[Title 516 WAC—p. 6]
WAC 516-11-040 General course and method of decision making. The formal procedures for decision making at the university are governed by the board of trustees through rules promulgated by it in accordance with the requirements of chapter 34.05 RCW, the Administrative Procedure Act. Accordingly, all rules, orders or directives, or regulations of the university which affect the relationship of particular segments of the university, as students, faculty, or other employees, with the university or with each other,

(1) The violation of which subjects the person to a penalty or administrative sanction; or

(2) Which establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or

(3) Which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; are implemented through the procedures of the Administrative Procedure Act and appear in Title 516 WAC: Provided, however, That in accordance with RCW 34.05.010(15), the university reserves the right to promulgate as internal procedures not created or implemented in accordance with the Administrative Procedure Act, the following: Procedures or policies relating primarily to the following: Standards for admissions; academic advancement, academic academic credits, graduation and the granting of degrees; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under the Administrative Procedure Act unless otherwise required by law. Internal procedures to the extent not already set forth in the university's published catalogs and handbooks are available to the public on file in the reference room in the library.

WAC 516-11-060 Designation of public records officers. (1) In accordance with the requirements of chapter 42.17 RCW, insofar as such chapter requires state agencies to adopt and enforce reasonable rules and regulations to provide full public access to official records while yet protecting the same from damage and to prevent excessive interference with essentials of the agency, all public records at the university shall be in the charge of persons holding positions as records officers.

(2) Overall responsibility for coordinating responses to requests for examination of public records shall be the responsibility of the person known as the "public records officer."

(3) For purposes of this chapter, the custody of the university's records shall be deemed divided into the following divisions:

(a) Office of the president;
(b) Office of the provost;
(c) Office of student affairs;
(d) Office of business and financial affairs.

The above-designated division head shall be deemed custodian of the records in the possession or control of agencies, departments, officers and employees of his or her division and responsible for the care and custody of records within his or her division even though such person is not in actual possession or control of such records. Such division heads shall be known as the university "records custodians."

(4) In any cases where a question arises as to whether a given public record is a responsibility of one records custodian or another, the determination of such ministerial responsibility shall for the purposes of this chapter be made by the public records officer, or the president of the university.

WAC 516-11-070 Availability for public inspection and copying of public records. Public records shall be available for inspection and copying during the customary office hours of the university. For the purposes of this chapter, the customary office hours shall be from 9 a.m. to noon and from 1 p.m. to 4 p.m., Monday through Friday, excluding legal holidays, unless the person making the request and the university, acting through the public records officer or a records custodian, agree on a different time.

WAC 516-11-080 Requests for public records. In accordance with chapter 42.17 RCW requirements that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records are only obtainable by members of the public when those members of the public comply with the following procedures:

(1) A request shall be made in writing and shall be presented to the public records officer or any other of the persons designated by this chapter as a custodian of certain university records, per WAC 516-11-060. Such request shall include the following:

(a) The name of the person requesting the record;

(c) If the matter requested is referenced within the current index maintained by the university records officer, a reference to the requested record as it is described in such index;
(d) If the requested matter is not identifiable by reference to the university records current index, a statement that succinctly describes the record requested;
(e) A verification that the records requested shall not be used to compile a commercial sales list.

(2001 Ed.)
WAC 516-11-090 Charges for copying. (1) No fee shall be charged for inspection of public records. The university may impose a reasonable charge for providing copies of public records and for the use by any person of agency equipment to copy public records; such charges shall not exceed the amount necessary to reimburse the university for its actual costs incident to such copying.

(2) No person shall be released a record which has been copied by photostatic process until and unless the person requesting the copied public record has tendered payment for the amount necessary to reimburse the university for its actual costs incident to such copying.

WAC 516-11-100 Determination regarding exempt records. (1) The university reserves the right to determine that a public record requested in accordance with the procedures of this chapter is exempt under the provisions of RCW 42.17.310. Such determination may be made in consultation with any of the records officer of the university, the president of the university, or the assistant attorney general assigned to the university.

(2) Responses to requests for records must be made promptly. Denials of request for public records must be accompanied by a written statement, specifying the specific reasons therefor.

WAC 516-11-110 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record shall petition for prompt review of such decision by tendering a written request for a review of such denial. Such written request by a person demanding prompt review shall specifically reference the written statement by the university denying that person's request for a public record.

(2) Within two business days after receiving the written request by a person petitioning for prompt review of a decision denying a public record, the president, or his or her designee, for which the purposes of this section may include the public records officer or the records custodians, shall consider such petition. The review decision shall be in writing and transmitted to the person prior to the end of the second business day after receipt of the written request for review.

WAC 516-13-090 Enforcement. A bicycle rider who refuses to abide by these regulations set forth under chapter 516-13 WAC may be issued a university notice of infraction (NOI) for one or more of the following infractions:

(1) Failure to yield right of way to pedestrian;
(2) Failure to stay in control of bicycle;
(3) Failure to obey dismount policy;
(4) Riding on lawn or other restricted area;
(5) Failure to use due care and caution.

Penalties: The penalties for violating any part of this section shall be progressive, with the monetary penalty increasing for each subsequent offense regardless of the nature of the previous offense(s). The first violation shall have a monetary penalty of ten dollars. A second violation shall have a monetary penalty of twenty-five dollars. A third and each subsequent violation shall have a monetary penalty of fifty dollars.

Any bicycle rider who violates any portion of this section and as a result is involved in a collision with a pedestrian, or an object shall have the monetary penalty for the offense(s) doubled.

Any bicycle rider who attempts to elude a uniformed police officer attempting to enforce these regulations shall have the monetary penalty for the offense(s) doubled.

Chapter 516-13 WAC notwithstanding, bicycle riders remain subject to enforcement of applicable city and state traffic laws while riding upon public roadways or sidewalks.

A bicycle rider who refuses to cooperate with a police officer or to present proof of identification will be subject to arrest for obstructing a law enforcement officer under the provisions of chapter 9A.76 RCW and/or criminal trespass under the provisions of chapter 9A.52 RCW.

Appeal procedure. A university notice of infraction (NOI) may be appealed by filing a completed appeal form at the parking services office within seven days of receipt of the notice of infraction; otherwise, the right to a hearing is forfeited.

Distribution of funds collected from monetary penalties. Moneys collected for violations of chapter 516-13 WAC shall be applied towards the cost of enforcing this section. Moneys received in excess of these costs shall be applied towards bicycle-related projects, including bicycle parking, bicycle pathways and safe bicycling education.

WAC 516-14-200 Policy and procedure. A parking appeals board has been established composed of one administrator, one faculty member, and one staff member, to be appointed by the administrators, faculty, and staff respectively, and four students to be appointed by the associated students. Each will be appointed for a one-year term. The board will choose its own chairperson from its members.

(1) The board will meet throughout the academic year dependent upon the volume of appeals.

(2) The parking appeals board has jurisdiction to hear and decide only those cases involving alleged violations of Western Washington University’s parking regulations, chapters 516-12 and 516-13 WAC.

(3) Moving violations, violations of the motor vehicle and other traffic laws of the state of Washington, and traffic code of the city of Bellingham are referred to the Bellingham police department and district justice court.

(4) The parking appeals board may adopt its own bylaws. However, these bylaws may not conflict with the WAC or the policies and procedures of related offices except by recommendation in writing, and subsequent approval of the office involved, through established university channels. The board shall be considered autonomous to the university governance system as to its judgment of appeals only. The board chairperson shall prepare an annual report for informational purposes to be submitted to the vice-president of business and financial affairs by May 31 each year.

(a) Payment of a parking fine shall not constitute a waiver of the right to a hearing with regard to the underlying violation.

(b) Those receiving a university parking citation may appeal the citation by completing an official appeal form available at the parking services office. The form must be completed within seven days of the issuance of the citation or the citation will be considered valid. (WAC 516-12-480)

(c) The appeal form must include a full explanation of the basis for the appeal. The only proper basis for an appeal is a contention that the cited regulations were not violated.

(d) The parking manager (or designee) will review the appeal and recommend dismissal of the citation. If dismissal is not recommended, the appeal will be sent to the board for adjudication. The parking manager has the authority to waive completion of the appeal form.

(d) Should a personal appearance before the board be desired, it should be indicated on the form, otherwise the citation will be adjudicated on the basis of the written submission only.

(e) If a personal appearance is requested, and the appellant cannot appear on the date scheduled, the appellant must notify the transportation and parking department in writing at least 24 hours before the scheduled time and request a new date. Only one such rescheduling is permitted. If the appellant does not appear at a scheduled hearing without notification, the appeal will be adjudicated on the basis of the written appeal only.

(f) The parking appeals board operates according to the rights of due process of law. If desired, the appellant has the right to be represented by counsel, the right to cross-examine witnesses, and the right to an open and impartial hearing.

(g) The transportation and parking department has the right to be represented at hearings and to cross-examine witnesses.

(h) The appeals board may examine witnesses for either side.

(i) At the conclusion of a hearing, and in an open meeting, the board will specify the charge(s) against the alleged violator, pronounce a judgment of guilty or not guilty as to each charge, and include a rationale for each judgment. The board has the authority to deny the appeal, void or refund the citation fine(s) in part or in full, and/or refund the towing charge(s) in part or in full, according to the pronounced judgement of guilty or not guilty.

(j) The decision of the appeals board will be in writing and will be final.

(k) Failure to comply with a decision of the parking appeals board constitutes a ground for revocation of campus parking privileges. Any unpaid fine will be deducted from any refund due as a result of revocation of parking privileges or a judgment of the board.

(l) A written record of the judgment, rationale, and fine imposed, if any, shall be furnished the transportation and parking department by the parking appeals board chairperson. These records will then be maintained by the transportation and parking department.

(m) Within the Revised Code of Washington, the alleged violator may appeal the decision of the appeals board to the state district court within ten days after written notice of the final decision has been given.

Chapter 516-23 WAC

STUDENT RIGHTS AND RESPONSIBILITIES CODE

WAC

516-23-005 Preamble. Western Washington University students enjoy the basic rights of all members of society. At the same time, students have an obligation to fulfill the responsibilities incumbent upon all citizens, as well as the responsibilities of their particular roles within the academic community. The student is expected to abide by university policies and regulations, as well as federal, state and local laws. Those who are charged with a violation are assured a fair judicial process and, when found in violation, appropriate disciplinary action.

The judicial system at Western Washington University is a process within the university that facilitates student developmental growth while maintaining the standards of the university to insure academic integrity, campus-wide safety, and adherence to the university mission. The student judicial process is intended to provide positive and educational experi-
enforcement paired with fair and well-considered sanctions for misbehavior.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-005, filed 1/22/96, effective 2/22/96.]

WAC 516-23-010 Definitions. "Student" includes all persons taking courses at the university, both full and part time. Nonmatriculated international students attending language institutes or foreign study programs at the university shall also be considered students under the terms of this code.

"University" refers to the facilities, property, programs, activities, and members of Western Washington University community.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-010, filed 1/22/96, effective 2/22/96.]

WAC 516-23-015 Jurisdiction. The Student Rights and Responsibilities Code is a guideline for expected student behavior at the university. While the university does not act as a policing agent for students when they are off campus, the university reserves the right to take action if a student's behavior is determined to threaten the health, safety, and/or property of the university and its members.

Individual students alleged to have violated this code, policies, or regulations of Western Washington University will be subject to disciplinary action under the code. Sanctions against student organizations are governed by the procedures established by the university administrative unit governing the recognition of each organization. Disciplinary proceedings against individual member(s) of a student organization can be initiated under this code independently of action taken against the student organization.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-015, filed 1/22/96, effective 2/22/96.]

WAC 516-23-020 Relationship between civil and criminal law and university disciplinary proceedings. Many offenses actionable under this code are also violations of federal, state or local laws. A student may face criminal and civil prosecution as well as university disciplinary action for violation of these laws. The university reserves the right to initiate action for offenses that have an impact on the educational or administrative functions or the general well-being of the university. Proceedings under this code may be carried out prior to, simultaneously, or following civil or criminal proceedings in the courts. University proceedings are not subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-020, filed 1/22/96, effective 2/22/96.]

WAC 516-23-025 Actionable offenses. A violation of university policy or regulation that has a significant impact upon the educational or administrative functions of the university can be grounds for disciplinary action. A student may also be subject to disciplinary action for violation of federal, state, or local civil or criminal law. The code does not contain an exhaustive list of all offenses or misconduct for which a student may be disciplined. Those offenses which disrupt integral aspects of the university mission and are most commonly acted upon are listed in the code.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-025, filed 1/22/96, effective 2/22/96.]

WAC 516-23-030 Disruptive behavior. The educational mission of Western Washington University requires the freedom to teach, conduct research and administer the university. A student shall be subject to disciplinary action if he/she engages in any behavior which interferes with the rights of others or which materially or substantially obstructs or disrupts teaching, learning, research or administrative functions.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-030, filed 1/22/96, effective 2/22/96.]

WAC 516-23-035 Academic dishonesty. Maintaining academic honesty is the joint responsibility of students and the faculty. Incidents of academic dishonesty reported to the provost by the provost shall make the student subject to disciplinary action. Academic dishonesty shall include, but is not limited to: Plagiarizing, misrepresentation of identity, and/or giving or receiving unauthorized information prior to or during any type of examination. See academic dishonesty policy. Students found to have violated canons of ethical research and scholarship, as defined in the policy and procedural guidelines for misconduct in research and scholarship, may also be subject to disciplinary action.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-035, filed 1/22/96, effective 2/22/96.]

WAC 516-23-040 Forgery and fraud. Maintaining accurate and credible records and documents is necessary for the university to fulfill its educational mission and to assure the welfare of its students. Any student:

1. Falsely making, completing, or altering any university document, record, or identification;
2. Possessing or presenting as authentic any falsified document, record, or identification; or
3. Giving to any university official information known to be false or incomplete shall be subject to disciplinary action.

[Statutory Authority: RCW 28B.35.120(12). 96-03-103, § 516-23-040, filed 1/22/96, effective 2/22/96.]

WAC 516-23-045 Interference with freedom of expression. The rights of freedom of speech, petition and assembly are fundamental to the democratic and academic process. The United States Constitution guarantees these freedoms to all members of the Western Washington University community. The university recognizes, respects and protects all expressions of opinion and ideas, whether individual or collective, that are within the limits of the law and/or university regulations.

Any person, or persons, may speak at the university when invited to do so by a member of the university community. An exercise of the right to speak requires the freedom of the speaker to make his/her statement. Both the speaker and the audience are entitled to proceed without being subjected to interference.

[Title 516 WAC—p. 19]
516-23-050 Title 516 WAC: Western Washington University

to substantial interference. Use of university buildings and public spaces is subject to university policies and procedures. See Viking Union Policies: Exterior space use; reservations and scheduling.

Students engaging in acts of violence, threats of violence or other behavior which materially or substantially disrupts the right of freedom of expression on campus are subject to disciplinary action. Such conduct includes, but is not limited to, blocking or impeding vehicular or pedestrian traffic; blocking access to or from campus buildings or offices; and activities of observers or participants that substantially disrupt classes, meetings or any other normal function of the university.

WAC 516-23-050 Alcohol and other drugs policy violations. Substance abuse by members of the university community impacts the quality of the educational experience of all students. Violations of alcohol/drug policies including, but not limited to, the possession, use or distribution of controlled or illegal substances, or violence to others and/or destruction of property while under the influence of alcohol/drugs will make the student subject to disciplinary action. See alcohol and other drugs policy.

WAC 516-23-055 Misuse of computers, electronic data or communications. The performance of normal university business, research, education, and other vital functions is dependent upon the appropriate use of computing and the integrity of electronic data. Students shall be subject to disciplinary action if they:

(1) Interfere with university computing or communication functions or with the work of another student, faculty member, or university official;

(2) Gain unauthorized access, alter data, or misuse computing facilities; or

(3) Use university computing facilities to send harassing messages (as defined in WAC 516-23-070, Violence and harassment).

WAC 516-23-060 Hazing. Any act which endangers, or is likely to endanger, the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or university organization shall make a student subject to disciplinary action. See hazing policy.

WAC 516-23-065 Sexual misconduct. The university strives to provide an environment in which students, staff, and faculty can work, live and study free from all types of sexual misconduct. Students engaging in sexual misconduct shall be subject to disciplinary action. The range of sexual misconduct includes sexual harassment, sexual intimidation, sexual coercion, sexual assault, and rape. See sexual misconduct policy.

WAC 516-23-070 Violence and harassment. A quality educational experience can only occur in an environment free of intimidation, harassment, or physical assault. Any student creating a hostile or threatening educational or working environment shall be subject to disciplinary proceedings. These behaviors include, but are not limited to, the following:

The use of physical force or violence to endanger the physical or mental health and safety of another person or to restrict the freedom of action or movement of another person.

Behavior that involves an expressed or implied threat to interfere with an individual’s personal safety, academic efforts, employment, or participation in university activities, and causes the person to have a reasonable apprehension that such interference is about to occur.

Threatening to cause bodily harm at present or in the future to any person, or to cause physical damage to another’s property, or to maliciously do any act which is intended to substantially harm another person’s physical or mental health or safety.

Intentionally and repeatedly following or contacting another person in a manner that intimidates, harasses or places another in fear for personal safety or property.

Judicial structure. The vice-president for student affairs/dean for academic support services or designee is responsible for administration of this code. A judicial officer, who shall have authority to adjudicate and administer sanctions for violations of this code, shall be appointed by the vice-president for student affairs/dean for academic support services.

A six-member judicial appeal board shall be appointed fall quarter: Two faculty (appointed by the vice-president for academic affairs), three students (appointed by the associated students board) and one member of the student affairs/academic support services staff (appointed by the vice-president for student affairs/dean for academic support services). An alternate for each position shall be appointed at the same time by the same authority. Student appointments shall be for one academic year. Faculty and staff appointments shall be for staggered two-year terms. The judicial appeal board shall have authority to hear appeals based on the judicial officer’s decision and to adjudicate and administer sanctions for violations of this code. The vice-president shall assure that the judicial appeal board appointment process is initiated annually and shall assure that allegations of code violations and appeals are properly referred.

Should the need arise during summer session, an ad hoc judicial appeal board shall be appointed subject to the same composition and procedures as the academic year judicial appeal board.

[Title 516 WAC—p. 20]
WAC 516-23-080 Conduct proceedings. A primary objective of the disciplinary process is to promote the personal and social development of those students found responsible for misconduct. Charges are investigated and resolved in an atmosphere of candor, truthfulness, and civility. Conduct hearings and other related proceedings do not follow the same procedures used in courtrooms, nor do they use the same rules of evidence as in a civil or criminal trial.

The conduct process shall proceed as follows:

Any student, faculty, or staff member of the university alleging a violation of this code shall deliver to the office of the vice-president for student affairs/dean for academic support services a written statement of the charges against the student. The judicial officer will investigate the accuracy of the charge.

If in the judicial officer's judgment there is sufficient basis to consider the charge(s), the judicial officer shall notify the accused student and those bringing the charges in writing of the time and place of their respective hearings and the availability of advisement to assist the student in their understanding of the judicial process. The hearing shall occur no less than five nor more than fifteen calendar days from the date of notification. The accused student will be informed of that portion of the code he/she is alleged to have violated and the nature and date of the alleged violation. The student will also be provided with the Student Rights and Responsibilities Code, chapter 516-22 WAC. If there is insufficient basis to consider the charge, the individual initiating the charge will be so informed.

The judicial officer shall meet separately with the student and those bringing the charges and shall weigh appropriate evidence. Within ten business days, the judicial officer shall notify the student in writing of his/her decision, including the sanction if a violation is determined to have occurred. Written notification shall include a statement of the student's option to appeal to the judicial appeal board and the opportunity to seek advisement on the judicial process.

WAC 516-23-085 Appeals. An accused student may appeal a decision of the judicial officer to the judicial appeal board. The student is allowed one appeal to the university judicial appeal board. The appeal must be made in writing to the vice-president for student affairs/dean for academic support services or designee within ten business days of receiving the judicial officer's written decision. An extension of an additional ten business days will be granted upon the student's request. The appeal must indicate the basis for the appeal. The vice-president shall notify the judicial appeal board chair of the pending appeal. No sanction may be invoked while an appeal is pending, except as provided in "Interim suspension permitted," WAC 516-22-150.

WAC 516-23-090 Basis for appeal. Allowable reasons for appeal are:

(1) The original conduct hearing was not conducted in conformity with prescribed procedures or the code was misinterpreted by the judicial officer.

(2) The decision reached regarding the accused student was based upon insufficient evidence.

(3) The sanction(s) imposed is/are disproportionate to the violation of that section of the code which the student is found to have violated.

A student bringing an appeal based upon any of the preceding three reasons shall be provided the opportunity to present his/her case to the judicial appeal board. The chair of the judicial appeal board may, at his/her discretion, choose to limit any part of the case that requires review.

(4) To consider new substantive evidence because such evidence was not presented by the person appealing at the time of the original conduct hearing. Appeals based upon new evidence will be heard by the university judicial officer.

WAC 516-23-095 Appeal hearing procedures. The judicial appeal board chair shall notify the student of the date of the appeal hearing. The hearing shall be set not less than five nor more than fifteen business days from the date of notification or as mutually agreed upon by the student and the university. A student who does not appear before the judicial appeal board at his/her appeal hearing waives the privilege to have the appeal heard at another time. The judicial appeal board may proceed with the appeal based upon consideration of the evidence available to them without the student's presence, or the appeal may be dismissed at the discretion of the judicial appeal board.

(1) Notification of the appeal hearing shall include:

(a) Time, date and location of hearing.

(b) Identification of the section of the "Student Rights and Responsibilities Code" which the student is alleged to have violated.

(c) Nature and date of the alleged violation.

(d) Copy of the code.

(e) Name of the university office where procedural advice can be sought.

(f) Statement of the student's right to call witnesses, to speak on his/her own behalf, to be accompanied by an advocate of his/her choice.

(g) Statement of the student's right to review written or tape recorded evidence prior to the appeal hearing.

(2) Appeal hearings shall be conducted in a manner which is informal and at the same time assures fundamental fairness of procedure. Appeal hearings shall be closed to the public unless the accused student requests an open hearing.

(a) No student who is charged with violation shall be asked to give information or to answer questions concerning an alleged violation of this code unless the student has received notification of a hearing in accordance with the notification provision above.

(b) The student may bring witnesses, speak in his/her own behalf and may have present an advocate of his/her own
choice. The advocate's function is to provide support to the student but may not address the board.

(c) The student may have an attorney present at the appeal hearing to advise the student in the presentation of his/her appeal. The attorney may not address the judicial appeal board unless he/she is called as a material witness in the case.

(d) An accused student has the option to present questions to the judicial appeal board to be asked of the person(s) making the allegation and those who present testimony.

(e) The judicial appeal board chair and the accused student may call any person to speak concerning the alleged violation. The board chair may limit or exclude testimony which is irrelevant, immaterial or repetitious.

(f) Five members shall constitute a quorum of the judicial appeal board. Actions by the board require support by a majority of those members present at the time of the hearing and during presentation of the testimony. A board member may be excused from listening to part of the testimony with the chair's approval, if the testimony is preserved by tape recording and the absence is due to extenuating circumstances.

(g) Any member of the Board who considers himself/herself unable to render an impartial decision in a particular case shall excuse himself/herself from the board's deliberations in advance and may be replaced by an alternate.

(3) The judicial appeal board chair shall notify the accused student in writing of the disposition of the case within ten business days from the conclusion of the appeal hearing.

WAC 516-28-010 Preamble. Western Washington University students enjoy the basic rights of all members of society. At the same time the student is expected to respect university rules and federal, state, and local laws. Those students who because of mental disorders are unable to do so and who represent a serious threat to themselves or others and therefore may need to be administratively withdrawn from attendance at Western Washington University are assured of a fair judicial process; at the same time, other students, faculty, and staff at Western Washington University are assured of relief from disruption of the mission of the university caused by those with behavioral problems stemming from mental disorders. This chapter advises students of their rights and responsibilities regarding behavior arising from mental disorders while enrolled at Western Washington University, and of the process the university will take if involuntary administrative withdrawal is indicated.

[Statutory Authority: RCW 28B.35.120(12). 89-11-039 (Order 89-01), § 516-28-010, filed 5/15/89.]

WAC 516-28-015 Standards for withdrawal. A student will be subject to involuntary administrative withdrawal from Western Washington University if it is determined that the student is suffering from a mental disorder (as defined in the American Psychiatric Association Diagnostic and Statistical Manual), and, as a result of the mental disorder (1) engages, or threatens to engage, in behavior which poses a danger of causing physical harm to self or others; or (2) engages, or threatens to engage, in behavior which would cause significant property damage, or directly and substantially impedes the lawful activities of others. These standards do not preclude removal from Western Washington University in accordance with provisions of other laws, rules, or regulations.

[Statutory Authority: RCW 28B.35.120(12), 89-11-039 (Order 89-01), § 516-28-015, filed 5/15/89.]

The student will also be given an opportunity to appear personally before the vice-president for student affairs or his/her designee, within two business days from the effective date of the interim withdrawal, in order to review the following issues only:

(2) Whether or not the student's behavior poses a danger of causing imminent serious physical harm to the student or others, causing significant property damage, or directly and substantially impedes the lawful activities of others;

(3) Whether or not the student has completed an evaluation, in accordance with these standards and procedures; and

(4) For what purposes and under what conditions the student may enter the campus pending completion of the informal hearing process.

(1) Students will be informed to the time, date, and location of the informal hearing in writing, either by personal delivery or certified mail, at least two business days in advance.

(2) The case file shall include an evaluation prepared by the mental health professional and the names of prospective witnesses. This file will be available for inspection by the student in the office of the vice-president for student affairs during normal business hours. This file will be available at least two business days prior to the informal hearing.

(3) The informal hearing shall be conversational and nonadversarial. Formal rules of evidence will not apply. The vice-president for student affairs or his/her designee shall exercise active control over the proceedings to avoid needless consumption of time and to achieve the orderly completion of the hearing. Any person who disrupts the hearing may be excluded.

(4) The student may choose to be assisted by a family member, a licensed psychiatrist or psychologist, or by a member of the faculty or staff of the university. Furthermore,
the student may be accompanied by legal counsel, who is limited to providing legal advice to the student.

(5) Whenever possible, the student will be expected to respond to questions asked by the vice-president for student affairs or his/her designee. A student who refuses to answer on grounds of Fifth Amendment privilege may be informed that the vice-president for student affairs or his/her designee may draw a negative inference from the refusal which might result in dismissal from the institution in accordance with these standards and procedures.

(6) Those assisting the student, except for legal counsel, will be given reasonable time to ask relevant questions of any individual appearing at the informal hearing, as well as to present relevant evidence.

(7) The informal hearing may be conducted in the absence of a student who fails to appear after proper notice.

(8) A university official and/or a licensed psychiatrist or psychologist who prepared the evaluation report may be expected to appear at the informal hearing, and to respond to relevant questions or present evidence upon request of any party involved, if the vice-president for student affairs or his/her designee determines that such participation is essential to the resolution of the case.

(9) The informal hearing shall be tape-recorded and kept with the pertinent case file in the confidential records of the vice-president for student affairs for six years, following which the records will be destroyed. During this period, the records will be accessible only upon approval of the vice-president for student affairs and then only for compelling reasons.

(10) A written decision shall be rendered by the vice-president for student affairs or his/her designee within five business days after the completion of the informal hearing. The written decision, which will be personally delivered or sent by certified mail, shall contain a statement of reasons for any determination leading to involuntary withdrawal. The student will also be advised as to when a petition for reinstatement would be considered, along with any conditions of reinstatement.

(11) The decision of the vice-president for student affairs or his/her designee shall be final and not subject to appeal within the institution.

516-34-030 Preliminary evaluation by board of trustees.
516-34-040 Public notice of intention to lease.
516-34-050 Submission of final proposals.
516-34-060 Consideration and evaluation of final proposal(s).
516-34-070 Notice of rejection.

[Title 516 WAC—p. 31]
WAC 516-34-010 Request to lease university property. Any individual desiring to provide a particular service or sell particular goods to the Western Washington University community from a leased location on the campus of Western Washington University shall submit to the vice-president for business and financial affairs of the university an initial written proposal for the provision of that service and a request to lease university property. These rules do not cover short-term space rentals, which are covered by internal procedures through the Viking Union under its sale of goods and services policy, and other internal short-term space rental procedures.

WAC 516-34-020 Consideration of request and initial proposal. (1) The vice-president for business and financial affairs or his/her designee shall make a recommendation to the president whether the university should accept proposals to lease space for the purpose of selling the particular goods or offering the proposed services. The vice-president shall consult with appropriate members of the university and shall consider the following nonexclusive list of factors:

(a) Whether there is a need for the proposed goods or services on the campus of Western Washington University;
(b) Whether the proposed sales or services are compatible with the goals and objectives of the university;
(c) Whether the proposed service or sales can be provided within the context of existing campus resources, vendors, or programs, thus rendering a new lease unnecessary;
(d) Whether the requested lease is acceptable within the framework of the university land use plan;
(e) Whether the requested lease should be considered;
(f) Which, if any, of the university property should be leased in connection with the proposed service.

(2) Upon completion of the above evaluation and recommendation of the vice-president for business and financial affairs, the university shall submit a written statement of findings with regard to the above factors to the university president. The president shall determine whether the initial proposal and/or request for lease should be denied or recommended for approval to the board of trustees for consideration.

(a) If the president determines that a particular initial proposal and/or request for lease should be denied, the vice-president for business and financial affairs shall give written notice of denial to the individual presenting the proposal and request for lease, and shall include within this notice the reasons for such denial.

(b) If the president determines the proposal and/or community request should be considered for approval by the board of trustees, the proposal and/or lease should be considered by the board of trustees at its next regularly scheduled meeting.

WAC 516-34-030 Preliminary evaluation by board of trustees. The board of trustees shall consider and evaluate each initial proposal and/or request for lease referred to the board by the president. The board of trustees may either deny or give preliminary approval in whole or in part to each such initial proposal and/or request for lease.

WAC 516-34-040 Public notice of intention to lease. Whenever the board of trustees gives preliminary approval to an initial proposal for services and request for lease, the vice-president for business and financial affairs shall forthwith give reasonable and timely notice to members of the public and to interested parties indicating that the university will consider leasing a particular area of university property in connection with the provision of a particular service to the university community. Said notice shall specify a time limit for submission of proposals by members of the public relating to said provision of services or sales of goods and/or lease.

WAC 516-34-050 Submission of final proposals. Within the time limit specified in the public notice given by the university, any individual interested in leasing the particular area of university property specified in the notice for the purpose of providing the particular service or other goods as specified in the notice shall submit a proposal to the university setting forth in detail the means and methods by which the individual would utilize the leased property and provide the desired service or offering of goods for sale to the university community. Proposals must meet all specifications and/or requirements set forth in the notice.

WAC 516-34-060 Consideration and evaluation of final proposal(s). (1) The vice-president for business and financial affairs shall carefully examine and evaluate all proposals for lease of university property and provision of services or selling of goods. The factors considered by the university in evaluating such proposals shall include but not be limited to the following:

(a) The capabilities, qualifications, and experience of each person, firm, corporation, or organization who would be involved in the execution of the proposal;
(b) The financial stability of each person, firm, corporation, or organization owning and/or operating the proposed service facility;
(c) The educational, academic and financial value of each proposal to the university;

(2) Upon completion of the evaluation, the vice-president for business and financial affairs shall evaluate which, if any, of the submitted proposals is in the best interests of
the university. The vice-president for business and financial affairs shall have authority to reject all proposals as being unsatisfactory. The vice-president for business and financial affairs shall forward his/her recommendation as to the best proposal and the reasons therefor to the president in writing.

(3) The president shall make a final determination of which proposal is in the best interest of the university and shall award the lease to that applicant. The president's decision is final and not subject to further appeal with the university.
