(i) Plagiarism: The unauthorized use or close imitation of the words, ideas, data, images, or product of another and the representation of them as one's own original work.

(ii) Cheating: Use or attempted use of unauthorized materials, information, or study aids; an act of deceit by which a student attempts to misrepresent academic skills or

knowledge; unauthorized or attempted unauthorized copying or collaboration.

(iii) Fabrication: Intentional misrepresentation or invention of any information, such as falsifying research, inventing or exaggerating data, or listing incorrect or fictitious references.

(iv) Collusion: Assisting another to commit an act of academic dishonesty, such as paying or bribing someone to acquire a test or assignment, or increase the score on a test or assignment; taking a test or doing an assignment for someone else; allowing someone to do these things for one's own benefit.

(v) Academic misconduct: Intentionally violating college policies, such as altering grades, misrepresenting one's identity, failing to report known incidents of academic dishonesty, or participating in obtaining or distributing any part of a test or any information about a test.

(c) Penalties for academic dishonesty.

(d) If a student is found guilty of academic dishonesty, any one or a combination of the following sanctions may be imposed by the faculty member:

(i) Verbal or written warning.

(ii) A grade of 0% (0.0) or otherwise lowered grade for the assignment, project, or test.

(e) The following sanction may be imposed by the faculty member only after a formal hearing is conducted by the chief student affairs officer, and the chief student affairs officer approves the sanction:

A grade of 0% (0.0) or otherwise lowered grade for the course, overriding a student's withdrawal from the course.

(f) The chief student affairs officer may also issue the following disciplinary sanctions, in accordance with the Highline student rights and responsibilities code (WAC 1321-120-410(11)):

(i) Disciplinary admonition and warning.

(ii) Disciplinary probation with or without the loss of privileges for a definite period of time. The violation of the terms of the disciplinary probation or the breaking of any college rule during the probation period may be grounds for suspension or expulsion from the college.

(iii) Suspension from Highline Community College for a definite period of time.

(iv) Dismissal from Highline Community College.

(g) Academic dishonesty complaint and hearing procedures.

(i) The faculty member observing or investigating the apparent act of academic dishonesty shall document the incident by writing down the time, date, place, and a description of the act and/or any other pertinent information.

(ii) The faculty member may collect evidence to corroborate the allegation.

(iii) The faculty member shall provide the student an opportunity to explain the incident.

(iv) The faculty member shall explain to the student the procedures and penalties for academic dishonesty and shall give the student a copy of the Highline Community College academic honesty policy.

(v) The faculty member may resolve the matter informally by determining an appropriate sanction, which may include a verbal or written warning, or a grade of 0% (0.0) or

otherwise lowered grade on an assignment, project, or test, or no further action.

(vi) The faculty member shall submit a copy of the Academic Dishonesty Report form to the office of the chief student affairs officer. The report shall be kept on file and may be presented as evidence for more stringent sanctions, should the student commit subsequent violation(s) of the academic honesty policy.

(vii) If the faculty member wishes to initiate more stringent sanctions in addition to lowering or failing an assignment and/or verbal or written warning (e.g., assign a failing grade for the course), the student must be entitled to a formal hearing with the chief student affairs officer. Following a formal hearing, sanctions imposed by the chief student affairs officer may range from no further action (no failing grade for the course) to dismissal from the college (WAC 132I-120-410(11)). The chief student affairs officer may not overturn the sanctions imposed by the faculty member ((d)(i) and (ii) of this subsection).

(viii) The faculty member shall submit a copy of the Academic Dishonesty Report form and any additional evidence to the chief student affairs officer within ten days of the alleged act of academic dishonesty, which initiates the formal hearing process.

(ix) Within ten days of receiving an Academic Dishonesty Report form, the chief student affairs officer or designee shall notify the student in writing of the date, time and location of the hearing. At the hearing, the student shall meet with the chief student affairs officer or designee to hear the charges and present his/her side of the case. If the student chooses not to attend or fails to appear, the hearing will be conducted in the student's absence.

(x) The chief student affairs officer or designee will consider any evidence submitted within seven days of the hearing, and interview persons as warranted. The chief student affairs officer or designee determines if the action recommended by the faculty member is appropriate.

(xi) Within ten days of the hearing, the chief student affairs officer or designee shall send written notification of the results to the student and faculty member. The decision of the chief student affairs officer or designee is final. (With permission, contents of this policy were adapted from "Academic Integrity Policy," Portland Community College, Portland, Oregon.)

(6) Violation of any of the above regulations may also constitute violation of criminal laws or ordinances of various cities, municipalities, counties, the state of Washington, or the United States and may subject a violator to criminal sanctions in addition to any sanctions imposed by the college.

WAC 132I-120-350 Student complaint process. (1) Purpose and definition. The purpose of this procedure is to provide students with guidelines which promote constructive dialogue, understanding, and informal resolution of student complaints and concerns. This process also provides an avenue for formal procedures should an informal approach be ineffective. A complaint is hereby defined as a statement that expresses a student's dissatisfaction with the performance or action of a college employee, which the student believes to be unfair or inconsistent with college policy or procedures.

(2) Exclusions of complaint process. This procedure is not to be used where other procedures are required for the resolution of specific categories of student complaints or student appeals. Student concerns covered by existing college

policy or procedures (e.g., *Complaints Against Faculty Members* section 807 of the HCEA/HCC negotiated agreement) are excluded from this complaint process and should be brought to the attention of the appropriate college administrator.

(3) Time limitations. A student wishing to express a complaint, as previously defined, should do so no later than two weeks from the time the student should have been aware of the concern. Timely initiation of a complaint rests with the student.

(4) Complaint process procedures.

(a) Step 1: Discuss complaint with staff member. The student should discuss the complaint informally and thoroughly with the staff member to whom the complaint is directed. Both parties should openly discuss the student complaint/concern and attempt to understand the other's perspectives, explore alternatives, and arrive at a satisfactory resolution to the complaint. If the student and staff member are unsuccessful at finding a resolution, or the student is dissatisfied with the complaint resolution, the student should then move to step 2.

(b) Step 2: Express complaint in writing. Within ten days of meeting with the staff member, if resolution is unsuccessful through informal discussion, the student shall express the complaint in writing and forward the written complaint to the staff member and the staff member's immediate supervisor. At the student's request, the chief student affairs officer will assign an HCC community member to serve as an advocate to assist in clarifying the complaint process and guiding the student through the complaint process.

(c) Step 3: Supervisor conference. Upon receiving the student's written complaint, the immediate supervisor may ask the staff member for a written response and shall, within five days following receipt of the student's written complaint, hold a conference with the involved parties. The supervisor may request supporting materials from either the staff member or student. If after discussion, mediation, and review of materials at the conference, the involved parties are unable to find a mutually acceptable resolution, the supervisor shall render a verbal decision on the complaint to all parties or shall within five days provide a written copy of his/her decision of the complaint to each involved party.

(d) Step 4: Executive conference. If the decision of the immediate supervisor does not resolve the complaint to the satisfaction of the student, the chief student affairs officer or designee shall, on request of the student, convene a conference of all previously involved parties and any additionally affected supervisors within seven days. All written statements and supporting materials from involved parties will be provided to the chief student affairs officer or designee prior to the conference. Written materials will be retained in the chief student affairs officer's office. If after discussion, mediation, and review of materials at the conference, the involved parties are unable to find a mutually acceptable resolution, the chief student affairs officer or designee shall within seven days render a written decision on the complaint and will provide copies to all involved parties. The decision of the chief student affairs officer or designee will be final.

[Statutory Authority: RCW 28B.50.140(13). 08-01-088, § 132I-120-350, filed 12/17/07, effective 1/17/08.]

WAC 132I-120-400 Authority and responsibility for discipline. (1) The board of trustees, acting by written order and in accordance with Washington state statutes, delegates to the president of the college the authority to administer disciplinary action.

(2) Administration of the disciplinary procedure is the responsibility of the chief student affairs officer. The chief student affairs officer or designee(s) shall serve as the principal investigator and administrator for alleged violations of this code.

(3) Summary action (emergency procedure).

(a) The instructor and students are responsible for conduct in the classroom or at any course-related activity or event. The instructor is authorized to take reasonable steps as necessary when behavior of the student materially or substantially disrupts normal classroom procedures. Instructors may remove a student for the single class session in which disruptive behavior occurs. When such behavior results in expulsion from a class session, the instructor must report the infraction in writing to the chief student affairs officer at the earliest opportunity. When the faculty member, division chair and chief student affairs officer concur that such behavior poses a serious threat, the student may be removed from class pending the outcome of disciplinary action. In all cases involving classroom disruption, the chief student affairs officer or designee will proceed with the investigation and/or disciplinary proceedings at the earliest opportunity consistent with the procedural requirements established in this chapter.

(b) The administrator in charge of any college office, department, or facility is responsible for conduct in that area. Staff shall take reasonable action in response to urgent situations as may be necessary to maintain order when they have reason to believe that such action is necessary for the safety and well-being of the student or the protection of the college community or facilities. Any such summary action must be reported to the chief student affairs officer at the earliest opportunity.

(c) A student being formally charged or under investigation for a violation of this code may not excuse him or herself from disciplinary proceedings by withdrawing from the college.

WAC 132I-120-410 Definition of disciplinary action. Disciplinary actions include, but are not limited to, the following sanctions that may be imposed upon students according to the procedure outlined in WAC 132I-120-421.

(1) Admonition: An oral statement to a student that there is a violation and that continued violation may be cause for further disciplinary action.

(2) Warning: Notice in writing that the student has violated one or more terms of this code of conduct and that continuation of the same or similar behavior may result in more severe disciplinary action.

(3) Disciplinary probation: Formal action placing specific conditions upon the student's continued attendance and warning the student that further misconduct may subject the

student to suspension or dismissal. Probation may be for a limited period of time or may be for the duration of the student's attendance at the college.

(4) Restitution: Reimbursement for damage to or misappropriation of property, or for injury to persons, or for reasonable costs incurred by the college in pursuing an investigation or disciplinary proceeding. This may take the form of monetary reimbursement, appropriate service, or other compensation.

(5) Suspension: Dismissal from the college and from the student status for a stated period of time. There will be no refund of tuition or fees for the quarter in which the action is taken.

(6) Dismissal: The revocation of all rights and privileges of membership in the college community and exclusion from the campus and college-owned or controlled facilities without any possibility of return. There will be no refund of tuition or fees for the quarter in which the action is taken.

(7) Professional evaluation: Referral for drug, alcohol, psychological or medical evaluation by a certified or licensed professional may be required. The student will sign all necessary releases to allow the college access to any such evaluation. Recommendations as part of any such evaluation may become part of any sanction. If the evaluation indicates that the student is not capable of functioning within the college community, the student will remain suspended until future evaluation recommends that the student is capable of reentering the college and complying with the rules of conduct.

WAC 132I-120-415 Authority to request identification. In situations of apparent misconduct or apparent unauthorized presence in a college facility, it may be necessary for properly identified college personnel to ask a person to produce evidence of being a currently enrolled student at the college. Failure to comply with a legitimate request for identification from a properly identified college employee is a violation of WAC 132I-120-100 (4)(c)(ii) and may result in a disciplinary action if the person is found to be a student. In emergency situations, cases of serious misconduct, or where there is a substantial danger to the college community or college property, failure to produce identification by a student may result in the assumption by college personnel that the person questioned is not a student and may result in civil or criminal action.

(2) Any student accused of violating any provision of the rules of conduct shall be notified of an initial disciplinary proceeding either in person or by certified mail and shall be given written notice of such meeting with the chief student affairs officer or designee. The student will be informed in writing of the provision(s) the student is charged with violating, and the range of possible sanctions for the offense. The student will be given seven days to respond. If the student fails to respond or fails to appear, the initial disciplinary hearing may be held in the student's absence.

(3) After considering the evidence in the case, interviewing the accused student, giving the student the opportunity to respond, and then again reviewing the case with any new information, the chief student affairs officer or designee may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students;

(b) Dismiss the case after whatever intervention and advice is deemed appropriate;

(c) Impose any of the sanctions listed in WAC 132I-120-410;

(d) Any disciplinary action taken by the chief student affairs officer or designee may be appealed by the student in accordance with WAC 132I-120-441.

(a) The student(s) against whom specific violations are alleged has actually committed one or more such violations; and

(b) Summary suspension of the said student(s) is necessary for the safety of the student(s) and members of the campus community, or to protect the college facilities and/or educational process, and/or to restore order to the campus; and

(c) Such violation(s) constitute grounds for disciplinary action as provided for in WAC 132I-120-100;

WAC 132I-140-015 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW, as not law or hereafter amended.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accord with established college policies.

(3) Persons who violate a district policy may have their license or privilege to be on district property revoked and be ordered to withdraw from and refrain from entering upon any district property. Remaining on or reentering district property after one's license or privilege to be on that property has been revoked shall constitute trespass and such individual shall be subject to arrest for criminal trespass.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-015, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-016 Prohibited conduct at college facilities. (1) State law governs the use or possession of intoxicants on campus or at college functions. The use or possession of unlawful drugs or narcotics, not medically prescribed, on college property or at college functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs, or narcotics while in college facilities shall be subject to disciplinary action.

(2) The use of tobacco is restricted by law and by regulations of the smoking policy to designated smoking areas.

(3) Destruction of public property is prohibited by state law.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-016, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-110 Right to deny use of facilities. (1) The trustees reserve the right to deny facility use to individuals or groups of a private nature whose activities, be they

(2009 Ed.)

secret or otherwise, are inconsistent with the open and public nature of Highline Community College and where such use would conflict with the purpose of state and federal laws against discrimination.

(2) If at any time actual use of college facilities by the individual or group constitutes an unreasonable disruption of the normal operation of the college, such use shall immediately terminate, all persons engaged in such use shall immediately vacate the premises, and leave the college property upon command of the appropriate college official.

(3) Any individual or group granted permission to use college facilities shall agree in advance to abide by all college rules and regulations. The college reserves the right to deny use of college facilities to any individual or group whose past conduct indicates a likelihood that college rules and regulations will not be obeyed.

(4) No single group shall be allowed use of facilities on a regular or continuing basis.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-110, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-120 Basis of fee assessment. (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The position of the board of trustees is that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the office of continuing education.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees believes a commercial facility can be patronized. At no time shall facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-120, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-130 Application procedures. (1) At least seven college working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application on a "use of facility" form which may be obtained through the college's office of community services. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; then separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory becomes responsible for all charges which may include interest payment for overdue accounts as specified on the rental form but not less than one percent per month.

(3) Large events, events requiring expenditures on the part of the college, or where significant areas are made available to the renter; a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The board of trustees reserves the right to cancel any permit and refund any payments for use of college facilities and equipment if the groups use of college facilities and/or equipment would violate any federal, state, local, or school law, regulation, or rule or when the planned use could subject the college to any liability.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) The decision to issue permits is based on the assumption that any admission charges are to be specified and approved by the college.

(9) Organizations using Highline Community College's facilities shall conduct all activities in accordance with all applicable local, state, and federal laws including the rules and regulations adopted by Community College District 9 as stated in Title 132I WAC and in the use of facility form.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-130, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-134 Request for brief adjudicative proceeding over denial of facility use. Any organization that is denied use of college facilities may challenge said denial by filing an appeal as specified in WAC 132I-140-135(2) with the president's designee.

Upon receipt of such appeal, the president's designee shall hold a brief adjudicative proceeding.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-134, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-135 Appeal of denial of facility use.

(1) Any organization whose application for facility use has been denied may appeal such decision to the president.

(2) The appeal must be in writing and must clearly state errors in fact or matters in extenuation or mitigation which justify the appeal. The appeal must be filed within twenty-one days from the date of service upon appellant of the order denying use of facilities.

(3) The president's determination shall be final.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-135, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-140 Supervision during activity. (1) Signatories of the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of special facilities makes it necessary that supervision be provided, the trustees reserve the right to require a staff member represent the college at any activity on Highline Community College facilities. Such service shall be paid at the current rate, by the organization requesting use of the

facility (see WAC 132I-140-160), and does not relieve the organization from safeguarding the college's property.

(2) The security staff or some other authority of the college will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned on any occasion to any using organization with the exception of keys to designated off-campus locations.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-140, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-150 Care and maintenance of facilities and equipment. (1) College-owned equipment shall not be removed from college facilities for loan or rental. Organizations wishing to use equipment in connection with a rental should make arrangements through the office of continuing education at the time of application. Further rental and operational restrictions may be outlined when the application is approved.

(2) Appropriate equipment is expected when using facilities when the absence of such special equipment may be detrimental to that facility (e.g., tennis shoes must be worn on gymnasium floors).

(3) Organizations allowed use of facilities are required to leave premises in as good condition as when the organization was admitted to its use. After facility use, organizations are required to arrange for proper disposal of decorations and other refuse when restoring the facility to its original condition for resumption of college use.

(4) Custodial and other services beyond those regularly scheduled to support normal college activities may be required for specific activities by outside groups, based on the size of group, the complexities of the event, or the facilities being used. Needed custodial services beyond that normally scheduled will result in that organization being charged at the established rate. All extra custodial time required as a result of the organization's use of the facility will be charged to the organization, including those receiving complimentary usage.

(5) The security staff should be contacted for problems with facilities. The security staff will monitor any permit violations.

(6) All moving of college equipment for facility use will be under permission and supervision of the college.

(7) Any decoration or use of facility that may result in permanent damage or injury to the facility is strictly prohibited.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-150, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-160 Athletic facilities. (1) Highline Community College playing fields may be used by community members and groups provided such use does not interfere with regular college activities and that proper permits for use of college grounds have been secured for activities other than unorganized casual use.

(2) Highline Community College allows only highly restricted use in scheduling the use of the swimming pool. Permitted users shall comply with all pool regulations, as determined by the college. Such regulations may vary based on the anticipated use. Applications should be made on a use of facility form obtained through the college's office of con-

tinuing education. A condition of rental is the college's right to set forth the number of lifeguards and to select and hire these lifeguards on its own criteria. Cost of usage will include these employee's salaries and other personnel expenses.

(3) The pavilion may be used by community organizations subject to the same restrictions and regulations governing the use of other facilities. Because of the size of the facility, most users will be required to have college personnel on site during usage. Cost of usage will include these employee's salaries and other personnel expenses.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-160, filed 7/21/92, effective 8/21/92.]

WAC 132I-140-170 Liability for damage. The lessee of college facilities, including agreement signatories and individual organizations leaders, shall be liable for any damage to college property occurring or having apparently occurred during the time the facility was being used by the organization. The lessee also agrees to hold harmless and indemnify Highline Community College, its agents, employees, officers, trustees, students and/or attorneys for any claim made against the college as a result of the lessee's use of college facilities. The college reserves the right to require using organizations to purchase insurance, naming the college as the insured, and may specify the amount of that insurance.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-140-170, filed 7/21/92, effective 8/21/92.]

A copy of the Revised Code of Washington is available in the Highline Community College library.

WAC 132I-160-031 Admission policy for applicants who are not able to demonstrate they are competent to profit from the college's courses. Applicants, regardless of age, who have either a high school diploma or a GED credential are assumed to be competent to profit from the college's courses. Applicants who are eighteen years old or older without a high school diploma or GED credential are provisionally admitted in keeping with the open door policy. However, these students may not necessarily be competent to profit from the college's courses. Therefore, these students are considered not regularly admitted students.

Provisional admission for these not regularly admitted students may be revoked if prior school records or professional testing or evaluation determines that the student is not competent to profit from the college's courses. The college may request such information on an as-needed basis. A

review committee consisting of the director of admissions, a professional counselor, and the section 504 compliance officer shall review such documentation and make any determination of revocation.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-031, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-032 Admission policy for applicants who are currently enrolled in a common school district or private high school. Highline Community College admits applicants who are concurrently enrolled in a common school district or accredited private school and Highline Community College. [Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-032, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-033 Admission requirements. There are some requirements in addition to the general admission policy (WAC 132I-160-025). These are:

(1) Highline does not require specific test scores for admission to the college. However, assessment for advising, placement, and retention is required for all new students with less than forty-five transferable college-level credits and for entry into selected courses and programs. The college uses the ASSET system for this purpose. It is given at frequent intervals in the Highline Community College testing center.

(2) The following programs have special admission requirements and procedures: Dental Assistant, Diving Technician, Medical Assistant, Registered Nursing, Respiratory Care, GED, and High School. These programs have specific selection procedures due to limited space or special requirements. The requirements and procedures differ for each program. They are updated annually. Contact the Highline Community College office of admissions, for specific information.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-033, filed 7/21/92, effective 8/21/92.]

WAC 132I-160-035 Admission procedures. Applicants can become newly admitted students in two ways: Formal and informal. Both methods require applicants to meet the policy listed in WAC 132I-160-025 and the requirements listed in WAC 132I-160-033. The formal method is used for applicants who wish to register for daytime credit courses and who want the earliest possible registration appointment. The informal method is used by applicants who wish to register for evening or Saturday credit courses. The informal method is also used by all applicants during late registration. Persons granted admission by either process are newly admitted students.

(1) These are the formal application procedures:

(a) Complete and return either a state of Washington uniform community college application form or a Highline Community College application form to the admission office. These forms are available at any community college and at most high schools. Contact the admission office at Highline Community College to request an application form. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college. Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. Students wishing transcript evaluations must also complete a transcript evaluation request form which is available from the registration office. The registration office will notify students in writing of the evaluation. Transcript evaluation is a service and is not required for admission to the college.

(c) Falsification of documents for admission may result in disciplinary, civil, or criminal proceedings.

(2) These are the informal application procedures:

(a) Register for any credit course during open enrollment. No appointment is necessary during open enrollment. No application form is required. There is no admission fee.

(b) Highline does not require transcripts from other colleges or high schools for admission to the college. Admission to some special programs requires transcripts. Students who wish to transfer credit from other accredited institutions to Highline should have official transcripts mailed to the registration office. Students wishing transcript evaluations must complete a transcript evaluation request form which is available from the registration office. The registration office will notify students in writing of the evaluation. Transcript evaluation is a service and is not required for admission to the college.

Students not eligible for residency classification will be classified as nonresident students. A copy of the Revised Code of Washington is available in the Highline Community College library.

Students who have questions about their classification must complete a residency questionnaire and submit the necessary documentation to the registrar. This questionnaire is available in the registration office. The registrar will review the questionnaire and will notify the student in writing of the decision within one week. Appeals of the decision of the registrar are referred by the registrar to the office of the attorney general. A written response is generally available to the student within thirty days.

Students are responsible for registering under the proper residency classification. Students who are not sure of their residency status should fill out and then submit a completed residency questionnaire to the registrar.

WAC 132I-160-065 Registration procedures. There are two categories of registration procedures. One category applies only to daytime credit courses while the other category applies to evening and Saturday credit courses and all continuing education courses. In both cases, registration is not completed until the student completes and submits all registration material, pays in full for all tuition and fees, and has all these items accepted by the registration office.

(1) Daytime credit courses. The college prints the schedule of dates and times to register in "The Quarterly," which is Highline Community College's quarterly schedule of course offerings. One to two weeks before the start of registration, "The Quarterly" is available on campus in Building 6 and by mail. The registration office schedules currently enrolled, former, and newly admitted students, in that order, into three sets of registration appointments according to these rules:

(a) Currently enrolled students are assigned the first set of registration appointments on the basis of the number of credits earned at Highline Community College. Students with the highest number of earned credits are assigned the first

block of appointments. Subsequent blocks of appointments are assigned on the basis of descending number of credits. Appointments are by date and students may register at any time on or after that date. Appointment dates are only found in registration appointment books located in the registration area, faculty buildings, the library, the Federal Way center, and the advising resource center. Appointment dates are listed by name. These appointment books are available two weeks before registration begins.

(b) Former students are assigned a date to register after currently enrolled student appointments. This date is announced in "The Quarterly." Former students may register any time on or after this date.

(c) Newly admitted students who complete the formal application process described in WAC 132I-160-030 are assigned the last set of appointments. The admissions office will notify these students by mail of their specific appointment time and date. Newly admitted students may register at their scheduled date and time, may reschedule with the admissions office for a later appointment, or may register during late registration.

(d) Late registration occurs after the period of appointments. It is a period of open enrollment. Fewer courses are available during this period. Students register without appointments. Any student eligible for admission (WAC 132I-160-030) may register during late registration. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

(2) Evening and Saturday credit courses and continuing education courses. Any student and any applicant eligible for admission (WAC 132I-160-030) may register for evening, Saturday, and continuing education courses at any time during the registration period without an appointment. Mail-in registration is accepted during this period. Forms for mail-in registration are in "The Quarterly." Telephone registration is accepted during specific time periods only. These time periods are listed in "The Quarterly."

WAC 132I-160-090 Changes in registration. (1) Changes in schedule: Students may change their course schedule after initial registration. Deadlines for changes are announced in "The Quarterly." Submit the change of schedule (add/drop) form to the registration office. Instructors' signatures are required after the first week of the quarter. This form is available in the registration area and educational planning center. Students may wish to talk with an advisor first.

(2) Dropping a course: Students may drop courses until the end of the ninth week of the quarter (except during summer). Instructors' signatures are required after the first week of the quarter. Classes dropped during the first three weeks of the quarter will not appear on student transcripts. Instructors have the option of assigning either a withdrawal grade (W) or, if the student is performing failing work at the time of withdrawal, a failing grade (0.0) to students who withdraw from a course after the third week of the quarter. Students

may wish to talk with an adviser first. Check "The Quarterly" for the deadline to drop (withdraw) from courses.

(3) Withdrawal from college: Students who wish to withdraw from Highline Community College use the same procedures as for dropping a course. The signature of the instructor of each course is required on the change of schedule (add/drop) form after the first week of the quarter. Students who do not officially withdraw and simply cease to attend courses may be assumed by the instructor to have not met minimum course requirements and therefore may be graded as having failed (0.0) the course.

WAC 132I-160-100 Fees. (1) Tuition and fees are based on residency requirements (WAC 132I-160-060) and upon chapter 28B.15 RCW, College and university fees. Tuition and fees are set by the Washington state legislature and are subject to change. The current tuition and fee schedule is available in "The Quarterly."

(2) Special quarterly fees:

(a) Parking: Students who park on-campus must pay a parking fee. On-campus parking rates vary according to the number of credit hours. Information about on-campus parking fees, traffic rules and regulations is available at the campus Security Office, Building 6, 878-3710, extension 218.

(b) Some courses may have additional fees as listed in the official quarterly course schedule. These fees are established by the board of trustees and are listed as "special instructional fees." Further information is available through the registration office.

(c) Some testing services charge a fee. A list of these services and fees may be obtained from the testing center.

(d) Some laboratory courses may assess a breakage fee.

(e) Processing fees: No processing fee will be charged for registration changes initiated by the college or for students wishing to add credits. Changes resulting in a reduced number of credits will be charged a two-dollar processing fee. All changes after the end of the third week of the quarter will result in a two-dollar processing fee. There is no charge for a complete withdrawal.

(f) An explanation of fees may be obtained under the "Quarterly Tuition and Fee Schedule" section of the Highline Community College catalog.

[Statutory Authority: Chapter 34.05 RCW et seq., RCW 28B.50.100 and 28B.50.140. 92-15-115, § 132I-160-100, filed 7/21/92, effective 8/21/92; Order 013, § 132I-160-100, filed 1/6/76.]

WAC 132I-160-110 Refunds. Refunds resulting from official withdrawal from courses will be computed as follows for state supported courses:

(1) One hundred percent. The refund will be one hundred percent of the amount paid if an official withdrawal form is received in the registration office or at the Highline College Federal Way Center before the sixth day of instruction of the quarter for which the fees have been paid. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in the quarterly class schedule.

(2) Cancelled courses. When Highline Community College cancels a course, Highline will refund the total amount paid for the course unless the student enrolls in a course to replace the cancelled course. If the new course is for fewer credits, Highline will refund the difference.

(3) Forty percent. Highline Community College will refund forty percent of the total amount paid if an official withdrawal form is received in the registration office or at the Highline Community College Federal Way Center on or after the sixth day of instruction, provided such withdrawal occurs within the first twenty calendar days following the beginning of instruction. The deadlines vary for summer quarter courses, late-starting courses, or short courses. Deadlines are published in the quarterly class schedule.

(4) Summer quarter, late starting, and short courses. Refunds for these courses will be determined by the registrar.

(5) Continuing education classes. To obtain refunds for self-support courses, withdrawals must be received forty-eight hours before the first scheduled course meeting. Other refunds, except for course cancellation, will be made at the discretion of the director of continuing education.

(6) There is no refund of the nonrefundable fall quarter registration deposit to students who did not pay the total amount of their tuition and fees before the deadline. This deadline is published in the quarterly class schedule.

(7) A processing fee will be withheld from all refunds issued, except when Highline Community College cancels a course, in accordance with chapter 131-28 WAC and under regular college fiscal processes.

WAC 132I-160-120 Appeals. Students have the right to appeal admission and registration decisions. Students are entitled to two levels of appeal. All appeals must be in writing. Admission decisions are appealed at the first level to the director of admissions and at the second level to the dean of students. Registration decisions are appealed at the first level to the registrar and at the second level to the dean of administration. The student must initiate an appeal at the first level. If the student is not satisfied with the decision at the first level, the student may appeal at the second level. The results of a second level appeal are final. Students may expect a written response to an appeal within ten working days.

WAC 132I-168A-010 Purpose of the library. (1) Highline Community College library, through its role of supporting free expression and free access to ideas, assists the college in achieving the college's mission of superior education for its diverse community. The library provides both on-site and remote access to information and knowledge. The library endeavors to provide access to books and other materials of value for their wide range of information, interest, viewpoints and enlightenment on the problems and issues of our times. Just as the library's doors remain open to all individuals, regardless of age, ability, gender, sexual orientation, race, religion, national origin or socio-political views, so the library's collection remains open to all material regardless of author's age, ability, gender, sexual orientation, race, religion, national origin or socio-political viewpoint. Further, Highline Community College library, as part of an educational institution in a democratic society, perceives itself as challenger to all attempts at censorship and/or proscription of views of either patron or creator.

- (2) The library maintains, and makes available to all users, written policies and procedures on:
- (a) Collection development;
 - (b) Hours of service;
 - (c) Circulation periods;
 - (d) Availability of resources;
 - (e) Borrowing and access;
 - (f) Fees;
 - (g) Consideration and complaint processes; and
 - (h) Protection of library records.

WAC 132I-168A-050 Library use. Consistent with a community college as an active and integral part of the community, the library's materials and services are a public resource available to the surrounding community. Within this

principle, the library's primary clientele are students, faculty, and staff of Highline Community College. The library also welcomes students from other Washington community and technical colleges and the community at large. The resources of the library are also available for sharing with other libraries within the state and globally.

[Statutory Authority: Chapter 34.05 RCW et seq. and RCW 28B.50.140. 04-23-044, § 132I-168A-050, filed 11/12/04, effective 12/13/04; Order 012, § 132I-168-050 (codified as WAC 132I-168A-050), filed 10/31/75.]

WAC 132I-168A-090 Schedule of fees and charges.

The schedule of fines and charges is posted at the library circulation desk and is available through the office of the dean of instructional resources. All patrons are subject to uniform application of this schedule.

(1) **Damage charges.** Damage charges for all library materials, regardless of type or classification, will reflect the cost of repair but will not exceed the cost of replacement. Damage charges for special collection materials will be determined by the dean of instructional resources.

(2) **Replacement charges** are levied for lost or nonreturned items, and for damaged items where the cost of repair exceeds the cost of replacement. Replacement charges are based on the current purchase price of the item plus the item-processing fee outlined in the schedule of fees and charges.

WAC 132I-168A-100 Appeals of fees and charges. (1)

Library patrons wishing to appeal fees and/or charges assessed by the library may do so by completing library forms found at the circulation desk. Completed forms are to be filed with the director of circulation services at the plaza level circulation desk. Failure to file this form within one day of the assessment of the fine or charge in question or within one day of the time the library patron was made aware of the fee or should have been aware of the fee shall be deemed a waiver of the right to appeal.

(2) Upon receipt of a properly filed request for a brief adjudicative proceeding, the dean of instructional resources shall conduct a hearing. Within ten days of such hearing, the dean shall serve the patron with an initial order either upholding or denying the patron's appeal. Such order shall comply with the requirements of RCW 34.05.485 and WAC 10-08-210.

(3) If the initial order is considered unsatisfactory, the library patron may file an appeal with the vice-president of academic affairs or his or her designee. Such request shall be made in writing, shall clearly state the grounds for the appeal, and shall be postmarked within twenty-one days of the date of service of the initial order. Failure to file this request within twenty-one days shall be deemed as acceptance of the disposition proposed by the dean.

(4) The vice-president's decision shall be final.

WAC 132I-280-020 Education records—Student's right to inspect. (1) A student has the right to inspect and review his or her education records.

(a) For purposes of this section the term "education records" means those records, files, documents, and other materials which contain information directly related to a student.

(b) The term "education records" does not include:

(i) Records of instructional, supervisory, and administrative personnel which exist solely for the use of the maker and which are not accessible or revealed to any other person except a substitute.

(ii) In the case of persons who are employed by an educational institution but who are not attending that institution, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for any other use.

(iii) Records on a student which are created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional capacity, or assisting in that capacity and which are created, maintained, or used only in connection with the treatment of the student, and are not available to anyone other than persons providing such treatment; provided, however, that such records can be personally reviewed by a physician or other appropriate professional of the student's choice.

(2)(a) Recommendations, evaluations, or comments concerning a student that are provided in confidence, either expressed or implied, as between the author and the recipient, shall be made available to the student, except as provided in (b), (c), and (d) of this subsection.

(b) The student may specifically release his right to review where the information consists only of confidential recommendations respecting:

(i) Admission to any educational institution; or

(ii) An application for employment; or

(iii) Receipt of an hour or honorary recognition.

(c) A student's waiver of his or her right of access to confidential statements shall apply only if:

(i) The student is, upon request, notified of the names of all persons making confidential statements concerning him; and

(ii) Such confidential statements are used solely for the purpose for which they were originally intended; and

(iii) Such waivers are not required as a condition for admission to, receipt of financial aid form, or receipt of any other services or benefits from the college.

(d) Recommendations, evaluations, or comments concerning a student that have been provided in confidence, either expressed or implied, as between the author and the recipient, prior to January 1, 1975, shall not be subject to release under (a) of this subsection. Such records shall remain confidential and shall be released only with the consent of the author. Such records shall be used by the institution only for the purpose for which they were originally intended.

(3) Where requested records or data include information on more than one student, the student shall be entitled to receive or be informed of only that part of the record or data that pertains to the student.

(4) Students have the right to obtain copies of their educational records. Charges for the copies shall not exceed the cost normally charged by the college (except in cases where charges have previously been approved by the board of trustees action for certain specified services, such as transcripts and grade sheets).

(5) The college registrar is the official custodian of academic records and therefore is the only official who may issue a transcript of the student's official academic record.

(6) Student education records may be destroyed in accordance with a department's routine retention schedule. In no case will any record which is requested by a student for review in accordance with this section and WAC 132I-280-025 be removed or destroyed prior to providing the student access.

WAC 132I-280-025 Requests and appeal procedures.

(1) A request by a student for review of information should be made in writing to the college individual or office having custody of the particular record.

(2) An individual or office must respond to a request for education records within a reasonable period of time, but in no case more than thirty days after the request has been made. A college individual or office which is unable to comply with a student's request within the above-stated time period shall inform the student of that fact and the reasons in writing.

(3)(a) A student who feels that his or her request has not been properly answered by a particular individual or office or who feels that the information contained in those records is incorrect should contact the appropriate dean responsible for the individual or office for mediation.

(b) In cases where a student remains dissatisfied after consulting with the appropriate dean the student may then request a hearing by the president or his or her designee(s). Following the hearing, the hearing officer shall render his or her decision within a reasonable period of time. In all cases the decision of the hearing officer shall be final.

(c) In no case shall any request for review by a student be considered by the college which has not been filed with that body in writing within ninety days from the date of the initial request to the custodian of the record.

(d) The college shall not review any matter regarding the appropriateness of official academic grades beyond that provided for in WAC 132I-120-427, et seq.

(b) Federal and state officials requiring access to education records in connection with the audit and evaluation or a federally or state-supported education program or in connection with the enforcement of the federal or state legal requirements which relate to such programs. In such cases the information required shall be protected by the federal or state official in a manner which will not permit the personal identification of students and their parents to other than those officials and such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation, or enforcement of legal requirements.

(c) Agencies or individuals requesting information in connection with a student's application for, or receipt of financial aid.

(d) Organizations conducting studies for or on behalf of the college for purposes of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations, and such information will be destroyed when no longer needed for the purposes for which it was provided.

(e) Accrediting organizations in order to carry out their accrediting functions.

(f) Any person or entity designated by judicial order or lawfully issued subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of the compliance therewith. Any college individual(s) or office(s) receiving a subpoena or judicial order for education records shall immediately notify the assistant attorney general for the college before releasing the documents.

(2) Where the consent of a student is obtained for the release of education records, it shall be in writing, signed and dated by the person giving such consent, and shall include:

- (a) A specification of the records to be released;
- (b) The reasons for such release; and

Releases in accordance with subsection (1)(a) of this section need not be recorded.

(4) Personally identifiable education records released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released in a personally identifiable form to any other parties without obtaining consent of the student.

(5) The term "directory information" used in subsection (1) of this section is defined as a student's name, address, telephone number, dates of attendance, and degrees and awards received. Students may request that the college withhold directory information through written notice to the registration office.

(6) Information from education records may be released to appropriate persons in connection with an emergency if the

knowledge of such information is necessary to protect the health or safety of a student or other person(s).

(b) The college shall decide within ten working days of a student's request to amend records whether or not it will amend those records.

(c) If the college decides to refuse to amend the educational records of the student according to his or her request, it shall so inform the student of the refusal and advise the student of the right to a hearing.

(d) The student feeling aggrieved by a denial of his or her request to amend educational records may file an appeal requesting a formal adjudicative proceeding before the president or their designee.
