WAC 315-06-120 Payment of prizes—General provisions. (1) The director may designate claim centers for the filing of prize claims, and the location of such centers shall be publicized from time to time by the director.

(2) A claim shall be entered in the name of one claimant, which shall be either a natural person, association, corporation, general or limited partnership, club, trust, estate, society, company, joint stock company, receiver, trustee, or another acting in a fiduciary or representative capacity whether appointed by a court or otherwise. A claim which includes one or more tickets with an address label or stamp on the back of the ticket shall be deemed to have been entered in the name of one claimant: Provided, That if the address label or stamp contains the name of more than one claimant, the prize payment will be made to the one who has signed the ticket and/or claim form or, if there is no signature, to the first claimant listed on the address label or stamp. If there are two or more claimant names written or signed on the ticket, lottery personnel shall return the ticket(s) to claimants and shall request that the claimants sign a notarized statement relinquishing ownership to one claimant. The claimant must submit his or her Social Security number (SSN) or the federal employer's identification number (FEIN) when claiming any prize exceeding six hundred dollars.

(3) A claim may be entered in the name of a claimant other than a natural person only if the claimant is a legal entity and possesses a federal employer's identification number (FEIN) as issued by the Internal Revenue Service, such number is shown on the claim form and the entity's terms comply with subsection (4) of this section. Groups, family units, organizations, clubs, or other organizations which are not a legal entity, or do not possess a federal employer's identification number, shall designate one natural person or one legal entity in whose name the claim is to be entered.

(4) The terms governing a claimant other than a natural person, i.e., articles of incorporation, trust terms, etc., shall be submitted to the director for approval. Terms not in compliance with lottery statutes or rules shall not be approved. Pay-
ment shall not be made to a claimant other than a natural person until the director has approved the terms.

All claimants other than natural persons shall have governing terms which:

(a) Prohibit deletion, amendment, or addition of terms without the director’s approval;
(b) State the names of all natural persons who have a direct or indirect right or interest in the claimant, each of their percentage interests and their Social Security numbers;
(c) Acknowledge that the debt collection process mandated by RCW 67.70.255 and WAC 315-06-125 shall be applied to the natural persons who hold interests in the claimant through their Social Security numbers; and
(d) Provide that in the event the claimant ceases to exist prior to the full payout of the prize, the lottery will not make further payment without court order.

(5) The lottery shall not make payment to a claimant other than a natural person unless the terms governing the claimant include those enumerated in subsection (4) of this section.

(6) Unless otherwise provided in the rules for a specific type of game, a claimant shall sign the back of the ticket and/or complete and sign a claim form approved by the director. The claimant shall submit the claim form and/or claimant’s ticket to the lottery in accordance with the director’s instructions as stated in the players’ manual and/or on the back of the ticket or submit a request for reconstruction of an alleged winning ticket and sufficient evidence to enable reconstruction and that the claimant had submitted a claim for the prize, if any, for that ticket. The claimant, by submitting the claim or request for reconstruction, agrees to the following provisions:

(a) The discharge of the state, its officials, officers, and employees of all further liability upon payment of the prize; and
(b) The authorization to use the claimant's name and, upon written permission, photograph for publicity purposes by the lottery.

(7) A prize must be claimed within the time limits prescribed by the director in the instructions for the conduct of a specific game, but in no case shall a prize be claimed later than one hundred eighty days after the official end of that instant game. The date of the first installment payment of each prize to be paid in installment payments shall be the date the claim is validated, or the date the winner makes a choice of payment by annual payments or by single cash payment pursuant to WAC 315-34-057. Subsequent installment payments shall be made as follows:

(a) If the prize was awarded as the result of a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date of the drawing in accordance with the type of prize awarded; however, at the director’s discretion, the lottery may designate an alternate payment date for regular prize payment; or
(b) If the prize was awarded in a manner other than a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date the claim is validated in accordance with the type of prize awarded. However, at the director's discretion, the lottery may designate an alternate payment date for regular prize payment.

(13) The director may, at any time, delay any payment in order to review a change of circumstances relative to the prize awarded, the payee, the claim or any other matter that may have come to his or her attention. All delayed payments shall be brought up to date immediately upon the director's confirmation and continue to be paid on each originally scheduled payment date thereafter.

(14) If any prize is payable for the life of the winner, only a natural person may claim such a prize. Such “win for life” type prizes shall cease upon the death of the winner or the end of a guaranteed payment period (if any), whichever is later. Win for life prizes may be assigned; and the following conditions apply to such assignments:

(a) The original winner's actual life shall determine when prize payments cease; and
(b) The assignee shall be responsible for notifying the lottery of the original winner's death.

(15) The director's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from the payment or awarding of prizes shall be final and binding upon all participants in the lottery.

(2007 Ed.)
(16) Each lottery retailer shall pay all prizes authorized to be paid by the lottery retailer by these rules during its normal business hours at the location designated on its license.

(17) In the event a dispute between the director and the claimant occurs as to whether the ticket is a winning ticket, and if the ticket prize is not paid, the director may, solely at his or her option, replace the disputed ticket with an unplayed ticket (or tickets of equivalent sales price from any game). This shall be the sole and exclusive remedy of the claimant.

WAC 315-06-123 *Voluntary assignment of prize pursuant to an appropriate judicial order.* (1) In the case of a petition for an order or an amended order for the voluntary assignment of a prize, a copy of a petition shall be served on the director of the lottery or designee, in addition to service on the attorney general, no later than ten days before any hearing or entry of order or amended order. After superior court entry of voluntary assignment of a right to a prize pursuant to an appropriate judicial order or amended order, the director shall make payment to the person designated by a certified copy of the order or amended order which has been served upon the director personally or by certified mail provided that the order contains, in addition to the requirements set forth in RCW 67.70.100(2), the following provisions:

(a) The assignor's name. For an initial assignment, the winner's name as it appears on the prize claim form;

(b) The assignee's name;

(c) The citizenship or resident alien number of the assignee (if a natural person).

(2) The certified copy of the order must be served on the director at least twenty working days prior to the annual payment date to allow for a change in the payee. (3) Payment shall be made payable to the name of the assignee designated in the judicial order and to no other name and federal income tax withholding shall be deducted from each payment and reported to the Internal Revenue Service. The assignee shall provide its social security number, if a natural person, or tax identification number, if a legal entity, to the director at the time the judicial order is served for the purpose of reporting tax withholding to the Internal Revenue Service and for the purpose of applying the debt collection process as described in subsection (5) of this section.

(4) RCW 67.70.100 authorizes the director to charge actual costs for each assignment and deduct such costs from the initial annuity payment made to the assignee. In determining actual costs the director has considered the staff time required to determine the sufficiency of the judicial order or amended order and to process the initial payment; telegraphic and long distance telephone communications, photocopying, postage, and private delivery service; and legal services directly related to determining the sufficiency of the judicial order and processing of the initial payment, including legal services and costs associated with any legal proceeding in which the agency is represented by the office of the attorney general. The director has determined the following costs shall be deducted from the initial annuity payment made to each assignee, unless paid pursuant to subsection (e):

(a) Assignment of whole annuity payments (one or more years) resulting in payment only to the assignee during each year of the assignment: $250; or

(b) Assignment of a portion/percentage of annuity payments resulting in annual payments to one or more assignees and/or the original prize winner: $300 for the first year of the assignment, plus $75 for each year thereafter;

(c) Assignment pursuant to an amended order of assignment, resulting in annual payments to the same number of assignees as in the original order: $250;

(d) Assignment pursuant to an amended order of assignment, resulting in annual payments to one or more assignees in addition to the assignees in the original order of assignment: $300 for the first year of the amended order of assignment, plus $75 for each year thereafter;

(e) If payment of the total fees due for costs for processing an order or amended order is received by the Lottery together with and at the same time as the required certified copy of the order or amended order, the fees will not be deducted from annual payments;

(f) The director shall review these costs at least biennially from December 1, 1997, and shall recommend adjustments, if necessary, for commission consideration and approval.

(5) The debt collection process mandated by RCW 67.70.255 and WAC 315-06-125 shall be applied to all payments made to any person pursuant to a voluntary assignment. The term person shall have the same meaning as the definition set forth in WAC 315-02-180.

Tapes which do not contain the required information or are not in the proper format will be returned to the creditor. The creditor submitting debt information tapes shall provide replacement tapes on a regular basis at intervals not to exceed one month or less than one week. The creditor shall be solely responsible for the accuracy of the information contained therein.

(3) Creditors submitting data processing tapes to the lottery shall also submit the name or names of designated contact persons.

(4) The lottery shall include the debt information submitted by the creditor in its validation and prize payment process. The lottery shall delay payment of a prize, exceeding six hundred dollars, for a period not to exceed two working days, to any individual prize winner or to any other prize winner which has an individual holding a direct or indirect interest in the prize winner, and who owes a debt to a creditor pursuant to the information submitted in subsection (2) of this section. The lottery shall make a reasonable attempt to contact the creditor's designated contact person(s) by phone, followed by written correspondence, to verify the debt. Three phone calls, excluding busy signals, shall constitute a reasonable attempt. The prize shall be paid to the prize winner if the debt is not verified by the submitting creditor within two working days. If the debt is verified, the prize shall be disbursed pursuant to subsection (9) of this section.

(7) Where the right to payment to an individual who holds an interest in a prize winner is discretionary with a third party or is contingent, the tax ID number of the prize winner shall be used in completing the processing required under this section, rather than the Social Security number of said individual.

(8) A creditor shall verify the debt by submitting to the lottery at lottery headquarters in Olympia, Washington within the requisite two working day period, a facsimile or photocopy of a judgment or final order which is the basis for the debt.

(9) Prior to disbursement, any verified debts owed to a creditor by the individual winner of any lottery prize exceeding six hundred dollars or by an individual holding more than a six hundred dollar interest in a prize winner shall be set off against the prize owing to the individual or against the proportionate interest of the individual in the prize winner. In the event a prize winner or an individual holding more than a six hundred dollar interest in a prize winner owes debts to more than one creditor, and the total prize to that winner or individual is insufficient to pay all debts, the set off shall be paid to the creditors on a pro rata basis based on the amount of debt owed to each creditor unless priority is established by statute.

WAC 315-06-130 Prizes payable after death or disability of individual winner. (1) All prizes or a portion thereof which remain unpaid at the time of an individual prize winner's death shall be payable to the court appointed representative of the prize winner's estate once satisfactory evidence of said representative appointment has been presented to the director, claim forms have been properly filled out, and the director is satisfied that such payment is lawful and proper. Provided, however, That where the prize winner and spouse had entered into any agreement valid under the law of this state or another state which establishes the prize as property to pass to the surviving spouse without probate upon the death of the prize winner, then the prize shall be made payable to the surviving spouse, without the probating of an estate of the deceased.

(2) Prize moneys will be paid according to the law of descent and distribution, chapter 11.04 RCW, of the state of Washington if the winner thereof dies intestate regardless of whether the prize winner was domiciled at the time of the prize winner's death in the state of Washington.

(3) The director may rely wholly on the presentment of certified copies of a court's appointment of an administrator or executor, guardian, conservator or on any other evidence that a person is entitled to the payment of any prize winnings then due.

(4) The payment to the estate of the deceased winner of any prize winnings by the director shall absolve the director, the commission and employees of the commission of any further liability for payment of said prize winnings. The director need not look to the payment of the prize winnings beyond the payee thereof.

(5)(a) Where the party who claimed a prize from the lottery was an individual, and the individual has died, the estate of the deceased individual prize winner may petition the lottery director to have the payment of an installment prize accelerated and paid to the estate at the installment prize's present cash value in lieu of receiving continued payments. The director may grant the petition if, in the director's sole discretion, payment of the remaining installments in a single, present cash value payment is in the best interests of the state lottery.

(b) The estate of an individual which has a community property interest in a prize, may petition the lottery director to have the payment of its interest in an installment prize accelerated and paid to the estate at the installment prize's present
cash value in lieu of receiving continued payments. The director may grant the petition if, in the director's sole discretion, payment of the remaining installments in a single, present cash value payment is in the best interests of the state lottery. Payment to the surviving spouse of the remaining community property interest shall continue in installments.

(1) Lucky for Life is an on-line lottery game in which you purchase a computer-generated ticket and try to match your set of four numbers to the winning set of four numbers, chosen by the lottery. (1) Annual/annuitized/annuity option: The manner in which the Mega Millions jackpot prize may be paid in twenty-six annual installments. (2) Authorized claim center: Any Mega Millions agent or retailer, or party lottery office, in the state where the winning official Mega Millions ticket was purchased.

(3) Cash option: The manner in which the Mega Millions jackpot prize may be paid in a single payment. The cash option amount shall be the proceeds of the sale of investments purchased to fund the particular winner's share of the annuitized jackpot prize. At the director's discretion, an initial payment of a portion of the cash option prize may be paid to the winner at the time the prize is claimed.

(4) Claimant: Any person or entity submitting a claim form within the required time period to collect a prize for an official Mega Millions ticket. A claimant may be the purchaser, the person or entity named on a signed official Mega Millions ticket, the bearer of an unsigned official Mega Millions ticket, or any other person or entity who may seek entitlement to a Mega Millions prize payment in accordance with the Mega Millions rules and party lottery governing laws, policies and rules. (12) Quick-pick, auto-pick or easy pick: A player option in which Mega Millions number selections are determined at random by computer software.

The California state lottery's sales and prizes are excluded for purposes of this calculation.

(14) Subscription/season ticket: An extended, multidraw purchase option, which may be offered in Washington state at the discretion of the director of the Washington state lottery, wherein the same set(s) of numbers may be played for a specified number of consecutive drawings (for example, 26, 52 or 104), effective on a future date.
