WAC 140-12-080  Copying fees. No fees are to be charged for inspection of public records. The corporation will charge a fee not to exceed twenty-five cents per page of copy for use of the corporation's copy equipment in cases where no significant staff time is taken up with the request.

WAC 140-12-090  Review of denials. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by submitting a written request for review to the administrator. The written request shall specifically refer to the written statement by the staff member which constituted or accompanied the denial.

(2) Immediately upon receipt of a written request for review of a decision denying a public record, the written request for review shall be referred to the administrator. The administrator or his or her designee shall consider the matter and either affirm or reverse such denial. The request shall be returned with a final decision within two business days of the date of filing of the request for review.

WAC 140-12-110  Index of records not maintained. The corporation does not maintain the current index of records specified in RCW 42.17.260(2). The corporation has determined, pursuant to RCW 42.17.260(3), that compliance with RCW 42.17.260(2) would unduly burden the corporation because there are a very large number and variety of documents involved in planning and constructing the state convention and trade center which would have to be indexed under RCW 42.17.260(2), and because the corporation has only a limited permanent staff. The corporation shall make available for public inspection and copying all indexes maintained by the corporation for its use.
