1. Serve as a catalyst for developing and implementing statewide library programs that will improve service at all Washington libraries;

WAC 304-12-125 General statement of criteria. (1) In a free and open society the mission of libraries is to be aware of individuals' need for knowledge and personal growth and to respond to those needs by providing access to the wisdom, experience and imagination of mankind.

(2) The state agency's criteria for determining the adequacy of library service to the public are:

(a) That ninety percent of the requests by library users for specific titles is available through their library in a manner that is satisfactory to the users.
(b) That ninety percent of the requests by library users for works by a particular author or creator is available through their library in a manner that is satisfactory to the users.
(c) That ninety percent of the requests by library users for materials on a specific subject is available through their library in a manner that is satisfactory to the users.
(d) That ninety percent of the requests by library users for information is answered through their library in a manner that is satisfactory to the users.
(e) That ninety percent of the people in a library's service area are aware of the kinds of services provided by their library.
(f) That the percentage of use by each demographic group as defined in the Library Services and Construction Act regulations is the same, +/- fifteen percent, based on the highest percentage of use.

The determination of adequacy is made by comparing these criteria with annual reports which by law must be submitted to the state agency by each public library.

The state library will not disclose these records, outside the requirements of RCW 42.17.310 and absent judicial action to compel such disclosure.

(3) In addition, pursuant to section 26, chapter 1, Laws of 1973, the library reserves the right to delete identifying details when it makes available or publishes any public record, in any cases when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973. The public records officer will fully justify such deletion in writing.

(4) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

If the commission is to review the denial, the librarian will respond with a date certain for that review within five business days.
