The University has the sole option of determining whether this notice to the remaining contractors is made by:

- (a) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done;
- (b) Mailing a notice to these contractors; or
- (c) Sending a notice to these contractors by facsimile or other electronic means.

(3) For purposes of this resolution, "equitably distribute" means that the University may not favor certain contractors on the appropriate Small Works Roster over other contractors on the appropriate Small Works Roster who perform similar services. At the time bids are solicited, the University representative shall not inform a contractor of the terms or amount of any other contractor's bid for the same project.

(4) A written record shall be made by the University representative of each contractor's bid on the project and of any conditions imposed on the bid. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(5) The University shall award the contract for the public works project to the lowest responsible bidder provided that, whenever there is a reason to believe that the lowest acceptable bid is not the best price obtainable, all bids may be rejected and the University may call for new bids. In addition to price, the University shall take into account the following:

- (a) The ability, capacity, and skill of the bidder to perform the contract;
- (b) The character, integrity, reputation, judgment, experience, and efficiency of the bidder;
- (c) Whether the bidder can perform the contract within the time specified by the University;
- (d) The quality of the bidder's performance of previous contracts or services;
- (e) The previous and existing compliance by the bidder with laws relating to the contract or services;
- (f) Such other information as may be secured having a bearing on the decision to award the contract.
