Waiver of interest on past due receivables.

WAC 82-06-010 Waiver of interest on past due receivables. (1) Under RCW 43.17.__(section 2, chapter 85, Laws of 1991), state agencies may waive the mandatory one percent per month interest charge on past due receivables if any of the following criteria apply:

(a) It would not be cost effective to charge interest on an individual debt or a class of debts. This includes, but is not limited to, the following:

- (i) Situations where the cost of charging interest is expected to exceed the amount of interest received;
- (ii) Situations where the cost of developing systems to charge interest is expected to exceed the amount of interest received. The word "systems" in this context refers to both computer systems and general systems of managing and processing receivables.

(b) Late payment was caused by the state, such as by providing incorrect information or instructions, or by providing necessary forms and instructions too late for timely payment when the forms or instructions had been ordered timely.

(c) The delinquency was caused by the death or serious illness of:

- (i) The person responsible for paying the debt; or
- (ii) A person whose assistance was vital to the payment, such as the accountant; or
- (iii) A person in the immediate family of a person in (i) or (ii) of this subsection.

(d) Payment was made on time, but to the wrong governmental agency.

(e) The delinquency was caused by the destruction by fire or other casualty of the debtor's place of business, home, or records.

(f) Late payment was caused by natural disasters, disruptions in postal or delivery service, power failures, work stop-

pages due to labor disputes, or any other cause resulting from circumstances clearly beyond the control of the debtor.

(g) The account is subject to good faith dispute when, before the date of timely payment, notice of the dispute is:

- (i) Sent by certified mail; or
- (ii) Personally delivered; or
- (iii) Sent in accordance with procedures in the contract.

(h) The debt is for public assistance or food stamp overpayments to individuals, where the overpayments were not in whole or in part caused by the recipients.

(i) Late payment on the debt is the result of late payment by another payor, such as when a person damages state property but does not know the amount of his or her personal obligation to the state until the portion covered by the person's liability insurance is known.

(j) The charging of interest would damage international relations.

(2) Requests for waivers of interest under criteria in subsection (1)(b), (c), (d), (e), and (f) of this section must be in letter form, must contain all pertinent facts, must be accompanied by such proof as is available, and must be received by the department within sixty days of the incident. The burden of proving the facts is on the debtor.

Waivers under the remaining criteria in subsection (1) of this section must be documented for the purpose of audits by the state auditor's office.

(3) Each agency must apply the criteria in subsection (1) of this section consistently.

[Order 34, § 82-48-010, filed 9/16/76.]

WAC 82-48-020 Definitions. (1) "Public record" includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used or retained by any state or local agency regardless of physical form or characteristics.

(2) "Writing" means handwriting, typewriting, printing, photostatting, photographing, and every other means of recording any form of communication or representation, including letters, words, pictures, sounds; or symbols or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums and other documents.

[Title 82 WAC—p. 10]

(3) The abbreviation, OPP&FM, as used hereinafter shall mean the office of program planning and fiscal management. Where appropriate, the abbreviation OPP&FM also refers to the staff and employees of the office of program planning and fiscal management.

[Order 34, § 82-48-020, filed 9/16/76.]

WAC 82-48-030 Description of the office of program planning and fiscal management. OPP&FM is the agency having primary responsibility for the fiscal affairs of state government in accordance with chapters 43.41 and 43.88 RCW. It is organized into a budgeting division, an accounting division, and other divisions which support and augment these activities.

[Order 34, § 82-48-030, filed 9/16/76.]

WAC 82-48-040 Responsibilities. The responsibilities of OPP&FM include preparation of the governor's budget for presentation to the legislature, operation of the budget allotment system, and maintenance of central books of account containing timely records of changes in the financial status of the state. OPP&FM also provides technical assistance to the governor and legislature by preparing notes and recommendations, based on information it has obtained, concerning needs and policies recommended for meeting these needs through state programs. In addition, the Revised Code of Washington contains a body of statutes which assign specific duties of an advisory, supervisory, regulatory or similar nature to OPP&FM. All of these relate either directly or indirectly to the financial affairs of the state of agencies thereof. A summary of statutes under which the agency operates is maintained in the office of the deputy director of OPP&FM. This summary is hereby designated as a portion of this chapter.

[Order 34, § 82-48-040, filed 9/16/76.]

WAC 82-48-050 Method of operation. In carrying out its responsibilities, OPP&FM receives information about the management and operation of state agencies and their programs. This information includes, but is not limited to: Budget proposals, short and long-range goals and the plans developed to meet them, present and projected workloads, capital and operating resource requirements, detailed and summary reports of current expenditures, financial commitments, etc. This information is obtained both on a routine basis and in response to requests from the executive and legislative branches. It is recorded and evaluated by OPP&FM and becomes the basis for reports, recommendations, approval of expenditures and, in certain cases, for the establishment of firm criteria for the disbursement of state funds. An example of the latter use is the annual determination of the population of all cities and towns in the state, required by RCW 43.62.030, which is the basis for distribution of tax revenues to these communities.

In obtaining the necessary data to perform these functions, OPP&FM employs numerous methods of communication including, but not limited to: Reports submitted by state agencies, meetings with agency representatives, memoranda

and informal contacts between its personnel and that of respondent agencies.

When necessary for the timely and uniform execution of its duties, OPP&FM exercises its statutory power to place standardized reporting requirements upon other agencies of state government.

OPP&FM has published and currently maintains a manual of "Policies and regulations" for the guidance of state agencies in fiscally-related matters.

[Order 34, § 82-48-050, filed 9/16/76.]

[Order 34, § 82-48-060, filed 9/16/76.]

WAC 82-48-070 Commercial purposes. No provisions of any regulation contained in this chapter 82-48 WAC shall be construed as giving authority to any officer or employee of OPP&FM to give, sell, or provide access to lists of individuals requested for commercial purposes.

WAC 82-48-080 Public records officer. The public records officer, designated by the agency director, shall be in charge of the public records of OPP&FM. The person so designated shall be located in the office of the deputy director. The public records officer shall be responsible for the following: Implementation of the agency's rules and regulations regarding release of public records for inspection and copying, coordinating the staff of the agency in this regard, and generally insuring compliance by the staff with the public records disclosure requirements of RCW 42.17.250 - 42.17.340.
