(1) Regular meetings. Regular meetings of the board shall be held pursuant to a schedule and at locations established yearly by resolution of the board. The president of the board, with the concurrence of a majority of the members of the board, may cancel any regular meeting. All such regular meetings will be conducted in conformance with the laws of the state of Washington governing such meetings.

The board shall give no less than twenty-four hours notice of cancellation of a regular meeting.

(2) Special meeting. The president of the university, the president of the board, or any six members of the board may call a special meeting at any time. Not less than twenty-four hours before any special meeting, the secretary shall have notified each member of the board by written notice of the time, place, and the business to be transacted at the meeting. Such notice shall be distributed and posted in accordance with the laws of the state governing such meetings. The presence of a regent at the meeting or the regent's written waiver of notice filed with the secretary shall constitute a waiver of receiving written notice of the meeting. When the meeting is called to deal with an emergency involving injury or damage, or the likelihood of injury or damage, to persons or property, and the time requirements for notice provided for above would be impractical and increase the likelihood of such injury or damage, such required notice may be dispensed with and the secretary shall notify each member of the board by the best means possible under the circumstances.

(3) Notice of agenda for regular meeting. Not less than four days before any regular meeting, the secretary shall mail to each member of the board a reminder of the regular meeting and a preliminary agenda setting forth the matters which are to be considered at the meeting.

(4) Addenda to the agenda at regular or special meetings. Addenda to the agenda of either a regular or a special meeting may be permitted at the commencement of or during such meeting, except that final disposition shall not be taken on addenda to the agenda of a special meeting unless notice as required by applicable law has been given.

Any other business that may properly come before the board.

The following shall be the order of business at each special meeting of the board:

The special business for which the meeting was called; and

Any other business that may properly come before the board.

The order of business of the board may be changed or suspended at any meeting by a majority of the regents present. An item shall be removed from the consent agenda by request of any regent.

(7) Minutes. The minutes of all regular and special meetings of the board shall be kept by the secretary. Such minutes, following approval, shall be open to public inspection in the office of the secretary of the board of regents during regular university business hours.

(8) Public meetings. Regular and special meetings of the board of regents and committees thereof as required by applicable law shall be open to the public, except for executive sessions which may be held as permitted by applicable law. Board members may appear at any meeting through a telephone or video-conferencing device that permits communications with all other persons at the meeting. Persons wishing to appear before the board to make a presentation shall comply with the procedures as specified in subsection (11) of this section.

(9) Committee of the whole meetings. Meetings of the board as a committee of the whole may be held before regular or special meetings of the board or at such time and such place as the president of the board may direct from time to time.

(10) Executive sessions. During any regular or special meeting of the board or committee, the board or committee may hold an executive session to discuss matters as permitted in applicable laws of the state of Washington.

(11) Communications to and appearance before the board. Any persons who wish to communicate to the board or appear before the board shall do so as follows:

(a) Communications to the board. Any person who wishes to bring a matter to the attention of the board may do so by submitting such communication in writing to the secretary of the board of regents. Public testimony on agenda items, or on other relevant items which any person may wish to call to the attention of the board, may be taken by the appropriate standing committee or by the committee of the whole. The chair of each committee shall have the discretion to limit the time and order of appearances as deemed desirable for a fair presentation of views consistent with the other business before the committee. In an unusual case, this subsection may

WAC 478-116-531 Motor vehicles—Election to pay fine or contest citation. (1) A person who receives a citation shall, within twenty days of the date thereof, either pay the applicable fine or contest the issuance of the citation in the manner prescribed in this section. Payment of the fine shall constitute a waiver of the right to contest the citation. Failure to either pay the fine or timely contest the citation shall automatically result in a final decision of the citation hearing office.

(2) A person wishing to contest a citation may do so by completing and submitting a parking and traffic citation petition (hereinafter "petition") to the citation hearing office within twenty days of the date of the citation (the "default response date"). The petition shall include a statement explaining the reasons for contesting the citation. A petition contesting a citation that is received by the citation hearing office either within twenty-one days after the default response date, or by such later date as may be specified in a written default notice issued to the registered vehicle owner by the citation hearing office, may be accepted (and considered timely) for review under this section if, in the discretion of a hearing officer, good cause for such late submission is shown. Absent extraordinary circumstances, a petition received more than twenty-one days after the default response date (or after the later date specified in a written default notice issued to the registered vehicle owner by the citation hearing office) shall not be accepted for review. Any petition submitted after the default response date should include both a statement explaining the reasons for contesting the citation and an explanation of why the petition was not submitted by the default response date. A hearing officer shall review the petition and provide written notification of his or her decision to the person submitting the petition within ten days of taking action on the petition. If the petition is denied, the notification shall include a brief statement of the reasons for the decision and information about the opportunity for further review. Any fine owed on a written decision on a petition not contested as provided in subsection (3) of this section shall be paid within twenty-one days after service of the decision.

(3) A person wishing to contest the written decision on the petition may request a review by contacting the citation hearing office orally or in writing within twenty-one days after service of the decision. The request for review shall contain an explanation of the petitioner's position and a statement of reasons why the initial decision on the petition was incorrect. The reviewing officer shall, within twenty days of the date of the request's receipt, conduct a review and enter a final written decision, which shall include a brief statement of the reasons for the decision and information about the opportunity to appeal the decision to the district court. Any final decision of the reviewing officer not appealed as provided in subsection (5) of this section shall be paid within ten days after service of the decision.

(4) If neither party has requested a review of the written decision on the petition, the citation hearing office may, within twenty days after service of the written decision, conduct a review and issue a final decision on its own motion and without notice to the parties, but it may not take any action on review less favorable to the petitioner than the written deci-

sion on the petition without giving the petitioner notice and opportunity to explain his or her view of the matter.

(5) A person wishing to appeal a final decision of the citation hearing office to the district court may, within ten days of service of the final decision, file a written notice with the university police department. Documents relating to the appeal shall immediately be forwarded to the district court, which shall have jurisdiction to hear the appeal de novo. No appeal to the district court may be taken unless the citation has been contested as provided in subsections (2) and (3) of this section.

(6) A person who files a petition under subsection (2) of this section may request the opportunity to provide an oral statement before the presiding officer. A request to make an oral statement must be included in the petition. If the request for an oral statement is made, the presiding officer shall provide reasonable notice of the time and place for receiving the oral statement. At the discretion of the reviewing officer, oral statements may also be considered in requests under subsection (3) of this section. A request to make an oral statement must be included in the request for review. If the request for an oral statement is granted by the reviewing officer, the reviewing officer shall provide reasonable notice of the time and place for receiving oral statements.

(1) A person wishing to contest impoundment of his or her motor vehicle may do so by completing and submitting a petition to the citation hearing office within twenty days of the date of the notice of impoundment. The petition shall include a statement explaining the reasons for contesting the impoundment. The presiding officer shall review the petition and provide written notification of his or her decision to the person submitting the petition within ten days of taking action on the petition. If the petition is denied, the notification shall include a brief statement of the reasons for the decision and information about the opportunity for further review.

(2) A person wishing to contest the decision of the presiding officer on a petition contesting impoundment may request a review by contacting the citation hearing office orally or in writing within twenty-one consecutive days after service of the decision. The request for review shall contain an explanation of the petitioner's position and a statement of reasons why the decision on the petition was incorrect. The reviewing officer shall, within twenty consecutive days of the date of the request, conduct a review and render a final written decision, which shall include a brief statement of the reasons for the decision and information about the opportunity to appeal the decision to the district court in accordance with WAC 478-116-531(5).

(3) The presiding or reviewing officer shall automatically grant a request by any party to make an oral statement with respect to a petition contesting impoundment. Such a request may be included in the petition, request for review or any response thereto. The presiding or reviewing officer shall provide reasonable notice of the time and place for receiving oral statements.

PART VII BICYCLES AND NONMOTORIZED VEHICLES

WAC 478-116-605 Bicycle parking and traffic rules.

(1) The primary aim of the bicycle control program is safety. This aim will be achieved by keeping bicycles out of buildings, away from building exits, and parking them off paths and sidewalks. All bicycle owners are encouraged to register their bicycles at the university police department.

(2) Bicycles may be ridden any place where vehicles are permitted. They may be ridden on most sidewalks, though pedestrians always have the right of way. It shall be a violation of this section for any bicycle rider to fail to yield to pedestrians, or to ride a bicycle on paths, sidewalks or streets where signs indicate such is prohibited. An audible signal or warning must be given by the bicyclist whenever there is any appreciable risk of injury to a pedestrian not otherwise aware of the presence of the bicycle.

(3) Bicycles operated on paths, sidewalks and roadways shall be subject to all relevant state statutes regulating bicycle use. Violation of those statutes shall be considered a violation of this section.

(4) Bicycles shall be operated in a safe manner at all times on paths, sidewalks and roadways. Riding at speeds too fast for conditions, weaving in and out of vehicular or pedestrian traffic or similar unsafe actions shall be considered "negligent riding." Negligent riding shall be a violation of this section.

(5) Bicycles shall be parked only in bicycle racks. All bicycle owners are encouraged to secure their bicycles with a secure lock. At no time shall a bicycle be parked in a build-

ing, except where bicycle storage rooms are provided, near a building exit, on a path or sidewalk, in planted areas nor chained or otherwise secured to trees, lamp standards, railings, or sign posts.

(6) Moving a bicycle into any unauthorized area such as a building or construction zone is prohibited.

(7) Bicycle racks in campus areas are for parking and shall not be used for overnight storage, except for those racks adjacent to residence halls which may be used for storage when the owner/operator is a current resident of that hall.

(8) Impoundment for illegal parking.

(a) Bicycles parked in violation of subsections (5), (6) and (7) of this section will be subject to seizure and impoundment by the university.

(b) Except as provided by subsection (7) of this section, a bicycle abandoned or parked on university land for fourteen consecutive days or longer is presumed abandoned and is subject to seizure and impoundment by the university. A bicycle will not be considered abandoned when the owner/operator is unable to remove it and so notifies the university police department. A bicycle that has been obviously stripped or vandalized may be immediately impounded.

(c) Impounded bicycles will be stored at the university police department. Bicycles will be released at specified times and upon presentation of proof of ownership and payment of a ten-dollar fine. Owners of impounded bicycles, if identifiable, will be notified as soon as reasonably possible after impoundment and must reclaim their bicycle within fifteen consecutive days. Bicycles unclaimed after sixty consecutive days will be subject to sale at a public auction conducted by the university surplus property department.

(d) The university and its officers, agents and employees shall not be liable for loss or damage of any kind resulting from impoundment, storage, or sale of any item under this section.

(e) Impoundment or sale of any bicycle under this section shall not substitute for, nor release any person from liability for damage to persons or property caused by the use of a bicycle.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 01-20-030, § 478-116-605, filed 9/26/01, effective 10/27/01; 97-14-005, § 478-116-605, filed 6/19/97, effective 9/15/97.]

(a) The citation shall set forth the date, approximate time, locality, and nature of the violation.

(b) The citation shall be served upon the person charged with the violation by delivery, mail, or placement upon the bicycle involved.

(2) The following information shall be printed on the citation:

(a) The fine schedule and instructions for payment;

(b) Instructions for contesting the citation, including where to obtain petitions; and

(c) Notice that failure to pay fines or contest the citation within the time specified within these rules can result in the sanctions set forth in WAC 478-116-561.

WAC 478-118-290 Bicycle parking and traffic rules. (1) The primary aim of the bicycle control program is safety. This aim will be achieved by keeping bicycles out of buildings, away from building exits, and parking them off paths and sidewalks.

(2) Bicycles may be ridden any place where vehicles are permitted. They may be ridden on most sidewalks, though pedestrians always have the right of way. It shall be a violation of this section for any bicycle rider to fail to yield to pedestrians, or to ride a bicycle on paths, sidewalks, or streets where signs indicate such is prohibited. An audible signal or warning must be given by the bicyclist whenever there is any

appreciable risk of injury to a pedestrian not otherwise aware of the presence of the bicycle.

(3) Bicycles operated on paths, sidewalks, and roadways shall be subject to all relevant state statutes regulating bicycle use. Violation of those statutes shall be considered a violation of this section.

(4) Bicycles shall be operated in a safe manner at all times on paths, sidewalks, and roadways. Riding at speeds too fast for conditions, weaving in and out of vehicular or pedestrian traffic, or similar unsafe actions shall be considered "negligent riding." Negligent riding shall be a violation of this section.

(5) Bicycles shall be parked only in bicycle racks. All bicycle owners are encouraged to secure their bicycles with a secure lock. At no time shall a bicycle be parked in a building, except where bicycle storage rooms are provided, near a building exit, on a path or sidewalk, in planted areas nor chained or otherwise secured to trees, lamp standards, railings, or sign posts.

(6) Moving a bicycle into any unauthorized area such as a building or construction zone is prohibited.

(7) Bicycle racks in campus areas are for parking and shall not be used for overnight storage.

(8) Impoundment for illegal parking.

(a) Bicycles parked in violation of subsections (5), (6), and (7) of this section will be subject to seizure and impoundment by the university.

(b) A bicycle abandoned or parked on university land for fourteen consecutive days or longer is presumed abandoned and is subject to seizure and impoundment by the university. A bicycle will not be considered abandoned when the owner/operator is unable to remove it and so notifies the campus safety and security office. A bicycle that has been obviously stripped or vandalized may be immediately impounded.

(c) Impounded bicycles will be stored by the campus safety and security office. Bicycles will be released at specified times and upon presentation of proof of ownership and payment of any fine that has been imposed. Owners of impounded bicycles, if identifiable, will be notified as soon as reasonably possible after impoundment and must reclaim their bicycle within fifteen consecutive days. Bicycles unclaimed after sixty consecutive days will be subject to disposal, including sale at public auction, in accordance with university property disposal rules.

(d) The university and its officers, agents, and employees shall not be liable for loss or damage of any kind resulting from impoundment, storage, or sale of any item under this section.

(e) Impoundment or sale of any bicycle under this section shall not substitute for, nor release any person from liability for, damage to persons or property caused by the use of a bicycle.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 05-08-017, § 478-118-290, filed 3/28/05, effective 4/28/05.]

WAC 478-118-300 Skateboard rules. (1) Skateboard use in pedestrian areas including, but not limited to, walkways, ramps, concourses, plazas, and staircases, and on internal university streets and loading areas on the campus is restricted solely to transporting an individual from one cam-

pus destination to another. Any recreational, athletic, or other exhibitional use of skateboards unrelated to transportation is strictly prohibited, unless expressly approved in advance by the committee on the use of university facilities, pursuant to chapter 478-136 WAC and use of university facilities policies and procedures.

(2) Skateboard use in violation of this section shall result in the following:

(a) For the first offense, the campus safety and security office will record the name of the individual and provide a written warning against further skateboard use in violation of this section. Individuals who cannot produce satisfactory identification will be given a receipt for their skateboard, which will be impounded by the campus safety and security office until they are able to return with the receipt and identification. There will be no impoundment fee.

(b) For a second offense, within twenty-four months of any previous offense or warning, the skateboard will be impounded for not less than forty-eight hours and the offender shall be subject to a fine and/or impoundment fee.

(c) For a third or subsequent offense, within twenty-four months of any previous two offenses, warnings, or combination thereof, the skateboard will be impounded for not less than thirty days and the offender shall be subject to a fine and impoundment fee.

(d) Impounded skateboards will be held by the campus safety and security office and released only during regular business hours to individuals with satisfactory identification.

(3) Skateboards impounded under this section which are unclaimed sixty consecutive days after the applicable minimum impoundment time period has elapsed will be presumed abandoned and be subject to disposal, including sale at public auction, in accordance with university property disposal rules.

(4) The university and its officers, agents, and employees shall not be liable for loss or damage of any kind resulting from impounding, storage, or sale of any item under this section.

(5) Impoundment or sale of any skateboard under this section shall not substitute for, nor release any person from liability for, damage to persons or property caused by use of a skateboard at the university.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 05-08-017, § 478-118-300, filed 3/28/05, effective 4/28/05.]

PART III TRAFFIC AND PARKING VIOLATIONS AND ENFORCEMENT

WAC 478-118-400 Issuance of traffic and parking citations. Upon probable cause to believe that a violation of these rules has occurred, a public safety officer or designated contractor may issue a citation setting forth the date, the approximate time, the locality, the nature of the violation, the permit number, license number, infraction, officer, and the amount of fine(s). The citation shall be served on the person responsible for the violation by: Attaching a copy of the citation to, or placing it prominently within, the vehicle allegedly involved in the violation; mailing a copy of the citation to the person responsible; or serving a copy of the citation personally on the person responsible.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130, 05-08-017, § 478-118-400, filed 3/28/05, effective 4/28/05; 02-15-174, § 478-118-400, filed 7/24/02, effective 8/24/02.]

WAC 478-118-410 Fines and impounding. (1) The current schedule of fines shall be published by the university and made available for review in the safety and security office.

(2) All fines must be paid as designated on the citation within twenty calendar days from the date of the citation. Fines must be delivered in person to the university's cashier office or postmarked on or before the due date specified in these rules to avoid additional penalties. If any citation has neither been paid nor appealed after twenty calendar days from the date of the citation, the university shall impose an additional fine of ten dollars per offense and may:

- (a) Withhold the violator's degrees, transcripts, grades, refunds, or credits until all fines are paid;
- (b) Delay registration for the following quarter;
- (c) Impound the violator's vehicle;
- (d) Deny future parking privileges to the violator; or
- (e) Refuse to issue keys to a violator who is an employee or student.

(3) In addition to imposing fines, public safety officers may impound or immobilize any vehicle parked on campus in violation of these rules. The expenses of impounding, immobilization, and storage shall be charged to the owner or operator, or both, of the vehicle and must be paid before the vehicle's release. Grounds for impounding vehicles shall include, but not be limited to, the following:

- (a) Blocking a roadway so as to impede the flow of traffic;
- (b) Blocking a walkway so as to impede the flow of pedestrian traffic;
- (c) Blocking a fire hydrant or fire lane;
- (d) Creating a safety hazard;
- (e) Blocking another legally parked vehicle;
- (f) Parking in a marked "tow-away" zone;
- (g) Leaving a vehicle unattended on campus for longer than two days;
- (h) Failing to pay a fine imposed under this chapter; or
- (i) Parking a nonuniversity vehicle in a spot reserved for university use.

Not more than twenty-four hours after impoundment of any vehicle (excluding bicycles and skateboards), the university shall mail a notice to the registered owner of the vehicle and to any other person who claims the right to possession of the vehicle, if those persons can be identified. The university shall not be liable for loss or damage of any kind resulting from impounding, immobilization, or storage. Impounding a vehicle does not remove the obligation for any fines associated with the violation.

(4) An accumulation of traffic violations by a student may be cause for discipline under the student conduct code of the university.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130, 05-08-017, § 478-118-410, filed 3/28/05, effective 4/28/05; 02-15-174, § 478-118-410, filed 7/24/02, effective 8/24/02.]

WAC 478-118-420 Appeals of fines and impoundments. (1) Except for skateboards, any impoundment or fine under this chapter may be appealed in writing within twenty calendar days from the date of the citation or the notice of impoundment. The notice of appeal must be addressed to the location indicated on the citation or notice of impoundment. The university will make appeal forms available at the university's cashier office. The notice of appeal must explain the reasons for contesting the citation or impoundment. If the person who files a notice of appeal desires an opportunity to make an oral statement in the appeal, the request to make an oral statement must be included in the notice of appeal.

(2) The hearing on the appeal shall be a brief adjudicative hearing as provided by RCW 34.05.482 et seq. If a request for an oral statement was made, the presiding officer or officers shall provide reasonable notice of the time and place for receiving the oral statement. The presiding officer(s) shall review the notice of appeal and provide a written decision to the person submitting the appeal within ten days of taking action. If the appeal is denied or modified to a warning, dismissal, reduction, or suspension, the decision shall include a brief statement of its reasons and information about the opportunity for further review. Any fine owed on a written decision that is not further appealed as provided in subsection (3) of this section shall be paid within twenty-one days after service of the decision.

(3) A person wishing to contest the written decision may request a review by contacting the designated university reviewing officer in writing within twenty-one days after service of the decision. The request for review shall explain why the decision was incorrect. The reviewing officer shall, within twenty days of the date of the request, review the matter and render a final written decision to uphold or modify (warning, dismissal, reduction, or suspension), which shall include a brief statement of its reasons and information about the opportunity to appeal the decision to the district court. Any final decision of the reviewing officer not appealed as provided in subsection (4) of this section shall be paid within ten days after service of the decision.

(4) A person wishing to appeal a final decision of the reviewing officer to the district court may, within ten days of service of the final decision, file a written notice with the university's finance office. The written notice must be submitted on the "Notice of Appeal" form provided by the university. Documents relating to the appeal shall immediately be forwarded to the district court, which shall have jurisdiction to hear the appeal de novo. No appeal to the district court may be taken unless the citation has been contested as provided in subsections (2) and (3) of this section.

WAC 478-118-500 Report of accident. The operator of any vehicle involved in an accident on campus resulting in injury to or death of any person or total or claimed damage to either or both vehicles of five hundred dollars shall, within twenty-four hours, report such accident to the campus security department. This does not relieve any person so involved in an accident from his responsibility to file a state of Wash-

ington motor vehicle accident report within twenty-four hours after such accident.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 02-15-174, § 478-118-500, filed 7/24/02, effective 8/24/02.]

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-010, filed 4/29/96, effective 5/30/96; Order 72-9, § 478-120-010, filed 11/30/72.]

WAC 478-120-020 Standards of conduct. (1) The university is a public institution having special responsibility for

providing instruction in higher education, for advancing knowledge through scholarship and research, and for providing related services to the community. As a center of learning, the university also has the obligation to maintain conditions conducive to freedom of inquiry and expression to the maximum degree compatible with the orderly conduct of its functions. For these purposes, the university is governed by the rules, regulations, procedures, policies, and standards of conduct that safeguard its functions and protect the rights and freedoms of all members of the academic community.

(2) Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the academic community. That responsibility includes, but is not limited to:

(a) Practicing high standards of academic and professional honesty and integrity;

(b) Respecting the rights, privileges, and property of other members of the academic community and visitors to the campus, and refraining from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons;

(c) Complying with the rules, regulations, procedures, policies, standards of conduct, and orders of the university and its schools, colleges, and departments.

(3) Specific instances of misconduct include, but are not limited to:

(a) Conduct that intentionally and substantially obstructs or disrupts teaching or freedom of movement or other lawful activities on the university campus and is not constitutionally and/or legally protected;

(b) Physical abuse of any person, or conduct intended to threaten imminent bodily harm or to endanger the health or safety of any person on the university campus;

(c) Conduct on the university campus constituting a sexual offense, whether forcible or nonforcible, such as rape, sexual assault, or sexual harassment;

(d) Malicious damage to or malicious misuse of university property, or the property of any person where such property is located on the university campus;

(e) Refusal to comply with any lawful order to leave the university campus or any portion thereof;

(f) Possession or use of firearms, explosives, dangerous chemicals or other dangerous weapons or instrumentalities on the university campus, except for authorized university purposes, unless prior written approval has been obtained from the vice-president for student affairs, or any other person designated by the president of the university (see WAC 478-124-020 (2)(e)) (legal defense sprays are not covered by this section);

(g) Unlawful possession, use, distribution, or manufacturer of alcohol or controlled substances (as defined in chapter 69.50 RCW) on the university campus or during university-sponsored activities;

(h) Intentionally inciting others to engage immediately in any unlawful activity, which incitement leads directly to such conduct on the university campus;

(i) Hazing, or conspiracy to engage in hazing, which includes:

(i) Any method of initiation into a student organization or living group, or any pastime or amusement engaged in with respect to such an organization or living group, that causes, or is likely to cause, bodily danger or physical harm, or serious mental or emotional harm, to any student or other person attending the university; and

(ii) Conduct associated with initiation into a student organization or living group, or any pastime or amusement engaged in with respect to an organization or living group not amounting to a violation of (i)(i) of this subsection, but including such conduct as humiliation by ritual act and sleep deprivation. Consent is no defense to hazing. Hazing does not include customary athletic events or other similar contests or competitions;

(j) Falsely reporting a violation of the student conduct code.

(4) Disciplinary action may be taken in accord with this chapter regardless of whether that conduct also involves an alleged or proven violation of law.

(5) An instructor has the authority to exclude a student from any class session in which the student is disorderly or disruptive. If the student persists in the disorderly or disruptive conduct, the instructor should report the matter to the dean of the school or college in which the student is enrolled. (See WAC 478-120-030(3).)

(6) Nothing herein shall be construed to deny students their legally and/or constitutionally protected rights.

WAC 478-120-030 General procedures for disciplinary sanctions. (1) This section describes the general process under the student conduct code for enforcing the university's rules, regulations, procedures, policies, standards of conduct, and orders. The specific procedures to be used at each step of the process are described in the following sections of this chapter. In all situations, whether handled formally or informally, basic standards of fairness will be observed in the determination of:

(a) The truth or falsity of the charges against the student;
(b) Whether the alleged misconduct violates this code; and if so,

(c) The sanctions to be imposed, if any.

The criteria for judging student misconduct shall include, but not be limited to, the standards of conduct as stated in WAC 478-120-020. Informal hearings shall use the procedures in chapter 34.05 RCW governing brief adjudicative proceedings. Formal hearings conducted by the faculty appeal board shall follow the procedures required by chapter 34.05 RCW for formal adjudicative proceedings. Informal settlements may be conducted under the authority of RCW 34.05.060.

(2) Persons who believe that a violation of the student conduct code has been committed should contact the vice-president for student affairs.

(3) Only the dean of the school or college in which a student is enrolled or the vice-president for student affairs may initiate disciplinary proceedings against a student under this code of conduct. (See WAC 478-120-050.) The deans and the vice-president for student affairs may delegate the author-

ity to initiate disciplinary proceedings consistent with this chapter to members of their staffs and to students. They may also establish student or student-faculty hearing bodies to advise or to act for them in disciplinary matters. The person initiating a disciplinary proceeding shall be referred to as the initiating officer.

(4) The initiating officer will begin a disciplinary proceeding by holding, or directing a member of his or her staff to hold, an informal hearing with the student charged with misconduct. Based on this informal disciplinary hearing, the initiating officer may choose to exonerate the student, dismiss the action, impose an appropriate sanction, and/or refer the matter to the university disciplinary committee. (See WAC 478-120-065.) If the initiating officer identifies a potential or existing exceptional circumstance, as defined in WAC 478-120-100 (3)(b)(i),

"Exceptional circumstances exist when:

(A) The sanction of dismissal has been recommended; or

(B) The student has been charged with hazing; or

(C) The sanction of restitution (in excess of three hundred dollars) has been recommended; or

(D) Suspension has been recommended," the matter shall be referred directly to the faculty appeal board. (See WAC 478-120-100.)

(5) Students have the right to appeal any sanction imposed at an informal hearing to the university disciplinary committee, except that when such sanction identifies an existing or potential exceptional circumstance as defined in WAC 478-120-100 (3)(b)(i), the matter shall be referred directly to the faculty appeal board.

(6) Any decision of the university disciplinary committee may be appealed to the faculty appeal board. All decisions of the university disciplinary committee identifying existing or potential exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) shall be referred directly to the faculty appeal board. In addition, the university disciplinary committee may, at any time, in its discretion, refer a matter directly to the faculty appeal board. The faculty appeal board performs distinct functions. In most cases, the faculty appeal board conducts an administrative review. In certain cases (defined in WAC 478-120-100(3)), the faculty appeal board conducts a formal hearing.

(7) Any decision based on a formal hearing conducted by the faculty appeal board may be appealed to the president of the university or the president's delegate for a final review. All orders of dismissal shall be reviewed by the president or the president's delegate. Orders entered by the president or the president's delegate are final. (See WAC 478-120-125.)

(8) The president or his or her delegate may take emergency disciplinary action when a student's conduct threatens the health, welfare, or safety of the university community or members thereof. (See WAC 478-120-140.)

(9) When questions of mental or physical health are raised in conduct cases, the dean, the vice-president for student affairs, their delegates, the university disciplinary committee, or the faculty appeal board may request the student to appear for examination before two physician-consultants designated by the dean of the school of medicine. If the student agrees, the physician-consultants may call upon the student health center for any other professional assistance they deem necessary. After examining the student and/or consult-

ing with the student's personal physician, the physician-consultants shall make a recommendation to the dean, the vice-president for student affairs, their delegates, the university disciplinary committee, or the faculty appeal board as to whether the case should be handled as a disciplinary matter or as a case for medical or other treatment. Any decision made based upon the recommendation of the physician-consultants may be appealed in accordance with the provisions of this chapter.

(10) The following persons conducting proceedings under this chapter shall have the authority to issue protective orders and subpoenas: Deans, the vice-president for student affairs, the chair of the university disciplinary committee, the chair of the faculty appeal board, and the president or his or her delegate.

(11) In a case involving an alleged sexual offense, the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary hearing and they shall both be informed of the outcome of such disciplinary proceeding.

(12) Any final order resulting from a disciplinary proceeding shall become a part of the student's disciplinary record, unless the student is exonerated. (See WAC 478-120-145.)

(13) In accord with the Family Educational Rights and Privacy Act and pursuant to RCW 34.05.250, all hearings conducted under this chapter generally will be held in closed session out of respect for the privacy of all the students involved. However, the students involved may waive in writing this requirement and request a hearing in open session, and the initiating or presiding officer shall conduct the hearing in a room that will accommodate a reasonable number of observers. The initiating or presiding officer may exclude from the hearing room any persons who are disruptive of the proceedings and may limit the number who may attend the hearing in order to afford safety and comfort to the participants and orderliness to the proceedings.

WAC 478-120-040 Disciplinary sanctions. The following disciplinary sanctions may be imposed for violations of the student conduct code:

(1) Disciplinary warnings and reprimands - action may be taken to warn or to reprimand a student for violation of university rules, regulations, procedures, policies, standards of conduct, or orders. Warnings and reprimands must always be made in writing and shall include a statement that continuation or repetition of the specific conduct or other misconduct will normally result in one or more of the more serious disciplinary sanctions: Restitution, disciplinary probation, suspension, or dismissal.

(2) Restitution - an individual student may be required to make restitution for damage or other loss of property and for injury to persons. Failure to pay, or to make in writing university-approved arrangements to pay, will result in cancellation of the student's registration and will prevent the student from registering with the university.

(3) Disciplinary probation - a student may be placed on disciplinary probation (meaning formal conditions are

imposed on a student's continued attendance) for violation of university rules, regulations, procedures, policies, standards of conduct, or orders. The time period and conditions, if any, for the disciplinary probation shall be specified. Disciplinary probation serves as a warning to a student that further misconduct will raise the question of suspension or dismissal from the university.

(4) Suspension - a student may be suspended from the university for violation of university rules, regulations, procedures, policies, standards of conduct, or orders. The time period and conditions, if any, for the suspension shall be specified. Suspension serves as a warning to a student that further misconduct will raise the question of dismissal from the university.

(5) Dismissal - a student's enrollment in the university may be terminated for violation of university rules, regulations, procedures, policies, standards of conduct, or orders.

(6) Forfeiture - in addition to other sanctions, a student who participates in hazing of another shall forfeit any entitlement to state funded grants, scholarships, or awards for a specified period of time.

(7) A suspension or dismissal is considered a serious sanction and will be imposed only after the completion of the formal due process review provided for in this code.

WAC 478-120-050 Jurisdiction. (1) The vice-president for student affairs, or his or her delegate, may initiate any disciplinary action related to violations of any of the university's rules, regulations, procedures, policies, standards of conduct, or orders. Jurisdiction in such cases may be transferred to the dean of the school or college in which the student is enrolled if the alleged misconduct bears upon the student's fitness to continue in the school or college.

(2) Additionally, the dean of each college or school, including the graduate school, or the dean's delegate, may initiate any disciplinary action:

(a) Related to violations of university rules, regulations, procedures, policies, standards of conduct, and orders which pertain to that particular college or school; and

(b) Related to violations of rules, procedures, policies, and standards of conduct of that particular college or school. The student academic grievance procedure is a separate procedure and is set forth in the *University Handbook* (graduate school students should also refer to Graduate School Memorandum No. 33). Violations involving academic misconduct should be reported to the dean of the appropriate school or college.

(3) Other departments of the university have proceedings separate and distinct from the student conduct code. For example:

(a) Campus traffic regulations are under the general jurisdiction of the police department of the university. The citation hearing office has jurisdiction to hear and decide all cases involving alleged violations of traffic regulations. (See chapter 478-116 WAC.)

(b) The library fines appeals committee has the authority to consider appeals of library charges. (See chapter 478-168 WAC.)

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-050, filed 4/29/96, effective 5/30/96; Order 72-9, § 478-120-050, filed 11/30/72.]

WAC 478-120-065 Informal disciplinary hearings.

(1) A dean or the vice-president for student affairs or his or her delegate may initiate a disciplinary proceeding by conducting, or directing a member of his or her staff to conduct, an informal hearing with the student accused of misconduct. This informal disciplinary hearing may be nothing more than a face-to-face meeting between the initiating officer or staff person and the student, and no special notice of the meeting is required. The purpose of this informal disciplinary hearing is to provide an opportunity for the student to respond to allegations of misconduct before disciplinary action is taken, and the student waives any rights to an informal hearing by his or her failure to attend.

(2) During an informal disciplinary hearing, the student must be provided with the following information:

(a) The alleged misconduct and the reasons for the university's belief that the student engaged in the misconduct;

(b) The specific section(s) of the student conduct code allegedly violated; and

(c) The possible sanctions that may be imposed.

(3) Based on the findings of an informal hearing, the initiating officer shall enter in writing one of the following orders:

(a) An order exonerating the student or dismissing the disciplinary proceeding if it appears that there has been no misconduct;

(b) An initial order imposing a disciplinary sanction;

(c) An order referring the matter to the university disciplinary committee; or

(d) An order referring the matter directly to the faculty appeal board because exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) may exist.

(4)(a) If the order imposes a sanction and exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) exist, the matter shall be referred directly to the faculty appeal board and the student shall be informed that he or she has the right to request a formal hearing according to the procedures set forth in WAC 478-120-075(3).

(b) If the order imposes a sanction but exceptional circumstances do not exist, then the student must be informed that he or she has twenty-one calendar days from the date of the order (or twenty-five calendar days from the date of the mailing of the initial order) to request a hearing before the university disciplinary committee. If the student chooses not to appeal, the order becomes the final order.

(5) Within ten days of the conclusion of the hearing and any associated investigations, the student shall be provided with a written order which shall include a statement of the decision, the reasons for the decision, and information about appealing the decision. No unfavorable action may be taken against the student until the student has been given such notice and information. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of that hearing. In a case where the student is a minor, the disciplinary sanctions imposed may be reported to the student's parents or legal guardian at the discretion of the initiating officer.

(2007 Ed.)

(6) A student may request a hearing by the university disciplinary committee at any time during these informal proceedings. If such a request is made, the matter shall be referred to the university disciplinary committee.

(7) The official record of this informal hearing shall consist of all documents prepared or considered by the dean or the vice-president for student affairs with regard to the dispute at hand.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-065, filed 4/29/96, effective 5/30/96.]

WAC 478-120-075 Appeals. Any initial order may be appealed by timely submission of a written petition to the appropriate body. An order only referring a matter from one hearing body to another, not determining the matter on its merits, is not an initial order.

(1) If a student does not appeal to the appropriate body within twenty-one days of the initial order (or within twenty-five calendar days of the date when the university mailed the initial order to the student), the right to appeal is waived and the order becomes final.

(a) All initial orders shall be hand delivered or delivered by mail.

(b) Any student involved in a disciplinary hearing is required to provide his or her current and accurate address to the office of the vice-president for student affairs.

(2) All petitions for appeal must be made in writing to the appropriate authority (the chair of the university disciplinary committee, the chair of the faculty appeal board, or the president). The petition must state the reasons for the appeal and indicate points of disagreement with the initial order.

(3) If a student wishes to request a formal hearing before the faculty appeal board, the student's written petition for appeal must also state that a formal hearing is being requested and must identify the specific exceptional circumstances (as defined in WAC 478-120-100 (3)(b)(i)) warranting such a hearing. When conducting administrative reviews of informal hearings, the faculty appeal board shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal disciplinary hearing.

(4) After conducting the appropriate review, the appeal body or the president may sustain, reduce, or vacate the sanction imposed by the initial order, except if that review is in the form of a formal hearing before the faculty appeal board, that board may increase any sanction.

(5) Only the president or the president's delegate may issue a final order of dismissal.

(6) Sanctions, if any, will be imposed only after an order becomes final, except for actions taken under WAC 478-120-140.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-075, filed 4/29/96, effective 5/30/96.]

WAC 478-120-085 The university disciplinary committee. The university disciplinary committee shall consist of a nonvoting chair, three voting faculty members, and three voting student members. The committee shall be maintained for the purpose of providing hearings for disciplinary actions that have been initiated by the deans or the vice-president for student affairs or their delegates.

[Title 478 WAC—p. 35]

(1) The president of the university shall designate a member of the faculty or administration to serve as chair of the university disciplinary committee for a term of one year. The chair may be reappointed for consecutive terms.

(a) The chair shall ensure that all procedural safeguards and guidelines are followed. Accordingly, the chair shall decide all procedural questions that arise in relation to hearings, including rulings on evidence (as defined in WAC 478-120-095(3)) and challenges to the impartiality of committee members. The chair shall have the discretion to regulate all aspects of the proceedings.

(b) The chair shall take whatever steps are necessary to ensure that hearings are conducted in a safe and orderly manner.

(2) The three voting faculty members of the university disciplinary committee shall be selected at random to serve one-year terms. Voting faculty members may not be reappointed to consecutive terms.

(a) Panels of eligible faculty members shall be randomly selected to serve on the committee in the order in which they were selected, except that each faculty member of the committee must represent a different faculty senate group.

(b) Faculty members must have been members of the faculty for at least one year and hold the position of assistant professor or higher in order to be eligible to serve as voting members of the university disciplinary committee.

(3) The three voting student members of the university disciplinary committee shall be selected at random from the student body to serve one-year terms. Student members of the committee may not be reappointed.

(a) Panels of eligible students shall be selected randomly from the entire full-time student body to serve as committee members or alternates in the order in which they were selected, except that one member must be a professional or graduate student and the other two members must represent different undergraduate classes.

(b) To be eligible to serve on the university disciplinary committee, students must be full-time and in good standing with the university.

(4) In addition to the chair, a quorum shall be two faculty members and two student members. The chair shall select alternates from the panels of eligible faculty or students as needed to produce a quorum.

(5) A committee member may be disqualified from a particular hearing for bias, prejudice, conflict of interest, or any other reason which may prevent him or her from serving as an impartial judge of the matter before the committee.

(a) A committee member may excuse himself or herself for any of the causes set forth in this section by submitting a written statement to the committee chair stating facts and reasons for the disqualification.

(b) A student before the university disciplinary committee may challenge the impartiality of a committee member by written petition. The chair shall determine whether to grant the petition and excuse the committee member from the case, and shall state the facts and reasons for that determination in writing.

(c) Any person who has been delegated the authority to initiate disciplinary proceedings is disqualified from serving as a member of the university disciplinary committee.

(6) The chair may relieve a member of the university disciplinary committee from serving on that committee for a particular case, for a specific period of time, or for the rest of the year after the member submits a written request to the chair.

(7) Members of the university disciplinary committee shall begin their terms on the first day of classes of winter quarter. Those terms shall expire on the first day of classes of the next winter quarter, except that cases in process shall be continued until a decision is reached. The new panels of committee members shall be identified by the outgoing chair, or by the person designated by the chair, through random procedures established by the chair.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-085, filed 4/29/96, effective 5/30/96.]

WAC 478-120-095 Hearings before the university disciplinary committee. The purpose of a hearing before the university disciplinary committee is to provide all parties with an opportunity to present evidence and argument before disciplinary sanctions are imposed on a student. Based on the evidence presented at this hearing, the committee shall determine whether the student has engaged in the alleged misconduct. If there is a finding of misconduct, the committee shall then determine the appropriate sanction to be imposed.

(1) When a hearing is scheduled before the university disciplinary committee, the chair of the committee shall provide the student with written notice of the following information:

- (a) The time and place of the hearing;
- (b) The allegations of misconduct against the student;
- (c) A list of all witnesses who may be called to testify;
- (d) A description of all documentary and real evidence to be presented at the hearing, including a copy of his or her disciplinary file; and

- (e) The sanctions that may be imposed at the hearing if the allegations of misconduct are found to be true.

(2) The chair of the committee shall adhere to the following procedures at all disciplinary hearings:

- (a) The student shall be provided with a reasonable opportunity (at least seven days) to gather evidence, contact witnesses, and prepare a defense for the hearing.

- (b) The student may be accompanied by an advisor of the student's choice.

- (c) The student is entitled to hear all testimony and examine all evidence that is presented at the hearing. In response, the student may present evidence and witnesses on his or her own behalf and may ask questions of any other witnesses.

- (d) No student shall be compelled to give self-incriminating evidence.

- (3) Evidence shall be admissible at the hearing if it is the type of evidence that reasonably prudent members of the university community would rely upon in the conduct of their affairs.

- (4) The initiating officer (the appropriate dean, the vice-president for student affairs, or his or her delegate) must prove by a preponderance of the evidence presented at the hearing that the student has engaged in the alleged misconduct. The committee shall base its factual determination solely on the evidence presented at the hearing.

(a) Decisions of the university disciplinary committee will be made based on a simple majority vote of the committee.

(b) If the university disciplinary committee cannot reach a decision by simple majority vote, an order shall be entered referring the matter to the faculty appeal board. Where exceptional circumstances exist, the student shall be notified of the right to request a formal hearing. Otherwise, the faculty appeal board shall conduct an administrative review as provided under WAC 478-120-100 (1) and (2).

(5) If at any time after a matter has been referred to the university disciplinary committee the chair determines that the matter should properly be before the faculty appeal board, the chair may refer the matter to the faculty appeal board and shall provide the student with written notice of the referral and of the opportunity to request a formal hearing if exceptional circumstances exist. (See WAC 478-120-100 (3)(b)(i).)

(6) If the committee determines that the student has violated the university's rules, regulations, procedures, policies, standards of conduct, or orders, it shall then determine the appropriate sanction to be imposed. When determining the appropriate sanction, the committee shall review the evidence presented at the hearing and the student's past record of conduct at the university.

(7) The chair of the university disciplinary committee shall provide the student with a written statement of the committee's decision within ten days of the conclusion of the hearing. This written statement shall include the committee's factual findings, the conclusions that have been drawn from those findings, the reasons for those conclusions, and the sanctions, if any, to be imposed. If sanctions are imposed, the student must also be informed of the appropriate procedures for appealing the committee's decision to the faculty appeal board. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of the hearing. In a case where the student is a minor, the written statement of the committee's decision may be reported to the student's parents or legal guardian at the discretion of the chair of the university disciplinary committee.

(8) This written statement of the committee's decision shall be the committee's initial order. If the student chooses not to appeal, the initial order of the university disciplinary committee becomes the final order at the end of the appeal period set forth in WAC 478-120-075(1), except that orders of dismissal shall be referred to the president.

(9) The student may choose to present evidence to the chair of the university disciplinary committee rather than at a hearing before the full committee. The student's waiver of the right to a hearing before the university disciplinary committee must be submitted in writing to the chair of the committee. The chair will submit the student's evidence and arguments to the full committee and the committee will make its decision based on the chair's report.

(10) All proceedings of the committee will be conducted with reasonable dispatch and be terminated as soon as possible, consistent with fairness to all parties involved. The chair shall have the discretion to continue the hearing.

(11) An adequate summary of the proceedings will be kept. Such a summary shall include all documents that were considered by the committee and may include a tape record-

ing of the testimony and any other documents related to the hearing.

(12) A report of the university disciplinary committee shall, upon written request and release by the student or students involved, and subject to the requirements of the Family Educational Rights and Privacy Act, be made available to members of the university community through the vice-president for student affairs.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-095, filed 4/29/96, effective 5/30/96.]

WAC 478-120-100 Faculty appeal board. The faculty appeal board shall be composed of seven members of the faculty to be appointed by the chair of the faculty senate after consultation with the faculty council on student affairs. The chair of the faculty senate shall appoint one of the members to be the chair of the faculty appeal board. The faculty appeal board shall conduct either administrative reviews or formal hearings and the procedures to be used shall depend on the nature of the appeal before the board. Cases may be heard by the entire board or by panels of no fewer than three board members.

(1) The faculty appeal board may conduct an administrative review when exceptional circumstances do not exist or the student has not requested a formal hearing in writing.

(2) The procedures for conducting such administrative review are set forth in WAC 478-120-105. The chair shall maintain a record of all administrative reviews conducted by the faculty appeal board. At a minimum, such a record shall include all documents that were considered by the board and may include a tape recording of all testimony and all other documents related to the review.

(3) The faculty appeal board shall conduct a formal hearing when:

(a) The student requests a formal hearing before the faculty appeal board in writing setting forth the exceptional circumstances that exist (see below); and

(b) The chair reviews the student's written request and determines that exceptional circumstances do exist. Additionally, the faculty appeal board may conduct a formal hearing in other circumstances as the board deems appropriate. If the faculty appeal board does not conduct a formal hearing, it shall conduct an administrative review of the prior decision.

(i) Exceptional circumstances exist when:

(A) The sanction of dismissal has been recommended; or

(B) The student has been charged with hazing; or

(C) The sanction of restitution (in excess of three hundred dollars) has been recommended; or

(D) Suspension has been recommended.

(ii) If the faculty appeal board decides not to grant a student's written request for a formal hearing, the chair shall provide the student with a written copy of the board's decision and a brief statement of the reasons for denying the petition within ninety days as specified in WAC 478-120-115(2).

(4) If a matter is referred directly to the faculty appeal board and there is no initial order, then the faculty appeal board shall determine whether exceptional circumstances exist or could exist. If exceptional circumstances exist or could exist, then the board shall notify the student in writing that he or she has twenty-one days from the date of the notice or twenty-five days from the date of mailing the notice to

request a formal hearing. If the student fails to make such a request, any right to a formal hearing is waived.

(5) Formal hearings conducted by the faculty appeal board shall be according to the procedural guidelines set forth in WAC 478-120-115 and chapter 34.05 RCW.

(a) At the conclusion of the formal hearing, the faculty appeal board shall enter an initial order based on the findings of that hearing. That initial order shall include a written statement of the board's decision and the basis for that decision, including procedures for appealing the decision to the president or president's delegate. The initial order shall be provided to the student within ninety days of the conclusion of the hearing. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the board's decision. In a case where the student is a minor, the board's decision may be reported to the student's parents or legal guardian at the discretion of the initiating officer.

(b) An initial order from a formal hearing may be appealed to the president of the university or the president's delegate for a final administrative review.

(c) If the student chooses not to appeal, the initial order of the faculty appeal board shall become the final order, except that orders of dismissal entered by the faculty appeal board shall be reviewed by the president or the president's delegate.

(6) The record in cases in which the faculty appeal board conducts a formal hearing shall be as specified in WAC 478-120-115(15).

(7) Board members may be disqualified from a particular formal hearing for bias, prejudice, conflict of interest, or any other reason which may prevent them from serving as impartial judges of the matter before the board.

(a) A committee member may excuse himself or herself for any of the causes set forth in this section by submitting a written statement to the board chair stating facts and reasons for the disqualification.

(b) A student before the faculty appeal board may challenge the impartiality of a board member by written petition. The chair shall determine whether to grant the petition and excuse the board member, stating the facts and reasons for the determination in writing.

(c) Faculty who have been delegated the authority to initiate disciplinary proceedings are disqualified from serving as members of the faculty appeal board.

(8) At the discretion of the chair, board members may be excused from a particular hearing on the basis of compelling personal need after submitting a written request to the chair explaining the basis of the request.

WAC 478-120-105 Administrative review by the faculty appeal board. (1) The faculty appeal board may conduct administrative review when exceptional circumstances do not exist or the student has not requested a formal hearing. When the faculty appeal board determines that administrative review is appropriate, the chair shall notify all parties of that decision. The notice to the parties shall include a statement of:

- (a) The allegations of misconduct against the student;

- (b) The sanctions that were recommended by the initiating officer or the university disciplinary committee, if any;

- (c) A date by which any voluntarily submitted written briefs or statements must be submitted.

(2) When the faculty appeal board conducts an administrative review, the board may base its review on:

- (a) All documents and any recordings considered by the initiating officer or the university disciplinary committee; or

- (b) Oral and/or written argument of both parties; or

- (c) Additional evidence.

(3) At the conclusion of its review, the faculty appeal board shall enter an order. An initial order may be appealed and a final order may not be appealed, except that final orders of dismissal shall be reviewed by the president or the president's delegate. The student shall be provided with a written order which shall include a written statement of the board's decision within ten days of the conclusion of the review and information on rights of appeal, if any. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of the review. In a case where the student is a minor, the board's decision may be reported to the student's parents or legal guardian at the discretion of the chair of the faculty appeal board.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903, 96-10-051, § 478-120-105, filed 4/29/96, effective 5/30/96.]

WAC 478-120-115 Formal hearings before the faculty appeal board. (1) The faculty appeal board shall conduct a formal hearing when exceptional circumstances exist and the student has requested in writing a formal hearing. Additionally, the faculty appeal board may conduct a formal hearing in other circumstances as the board deems appropriate.

(2) Within thirty days after receipt of a written petition for a formal hearing before the faculty appeal board, the board shall notify the requesting party of any obvious errors or omissions in the party's petition, request any additional information the board wishes to obtain and is permitted by law to require, and notify the requesting party of the name, mailing address, and telephone number of an office or person who may be contacted regarding the formal hearing.

(3) Within ninety days after receipt of a written petition for formal hearing or within ninety days after the party's response to a timely request from the board as provided in subsection (1) of this section, the board shall either deny the formal hearing or commence the formal hearing.

(4) Once the board decides to conduct a formal hearing, the chair of the faculty appeal board shall schedule the time and place of the hearing and give not less than seven days advance written notice of the hearing to all parties. That notice shall include:

- (a) The names and addresses of all parties to whom notice is being given, and if known, the names and addresses of their representatives;

- (b) The name, business address, and telephone number of the person designated to represent the university at the hearing;

- (c) The official file number and name of the proceeding;

- (d) The name, mailing address, and telephone number of the chair of the faculty appeal board;

(e) A statement of the time, place, and nature of the hearing;

(f) A statement of the legal authority and jurisdiction under which the hearing is to be held;

(g) A reference to the particular sections of university rules that are involved;

(h) A short and plain statement of the charges against the student; and

(i) A statement that a student who fails to attend the hearing or otherwise respond to this notice may lose his or her right to a formal hearing.

(5) If a student fails to attend or participate in a formal hearing, the faculty appeal board may serve upon all parties a default or other dispositive order which shall include a statement of the grounds for the order. Within seven days after service of a default order, the student may file a written motion requesting that the order be vacated, and stating the grounds relied upon.

(6) The student may be represented by counsel and/or be accompanied by an advisor of the student's choice. No student shall be compelled to give self-incriminating evidence.

(7) The chair shall determine whether discovery is to be available, and, if so, which forms of discovery may be used. The chair may condition the use of discovery procedures on a showing of necessity and unavailability by other means. In exercising such discretion, the chair shall consider:

(a) Whether all parties are represented by counsel;

(b) Whether undue expense or delay in bringing the case to a hearing will result;

(c) Whether the use of discovery will promote the orderly and prompt conduct of the proceeding; and

(d) Whether the interests of justice will be promoted.

The chair may decide whether to permit the taking of depositions, the requesting of admissions, or any other procedures authorized by rules 26 through 37 of the superior court rules.

(8) At appropriate stages of the hearing, the chair may give all parties an opportunity to submit and respond to briefs, proposed findings of fact and conclusions of law, and proposed initial or final orders. To the extent necessary for a full disclosure of all relevant facts and issues, the chair shall afford both parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence. A party filing a pleading, brief, or other paper with the chair shall serve copies on all other parties.

(9) Evidence, including hearsay evidence, is admissible if it is the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Evidence is not admissible if it is excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this state. The chair shall decide rulings on the admissibility of evidence, and the Washington rules of evidence shall serve as guidelines for those rulings.

(10) All testimony of parties and witnesses shall be made under oath or affirmation.

(11) The faculty appeal board may appoint an examiner to conduct the actual hearing. The decision to use a hearing examiner requires the approval of a majority of the board members. The hearing examiner will then conduct the hear-

ing and submit a detailed report to the faculty appeal board according to the provisions of this section.

(a) If a hearing examiner conducts the hearing, an audio recording of the hearing must be kept, and the recording and any transcription thereof must be provided to the board.

(b) The faculty appeal board may, at its option, request the hearing examiner to provide recommendations as to findings, conclusions, and decisions, but those recommendations shall not be binding on the board. The hearing examiner shall transmit to the board the full and complete record of the hearing and the board shall make its own findings, conclusions, and decisions based on the record.

(c) The hearing examiner will make initial rulings on the use of discovery, the admissibility of evidence, and the procedures for the hearing.

(d) The hearing examiner must be a member of the bar. Any member of the faculty appeal board who is also a member of the bar, including the chair, may serve as the hearing examiner.

(12) The chair of the faculty appeal board may issue subpoenas and enter protective orders.

(13) Members of the faculty appeal board must avoid ex parte communications with any party involved in the hearing regarding any issue other than communications necessary to maintaining an orderly procedural flow to the hearing. Ex parte communications received by members of the board must be placed on the record, and the other party must be informed of the ex parte communication and given an opportunity to respond on the record.

(14) Findings, conclusions, and decisions by the faculty appeal board shall be based exclusively on the evidence of record from the hearing and on matters officially noted in the record.

(15) The board shall enter an initial order which shall be served in writing on the student within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings, whichever is later, unless the period is waived or extended for good cause shown. The student shall be informed of procedures for appealing the decision. If the student does not appeal the board's initial order within the time set out in WAC 478-120-075(1), the initial order of the board shall become the final order, except all orders of dismissal shall be reviewed by the president or the president's delegate.

(16) The chair shall maintain an official record of the hearing. The record shall contain those items specified in RCW 34.05.476.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-115, filed 4/29/96, effective 5/30/96.]

WAC 478-120-125 Review by the president of the university. (1) Any order of the faculty appeal board that is based on the findings of a formal hearing may be appealed for a final review to the president or the president's delegate. The student must submit an appeal in writing within twenty-one days of service of the board's order, or twenty-five days of mailing the order, unless the order specifies a different time limit. Any appeal shall specify the portion of the board's order to which exception is taken and shall refer to the evidence of record which is relied upon to support the petition. However, the president or the president's delegate shall

review all orders of dismissal, regardless of whether the student appeals.

(2) The president or the president's delegate shall consider the entire record of the disciplinary proceeding or such portion as may be cited by the student. At the president's or the president's delegate's discretion, the parties may also supplement the record with additional evidence.

(3) The parties may present their arguments to the president or the president's delegate in writing, and the president or the president's delegate may, at his or her discretion, afford each party an opportunity for oral argument.

(4) After reviewing the record and considering the arguments of the two parties, the president or the president's delegate shall enter a final order disposing of the matter or remanding the case for further proceedings and provide the student with a copy of that order.

(5) In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of the review. In a case where the student is a minor, the decision of the president or the president's delegate may be reported to the student's parents or legal guardian at the discretion of the president or president's delegate.

(6) Notwithstanding any other provisions of this chapter, and before an initial order becomes final, the president or the president's delegate may review the order. Any such review shall be in accord with RCW 34.05.464 and 34.05.491.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-125, filed 4/29/96, effective 5/30/96.]

WAC 478-120-135 Reconsideration of final orders.

(1) Within ten days of the service of a final order from the president or the president's delegate, the student may file a request for reconsideration, stating in writing specific reasons for the request. The request shall be directed to the president or the president's delegate.

(2) A request for reconsideration is only intended to correct obvious mistakes in the judgment or order and should not be used to reargue the case. Filing a request for reconsideration is not a prerequisite for obtaining judicial review, and denial of the request is not subject to judicial review.

(3) The request for reconsideration shall be promptly considered. If, within twenty days from the date the request is filed, the president or president's delegate does not either (a) dispose of the request, or (b) serve the student with a written notice specifying the date by which it will act upon the request, the request is deemed to be denied.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-135, filed 4/29/96, effective 5/30/96.]

WAC 478-120-140 Emergency authority of the president of the university. If a student's conduct represents a threat to the health, safety, or welfare of the university or any member of the university community, the president or the president's delegate may suspend that student from participation in any or all university functions or privileges.

(1) In such an emergency situation, the president or a delegate shall issue a written order to be served upon the student describing the terms of the emergency suspension and the reasons for imposing the suspension. The order shall be effective immediately.

[Title 478 WAC—p. 40]

(2) The president or delegate shall then refer the matter to the vice-president for student affairs or his or her delegate, who shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-140, filed 4/29/96, effective 5/30/96.]

WAC 478-120-145 Recording and maintenance of records. (1) The vice-president for student affairs shall keep records of all disciplinary actions reported to his or her office. Disciplinary records shall be kept separate from academic records, and transcripts of a student's academic record shall contain no notation of any disciplinary action.

(2) The dean of a college or school initiating disciplinary action shall report in writing to the office of the vice-president for student affairs all cases in which disciplinary action is taken. The dean shall also inform the registrar of any action affecting a student's official standing in the university. The office of the vice-president for student affairs shall notify the dean of the college or school in which the student is enrolled of any disciplinary action it takes and also shall notify the registrar of any action affecting a student's official standing in the university.

(3) Disciplinary records of students not exonerated shall be maintained by the vice-president for student affairs and the registrar for seven years after disciplinary action has been taken and/or after the administrative purpose has been served.

(4) Disciplinary records of exonerated students shall not be maintained.

(5) Notwithstanding any other provision of this section, the vice-president for student affairs, at his or her discretion, upon written request by the student, may expunge the student's disciplinary record.

(6) Records and information regarding student disciplinary proceedings are subject to the provisions of the Family Educational Rights and Privacy Act and supporting regulations (20 U.S.C. 1232g), and to chapter 478-140 WAC.

[Statutory Authority: RCW 28B.20.130 and 28B.10.900 through 28B.10.903. 96-10-051, § 478-120-145, filed 4/29/96, effective 5/30/96.]

(2) Under this authority, the president has appointed the committee on the use of university facilities: To provide for proper review of the use of university facilities; to establish within the framework of this policy guidelines and procedures governing such use; to approve or disapprove requested uses; and to establish policies regarding fees and rental

WAC 478-136-030 Limitations on use. (1) Freedom of expression is a highly valued and indispensable quality of university life. However, university facilities may not be used in ways which obstruct or disrupt university operations, the freedom of movement, or any other lawful activities. Additionally, use of university facilities may be subject to reasonable time, place and manner restrictions.

(2) University facilities may be used for events and forums regarding ballot propositions and/or candidates who have filed for public office so long as the event has received preliminary approval by an administrative or academic unit and final approval by the committee on the use of university facilities. There are, however, certain limitations on the use of university facilities for these political activities.

(a) First priority for the use of campus facilities shall be given to regularly scheduled university activities.

(b) University facilities may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office only when the full rental cost of the facility is paid. However, use of state funds for payment of facility rental costs is prohibited.

(c) Forums or debates may be scheduled at full facility rental rates if all parties to a ballot proposition election or all candidates who have filed for office for a given position, regardless of party affiliation, are given equal access to the use of facilities within a reasonable time.

(d) No person shall solicit contributions on university property for political uses, except in instances where this limitation conflicts with applicable federal law regarding interference with the mails.

(e) Public areas outside university buildings may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office, excluding solicitation of funds, provided the other normal business of the university is not disrupted and entrances to and exits from buildings are not blocked.

(f) University facilities or services may not be used to establish or maintain offices or headquarters for political candidates or partisan political causes.

(3) University facilities may not be used for private or commercial purposes such as sales, advertising, or promotional activities unless such activities serve an educational purpose, as determined by the committee on the use of university facilities.

(4) Nothing in these rules is intended to alter or affect the regular advertising, promotional, or underwriting activities carried on, by, or in the regular university media or publications. Policies concerning advertising, promotional or underwriting activities included in these media or publications are under the jurisdiction of and must be approved by their respective management or, where applicable, advisory committees, in accordance with applicable state and federal laws.

(5) In accordance with WAC 478-136-010, the university will make its facilities available only for purposes related to the educational mission of the university, as determined by the committee on the use of university facilities, including but not limited to instruction, research, public assembly, and student activities. When permission is granted to use university facilities for approved instructional or related purposes, as a condition of approval, the user of university facilities agrees to include in all materials nonendorsement statements in the form approved by the committee on the use of university facilities. "Materials" includes all communications, advertisement, and any other printed, electronic, or broadcast/telecast information related to the user's activities offered in university facilities. The committee will determine the content, size of print and placement of the nonendorsement language. The university will not make its facilities available for instructional or related purposes that compete with courses or programs offered by the university.

(6) Solicitation, or distribution of handbills, pamphlets and similar materials by anyone, whether a member of the university community or of the general public, is not permitted in those areas of campus to which access by the public is restricted or where such solicitation or distribution would significantly impinge upon the primary business being conducted.

(7) Solicitation and distribution of materials in university residence halls are governed by residence hall policies. No solicitation of a commercial nature is permitted in university residence halls. Commercial advertising may be allowed, and is restricted to certain designated areas of each residence hall, when it is related to the university's mission and approved by the department of housing and food services.

(8) Electronic amplification on the grounds of the campus is prohibited with the following exceptions:

(a) The lawn area immediately west of the Husky Union Building will be available for open-air speaking events using directional and volume-controlled speech amplification equipment provided by the university. Use of the Husky Union Building lawn site will be available to registered or official student organizations and faculty or staff groups on a first-come, first-served basis. The amplification system will be issued upon presentation of a currently valid student, faculty or staff identification card at the Husky Union Building Reservation Office.

(b) The committee on the use of university facilities may grant permission, under special circumstances, for the use of other amplification equipment on the lawn site west of the

Husky Union Building or in other outdoor locations. Permission should be requested through:

University of Washington
Secretary to the Committee on the
Use of University Facilities
239M Gerberding Hall
Box 351241
Seattle, WA 98195-1241

(or phone: 206-543-9233), sufficiently in advance of the program to allow timely consideration.

(9)(a) No person may use university facilities to camp, except if permission to do so has been granted in accordance with the provisions of chapters 478-116 and 478-136 WAC or except as provided in (b) of this subsection. "Camp" means to remain overnight, to erect a tent or other shelter, or to use sleeping equipment, a vehicle, or a trailer camper, for the purpose of or in such ways as will permit remaining overnight. Violators are subject to arrest and criminal prosecution under applicable state, county and city laws.

(b) This provision does not prohibit use of the university residence facilities in accordance with chapter 478-156 WAC or the use of facilities where the employee remains overnight to fulfill the responsibilities of his or her position or where a student remains overnight to fulfill the requirements of his or her course of study.

(10) Within the limits of applicable laws, the University of Washington is committed to establishing and maintaining safe conditions for persons attending football games in Husky Stadium or other athletic events or concerts in campus facilities. Accordingly, the rules enumerated below will apply to all such events and be strictly enforced.

(b) Air horns, glass bottles, cans, picnic baskets, bota bags, ice chests, and thermoses (in excess of two-quart capacity) are prohibited. Individuals possessing such will not be admitted to, or will be removed from, Husky Stadium or other athletic or concert facilities until the items have been stored temporarily at locations provided for that purpose or disposed of in some other manner.

(c) Smoking is prohibited in the seating areas of all athletic stadia. Smoking is permitted on pedestrian concourses.

(d) All persons entering events in Husky Stadium or other athletic venues or events in other campus auditoria or facilities shall be subject to having all containers, bags, backpacks, coolers, or similar items visually inspected. Security personnel shall first ask permission to visually inspect the item and advise the person that he/she may refuse. Persons who refuse to allow inspection shall be allowed to return the item to a vehicle or otherwise dispose of it, after which admission shall be allowed. Persons who refuse the visual inspection and refuse to dispose of the item shall be denied entry.

(11) Only public service announcements and acknowledgment of sponsors will be allowed on scoreboards at athletic venues.

(a) For purposes of this section, a public service announcement is defined as an announcement which promotes the activities or services of federal, state or local governments, including the University of Washington, or non-profit organizations, or generally contributes to the community's welfare and interests.

(b) In acknowledgment of their sponsorship of the scoreboards or sponsorship of events and programs, sponsors may propose public service announcements for display on the scoreboard during athletic events. The public service announcement may be accompanied by a sponsor's name or logo, but in keeping with university policy may not directly promote the products or services of the company. The text and graphics of public service announcements must be submitted at least three days in advance to the department of intercollegiate athletics for approval by the university.

(c) In addition to these public service announcements, sponsors also may be acknowledged by the display of corporate logos, trademarks, or other approved messages upon panels located on the scoreboard.

(12) The University of Washington is committed to maintaining a safe and healthful work and educational environment for all faculty, staff, students, and visitors. Accordingly, the University of Washington establishes the following smoking policy to protect nonsmokers from exposure to smoke in their university-associated environments and to protect life and property against fire hazards:

(a) Except as provided in subsections (10)(c) and (12)(b) of this section, smoking is prohibited in all university vehicles, inside all buildings owned or occupied by the university and/or used by the university's faculty, staff or students and at any outside areas or locations that may directly or indirectly affect the air supply of buildings or carry smoke into buildings.

(b) Smoking may be permitted in student rooms in university residence halls and apartments in university student housing in accordance with smoking regulations established for those facilities by the vice-president for student affairs.

(c) The director of environmental health and safety may designate specific outdoor locations as no smoking areas.

(d) Any student, staff, or faculty member who violates the university smoking policy may be subject to disciplinary action. In addition, violations of the university smoking policy may be subject to enforcement by the University of Washington police department.

(13) Alcoholic beverages may be possessed, sold, served, and consumed at university facilities only if the procedures set forth in this section are followed.

(a) The appropriate permits/licenses for possession, sale, service, and consumption of alcohol must be obtained from the Washington state liquor control board.

(b) Permits/licenses must be displayed during the event and all other guidelines and restrictions established by the Washington state liquor control board must be followed.

(f) Written authorization to apply for a special occasion license to sell alcoholic beverages or a banquet permit to serve and consume alcoholic beverages at university facilities must be obtained from the committee on the use of university facilities prior to applying for a special occasion license or banquet permit from the Washington state liquor control board. Authorization should be requested through the University of Washington, secretary to the committee on the use of university facilities, sufficiently in advance of the program to allow timely consideration. (Note: Some license applications must be filed with the Washington state liquor control board at least thirty days or more before the event.) (Phone: 425-352-8269).

(3) Preliminary approval of an event by an academic or administrative unit of the university or college implies that a responsible official has applied his or her professional judgment to the content of the program, the qualifications of the individuals conducting the event, the manner of presentation, and has concluded that the event is consistent with the teaching, research, and/or public service mission of the institutions.

(4) Final approval of a joint facilities use request by the appropriate designee on the use of joint facilities implies that the designee has reviewed the proposed event with regard to: The rules in this chapter; the direct and indirect costs to the institutions; environmental, health and safety concerns; wear and tear on the facilities; appropriateness of the event to the specific facility; and the impact of the event on the institutions, surrounding neighborhoods and the general public.

(5) The institutions will not make their joint facilities or services available to organizations that do not assure the institutions that they will comply with the terms of the Americans with Disabilities Act (ADA, 42 U.S.C. 12132, 12182) and the Rehabilitation Act of 1973 (RA, 29 U.S.C. 794). Uses must not impose restrictions nor alter facilities in a manner which would violate the ADA or RA.

(6) The institutions will not make their joint facilities or services available to organizations which do not assure the institutions that they do not discriminate against any person because of race, color, religion, national origin, sex, sexual orientation, age, handicap, or status as a Vietnam era or disabled veteran, except where such organizations have been exempted from provisions of applicable state or federal laws or regulations.

(7) Individuals who violate the institutions' use of joint facilities regulations and approved users who violate the institutions' contract terms for use of joint facilities may be advised of the specific nature of the violation and individuals may be requested to leave the property or be refused future use of joint facilities. Failure to comply with a request to leave the property may subject such individuals to arrest and criminal prosecution under provisions of applicable state, county, and city laws.

[Statutory Authority: RCW 28B.20.130. 06-13-022, § 478-137-030, filed 6/13/06, effective 8/1/06.]

WAC 478-137-040 Use of joint facilities. When allocating use of joint facilities, the highest priority shall be given to activities specifically related to the institutions' missions. No arrangements will be made that may interfere with or operate to the detriment of the institutions' own instruction, research, public assembly, and student activities. In particular, joint facilities are used primarily for:

(1) The regularly established instruction, research, public assembly, and student activities of the institutions and their departments.

(2) Cultural, educational, or recreational activities of the students, faculty, or staff of the university or college.

(3) Short courses, conferences, seminars, or similar events, when arranged under the sponsorship of the institutions or their departments.

(4) Public events of a cultural or professional nature brought to the campus at the request of institution departments or committees or institutionally sanctioned student organizations and presented with their active sponsorship and active participation.

(5) Activities or programs sponsored by other educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the institutions. However, joint facilities will not be

made available for instructional or related purposes that compete with courses or programs offered by the institutions.

(6) Faculty, staff, registered or official student organizations of the institutions may use joint facilities to hold events for university or college faculty, staff and students provided such uses comply with these rules on use of joint facilities. These events do not, however, require either preliminary approval by an academic or administrative unit or final approval by the joint committee on facility use.

(7) Faculty, staff, registered or official student organizations of the institutions may use joint facilities to hold events to which the general public is invited when the event has preliminary approval by an academic or administrative unit of one of the institutions and final approval of the appropriate designee. The appearance of an invited speaker on campus does not represent an endorsement by the institutions of the speaker's views.

(8) Noninstitution organizations and individuals may use joint facilities to hold events which have received preliminary approval by an academic or administrative unit of one of the institutions and final approval of the appropriate designee. The general public may be invited to such events.

(9) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and proper maintenance of the facilities. Subject to the same limitations, joint facilities shall be made available for assignment to individuals or groups within the institutions. Arrangements by both organizations and individuals must be made through the appropriate facility designee. Allocation of space shall be made in accordance with these rules and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

[Statutory Authority: RCW 28B.20.130. 06-13-022, § 478-137-040, filed 6/13/06, effective 8/1/06.]

WAC 478-137-050 Limitations on use. (1) Freedom of expression is a highly valued and indispensable quality of university and college life. However, joint facilities may not be used in ways that obstruct or disrupt the institutions' operations, the freedom of movement, or any other lawful activities. Additionally, use of joint facilities may be subject to reasonable time, place and manner restrictions.

(2) Joint facilities may be used for events and forums regarding ballot propositions and/or candidates who have filed for public office providing the event has received preliminary approval by an administrative or academic unit of one of the institutions and final approval by the appropriate facility designee. There are, however, certain limitations on the use of joint facilities for these political activities.

(a) First priority for the use of joint facilities shall be given to regularly scheduled university and college activities.

(b) Joint facilities may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office only when the full rental cost of the facility is paid. Use of state funds for payment of facility rental costs is prohibited.

(c) Forums or debates may be scheduled at full facility rental rates if all parties to a ballot proposition election or all candidates who have filed for office for a given position, regardless of party affiliation, are given equal access to the use of facilities within a reasonable time.

(d) No person shall solicit contributions on joint property for political uses, except in instances where this limitation conflicts with applicable federal law regarding interference with the mails.

(e) Public areas outside joint facility buildings may be used for political purposes such as events and forums regarding ballot propositions and/or candidates who have filed for public office, excluding solicitation of funds, provided the other normal business of the institutions is not disrupted and entrances to and exits from buildings are not blocked.

(f) Joint facilities or services may not be used to establish or maintain offices or headquarters for political candidates or partisan political causes.

(3) Joint facilities may not be used for private or commercial purposes such as sales, advertising, or promotional activities unless such activities are consistent with the institution's mission, as determined by the appropriate designee.

(4) Nothing in these rules is intended to alter or affect the regular advertising, promotional, or underwriting activities carried on, by, or in the regular media or publications of the institutions. Policies concerning advertising, promotional or underwriting activities included in these media or publications are under the jurisdiction of and must be approved by their respective management or, where applicable, advisory committees, in accordance with applicable state and federal laws.

(5) In accordance with WAC 478-137-010 the institutions will make their joint facilities available only for purposes related to their educational missions, including but not limited to instruction, research, public assembly, community programs, and student activities. When permission is granted to use joint facilities for approved instructional or related purposes, as a condition of approval, the user of joint facilities agrees to include in all materials nonendorsement statements in the form approved by the appropriate designee. "Materials" includes all communications, advertisement, and any other printed, electronic, or broadcast/telecast information related to the user's activities offered in joint facilities. The designee will determine the content, size of print and placement of the nonendorsement language. The institutions will not make their joint facilities available for instructional or related purposes that compete with courses or programs offered by the university or college.

(6) Solicitation, or distribution of handbills, pamphlets and similar materials by anyone, whether a member of the university and college community or of the general public, is not permitted in those areas of campus to which access by the public is restricted or where such solicitation or distribution would significantly impinge upon the primary business being conducted.

(7) Electronic amplification on the grounds of the campus shall not be permitted unless approved by the joint committee on facility use.

(8) No person may use joint facilities to camp. "Camp" means to remain overnight, to erect a tent or other shelter, or to use sleeping equipment, a vehicle, or a trailer camper, for the purpose of or in such ways as will permit remaining overnight. Violators are subject to arrest and criminal prosecution under applicable state, county and city laws. This provision does not prohibit use of joint facilities where a university or

college employee remains overnight to fulfill the responsibilities of his or her position.

(9) The institutions are committed to maintaining a safe and healthful work and educational environment for all faculty, staff, students, and visitors. In accordance with the Washington Clean Indoor Air Act (chapter 70.160 RCW), the Use of University of Washington facilities (chapter 478-136 WAC) and Cascadia Community College facility use (chapter 132Z-140 WAC), the following smoking policy is intended to protect nonsmokers from exposure to smoke in their campus-associated environments and to protect life and property against fire hazards:

(a) Smoking is prohibited inside all university or college vehicles, inside buildings and parking structures owned or occupied by the university or college and/or used by university or college faculty, staff or students and at any outside areas or locations that may directly or indirectly affect the air supply of buildings or carry smoke into buildings.

(b) The institutions may designate specific outdoor locations as smoking areas. Signage will be placed to indicate the designated locations.

(c) Any student, staff, or faculty member who violates the smoking policy may be subject to disciplinary action. In addition, violations of the smoking policy may be subject to appropriate enforcement.

(10) Alcoholic beverages may be possessed, sold, served, and consumed at joint facilities only if the procedures set forth in this section are followed.

(a) The appropriate permits/licenses for possession, sale, service, and consumption of alcohol must be obtained from the Washington state liquor control board.

(b) Permits/licenses must be displayed during the event and all other guidelines and restrictions established by the Washington state liquor control board must be followed.

(c) Alcoholic beverages may be possessed, sold, served, and consumed at joint facilities leased to a commercial tenant under a lease that includes authorization for the tenant to apply and hold a license issued by the Washington state liquor control board.

(d) Except as provided in (c) of this subsection, alcoholic beverages may be possessed, sold, served, and consumed at joint facilities only under permits/licenses issued by the Washington state liquor control board and only as follows:

(i) Events at which alcohol is to be sold must be approved by the joint committee on facility use and an application to the committee must be accompanied by a request for written authorization under (e) or (f) of this subsection or proof that the seller holds an appropriate license; and

(ii) A university or college unit or an individual or organization applying for a permit/license must have obtained approval under (e) or (f) of this subsection; and

(iii) Sale, service, and consumption of alcohol is to be confined to specified room(s) or area(s) specified on the license or permit. Unopened containers may not be sold or served. No alcohol is permitted to be taken off-premises.

(e) Written authorization to apply for a special occasion license to sell alcoholic beverages at joint facilities must be obtained from the joint committee on facility use prior to applying for a special occasion license from the Washington state liquor control board. Authorization should be requested through the facilities use coordinator for the joint committee

on facility use sufficiently in advance of the program to allow timely consideration. (Note: Some license applications must be filed with the Washington state liquor control board at least thirty days or more before the event.) Written authorization to apply for such license shall accompany the license application filed with the Washington state liquor control board.

(f) Written authorization to apply for a banquet permit to serve and consume alcoholic beverages at joint facilities must be obtained from the university chancellor or college president prior to applying for the permit from the Washington state liquor control board. Authorization should be requested sufficiently in advance of the program to allow timely consideration. Written authorization to apply for such permit shall accompany the permit application filed with the Washington state liquor control board.

(g) Consumption, possession, dispensation, or sale of alcohol is prohibited except for persons of legal age.

[Statutory Authority: RCW 28B.20.130. 06-13-022, § 478-137-050, filed 6/13/06, effective 8/1/06.]

WAC 478-137-060 Safety and liability. (1) It is the responsibility of any person or organization requesting the use of joint facilities to comply with all applicable policies, procedures, rules and regulations of the institutions, and applicable local, state and federal laws, including but not limited to fire, health and safety regulations.

(2) Permission to an organization not affiliated with one of the institutions or to a registered or official student organization of the university or college for the use of joint facilities is granted with the express understanding and condition that such organization assumes full responsibility for any loss, damage or claims arising out of such use.

When the event involves physical activity, or otherwise will increase the risk of bodily injury above the level inherent in the facilities to be used, proof of appropriate liability insurance coverage with limits of at least one million dollars per occurrence must be provided to the state office of risk management before approval for the requested use will be granted.

WAC 478-140-010 University policy on student education records. The Family Educational Rights and Privacy Act of 1974, 20 U.S.C. Sec. 1232g, provides for the right of a student to inspect his or her education records, and guidelines concerning the release of those records to third parties. The act further provides that such a student may request a hearing in order to correct or delete inaccurate, misleading or otherwise inappropriate data, and that currently registered students be informed annually of their rights under the act. Any student who alleges a failure by the university to comply with the act has the right to file a complaint with the U.S. Department of Education.

Consistent with the act, this policy on student education records is established to ensure that the education records and the information contained in such records are treated in a responsible manner.

[Statutory Authority: RCW 28B.20.130. 99-12-110, § 478-140-010, filed 6/2/99, effective 7/3/99; Order 75-1, § 478-140-010, filed 3/5/75; Order 72-11, § 478-140-010, filed 11/30/72.]

WAC 478-140-015 Definition of a student. For the purposes of these rules, a student is defined as any person who is or has been admitted or is or has been officially registered in courses at the University of Washington for at least one day of an academic program and with respect to whom the university maintains education records; except that a person who has applied to a unit of the university (e.g., college, department, graduate or professional program) is not considered to be a student of that unit, even if he or she is or has been attending another unit of the university, if he or she never attended the unit applied to and/or the application is denied. For most individuals, this means one day of an academic quarter.

[Statutory Authority: RCW 28B.20.130. 99-12-110, § 478-140-015, filed 6/2/99, effective 7/3/99. Statutory Authority: RCW 28B.20.130(1). 79-05-025 (Order 79-1), § 478-140-015, filed 4/18/79; Order 75-1, § 478-140-015, filed 3/5/75.]

WAC 478-140-018 Education records—Student's right to inspect. (1) A student has the right to inspect and review his or her education records except where otherwise provided in this chapter.

[Title 478 WAC—p. 51]

(a) The term "education records" means those records, files, documents and other materials which contain information directly related to a student and are maintained by the university.

(b) Types of education records, and the university officials responsible for those records, include, but are not limited to:

(i) Official transcripts of courses taken and grades received, records relating to prior education experience, and admission records. The executive director of admissions and records, whose office is located in Schmitz Hall, is responsible for the maintenance of such records. In addition, the director of graduate admissions, whose office is located in Loew Hall, is responsible for the maintenance of certain admission and current education status records for graduate students, as are the admission directors of the professional schools of dentistry, law, medicine and pharmacy.

(ii) Tuition and fee payment records. The manager of the student accounts office, located in Schmitz Hall, is responsible for the maintenance of such records.

(iii) Student disciplinary records. The vice president for student affairs, whose office is located in Schmitz Hall, is responsible for the maintenance of such records.

(iv) Education records relating to a student's particular field of study may be maintained by the departments and colleges throughout the university. Where such education records are so maintained, the respective chair or dean of the department or college is responsible for maintenance of the records.

(c) The term "education records" does not include:

(i) Any record of instructional, supervisory, administrative or educational personnel which is in the sole possession of the maker thereof and not accessible or revealed to any other person except a substitute. For the purposes of this subsection, substitute means:

(A) A person who is providing instruction in place of or as assistant to the regularly assigned faculty member in a course in which knowledge of the performance of individual students is essential to the provision of instruction, or

(B) A person who is supervising a student's thesis or research progress in place of or as an assistant to the regularly assigned faculty member during a prolonged absence.

(ii) Records created and maintained by the University of Washington police department for the purposes of law enforcement, except that education records created by another university department remain education records while in the possession of the police department.

(iii) Records made and maintained in the normal course of business which relate exclusively to the person's capacity as an employee and are not available for any other purposes; however, records concerning a student who is employed as a result of his or her status as a student (e.g., graduate student service appointments) shall not be considered to relate exclusively to a student's capacity as an employee.

(iv) Health care records on a student that are created or maintained by a health care provider or health care facility in connection with the provision of treatment to the student, and are not available to anyone other than persons providing such treatment, the student, or a health care provider of the student's choice (see also chapter 70.02 RCW).

(v) Records of an institution which contain only information relating to a person after that person is no longer a student at the university (e.g., information pertaining to the accomplishment of an alumnus or alumna).

(2)(a) Confidential recommendations, evaluations or comments concerning a student, shall nonetheless be made available to the student, except as provided in (b), (c) and (d) of this subsection.

(b) The student may specifically waive his or her right to inspect and review education records where the information consists only of confidential recommendations respecting the student's:

(i) Admission to the University of Washington or any other educational institution, or component part thereof, or

(ii) Application for employment, or

(iii) Receipt of an honor or honorary recognition.

(c) A student's waiver of his or her right to inspect and review confidential statements shall be valid only if:

(i) The student is, upon request, notified of the names of all persons making confidential statements concerning the student, the dates of such confidential statements and the purpose or purposes for which the statements were provided, and

(ii) Such confidential statements are used solely for the purpose or purposes for which they were provided, and

(iii) Such waivers are not required as a condition for admission to, receipt of financial aid from or receipt of any other services or benefits from the university, and

(iv) Such waiver is in writing and signed and dated by the student.

(d) Such a waiver may be revoked, in writing, by the student; however, the revocation will be effective only for confidential statements or records dated after the date of the revocation.

(e) Confidential recommendations, evaluations or comments concerning a student prior to January 1, 1975, shall not be subject to release under WAC 478-140-018 (2)(a); however, upon request the student shall be notified of the names of the authors of all such confidential records, the dates appearing on such confidential records and the purpose for which each such confidential record was provided. Such records shall remain confidential and shall be released only with the consent of the author. Such records shall be used by the university only for the purpose or purposes for which they were provided.

(3) Where requested education records include information on more than one student, the student making the request shall be entitled to inspect, review or be informed of only the specific portion of the record about that student.

(4) A student may not inspect and review education records that are or contain financial records of his or her parents.

(5) Students may obtain copies of their education records. Charges for copies shall not exceed the cost normally charged by a University of Washington copy center (except in cases where charges have previously been approved for certain specified services).

(a) The university may refuse to provide copies of education records including transcripts and diplomas in the following circumstances:

(i) If the record is a secure exam as determined by the department that maintains the exam, so that the integrity of such exams may be protected;

(ii) If the student has outstanding debts owed to the university, so that the university may facilitate collection of such debts;

(iii) If disciplinary action is pending or sanctions are not completed.

(b) The university must provide copies of education records, subject to the provisions of (a) of this subsection, in the following circumstances:

(i) If failure to do so would effectively prevent the student from inspecting and reviewing a record;

(ii) When records are released pursuant to a student's consent and the student requests copies; and

For purposes of this subsection, "final results" means the name of the student perpetrator, the violation committed, and any sanction imposed by the university on that student. Names of other students involved in the violation, such as a victim or witness, will be released only with the written consent of that other student or students.

(i) For the purpose of (g) and (h) of this subsection, a "crime of violence" means:

The request for education records must be accompanied by a copy of the death certificate or obituary. Absent approval from the family or representative of the estate, directory information only will be released to persons upon request.

(2) Where the consent of the student is obtained for the release of education records, it shall be in writing, signed and dated by the student, or through the use of computer technology if the identification of the requesting student can be verified by the university, and shall include:

The university need not maintain a log of releases made to university officials who have been determined to have a legitimate educational interest; releases to the student; releases made pursuant to a student's written consent, or releases of directory information only. The log of disclosure may be inspected and reviewed by the student, the university official responsible for the custody of the records, and other authorized parties.

(4) Education records, other than directory information, released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released to any other parties without obtaining consent of the student and must be destroyed when no longer needed for the purposes for which it was provided. Third parties and their agents may use such information only for the purposes for which it was released.

WAC 478-160-055 Admission to specific major degree programs. Undergraduate and postbaccalaureate applicants who are qualified for admission to the university are required to enter one of the university's colleges or schools. Applicants may indicate, at the time they make application, the major degree program of their choice. In such cases, applicants may be offered admission to the university in the college of arts and sciences as premajors.

In order to be considered for admission in the degree program of their choice, at a later date, such students may be required to submit a supplemental application and present additional information to the appropriate academic department or unit.

Examples of the information which might be considered may include but are not necessarily limited to the following: Achievement of at least sophomore or junior standing, grade point average, successful completion of elementary courses in the field, an audition, samples of previous accomplishments, recommendations, and test scores.

Although criteria for acceptance may vary from department to department, they are binding if all of the following conditions have been met:

(1) They are the result of action by the faculty of the department concerned and have been approved by the dean of that school or college, the faculty council on academic standards, and the president of the university.

(2) They apply to all students seeking admission to the degree program at a particular time.

WAC 478-160-163 Waivers of tuition and fees. (1)

The board of regents is authorized to grant tuition and fee waivers to students pursuant to RCW 28B.15.910 and the laws identified therein. Each of these laws, with the exception of RCW 28B.15.543 and 28B.15.545, authorizes, but does not require, the board of regents to grant waivers for different categories of students and provides for waivers of different fees. The board of regents must affirmatively act to implement the legislature's grant of authority under each individual law. A list of waivers that the board has implemented can be found in the *University of Washington General Catalog*, which is published biennially. The most recent list may be found in the online version of the *General Catalog* at www.washington.edu/students/reg/tuition_exempt_reductions.html.

(2) Even when it has decided to implement a waiver listed in RCW 28B.15.910, the university, for specific reasons and a general need for flexibility in the management of its resources, may choose not to award waivers to all students who may be eligible under the terms of the laws. Where the university has chosen to impose specific limitations on a waiver listed in RCW 28B.15.910, those limitations are delineated in subsection (5) of this section. If the university has not imposed specific limitations on a waiver listed in RCW 28B.15.910, the waiver is not mentioned in subsection (5) of this section. The university's description of the factors it may consider to adjust a waiver program to meet emergent or changing needs is found in subsection (7) of this section. All waivers are subject to subsection (7) of this section.

(3) The board of regents also has the authority under RCW 28B.15.915 to grant waivers of all or a portion of operating fees as defined in RCW 28B.15.031. Waiver programs adopted under RCW 28B.15.915 are described in the *General Catalog*. The most recent list may be found in the online version of the *General Catalog* at www.washington.edu/students/reg/tuition_exempt_reductions.html. Waivers granted under RCW 28B.15.915 are subject to subsection (7) of this section.

(4) Waivers will not be awarded to students participating in self-sustaining courses or programs because they do not pay "tuition," "operating fees," "services and activities fees," or "technology fees" as defined in RCW 28B.15.020, 28B.15.031, 28B.15.041, or 28B.15.051, respectively.

(5) Specific limitations on waivers are as follows:

(a) Waivers authorized by RCW 28B.15.621 (2)(a) for eligible veterans and National Guard members, shall be awarded only to undergraduate students pursuing their first bachelor's degree to a maximum of 225 college-level credits,

including credits transferred from other institutions of higher education.

(b) Waivers authorized by RCW 28B.15.621 (2)(b) and (c) for children or spouses of eligible veterans and National Guard members who became totally disabled, or lost their lives, while engaged in active federal military or naval service, or who are prisoners of war or missing in action, shall be awarded only to undergraduate students pursuing their first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(c) Waivers of nonresident tuition authorized by RCW 28B.15.014 for university faculty and classified or professional staff shall be restricted to four consecutive quarters from their date of employment with the University of Washington. The recipient of the waiver must be employed by the first day of the quarter for which the waiver is awarded. Waivers awarded to immigrant refugees, or the spouses or dependent children of such refugees, shall be restricted to persons who reside in Washington state and to four consecutive quarters from their arrival in Washington state.

(d) Waivers authorized by RCW 28B.15.380 for children of police officers or fire fighters who are deceased or permanently disabled, shall be awarded only to undergraduate students pursuing their first bachelor's degree to a maximum of 225 college-level credits, including credits transferred from other institutions of higher education.

(e) Waivers authorized by RCW 28B.15.558 shall be awarded only to:

(i) University of Washington employees who are employed half-time or more, hold qualifying appointments as of the first day of the quarter for which the waivers are requested, are paid monthly, and, for classified staff new to the university, have completed their probationary periods prior to the first day of the quarter; or

(ii) State of Washington permanent employees who are employed half-time or more, are not University of Washington permanent classified employees, are permanent classified or exempt technical college paraprofessional employees, or are permanent faculty members, counselors, librarians or exempt employees at other state of Washington public higher education institutions.

(6) To qualify an individual as an "eligible veteran or National Guard member," the person seeking the waiver must present proof of domicile in Washington state and a DD form 214 (Report of Separation) indicating their service related to specific United States military operations or campaigns fought on foreign soil or in international waters.

(7) The university may modify its restrictions or requirements pursuant to changes in state or federal law, changes in programmatic requirements, or in response to financial or other considerations, which may include, but are not limited to, the need to adopt fiscally responsible budgets, the management of the overall levels and mix of enrollments, management initiatives to modify enrollment demand for specific programs and management decisions to eliminate or modify academic programs. The university may choose not to exercise the full funding authority granted under RCW 28B.15.910 and may limit the total funding available under RCW 28B.15.915.
