or law. All referees must fully and explicitly describe the circumstances in which any contest is stopped on account of a technical knockout. The referee's report must clearly state the reason for awarding the decision to the winner as a result of a technical knock-out.

(2) If a referee decides that both contestants are not putting forth the full effort of which they are capable, the bout must be stopped before the end of the last round, and no decision be given. The announcer shall inform the audience that no decision has been rendered. The department shall have the power, independent of the referee to determine the merits of any contest, and take whatever action it considers proper. Counting a boxer out, or disqualifying one of the contestants for fouling, is in effect giving a decision.

(3) A referee's decision rendered at the termination of any contest is final and shall not be changed unless the director determines that any one of the following occurred:

(a) There was collusion affecting the result of any contest;

(b) The compilation of the scorecard of the referee or referee and judges shows an error which would mean that the decision was given to the wrong contestant; or

(c) There was a clear violation of the laws or rules governing contests which affected the result of any contest.

If the director determines that any of the above occurred with regards to any contest the decision shall be changed as the director may direct.

(2) Inspectors shall report directly to the department.

(3) Inspectors shall be in charge of all details of the contest that do not come under the jurisdiction of the other officials.

(3) Any person holding a license from the department who has been suspended for using dishonest methods to affect the outcome of any contest, or for any conduct reflecting serious discredit upon the sport of boxing shall not be eligible for reinstatement.

(4) Any manager under temporary suspension shall be considered to have forfeited for the duration of suspension all rights in this state held under the terms of any contract with a licensed boxer. Any attempt by a suspended manager to exercise such contract right shall make the suspension permanent, and a boxer who continues any of the contract relations with a suspended manager shall be indefinitely suspended.

Any contestant who has lost six consecutive fights shall submit to a complete medical examination and any subsequent testing deemed necessary by a physician prior to their next bout.

(10) If at any time a boxer's ability to perform is questionable, whether for reasons of health, mental condition, or no longer possessing the ability to compete or for any other reason, the department may, upon being satisfied of the boxer's lack of ability to perform, retire the boxer from further competition.

(2001 Ed.)

(5) All communications to the department regarding contracts, violations or threatened violations, must be written.

(6) If, through inclement weather, or other happening not within the control of the promoter, a postponement becomes necessary, the department may grant an extension of the contracts.

A small advance ticket sale shall not be regarded as a legitimate reason for a postponement or cancellation.
