(2) The instructor of each course offered by the college shall be authorized to take such steps as may be necessary to preserve order and to maintain the effective cooperation of the class in fulfilling the objectives of the course; provided that a student shall have the right to appeal such disciplinary action to the vice-president for student services.

(3) "Disciplinary probation" shall mean formal action placing conditions upon the student's continued attendance. Notice will be made in writing, specifying the period of probation and the conditions of the probation. (7) "Summary suspension" shall mean temporary dismissal from the college for a period of time during which an investigation and/or formal disciplinary procedures are pending. Summary suspension is predicated upon a reasonable belief that the student presents an imminent danger to college property, to other students, to employees of the college or is of significant disruption to the educational process.

(8) "Suspension" shall mean temporary dismissal from the college and termination of student status.

(9) "Expulsion" shall mean dismissal from the college and termination of student status.

(10) "No contact" shall mean restriction from entering specific college areas and/or all forms of contact with certain individual(s).

(2) Pursuant to RCW 28B.10.902 forfeiture of state-funded grants, scholarships or awards to recipients engaged in hazing activities or impermissible conduct not amounting to hazing may continue for additional quarters, up to and including permanent forfeiture, based upon the seriousness of the violations.

(3) The presiding officer shall issue a written decision within two days of the informal hearing.

(2001 Ed.)

(4) The student may request a de novo review of the informal hearing decision before the student/faculty disciplinary committee. Either party may request the review to be consolidated with any other disciplinary proceeding arising from the same matter.

(5) Nothing herein shall prevent faculty members from taking summary action as may be reasonably necessary to maintain order in the classroom and/or prevent substantial disruption to the educational process. Such summary action in the form of removal from the classroom may not exceed three working days per episode. Any such summary action may be appealed to the vice-president for student services for an informal hearing.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-062, filed 5/24/00, effective 6/24/00.]

(3) Disciplinary action by the student/faculty disciplinary committee may be appealed to, and shall be reviewed by, the college president or his/her designee.

(4) Disciplinary action by the president shall either indicate approval of the conclusions by sustaining the decision or shall give directions as to what other disciplinary action shall be taken by modifying the decision, or shall nullify previous sanctions imposed by reversing its decision. All appeals to the president shall be final.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-063, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-064 Student/faculty disciplinary committee.** The student/faculty disciplinary committee, convened for that purpose, will hear, de novo, and make recommendations on all disciplinary cases referred to it by the appropriate authority or appeal to it by student(s). (2) Two members of the faculty, appointed by the president of the faculty association;

(3) Two representatives from the associated student government appointed by the student body president.

None of the above-named persons shall sit on any case in which he/she has been a complainant or witness, in which he/she has a direct or personal interest, or in which he/she has acted previously in an advisory or official capacity. Decisions in this regard, including the selection of alternates, shall be made by the disciplinary committee as a whole.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-064, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-065 Procedural guidelines of the student/faculty disciplinary committee.** The student has a right to a fair and impartial hearing before the committee on any charge of misconduct resulting in disciplinary action other than warning or reprimand.

(1) The committee chair shall establish general rules of procedures for conducting hearings. A majority of the committee shall set the time, place and available seating capacity for a hearing. All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as possible in fairness to all parties involved.

(2) The committee shall issue written notice to the student of the date, time, and place of the hearing, and the charges against the student consistent with RCW 34.05.434. This notice of hearing shall be provided no later than seven days prior to the date of the hearing. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date if so requested in writing by the student.

(3) The student may be represented by counsel and/or accompanied by an advisor of his/her choice. If the student elects to choose a duly licensed attorney admitted to practice in the state of Washington as counsel, notice thereof must be tendered by the student to the vice-president for student services at least five working days prior to the hearing.

(4) The student or his/her representative shall be entitled to hear and examine the evidence against him/her and be informed of the identity of its sources; the student shall be entitled to present evidence in his/her own behalf and to question witnesses testifying against him/her as to factual matters. The committee shall request the administration to provide the student with a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(5) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether the student is guilty of the misconduct charged but the student's past record of conduct may be taken into account in formulating the committee's recommendation for disciplinary action.

(6) Hearings conducted by the committee may be held in closed session at the discretion of the committee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing, invited guests are disruptive of the proceedings, the chair of the committee may exclude such persons from the hearing room.

(7) Failure on the part of the student(s) to appear or cooperate in the proceedings may result in default in accordance with RCW 34.05.440. However, it may not preclude the committee from making its findings of fact, reaching conclusions and imposing sanctions. Failure of the student to cooperate may be taken into consideration by the committee in recommending penalties. The committee may decide: To

uphold or modify sanctions in accordance with the process set forth in these provisions.

An adequate summary of the proceedings will be kept. At a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student services during regular business hours. The student will be provided with a copy of the findings of fact and conclusions of the committee.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-065, filed 5/24/00, effective 6/24/00.]

In the case of a student under eighteen years of age, written notice of any action involving dismissal or disciplinary probation may be sent to the parents or guardian of the student.

(2) If the student concludes that the action of the disciplinary committee is inappropriate, the student may appeal the matter to the president of the college. The president or his/her designated representative, after reviewing the case, including the report of the committee and any statements filed by the student, shall either indicate his/her approval of the conclusions of the committee by sustaining its decision, shall give directions as to what other disciplinary action shall be taken by modifying its decision or shall nullify previous sanctions imposed by reversing its decision. The president shall then notify the official who initiated the proceedings, the student and the committee chair. The decision of the president is final.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-066, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-070 Reporting, recording and maintaining records.** The office of the vice-president for student services shall keep records of all disciplinary cases. Except in proceedings where the student is exonerated, all documentary or other physical evidence produced or considered in disciplinary proceedings, and all recorded testimony shall be preserved, insofar as possible, for not more than six years. No other records of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student's file or other college repository after the date of the student's graduation or not more than six years.

Students have the right to receive clear information and fair application of college policies, standards, rules and requirements, and are responsible for complying with them in their relationships with college personnel. The grievance procedure emphasizes an information

resolution which promotes constructive dialogue and understanding.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-090, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-091 Student complaints.** (1) Step one. The student shall first determine if a formal written process is required by securing the student petition form. If not, an information meeting with the instructor/staff member should be scheduled by the student to resolve the concern(s).

If an informal meeting does not resolve the concern(s), within ten working days from the time the event occurred or that the student knew, or reasonably should have known of the grievance, the student may present the grievance in writing to the instructor involved with a copy sent to the vice-president for student services. Within ten working days after receiving the grievance, the instructor shall respond to the grievance in writing.

(2) Step two. If the grievance is not resolved at step one, the student may within ten working days of the receipt of the written response, appeal to the area director/associate director by submitting the appropriate copy of the grievance form and all documents from step one to the area director/associate director.

(b) The student shall be afforded an adequate and fair opportunity to fully present his/her position and the relevant facts as they relate to the issues raised by the grievance.

(3) Step three. If the grievance is not resolved at step two, the student may within ten working days of receipt of the written response, provide the appropriate copy of the student grievance form and a written appeal, accompanied by documents and correspondence, to the vice-president for student services.

(a) The vice-president for student services shall hear the grievance within ten working days after receipt of the written appeal and shall render a decision in writing within ten working days after such hearing concludes.

(b) The student shall be afforded an adequate and fair opportunity to fully present his/her position and the relevant facts and issues to be addressed in the grievance.

(c) The decision of the vice-president for student services shall be final and binding on all parties involved in the grievance.

(d) Any settlement of the grievance shall be applicable to that grievance only and shall not be a precedent or have binding effect or disposition on any other grievances of similar nature.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-091, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-093 Time limits on filing a complaint.** The student must file a complaint within one quarter of the event, which caused the grievance to be filed. The vice-president for student services may suspend this rule under exceptional circumstances such as extended illness, or a leave of absence. No complaints will be considered after two quarters of the occurrence of the source of the grievance. When either party to the complaint is no longer present at the college and does not expect to return, the vice-president will give the absent party reasonable opportunity to reply to the complaint before making a decision.

[Statutory Authority: RCW 28B.50.140(10). 00-11-147, § 495A-121-093, filed 5/24/00, effective 6/24/00.]

**WAC 495A-121-094 Grievances excluded.** (1) The student grievance procedure described in this section is not intended to cover complaints of discrimination or sexual harassment. The college has separate, specific procedures for such complaints. See the vice-president for human resources for information on those specific procedures.

(2) A student may not use the provisions of these sections as the basis for filing a grievance based on the outcome of summary or other disciplinary proceedings described in earlier sections of this student rights and responsibilities code or for resolution of specific categories of student complaints where other procedures are required.

(3) Federal and state laws, rules and regulations, in addition to policies, regulations and procedures adopted by the state board for community and technical colleges or the board of trustees of Bates Technical College District No. 28 shall not be grievable matters.

**WAC 495A-140-010 Use of college facilities.** Bates Technical College serves Pierce and other counties by providing continued educational opportunity for its citizens. In keeping with this general purpose, the college believes that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-010, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-020 Limitation of use to school activities.** (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of, the college's own teaching, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established teaching, research, or public service activities of the college and its departments;

(b) Cultural, educational, or recreational activities of the students, faculty, or staff;

(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the

(2001 Ed.)

advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;

(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration, or the board of trustees, implicitly or explicitly, of the speaker's views.

(3) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with college rules and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

(4) The college may restrict an individual's or a group's use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-020, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-030 Statement of intentions.** The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-030, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-040 General policies limiting use.** (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2) Religious groups shall not, under any circumstances, use the college facilities as a permanent meeting place. Use may be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college's commitment to nondiscrimination as set forth in its written policies and rules.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These rules shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed only in designated areas on the campus where, and at times when, such distribution will not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by the designated administrative officer shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times which will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(8) No person or group may use or enter onto college facilities having in their possession firearms, even if licensed to do so, except commissioned police officers as prescribed by law.

(9) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

[Title 495A WAC—p. 14]

**WAC 495A-140-050 Administrative control.** The board hereby delegates to the president authority to set up administrative procedures for the use of college facilities; and to establish rental schedules where appropriate.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-050, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-060 Trespass.** (1) Individuals who are not students or members of the faculty or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with these rules.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-060, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-070 Prohibited conduct at college facilities.** (1) The use or possession of unlawful drugs or narcotics, not medically prescribed, or of intoxicants on college property or at college functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs or narcotics while in college facilities are subject to disciplinary action.

(2) The use of tobacco is prohibited in accordance with health regulations.

(3) Destruction of property is also prohibited by state law in reference to public institutions.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-070, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-080 Control of pets in college facilities.** Pets are not permitted in campus buildings or on the grounds except guide or service dogs for the visually or hearing impaired.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-080, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-090 Basis of fee assessment.** (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the office of director of college operations.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees feels a commercial facility should be

(2001 Ed.)

patronized. At no time will facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-090, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-100 Application procedures.** (1) At least seven working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application which may be obtained through the college's office of director of college operations. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; if so, separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory becomes responsible for all charges which may include interest payment for overdue accounts as specified on the rental form but not less than one percent per month.

(3) Large events, events requiring expenditures on the part of the college, or where significant areas are blocked out for the renter, a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The president and the board of trustees reserve the right to cancel any permit and refund any payments for use of college facilities and equipment when they deem such action advisable and in the college's best interests.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) Any admission charge is to be specified and approved by the college.

(9) Organizations using Bates Technical College's facilities shall conduct all activities in accordance with applicable local, state, and federal laws including all rules adopted by the board of trustees.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-100, filed 5/26/92, effective 6/26/92.]

**WAC 495A-140-110 Supervision during activity.** (1) Signatories of the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of special facilities makes it necessary that supervision be provided, the trustees reserve the right to require a staff member represent the college at any activity on college facilities. Such service shall be paid at the current rate, by the organization requesting use of the facility, and does not

(2001 Ed.)

relieve the organization from safeguarding the college's property.

(2) The security staff or some other authority of the college will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned on any occasion to any using organization with the exception of keys to designated off-campus locations.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-140-110, filed 5/26/92, effective 6/26/92.]

Following are the procedures for the correction of records:

(2001 Ed.)

(1) A student must submit a written request to amend his or her education record to the appropriate college official responsible for the custody of the record as designated in WAC 495A-280-110. The request must identify the part of the record he/she wants changed and specify why the record is believed to be inaccurate, misleading or in violation of his or her privacy or other rights.

(2) A student whose request for amendment of his or her education record has been denied may request a hearing by submitting a written request to the director of student services within ten days following the denial. The written request must be signed by the student and shall indicate the reasons why the records should be amended. The director of student services shall notify the student of the hearing within thirty days after receipt of a properly filed request. In no case will the notification be less than ten days in advance of the date, time and place of the hearing.

(3) The hearing shall be a brief adjudicative proceeding as provided in RCW 34.05.482 and 34.05.485 through 34.05.494 and shall be conducted by the student services or other appropriate committee (the chair of the committee shall be an official of the college who does not have a direct interest in the outcome of the hearing). At the hearing, the student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by one or more individuals, including an attorney, at the student's expense.

(4) The student services or other appropriate committee will prepare a written decision, within thirty days after the conclusion of the hearing, based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision. A copy of the decision shall be made available to the student.

(5) If the student services or other appropriate committee decides the information is inaccurate, misleading, or in violation of the student's right of privacy, the custodian of the record will amend the record and notify the student, in writing, that the record has been amended.

(6) If the student services or other appropriate committee decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, the committee will notify the student in writing that the student has a right to place in the record a rebuttal statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

(7) The student's rebuttal statement will be maintained as part of the student's education records as long as the contested portion is maintained. If the contested portion of the education record is disclosed, the statement will also be disclosed.

Any applicant for admission, enrolled student, applicant for employment or employee of Bates Technical College who believes she/he has been discriminated against on the basis of sex may lodge an institutional grievance by following the procedures below.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-300-010, filed 5/26/92, effective 6/26/92.]

**WAC 495A-300-020 Informal procedure.** All employees and students should feel free to discuss perceived

discrimination with the individual immediately in charge, such as the first-line supervisor or instructor, to see if the situation can be resolved informally. Employees and students may also consult directly with the college affirmative action officer without making a formal written complaint, and this consultation will be considered confidential. Employees and students are not required to use the informal process and may go directly to the formal procedure.

Any college official receiving a discrimination complaint shall contact the affirmative action officer or designee as soon as reasonably convenient. The college official shall arrange for the complainant to receive a copy of the complaint procedure.

[Statutory Authority: RCW 28B.10.140, 42.30.075, chapter 34.05 RCW and 1991 c 238. 92-12-017, § 495A-300-020, filed 5/26/92, effective 6/26/92.]

**WAC 495A-300-030 Formal procedure.** Step one: Employees and students must make a written complaint concerning discriminatory behavior to the affirmative action officer or designee.

(1) Complaints will be held in confidence. No action against the person accused will be taken on behalf of the complainant unless the complainant consents to be identified to the one accused in connection with the investigation.

(2) The complainant may bring a person of his or her choice to the initial or subsequent complaint meetings.

(3) The affirmative action officer or designee shall give a copy of these regulations and any applicable board policy to the person making the formal complaint and to the accused.

(4) The result of that consultation and any investigation made will be communicated to the complainant before any further action is taken.

(5) An informal hearing may be substituted for investigation if the complainant and the accused agree. The affirmative action officer or designee will be responsible for investigating the complaint and discussing the complaint with the accused. The affirmative action officer will make a written recommendation to the president within a reasonable time following the close of the investigation or hearing.

(6) Appropriate corrective measures will be decided by the president of the college upon consultation with the affirmative action officer and the appropriate administrators or supervisors involved. If an accused employee or student disagrees with the determination or appropriateness of the corrective measures, that individual may contest those measures through the formal faculty or classified grievance procedures, if they are covered by an agreement, or the student disciplinary code.

(7) Information will be entered in the personnel or student file only to the extent that a formal reprimand or other disciplinary action has been taken. If no disciplinary action is taken, the affirmative action officer will keep a record of the investigation accessible to the president, the complainant and the accused for a period of three years and then that record will be destroyed. If a formal complaint is filed with an outside state or federal agency, files will be maintained until the complaint is resolved. When such files are used, written notice will be placed in the file indicating the person using the file and the date used.

**WAC 495A-300-040 Other remedies.** These procedures outlined in WAC 495A-300-010 through 495A-300-030, are internal college procedures and, as such, serve to resolve complaints within the college's administrative framework. These procedures do not replace an individual's timely complaint with an external agency such as the Office of Civil Rights, Equal Employment Opportunity Commission, or the Washington state human rights commission.
