- (3) Maintain high standards of integrity and honesty;
- (4) respect the rights, privileges, and property of other members of the college community; and
- (5) Will not interfere with legitimate college affairs.

Bellevue Community College may apply sanctions or take other appropriate action only when student conduct directly and significantly interferes with the college's:

- (1) Primary educational responsibility of ensuring the opportunity of all members of the college community to attain their educational objectives;

An atmosphere of learning and self-development is created by appropriate conditions in the college community. The rights, freedoms and responsibilities in this document are critical ingredients toward the free, creative and spirited educational environment to which the students, faculty, and staff of Bellevue Community College are committed.

WAC 132H-120-225 Disciplinary terms. The following definitions of disciplinary terms have been established to provide consistency in the application of penalties:

(1) **Disciplinary warning:** Formal action censoring a student for violation of college rules or regulations or for failure to satisfy the college's expectations regarding conduct. Disciplinary warnings are always made in writing to the student by the dean of student services. A disciplinary warning indicates to the student that continuation of the specific conduct involved or other misconduct will result in one of the more serious disciplinary actions described below.

(2) **Disciplinary probation:** Formal action placing conditions upon the student's continued attendance for violation of college rules or regulations or failure to satisfy the college's expectations regarding conduct. Disciplinary probation warns the student that any further misconduct will make him/her liable to suspension or expulsion from the college. Disciplinary probation may be for a specific term or for an indefinite period.

(3) **Suspension:** Formal action dismissing a student temporarily from the college for unacceptable conduct or violation of college rules or regulations. Suspension may be for an indefinite period, but the implication of the action is that the student may eventually return if evidence or other assurance is presented that the unacceptable conduct will not be repeated.

(4) **Summary suspension:** Exclusion from college property and/or classes and other privileges or activities in accordance with WAC 132H-120-405.

(5) **Expulsion:** Students may be expelled only on the approval of the president of the college and on the recommendation of the dean of student services or the college discipline committee. The notification expelling a student will indicate, in writing, the term of the expulsion and any conditions which must be met before readmission. There is no refund of fees for the quarter in which the action is taken, but fees paid in advance for a subsequent quarter are to be refunded.

(2003 Ed.)

(6) **Registration denied:** Formal action refusing to allow a student to register for subsequent quarters, for violation of college rules or regulations, or failure to satisfy the college's expectations regarding conduct, or failure to fulfill obligations to the college.

Students may be denied registration only on the approval of the president and on the recommendation of the dean of student services or college discipline committee. The initiating authority, in his/her written notification to the student, will detail the reasons for the denial of registration and the conditions to be met before registration will be allowed. Registration may be denied for a fixed or indefinite period. Future registration will not be allowed until the initiating authority is satisfied that the conditions have been met.

(7) **Restitution:** Reimbursement for damage to or misappropriation of property. This may take the form of appropriate service or other compensation.

[Statutory Authority: Chapter 34.05 RCW and RCW 28B.50.140. 93-12-008, § 132H-120-225, filed 5/19/93, effective 6/19/93; 92-19-047, § 132H-120-225, filed 9/10/92, effective 10/11/92.]

WAC 132H-120-235 Initial disciplinary proceedings.

(1) All disciplinary proceedings will be initiated by the dean of student services or his or her designated representative. The student may be placed on suspension pending commencement of disciplinary action, pursuant to the conditions set forth in WAC 132H-120-405.

(2) Any student accused of violating any provision of the rules of conduct shall be called for an initial meeting with the dean of student services or his or her designated representative. The student will be informed in writing of what provision or provisions of the rules of conduct he/she is charged with violating, and what appears to be the range of penalties, if any, which might result from initiation of disciplinary proceedings.

(3) After considering the evidence in the case and interviewing the accused student, if the accused student has appeared at the scheduled conference, the dean may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students;

(b) Dismiss the case after whatever counseling and advice the dean deems appropriate;

(c) Impose verbal warning to student directly, not subject to the student's right of appeal as provided in this chapter;

(d) Impose additional sanctions of reprimand, probation, suspension or dismissal, subject to the student's right of appeal as provided in the following provisions.

[Statutory Authority: Chapter 34.05 RCW and RCW 28B.50.140. 92-19-047, § 132H-120-235, filed 9/10/92, effective 10/11/92.]

WAC 132H-133-050 Commercial activity policy. The mission of Community College District VIII, Bellevue Community College, is to provide comprehensive educational programs of the highest quality as provided for in the Community College Act of 1967. These programs will be responsive to the changing needs of the communities and the students served by our district and will be accessible to all those seeking to continue their education.

To promote the mission of Bellevue Community College it is often necessary to engage in commercial activities that provide goods and services that meet special needs of students, faculty, staff and members of the public participating in college activities and events.

Chapter 28B.63 RCW establishes standards for institutions of higher education to follow in conducting commercial activities. The purpose of these laws is to require institutions of higher education to define the legitimate purposes under which commercial activities may be approved by a college or university and to establish mechanisms for review of such activities. The purpose of the policy statement and standards that follow is to assure that Bellevue Community College pursues commercial activities in compliance with chapter 28B.63 RCW and that all commercial activities of the college serve the mission of the college.

(1) **Policy statement.** Bellevue Community College may engage in the providing of goods, services, or facilities for a fee only when such are directly and substantially related to the educational mission of the college. Fees charged for goods, services[,] and facilities shall reflect their full direct and indirect costs, including overhead. They shall also take into account the price of such items in the private marketplace.

(2) **Approval and review of commercial activities.** The vice-president of administrative services shall be responsible for the approval of new commercial activities and the periodic review of existing ones. It shall be the responsibility of this officer to assure that each commercial activity meets the criteria established for commercial activities of the college. Proposals for new or altered services shall be approved by the vice-president of administrative services prior to implementation.

(3) **Criteria for commercial activities serving members of the campus community.** Each of the following criteria shall be used in assessing the validity of providing goods or services to members of the campus community:

(a) The goods or services are substantially and directly related to the mission of the college.

(b) Provision of the goods, services or facilities on campus represents a special convenience to the campus community or facilitates extracurricular activities.

(c) Fees charged for the goods, services or facilities shall take into account the full direct and indirect costs, including overhead. They shall also reflect the costs of such items in the private marketplace.

(d) Procedures adequate to the circumstances shall be observed to ensure that the goods and services are provided only to persons who are students, faculty, staff, or invited guests.

(4) **Criteria for providing commercial activities to the external community.**

(a) The goods, services or facilities provided relate substantially and directly to the mission of the college and are not commonly available or otherwise easily accessible in the private marketplace and are [in] demand from external community.

(b) Fees charged for the goods, services, or facilities shall take into account the full direct and indirect costs, including overhead. They shall also reflect the price of such items in the private marketplace.

(5) **Definitions and limitations.** "Commercial activity" means an activity which provides a product or service for a fee which could be obtained from a commercial source. This definition shall be used to determine which activities shall be governed by this policy, except that this policy shall not apply to:

(a) The initiation of or changes in academic or vocational programs of instruction in the college's regular, extension, evening or continuing education programs;

(b) Fees for services provided in the practicum aspects of instruction;

(c) Extracurricular programs, including food services, athletic and recreational programs, and performing arts programs.

WAC 132H-140-020 Statement of purpose. Bellevue Community College District VIII is an educational institution provided and maintained by the people of the state of Washington. The college reserves its facilities, buildings and grounds for those activities [that] [which] are related to its broad educational mission. At other times, the college facilities may be made available to other individuals and organizations.

The purpose of these regulations is to establish procedures and reasonable controls for the use of college facilities

for noncollege groups and for college groups where applicable.

In keeping with this general purpose, and consistent with RCW 28B.50.140(7) and 28B.50.140(9), facilities should be available for a variety of uses which are of benefit to the general public if such general uses substantially relate to and do not interfere with the mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, or public service programs.

Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by both organizations and individuals must be made through campus operations.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-020, filed 6/20/02, effective 7/21/02; 82-11-039 (Order 80, Resolution No. 149), § 132H-140-020, filed 5/12/82; 79-10-051 (Order 64, Resolution No. 121), § 132H-140-020, filed 9/17/79; Order 28, § 132H-140-020, filed 3/7/75.]

Reviser's note: RCW 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 132H-140-030 Request for use of facilities.

Requests by noncollege groups for utilization of college facilities shall be made to the director of campus operations or a designee, who shall be the agent of the college in consummating rental and use agreements.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-030, filed 6/20/02, effective 7/21/02; 79-10-051 (Order 64, Resolution No. 121), § 132H-140-030, filed 9/17/79; Order 28, § 132H-140-030, filed 3/7/75.]

WAC 132H-140-040 Facility usage board policy. The board of trustees of Bellevue Community College District VIII provides college personnel, students, college organizations and the general public the opportunity to use the college grounds and buildings subject to WAC 132H-140-010 through 132H-140-110 and in compliance with local, state and federal laws if

- (1) The individual or organization requesting the space is approved to use it and
- (2) The space is available and has been reserved for the activity.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-040, filed 6/20/02, effective 7/21/02; 82-11-039 (Order 80, Resolution No. 149), § 132-140-040 (codified as WAC 132H-140-040), filed 5/12/82; 79-10-051 (Order 64, Resolution No. 121), § 132H-140-040, filed 9/17/79; Order 28, § 132H-140-040, filed 3/7/75.]

WAC 132H-140-050 Scheduling and reservation practices. The primary purpose of college facilities is to serve the instructional program of the college. However, the facilities, when not required for scheduled college use, may

be available for rental by the public in accordance with current fee schedules and other relevant terms and conditions for such use.

No college facilities may be used by individuals or groups from outside the college unless the facilities including buildings, equipment and facilities land have been reserved.

In determining whether to accept a request for the use of college facilities, the administration shall use the college mission statement and the following items, listed in priority order, as guidelines:

- (1) Bellevue Community College scheduled programs and activities.
- (2) Major college events.
- (3) Foundation related events.
- (4) Noncollege (outside individual or organization) events.

Arrangements for use of college facilities must be made through the campus operations office.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-050, filed 6/20/02, effective 7/21/02; 82-11-039 (Order 80, Resolution No. 149), § 132H-140-050, filed 5/12/82; 79-10-051 (Order 64, Resolution No. 121), § 132H-140-050, filed 9/17/79; Order 28, § 132H-140-050, filed 3/7/75.]

WAC 132H-140-065 Limitations and denial of use.

Bellevue Community College is a state agency and exists to serve the public. However, the college may deny use of its facilities to any individual, group or organization if the requested use would

- (1) Interfere or conflict with the college's instructional, student services or support programs;
- (2) Interfere with the free flow of pedestrian or vehicular traffic on campus;
- (3) Involve illegal activity;
- (4) Create a hazard or result in damage to college facilities; or
- (5) Create undue stress on college resources (e.g., a request for a major event may be denied if another major event is already scheduled for the same time period, because of demands for parking, security coverage, etc.).

Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

Any individual or group granted permission to use college facilities shall agree in advance to abide by all college rules and regulations. The college reserves the right to deny use of college facilities to any individual or group whose past conduct indicates a likelihood that college rules and regulations will not be obeyed. The college may also deny use to a requesting individual or organization which has used the facilities in the past and has damaged college property, left college buildings and grounds in excessive disorder, or failed to cooperate with college staff concerning use of the facilities.

No person or group may use or enter onto college grounds or facilities having in their possession firearms or other dangerous weapons, even if licensed to do so, except commissioned police officers as prescribed by law.

College facilities may be used for purposes of political campaigning by or for candidates who have filed for public office, directed to members of the public, only when the full rental cost of the facility is paid. Use of state funds to pay for facility rental costs for political campaigns is prohibited. No person may solicit contributions on college property for political uses, except where this limitation conflicts with federal law regarding interference with the mails.

Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises when such premises are open to public use. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. If any person, group, or organization attempts to resolve differences by means of violence, the college retains the right to take steps to protect the safety of individuals, the continuity of the educational process, and the property of the state.

If at any time actual use of college facilities by an individual or group constitutes an unreasonable disruption of the normal operation of the college, such use shall immediately terminate, all persons engaged in such use shall immediately vacate the premises, and leave the college property upon command of the appropriate college official.

Advertising or promotional materials for any event being held in a college facility must follow the same procedure as applies to students outlined in WAC 132H-120-050.

Use of audio amplifying equipment is permitted only in locations and at times that will not interfere with the normal conduct of college affairs.

BCC facilities may not be used for private or commercial purposes unless such activities clearly serve the educational mission of the college, are either sponsored by an appropriate college unit or conducted by contractual agreement with the college. Commercial uses may also be made as noted in WAC 132H-133-050.

Alcoholic beverages will not be served without the approval of the president or his/her designee. It shall be the responsibility of the event sponsor to obtain all necessary licenses from the Washington State Liquor Control Board and adhere to their regulations, and those of Bellevue Community College.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-065, filed 6/20/02, effective 7/21/02.]

WAC 132H-140-070 Other requirements. (1) When using college facilities, an individual or organization may be required to make an advance deposit, post a bond and/or obtain insurance to protect the college against cost or other liability.

(2) When the college grants permission to an individual or organization to use its facilities it is with the expressed understanding and condition that the individual or organization assumes full responsibility for any loss or damage resulting from such use and agrees to hold harmless and indemnify the college against any loss or damage claim arising out of such use.

[Title 132H WAC—p. 26]

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-070, filed 6/20/02, effective 7/21/02; 82-11-039 (Order 80, Resolution No. 149), § 132H-140-070, filed 5/12/82.]

WAC 132H-140-085 Facility rental/use fees. Fees will be charged in accordance with a schedule available at the campus operations office. The college reserves the right to make pricing changes without prior written notice, except that such price changes shall not apply to facility use agreements already approved by the administration.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-085, filed 6/20/02, effective 7/21/02.]

WAC 132H-140-110 Animals policy. Pets on the grounds of Bellevue Community College shall be in the physical control of their owner in accordance with the city of Bellevue "leash law" ordinance, chapter 8.04.

Animals, except for service animals, are prohibited from entering buildings operated by Bellevue Community College.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-110, filed 6/20/02, effective 7/21/02; 82-11-039 (Order 80, Resolution No. 149), § 132H-140-110, filed 5/12/82.]

WAC 132H-140-120 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW. Individuals requested to leave college property may appeal that decision by submitting to the college president by certified mail, return receipt requested, a letter stating the reasons the person should not be barred from college facilities. The college president or designee shall respond in writing within 15 calendar days with a final decision of the college. Persons shall continue to be barred from college property while an appeal is pending.

(2) Students, faculty, and staff of the college who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with this chapter or with other applicable rules, regulations, or policies.

[Statutory Authority: RCW 28B.50.140. 02-14-007, § 132H-140-120, filed 6/20/02, effective 7/21/02.]

WAC 132H-152-135 Discrimination complaint procedure. Introduction. Bellevue Community College, through its affirmative action policy and general policy on sexual harassment, and in accordance with state and federal regulations, prohibits discrimination against students and employees on the basis of race or ethnicity, creed, color, national origin, sex, marital status, sexual orientation, age, religion, the presence of sensory, mental or physical disability, or status as a disabled or Vietnam-era veteran.

All members of Bellevue Community College are responsible for ensuring that their conduct does not discriminate against any other member of the college community. If administrators or supervisors become aware that discrimination is occurring, receive a complaint, or obtain other information indicating possible discrimination, they must notify the vice president of human resources as soon as reasonably possible, to ensure that the matter is addressed, even if the problem or alleged problem is not within their area of responsibility and authority.

These procedures pertain to currently registered students, college employees, applicants for admission and employment, and members of the public participating in college activities or events held in Bellevue Community College facilities. Complaints should be filed within one year after the incident(s) which form(s) the basis of the complaint occurred. This procedure takes precedence over all other student complaint procedures whenever the complaint alleges discrimination or sexual harassment.

Section I: Process overview. Any Bellevue Community College student, employee, or applicant who feels that he/she has been discriminated against, is encouraged to bring his/her concerns to the attention of the college for assistance.

Complaints may be filed with the dean of student services or the vice president of human resources. All allegations of sexual harassment will be referred to the vice president of human resources. All allegations of discrimination related to employment or promotion will be referred to the dean of student services.

The college will act promptly to investigate any complaint. Such action will attempt to protect the rights of the individual bringing the complaint (the complainant), the alleged discriminator, and any witnesses involved, including the right to protection from any retaliating behavior by the alleged discriminator or any college employee. All complaints shall be kept as confidential as is reasonably possible during the investigation/resolution process. However, all complaints may be subject to public disclosure under the state's Public Disclosure Act, and therefore the college cannot assure confidentiality to any participant in the process.

(2003 Ed.)

An individual who seeks assistance because he/she believes he/she is being discriminated against may choose to begin with the informal or formal complaint procedure. Use of the informal procedure is not required prior to initiating a formal complaint.

Both complainants and individuals charged may be represented by an individual of their selection throughout the complaint process. The individual charged will be informed that his/her bargaining unit representative will be notified that a complaint has been filed against her/him, unless she/he requests that no notification be made.

Section II: Informal complaint procedure. The purpose of the informal procedure is to resolve the complaint by achieving a resolution that both the complainant and the accused discriminator agree upon.

An informal complaint may be filed with the dean of student services or the vice president of human resources, as indicated in Section I. That college administrator will investigate the complaint or will appoint a designee to investigate the complaint. Within five working days after the complaint is filed, the investigator will discuss the complaint with the individual charged, that person's supervisor and area dean/vice president, and initiate action to protect the complainant from harm or reprisal. The investigator will meet separately with the complainant and the individual charged to outline the proposed resolution process.

The investigator, after consultation with the appropriate area dean/vice president, will attempt to obtain a resolution of the problem between the parties and will inform the complainant of any proposed resolution. The complainant may either accept the resolution or initiate a formal complaint. If the investigator has not been able to achieve a resolution, he/she will inform the complainant of this and advise the complainant of the option of filing a formal complaint.

Reasonable efforts will be made to complete the informal process within thirty working days after the complaint is filed.

If the investigation and/or resolution indicate that disciplinary action is warranted, the investigator will recommend appropriate disciplinary action which is consistent with college procedure and collective bargaining agreements, as appropriate.

Section III: Formal complaint procedure. The complainant may choose to file a formal complaint instead of first filing an informal complaint. In addition, the complainant may choose to file a formal complaint if a satisfactory resolution cannot be obtained through the informal process. The formal complaint must be made in writing and should include the times, dates, places, and circumstances surrounding the allegation of discrimination. The formal complaint should be filed with the vice president of human resources. Within five working days after the formal complaint has been filed, the individual charged in the complaint, his/her immediate supervisor and area dean/vice president will be notified that a complaint has been filed. Complainants, individuals charged, and any witnesses are entitled to representation throughout the complaint process.

The dean of student services/vice president of human resources will investigate the complaint or assign a designee to investigate the complaint as follows:

[Title 132H WAC—p. 27]

(1) The investigator will conduct an interview with the complainant and any witnesses to the complainant's allegations. Reasonable efforts will be made to complete such interviews within ten working days.

(2) After the completion of step 1 above, the investigator will interview the alleged discriminator and any witnesses to the alleged discriminator's allegations. Reasonable efforts will be made to complete such interviews within ten working days after the completion of step 1.

(3) After the completion of the investigation, a preliminary report summarizing the findings of the investigation and the investigator's determination as to whether or not discrimination has occurred shall be produced, after consultation with the appropriate area dean/vice president. Reasonable efforts will be made to complete the preliminary report within ten working days after completion of the investigation. Copies of this draft report shall be given to the complainant and the alleged discriminator who shall have ten working days to prepare responses to the report. Once each of them has prepared a response, or declined to take advantage of the opportunity to respond to the draft report, the investigator shall prepare the final report. Copies of the final report shall be provided the complainant, the alleged discriminator, the alleged discriminator's supervisor and area dean/vice president, the dean of student services if the alleged discriminator is a student, the vice president of human resources, and the college president.

(4) The decision regarding what action to take on the complaint, including, but not limited to, appropriate corrective measures and/or disciplinary action, remanding the complaint for further investigation, appointing an alternate investigator, shall be made by the president or his/her designee. Reasonable efforts will be made to take action on the complaint within thirty days after receipt of the report.

(5) If a decision is made to take disciplinary action, such action shall be taken in accordance with appropriate college procedures and collective bargaining agreements.

Section IV: Appeal process.

(1) Appeal of disciplinary action. Appeals of any disciplinary action, including any finding that discrimination occurred, may be made through college procedures, as defined by the appropriate employee contract or student policy.

(2) Complainant appeal. If the complainant is not satisfied with the disposition of the complaint, s/he may file a written request for reconsideration to the president within ten working days after notification of the disposition of the complaint. This request should include any and all additional information s/he wants the president to consider.

The decision regarding what action to take regarding the request for reconsideration, including appropriate corrective measures, shall be made in writing by the president within fifteen working days after receipt of a request for reconsideration.

Section V: External complaint process. Any registered student, employee, or applicant for admission or employment, who believes he/she has been discriminated against has the right to bypass the internal college process (sections I through III, above) and file a discrimination complaint with one of the agencies listed below or any other agency with the

jurisdiction to hear such complaints. Other individuals who believe they have been discriminated against by college action may file a discrimination complaint with one of the agencies listed below or any other agency with the jurisdiction to hear such complaints:

(1) Tuition and fee waivers for needy or disadvantaged students in any fiscal year, excluding waivers granted for summer quarter enrollments, as authorized by RCW 28B.15.530 may not exceed three percent of any college district's estimated total collections of tuition, operating, and services and activities fees had no such waivers been made, after deducting the portion of that total amount which is attributable to the difference between resident and nonresident tuition and fees.

(2) The estimated total collection of tuition and fees shall be based on the budgeted, state supported, four-quarter annual average enrollment, minus the actual tuition and fees collected for the summer quarter of the year being estimated.

(3) Each district may waive an amount not to exceed three percent of the estimated collections in the event that actual enrollments or collections exceed estimated collections. Conversely, the three percent waiver capacity based upon estimated collections is allowable even though actual collections may not be as high as the estimate.

(4) Districts desiring to exceed their individual three percent waiver capacity may do so only upon written approval from the state director of community colleges or his designee. Additional waiver capacity can only be granted to a district after it has been determined that the total waiver capacity for

the community college system is not being utilized as a result of other districts waiving at levels less than the three percent capacity.

(5) There is no percentage limitation on the amount of tuition and fee waivers granted for summer quarter enrollments provided that recipients of such waivers qualify as needy, resident students.

WAC 132I-120-010 Purpose. Community College District 9 serves its community and the general public by providing continuing educational opportunities for all persons who are eligible to attend. To fulfill this purpose, the college provides students with broad, comprehensive programs of general education, including university-parallel transfer courses, developmental-remedial programs, and vocational-technical curricula. The college also provides cultural, recreational, and community service activities. The college provides health, guidance, and counseling services which every student is encouraged to make use of on a voluntary basis. The confidentiality of counseling, health, and adviser services will be strictly maintained except as called for by legal requirement.

As members of the college community, students are encouraged through free inquiry and free expression, to develop their capacity for critical judgment and to engage in sustained and independent search for knowledge. It is the responsibility of the student to observe and help maintain appropriate conditions in the classroom, on campus, and in the larger community.

Highline Community College may take appropriate disciplinary action when student conduct unreasonably interferes with the college's educational responsibilities, its subsidiary responsibilities, or to protect the health and safety of persons on or in college facilities, to maintain and protect college property or private property on college facilities, to protect college records, to provide college services, and/or to sponsor nonclassroom activities such as lectures, concerts, athletic events, and social functions.

The purpose of these rules is to prescribe standards of conduct for students of Community College District No. 9, the violations which may constitute sufficient cause for disciplinary action as described in and in accordance with the procedures established in WAC 132I-120-010 through 132I-120-520.

A student's registration constitutes acceptance of the responsibility to comply with the general policies and regulations established by the college.

WAC 132I-120-020 General policies. (1) Highline Community College is an agency of the state of Washington and adheres to all local, state, and federal laws. The college is obligated to demonstrate respect for laws by cooperating in their enforcement.

(2) Highline Community College cannot and will not establish regulations which would abridge constitutional rights.

(3) Proper procedures are established to maintain conditions conducive to the effective performance of the function of the college, to protect individual students from unfair imposition of penalties, and to assure due process. Highline Community College is granted the right by law to adopt such rules as are deemed necessary to govern its operations.

(4) If these rules are broken, the college has the right and the obligation to take that action which is in the best interest of the entire college and which is commensurate with the constitutional rights of the individual.

(5) If a student is charged with an off-campus violation of the law, the matter shall be of no disciplinary concern to the college unless the student is incarcerated and unable to comply with academic requirements. If the violation of law occurs on campus and is also a violation of a published college regulation, the college may institute its own proceedings against the offender or may refer the violation to the appropriate civilian authorities for disposition. The college shall not proceed with a disciplinary action that in fact or appearance duplicates punishment for the same offense unless the interests of the college are implicated in some separate way by violation of law.

(6) The Highline College Student Union will have the right to participate in the formulation and review of all policies and rules pertaining to student conduct and in the enforcement of all such rules as provided by these rules.

(7) Rules of conduct and procedures of enforcement shall be printed and made available to all students.

(8) All rules herein adopted concerning student conduct shall apply to every student attending the college in any college facility.

WAC 132I-140-010 Purpose. The trustees of Highline Community College believe that educational and community service opportunities are extended to the community when the college's buildings, grounds, and facilities are made available for use by the students, faculty, administration, staff, and the community. This use shall not interfere with regular college activities and shall be in accordance with the public interest, welfare, laws of the state of Washington, and in the best interest(s) of the college as interpreted by the administration of Highline Community College and/or the board of trustees.

Intended or actual use in conflict with these policies or construed to be in any way detrimental to the college's best interests and/or original intent for that facility are strictly prohibited.

WAC 132I-140-015 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be

[Title 132I WAC—p. 24]

subject to arrest under the provisions of chapter 9A.52 RCW, as not law or hereafter amended.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accord with established college policies.

(3) Persons who violate a district policy may have their license or privilege to be on district property revoked and be ordered to withdraw from and refrain from entering upon any district property. Remaining on or reentering district property after one's license or privilege to be on that property has been revoked shall constitute trespass and such individual shall be subject to arrest for criminal trespass.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-015, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-016 Prohibited conduct at college facilities. (1) State law governs the use or possession of intoxicants on campus or at college functions. The use or possession of unlawful drugs or narcotics, not medically prescribed, on college property or at college functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs, or narcotics while in college facilities shall be subject to disciplinary action.

(2) The use of tobacco is restricted by law and by regulations of the smoking policy to designated smoking areas.

(3) Destruction of public property is prohibited by state law.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-016, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-110 Right to deny use of facilities. (1) The trustees reserve the right to deny facility use to individuals or groups of a private nature whose activities, be they secret or otherwise, are inconsistent with the open and public nature of Highline Community College and where such use would conflict with the purpose of state and federal laws against discrimination.

(2) If at any time actual use of college facilities by the individual or group constitutes an unreasonable disruption of the normal operation of the college, such use shall immediately terminate, all persons engaged in such use shall immediately vacate the premises, and leave the college property upon command of the appropriate college official.

(3) Any individual or group granted permission to use college facilities shall agree in advance to abide by all college rules and regulations. The college reserves the right to deny use of college facilities to any individual or group whose past conduct indicates a likelihood that college rules and regulations will not be obeyed.

(4) No single group shall be allowed use of facilities on a regular or continuing basis.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-110, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-120 Basis of fee assessment. (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its rela-

tionship to the purposes of this college. The position of the board of trustees is that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the office of continuing education.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees believes a commercial facility can be patronized. At no time shall facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-120, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-130 Application procedures. (1) At least seven college working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application on a "use of facility" form which may be obtained through the college's office of community services. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; then separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory becomes responsible for all charges which may include interest payment for overdue accounts as specified on the rental form but not less than one percent per month.

(3) Large events, events requiring expenditures on the part of the college, or where significant areas are made available to the renter; a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The board of trustees reserves the right to cancel any permit and refund any payments for use of college facilities and equipment if the groups use of college facilities and/or equipment would violate any federal, state, local, or school law, regulation, or rule or when the planned use could subject the college to any liability.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) The decision to issue permits is based on the assumption that any admission charges are to be specified and approved by the college.

(9) Organizations using Highline Community College's facilities shall conduct all activities in accordance with all applicable local, state, and federal laws including the rules

(2003 Ed.)

and regulations adopted by Community College District 9 as stated in Title 132I WAC and in the use of facility form.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-130, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-134 Request for brief adjudicative proceeding over denial of facility use. Any organization that is denied use of college facilities may challenge said denial by filing an appeal as specified in WAC 132I-140-135(2) with the president's designee.

Upon receipt of such appeal, the president's designee shall hold a brief adjudicative proceeding.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-134, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-135 Appeal of denial of facility use. (1) Any organization whose application for facility use has been denied may appeal such decision to the president.

(2) The appeal must be in writing and must clearly state errors in fact or matters in extenuation or mitigation which justify the appeal. The appeal must be filed within twenty-one days from the date of service upon appellant of the order denying use of facilities.

(3) The president's determination shall be final.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-135, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-140 Supervision during activity. (1) Signatories of the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of special facilities makes it necessary that supervision be provided, the trustees reserve the right to require a staff member represent the college at any activity on Highline Community College facilities. Such service shall be paid at the current rate, by the organization requesting use of the facility (see WAC 132I-140-160), and does not relieve the organization from safeguarding the college's property.

(2) The security staff or some other authority of the college will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned on any occasion to any using organization with the exception of keys to designated off-campus locations.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-140, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-150 Care and maintenance of facilities and equipment. (1) College-owned equipment shall not be removed from college facilities for loan or rental. Organizations wishing to use equipment in connection with a rental should make arrangements through the office of continuing education at the time of application. Further rental and operational restrictions may be outlined when the application is approved.

(2) Appropriate equipment is expected when using facilities when the absence of such special equipment may be detrimental to that facility (e.g., tennis shoes must be worn on gymnasium floors).

[Title 132I WAC—p. 25]

(3) Organizations allowed use of facilities are required to leave premises in as good condition as when the organization was admitted to its use. After facility use, organizations are required to arrange for proper disposal of decorations and other refuse when restoring the facility to its original condition for resumption of college use.

(4) Custodial and other services beyond those regularly scheduled to support normal college activities may be required for specific activities by outside groups, based on the size of group, the complexities of the event, or the facilities being used. Needed custodial services beyond that normally scheduled will result in that organization being charged at the established rate. All extra custodial time required as a result of the organization's use of the facility will be charged to the organization, including those receiving complimentary usage.

(5) The security staff should be contacted for problems with facilities. The security staff will monitor any permit violations.

(6) All moving of college equipment for facility use will be under permission and supervision of the college.

(7) Any decoration or use of facility that may result in permanent damage or injury to the facility is strictly prohibited.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-150, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-160 Athletic facilities. (1) Highline Community College playing fields may be used by community members and groups provided such use does not interfere with regular college activities and that proper permits for use of college grounds have been secured for activities other than unorganized casual use.

(2) Highline Community College allows only highly restricted use in scheduling the use of the swimming pool. Permitted users shall comply with all pool regulations, as determined by the college. Such regulations may vary based on the anticipated use. Applications should be made on a use of facility form obtained through the college's office of continuing education. A condition of rental is the college's right to set forth the number of lifeguards and to select and hire these lifeguards on its own criteria. Cost of usage will include these employee's salaries and other personnel expenses.

(3) The pavilion may be used by community organizations subject to the same restrictions and regulations governing the use of other facilities. Because of the size of the facility, most users will be required to have college personnel on site during usage. Cost of usage will include these employee's salaries and other personnel expenses.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-160, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-170 Liability for damage. The lessee of college facilities, including agreement signatories and individual organizations leaders, shall be liable for any damage to college property occurring or having apparently occurred during the time the facility was being used by the organization. The lessee also agrees to hold harmless and indemnify Highline Community College, its agents, employees, officers, trustees, students and/or attorneys for any claim

made against the college as a result of the lessee's use of college facilities. The college reserves the right to require using organizations to purchase insurance, naming the college as the insured, and may specify the amount of that insurance.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-170, filed 7/21/92, effective 8/21/92.]

(9) Resident students: Resident students are applicants who can prove they have lived in Washington state for the entire year before the start of the quarter in which they register. Resident status may also be extended under certain conditions to Washington state higher education employees, federal employees, military personnel, and some veterans. These rules may extend to spouses, minor children, and dependents under most circumstances. More detailed definition is available in RCW 28B.15.012. A copy of the Revised Code of Washington is available in the Highline Community College library.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-020, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-020, filed 1/6/76.]

WAC 132I-160-025 Admission policy. Highline Community College will admit applicants who:

(1) Are competent to profit from the college's courses; and

(2) Would not by their presence or conduct create a disruptive atmosphere within the college; and

(3) Are at least eighteen years old, or who have an approved high school diploma or GED certificate, or who are juniors or seniors in high school with college level academic skills and who have the written permission of the principal of the high school the applicant attends; provided that such admission is not inconsistent with the best interests of the applicant, other students, or the orderly operation of the community college, public or private secondary schools, or other institutions of higher education.

WAC 132I-160-031 Admission policy for applicants who are not able to demonstrate they are competent to profit from the college's courses. Applicants, regardless of age, who have either a high school diploma or a GED credential are assumed to be competent to profit from the college's courses. Applicants who are eighteen years old or older without a high school diploma or GED credential are provisionally admitted in keeping with the open door policy. However, these students may not necessarily be competent to profit from the college's courses. Therefore, these students are considered not regularly admitted students.

Provisional admission for these not regularly admitted students may be revoked if prior school records or professional testing or evaluation determines that the student is not competent to profit from the college's courses. The college may request such information on an as-needed basis. A review committee consisting of the director of admissions, a professional counselor, and the section 504 compliance officer shall review such documentation and make any determination of revocation.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-031, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-032 Admission policy for applicants who are currently enrolled in a common school district or private high school. Highline Community College admits applicants who are concurrently enrolled in a common school district or accredited private school and Highline Community College. These applicants must meet the requirements in WAC 132I-160-045.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-032, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-033 Admission requirements. There are some requirements in addition to the general admission policy (WAC 132I-160-025). These are:

(1) Highline does not require specific test scores for admission to the college. However, assessment for advising, placement, and retention is required for all new students with less than forty-five transferable college-level credits and for entry into selected courses and programs. The college uses the ASSET system for this purpose. It is given at frequent intervals in the Highline Community College testing center.

(2) The following programs have special admission requirements and procedures: Dental Assistant, Diving Technician, Medical Assistant, Registered Nursing, Respiratory Care, GED, and High School. These programs have specific selection procedures due to limited space or special requirements. The requirements and procedures differ for each program. They are updated annually. Contact the Highline Community College office of admissions, for specific information.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-033, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-035 Admission procedures. Applicants can become newly admitted students in two ways: Formal and informal. The formal method is used for applicants who wish to register for daytime credit courses and who want the earliest possible registration appointment. The informal method is used by applicants who wish to register for evening or Saturday credit courses. The informal method is also used by all applicants during late registration. Persons granted admission by either process are newly admitted students.

(1) These are the formal application procedures:

These forms are available at any community college and at most high schools. Contact the admission office at Highline Community College to request an application form. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college. Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. Students wishing transcript evaluations must also complete a transcript evaluation request form which is available from the registration office. The registration office will notify students in writing of the evaluation. Transcript evaluation is a service and is not required for admission to the college.

(c) Falsification of documents for admission may result in disciplinary, civil, or criminal proceedings.

(2) These are the informal application procedures:

(a) Register for any credit course during open enrollment. No appointment is necessary during open enrollment. No application form is required. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college. Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. (6) Enroll only in college level courses (numbered 100 or above). The college may limit access to some college level courses for these students.

WAC 132I-160-060 Residency. Students who meet the definition of resident students according to RCW 28B.15.012(2) shall be classified as resident students. Students not eligible for residency classification will be classified as nonresident students. A copy of the Revised Code of Washington is available in the Highline Community College library.

Students who have questions about their classification must complete a residency questionnaire and submit the necessary documentation to the registrar. This questionnaire is available in the registration office. The registrar will review the questionnaire and will notify the student in writing of the decision within one week. Appeals of the decision of the registrar are referred by the registrar to the office of the attorney general. A written response is generally available to the student within thirty days.

Students are responsible for registering under the proper residency classification. Students who are not sure of their residency status should fill out and then submit a completed residency questionnaire to the registrar.

WAC 132I-160-065 Registration procedures: There are two categories of registration procedures. One category applies only to daytime credit courses while the other category applies to evening and Saturday credit courses and all continuing education courses. In both cases, registration is not completed until the student completes and submits all registration material, pays in full for all tuition and fees, and has all these items accepted by the registration office.

(1) Daytime credit courses. The college prints the schedule of dates and times to register in "The Quarterly," which is Highline Community College's quarterly schedule of course offerings. One to two weeks before the start of registration, "The Quarterly" is available on campus in Building 6 and by mail. The registration office schedules currently enrolled, former, and newly admitted students, in that order, into three sets of registration appointments according to these rules:

(a) Currently enrolled students are assigned the first set of registration appointments on the basis of the number of credits earned at Highline Community College. Students with the highest number of earned credits are assigned the first block of appointments. Subsequent blocks of appointments are assigned on the basis of descending number of credits. Appointments are by date and students may register at any time on or after that date. Appointment dates are only found in registration appointment books located in the registration area, faculty buildings, the library, the Federal Way center, and the advising resource center. Appointment dates are listed by name. These appointment books are available two weeks before registration begins.

(b) Former students are assigned a date to register after currently enrolled student appointments. This date is announced in "The Quarterly." Former students may register any time on or after this date.

(c) Newly admitted students who complete the formal application process described in WAC 132I-160-030 are assigned the last set of appointments. The admissions office will notify these students by mail of their specific appointment time and date. Newly admitted students may register at their scheduled date and time, may reschedule with the admissions office for a later appointment, or may register during late registration.

(d) Late registration occurs after the period of appointments. It is a period of open enrollment. Fewer courses are available during this period. Students register without appointments. Any student eligible for admission (WAC 132I-160-030) may register during late registration. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

(2) Evening and Saturday credit courses and continuing education courses. Any student and any applicant eligible for admission (WAC 132I-160-030) may register for evening, Saturday, and continuing education courses at any time during the registration period without an appointment. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

WAC 132I-160-090 Changes in registration. (1) Changes in schedule: Students may change their course schedule after initial registration. Deadlines for changes are announced in "The Quarterly." Submit the change of schedule (add/drop) form to the registration office. Instructors' signatures are required after the first week of the quarter. This form is available in the registration area and educational planning center. Students may wish to talk with an advisor first.

(2) Dropping a course: Students may drop courses until the end of the ninth week of the quarter (except during summer). Instructors' signatures are required after the first week of the quarter. Classes dropped during the first three weeks of the quarter will not appear on student transcripts. Instructors have the option of assigning either a withdrawal grade (W) or, if the student is performing failing work at the time of withdrawal, a failing grade (0.0) to students who withdraw from a course after the third week of the quarter. Students may wish to talk with an adviser first. Check "The Quarterly" for the deadline to drop (withdraw) from courses.

(3) Withdrawal from college: Students who wish to withdraw from Highline Community College use the same procedures as for dropping a course. The signature of the instructor of each course is required on the change of schedule (add/drop) form after the first week of the quarter. Students who do not officially withdraw and simply cease to attend courses may be assumed by the instructor to have not met minimum course requirements and therefore may be graded as having failed (0.0) the course.

WAC 132I-160-100 Fees. (1) Tuition and fees are based on residency requirements (WAC 132I-160-060) and upon chapter 28B.15 RCW, College and university fees. Tuition and fees are set by the Washington state legislature and are subject to change. The current tuition and fee schedule is available in "The Quarterly."

(2) Special quarterly fees:

(a) Parking: Students who park on-campus must pay a parking fee. On-campus parking rates vary according to the number of credit hours. Information about on-campus parking fees, traffic rules and regulations is available at the campus Security Office, Building 6, 878-3710, extension 218.

(b) Some courses may have additional fees as listed in the official quarterly course schedule. These fees are established by the board of trustees and are listed as "special instructional fees." Further information is available through the registration office.

(c) Some testing services charge a fee. A list of these services and fees may be obtained from the testing center.

(d) Some laboratory courses may assess a breakage fee.

(e) Processing fees: No processing fee will be charged for registration changes initiated by the college or for students wishing to add credits. Changes resulting in a reduced number of credits will be charged a two-dollar processing fee. All changes after the end of the third week of the quarter will result in a two-dollar processing fee. There is no charge for a complete withdrawal.

(f) An explanation of fees may be obtained under the "Quarterly Tuition and Fee Schedule" section of the Highline Community College catalog.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-100, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-100, filed 1/6/76.]

WAC 132I-160-110 Refunds. Refunds resulting from official withdrawal from courses will be computed as follows for state supported courses:

(1) One hundred percent. The refund will be one hundred percent of the amount paid if an official withdrawal form is received in the registration office or at the Highline College Federal Way Center before the sixth day of instruction of the quarter for which the fees have been paid. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in the quarterly class schedule.

(2) Cancelled courses. When Highline Community College cancels a course, Highline will refund the total amount paid for the course unless the student enrolls in a course to replace the cancelled course. If the new course is for fewer credits, Highline will refund the difference.

(3) Forty percent. Highline Community College will refund forty percent of the total amount paid if an official withdrawal form is received in the registration office or at the Highline Community College Federal Way Center on or after the sixth day of instruction, provided such withdrawal occurs within the first twenty calendar days following the beginning

of instruction. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in the quarterly class schedule.

(4) Summer quarter, late starting, and short courses. Refunds for these courses will be determined by the registrar.

(5) Continuing education classes. To obtain refunds for self-support courses, withdrawals must be received forty-eight hours before the first scheduled course meeting. Other refunds, except for course cancellation, will be made at the discretion of the director of continuing education.

(6) There is no refund of the nonrefundable fall quarter registration deposit to students who did not pay the total amount of their tuition and fees before the deadline. This deadline is published in the quarterly class schedule.

(7) A processing fee will be withheld from all refunds issued, except when Highline Community College cancels a course, in accordance with chapter 131-28 WAC and under regular college fiscal processes.

WAC 132I-160-120 Appeals. Students have the right to appeal admission and registration decisions. Students are entitled to two levels of appeal. All appeals must be in writing. Admission decisions are appealed at the first level to the director of admissions and at the second level to the dean of students. Registration decisions are appealed at the first level to the registrar and at the second level to the dean of administration. The student must initiate an appeal at the first level. If the student is not satisfied with the decision at the first level, the student may appeal at the second level. The results of a second level appeal are final. Students may expect a written response to an appeal within ten working days.

WAC 132I-168A-010 Purpose of the library. Highline Community College library, in its role of cooperating against the abridgment of free expression and free access to ideas, provides public information and enlightenment through its

responsibility to maintain books and other materials of value for their wide range of information, interest, viewpoints and enlightenment on the problems and issues of our times. Just as its doors remain open to all individuals, regardless of age, sex, race, religion, national origin or socio-political views, so its shelves remain open to all books regardless of the author's age, sex, race, religion, national origin or socio-political viewpoint. Further, Highline Community College's library perceives itself as challenger to all attempts at censorship and/or proscription of views of either patron or authors because it is an educational institution for democratic living.

[Order 012, § 132I-168-010 (codified as WAC 132I-168A-010), filed 10/31/75.]

WAC 132I-168A-030 Definition of terms. (1) Circulating material: Materials designated as available for library patrons to check out.

(2) **Circulation period:** The length of time materials may be checked out of the library. The time period varies with material's classification.

(3) **Holds:** A request that material be held for a specific library patron's use when returned to the circulation desk.

(4) **Library day:** A library day is constituted by each day the library is open to the public.

(5) **Library hours:** A library hour is constituted by each hour the library is open to the public.

(6) **Noncirculating materials:** Materials designated not available for library patrons to check out. Rare exceptions may be authorized by a librarian.

(7) **Recalls:** A request for a patron to return circulating materials under conditions prescribed in WAC 132I-276-070.

(8) **Reserve material:** Materials placed under specially supervised circulation at special request of a Highline instructor.

(9) **Search:** A patron may request the library to make special efforts to locate a particular piece of library material.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-168A-030, filed 7/21/92, effective 8/21/92; Order 012, § 132I-168-030 (codified as WAC 132I-168A-030), filed 10/31/75.]

WAC 132I-168A-040 Classification of materials.

Library materials may be divided generically into the following classes: Books, periodicals, microform, audio-tape material, video-tape material, slides, recordings, and vertical file materials. These genera may be additionally classified as circulating, of limited circulation or noncirculating, depending upon the content, demand and availability of the specific material, but not necessarily depending upon the form of the material. Because of a special interest in a material for a limited period of time, library materials may be placed in a "reserve" section for specially supervised circulation only at the request of an instructor. The director of the library may classify certain library materials as part of a special collection due to the rarity, condition, or some other degree of speciality of that material. Patrons should consult the office of the director of the library for any restrictions or particular conditions regarding the use of such materials.

(2003 Ed.)

[Order 012, § 132I-168-040 (codified as WAC 132I-168A-040), filed 10/31/75.]

WAC 132I-168A-050 Borrower classification. Consistent with a community college being the symbol of a community's recognition of the value of education, the library acts as Highline college's emissary to all those acknowledging that value and actively seeking it. Within this principle are readily identifiable groups that have varying demands upon existing facilities. These groups are as follows:

(1) Currently enrolled students

(2) All faculty and staff of Highline Community College

(3) The community at large which includes former students and graduated alumni

(4) Other libraries

Patrons wishing to retain anonymity against future searches of library records may make special arrangements to check out materials on a disposable book card. Books, packages, briefcases and similar receptacles are subject to inspection upon leaving the library. Library privileges may be refused to patrons who repeatedly cause disturbances and have been forewarned of the possibility of such action.

[Order 012, § 132I-168-050 (codified as WAC 132I-168A-050), filed 10/31/75.]

WAC 132I-168A-060 Periods of circulation. Printed materials in the Highline Community College library are available to borrowers under the following guidelines. The established loan time period for circulating materials is based upon anticipated demand and is so established by the director of the library and his staff. This schedule is based on a circulation period of two weeks starting from the Wednesday following the borrowing date. Circulation periods are subject to periodic review by the director and his staff. Certain library materials, because of their high demand, the high degree of readily accessible facts and information, their essential capacity as a means to greater information sources or due to the specific nature of their form, may be designated as non-circulating by the library. Listening-language lab materials are classified as noncirculating. Materials classified as non-circulating do not circulate without the permission of a librarian. Two renewals, each of a two-week duration, are permissible unless someone has requested the material. Further renewals are subject to the discretion of the office of the director of the library. Overdue materials may be renewed in accordance with these procedures. Telephone renewals are permissible. Vertical file materials are subject to the same regulations as stated above except that the circulation period is three library days. Audio-visual materials circulate for three days through an instructor at the college. All periodicals (except the most recent issue of each title) may circulate for a three-day period. Renewals of periodicals are subject to the same regulations concerning renewals of other printed materials except that the length of renewal for periodicals is equal to the length of the original circulating period and that periodicals may only be renewed once.

[Order 012, § 132I-168-060 (codified as WAC 132I-168A-060), filed 10/31/75.]

[Title 132I WAC—p. 31]

WAC 132I-168A-070 Holds, recalls and searches. (1) Holds:

(a) Reserve materials: Faculty members (only) may request that certain library materials be placed on "reserve" for restricted circulation periods of two hours, twenty-four hours, or three days. Library patrons may check out only one reserve item at a time unless special permission to use more than one reserve item has been obtained from a librarian, a circulation technician or from the instructor who placed the items on reserve. Reserve materials may not be renewed without special permission from a librarian or from the instructor requesting the materials held for reserve. Materials must remain available for others to use for at least one hour from the time of return.

(b) Materials placed on regular "hold": A patron may request a hold placed on any circulating material except reserve materials. Book materials on "hold" circulate under the rules and regulations governing regular library materials except that they must be checked out before they are allowed from the hold section (circulation desk).

(2) Recalls: After a patron has requested that a certain material be placed on "hold," that material may be recalled any time after the initial circulation period has ended. Material placed on long-term loan may be recalled at any time. Materials needed to facilitate an instructor's reserve request may be recalled at any time. Materials checked out to noncollege patrons but needed for use by on-campus patrons may be recalled at any time.

(3) Searches: When a patron has been unable to locate a particular item in the library, a "search" for that item may be requested by filing appropriate search forms obtainable from the circulation desk or the office of the director of the library.

[Order 012, § 132I-168-070 (codified as WAC 132I-168A-070), filed 10/31/75.]

WAC 132I-168A-080 Return of library materials.

The library considers materials returned as of the date such materials are found in any of the library receiving points. Reserve, overnight, reference and special collection materials are considered returned when received at the point of circulation. After-hours receiving points are emptied when the library reopens on the following day. Materials found there will be considered as returned as of closing time the previous day. Equipment must be returned to the location from which it was circulated.

[Order 012, § 132I-168-080 (codified as WAC 132I-168A-080), filed 10/31/75.]

WAC 132I-168A-090 Schedule of fines and charges.

(1) Fines. The schedule of fines and charges is posted at the circulation desk and is available through the office of the director of the library. All patrons are subject to uniform application of this schedule. There are no fines levied for overdue materials that are in regular circulation. Fines are charged for overdue reserve, overnight, reference and special collections materials as follows:

(a) For materials under two to twenty-four hour circulation, fines are levied at a rate of \$.25/library hour up through the first four hours inclusive and \$.10/library hour thereafter.

[Title 132I WAC—p. 32]

(b) For materials under three-day loan, fines are levied at a rate of \$.50/library day.

(c) For periodicals, fines are levied at a rate of \$.25/library day per item up to a maximum of \$2.00.

(2) Damage and replacement charges.

(a) Damage charges for all library materials, regardless of classification, will reflect the cost of repair but will not exceed the cost of replacement. Damages to special collection materials will be determined by the director of the library or his delegate. Charges for damaged reprints reflect the current copy-machine rates.

(b) Replacement charges are \$2.00 over the current list price of the lost or missing item. This rate for replacement applies to all library materials except:

(i) Vertical file materials which are assessed at \$2.00 per item;

(ii) Special collection materials which are assessed as determined by the director of the library or his delegate, and;

(iii) Periodical materials which are assessed at \$2.00 above the current list price for each periodical in addition to which bound periodicals will have an additional charge levied to reflect the cost of replacement and the cost of binding in volumes.

(3) Notification of overdue materials will be by mail to the address listed on the book card, registration roster or in the office of the registrar. Notice of materials placed on reserve may be by telephone and/or by mail. Responsibility for correct address information lies with the patron exclusively.

(4) Anyone owing over a total of \$50.00 in fines, damages and/or replacement charges shall have library privileges withheld as notified, in writing, by the director of the library or his delegate.

(5) Failure to return library materials and/or to settle disputes concerning fines, damages or replacement fees by the end of the quarter during which the material was circulated or the fine or fee was incurred may result in having library privileges suspended until the dispute is satisfactorily settled.

(6) Fines accrue from the first day or hour such materials are overdue.

(7) Failure to accommodate a library hold or recall effort may result in fines or similar appropriate disciplines.

(8) College employees who are terminating their employment at Highline Community College may have outstanding fines and/or charges deducted from final paychecks or may have final paychecks withheld until charges are paid.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140, 92-15-115, § 132I-168A-090, filed 7/21/92, effective 8/21/92; Order 012, § 132I-168-090 (codified as WAC 132I-168A-090), filed 10/31/75.]

WAC 132I-168A-100 Appeals of fines and charges.

(1) Library patrons wishing to appeal fines and/or charges assessed by the library may do so by completing library forms found at the circulation desk. Completed forms are to be filed with a librarian at the circulation desk. Failure to file this form within twenty library days of the assessment of the fine or charge in question or within twenty days of the time the library patron was made aware of the fine or should have

(2003 Ed.)

been aware of the fine shall be deemed a waiver of the right to appeal.

(2) Upon receipt of a properly filed request for a brief adjudicative proceeding, the librarian shall conduct a hearing. Within ten days of such hearing, the librarian shall serve the patron with an initial order either upholding or denying the patron's appeal. Such order shall comply with the requirements of RCW 34.05.485 and WAC 10-08-210.

(3) If the initial order is considered unsatisfactory, the library patron may file an appeal with the appropriate dean or his or her designee. Such request shall be made in writing, shall clearly state the grounds for the appeal, and shall be postmarked within twenty-one days of the date of service of the initial order. Failure to file this request within twenty-one library days shall be deemed as acceptance of the disposition proposed by the director.

(4) The dean's decision shall be final.

WAC 132I-280-020 Education records—Student's right to inspect. (1) A student has the right to inspect and review his or her education records.

(a) For purposes of this section the term "education records" means those records, files, documents, and other materials which contain information directly related to a student.

(b) The term "education records" does not include:

(i) Records of instructional, supervisory, and administrative personnel which exist solely for the use of the maker and which are not accessible or revealed to any other person except a substitute.

(ii) In the case of persons who are employed by an educational institution but who are not attending that institution, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for any other use.

(iii) Records on a student which are created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional capacity, or assisting in that capacity and which are created, maintained, or used only in connection with the treatment of the student, and are not available to anyone other than persons providing such treatment; provided, however, that such records can be personally reviewed by a physician or other appropriate professional of the student's choice.

(2)(a) Recommendations, evaluations, or comments concerning a student that are provided in confidence, either expressed or implied, as between the author and the recipient, shall be made available to the student, except as provided in (b), (c), and (d) of this subsection.

(b) The student may specifically release his right to review where the information consists only of confidential recommendations respecting:

- (i) Admission to any educational institution; or
(ii) An application for employment; or

(iii) Receipt of an hour or honorary recognition.

(c) A student's waiver of his or her right of access to confidential statements shall apply only if:

(i) The student is, upon request, notified of the names of all persons making confidential statements concerning him; and

(ii) Such confidential statements are used solely for the purpose for which they were originally intended; and

(iii) Such waivers are not required as a condition for admission to, receipt of financial aid form, or receipt of any other services or benefits from the college.

(d) Recommendations, evaluations, or comments concerning a student that have been provided in confidence, either expressed or implied, as between the author and the recipient, prior to January 1, 1975, shall not be subject to release under (a) of this subsection. Such records shall remain confidential and shall be released only with the consent of the author. Such records shall be used by the institution only for the purpose for which they were originally intended.

(3) Where requested records or data include information on more than one student, the student shall be entitled to receive or be informed of only that part of the record or data that pertains to the student.

(4) Students have the right to obtain copies of their educational records. Charges for the copies shall not exceed the cost normally charged by the college (except in cases where charges have previously been approved by the board of trustees action for certain specified services, such as transcripts and grade sheets).

(5) The college registrar is the official custodian of academic records and therefore is the only official who may issue a transcript of the student's official academic record.

(6) Student education records may be destroyed in accordance with a department's routine retention schedule. In no case will any record which is requested by a student for review in accordance with this section and WAC 132I-280-025 be removed or destroyed prior to providing the student access.

WAC 132I-280-025 Requests and appeal procedures.

(1) A request by a student for review of information should be made in writing to the college individual or office having custody of the particular record.

(2) An individual or office must respond to a request for education records within a reasonable period of time, but in no case more than thirty days after the request has been made. A college individual or office which is unable to comply with a student's request within the above-stated time period shall inform the student of that fact and the reasons in writing.

(3)(a) A student who feels that his or her request has not been properly answered by a particular individual or office or who feels that the information contained in those records is incorrect should contact the appropriate dean responsible for the individual or office for mediation.

(b) In cases where a student remains dissatisfied after consulting with the appropriate dean the student may then request a hearing by the president or his or her designee(s). Following the hearing, the hearing officer shall render his or

her decision within a reasonable period of time. In all cases the decision of the hearing officer shall be final.

(c) In no case shall any request for review by a student be considered by the college which has not been filed with that body in writing within ninety days from the date of the initial request to the custodian of the record.

(b) Federal and state officials requiring access to education records in connection with the audit and evaluation or a federally or state-supported education program or in connection with the enforcement of the federal or state legal requirements which relate to such programs. In such cases the information required shall be protected by the federal or state official in a manner which will not permit the personal identification of students and their parents to other than those officials and such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation, or enforcement of legal requirements.

(c) Agencies or individuals requesting information in connection with a student's application for, or receipt of financial aid.

(e) Accrediting organizations in order to carry out their accrediting functions.

(f) Any person or entity designated by judicial order or lawfully issued subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of the compliance therewith. Any college individual(s) or office(s) receiving a subpoena or judicial order for education records shall immediately notify the assistant attorney general for the college before releasing the documents.

(2) Where the consent of a student is obtained for the release of education records, it shall be in writing, signed and dated by the person giving such consent, and shall include:

Releases in accordance with subsection (1)(a) of this section need not be recorded.

(4) Personally identifiable education records released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released in a personally identifiable form to any other parties without obtaining consent of the student.

(5) The term "directory information" used in subsection (1) of this section is defined as a student's name, address, telephone number, dates of attendance, and degrees and awards received. Students may request that the college withhold directory information through written notice to the registration office.

(6) Information from education records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person(s).
