The vice-president for student services or, in his/her absence, the vice-president for instruction, may delegate this responsibility to members of their staff and they may also establish committees or other hearing bodies to advise or act for them in disciplinary matters. That official shall then follow the appropriate procedures for any disciplinary action which is deemed necessary relative to the alleged misconduct.

(2) Any student accused of violating any provision of the rules of conduct shall be called for an initial meeting and in order that any informality in disciplinary proceedings not mislead the student as to the seriousness of the matter under consideration, will be informed of what provision(s) of the rules of conduct he/she is charged with violating, and what appears to be the range of penalties, if any, which might result from disciplinary proceedings.

(3) After considering the evidence in a case and interviewing the student or students involved, the vice-president for student services or, in his/her absence, the vice-president for instruction or designee may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students.

(b) Dismiss the case after providing whatever counseling and advice may be appropriate.

(c) Impose disciplinary sanctions directly, subject to the student's right of appeal as described in this procedure. The student shall be notified in writing of the action taken except that disciplinary warnings may be given verbally.

(d) Refer the matter to the student/faculty disciplinary committee for appropriate action. The student shall be notified in writing that the matter has been referred to the committee.

(4) If a referral or an appeal is made to the student/faculty disciplinary committee, the committee shall hold a hearing, reach conclusions and may impose sanctions.

WAC 132B-120-130 Sanctions. (1) Sanctions for violations of college regulations or conduct may be imposed independent of any action taken by civil authorities. In the case of minors, misconduct may be referred to parents or legal guardians.

(2) More than one sanction may be recommended. Sanctions may include, but are not limited to:

(a) Disciplinary warning. Constitutes oral notice of violation of college rules and regulations.

(b) Reprimand. Formal action after censuring a student for violation of college rules or regulations for failure to satisfy the college's expectations regarding conduct. A reprimand indicates to the student that continuation or repetition of the specific conduct involved or other misconduct will result in one or more serious disciplinary actions described below.

(c) Disciplinary probation. Formal action placing conditions upon the student's continued attendance. Notice will be made in writing, specifying the period of probation and the conditions of the probation. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the college. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(d) Restitution. Compensation for loss, damage, or injury to the appropriate party in the form of service, money, or material replacement.

(e) Discretionary sanctions. These may include but are not limited to: Work assignments, service to college or community, class/workshop attendance or other discretionary assignments such as educational interventions intended as learning experiences.

(g) No contact. Restriction from entering specific college areas and/or all forms of contact with certain person(s).

(h) Summary suspension. Temporary dismissal from the college for a period of time during which an investigation and/or formal disciplinary procedures are pending. Summary suspension is predicated upon a reasonable belief that the student presents an imminent danger to college property, to other students, to employees of the college or is of significant disruption to the educational process.

(i) During the period of summary suspension, the student may enter the college premises only to meet with the vice-president for student services or a designee; to deliver a written appeal; to attend a hearing; or otherwise with special permission from the vice-president for student services.

(ii) At the end of the summary suspension period, the student shall be reinstated to prior status subject to any other disciplinary sanctions that may have been imposed.

(i) Suspension. Temporary dismissal from the college and termination of student status.

(j) Expulsion. Permanent termination of student status from the college.

(3) Refund of fees for the quarter in which disciplinary action is taken shall be in accord with the college's refund policy. Fees paid in advance for subsequent quarters will be refunded.

WAC 132B-120-135 Summary suspension procedures. (1) If the vice-president for student services deems summary suspension appropriate, she/he shall give the student oral or written notice of the reasons for summary suspension, duration of the summary suspension, and of any possible additional disciplinary or corrective action that may be taken. If oral notice is given, written notice shall follow within two calendar days. In addition, the vice-president for student services shall set a date for informal hearing of the summary suspension as soon as practicable.

(2) The presiding officer for the informal hearing shall be an administrator designated by the president other than the administrator who initially imposed the summary suspension (normally, the vice-president for student services) and will be accompanied by the president of the associated students of Grays Harbor College or designee. The student shall be given the opportunity to present written and/or oral evidence. The issue before the presiding officer shall be whether reasonable cause exists to support and to continue the summary suspension.

(3) The presiding officer shall issue a written decision within two days of the informal hearing.

(4) The student may request a de novo review of the informal hearing decision before the student/faculty disciplinary committee. Either party may request the review to be consolidated with any other disciplinary proceeding arising from the same matter.

(5) Nothing herein shall prevent faculty members from taking summary action as may be reasonably necessary to maintain order in the classroom and/or prevent substantial disruption to the educational process. Such summary action in the form of removal from the classroom may not exceed two days per episode. Any such summary action may be appealed to the vice-president for student services for an informal hearing.

WAC 132B-120-180 Student/faculty disciplinary committee procedures. (1) The student has a right to a fair and impartial hearing before the committee on any charge of misconduct resulting in disciplinary action other than warning or reprimand.

(2) The committee chair shall establish general rules of procedures for conducting hearings. A majority of the committee shall set the time, place and available seating capacity for a hearing. All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(3) The committee shall issue written notice of the date, time and place of the hearing, and the charges against the student consistent with RCW 34.05.434. This notice of hearing shall be provided no later than seven days prior to the date of the hearing. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date if so requested in writing by the student.

(4) The student may be represented by counsel and/or accompanied by an advisor of his/her choice, who is not, however, an employee of the college. If the student elects to choose a duly licensed attorney admitted to practice in the state of Washington as counsel, notice thereof must be tendered by the student to the vice-president for student services at least five calendar days prior to the hearing.

(5) The student or his/her representative shall be entitled to hear and examine the evidence against him/her and be informed of the identity of its sources; the student shall be entitled to present evidence in his/her own behalf and to question witnesses testifying against him/her as to factual matters. The committee shall request the administration to provide the student a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(6) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether the student is guilty of the misconduct charged but the student's past record of conduct may be taken into account in formulating the committee's recommendation for disciplinary action.

(7) Hearings conducted by the committee may be held in closed session at the discretion of the committee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing, invited guests are disruptive of the proceedings, the chair of the committee may exclude such persons from the hearing room.

(8) Failure on the part of the student(s) to appear or cooperate in the proceedings may result in default in accordance with RCW 34.05.440. However, it may not preclude the committee from making its findings of fact, reaching conclu-

(2003 Ed.)

sions and imposing sanctions. Failure of the student to cooperate may be taken into consideration by the committee in recommending penalties.

(9) The committee may decide to uphold or modify sanctions in accordance with WAC 132B-120-130.

(10) An adequate summary of the proceedings will be kept. At a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student services during regular business hours. The student will be provided with a copy of the findings of fact and with the conclusions of the committee.

(11) The student will also be advised of his/her right to present within seven calendar days, a written statement of appeal to the president of the college before action is taken on the decision of the committee. In the case of a student under eighteen years of age, written notice of any action involving dismissal or disciplinary probation may be sent to the parents or guardian of the student.

(12) If the student concludes that the action of the disciplinary committee is inappropriate, the student may appeal the matter to the president of the college. The president of the college or his/her designated representative, after reviewing the case, including the report of the committee and any statements filed by the student, shall either indicate his/her approval of the conclusions of the committee by sustaining its decision, shall give directions as to what other disciplinary action shall be taken by modifying its decision or shall nullify previous sanctions imposed by reversing its decision. The president shall then notify the official who initiated the proceedings, the student and the committee chair. The decision of the president is final.

(1) Disciplinary action by any college employee may be appealed to, and shall be reviewed by, the vice-president for student services, or in his/her absence, the vice-president for instruction or designee.

In addition, any organization or association found to have knowingly permitted hazing to be conducted by its members or by others subject to its direction or control shall be deprived of any official recognition or approval granted by the college.

WAC 132B-120-220 Student grievance procedure. The purpose of these procedures is to provide guidelines which enable a student to express and resolve misunderstandings, complaints, or grievances in a fair and equitable manner. Students have the right to receive clear information and fair application of college policies, standards, rules and requirements and are responsible for complying with them in their relationships with college personnel. This grievance procedure emphasizes an informal resolution which promotes constructive dialogue and understanding.

(1) Student complaints. A complaint is any expression of dissatisfaction with the performance of a college employee, policy or procedure. Students who have a complaint shall use the following procedure:

Step 1. If the complaint is about the action of a college employee, the college employee and student shall make a good faith effort to resolve the grievance on a one-to-one basis. If the complaint is about a policy or procedure, it should be discussed with the employee most closely responsible for the policy or procedure. Both parties should openly discuss the concern, attempt to understand the other's perspective, explore alternatives and attempt to arrive at a satisfactory resolution.

Step 2. If the student determines that the complaint cannot be resolved to his/her satisfaction with the employee concerned, he/she should contact one of the following people:

(a) The vice-president for instruction for complaints regarding an instructional employee, policy or procedure; or

(b) The vice-president for student services regarding any other employee, policy or procedure.

The student may be referred to other appropriate personnel for resolution.

[Title 132B WAC—p. 11]

Step 3. The vice-president will discuss with the student his/her concerns including options available to resolve the concern. The student may be requested to indicate in writing the nature of the grievance specifying as accurately as possible all details. Following discussion and the gathering of any further information as needed, the vice-president, within twenty working days, will issue a decision to resolve the complaint and report his/her findings to all involved parties. If an investigation requires more time, the deadline may be extended to a mutually agreed future date.

Step 4. If the meeting with the vice-president does not resolve the complaint to the student's satisfaction, he/she may appeal to the president of the college. The president may amend, modify, reverse or accept the recommendation of the vice-president. The decision of the president shall be final.

(2) Records. The vice-president shall keep all written statements or transcripts associated with the complaint as part of the files. The files will be destroyed after six years from the initiation of the complaint.

(3) Time limits on filing a complaint. The student must file a complaint within one academic quarter of the event which caused the grievance to be filed. The vice-president may suspend this rule under exceptional circumstances such as extended illness, or leave of a party to the complaint. No complaints will be considered after two academic quarters of the occurrence of the source of the grievance. When either party to the complaint is no longer present at the college and does not expect to return, the vice-president will give the absent party reasonable opportunity to reply to the complaint before making a decision.

(4) Grievances excluded. The student grievance procedure described in this section is not intended to cover complaints of discrimination or sexual harassment. The college has separate, specific procedures for such complaints. See the vice-president for student services or the equity resource director for information on those specific procedures.

A student may not use the provisions of these sections as the basis for filing a grievance based on the outcome of summary or other disciplinary proceedings described in earlier sections of this student rights and responsibilities code or for resolution of specific categories of student complaints where other procedures are required.

Federal and state laws, rules and regulations, in addition to policies, regulations and procedures adopted by the state board for community college education or the board of trustees of Community College District No. 2 shall not be grievable matters.

[Statutory Authority: RCW 28B.50.140(13), 98-09-012, § 132B-120-220, filed 4/6/98, effective 5/7/98.]

WITHHOLDING SERVICES FOR OUTSTANDING DEBTS

WAC

132B-122-010 Withholding services for outstanding debts.

WAC 132B-122-010 Withholding services for outstanding debts. If any person, including faculty, staff, student, or former student, is indebted to the institution for an

[Title 132B WAC—p. 12]

outstanding overdue debt, the institution need not provide any further services of any kind to such individual, including but not limited to transmitting files, records, transcripts or other services which have been requested by any such person. The institution also reserves the right to off set any funds received from an individual against an outstanding overdue debt.

Upon receipt of such a request for services where there is an outstanding debt due the institution from that person, the institution shall notify the person, in writing, that the services will not be provided since there is an outstanding debt due the institution, and further that until that debt is satisfied, no such services will be provided the individual. When the institution exercises its right of off set, the institution shall notify the person, in writing, of the amount applied and balance due, if any.

The notification referred to above shall also inform the individual that he has a right to a hearing before a person designated by the president of the institution if he believes the records of the institution are incorrect concerning his indebtedness. The notification shall also indicate that the request for the hearing must be made within ten days from the date of the notification.

Upon receipt of a timely request for a hearing, the person designated by the president shall have the records and files of the institution available for review and, at that time, shall hold an informal hearing concerning whether the individual owes or owed any outstanding debts to the institution. After the informal hearing, a decision shall be rendered by the president's designee indicating whether the institution is correct in withholding services and/or applying off set for the outstanding debt. If the outstanding debt is found to be owed by the individual involved, the off set shall remain applied and/or no further services shall be provided. Notification of this shall be sent to the individual within five days after the hearing. This decision shall constitute an informal proceeding established by the institution pursuant to the Higher Education Administrative Procedure Act as defined in RCW 28B.19.110.

WAC 132B-128-010 General statement of policy. In accordance with the provisions of sections 32 through 45, chapter 283, Laws of 1969 ex. sess., as amended by chapter 5, Laws of 1970 ex. sess., the following procedures for tenure at Community College District No. 2 will be implemented as of January 29, 1973. These procedures supersede the previously adopted tenure regulations, Grays Harbor College.

(2003 Ed.)

Granting of tenure should be the rule, not the exception; if denial of tenure becomes the rule, the hiring practices of the college shall be reevaluated.

Tenure policy statement. The only difference between a nontenured and a tenured faculty member is that the latter is evaluated periodically for the purpose of improving services and instruction and the former is evaluated regularly for the additional purpose of granting tenure. The dean of instruction shall hold an election and select a tenure review committee which will interview and evaluate the probationer and will make recommendations to the board of trustees regarding the professional qualifications of the nontenured faculty member.

It shall be the policy of Community College District No. 2 that the board of trustees, on the recommendation of the tenure review committee which has interviewed and evaluated the probationer, may grant tenure at any time between the assumption of his faculty position and the end of the three year probationary period, except that compelling reasons must be shown for the award of tenure prior to the third year of probation.

Only special circumstances, which shall be described in writing, will permit the faculty member to work less than a regular load and retain a full-time contract.

Dismissal review committee - A committee to hear dismissal cases shall be composed of a member of the administrative staff, a student representative, and members of the teaching faculty. The representatives of the teaching faculty shall represent a majority of the members on each review committee. Probationary faculty appointment - A faculty appointment for a designated period of time which may be terminated without sufficient cause upon expiration of the probationer's terms of employment.

WAC 132B-128-030 Procedure for granting tenure.

(1) Selection of the tenure review committee -

(a) A tenure review committee shall be established for each probationer. The committee shall be responsible for the probationer until he is either granted tenure or is no longer employed within Community College District No. 2. If a vacancy occurs during the terms of service of the tenure review committee members, the dean of instruction will call a special election within two weeks to fill that position.

(b) The dean of instruction shall be responsible for the establishment of each tenure review committee, which shall normally begin functioning no later than four weeks after the day that the probationer has begun his faculty duties.

(c) Each tenure review committee shall be composed of five members. There shall be automatic nomination of the appropriate division chairman to position number one. One faculty member shall be nominated by the probationer to position number two. After these nominations are made, the dean of instruction shall call an all-faculty meeting at which faculty members shall nominate one or more faculty members for position number three and may nominate faculty members for positions one and two. A vote shall be taken and the nominee receiving a majority vote for a particular position shall be elected. If no candidate for a particular position receives a majority vote, a run-off election shall be held within five days between the two candidates receiving the largest number of votes. A student representative, who shall be a full-time student, shall be appointed by Grays Harbor College student council to position number four. The president of the college shall appoint a member to position number five.

(2) Evaluation of the probationer -

If the probationer disagrees with the tenure review committee's recommendation, he shall be given an opportunity to challenge it before the college president.

(3) Final action on tenure -

(a) The final decision to award or withhold tenure shall rest with the board of trustees (appointing authority) after it has given reasonable consideration to the recommendations of the tenure review committee, and reasonable consideration to the recommendation of the college president. Any recommendations of the tenure review committee and the president shall be advisory only and not binding upon the board of trustees (appointing authority).

(b) If the probationer is not to be retained, he must be informed no later than the last day of winter quarter.

(c) If the probationer is dismissed prior to the termination of his contract, his case shall be considered by the dismissal review committee in accordance with the laws of the state of Washington and the dismissal policy of Community College District No. 2.

[Statutory Authority: RCW 28B.50.140(13), 79-08-129 (Order 79-1, Resolution No. 11-79), § 132B-128-030, filed 8/1/79; Order, § 132B-128-030, filed 3/28/73.]

WAC 132B-128-040 Basis for dismissal. A tenured faculty member shall not be dismissed from his appointment except for sufficient cause, nor shall a faculty member who holds a probationary faculty appointment be dismissed prior to the dates established in the written terms of his appointment except for sufficient cause which is of a substantial nature and is not frivolous or inconsequential as determined by the board of trustees, and when it is determined by the board of trustees that the termination of his employment would be in the best interests of the community college district.

WAC 132B-128-050 Procedures for dismissal. (1) A dismissal review committee created for the express purpose of hearing dismissal cases shall be established no later than October 15 of each academic year (except if this provision is passed after October 15 of any academic year, the dismissal review committee will be chosen within thirty days after passage of this provision), and shall be comprised of the following members:

(a) One member chosen by the college president

(b) Three faculty members chosen by the faculty and division heads acting in a body and in the following manner:

(i) Two individuals will be nominated for each of positions one, two and three by a district-wide random selection process as described in (v) below.

(ii) Two individuals will be nominated in the same manner as (i) above to run for each of three alternate positions identified as alternate one, alternate two and alternate three.

(iii) The nominees receiving a majority of the votes cast will be elected for a one-year term.

(iv) In case of a vacancy in position one, two or three occurring any time after the election, the vacancy will be filled by the alternates, beginning with alternate one.

(v) A district-wide random selection process will be developed by the president of Grays Harbor College. This selection process will be designed to remove any element of preselection or predisposition from the dismissal review committee selection process.

(c) A student representative, who shall be a full-time student, shall be appointed by the Grays Harbor College student council. The student council shall also appoint a full-time student as an alternate member to serve on the dismissal review committee should the regularly appointed member be unable to serve on the committee.

(d) The college president shall choose one alternate member to serve on the dismissal review committee should the regularly appointed member be unable to serve on the committee.

(e) The dismissal review committee will select one of its members to serve as chairman.

(2) When the president receives or initiates a formal written recommendation about a faculty member which may warrant dismissal, he shall inform that faculty member. Within ten days after having been so informed, the faculty member will be afforded an opportunity to meet with the president or his designee and the chairman of the division. At this preliminary meeting, which shall be an information-gathering session, an adjustment may be mutually agreed upon. If the matter is not settled or adjusted to the satisfaction of the college president, he shall recommend that the faculty member be dismissed.

(3) If the president recommends that the faculty member be dismissed, he shall:

(a) Deliver a short and plain statement to the faculty member which shall contain:

(i) The grounds for dismissal in reasonable particularity;

(ii) A statement of the legal authority and jurisdiction under which the hearing is to be held;

(iii) Reference to any particular statutes or rules involved.

(b) Call into action the dismissal review committee and deliver the above statement to the members of the dismissal review committee, if the professional requests a hearing.

(4) After receiving the president's recommendation for dismissal, the affected professional may request a hearing within the following five days. If the president does not receive this request within five days, the professional's right to a hearing will be deemed waived.

(5) If the president receives a request for a hearing, the dismissal review committee shall, after receiving the written recommendation from the college president, establish a date for a committee hearing giving the faculty member so charged twenty days notice of such hearing, and inform in writing the faculty member so charged of the time, date and place of such hearing.

(6) The dismissal review committee shall:

(a) Hear testimony from all interested parties, including but not limited to other faculty members and students and receive any evidence offered by same;

(b) Afford the faculty member whose case is being heard the right of cross-examination and the opportunity to defend himself and be accompanied by legal counsel;

(c) Allow the college administration to be represented by an assistant attorney general.

(7) The dismissal review committee shall include a neutral presiding officer appointed by the appointing authority. Such presiding or hearing officer shall not be a voting member of the committee; it shall be his responsibility to:

(a) Make all rulings regarding the evidentiary and procedural issues presented during the course of the dismissal review committee hearings;

(b) Meet and confer with the members of the dismissal review committee and advise them in regard to procedural and evidentiary issues considered during the course of the committee's deliberations;

(c) Appoint a court reporter, who shall operate at the direction of the presiding officer and shall record all testimony, receive all documents and other evidence introduced during the course of hearings, and record any other matters related to the hearing as directed by the presiding officer;

(d) Prepare a record which shall include:

(i) All pleadings, motions and rulings;

(ii) All evidence received or considered;

(iii) A statement of any matters officially noticed;

(iv) All questions and offers of proof, objections and rulings thereon;

(v) Proposed findings and exceptions;

(vi) A copy of the recommendations of the dismissal review committee.

(8) A copy of the above shall be transcribed and furnished upon request to the faculty member whose case is being heard.

(9) The hearing shall be closed. However, interested parties, including but not limited to faculty members and students, will be given an opportunity to present evidence.

(10) Within ten college calendar days of the conclusion of the hearing, the dismissal review committee will arrive at its recommendations in conference on the basis of the hearing. Before doing so, it should give the faculty member or his counsel(s) and the representative designated by the president of the college the opportunity to argue orally before it. If written briefs would be helpful, the dismissal review committee may request them. The dismissal review committee may proceed to a recommendation promptly or await the availability of a transcript if making a fair recommendation would be aided thereby. Within fifteen college calendar days of the conclusion of the hearing the president of the college, the faculty member and the board of trustees will be presented with recommendations in writing and given a copy of the record of the hearing.

(11) The board of trustees shall meet within a reasonable time subsequent to its receipt of the dismissal review committee recommendations to consider those recommendations. The board of trustees shall afford the parties the right to oral and written argument with respect to whether they will dismiss the faculty member involved. The board of trustees may hold such other proceedings as they deem advisable before reaching their decision. A record of the proceedings at the board level shall be made and the final decision shall be based only upon the record made before the board and the dismissal review committee, including the briefs and oral arguments. The decision to dismiss or not to dismiss shall

rest, with respect to both the facts and the decision, with the board of trustees after giving reasonable consideration to the recommendations of the dismissal review committee. The dismissal review committee's recommendations shall be advisory only and in no respect binding in fact or law upon the decision maker, the board of trustees. The board of trustees shall within fifteen days following the conclusion of their review, notify the charged faculty member in writing of its final decision.

(12) Suspension of the faculty member by the president during the administrative proceedings involving him (prior to the final decision of the board of trustees) is justified if immediate harm to himself or others is threatened by his continuance. Any such suspension shall be with pay.

(13) Except for such simple announcements as may be required covering the time of the hearing and similar matters, no public statements about the case shall be made by the faculty member, the dismissal review committee or administrative officers of the board of trustees until all administrative proceedings and appeals have been completed.

(14) Any dismissed faculty member shall have the right to appeal the final decision of the board of trustees within ten days of the receipt of the notice of dismissal. The filing of an appeal shall not stay enforcement of the decision of the board of trustees.

(15) If the president of Grays Harbor College initiates a formal written recommendation that a faculty member be dismissed and the board of trustees decides to retain the faculty member, or if the trustees' decision to dismiss a faculty member is reversed by a court, all evidence concerning the dismissal will be removed from the faculty member's permanent personnel file if the reason for the denial of the recommendation was the president's failure to establish the facts which were the basis for the dismissal recommendation.

If the facts which were the basis for the dismissal recommendation were shown to the satisfaction of the trustees and the courts, but the dismissal recommendation was not followed because the trustees or the courts decided that the facts were not sufficient to warrant dismissal, the facts which were shown would be retained in the faculty member's permanent personnel file along with a record of the outcome of the dismissal proceeding.

If the facts are to be retained in the faculty member's permanent personnel file, the faculty member will be given an opportunity to review the facts and to write an explanation which will be retained along with the findings of fact.

WAC 132B-128-100 Academic employee reduction procedure. If an academic employee with a full-time faculty appointment is to be laid off for program termination or reduction, decreases in enrollment, changes in educational policy or substantial evidence of a serious shortage of funds, the Grays Harbor College policies and procedures for tenure and dismissal will be utilized and the following criteria and procedures will be used:

(1) The president, with consultation from his administrative staff, will review the nature of the problem facing the

college. If the president determines that reductions in staff are or will be necessary in the near future, he will give notice of the potential reductions to the recognized academic employee organization. The notice which the president gives to the recognized academic employee organization shall include:

- (a) The reasons for the proposed reductions in force;
- (b) The number of academic employees to be considered for layoff.

(2) The recognized academic employee organization will then have the right to meet with the president who shall fully document the need for such reductions in staff. The president shall present and explain the major criteria to be used to identify those to be laid off. If any courses currently in the curriculum are expected to be eliminated, he shall identify those courses and explain why they have been judged not to be the most necessary course offerings to maintain the best possible quality educational opportunities at Grays Harbor College.

(3) The need for a reduction in force will be determined on the basis of the need for reduction in each division of Grays Harbor College.

(4) The divisions at Grays Harbor College, for purposes of this document, shall be business administration, English-speech, health and physical education, humanities, life sciences, physical science and mathematics, social science, vocational-technical, administration, library, and student services.

(5) Within a reasonable time after the start of the fall quarter of each year, the dean of instruction, with advice from the appropriate division chairman, shall assign each academic employee to a division. An academic employee may not be a member of more than one division. (If this code is passed during the school year, the dean of instruction shall assign the academic employees to their respective divisions within a reasonable period of time after passage of this code.)

(6) If the number of academic employees is to be reduced, the president, with advice from the dean of instruction and division chairmen, shall decide in the case of each affected division what course offerings and/or other services are most necessary to maintain quality education at Grays Harbor College. The president shall consider but not be limited to the following factors:

(a) The enrollment and the trends in enrollment for not less than four consecutive quarters, if applicable, and their effect upon each division;

(b) The goals and objectives of Grays Harbor College and the state board for community college education;

(c) Information concerning faculty and administrative vacancies occurring through retirement, resignation, sabbaticals and leaves of absence.

(7) Those duties associated with the course offerings and/or other services determined to be most necessary at Grays Harbor College will be considered needed duties of an academic employee.

(8) The president's determination of the most necessary course offerings and/or other services is not subject to review by the dismissal review committee.

(9) If a reduction is necessary within a division, the following order of layoff will be utilized provided there are qualified academic employees to replace and perform all the needed duties of the academic employees to be laid off: First,

part-time academic employees; second, probationary appointees with the least seniority; third, full-time tenured academic employees with the least seniority.

(10) Seniority shall be determined by establishing the date of the signing of the first full-time contract for the most recent period of continuous full-time professional service for Grays Harbor College which shall include leaves of absence, sabbatical leaves, and periods of layoffs. (This shall include professional services for the Aberdeen School District No. 5 prior to July 1, 1967, if assigned to Grays Harbor College.) The longest terms of employment as thus established shall be considered the highest level of seniority. In instances where academic employees have the same beginning date of full-time professional services, seniority shall be determined in the following order:

(a) First date of the signature of a letter of intent to accept employment;

(b) First date of application for employment.

(11) An academic employee shall be qualified to instruct courses which the president, with advice from the dean of instruction and the appropriate division chairman, determines the academic employee is qualified to instruct. The president's determination of what duties an academic employee is qualified to perform is not subject to review by the dismissal review committee.

(12) A full-time tenured academic employee whose contract was not renewed as a result of this academic employee staff reduction procedure has a right to recall to any teaching position, either a newly created one or a vacancy, providing he is qualified as determined by the college president. The recall shall be in reversed seniority, the most senior first. The right of recall shall extend three years from the date of layoff. Full-time tenured academic employees who have been laid off will retain all accrued benefits, such as sick leave and seniority. Upon recall they shall be placed at least at the next higher increment on the salary schedule than at the time of layoff and will retain their tenured status.

Chapter 132B-310 WAC GRIEVANCE RULES—TITLE IX

WAC

132B-310-010	Statement of policy.
132B-310-020	Definitions.
132B-310-030	College community responsibilities.
132B-310-040	Complaint options.
132B-310-050	Resolution of formal written complaints.

WAC 132B-310-010 Statement of policy. Grays Harbor College, as a place of work and study, aspires to be maintained free of all forms of harassment, discrimination, intimidation and exploitation. Members of the college community should be aware that the college will take action to prevent and correct such behavior and that individuals who engage in such behavior are subject to discipline. Retaliation against any employee, student, applicant or volunteer who reports harassment is also subject to discipline.

It is the intent of this policy to provide an internal means of mediating and resolving harassment complaints, with the understanding that all parties to such complaints have access to resources outside the college as well. Cases involving a student as the accused will be referred to the vice-president for student services for disposition under the student conduct code.

[Statutory Authority: RCW 28B.50.140(13). 94-20-073, § 132B-310-010, filed 10/3/94, effective 11/3/94.]

WAC 132B-310-020 Definitions. Sexual harassment is unwelcome verbal or physical conduct of a sexual nature, unwelcome or unsolicited sexual advances or requests for sexual favors when:

(1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic standing; or

(2) Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individual; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile or offensive working or educational environment.

Harassment based on any of the above violates the policies of the board of trustees of Grays Harbor College and may violate federal and state laws.

Application to students. Where students are involved, such behavior is considered harassment whenever such conduct has the purpose or effect of interfering with the student's learning or learning performance or when the learning envi-

ronment becomes intimidating, hostile, or offensive to the student involved.

In addition, the unwelcome behavior is considered harassment when: Submission to such conduct is made either explicitly or implicitly a term or condition of the student's grade, receipt of a grade or status as a student; or the student's submission to or rejection of such conduct is used as a basis for a decision affecting that student.

Further, it includes behavior that overtly or covertly uses the power inherent in the status of instructor or other employee to affect a student's educational experience or career opportunities by intimidating, threatening or coercing the student to accept the unwelcome behavior or risk reprisal in terms of a grade, a recommendation, an opportunity for professional growth, or a job.

Application to employees, volunteers, and applicants. In the case of employees, volunteers, or applicants, such behavior is considered harassment whenever such conduct has the purpose or effect of unreasonably interfering with the person's work or work performance, or creating an intimidating, hostile, or offensive environment.

Additionally, harassment of an employee, volunteer, or applicant is defined as unwelcome or offensive verbal or physical conduct when: Submission to such conduct is made either explicitly or implicitly a term or condition of the person's employment, promotion, or status as an employee or volunteer; the person's submission to or rejection of such conduct is used as a basis for a decision affecting that person.

Examples. Examples of behaviors that may constitute harassment include, but are not limited to, the following:

- * Repeated, offensive and unwelcome insults and/or jokes;
- * Repeated, unwelcome comments about an individual's body or clothing;
- * Unwelcome and offensive displays of objects or pictures;
- * Persistent unwelcome flirtation, advances, and/or propositions of a sexual nature;
- * Deliberate and unwelcome touching, such as patting, pinching, hugging, or repeated brushing against an individual's body;
- * Pressure for dates or sex, if unwelcome and repeated;
- * Pressure for dates or sex in exchange for grades, promotions, salary increases or benefits;
- * Stating or implying to an applicant that he or she will be hired with sexual relations as a condition of employment.

[Statutory Authority: RCW 28B.50.140(13). 94-20-073, § 132B-310-020, filed 10/3/94, effective 11/3/94.]

WAC 132B-310-030 College community responsibilities. Any student, employee, volunteer or applicant on campus who feels that he or she has been harassed should report allegations of harassment to the equity resource director or one of the college's designated ombudspersons who will be appointed annually by the president. It is the responsibility of the vice-president for student services to maintain and ensure wide publicity of the list of ombudspersons' names. Every attempt will be made to handle such information in a discreet and professional manner.

(2003 Ed.)

All members of this college community are responsible for ensuring that their conduct does not harass any other member of this institution's community. If a member of the college community observes incidents of harassment or discovers that a problem exists, he or she has a responsibility to report that information to the equity resource director, the vice-president for student services, or the college's designated ombudspersons.

Administrators and supervisors have the added responsibility of helping to prevent and eliminate harassment within the area(s) they oversee.

[Statutory Authority: RCW 28B.50.140(13). 94-20-073, § 132B-310-030, filed 10/3/94, effective 11/3/94.]

WAC 132B-310-040 Complaint options. (1) Informal resolution. Internal review and consultative process have been proven to be desirable means of resolving problems.

An individual who believes he or she has been or is being harassed may choose to informally share information and seek advice from the equity resource director or one of the college's designated ombudspersons. The purpose of this informal procedure is to give the complainant a sounding board, to help make sure that the complainant becomes informed of the options available, and to effect an informal resolution of complaints where possible. These include, but are not limited to:

- * Mediation through a liaison between parties.
- * Mediation through a face-to-face meeting between parties.
- * Mediation through written correspondence between parties. Every attempt will be made to keep this material confidential; however, confidentiality cannot be guaranteed.
- * Filing of an informal incident report with the college equity resource director. The informal incident report will be shared with the other party by the appropriate administrative supervisor for a response no later than the end of the subsequent academic term. If over a period of time, complaints continue to be received regarding the conduct of the same individual, it will then be the responsibility of the administrative supervisor to initiate a formal investigation of the merits of the complaints against that individual. All incident reports and responses will remain in the equity resource director's files for no more than six years.

If the complainant is satisfied at this point, he or she may decline to pursue the matter any further. No further action will be taken unless the complainant specifically requests such action or the college decides to pursue the matter on behalf of the college. Every attempt will be made to keep these discussions and materials confidential; however, confidentiality cannot be guaranteed.

Personnel action authority has been delegated to the college president, vice-president for administration, and vice-president for instruction. If a complainant brings an allegation to any one of these three administrators, that administrator will make a good faith effort to inform the employee of the complaint. However, the administrator will consider whether doing so would seriously impair the investigative process. It is the responsibility of these administrators to

[Title 132B WAC—p. 21]

inform a potential claimant of their responsibility to so inform the other party.

(2) Formal. The complainant may file a formal written complaint:

(a) At any point in the process, whether an informal resolution has been attempted or not; or

(b) If a satisfactory resolution cannot be obtained through the informal procedure.

The formal written complaint should include the times, dates, places and circumstances surrounding the allegation. The accused will be notified of the allegation at this point.

The investigative process begins with a preliminary meeting with the college's equity resource director or vice-president for student services. The purpose of this meeting is to orient the complainant to the formal complaint process. The complainant is encouraged to bring to this meeting any personal support person such as a friend, clergy, family member, professional counselor, etc., of the complainant's choice who is not, however, an employee of the college. These support persons will be encouraged to accompany the complainant through the remainder of the complaint process. Like the complainant, the accused will be encouraged to identify a support person such as a friend, clergy, family member, professional counselor, etc., who is not an employee of the college to accompany him or her through the remainder of the process.

Nothing herein shall be deemed to preclude an employee's right to union representation. If at any point either party secures legal counsel, the other party will be so notified immediately. The formal complaint will be referred for investigation to the vice-president for administration, the vice-president for instruction or the equity resource director if they have not previously been involved with the case, the selection to be made by the president. In appointing an investigator, the president should obtain such information as he deems appropriate. Because damage could result to the career and reputation of any person who is affected by a harassment complaint investigation, all investigations of and hearings on such matters will be conducted insofar as possible to protect the privacy of, and minimize suspicion toward, the accused as well as the complainant, until the matter is impartially resolved. Only those persons responsible for investigating and enforcing harassment complaints will have access to the investigative files during the pendency of any proceedings.

[Statutory Authority: RCW 28B.50.140(13), 94-20-073, § 132B-310-040, filed 10/3/94, effective 11/3/94.]

WAC 132B-310-050 Resolution of formal written complaints. In determining whether the alleged conduct constitutes harassment, the investigator will consider the record as a whole and all relevant circumstances. The investigator will make a complete investigation in a timely manner. Upon concluding the investigation, the investigator will submit a written summary of the investigative files and a recommendation for appropriate resolution of the complaint to the president.

Within five working days after reviewing the investigator's report, the president will make a determination and will advise the accused and the complainant of the decision, which may include, but is not limited to, the following:

(1) If there appears to be a sufficient foundation for the allegation, the options may include a verbal and/or written reprimand, demotion, suspension or referral to the Grays Harbor College dismissal review committee or the Washington state department of personnel in cases of recommended dismissal. A summary of all action taken to resolve the complaint will be entered into the accused's personnel file or the employment/volunteer application file.

(2) If there appears to be an inadequate foundation for the complaint, no record of the allegation will be made in the personnel records or the employee/volunteer application files of either the accused or the complainant. Malicious or dishonest allegations may justify disciplinary action against the complainant.

Appeals by faculty members will be referred to the board of trustees. Appeals by classified personnel will be heard by a hearing officer of the personnel appeals board.

A summary of all harassment investigations will be retained in the equity resource director's files.

It shall be the responsibility of the college president to provide written complaint investigation guidelines as administrative procedures for the college.
