Any other organization of academic employees desiring to be designated as the majority organization representing such employees shall, within seven days after publication of such notice by the board of trustees of Community College District No. 6, file with the board of trustees a request in writing that its name be included on the ballot in the election to be held together with written proof of at least ten percent representation of the academic employees of the district. The request by this organization shall be submitted to the same neutral person or association designated pursuant to WAC 132F-112-006 who shall rule according to the criteria stated therein as to each request received pursuant to this section. No organization shall be permitted to have its name placed on the ballot used in the election unless such a request has been received within seven days after the publication of the notice that an election will be held.

[Order 3415, § 132F-112-009, filed 4/27/72.]

At the time of the election the name of each employee voting shall be recorded by his signature written beside his name on the voting list for the polling place at which he votes. Each academic employee may cast only one ballot in any election held pursuant to these rules, and the presence of a signature beside the name of an employee desiring to vote shall automatically constitute grounds for challenge to his right to cast a ballot in an election.

[Order 3415, § 132F-112-024, filed 4/27/72.]

WAC 132F-112-027 Incorrectly marked ballot. Any voter who incorrectly marks his ballot may obtain a new ballot by returning the incorrectly marked ballot to the chief election officer's inspector. WAC 132F-112-039 Employees present entitled to vote—Sealing ballot box—Unused ballots.

[Order 3415, § 132F-112-039, filed 4/27/72.]

The challenged ballots previously placed in separate envelopes shall be placed in a sealed envelope marked "challenged ballots" and sent along with the tally sheet to the chief election officer. The challenged ballots shall not be opened or counted unless the counting of such ballots might affect the results of the election. If the challenged ballots might affect the results of the election, the chief election officer shall conduct an investigation into, or if necessary a formal hearing on, the validity of the challenges made. If he concludes that the challenge was properly made, that ballot shall be excluded from the count. Otherwise, such ballot shall be counted as cast.

[Order 3415, § 132F-112-045, filed 4/27/72.]

WAC 132F-112-048 Counting of ballots—Procedure—Certification of results of election—Retention of ballots—Signed voting lists.

When ballot boxes from all voting places have been received by the chief election officer's inspector, he shall open them and thoroughly mix all ballots cast so that it is impossible to identify the polling place from which any particular ballot came. The ballots cast shall be separated into the categories as they have been cast for organizations participating in the election, for no organization, and void ballots which are unintelligible or for an organization not participating in the election. The ballots in these categories shall be counted by the chief election officer with the assistance of such of his election inspectors as shall be necessary in the presence of the inspectors for the organizations participating in the election. After the ballots have been so counted each inspector designated by the organizations to serve at the community college district office shall

indicate by his signature upon the tally sheet that he agrees with the count made, or in case of disagreement, he shall write a short statement of his grounds for disagreement with the count. The chief election officer shall certify to the board of trustees the results of the election within forty-eight hours after the polls have been closed. The used ballots, the unused ballots, the challenged ballots, and the signed voting lists of eligible academic employees shall be kept by the chief election officer or some person designated by him for one year after the election.

[Order 3415, § 132F-112-048, filed 4/27/72.]

WAC 132F-112-051 Electioneering within the polls forbidden. No election signs, banners, or buttons shall be permitted in the room in which the balloting takes place, nor shall any person in that room discuss the advantages or disadvantages of representation by an organization whether on the ballot or otherwise, nor shall any person in that room engage in any other form of electioneering.

[Order 3415, § 132F-112-051, filed 4/27/72.]

WAC 132F-112-054 Contest of election—Time for filing objections—Investigation of objections. Any organization, the name of which appears on the ballot, or any academic employee may within five days after the certification of the results of an election under the provisions of WAC 132F-112-048, file objections to the conduct of the election with the chief election officer designated by the board of trustees pursuant to WAC 132F-112-012. The election officer shall investigate such objections and, if necessary, hold formal hearings thereon. He shall report thereon to the board of trustees. If the board of trustees shall conclude that the conduct objected to may have improperly affected the results of the election, it shall order a new election. Otherwise, it shall overrule the objections and the results of the election shall be considered final. Objections to the conduct of the election which are not filed in accordance with the provisions of this section shall be waived and of no effect.

[Order 3415, § 132F-112-054, filed 4/27/72.]

112-003 through 132F-112-063 shall be recognized as representing the academic employees of Community College District No. 6 pursuant to chapter 196, Laws of 1971 ex. sess. If more than one organization of academic employees has participated in an election and a majority of the valid votes cast have not been either for representation by one of the organizations or for no representation, a runoff election shall be held. In such a runoff, only those two choices receiving the highest number of valid votes cast in the initial election shall appear on the ballot.

[Order 3415, § 132F-112-060, filed 4/27/72.]

(1) The terms "college" and "campus" are used interchangeably, and each refers to any of the district's three colleges, North Seattle Community College, Seattle Central Community College, and South Seattle Community College. The Seattle Vocational Institute is considered to be part of Seattle Central Community College.

(2) "Day" means calendar day, unless specified otherwise, and deadlines shall be computed in accordance with WAC 10-08-080.

(3) "District" means the sixth state college district, the district administrative offices (Siegal Center), North Seattle Community College, Seattle Central Community College, South Seattle Community College, the Seattle Vocational Institute, and/or every other District VI educational facility, each separately and all together.

(4) "District community" includes, but is not limited to, the district itself and all enrolled students, employees, officers, and invitees of the district.

(5) "District property" includes all real property, buildings, and other facilities that are owned, leased, or controlled by the district or by the state for district purposes.

(6) "Vice-president for student services" means the person whom a college president has appointed to that position or has otherwise designated to perform the functions ascribed to that position in this chapter.

(7) An action or activity that may be authorized or taken by the district chancellor, a vice chancellor, a campus president, or a campus vice-president may also be authorized or taken by any other person whom that officer has specifically designated to perform that function on his/her behalf, but this officer retains responsibility for the function.

(8) After the adoption of these rules, if a statute or rule to which they refer is re-numbered or otherwise amended, these rules shall be interpreted to the fullest extent possible to incorporate such amendment while still giving effect to their original purposes.

WAC 132F-121-020 Student rights, freedoms, and responsibilities.

(1) Preamble. As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in an independent search for truth. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility. The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the district community.

(2) Classroom freedom of expression. The district recognizes the rights of students to freedom of discussion and free expression of views. However, students' rights of classroom expression do not include expressions or conduct which create a hostile educational environment or violate chapter 49.60 RCW or other applicable law. It is the responsibility of the instructor to insure and encourage the realization not only of the fact but of the spirit of free inquiry. Instructors have the responsibility to maintain order, but this authority shall not be used to inhibit the expression of views contrary to their own. Students have the right to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they cannot do so in a disruptive manner that interferes with the educational process. Students are responsible for learning the content of any course of study for which they are enrolled. It also is the responsibility of the student to comply with the instructor's efforts to assure freedom of expression and to maintain order.

(3) Protection against improper evaluation. Instructors shall give their students fair and consistent evaluations of the students' course performance. Toward this end, instructors are also responsible for establishing appropriate standards of

academic performance for each course. Fair and consistent grading is a legitimate classroom experience.

(4) Protection against improper disclosure. Information about student views, beliefs, and political associations which is acquired by instructors in the course of their work as faculty or advisors, under circumstances which clearly indicate that it is intended to be confidential, shall be treated as confidential and shall not be disclosed to others, unless it relates to the apparent or intended commission of a crime or disclosure is required by law. Protection against improper disclosure of student education record information is a serious professional obligation incurred by the teaching profession and district administrators. However, evaluations of student ability and character may be provided to third parties with the student's consent or in accordance with applicable law.

(5) Nonacademic expression and inquiry. Students and student organizations are free to examine and to discuss all questions of interest to them and to express opinions publicly and privately, in accordance with law. They are free to support causes by orderly and lawful means which do not disrupt the operation of the institution and which comply with the district's policies regarding these activities.

(6) The district shall respect students' right to privacy. It will not inquire into the off-campus activities of its students without legal justification.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-020, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-030 Student organizations. (1) Student organizations may be established and recognized whether their aims are educational, cultural, recreational, social, athletic, religious, political, or economic. Affiliation with an external organization shall not in and of itself disqualify a campus-based student organization from recognition. Membership in a student organization shall be open to any student who subscribes to the stated aims of the organization. To operate as such, a student organization must be recognized by the approved student government organization. The student organization shall abide by all governing federal and state laws and district and campus rules, policies and procedures.

(2) A college may require, as a condition of access to campus funds and/or facilities, demonstration or proof of the student enrollments of a student organization's members. However, any list of members compiled for such purposes shall not be publicly disclosed except in accordance with applicable law. A college may, in its discretion, permit others, such as students' spouses, to participate in a student organization's activities under appropriate conditions.

(3) Each year, before a student organization may be recognized or function as such, or may use services and activities funds, a college employee must agree to serve as its advisor and his/her name must be provided to and approved by the vice-president for student services. No campus employee may serve as the advisor for more than two student organizations at the same time.

(4) Where funds are allocated to a student organization, financial accountability is required. Student organizations' funds shall be maintained at the college, in college accounts. The organizations shall keep detailed written records of their income and expenditures and shall assure that these can be

(2009 Ed.)

reconciled with the campus budget and accounting system. Student organizations' financial records must be made available upon request to the student government organization and to any administrative officer designated by the college president.

(5) A college president may withdraw a student organization's recognition and funding for good cause. Such cause shall include, but not be limited to, (a) failure to comply with this rule or other district requirements or (b) hazing.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-030, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-040 Journalistic freedom and responsibility. (1) A primary purpose of student publications is to promote free and responsible discussion of campus and community issues.

(2) Each campus president shall establish a board of publications composed of representatives of students, faculty, and staff. This board shall serve as the publisher of all student publications and shall have general authority over them.

(3) The board of publications may adopt, subject to modification by the campus president, such journalistic, editorial, and advertising guidelines as it deems appropriate to govern student publications. Unless specifically stated by the board and approved by the campus president otherwise, these guidelines shall be deemed to include all applicable federal and state laws, all district rules, policies and procedures, and relevant codes of journalistic, editorial and advertising ethics and practices as adopted by national trade and professional organizations, including but not limited to the *Statement of Principles* as adopted by the American Society of Newspaper Editors.

(4) Student newspapers shall be free of censorship. However, student newspapers and other student publications shall follow the board's guidelines as described above. Student editors shall be free to develop their own editorial policies within these guidelines.

(5) Staff members of student newspapers shall not be subject to arbitrary discipline or dismissal because of student, faculty, administrative or community disapproval of editorial policy or content.

(6) Good cause for discipline or dismissal of a student publication staff member shall include, but not be limited to, violation of the board's guidelines. Any discipline or dismissal of a student staff member shall be subject to review under the student complaint procedure.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-040, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-050 Student use of the district/college name. (1) No individual student, student group, or student organization may act or make any representation in the name of the district or of any campus without specific authorization from the vice-president for student services.

(2) No individual student, student group or student organization shall falsely indicate or represent that his, her, or its own position on any policy or issue is that of the district or of any campus.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-050, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-060 Student complaints generally.

(1) The procedures in this chapter are to be used for the processing and disposition of complaints by students (complainants) against college employees or other students, except to the extent that a complaint is against a college employee and the processing is dictated otherwise by a collective bargaining agreement or other applicable process. These procedures are available to all students and are intended to protect the rights of both the complainant and the respondent.

(2) For the purposes of this chapter, a "complaint" is a good faith claim, based on personal knowledge, that the respondent employee or student (a) has violated a specific legal or district requirement or has otherwise acted without reasonable care (b) on district property or during an event or activity that the district conducts, participates in, or sponsors, (c) in a manner that had or has a significant detrimental effect on the complainant. However, an objection to disciplinary action under the student conduct code is only appealable under that code, and cannot constitute a complaint.

(3) Each college president shall appoint a complaints officer to handle student complaints. This position shall be filled by an employee whose position is below the level of vice-president. The district chancellor shall designate a complaints officer to handle complaints against Siegal Center employees. If the president or chancellor determines, upon request, that the complaints officer has a disqualifying personal interest in a particular matter, he/she may appoint a substitute complaints officer for that matter.

(4) The complaints officer shall be responsible for taking appropriate actions to try to resolve complaints. Information on the identity and location of the complaints officer(s) and about this procedure shall be readily available within each college.

(5) A complaint may be initiated under either the informal process or the formal process, as set forth below.

(6) No respondent or district employee shall take adverse action or otherwise retaliate against a student because that student initiated a complaint or assisted another student with a complaint.

(7) If more than one type of complaint or more than one respondent is included in one complaint, the complaints officer may, upon request, provide for appropriate modification(s) of these procedures.

(8) If a respondent employee is unavailable, or otherwise fails or refuses to participate timely in a complaint proceeding, the respondent's supervisor may, upon request and in her/his discretion, act or designate another person to act in the complaint proceeding on that employee's behalf. However, no action by a substitute may subject the respondent employee to discipline.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-060, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-070 Informal processing of complaints. (1) This informal process is intended to facilitate prompt and amicable resolution of a complaint apart from the formal complaint process.

(2) A student who has a complaint is encouraged to discuss the matter directly with the respondent to attempt to resolve it.

(3) If the complainant believes that discussion with an employee respondent will not achieve or has not achieved a satisfactory result, the complainant may communicate about the matter with the respondent's supervisor, if any. If the complainant identifies the matter as a complaint under this procedure, the supervisor shall, within the earlier of five days following that communication or any deadline established in an applicable collective bargaining agreement, appropriately notify the respondent of the complaint. The supervisor also shall, within the earlier of fifteen days following that communication or any deadline established in an applicable agreement, meet or attempt to meet with the respondent and otherwise attempt to resolve the complaint.

(4) Any participant in the informal process may request the complaint officer's assistance in obtaining a resolution.

(5) This informal process shall be deemed to be terminated if the complainant files a timely formal complaint related to the same matter.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-070, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-080 Formal processing of complaints. (1) This formal process applies to student complaints that are made to the complaints officer in writing. The complaints officer may extend any deadline herein for good cause.

(2) To be considered under this formal process, a complaint must be filed with the complaints officer in writing within ninety days of when the complainant knew or reasonably should have known that he/she had cause for a complaint, except as otherwise provided in WAC 132F-121-090 for a grade complaint. The written complaint shall be designated as a complaint under these rules and shall fully specify the facts and other grounds on which it is based. The complainant should attach copies of relevant supporting documents when feasible.

(3) Upon receipt of the complaint, the complaints officer shall determine whether it qualifies as such. If the officer determines that it does not qualify as a complaint, she/he shall serve notice to that effect on the complainant within five days. The complainant may obtain review of that notice of complaint disqualification by filing a written request with the complaints officer under subsection (7) below.

(4) If the complaints officer determines that the complaint does qualify as such, that officer shall serve copies of the complaint and any supporting documentation on the respondent and the respondent's supervisor (if any) within five days. After service of such a copy of the complaint, the respondent shall serve a written response on the complaints officer, and a copy thereof on the respondent's supervisor (if any), within fifteen days.

(5) Within five days of service of that response, or, absent a response, within five days of when one was due, the complaints officer shall serve on the complainant either the response or a statement that none has been received, together with notice of the complainant's rights under the following subsection.

(6) Within five days of this service, if the complainant finds that the response or nonresponse is unsatisfactory she/he may serve written notice of such dissatisfaction on the complaints officer. Within five days of service of such notice,

the complaints officer shall schedule a conference and invite the complainant, the respondent, and the respondent's supervisor (if any). This conference shall be held within fifteen days of service of the complainant's notice, or as soon thereafter as feasible. During this conference the complaints officer shall try to facilitate resolution. The complaints officer shall produce a written statement summarizing this conference and serve copies on each of the invited attendees within ten days after the conference.

(7) Within five days after service of either a notice of complaint disqualification or a conference summary, the complainant may obtain review thereof by filing a written request for such review with the complaints officer. Within five days of receiving this request for review, the complaints officer shall forward it, together with the complaint and other relevant documents, either to the vice-president of instruction (if the officer determines that the complaint is predominantly an instructional matter) or to the vice-president for student services (if the officer determines that the complaint is predominantly noninstructional in nature). If the respondent is a Siegal Center employee, the complaints officer shall forward the matter to a vice chancellor.

(8) This reviewing administrator shall review the complaint and documentation, and may also interview knowledgeable persons as appropriate. The administrator should render a written decision within fifteen days after receiving the complaint and documents, or as soon thereafter as feasible. The administrator may accept, reject, or modify any of the previous action(s) in the matter, and/or take other action(s). This decision shall be in writing and shall be served on the complainant, respondent, and others deemed appropriate.

(9) This decision of the reviewing administrator shall be the final decision of the district on that complaint.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-080, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-090 Additional provisions for grade complaints. (1) For student complaints regarding grades received for course work, this section shall apply in addition to the above-described informal and formal procedures.

(2) A student may formally grieve only the final grade received in a course, but that complaint may include any or all of the components of that final grade. For a grade complaint, the respondent(s) shall be, or include, the instructor who issued the grade.

(3) Instead of the deadline in WAC 132F-121-080, a formal complaint regarding a grade must be filed not later than the last day of the quarter which follows the quarter for which the disputed grade was received, except that a complaint regarding a spring quarter grade may be filed through the last day of the following fall quarter.

(4) In specifying the facts and other grounds on which it is based, the formal complaint shall specify the grade that is being challenged and should attach copies of relevant documents. The response on behalf of the respondent shall include, to the extent feasible, the applicable evaluation criteria, copies of the course syllabus and relevant grading records, and the faculty member's explanation for the grade.

(5) Ordinarily the evaluation of course mastery is exclusively within the province of the instructor of a particular

(2009 Ed.)

course, and so a grade change may be initiated only by that instructor. However, if a formal grade complaint is ultimately reviewed by the vice-president of instruction, and she/he finds that the grade was issued for an improper reason or was arbitrary and capricious or otherwise unlawful, that vice-president may change the grade in the records of the college.

(6) Nothing in these rules shall be construed to limit the separate authority of the vice-president of instruction to change a grade when required by a judicial order or a legal settlement agreement entered into by the district, regardless of whether a complaint has been filed.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-090, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-100 Student conduct generally. (1) Pursuant to the authority granted by RCW 28B.50.140 and other applicable law, the district board of trustees hereby establishes the following rules on student conduct and student discipline as the district's student conduct code.

(2) This student conduct code applies to every person who is enrolled as a student in the district.

(3) Expectations of students. Admission to the district presumes that students will conduct themselves as responsible members of the district community. When students enroll in any of the colleges or facilities operated by the district, they assume the obligation to observe standards of conduct which are appropriate to the pursuit of their educational goals.

(4) Student responsibility. Students have the obligations to:

(a) Maintain high standards of academic and personal honesty and integrity;

(b) Respect the rights of others and cooperate with all parts of the district community to insure that such rights are guaranteed, whether or not the views of those exercising such rights are consistent with their own;

(c) Refrain from actions which would interfere with campus functions or endanger the health, safety, welfare or property of others;

(d) Comply with district rules and regulations; and

(e) Comply with duly constituted civil authority, and obey all applicable laws.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-100, filed 7/28/03, effective 8/28/03.]

(a) Forgery, alteration, or misuse of any district document, record, or instrument of identification;

WAC 132F-121-120 Instructor sanctions for course work dishonesty or classroom misconduct. (1) An instructor need not give credit for course work that is the product of cheating, plagiarism, or other dishonesty. For any act of dishonesty that occurs during an instructional course, the instructor may adjust the student's grade accordingly for the particular examination, paper, or other work product where that dishonesty occurred. Any such grade adjustment shall not limit or preclude disciplinary sanction(s) for the same act of dishonesty.

(2) An instructor may take appropriate action to maintain order and proper conduct in the classroom and to maintain the effective cooperation of students in fulfilling the objectives of the course. If a student is so disorderly or disruptive that it is difficult or impossible to maintain classroom decorum, that action may include removing that student from that day's class session.

(3) With regard to any act of course-related dishonesty, classroom misconduct, or other academic misconduct, the faculty member involved may notify his/her dean, with supporting documentation. The dean shall then determine whether to refer the matter to the vice-president for student services for possible disciplinary action.

(4) A student who has received a grade adjustment by the instructor on the basis of dishonesty may grieve that adjustment under the student complaint procedure. However, any disciplinary sanction that is imposed instead of or in addition to an instructor's grade adjustment may be imposed and reviewed only under the student disciplinary procedure.

WAC 132F-121-130 Disciplinary jurisdiction. (1) Disciplinary action may be instituted against a student for any misconduct that is a violation of this student code, regardless of whether there is a related civil or criminal court proceeding. Proceedings under these rules may precede, accompany, or follow any such court proceeding.

(2) Except as provided in subsection (3), a student is subject to disciplinary action under these rules for any act of misconduct which (a) occurs on or damages district property or (b) occurs during any event or activity that the district conducts, participates in, or sponsors, regardless of where it occurs.

(3) The district reserves jurisdiction and authority to take disciplinary action for student misconduct beyond that (2009 Ed.)

described in subsection (2) when the misconduct demonstrates such flagrant disregard for the safety or well-being of others that it endangers the district community.

WAC 132F-121-140 Initiation of discipline. (1) The vice-president for student services at each campus is responsible for investigating possible violations of this student conduct code at that campus and initiating any appropriate disciplinary actions. If that officer is a respondent in a complaint initiated by the subject student, the college president shall, upon request and when feasible, designate another person to fulfill any such disciplinary responsibilities relative to the complainant.

(2) Any member of the district community may make a complaint against a student whom she/he believes has violated this student conduct code. Such a complaint should ordinarily be filed in writing with the vice-president for student services. However, no such complaint is required in order for that vice-president to take action on any matter that comes to his/her attention.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-140, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-150 Vice-president's review and action. (1) After conducting such initial investigation of possible misconduct as she/he deems appropriate, the vice-president for student services shall meet, or make a reasonable effort to meet, with the subject student. At that meeting, or if there is no meeting in a document served on the student, the vice-president shall describe the complaint and/or information that has been received and identify the rule violations that appear to have occurred. In order that any informality not mislead the student as to the seriousness of the matter, the vice-president shall also inform the student of the sanction(s) that may be imposed for the alleged misconduct. The vice-president shall give the student an opportunity to respond to the allegations before a disciplinary decision is made.

(2) After considering the information that has been obtained through investigation and/or from the student, the vice-president may take any of the following actions:

(a) Terminate the proceeding, exonerating the student;

(b) Give any appropriate counseling or advice and then terminate the proceeding;

(c) Impose disciplinary sanction(s), subject to any right of appeal as described herein; or

(d) Refer the matter to the student conduct committee for such action as it deems appropriate. Such referral shall be in writing, to the attention of the committee chair, with a copy served on the student.

(3) A "respondent" as referred to hereinafter is a student upon whom a disciplinary sanction has been imposed or whose case has been referred to the student conduct committee.

WAC 132F-121-160 Disciplinary actions. (1) Any of the following disciplinary sanctions may be imposed for vio-

lation of one or more specified provisions of this student conduct code:

(a) Warning: Oral notice to the student of the violation(s). There shall be no appeal from a warning.

(b) Reprimand: Written notice to the student of the violation(s). A reprimand indicates, and usually states, that other or further misconduct, especially any continuation or repetition of the misconduct in question, may or will result in more serious disciplinary action. There shall be no appeal from a reprimand.

(c) Probation: Placement of one or more conditions on the student's continued attendance, as specified in the written notice to the student. The time period of the probation will ordinarily be stated in the notice; if not stated at all, or if so stated, the probation shall be for an indefinite period, concluding only with the end of the student's enrollment.

(d) Suspension from activities: Disqualification of the student, for a stated or indefinite period of time, from participation in specified (or all) privileges, services, or activities that are provided or sponsored by the district.

(e) Suspension of enrollment: Termination, for a stated or indefinite period of time, of all rights as an enrolled student in the college and/or the district, subject to the student's right to seek reinstatement as provided in WAC 132F-121-240.

(f) Expulsion: Permanent termination of a student's enrollment, and right to enroll, at any college or other educational facility in the district.

(g) Grade change: Lowering of a student's grade in a course below that awarded by the instructor.

(2) The conditions or terms of probation or suspension may include, without limitation:

(a) Restriction of future contact or communication with designated persons;

(b) Restriction of the student's access to district property; and/or

(c) Payment for personal injury, property damage, or other expenses related to the violation.

Failure to comply with a condition or term of probation or suspension shall be cause for further disciplinary sanction.

(3) A respondent's record of past misconduct may be considered in determining the appropriate disciplinary action.

(4) A summary suspension and/or an emergency suspension under WAC 132F-121-250 may be combined with or added to another suspension or an expulsion.

(5) A suspension or expulsion may include a provision stating whether all or any part of the respondent's tuition and other fees will be refunded.

(6) A disciplinary sanction, except a warning, shall be imposed through written notice served on the respondent. Each notice of disciplinary action shall state:

(a) A reasonable description of the facts on which the action is based;

(b) The provision(s) of this student conduct code found to have been violated;

(c) The sanction(s) imposed; and

(d) The respondent's right to appeal, i.e., to request an adjudicative proceeding, under these rules (except for a reprimand).

A copy of these student conduct rules should be included with the notice.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-160, filed 7/28/03, effective 8/28/03.]

WAC 132F-121-170 Appeals and referrals generally.

(1) Except as otherwise provided herein, a respondent who has received notice of disciplinary sanction(s) imposed by the vice-president for student services may appeal such sanction(s) by filing a written notice of appeal with that officer within twenty days. The notice of appeal may include any statement that the respondent wishes to make of the grounds for her/his appeal.

(2) If the vice-president has referred the matter to the student conduct committee for action, no appeal is required, but the student may file a written response with the vice-president within twenty days of service of that referral.

(3) The vice-president shall promptly transmit any notice of appeal or response to referral, together with a copy of any notification of discipline, to the chair of the student conduct committee, described below. The vice-president should serve a copy of that transmittal on the respondent.

(4) Except through a summary suspension and/or emergency suspension under WAC 132F-121-250, a respondent's enrollment status and rights as an enrolled student shall not be altered, on the basis of a disciplinary sanction imposed by the vice-president, until (a) the appeal period has run without a proper appeal being filed or (b) if there is an appeal, either that appeal has been withdrawn or the final order has been entered.

(5) If a respondent files a timely appeal of a probation or suspension that includes restrictions on contacts, communications, or campus access, the vice-president will ordinarily modify those restrictions as necessary to facilitate the respondent's preparation for the hearing.

WAC 132F-121-180 Student conduct committee.

(1) A student conduct committee at each college will hear all disciplinary cases at that college which are referred to it by the vice-president for student services or appealed to it by a student. For purposes of WAC 132F-108-020 and any other requirements, the district trustees and chancellor and each college president designate (a) the committee provided for herein to serve as presiding officer to hear the described student disciplinary matters and (b) the committee chair both to handle and decide procedural matters (as provided herein) and to preside at the hearing.

(2) This committee shall be composed of the following three members:

(a) One administrator or exempt employee, appointed by the college president;

(b) One member of the faculty, appointed by the college president; and

(c) One student, appointed by the president of the recognized student government organization.

(3) Each appointment shall be accompanied by the appointment of two alternates. Each member and alternate shall serve for the academic year or until a replacement is appointed, whichever is longer. When a member is not available for a hearing, the committee chair shall designate an alternate to replace him/her for that hearing. If a member or

alternate ceases to serve, a successor shall be promptly appointed. A member or alternate may be reappointed in any role.

(4) The administrator or exempt employee shall be the committee chair.

(5) No employee who reports to, or is subject to the authority of, the vice-president who handles student disciplinary matters may be a committee member, as further provided in RCW 34.05.458. A committee member is subject to disqualification for bias, prejudice, interest, or as further provided in RCW 34.05.425.

WAC 132F-121-190 Student conduct committee hearings—In general. (1) A respondent student has a right to a prompt, fair, and impartial hearing before the student conduct committee on a referral for, or timely appeal of, a disciplinary sanction, except as otherwise provided in these rules.

(2) Chapter 34.05 RCW and chapter 10-08 WAC govern committee proceedings and control in the event of any conflict with these rules. The district's chapter 132F-108 WAC also governs committee proceedings.

(3) The chair of the committee shall give not less than seven days advance written notice of the hearing to all parties, as further specified in RCW 34.05.434 and WAC 10-08-040 and 10-08-045. The chair may shorten this notice period if both parties agree, and also may continue the hearing to a later time for good cause.

(4) The committee chair may provide to the committee members in advance of the hearing copies of (a) the vice-president for student service's notification of imposition of discipline (or referral to the committee) and (b) the notice of appeal (or any response to referral) by the respondent. If doing so, however, the chair should remind the members that these "pleadings" are not evidence of any facts they may allege.

(5) The committee chair is authorized to conduct prehearing conferences and/or to make prehearing decisions, except as overridden by majority vote of the committee, concerning the extent and forms of any discovery, issuance of protective orders, and similar procedural matters.

(6) Upon request made at least five days before the hearing by either the respondent or the vice-president, the two of them shall exchange, no later than the third day prior to the hearing, lists of potential witnesses and copies of potential exhibits that they reasonably expect to present in their respective cases, except impeachment or rebuttal evidence. Failure to participate in good faith in such a requested exchange may be cause for exclusion from the hearing of any witness or exhibit not disclosed, absent a showing of good cause for such failure.

(7) The respondent and the vice-president may agree before the hearing to designate specific exhibits as admissible without objection and, if they do so, whether the committee chair may provide copies of these admissible exhibits to the committee members before the hearing.

(8) The vice-president shall provide reasonable assistance to the respondent, upon request, in obtaining relevant and admissible evidence that is within the college's control.

(2009 Ed.)

(9) Communications between committee members and other persons regarding any issue in the proceeding, other than procedural communications that are necessary to maintain an orderly process, are generally prohibited without notice and opportunity for all parties to participate, and any improper "ex parte" communication shall be placed on the record, as further provided in RCW 34.05.455.

(10) Each party may be accompanied at the hearing by a nonattorney assistant of his/her choice. A respondent may elect to be represented by an attorney, but will be deemed to have waived that right unless, at least four days before the hearing, written notice of the attorney's identity and participation is served on both the chair and the vice-president. If the respondent is represented by an attorney, the vice-president may also be represented by an attorney. If both the respondent and vice-president have counsel, the committee will ordinarily be advised by a separate assistant attorney general.

(2) The hearing will ordinarily be open to the public, as further provided in RCW 34.05.449. However, if the respondent requests that some or all of it be closed, pursuant to WAC 132F-108-070 and 132F-108-080 or otherwise, the chair shall determine any extent to which the hearing will be closed. If any person disrupts the proceedings, the chair may exclude that person from the hearing room.

(3) The chair shall cause the hearing to be recorded by a method that he/she selects, in accordance with RCW 34.05.449. That recording, or a copy, shall be made available to the respondent upon request. The chair shall assure maintenance of the proceeding record that is required by RCW 34.05.476, which shall also be available upon request for inspection and copying by the respondent. Other recording shall also be permitted, in accordance with WAC 10-08-190.

(4) The chair shall preside at the hearing and decide procedural questions that arise during the hearing, except as overridden by majority vote of the committee.

(5) The vice-president for student services (unless represented by an attorney) shall present the case for disciplinary action. The facts justifying any such action must be established by a preponderance of the evidence.

(6) All testimony shall be given under oath or affirmation. Evidence shall be admitted or excluded in accordance with RCW 34.05.452.

[Statutory Authority: RCW 28B.50.100, [28B.50].130, and/or [28B.50].-140. 03-16-015, § 132F-121-200, filed 7/28/03, effective 8/28/03.]

[Title 132F WAC—p. 21]

party to propose findings, conclusions, and/or an order for its consideration.

(2) Within thirty days following the later of the conclusion of the hearing or the committee's receipt of closing arguments, the committee shall issue an initial order in accordance with RCW 34.05.461 and WAC 10-08-210. This order shall include findings of fact on all material issues of fact and conclusions of law on all material issues of law - including which, if any, specific provisions of the student conduct code were violated. Any findings based substantially on the credibility of evidence or the demeanor of witnesses shall be so identified.

(3) The committee's order shall also include a determination on appropriate discipline, if any. If the matter was a referral from the vice-president, the committee shall determine any disciplinary sanction. If the matter was an appeal by the respondent, the committee may affirm, reverse, or modify the discipline imposed by the vice-president and/or impose any other disciplinary sanction authorized herein.

(4) The committee chair shall cause copies of its order to be served on the respondent, the vice-president, the college president, and any legal counsel who have appeared. The committee chair shall also promptly transmit the record of the committee's proceedings to the college president.

(2) If either the respondent or the vice-president for student services wishes to file written argument with the president, she/he must file that argument and serve a copy on the other within fifteen days after service of the committee's order. Within seven days after service of any such argument, the other party may file and serve a written response. The president shall have discretion to modify these deadlines and/or to allow oral arguments. However no new evidence, not already part of the record, may be introduced in any argument, except as expressly authorized by the president upon a showing of compelling legal justification and after any appropriate fact-finding.

(3) The president shall personally consider the whole record or such portions of it as may be cited by the parties. A party's failure to present any argument shall mean that the party is citing "none" of the record.

(4) If the committee's order includes a provision for expulsion, the president must consult with and obtain the agreement of the district chancellor. If the committee's order includes a provision for suspension from any other college(s) of the district, the president must consult with and obtain the agreement of the president(s) of such college(s).

(5) Within ninety days following the later of the conclusion of the hearing or the committee's receipt of closing arguments, the president shall either remand the matter for further proceedings, with instructions to the committee, or enter a final order in the matter. The president shall have all of decision-making power that he/she would have had if presiding over the hearing, including the power to affirm, reverse, or modify any disciplinary sanction.

[Title 132F WAC—p. 22]

(6) The president's final order shall include, or incorporate by reference to the committee's initial order, all matters required by RCW 34.05.461, in accordance with RCW 34.05.464. It shall also include notice to the respondent of his/her right to seek judicial review under RCW 34.05.510 et seq.

(2) A summary suspension may be imposed when necessary to prevent or avoid immediate disruption, danger, or other harm to the educational process or to the health, safety, or welfare of any member(s) of the public, including the district community. WAC 132F-136-010 Use of college facilities. Because the Seattle Community College is an educational institution provided and maintained by the people of the state, its campus, buildings, properties, and facilities shall be reserved at all times for those activities which either are related directly to its educational mission or are justifiable on the basis of their contributions to the cultural, social, or economic development of the state.

[Order 3, § 132F-136-010, filed 9/20/72.]

WAC 132F-136-020 Limitation of use to school activities. The college buildings, properties, and facilities, including those assigned to student programs, may be used only for:

(1) The regularly established teaching, research, or public service activities of the college and its departments or related agencies.

(2) Cultural, educational, or recreational activities of the students or of the faculty or staff.

(3) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(4) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation.

(5) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(6) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. In conformance with state guidelines, the appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration or the board of trustees, whether implicit or explicit, of the speaker's views.

(7) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with published college regulations and on the basis of time, space availability, priority of request and the demonstrated needs of the individual, group or organization.

(8) Use of space shall not interfere with regularly scheduled classes or activities. Physical abuse of assigned facilities may result in limitation of future allocation of space to the offending parties. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting. If any charge or collection of funds is contemplated, advance permission from the party giving authority for space allocations will be required.

[Statutory Authority: RCW 28B.19.030 and 28B.50.140. 81-12-008 (Order 38), § 132F-136-020, filed 5/27/81; Order 35, § 132F-136-020, filed 11/21/77; Order 3, § 132F-136-020, filed 9/20/72.]

WAC 132F-136-030 Limitation of use. (1) Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, research, or public service programs.

(2) In general, the facilities of the college shall not be rented to, or used by, private or commercial organizations or associations, nor shall the facilities be rented to persons or organizations conducting programs for private gain.

(3) College facilities may not be used for commercial sales, advertising, or promotional activities except when such activities clearly serve educational objectives (as in display of books of interest to the academic community or in the display or demonstration of technical or research equipment) and when they are conducted under the sponsorship or at the request of a college department, administrative office or student organization.

(4) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities.

(5) Activities of commercial or political nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside rooms or facilities to which access has been granted.

(6) College facilities are available to recognized student groups, subject to these general policies and to the rules and regulations of the college governing student affairs.

(7) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful in character may be distributed only in designated areas on the campus where, and at times when, such distribution shall not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by

the designated administrative officer and regulated by established guidelines shall not be construed as support or approval of the content by the college community or the board of trustees.

(8) Use of audio amplifying equipment is permitted only in locations and at times that will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(9) No person or group may use or enter onto college facilities having in their possession firearms, even if licensed to do so, except commissioned police officers as prescribed by law.

(10) The right of peaceful dissent within the college community shall be preserved. The college retains the right to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is an illegitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(11) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(12) Peaceful picketing and other orderly demonstrations are permitted in public areas and other places set aside for public meetings in college buildings. Where college space is used for an authorized function, such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities, groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(13) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might be available through local law enforcement agencies.

WAC 132F-136-040 Administrative control. WAC 132F-136-050 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the campus president, or his designee, to leave

the college property. Such a request will be deemed to prohibit the entry of, withdraw the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave, and subject such individuals to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accord with established college policies.

(3) Persons who violate or are in violation of a district policy may have their license or privilege to be on district property revoked and be ordered to withdraw from and refrain from entering upon any district property. Remaining on or reentering district property after one's license or privilege to be on district property has been revoked shall constitute trespass and such individual shall be subject to arrest for criminal trespass.

WAC 132F-148-010 Policy statement. The policy of Seattle Community College District (SCCD) is to provide equal opportunity to all its employees and applicants for employment, and to assure that there is no discrimination against any persons on the grounds of race, ethnicity, creed,

(2009 Ed.)

color, religion, national origin, age, gender, sexual orientation, marital status, or the presence of any physical, sensory, or mental handicap, except where a disability may impede performance to an acceptable level. However, reasonable accommodations will be made for known physical or mental limitations for all otherwise qualified persons of disability. The Seattle Community College is committed to affirmative action for Asians, Blacks, Hispanics, Native Americans, women, persons between the ages of 40 and 70, persons of disability, and disabled and Vietnam-era veterans. This policy extends to all areas of employment and to all relations with employees including recruitment, selection and placement, compensation, promotion and transfer, disciplinary measures, demotions, layoffs and terminations, testing and training, daily working conditions, awards and benefits, and other terms and conditions of employment.

The importance of fulfilling this policy is given top priority consideration in the day-to-day operations of the SCCD. All employees have been, and will continue to be, made aware that any violations of this policy by an employee shall result in appropriate disciplinary action, including termination, if warranted.

Affirmative action is a priority in the district because it insures equal employment opportunities for all applicants, while also assisting in ways to hire underrepresented groups in the district's labor force.

The successful implementation of this policy will depend upon a cooperative spirit and commitment to achieve the goals set forth. The district will work with the district minority task forces and the greater Seattle communities in seeing that the SCCD affirmative action plan/program, which is updated annually and included in the appendices of this manual, is implemented in a responsible and conscientious manner.

[Statutory Authority: Chapter 28B.50 RCW. 87-08-026 (Order 49, Resolution No. 1987-6), § 132F-148-010, filed 3/26/87; 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-010, filed 6/19/85; Order 5, § 132F-148-010, filed 11/13/72.]

WAC 132F-148-020 Action plan. The SCCD affirmative action plan calls for the following actions which are designed to insure equal employment opportunity.

(1) Internal dissemination of the affirmative action policy and plan.

(a) The SCCD affirmative action plan will be updated annually. Campus presidents will insure that all personnel are aware of the policy and plan. Also, employees must be advised that they may review and/or request a copy of the entire plan.

(b) The equal employment/affirmative action policy will be an integral part of the new employee orientation.

(c) The SCCFT and the campus-wide bargaining unit will be provided with a copy of the annual SCCD affirmative action plan.

(d) The plan will be published in the district newsletter, *Pacer*, which is distributed to all employees and made available to student publications.

(e) It will be available in the library of each campus and in the president's office on each campus, as well as in the chancellor's office and the district personnel office.

(f) A copy of the SCCD affirmative action plan will be distributed to each administrator.

(2) External dissemination of the affirmative action policy and plan.

(a) Each interested agency, public and private, in the Seattle community.

(b) Each designated bargaining agent.

(c) Suppliers, contractors, and vendors with whom the district does business.

(d) Potential vendors with all requests for bids.

(e) The state board for community college education.

(f) The higher education personnel board.

[Statutory Authority: Chapter 28B.50 RCW. 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-020, filed 6/19/85; Order 5, § 132F-148-020, filed 11/13/72.]

WAC 132F-148-030 Responsibility for program implementation. Responsibility for the implementation of the affirmative action program rests with the chancellor for the district as a whole and with the president of each campus.

(1) The chancellor's responsibilities are to:

(a) Review the SCCD affirmative action plan with each president as part of the performance evaluation process.

(b) Carry out the responsibilities for implementation of the affirmative action plan for the district office as described below for each president.

(2) The president's responsibilities are to:

(a) Insure that all campus administrators and supervisors are aware of the affirmative action policy and plan and take it into consideration in day-to-day operations.

(b) Insure that hiring and promotion patterns are monitored so that protected group members are given full consideration.

(c) Insure that facilities are comparable for both sexes and are accessible to handicapped persons.

(d) Insure that protected group members are afforded full opportunity and are encouraged to participate in college-sponsored education and training programs.

(e) Designate a specific individual to be responsible for the supervision and monitoring of affirmative action efforts in that organizational unit. These designates are: North campus - dean of students, central campus - director of graphics and media, south campus - executive assistant to the president.

(f) Insure adequate representation of protected group members on selection committees.

(3) The vice-chancellor, human resources responsibilities are to:

(a) Design and implement audit and reporting systems that will: (i) Measure the effectiveness of the program, (ii) indicate need for corrective action, and (iii) determine degree to which goals and objectives have been attained.

(b) Develop policies and procedures related to equal employment opportunity and affirmative action for review, approval, and action by the chancellor's cabinet and board of trustees.

(c) Serve as liaison between the district and compliance agencies, organizations for minority, women, Vietnam veter-

ans, disabled veterans, handicapped persons, and with other such community and municipal action programs.

(d) Keep management informed of current developments in areas related to affirmative action and equal employment opportunity.

(e) Develop and maintain internal and external communication systems.

(f) Assist in the identification of problem areas.

(g) Ensure proper dissemination of information contained in the affirmative action plan to all employees, supervisors/managers and other interested parties.

[Statutory Authority: Chapter 28B.50 RCW. 87-08-026 (Order 49, Resolution No. 1987-6), § 132F-148-030, filed 3/26/87; 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-030, filed 6/19/85; Order 5, § 132F-148-030, filed 11/13/72.]

WAC 132F-148-040 Recruitment plan. (1) Recruitment for minority, female, and handicapped applicants for SCCD employment is the primary responsibility of each campus and the district personnel department as indicated below:

(2) The district personnel department can assist campuses in the recruitment process by:

(a) Providing possible recruitment sources, and providing copies of the district mailing list;

(b) Contacting employment sources with which the SCCD affirmative action plan has a referral arrangement;

(c) Participating in campus recruitment efforts;

(d) Advertising in minority newspapers.

(e) Identify underutilization and target recruitment by personal contacts with individuals and agencies.

(f) Analyze recruitment effort and applicant flow to determine weak areas in the recruitment program.

[Statutory Authority: Chapter 28B.50 RCW. 87-08-026 (Order 49, Resolution No. 1987-6), § 132F-148-040, filed 3/26/87; 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-040, filed 6/19/85; Order 5, § 132F-148-040, filed 11/13/72.]

WAC 132F-148-050 Goals and procedure for implementation. The goals/availability percentages are converted into realistic projections of the number of underrepresented groups' members the campuses seek to hire given the vacancies, availability, and affirmative action efforts they are willing to undertake. Under this system of numerical goal setting, a campus is never required to hire persons who do not have the qualifications needed to perform in preference to another applicant who is qualified. Goals recognize that persons are to be judged on individual ability and, therefore, are consistent with the principles of equal employment opportunity.

When a vacancy occurs, the district personnel office and/or campus affirmative action officers will review the utilization analysis tables. Specifically, the underutilization FTEs portion of the table will indicate the number of FTEs required to achieve yearly goals. These tables will be revised by the district personnel department on a monthly basis to reflect new hires, terminations and promotions. Selective certification will be utilized for underrepresented groups when classified employee groups are involved. Recruitment and outreach efforts should also be employed to correct underutilization in faculty and administrators.

The district has an affirmative action plan that has realistic goals that are attainable. It is the intent of this plan that the district personnel department and each campus will carefully monitor hiring practices to insure that every effort is made towards responsibly reaching the goals.

[Statutory Authority: Chapter 28B.50 RCW. 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-050, filed 6/19/85; Order 5, § 132F-148-050, filed 11/13/72.]

WAC 132F-148-060 Personnel policies relative to affirmative action. (1) Age discrimination. Seattle Community College District will provide equal opportunity for all persons without regard to age. The district does not discriminate on the basis of age in any employment practices including hiring, promotion, demotion, transfer, recruitment, layoff and return from layoff, termination, fringe benefits, selection for training, and other terms of employment.

Further, the district does not specify a minimum or maximum age requirement on its advertisements for employees except upon the basis of a bona fide occupational qualification, retirement plan, or statutory requirement.

(2) Employment of Vietnam era veterans and disabled veterans. Seattle Community College District does not discriminate against Vietnam era veterans or disabled veterans in any employment practices including but not limited to hiring, promotion, demotion, transfer, compensation, layoff, fringe benefits, selection for training, and other terms and conditions of employment. Advertisements for positions are sent to all relevant offices and agencies.

(3) Employment of disabled persons. Seattle Community College District does not discriminate against any employee or applicant for employment because of a disability with regard to any position for which the employee or applicant is qualified. Further, the district does not discriminate against disabled persons with regard to promotion, demotion, transfer, layoff or return from layoff, termination, compensation, fringe benefits, training opportunities, and other terms and conditions of employment.

The district will make reasonable accommodations within budgetary limits for those who are disabled to allow them to perform the duties of the jobs for which they are qualified.

Several on-going efforts are aimed at insuring nondiscrimination for disabled persons:

(a) Evaluation of physical accommodations to assure that they are accessible.

(b) Review of faculty and administrative job requirements to assure that they are job-related and do not screen out qualified disabled applicants.

(c) Review of administrative job descriptions to assure that they are accurate and are not written to exclude qualified disabled applicants.

(d) Periodic articles in district publications related to legal and other aspects of the employment of disabled persons.

[Statutory Authority: Chapter 28B.50 RCW. 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-060, filed 6/19/85; Order 5, § 132F-148-060, filed 11/13/72.]

WAC 132F-148-070 Formal complaint procedure. Any individual who feels she/he has been discriminated

(2009 Ed.)

against on the basis of race, color, religion, handicap, national origin, age or sex either by the district or by an individual employee of the district may file a formal complaint. Such a complaint may be filed through existing grievance procedures (where applicable), directly with the individual responsible for affirmative action in each organizational unit or with the district personnel director. A formal complaint may be filed either following or instead of any informal attempt at resolution. Individuals with complaints are encouraged to follow the procedures outlined herein prior to contacting any outside enforcement agency.

The complainant should be advised of his/her right to file a complaint with the Washington state human rights commission, Seattle human rights department, equal employment opportunity commission, Office of Federal Contract Compliance, or the Office of Civil Rights. However, complainants are encouraged to use the internal grievance procedures to resolve complaints.

Complaints filed with persons responsible for affirmative action shall be processed as follows:

(1) Complaints shall be in writing, shall contain specific information and shall be promptly investigated by the appropriate administrator.

(2) Response shall be made to the complainant in writing, within 15 working days of receipt of the complaint.

(3) Copies of both the complaint and the response shall be forwarded to the relevant appointing authority.

(4) The appointing authority will respond in writing to the complainant within 15 working days.

(5) Written appeal may be made to the appointing authority within 15 working days after the complainant receives the response.

(6) The appeal will be investigated and final response made by the appointing authority within 15 working days.

(7) Written appeal may be made to the chancellor (if the appointing authority is not the chancellor) who shall then investigate and respond to the complainant within 15 working days of receipt of the written request.

[Statutory Authority: Chapter 28B.50 RCW. 85-13-076 (Order 47, Resolution No. 1985-17), § 132F-148-070, filed 6/19/85; Order 5, § 132F-148-070, filed 11/13/72.]

WAC 132F-164-010 Promulgation. Pursuant to the authority granted by RCW 43.19.190 and chapter 34.04 RCW the Seattle Community College District hereby promulgates the following rules and regulations with respect to bidding, bids, and contracts.

[Order 11, § 132F-164-010, filed 4/19/73.]

WAC 132F-164-020 Bids. A bid describes the requirement of the district accurately and completely in an attempt to describe materials in such a way as to enhance competition. Bids will be prepared in such a way as to avoid unnecessary restrictive specifications or requirements. Insofar as practicable, competitive formal sealed bids shall be used as standard procedures for all purchases, utilizing the following guidelines:

(1) Items to be purchased at any one time are greater than \$500.

(2) There are sufficient qualified bidders to enable competitive pricing.

(3) The requirements of the purchaser can be described clearly, accurately, and completely.

(4) There is sufficient time to process the bid.

[Order 11, § 132F-164-020, filed 4/19/73.]

WAC 132F-164-030 Bid forms. Bid documents, depending on materials to be purchased, may vary. As a general practice, however, all bids as received from vendors shall be filled out in ink or by typewriter and they must be signed by an authorized representative. Unsigned bids will be rejected at the time of bid opening. Bids may include, but are not limited to the advertisement to the bid, the invitation to bid, the specifications and divisions thereof, instructions to bidders, general terms and conditions, special conditions, technical specifications, and any addenda issued thereto.

[Order 11, § 132F-164-030, filed 4/19/73.]

WAC 132F-164-040 Bid lists. Bid lists for various commodities may be maintained by the district, and this information may be exchanged between state agencies and institutions. (Note: It is obvious that for geographical reasons, some vendors names will appear on bid lists of some institutions and not on others, so that the addition or deletion of names from a bid list will consider biographical advantages as well as competitive advantage.)

[Order 11, § 132F-164-040, filed 4/19/73.]

WAC 132F-164-050 Opening of bids. An official bid opening officer will pick up the days bids to be opened from the bid clerk, proceed to the bid room at the designated opening time and, along with an assistant or witness, open each bid envelope for a particular bid.

[Order 11, § 132F-164-050, filed 4/19/73.]

WAC 132F-164-060 Receipt and safeguard of bids. All bids will be received by the designated bid clerk, immediately date-stamped and filed appropriately. Should a bid be received that is not in a properly identifiable envelope and inadvertently opened, the bid will be immediately resealed by the person opening the bid, dated and signed.

[Order 11, § 132F-164-060, filed 4/19/73.]

WAC 132F-164-070 Cancellation prior to opening. Should the requirements of the district change prior to the opening of the bid, the bid may be cancelled by issuing an addendum.

[Order 11, § 132F-164-070, filed 4/19/73.]

WAC 132F-164-080 Late bids. A bid that is received in the purchasing department and time-stamped after the exact time set for opening will be categorized as a "late bid." Late bids will be returned to the bidder unopened. It is the bidder's responsibility to ensure that his bid is received within the purchasing department prior to the opening time specified on the bid.

[Order 11, § 132F-164-080, filed 4/19/73.]

WAC 132F-164-090 Acceptance/rejection of bids. The district reserves the right to accept or reject bids on each item separately or as a whole, to reject any or all bids, to waive informalities, irregularities, and to contract as the best interests of the district may require.

[Order 11, § 132F-164-090, filed 4/19/73.]

[Title 132F WAC—p. 30]

WAC 132F-164-100 Miscellaneous procedures for soliciting of bids. (1) Bid time. Normally, fourteen calendar days will be allowed from the date of mailing to the bid opening date. The time for opening bids will be set by the district. No telephonic or telegraphic bids will be accepted unless noted on the bid form.

(2) The bid envelope or label provided by the district will be used. If it is not used, the required information shall be recorded on the face of the envelope by the bidder to ensure proper handling within the purchasing department.

(3) Bidders may request modification to bid specifications at any time prior to bid opening. Acceptance by purchaser of modification shall take the form of addenda issued to all bidders.

(4) Addendum to bids. If it becomes necessary to make changes in quantities, specifications, delivery schedule, opening date, etc., or to correct, such changes shall be accomplished by an addendum and all individuals receiving the original bid shall be notified. Before issuing an addendum to a bid, the time remaining until bid opening must be reviewed, and if insufficient time exists, the bid opening date will be extended.

(5) Any information given to a single prospective bidder which amends the terms and conditions of the bid shall be furnished promptly to all prospective bidders.

(6) No bid bond in the form of cash will be accepted.

[Order 11, § 132F-164-100, filed 4/19/73.]

WAC 132F-164-110 Responsiveness. A bid, to be considered for award, must comply in all material respects to the specifications and terms of that bid. Bids should be filled out, executed, and submitted in accordance with the instructions contained therein. If a bidder uses his own form or a letter to submit a bid, that offer may be considered, if the bidder accepts the original terms and conditions.

[Order 11, § 132F-164-110, filed 4/19/73.]

WAC 132F-164-120 Sealed bid formalities. Bid documents will clearly indicate that the purchaser has the right to reject any or all bids, waive informalities or irregularities with respect thereto, and to contract in the best interest of the district. The following is a list of formalities which will not be waived:

(1) Bids received after the bid opening date and time indicated on the bid document will be returned to the bidder unopened. Bids postmarked prior to bid opening time, but not received, will not be considered. Telephoned or telegraphed bids and alterations, except for unconditional withdrawals, will not be considered unless authorized in the bid terms and conditions.

(2) Bids received that have not been signed by an authorized agent.

(3) Bid bonds, if required, not included with the bid.

[Order 11, § 132F-164-120, filed 4/19/73.]

WAC 132F-164-130 Informalities or irregularities in bidding. An informality or irregularity in bidding is one which is merely a matter of form and/or is some immaterial variation from the exact requirements of the invitation for bid, having no effect (or merely a trivial or negligible effect)

on price, quantity, quality, or delivery of the desired materials and the correction or waiver of such irregularity or informality will not affect the relative standings of, or be otherwise prejudicial to bidders. The buyer shall either give the bidder an opportunity to correct any deficiency resulting from an informality or irregularity or waive any such deficiency where it is to the advantage of the institution. The following examples of informalities or irregularities may be waived:

(1) Failure to include sales brochure for complete description.

(2) Inclusion of a letter bid as well as standard invitation to bid form.

(3) Vendor's standard terms and conditions variance from agency's terms and conditions.

[Order 11, § 132F-164-130, filed 4/19/73.]

WAC 132F-164-140 Safekeeping of bids. Sealed bids, received from a bidder will be held by the purchasing department until the time and place of bid opening at which time a record of the bids received and a recap may be made.

[Order 11, § 132F-164-140, filed 4/19/73.]

WAC 132F-164-150 Mistakes in bids. The buyer shall examine all bid forms for mistakes. In cases of apparent mistakes (where the buyer has reason to believe that a mistake has been made) he shall request from the bidder a clarification, calling attention to the suspected mistake. If the bidder acknowledges a mistake, the matter shall be resolved to the satisfaction of the buyer, either by having the bidder withdraw or by acceptance.

[Order 11, § 132F-164-150, filed 4/19/73.]

WAC 132F-164-160 Use of brand names. Brand name specifications may be used only on the basis of "or equal" consideration. Brand names are to be used to establish standards of quality and are not meant to be restrictive.

[Order 11, § 132F-164-160, filed 4/19/73.]

WAC 132F-164-170 Public information. Normally, information submitted by the bidders during the bidding process shall become a matter of public record.

[Order 11, § 132F-164-170, filed 4/19/73.]

WAC 132F-164-180 Alteration of bids prohibited. Bids may not be completed, amended, or clarified on the face of the bid after the official bid opening time.

[Order 11, § 132F-164-180, filed 4/19/73.]

WAC 132F-164-190 Delivery date guarantee. A guarantee of delivery date must be specified on the invitation to bid and failure to perform in accordance with that schedule shall be a breach subject to the reimbursement to the district by the vendor for any cost, expenses, or loss sustained as a result thereof.

[Order 11, § 132F-164-190, filed 4/19/73.]

WAC 132F-164-200 Breach of contract. In the event of a breach by a vendor of any of the provisions of a contract, the district reserves the right to cancel and/or terminate the

(2009 Ed.)

contract forthwith, upon giving oral or written notice to the vendor with the right to collect a monetary sum of liquidated damages if specified in the contract.

[Order 11, § 132F-164-200, filed 4/19/73.]

(4) Administrative remedies shall not be considered exhausted until the campus president or the district president has returned the appeal form by the close of the second business day. An appeal may then be made to the board at the next scheduled board meeting.

The designated college official will discuss the complaint with the respondent with the intent that the complaint may be resolved in an informal manner based on consent of the parties concerned. Anonymity of the complainant will be protected where appropriate. In the event the severity of the case merits other intervention or is not resolved to the satisfaction of the complainant, the following procedures will be followed:

(a) The complainant shall file a written complaint with the designated college official stating the times, dates, places, and circumstances surrounding the allegations.

(b) The designated college official will notify the appropriate supervisor who will speak informally with the respondent and provide a copy of the written complaint in an effort to resolve the complaint.
