**SECTION I

**WAC 132J-125-010 Purpose.** (1) Green River Community College, an agency of the state of Washington, provides a variety of educational opportunities for students; namely the opportunities to examine the academic, vocational, technical, cultural, social and recreational aspects of society. Green River Community College as an institution of society must maintain conditions conducive to the effective performance of its functions. Consequently, Green River Community College has special expectations regarding the conduct of students. Student conduct that detracts from, or interferes with, the accomplishment of college purposes is not acceptable.

(2) The student is, first of all, a member of the community at large, and as such has the rights and responsibilities of any citizen. In addition, admission to Green River Community College carries with it the presumption that students will conduct themselves as responsible members of the college community. This includes an expectation that students will obey the law, will comply with rules and regulations of the college, will maintain a high standard of integrity and honesty, and will respect the rights, privileges and property of other members of the college community.

(3) The following rules regarding the conduct of students are adopted in order to provide students a full understanding of the rules that will enable the college to maintain conditions conducive to the effective performance of the college's functions. Sanctions for violations of the rules of student conduct will be administered by the college in the manner provided by said rules. When violations of laws of the state of Washington and/or the United States are also involved, the college may refer such matters to the appropriate authorities. In cases of minors, this conduct may also be referred to parents or legal guardians.

The initial order shall include a statement of findings and conclusions and otherwise comply with RCW 34.05.461 and WAC 10-08-210. It shall also describe the available administrative review procedures specified in the following subparagraph.

(10) The initial order shall become the final order, without further action, unless within twenty days of service of the initial order (a) the president or president's designee, upon his/her own motion, determines that the initial order should be reviewed or (b) a party to the proceedings files with the president a written petition for administrative review of the initial order. RCW 34.05.464 and WAC 10-08-211 shall apply to any such determination or petition.

Any such review shall be governed by RCW 34.05.-491. If no such review is taken, the initial order shall be the final order.

[Statutory Authority: RCW 28B.50.140(13). 93-04-022, § 132J-125-290, filed 1/27/93, effective 2/27/93.]

The student ordinarily should, but need not be, warned that such action is possible and given a chance to correct the offensive behavior before summary action is taken.

(3) The student shall be notified, verbally and/or by a writing mailed by first class mail to the student's last known address or hand-delivered, of the summary action taken and the time period during which it is effective. The suspension or removal may begin immediately and may be renewed for an additional five day period.

(4) Upon the student's written request, made within five days of the earlier of mailing or personal receipt of notice of the summary action, the suspension or removal shall be reviewed by the vice-president for marketing and student development. After such review, the vice-president shall issue a written decision continuing, modifying or rescinding the summary action and/or taking any further disciplinary action that he/she deems appropriate.

(5) A student may appeal a summary suspension or removal like any other disciplinary action, by filing an application for an adjudicative proceeding under WAC 132J-125-260. The presiding officer may consolidate this appeal with any related pending matter.

[Statutory Authority: RCW 28B.50.140(13). 93-04-022, § 132J-125-300, filed 1/27/93, effective 2/27/93.]

**WAC 132J-128-200 Board policy on tenure and dismissals.** (1) In accordance with RCW 28B.50.852, the board of trustees of College District No. 10, the appointing authority of Green River Community College, adopts this rules chapter to implement RCW 28B.50.850- 869.

(2) The board of trustees recognizes the importance of faculty tenure and appropriate tenure review and dismissal review processes in a higher education institution. The board further recognizes its own ultimate statutory responsibilities in these regards. Accordingly, the board reserves all of its statutory powers and rights regarding the awarding of faculty tenure and the dismissal of faculty, except as expressly provided otherwise in this chapter.

(3) The board also recognizes the important role of the faculty and the faculty's bargaining representative in helping to determine the college's procedures for awarding tenure and dismissing faculty—and helping to implement those procedures. Accordingly, the board will continue to negotiate with that bargaining representative to include major aspects of the tenure and dismissal review processes in the faculty collective bargaining agreements.

(4) These rules are intended to avoid unnecessary duplication of the controlling statutes and/or currently effective provisions of a faculty collective bargaining agreement, while providing for situations not covered thereby.

[Statutory Authority: RCW 28B.50.852. 94-04-053, § 132J-128-200, filed 1/31/94, effective 3/3/94.]

**WAC 132J-128-210 Review committees generally.**

(1) Except as provided in a contrary, currently effective provision of a faculty collective bargaining agreement, tenure and dismissal review committees shall be constituted and conducted under this chapter and as further directed by the college president.

(2) The president is authorized to take all necessary actions to assure the composition and appointment of a valid and effective review committee, in accordance with RCW 28B.50.869 and/or other applicable law. If the president determines that there is no effective election or appointment to a position on a review committee, the president may declare that position vacant and either appoint a replacement (if it is an administrative staff member) or request an appointment by the student association or faculty bargaining representative, as appropriate. The association or bargaining representative shall convene any necessary meeting(s), make the appointment, and so advise the president within ten calendar days of receiving notification. If the association or bargaining representative fails to so advise of an appointment within ten days, without an extension of that deadline by the president, the association or bargaining representative shall be deemed to have waived its right to participate in the appointment and the president may conduct whatever meeting(s) may be appropriate to secure the appointment.

(3) A review committee shall meet at a time and location designated by the president, after at least three days' notice to all its members, unless its members agree to a different time and/or location. At its first meeting, the committee shall elect a chair, who thereafter shall maintain all committee records.

(4) Review committee deliberations shall be kept confidential to the extent permitted by law, except for evaluation information shared with a probationer.

(5) The review committee shall report to the board of trustees within any deadline set by the president or the board.

(6) A review committee's failure to properly perform its function shall not prevent the board of trustees from making a decision, after giving appropriate consideration to any recommendations of committee members and/or appropriate administrators.

[Statutory Authority: RCW 28B.50.852. 94-04-053, § 132J-128-210, filed 1/31/94, effective 3/3/94.]
