ENTRY REQUIREMENTS

WAC 4-25-710 What are the education requirements to qualify to apply for the CPA examination? (1) **Education requirements:** Effective July 1, 2000, to apply for the CPA examination you must have completed:

(a) At least one hundred fifty semester hours of college education, including

(b) A baccalaureate or higher degree; and

(c) An accounting concentration as defined as at least:

(i) Twenty-four semester hours or the equivalent in accounting subjects of which at least fifteen semester hours must be at the upper division or graduate level (an upper division course is defined as a course only available to students who have standing as a junior, senior, or graduate; frequently carries completion of an elementary course(s) as a prerequisite for admission; and is usually designated as "upper division" by the school offering the course); and

(ii) Twenty-four semester hours or the equivalent in business administration subjects at the undergraduate or graduate level.

(d) The board will not recognize accounting concentration credits awarded for "life experience" or similar activities retroactively evaluated and recognized by colleges or universities. This restriction is not intended to apply to internships prospectively approved by colleges or universities.

If you expect to meet the education requirements of this section within one hundred twenty days following the examination, you are eligible to take the CPA examination provided you submit, on a form provided by the board's designee, signed confirmation from the university you are enrolled in stating you will meet the education requirements within one hundred twenty days following the examination. If you are admitted to the examination on the expectation that you will complete the educational requirement within one hundred twenty days, you will not be given credit for the examination or any section of the examination unless you demonstrate you meet the education requirements within one hundred twenty days of that sitting.

(2) **Education obtained outside the United States:** If you obtained all or a portion of your education outside the United States you must have your education evaluated by a board approved foreign education credential evaluation service. The board will establish the criteria for board approval of foreign education credential evaluation services. The board will not provide education credential evaluation services.

(3) **Semester versus quarter hours:** As used in these rules, a "semester hour" means the conventional college semester hour. Your quarter hours will be converted to semester hours by multiplying them by two-thirds.

(4) **Accreditation standards:** For purposes of this rule, the board will recognize colleges and universities which are accredited in accordance with (a) through (c) of this subsection.

(a) An accredited college or university is a four-year degree-granting college or university accredited at the time your degree was received by virtue of membership in one of the following accrediting agencies:

(i) Middle States Association of College and Secondary Schools;

(ii) New England Association of Schools and Colleges;

(iii) North Central Association of Colleges and Secondary Schools;

(iv) Northwest Association of Schools and Colleges;

(v) Southern Association of Colleges and Schools;

(vi) Western Association of Schools and Colleges; and

(vii) Accrediting Commission for Independent Colleges and Schools, or its predecessor, the Accrediting Commission of the Association of Independent Colleges and Schools.

(b) If an institution was not accredited at the time your degree was received but is so accredited at the time your application is filed with the board, the institution will be deemed to be accredited for the purpose of (a) of this subsection provided that it:

(i) Certifies that your total educational program would qualify the applicant for graduation with a baccalaureate degree during the time the institution has been accredited; and

(ii) Furnishes the board satisfactory proof, including college catalogue course numbers and descriptions, that the pre-accrediting courses used to qualify you for a concentration in accounting are substantially equivalent to postaccrediting courses.

(c) If your degree was received at an accredited college or university as defined by (a) or (b) of this subsection, but the educational program which was used to qualify you for a concentration in accounting included courses taken at nonaccredited institutions, either before or after graduation, such courses will be deemed to have been taken at the accredited institution from which your degree was received, provided the accredited institution either:

(i) Has accepted such courses by including them in its official transcript; or

(ii) Certifies to the board that it will accept such courses for credit toward graduation.

(5) **Alternative to accreditation:** If you graduated from a four-year degree-granting institution that was not accredited at the time your degree was received or at the time your application was filed, you will be deemed to be a graduate of a four-year accredited college or university if a credentials evaluation service approved by the board certifies that your degree is equivalent to a degree from an accredited college or university as defined in subsection (4) of this section.

(2003 Ed.)

Applications, including all required documentation, for the May examination must be postmarked by March 1 (and received by March 10). Applications, including all required documentation, for the November examination must be postmarked by September 1 (and received by September 10). An application is not considered filed until the examination fee has been received by the board's designee.

(2) **Failure to attend the exam:** If you fail to appear for examination or reexamination you forfeit the fees charged for examination and reexamination.

(3) **Notice of admittance to the examination or denial of your application:** Notice of the denial of your application, or notice of your admittance to the examination along with the time and place of the examination will be mailed to you at least ten days prior to the date set for the examination.

(4) **Examination, grading and conditioning:** The board uses all parts of the uniform CPA examination and the advisory grading services of the American Institute of Certified Public Accountants. Seventy-five or better is a passing grade for each section of the examination. Each time you sit for the examination you must take all sections you have not previously passed. You are required to pass all sections of the examination in order to qualify for a license. If at a given sitting of the examination you pass two or more, but not all sections of the examination, then you will receive credit for those sections that you pass and you will not be required to take those sections again provided:

(a) You took all unpassed sections of the examination at that sitting;

(b) You attained a minimum grade of fifty on each section of the examination not passed at that sitting;

(c) You pass the remaining sections of the examination within six consecutive examinations given after the one at which the first sections were passed;

(d) At each subsequent sitting you take all sections not yet passed and you attain a minimum grade of fifty on those sections taken but not passed at that sitting; and

(e) In order to receive credit for passing additional sections in a subsequent sitting you attain a minimum grade of fifty on sections taken but not passed at that sitting.

(5) **Ethics exam:** Upon passing the CPA examination, applicants for licensure are required to attain and demonstrate a passing grade of ninety percent or better on the AICPA professional code of conduct examination.

(6) **Proctoring CPA exam candidates:** The board may agree to request the assistance of another accountancy board in proctoring Washington's applicants at out-of-state exam sites and may agree to proctor another accountancy board's applicants at a Washington exam site, both subject to space and staffing constraints. The board will not arrange for out-of-state proctoring for applicants domiciled out-of-state who wish to take the uniform CPA exam as Washington candidates. Such applicants must take the CPA exam in Washington on a space available basis.

(f) In gathering information about the attest work of licensees, the committee may make use of investigators, either paid or unpaid, who are not themselves members of the committee.

(ii) Require any individual licensee who had responsibility for issuance of a report, or who substantially participated in preparation of the report and/or related workpapers, to successfully complete specific courses or types of continuing education as specified by the board;

(iii) Require that the office responsible for a substandard report submit all or specified categories of its reports to a pre-issuance review in a manner and for a duration prescribed by the board;

(iv) Require the office or the licensee firm responsible for a substandard report to submit to a peer review conducted in accordance with standards acceptable to the board. The cost of the peer review will be at the firm's expense;

(v) Require the licensee firm responsible for substandard work to submit to on-site review or other investigative procedures of work product and practices by board representatives in order to assess the degree or pervasiveness of substandard work. The board may assess the costs of such procedures to the firm if the results of such investigative efforts substantiate the existence of substandard work product;

(vi) Initiate an investigation pursuant to RCW 18.04.295, 18.04.305, and/or 18.04.320 if it appears that the professional

WAC 4-25-832 How do I report my CPE to the board? In order to apply for renewal of your license, certificate, or registration as a resident nonlicensee firm owner, you must satisfy the board's CPE and supporting documentation requirements.

The reporting of compliance with CPE requirements is concurrent with filing your renewal application. When you complete your renewal form, you are required to sign a statement certifying under the penalty of perjury that you complied with the board's CPE requirements as defined in WAC 4-25-830 and supporting documentation requirements as defined in WAC 4-25-833.

The board audits, on a test basis, compliance with CPE and supporting documentation requirements as certified on the renewal form. As part of this audit the board may require additional information to demonstrate your compliance with the board's rules.
