WAC 132D-120-070 Disciplinary proceedings. (1) **Complaints.** Any member of the college community may file a complaint against any student for misconduct. Complaints shall be submitted within ninety days after the incident. Complaints shall be prepared in writing and directed to the office of the judicial advisor.

(2) **Notice to accused student.** When a complaint is filed against a student, the judicial advisor will, within five school days, serve written notice on the accused student, including a copy of the code of student conduct advising the student of the charges against him or her.

(3) **Informal process.** The judicial advisor may, but is not required to, conduct an investigation to determine the merit of the complaint and if it can be disposed of informally by mutual consent of the parties involved. For adverse parties who agree to settle the complaint informally, the judicial advisor will facilitate communication between the complainant(s) and the student(s) accused (respondent(s)). The judicial advisor will determine the best means of conducting the informal process, the purpose of which is to reach an agreement that is mutually satisfactory to the parties, if possible. Interim sanctions may be imposed at any time during the informal process with good reason (see interim sanctions section). If it is determined that the matter cannot be resolved by mutual consent, a summary disciplinary conference will be initiated by the judicial advisor.

(4) **Summary proceedings.**

(a) **Disposition.** After considering the evidence in the case and interviewing the respondent in a summary hearing (if the respondent has appeared at the scheduled conference), the judicial advisor may:

(i) Terminate the proceeding exonerating the student(s);

(ii) Dismiss the case after whatever counseling and advice the judicial advisor deems appropriate; or

(iii) Impose any of the sanctions listed in this code.

The decision shall be in writing and shall be served on both the respondent and the complainant.

(b) **Request for formal hearing.** After the judicial advisor's decision, the respondent and/or the complainant may request a formal hearing to challenge a decision reached, or a sanction imposed, by the judicial advisor pursuant to the informal disciplinary hearing. Such requests shall be in writ-
ing and shall be delivered to the director of student life or designated judicial advisor within five school days of the judicial advisor's decision. A time shall be set for a formal hearing not less than five, nor more than fifteen, calendar days after the request for a formal hearing. If there is good reason and the complainant(s) and the respondent(s) agree, time limits for scheduling a hearing may be extended at the discretion of the judicial advisor.

(5) **Formal hearings.** Formal hearings shall be convened by the judicial advisor and conducted by a judicial body according to the following guidelines:

(a) Hearings shall be conducted in private. Hearings will be chaired by the judicial advisor.

(b) The complainant(s) and the respondent(s) shall be expected to attend the formal hearing. Admission of any person to the hearing shall be at the discretion of the judicial advisor.

(c) In hearings involving more than one accused student, the judicial advisor, at his or her discretion, may permit separate hearings for each respondent.

(d) The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney, but advisors are not permitted to speak or participate directly in any hearing before a judicial body, except as permitted by the judicial advisor. If the student chooses to be advised by a licensed attorney in the state of Washington, s/he must notify the judicial advisor at least five working days prior to the hearing.

(e) The complainant, the respondent and the judicial body shall have the right of presenting witnesses and evidence, subject to the right of questioning by the judicial body, the complainant or the respondent. The judicial advisor may limit the scope and number of questions to witnesses.

(f) Pertinent records, exhibits and written statements may be accepted for consideration as evidence prior to, or during, a hearing by a judicial body at the discretion of the judicial advisor.

(g) All procedural questions are subject to the final decision of the judicial advisor.

(h) After the hearing, the judicial body shall determine whether the student has violated the code of conduct as charged.

(i) The judicial body's determination shall be made on the basis of whether it is more likely than not that the respondent violated the code of conduct.

(j) If the judicial body determines that a student has violated the code of conduct, the body will determine whether the sanction(s) imposed pursuant to the informal disciplinary conference were appropriate for the violation of the code of conduct which the student was found to have committed.

(k) A judicial body may reduce or increase the sanctions imposed by the judicial advisor pursuant to the informal disciplinary conference or remand the case to a judicial advisor.

(l) There shall be a single verbatim record, such as a tape recording, of all hearings before a judicial body. The record shall be the property of the college and shall be preserved until the decision is final after the time for appeals has passed.

WAC 132D-120-080 **Sanctions.** (1) The following sanctions may be imposed by the judicial advisor upon any student, group or organization found to have violated the code of conduct:

(a) Warning—A notice in writing to the student that the student has violated this code and that further violation may result in additional disciplinary proceedings and sanctions.

(b) Probation—A written reprimand placing conditions upon the student's continued attendance. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating the code during the probationary period. Notice will be made in writing and shall specify the period of probation and the conditions, such as limiting the student's participation in extracurricular activities.

(c) Loss of privileges—Denial of specified privileges for a designated period of time.

(d) Fines—Fines may be imposed.

(e) Restitution—Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

(f) Discretionary sanctions—Work assignments, service to the college or other related discretionary assignments.

(g) Deactivation—(Applies to student groups or organizations). Loss of all privileges, including college recognition, for a specified period of time.

(h) College suspension—Separation of the student from the college for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

(i) College expulsion—Permanent separation of the student from the college. There shall be no refund of fees for the quarter in which the action is taken but fees paid in advance for a subsequent quarter will be refunded.

(2) More than one of the sanctions listed above may be imposed for any single violation.

(3) Disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's confidential record. Upon graduation and application to the judicial advisor, the student's confidential record may be expunged of disciplinary actions other than college suspension or expulsion consistent with the college's schedule of record disposition.

(4) In each case in which a judicial body determines that a student has violated the code of conduct, the sanction(s) shall be determined by the judicial advisor. In cases in which persons other than, or in addition to, the judicial advisor have been authorized to serve as the judicial body, the recommendation of all members of the judicial body shall be considered by the judicial advisor in determining and imposing sanctions. The judicial advisor is not limited to sanctions recommended by members of the judicial body. Following the hearing, the judicial body and the judicial advisor shall advise the respondent in writing of its determination and any sanction(s) imposed.
WAC 132D-120-090 Interim sanctions. In certain circumstances, the director of student activities and auxiliary services, or designated judicial advisor, may impose any of the above sanctions pending a hearing before, or decision by, a judicial body.

(1) Interim sanctions may be imposed only:
   (a) To ensure the safety and well-being of members of the college community or the preservation of college property;
   (b) To ensure the student's own physical or emotional safety and well-being; or
   (c) If the student poses a threat of disruption to, or interference with, the educational process or other normal operations of the college.

(2) Notice of interim sanctions will be made in writing and will state:
   (a) The charges against the student, including reference to the provisions of this code that were allegedly violated; and
   (b) That the student charged has the right to an informal hearing before the judicial advisor to challenge the interim sanctions.

(3) If such a hearing is requested, it shall be held as soon as practicable after the interim sanctions have been imposed. The judicial advisor will decide whether there is probable cause to believe that continuation of the sanctions is necessary, and/or whether some other disciplinary action is appropriate.

(4) The judicial advisor may continue to enforce the interim sanctions if, following the informal hearing, he or she finds that there is probable cause to believe that interim sanctioning of that student is necessary for the safety of the student, other students, or persons on college facilities, the educational process of the institution, or to restore order to the campus. The result of the informal hearing will be given to the student in writing.

(5) If sanctions are continued, the written notice shall stipulate the duration of the sanctions and conditions under which they may be terminated.

WAC 132D-120-100 Appeals. Chapter 132D-140 WAC

POLICY ON THE USE OF COLLEGE FACILITIES

WAC

132D-140-010 Use of college facilities. Community College District No. 4 serves Skagit, Island and San Juan counties by providing continued educational opportunity for its citizens. In keeping with this general purpose, the college believes that facilities should be available for a variety of uses which are of benefit to the general public; provided, that such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.50.140. 89-06-012 (Order 89-01), § 132D-140-010, filed 2/22/89.]

WAC 132D-140-020 Limitation of use to school activities. When allocating use of college facilities, top priority shall always be given to activities specifically related to the college's mission. No arrangements shall be made that may interfere with or operate to the detriment of, the college's own teaching, research, or public service programs. In particular, the college buildings, properties, and facilities, including those assigned to student programs, shall be used primarily for:

(1) The regularly established teaching, research, or public service activities of the college and its departments or related agencies.

(2) Cultural, educational, or recreational activities of the students, faculty or staff.

(3) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(4) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation.

(5) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(6) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. In conformance with state guidelines, the appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration, or the board of trustees, whether implicit or explicit, of the speaker's views.

(7) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with college regulations and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

(8) The college may restrict an individual's or a group's use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.50.140. 89-06-012 (Order 89-01), § 132D-140-020, filed 2/22/89.]

WAC 132D-140-030 Statement of intentions. The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college hopes to work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.50.140. 89-06-012 (Order 89-01), § 132D-140-030, filed 2/22/89.]

WAC 132D-140-040 General policies limiting use. (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2007 Ed.)
(2) Religious groups shall not, under any circumstances, use the college facilities as a permanent meeting place. Use shall be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college's commitment to nondiscrimination as set forth in its written policies and commitments.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These general policies shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed only in designated areas on the campus where, and at times when, such distribution shall not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by the designated administrative officer and regulated by established guidelines shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times that will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(8) No person or group may use or enter onto college facilities having in their possession firearms, even if licensed to do so, except commissioned police officers as prescribed by law.

(9) The right of peaceful dissent within the college community shall be preserved. The college retains the right to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is an illegitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might be available through local law enforcement agencies.
students, staff, and guests. Smoking shall not be permitted in college buildings or vehicles.

(v) Subtle pressure for sexual activity, including sexual propositions.
(vi) Unnecessary brushes or touches, including pinching, patting, or grabbing.
(vii) Displayed offensive sexual graffiti, gestures, cartoons, or materials.
(viii) Sexual innuendos or obscene gestures.
(ix) Written communications with sexual overtones.
(x) Sexually offensive remarks disguised as humor.
(xi) Unwanted gifts, staring, leering, or unwanted attention.

(d) Skagit Valley College will investigate allegations of sexual harassment which may include, but is not limited to the following:
(i) The conduct of a faculty member in a faculty-student relationship.
(ii) The conduct of an individual in the paid employment of the district who may grant or withhold benefits to students and employees.
(iii) The conduct of any college supervisory employee.
(iv) The conduct between fellow employees of the college.
(v) The conduct of college agents.
(vi) The conduct of employees when it occurs related to college-sanctioned activities on or off campus and/or hampers the educational or college work environment.
(vii) The conduct of nonemployees when it occurs related to college-sanctioned activities on or off campus and/or hampers the educational or college work environment.
(viii) The conduct of students in daily classes and activities.

(3) In-district procedural guidelines. When a person believes that she/he has been sexually harassed, the claimant may contact one of the district's ombudspersons. Faculty and staff shall assist the claimant in contacting an ombudsperson. The ombudsperson will provide the claimant with procedures and suggestions to enable the claimant to resolve the problem or to initiate the appropriate complaint process. All complaints shall be initiated no later than one hundred eighty days from the most recent incident.

The district shall have four ombudspersons: A female and male shall be appointed for both the Mount Vernon and Whidbey campuses. Appointment will be by the president, on the advice of the vice-president, educational services, the dean for administrative and student services, the dean of Whidbey campus (for Whidbey personnel), the president of the SVCEA, the president of the CSA, and the president of ASSVC. Appointment shall be for staggered three-year terms.

Ombudspersons shall report directly to the vice-president - educational services who shall be directly responsible for the implementation of this policy. The ombudspersons shall be responsible for receiving complaints, for receiving and giving training to all members of the college community on sexual harassment as directed by the vice-president - educational services, and for conducting awareness activities for all college groups. They will be assisted in their efforts by the affirmative action officer. The college will carry out any investigation in such a way as to protect the rights of both the claimant and the respondent. The college recognizes that in some circumstances a change of environment may be appropriate during the investigation. If during the mediation process the ombudsperson deems the complaint without merit, it shall be immediately dismissed. Further, if the ombudsperson finds the complaint to be false and malicious, the claimant shall be referred to the designated college officer. Maximum confidentiality and support for both parties shall be maintained at each step of the procedure.

(4) Advising process. In the event that an individual feels he or she has been the victim of sexual harassment, the individual may discuss the matter with an ombudsperson on campus. The responsibility of the ombudsperson is to inform the individual of the policy and procedures about sexual harassment. The advising process itself is designed to promote free and open discussions between the individual seeking information and the advisor. An incident report will be generated to record the number of the different types of incidents reported in a given year. The incident reports will be forwarded to the affirmative action officer to be used for tracking purposes only. Names of individuals involved will not be designated on the incident report and no record of the advising conversations will be kept. The college will insure the privacy of all individuals involved in a sexual harassment case. If an individual feels that he or she has a warranted complaint, that individual may choose to proceed to the mediation process or directly to the formal process, step one.

(5) Mediation. When an ombudsperson receives a complaint, either verbally or in writing, of sexual harassment, he/she shall discuss the complaint with the respondent within three working days. Such complaints may come from an individual who was the target of the action or a third party. The purpose of the mediation process is to encourage both parties to communicate in an attempt to resolve the conflict. If a meeting occurs during this phase, both the claimant and the respondent may bring a support person. If the complaint appears valid, the ombudsperson shall complete a written report including the complaint and any action taken including the nature of the resolution if one is reached. This report shall be forwarded to the claimant, respondent, and the affirmative action officer who will keep it in a confidential manner for five years.

The mediation process shall be completed within thirty working days of receipt of complaint by the ombudsperson. If a satisfactory resolution is reached, the claimant and respondent will acknowledge resolution in writing.

(6) Formal complaint; step one. In the event that the mediation process does not occur or does not resolve the conflict to the satisfaction of both parties, the following process will be used:
(a) The claimant, within ten working days of the conclusion of the mediation process or the event itself, shall file a written complaint with the ombudsperson stating the times, dates, places, and circumstances surrounding the allegations. The ombudsperson will forward a copy of the complaint to the respondent within five working days. In turn, the respondent shall submit a written response concerning the complaint to the ombudsperson within five working days of receiving the written complaint. Within three working days of the complaint, the ombudsperson will forward all information to the AAO whether or not a response has been received.
The affirmative action officer may also file a formal complaint about any alleged offender who has had repeated claims filed against them. This will be done in collaboration with the receiving ombudspersons.

(b) Within five working days of receiving materials from the ombudsperson, the affirmative action officer will review all forms received and check for completeness and detail. Any concerns about procedure and forms will be discussed with the overseeing ombudsperson and corrections made.

Within the same five working day period, the affirmative action officer will then forward appropriate forms received by the ombudsperson to the appropriate supervisor who will speak informally with the respondent. The affirmative action officer shall also provide a copy of the written complaint and the respondent's response to: The vice-president, educational services when the respondent is faculty; dean responsible for student grievances if respondent is a student; appropriate dean when respondent is classified staff; president when the respondent is an administrator; chair of board of trustees if respondent is the president.

The ombudsperson shall keep a written record of all actions taken in an effort to resolve the complaint. If resolution is reached, the ombudsperson shall complete a written report of this resolution and submit copies to all parties involved.

(c) If a resolution has not been reached, and the parties were not able to mediate together, joint mediation will now take place. The mediation session will include both parties involved in the complaint and a representative for each of them. The ombudsperson and the affirmative action officer will also be present. While the parties may not want to speak to each other, in this session they will hear each other describe the events they believed to have taken place through the facilitation of the ombudsperson. If no resolution is agreed to, the case will now proceed to formal complaint, step two.

If a resolution can be achieved, the ombudsperson shall complete a written report of this resolution and submit copies to all parties involved. The claimant and respondent will acknowledge resolution in writing. Forms involved in the case will be kept by the affirmative action officer in a confidential manner for five years after which time this information will be destroyed.

(d) The entire formal procedure, step one, will be completed within thirty working days.

(7) Formal complaint; step two. If no satisfactory resolution can be achieved through formal complaint, step one, a team will be formed to conduct a fact-finding investigation as follows:

(a) The affirmative action officer;
(b) A member of the standing grievance committee selected by the claimant;
(c) A member of the standing grievance committee selected by the respondent;
(d) In the case of presidential involvement, a member of the board of trustees.

The team will hear findings from all parties. Within fifteen days of the completion of formal complaint, step one, the team will be charged with submitting a decision to the designated college officer.

The appropriate designated college officer shall be:
(i) The vice-president, educational services when the claimant of infractions of this policy is an employee of the college or when a student is complaining against an employee. When a student is involved, the dean responsible for student grievances will cochair the investigation. However, the vice-president, educational services will assume the ultimate responsibility to see the process to conclusion.
(ii) The dean responsible for student grievances when the claimant of infractions of this policy is a student complaining against another student.
(iii) In the event the respondent is the vice-president, educational services or the dean responsible for student grievances, the designated college officer shall be the president. In the event the respondent is the president, the designated college officer shall be the chair of the board of trustees.

(8) Appropriate disciplinary action. Should the team find (unanimously) discrimination in the form of sexual harassment, the result will be immediate and appropriate action as determined by the designated college officer, which may include, but is not limited to the following order of actions:
(a) Findings placed in personnel or student file;
(b) Reprimand;
(c) Suspension;
(d) Dismissal.

In cases of suspension or employment termination, existing procedures for students, administrative, faculty or classified staff shall be followed. Administrators, paraprofessionals, vendors and other college employees and agents shall be subject to discipline as deemed appropriate by the panel and the designated college officer. The affirmative action officer shall be responsible for ensuring that disciplinary actions are carried out.

(9) Repeated offenses. When a complaint is made against someone who has been found in the past to have been in violation of the sexual harassment policy, the normal procedure will commence. Disciplinary measures chosen for repeat offenders should take into account the repeated lack of compliance by the offender and should be moved to the next level.

(10) Nondistrict options. At any point during these proceedings, the claimant may file concurrently with an outside agency. Claimants are encouraged to use the internal complaint procedures first. Students may file complaints with the Office of Civil Rights, U.S. Department of Education, 2901 Third Ave., M/Sl 106, Seattle, WA 98121. Employees may file complaints with the Equal Employment Opportunity Commission (EEOC), 1321 Second Avenue, 7th Floor, Arcade Plaza, Seattle, WA 98101, or the Human Rights Commission, 1515 Second Avenue, Columbia Bldg. Suite 400, Seattle, WA 98101.

Chapter 132D-310 WAC

ANTIDISCRIMINATION POLICY

WAC 132D-310-005 Skagit Valley College antidiscrimination policy.

(2007 Ed.)
WAC 132D-310-005 Skagit Valley College antidiscrimination policy. (1) Preamble. In March of 1992, the Skagit Valley College board of trustees adopted the dignity statement relating to an environment of equity. This statement said, in part, "A most important policy of the board of trustees of Skagit Valley College is to provide a work place in which all individuals can achieve success in a climate of equality for all people. Equity must be the guiding principle in all college matters. Because the college seeks diversity in all of its services and relationships, the dignity and rights of all people involved must be respected and preserved."

As an academically centered community, Skagit Valley College highly values and respects diversity as a necessary foundation for a healthy learning and working community. A stable, positive and collegial environment is prerequisite to the success of its members.

Adverse treatment on the basis of group or categorical membership has no value or place in the mission of Skagit Valley College. Fostering and developing values which promote open-mindedness, awareness, sensitivity and respect for differences are encouraged and will be supported.

Employees, students, visitors, vendors, and agents of the college must adhere to the following policy. Responsibility for achieving a nondiscriminatory academic and working environment lies with each member of the college community.

(2) Policy. It is the policy of Skagit Valley College to prohibit discrimination on the basis of race, ethnicity, national origin, ancestry, creed, color, gender*, marital/parental status, sexual orientation, age, religion, and sensory, mental or physical disability. In recognition of the fact that discrimination in any form is in violation of the mission and purpose of Skagit Valley College, the following federal guidelines will be applied to issues of discrimination: Title IX of the 1972 Education Amendments and chapter 49.60 RCW (which prohibits discrimination on the basis of race, color, religion, national origin, or sex); Title VII of the Civil Rights Act of 1964; the Rehabilitation Act of 1973; Title VI of the Civil Rights Act of 1964; the Vocational Education Act of 1963-1976; and the Americans with Disabilities Act. For the purposes of this policy, discrimination is defined as:

(a) Exclusionary forms of conduct;
(b) Creation of an intolerant environment; and
(c) Malicious harassment.

* Sex discrimination in the form of sexual harassment is covered under Skagit Valley College's sexual harassment policy.

(3) An exclusionary form of conduct is any disparate treatment of, or adverse impact on, an individual(s) by a person(s) or a structure(s) which excludes and denies access to participation in services, programs, and activities of the college. Some types of differential treatment, such as separate toilets and locker room facilities for men and women, are considered socially acceptable.

(4) Creation of an intolerant environment is the result of the willful or intentional conduct of an individual or group of individuals who engage in threats, expressions (either verbal or nonverbal), physical abuse or harassment that threatens or endangers the health, safety or welfare of a member of the college community. An intolerant environment is also likely to provoke or cause an immediate breach of the peace and interfere with an individual's ability to effectively pursue his or her education or otherwise participate fully in college programs and activities.

(5) Malicious harassment is conduct or behavior which is maliciously and intentionally committed because of the claimant's race, ethnicity, national origin, ancestry, creed, color, gender, marital/parental status, sexual orientation, age, religion, or sensory, mental or physical disability. This conduct may include injury to the claimant or another person, damage or destruction of the property of the claimant or another person, or threats to a specific person or group of persons which places that person, or members of the specific group of persons, in reasonable fear of harm to themselves or their property.

In this policy, claimant is defined as the individual bringing forth the complaint; respondent is defined as the individual to whom the claim is directed.

If any provision of this policy is adjudged by a court to be unconstitutional or otherwise illegal, the remaining provisions shall continue in effect.

Skagit Valley College will investigate allegations of discrimination which may include, but is not limited to the following:

(a) The conduct of a faculty member in a faculty-student relationship.
(b) The conduct of an individual in the paid employment of the district who may grant or withhold benefits to students and employees.
(c) The conduct of any college employee in a supervisory position.
(d) The conduct between fellow employees of the college.
(e) The conduct of college agents.
(f) The conduct of employees when it occurs related to college sanctioned activities on or off campus and/or hampers the educational or college work environment.
(g) The conduct of nonemployees when it occurs related to college sanctioned activities on or off campus and/or hampers the educational or college work environment.
(h) The conduct of students in daily classes and college sanctioned activities on or off campus.

(6) Procedures. When a person believes that she/he has been discriminated against, the claimant may contact one of the district's ombudspersons. Faculty and staff, if requested, shall assist the claimant in contacting an ombudsperson. The ombudsperson will provide the claimant with procedures and suggestions to enable him/her to resolve the problem or to initiate the appropriate informal or formal complaint process. All complaints shall be initiated no later than one hundred eighty days from the most recent incident. However, if a claimant can demonstrate exceptional circumstances to the appropriate designated college officer, the one hundred eighty-day reporting period limit may be waived.

The district shall have a total of two ombudspersons who shall be chosen from the protected classifications related in this policy and shall be appointed for both the Mount Vernon and Whidbey campuses. Appointment will be by the president, on the advice of the vice-president of educational services, the dean responsible for student grievances, the dean of Whidbey campus (for Whidbey personnel), the president of the Skagit Valley College education association, the presi-
dent of the classified staff association, and the president of the associated students of Skagit Valley College. Appointment shall be for staggered three-year terms.

Ombudspersons shall report directly to the vice-president of educational services who shall be directly responsible for the implementation of this policy. The ombudspersons shall be responsible for receiving complaints and advising the cultural pluralism committee regarding educational efforts needed on critical discrimination issues. The ombudspersons will make every effort to ensure that neutrality is maintained throughout the process. For the purpose of this policy, the ombudsperson will act solely as a resource person and mediator and specifically will not act as an advocate for either party.

The college will carry out any investigation in such a way as to protect the rights of both the claimant and the respondent. The college recognizes that in some circumstances a change of environment may be appropriate during the investigation. If the respondent is the affirmative action officer, an ombudsperson will perform the affirmative action officer's responsibilities throughout the process. Confidentiality shall be maintained to the extent allowed by law.

(7) Advising process. In the event that an individual feels he or she has been the victim of discrimination, the individual may discuss the matter with an ombudsperson. The responsibility of the ombudsperson is to inform the individual of the policy and procedures regarding antidiscrimination. The advising process itself is designed to promote free and open discussion between the individual seeking information and the ombudsperson.

If an individual feels he or she has a warranted complaint, that person may choose to proceed to the mediation process or directly to the formal process, step one.

At the conclusion of the advising process, the ombudsperson will generate an incident report. If the ombudsperson finds the complaint without merit, he/she will not generate a report nor notify the respondent. The identity of individuals involved will not be designated on the report and no record of the advising conversation will be kept. The incident reports will be forwarded to the affirmative action officer to be used to record the number and types of incidents. The college will ensure the privacy of all individuals in the generation and maintenance of incident reports.

(8) Mediation. When an ombudsperson receives an informal complaint of discrimination, either verbally or in writing, he/she shall discuss the informal complaint with the respondent within three working days. The purpose of the mediation process is to encourage both parties to communicate in an attempt to resolve the conflict. If a meeting occurs during this phase, both the claimant and the respondent may bring a support person. If the informal complaint appears valid, the ombudsperson shall complete a written report together with the informal complaint and any action taken including the nature of the resolution if one is reached. This report shall be forwarded to the claimant, respondent, and the affirmative action officer. The affirmative action officer will keep the report confidential for five years from the date of final decision on the complaint, after which time it is destroyed.

The mediation process shall be completed within thirty working days of receipt of the informal complaint by the ombudsperson. If a satisfactory resolution is reached, the claimant and respondent will acknowledge resolution in writing to the ombudsperson who will forward a copy of the acknowledgement to the affirmative action officer.

(9) Formal complaint: step one. In the event that the mediation process does not occur or does not resolve the conflict to the satisfaction of both parties, the following process will be used:

(a) If the claimant decides to pursue the complaint, he/she shall file a formal complaint in writing with the ombudsperson within ten working days of the conclusion of the mediation process or within one hundred eighty days of the event itself for those claimants who have elected to bypass the mediation process. This formal complaint must state the times, dates, places, and circumstances surrounding the allegations. The ombudsperson will forward a copy of the formal complaint to the respondent within five working days. In turn, the respondent shall forward a written response concerning the formal complaint to the ombudsperson within five working days of receiving the written formal complaint. The ombudsperson shall forward all information to the affirmative action officer in a timely manner. Materials shall be forwarded without a response if a timely response is not received.

The affirmative action officer may also begin the formal complaint; step one process, against any alleged offender who has had repeated claims filed against him or her after the person has had an opportunity to respond in an informal manner. This will be done in collaboration with the ombudsperson.

If the affirmative action officer finds that the factual allegations of the formal complaint do not present a prima facie case of discrimination, as defined under this policy, he/she shall dismiss the complaint. In making this decision, the affirmative action officer should assume that the facts alleged in the complaint are true.

If the affirmative action officer finds the complaint to be false and malicious, he/she shall dismiss the complaint. The affirmative action officer will notify the ombudsperson why the complaint has been dismissed and the ombudsperson shall file that information with the incident report. In addition to dismissing the complaint, the affirmative action officer will refer the claimant to the designated college officer for possible disciplinary action.

(b) Within five working days of receiving materials from the ombudsperson, the affirmative action officer will review all information received and check for completeness and detail. Any concerns about procedure and documentation will be discussed with the ombudsperson, with a possible request for clarification from claimant and/or respondent.

Within the same five working day period, the affirmative action officer will forward documentation to the appropriate authority (as listed below) who will speak informally with the respondent:

**Respondent**

**Appropriate Authority**

Faculty Associate dean or dean depending upon reporting relationships

The ombudsperson shall keep a written record of all actions taken in an effort to resolve the formal complaint. If resolution is reached, the ombudsperson shall complete a written report of this resolution and submit copies to all parties involved.

(c) If resolution is not reached and the parties have not engaged in mediation, joint mediation will now take place. The mediation session will include both parties involved in the formal complaint and a support person or representative for each of them. The ombudsperson and the affirmative action officer will also be present (except when the affirmative action officer is the initiator of the complaint in which case the dean responsible for student grievances will serve). An ombudsperson will facilitate this session where both parties will hear each other describe the events they believe have taken place. If resolution is not reached, the case will now proceed to formal complaint; step two.

If a resolution is achieved, the ombudsperson shall complete a written report and submit copies to all parties involved. The claimant and respondent will acknowledge the resolution in writing. Documents involved in the case will be kept confidential by the affirmative action officer for five years after which time this information will be destroyed.

(d) The entire formal complaint; step one, procedure will be completed within thirty working days.

10(1) **Formal complaint; step two.** If the complaint has not been dismissed and a satisfactory resolution is not achieved through formal complaint; step one, a team will be formed to conduct a fact-finding investigation as follows:

(a) The affirmative action officer (except when the affirmative action officer is the initiator, claimant, or respondent of the complaint in which case the dean responsible for student grievances will serve).

(b) A member of the standing grievance committee selected by the claimant.

(c) A member of the standing grievance committee selected by the respondent.

(d) In the case of presidential involvement, a member of the board of trustees.

The team will hear evidence and argument from all parties. In conducting a fact-finding hearing, it is important to recognize that many times potential witnesses will not be available to testify at the time of the hearing. This is particularly true for former students of this institution. Alleged acts of discrimination will often arise in settings where there may be no other direct witnesses besides the claimant and the respondent. Evidence which may be available from former complainants, or others, who are no longer available to testify is likely to be helpful to the fact-finding team in weighing the credibility of the witnesses and in evaluating alleged acts of discrimination. Liberal admissibility of evidence at the fact-finding hearing is, therefore, anticipated and encouraged with the exception of information offered during the mediation process for the purpose of resolving the complaint. Evidence admitted should be accorded whatever weight is deemed appropriate under the circumstances by the fact-finding team.

Within fifteen days of the completion of formal complaint; step two, the team will be charged with submitting a report outlining their findings to the designated college officer.

The appropriate designated college officer shall be:

(i) The vice-president, educational services, when the claimant is an employee of the college or when a student is complaining against an employee. When a student is involved, the dean responsible for student grievances will join the vice-president in determining appropriate action. However, the vice-president, educational services, will assume the ultimate responsibility in seeing the process to conclusion.

(ii) The dean responsible for student grievances when the claimant is a student complaining against another student.

(iii) In the event the respondent is the vice-president, educational services, or the dean responsible for student grievances, the designated college officer shall be the president. In the event the respondent is the president, the designated college officer shall be the chair of the board of trustees.

11 **Disciplinary/further action.** Where discrimination has been determined to have occurred based on the results of the fact-finding team's report, the designated college officer will determine appropriate action, which may include:

(a) Findings placed in personnel or student file;
(b) Reprimand;
(c) Suspension;
(d) Dismissal.

In cases of suspension or employment termination, existing procedures for students, faculty, administrative or classified staff shall be followed. Administrators, paraprofessionals, and other college employees and agents shall be subject to discipline as deemed appropriate by the designated college officer. The affirmative action officer shall be responsible for ensuring that disciplinary actions are complied with and will report back to the designated college officer.

If the fact-finding team determines that discrimination has not occurred and that the claim is false and malicious, the claimant shall be referred to the designated college officer for possible disciplinary action.

12 **Repeat offenses.** When an informal or formal complaint is made against someone who has been found in the past five years to have been in violation of the antidiscrimination policy, the initial procedures of this policy will commence. However, disciplinary measures chosen for repeat offenders will take into account the repeated lack of compli-

STUDENTS WITH DISABILITIES POLICY

WAC 132D-315-005 Students with disabilities policy.

132D-315-005 Students with disabilities policy.

(1) Policy statement. No student shall, on the basis of his or her disability, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any college program or activity. Skagit Valley College is committed to providing qualified students with a disability an equal opportunity to access the benefits, rights, and privileges of college services, programs, and activities, in the most integrated setting appropriate to the student’s needs, in compliance with the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, and chapter 105, Laws of 1994.

Skagit Valley College is committed to providing reasonable accommodations, including core services, to qualified students with disabilities. The purpose of this policy is to identify the rights and responsibilities of students under ADA/504 and to establish clear guidelines for seeking and receiving reasonable accommodations.

To receive reasonable accommodations, students are responsible for requesting accommodations and documenting the nature and extent of their disability in a timely manner. This policy establishes the scope of and the procedures for requesting those accommodations.

(2) Scope. Reasonable accommodations under this policy include, but are not limited to:

(a) Academic adjustments, such as modification of academic requirements and flexibility in test-taking arrangements;
(b) Adjustments in nonacademic services and other rules; and
(c) Auxiliary aids and services.

Skagit Valley College will make those modifications to its academic requirements that:

(i) Are necessary to ensure that those requirements do not discriminate, or have the effect of discriminating, against a qualified student with a disability based on that disability; and

(ii) Do not impose an undue hardship on the college or require alteration of essential program requirements.

Appropriate academic adjustments/reasonable accommodations will be provided to qualified students with disabilities for recruitment, the application process, enrollment, registration, financial aid, course work, academic counseling, nonacademic programs and services.

Section 202 of the 1990 Americans with Disabilities Act states:

No qualified individual with a disability shall, by reason of such disability, be excluded from the participation in or be denied the benefits of the services, programs or activities of any public entity, or be subject to discrimination by any such entity.

Section 504 of the Rehabilitation Act states:

No otherwise qualified, handicapped individual in the United States shall solely, by reasons of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

(3) Definitions. "Reasonable accommodations" in college programs and services, are modifications of those programs, policies, practices, and procedures that enable qualified students with a disability to have an equal opportunity to benefit from and have access to college programs and services and providing auxiliary aids and services.

"Student" is a person enrolled at the college.

A "qualified student with a disability" is one who, with or without reasonable accommodations, meets the academic and technical standards required for admission to, participation in, and/or fulfilling the essential requirements of college programs or activities.

A "student with a disability" is a student who:

(a) Has a physical, mental or sensory impairment that substantially limits one or more of his/her major life activities;
(b) Has a record of such an impairment; or
(c) Is perceived to have such an impairment.

A "learning disability specialist" is a person with a master’s degree in special education/learning disabilities.

"Undue hardship" is any excessively costly, extensive, substantial or disruptive modification or one that would substantially alter the nature or operation of the institution or any of its programs or services or threaten the health or safety of the college community.

"Program accessibility" means that all programs and services, when viewed in their entirety, are accessible to persons with a disability.

"Core services" are those services listed in chapter 105, Laws of 1994, that are necessary to ensure students with disabilities are reasonably accommodated at the college.

"Course substitution" is the replacement of a specific course required for a degree program with another course that measures the same learning objectives/skills as the required course.

Disabled student services office and disabled student services coordinator serve district-wide functions.

(4) Obligations of the college. Skagit Valley College shall:

(a) Comply with Section 504 of the Rehabilitation Act of 1973 and Section 202 of the Americans with Disabilities Act of 1990, as amended.
(b) Notify students of the college's policy of nondiscrimination on the basis of disability and of steps the student may take if he/she believes discrimination has taken place. This notice shall be included in all formal correspondence that communicates decisions or policies adversely affecting the student's status or rights with the institution of higher education. This notice shall include the phone numbers of the United States Department of Education, U.S. Office of Civil Rights, and the Washington state human rights commission.

(c) Make available to all students information on the services available to disabled students, including the name and location of the disabled student services coordinator, and the process for accessing those services.

(d) Work with the student, faculty, and staff on a case-by-case basis, to select and provide those accommodations/core services appropriate for each qualified student with a disability.

(e) Develop procedures to protect the confidentiality of information regarding the nature and extent of the documented disability.

(f) Maintain the academic integrity of its program.

(g) Not make preadmission inquiry as to whether the applicant has a disability, except as provided by law.

(h) Work collaboratively with eligible students to determine what accommodations are reasonable and appropriate. The college may require specific documentation from the student's physician to identify the accommodations that are reasonable based on the nature and extent of a student's disability.

(5) Obligations and rights of students. The college is obligated to provide reasonable accommodation to a qualified student with known disability. What is appropriate for a student is a case-by-case determination. A student who seeks accommodation under this policy is responsible for documenting the nature and extent of the disability. The college will work collaboratively with the student in determining the appropriate accommodations.

To ensure that needed accommodations are provided in a timely manner, the student shall:

(a) Provide timely notice and documentation of the nature and extent of the disability, and the accommodations requested, to the disabled student services coordinator. Some accommodations may require some time to arrange. Requests for accommodations should be received by the college six weeks prior to the beginning of the quarter for which the request is made, when possible. Lack of advance notice may delay the availability of an accommodation.

(b) Provide such additional documentation on the nature and extent of their disability as the college may require to determine appropriate accommodations. Such documentation may include, but is not limited to, identification of tests administered, test results, description of the covered disability, and recommended accommodations.

(c) Cooperate with the disabled student services coordinator to develop an appropriate curriculum plan and reasonable accommodations.

(d) Promptly notify the disabled student services coordinator of any problems encountered in receiving the agreed-upon accommodations.

(6) Disabled student services office. The disabled student services office is responsible for the coordination of services to qualified students with disabilities requiring reasonable accommodations.

The disabled student services office is committed to a reasonable approach in the identification of students with disabilities, including contacting all students who voluntarily self-identify during the college admission or orientation process.

Information regarding a disability will be kept confidential unless the student signs a release of information form.

The office will assist and advise each qualified student with a disability who requests accommodations under this policy in developing an instructional plan, identifying those reasonable accommodations appropriate for the student, and ensuring that the agreed-upon accommodations are provided.

(7) Reasonable accommodations—Examples by categories. The process of selecting reasonable accommodations for each qualified student with a disability shall be made on a case-by-case basis, appropriate to the nature and extent of the student's disability.

(8) Academic modifications. Academic modifications may include, but are not limited to:

(a) Flexibility in timeliness for completion of courses, certification, and degree requirements;

(b) Substitution of specific courses required for the completion of degrees;

(c) Adaptation of the manner in which specific courses are conducted;

(d) Flexibility in teaching methods and test-taking arrangements;

(e) Flexibility in credits required to satisfy institutional eligibility.

(9) Auxiliary aids and services.

(a) Flexible procedures in the admissions process, (early registration or priority registration);

(d) Textbooks and other educational materials in alternative media, including, but not limited to large print, braille, electronic format, and audio tape;

(e) Provision of readers, notetakers, and/or proofreaders; and

(f) Release of syllabi, study guides, and other appropriate instructor-produced materials in advance of general distribution and access beyond the regular classroom session to slides, films, overheads, and other media, and taping of lectures.

(10) Access.

(a) Ongoing review and coordination of efforts to ensure campus accessibility, including barrier-free design, signage, identification of hazards of mobility barriers, maintenance of access during construction, snow and ice clearance, and adequate disability parking for all facilities;

(b) Facilitating physical access to programs and services including relocating classes, activities, and services to accessible facilities;
(c) Referral to appropriate on-campus and off-campus resources, services and agencies; and

(d) Accessibility to tutoring, mentoring, peer counseling, and academic advising, if available on campus, for students with disabilities.

(11) Procedures for course substitutions and waivers.

Policy. Skagit Valley College recognizes that certain disabilities may preclude a student from successfully completing a specific course requirement for a degree (for example, math) even with appropriate accommodations. Skagit Valley College recognizes its obligation to accommodate disabled students without compromising the integrity of the academic program.

Under the ADA, the college is not required to waive essential requirements of a student's program of instruction. Therefore, every student enrolled in a degree program at the college is required to meet the essential requirements of the degree program.

Skagit Valley College recognizes that altered methods of course delivery and/or providing core services will enable most disabled students to successfully complete course requirements, except in unusual circumstances. Therefore, disabled students will attempt to successfully complete required courses with accommodations.

If a student is unsuccessful in completing a course, that student may request course substitution under this policy. Waivers of degree program requirements will be rarely given, and then only after students have attempted, with appropriate reasonable accommodations, to meet those requirements.

(12) Procedure for requesting course substitution.

(a) Course substitutions will be approved only when such substitution is consistent with the essential degree requirements.

(b) Requests for substitution for a required course shall be considered only when a qualified student with a disability has demonstrated that, even with academic adjustments and auxiliary aids/services provided by the college, he or she is unable to successfully complete the course solely because of his/her disability.

(c) All requests for course substitution shall be submitted to the disabled student services coordinator in a timely manner and shall include the following information:

(i) A description of the accommodations previously provided to the student for the course;

(ii) An explanation of the relationship of the student's disability to the lack of success in completing the course;

(iii) The proposed substitute course, if known;

(iv) A statement by the student that he/she has made a good faith effort to complete the required course with appropriate accommodations;

(v) A statement from a medical, psychological or learning disabilities specialist who works in the field of the disability which makes this request for substitution necessary; and

(vi) A release signed by the student, authorizing the department chair, appropriate dean or associate dean, and vice-president of educational services to review the documentation on the student's disability and to contact the evaluating doctor, psychologist, or learning disabilities specialist.

(d) The disabled student services coordinator shall forward the request, with documentation through the appropriate approval process as designated below.

(13) Waiver/substitution committee.

(a) All requests for course substitutions/waivers shall be submitted through Skagit Valley College's formal waiver process. This process consists of obtaining approval from the appropriate department chair, dean or associate dean and the vice-president of educational services.

(b) Request for a course substitution shall be approved if the proposed substitution meets the learning objective of the degree requirement.

(c) The appropriate dean or associate dean shall respond in writing to all requests for course substitutions within two weeks of receiving the request. The response shall include a brief summary of the basis for the decision.

(14) Waiver of degree requirements. Requests for waiver of a program requirement will only be considered when the course substitution is not successful. The waiver request shall be considered in the same manner as provided above.

(15) Reasonable accommodation—disputes.

(a) If a student believes that the disabled student services coordinator has not identified or provided reasonable academic adjustments or auxiliary aids, that student may seek review of the coordinator's actions by the dean of guidance and special populations.

(b) The student will submit the appeal to the dean of guidance and special populations. The dean will review the student's position, and respond within five days.

(c) If resolution is not reached the dean will refer the appeal to the formal grievance process.

(d) The decision of the grievance committee is the final decision of the institution.
