(2) For issuers not filing electronically, messages directed to the division by means of facsimile, other telephone transceiving equipment or electronic transmission will be accepted by the administrator as complying with the requirement of notification under RCW 21.20.190 of the Securities Act concerning the date and time a federal registration statement has become effective and with respect to the content of the price amendment, if any. The filing fee required by RCW 21.20.340 must accompany the request.

(2) The requesting letter should cite the particular statutes or rules for which interpretation or no-action is sought.

[Title 460 WAC—p. 17]

WAC 460-16A-200 Debt offering standards. (1) Debt securities may be offered and sold only if the issuer shows a reasonable ability to service the debt.

(2) For purposes of this section, unless otherwise allowed by the administrator, "reasonable ability to service the debt" means:

(a) The issuer must have a positive net worth and not be in the development stage; and

(b) The issuer must demonstrate, based upon the results of its operations for its most recently ended fiscal year and for its latest interim period as reflected in its financial statements, a pro forma earnings to fixed-charges ratio of 1 to 1 or greater.

(3) For purposes of this section:

(a) "Earnings" shall mean pretax income from continuing operations plus fixed charges as defined in (b) of this subsection, adjusted to exclude any interest capitalized during the period.

(b) "Fixed charges" shall mean the total of (i) interest, whether expensed or capitalized, (ii) amortization of debt expense and discount or premium relating to indebtedness, whether expensed or capitalized, and (iii) such portion of rental expense as can be demonstrated to be representative of the interest factor in the particular case.

(c) The pro forma earnings to fixed charges ratio shall be calculated by adjusting the corresponding historical ratio to give effect to the net increase or decrease in interest expense resulting from (i) the proposed issuance of new debt, and (ii) the corresponding retirements of any debt presently outstanding (but only for the period of time outstanding) which will be retired with the proceeds of the proposed offering. If only a portion of the proceeds will be used to retire presently outstanding debt, then only a related portion of interest should be used in the pro forma adjustment.

(d) An issuer may elect to use the definitions of "earnings," "fixed charges," and the method for determining the ratio of earnings to fixed charges set forth in Item 503 of Securities and Exchange Commission Regulation S-K to determine whether that issuer meets the requirement of subsection (2)(b) of this section.

WAC 460-17A-010 SCOR registration. These rules are intended to encourage investment in small businesses. The rules in this chapter offer an optional method of registration for companies issuing securities exempt from registration with the Securities and Exchange Commission under Rule 504 of Regulation D or under Section 3(a)(11) of the Securities Act of 1933. The administrator recognizes that small issuers raising small amounts of money face special problems not faced by issuers raising larger amounts, and that standards appropriate to registrations of larger offerings may become unduly burdensome when applied to registrations of small offerings. The optional registration method offered by these rules is intended to reduce the costs and burdens of raising capital for small business without sacrificing investor protection, and to maximize the amount of offering proceeds available to the issuer for investment in the business. Issuers eligible for this method of registration shall use the SCOR registration form as the disclosure document for the offering. This method of registration shall be known as SCOR registration.

WAC 460-17A-020 Application. (1) The rules in this chapter shall apply to SCOR registrations. While applications not conforming to the standards contained herein shall be

looked upon with disfavor, where good cause is shown certain rules may be modified or waived by the administrator.

(2) Where individual characteristics of specific offerings warrant modification from these standards, they will be accommodated, insofar as possible, while still being consistent with the spirit of these rules.

WAC 460-17A-030 Availability. (1) SCOR is intended to allow small companies to conduct limited offerings of securities. SCOR uses a simplified offering format designed to provide adequate disclosure to investors concerning the issuer, the securities offered, and the offering itself. Certain issuers may not be able to make adequate disclosure using the SCOR format and will, therefore, be unable to utilize SCOR. The administrator finds that SCOR is generally unsuitable for the following issuers and programs and that, therefore, they will not be allowed to utilize SCOR unless written permission is obtained from the administrator based upon a showing that adequate disclosure can be made to investors using the SCOR format:

- (a) Holding companies, companies whose principal purpose is owning stock in, or supervising the management of, other companies;
- (b) Portfolio companies, such as a real estate investment trusts;
- (c) Issuers with complex capital structures;
- (d) Commodity pools;
- (e) Equipment leasing programs; and
- (f) Real estate programs.

(2) These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resale of the issuer's securities. In addition, each of the following requirements must be met:

(a) The issuer must be a corporation or centrally managed limited liability company organized under the law of the United States or Canada, or any state, province, or territory or possession thereof, or the District of Columbia, and have its principal place of business in one of the foregoing.

(b) The issuer must engage in a business other than petroleum exploration or production or mining or other extractive industries.

(c) The issuer is not a development stage company that either has no specific business plan or purpose or has indicated that its business plan is to engage in merger or acquisition with an unidentified company or companies or other entity or person.

(d) The offering price for common stock (and the exercise price, if the securities offered are options, warrants or rights for common stock, and the conversion price if the securities are convertible into common stock) must be equal to or greater than \$1.00 per share. The offering price for common ownership interests in limited liability company (and the exercise price, if the securities are options, warrants, or rights for common ownership interests, and the conversion price if the securities are convertible into common ownership interests) must be equal to or greater than \$1.00 per unit of interest.

(e) The aggregate offering price of the securities offered (within or outside this state) shall not exceed \$1,000,000 less the aggregate offering price of all securities sold within the twelve months before the start of and during the offering of the securities under Securities and Exchange Commission Rule 504 in reliance on any exemption under section 3(b) of the Securities Act of 1933, in reliance on the exemption under section 3 (a)(11) of that act, or in violation of section 5(a) of that act.

(3) SCOR registration is not available to investment companies subject to the Investment Company Act of 1940, nor is it available to issuers subject to the reporting requirements of section 13 or section 15(d) of the Securities Exchange Act of 1934.

[Statutory Authority: RCW 21.20.450. 98-17-013, § 460-17A-030, filed 8/10/98, effective 9/10/98; 96-11-027, § 460-17A-030, filed 5/6/96, effective 6/6/96; 91-04-009, § 460-17A-030, filed 1/25/91, effective 2/25/91; 88-17-012 (Order SDO-048-88), § 460-17A-030, filed 8/8/88.]

WAC 460-17A-040 Disqualification from use of SCOR registration. (1) SCOR registration shall not be available for securities of any issuer if that issuer or any of its officers, directors, ten percent shareholders, promoters or any selling agents of the securities to be offered, or any officer, director, or partner of such selling agent:

(a) Has filed an application for registration which is the subject of a currently effective registration stop order entered pursuant to any federal, state, or provincial securities law within five years prior to the filing of the SCOR registration application;

(g) Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking or, within the past five years, has been the subject of an action of a securities regulator of a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, or investment adviser or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a foreign jurisdiction suspending or expelling such person from membership in such exchange or self-regulatory organization.

(2) The prohibitions of subsection (1)(a) through (c) and (e) of this section shall not apply if the person subject to the disqualification is duly licensed or registered to conduct securities related business in the state or province in which the administrative order or judgment was entered against such person, or if the broker-dealer employing such person is licensed or registered in this state and the Form BD filed in this state discloses the order, conviction, judgment, or decree relating to such person.

(3) No person disqualified under this section may act in any capacity other than that for which the person is licensed or registered. Any disqualification caused by this section is automatically waived if the jurisdiction which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that registration be denied.

(4) Executing a transaction on behalf of a customer without authorization to do so;

(5) Exercising any discretionary power in effecting a transaction for a customer's account without first obtaining written discretionary authority from the customer, unless the discretionary power relates solely to the time and/or price for the execution of orders;

(6) Executing any transaction in a margin account without securing from the customer a properly executed written margin agreement promptly after the initial transaction in the account;

(7) Failing to segregate customers' free securities or securities held in safekeeping;

An example of such practice would be a distribution of any nonfactual data, material or presentation based on conjecture, unfounded or unrealistic claims or assertions in any brochure, flyer, or display by words, pictures, graphs or otherwise designed to supplement, detract from, supersede or defeat the purpose or effect of any prospectus or disclosure;

(18) Failing to disclose that the broker-dealer is controlled by, controlling, affiliated with or under common control with the issuer of any security before entering into any contract with or for a customer for the purchase or sale of security, the existence of such control to such customer, and if such disclosure is not made in writing, it shall be supplemented by the giving or sending of written disclosure at or before the completion of the transaction;

WAC 460-21B-070 Supervision of securities salespersons. (1) In order to supervise its salespersons reasonably, a broker-dealer must designate a qualified person as supervisor for each salesperson. For the purpose of this section, that person shall be referred to as the "designated supervisor" of the salesperson or salespersons he or she supervises. To be qualified, a designated supervisor must demonstrate competence by passing the examinations required by WAC 460-20B-040 to qualify as a broker-dealer.

(2) The administrator finds that a designated supervisor generally cannot reasonably supervise salespersons who conduct business at locations far from the principal place of business of the designated supervisor. A designated supervisor of salespersons (other than salespersons who are themselves designated supervisors) located in this state must maintain his or her principal place of business in this state or in a contiguous state, and that office may not, without the written permission of the administrator, be so distant from the principal place of business of any person for whose supervision the designated supervisor is responsible as to make it impractical for the designated supervisor to visit the premises at which the salesperson supervised works on at least a monthly basis.

[Statutory Authority: RCW 21.20.070 and 21.20.450, 95-16-026, § 460-21B-070, filed 7/21/95, effective 8/21/95.]

(2009 Ed.)

WAC 460-21C-005 Application. (1) The rules in this chapter apply exclusively to broker-dealer services conducted by broker-dealers on the premises of a financial institution where retail deposits are taken.

(2) These rules do not alter or abrogate a broker-dealer's obligations to comply with other applicable laws, rules, or regulations that may govern the operations of broker-dealers and their agents, including, but not limited to, supervisory obligations.

(3) These rules do not apply to broker-dealer services provided to nonretail customers.

[Statutory Authority: RCW 21.20.100, 21.20.450, 00-05-055, § 460-21C-005, filed 2/14/00, effective 3/16/00.]

WAC 460-21C-010 Definitions. For purposes of this chapter, the following terms have the meanings indicated:

(1) "Financial institution" means federal and state-chartered banks, savings and loan associations, savings banks, credit unions, and the service corporations of such institutions located in this state.

(2) "Networking arrangement" means a contractual or other arrangement between a broker-dealer and a financial institution pursuant to which the broker-dealer conducts broker-dealer services on the premises of such financial institution where retail deposits are taken.

(3) "Broker-dealer services" means the investment banking or securities business as defined in paragraph (p) of Article I of the By-Laws of the National Association of Securities Dealers, Inc.

[Statutory Authority: RCW 21.20.100, 21.20.450, 00-05-055, § 460-21C-010, filed 2/14/00, effective 3/16/00.]

WAC 460-21C-020 Standards for broker-dealer conduct. No broker-dealer shall conduct broker-dealer services on the premises of a financial institution where retail deposits are taken unless the broker-dealer complies initially and continuously with the following requirements:

(1) Setting. Wherever practical, broker-dealer services shall be conducted in a physical location distinct from the area in which the financial institution's retail deposits are taken. In those situations where there is insufficient space to allow separate areas, the broker-dealer has a heightened responsibility to distinguish its services from those of the financial institution. In all situations, the broker-dealer shall identify its services in a manner that clearly distinguishes those services from the financial institution's retail deposit-taking activities. The broker-dealer's name shall be clearly displayed in the area in which the broker-dealer conducts its services.

(2) Networking arrangements and program management. Networking arrangements shall be governed by a written

agreement that sets forth the responsibilities of the parties and the compensation arrangements. Networking arrangements must provide that supervisory personnel of the broker-dealer and representatives of state securities authorities, where authorized by state law, will be permitted access to the financial institution's premises where the broker-dealer conducts broker-dealer services in order to inspect the books and records and other relevant information maintained by the broker-dealer with respect to its broker-dealer services. Management of the broker-dealer shall be responsible for ensuring that the networking arrangement clearly outlines the duties and responsibilities of all parties, including those of financial institution personnel.

(3) Customer disclosure and written acknowledgment.

(a) At or prior to the time that a customer's securities brokerage account is opened by a broker-dealer on the premises of a financial institution where retail deposits are taken, the broker-dealer shall:

(i) Disclose, orally and in writing, that the securities products purchased or sold in a transaction with the broker-dealer:

(A) Are not insured by the Federal Deposit Insurance Corporation ("FDIC") or the National Credit Union Administration ("NCUA"), as applicable.

(B) Are not deposits or other obligations of the financial institution and are not guaranteed by the financial institution; and

(C) Are subject to investment risks, including possible loss of the principal invested.

(ii) Make reasonable efforts to obtain from each customer during the account opening process a written acknowledgment of the disclosures required by (a)(i) of this subsection.

(b) If broker-dealer services include any written or oral representations concerning insurance coverage, other than FDIC insurance coverage, then clear and accurate written or oral explanations of the coverage must also be provided to the customers when such representations are first made.

[Statutory Authority: RCW 21.20.100, 21.20.450. 00-05-055, § 460-21C-020, filed 2/14/00, effective 3/16/00.]

WAC 460-21C-030 Communications with the public.

(1)(a) All of the broker-dealer's confirmations and account statements must indicate clearly that the broker-dealer services are provided by the broker-dealer.

(b) Advertisements and sales literature that announce the location of a financial institution where broker-dealer services are provided by the broker-dealer, or that are distributed by the broker-dealer on the premises of a financial institution, must disclose that securities products: Are not insured by the FDIC or NCUA; are not deposits or other obligations of the financial institution and are not guaranteed by the financial institution; and are subject to investment risks, including possible loss of the principal invested. The shorter, logo format described in subsection (2)(a) of this section may be used to provide these disclosures.

(c) Recommendations by a broker-dealer concerning nondeposit investment products with a name similar to that of a financial institution must only occur pursuant to policies and procedures reasonably designed to minimize risk of customer confusion.

[Title 460 WAC—p. 30]

(2)(a) The following shorter, logo format disclosures may be used by a broker-dealer in advertisements and sales literature, including material published, or designed for use, in radio or television broadcasts, automated teller machine ("ATM") screens, billboards, signs, posters and brochures, to comply with the requirements of subsection (1)(b) of this section, provided that such disclosures are displayed in a conspicuous manner:

- (i) Not FDIC insured;
- (ii) Not NCUA insured;
- (iii) No bank guarantee;
- (iv) May lose value.

(b) As long as the omission of the disclosures required by subsection (1)(b) of this section would not cause the advertisement or sales literature to be misleading in light of the context in which the material is presented, such disclosures are not required with respect to messages contained in:

- (i) Radio broadcasts of thirty seconds or less;
- (ii) Electronic signs, including billboard-type signs that are electronic, time, and temperature signs and ticker tape signs, but excluding messages contained in such media as television, on-line computer services, or ATMs; and
- (iii) Signs, such as banners and posters, when used only as location indicators.

WAC 460-21C-040 Notification of termination. The broker-dealer must promptly notify the financial institution if any agent of the broker-dealer who is employed by the financial institution is terminated for cause by the broker-dealer.

[Statutory Authority: RCW 21.20.100, 21.20.450. 00-05-055, § 460-21C-040, filed 2/14/00, effective 3/16/00.]

(1) **You notify the director.** You notify the director promptly on Form ADV that you have or may have custody;

(2) **A qualified custodian maintains your clients' funds and securities.**

(a) A qualified custodian maintains your clients' funds and securities:

(i) In a separate account for each client under that client's name; or

(ii) In accounts that contain only your clients' funds and securities, under either your name as agent or trustee for the clients or, in the case of a pooled investment vehicle that you manage, in the name of the pooled investment vehicle; and

(b) You maintain a separate record for each such account which shows the name and address of the qualified custodian where such account is maintained, the dates and amounts of deposits in and withdrawals from such account, and the exact amount of each client's beneficial interest in such account;

(3) **You notify clients of the identity of the qualified custodian.** If you open an account with a qualified custodian on your client's behalf, either under the client's name, under your name as agent, or under the name of a pooled investment vehicle, you notify the client in writing of the qualified custodian's name, address, and the manner in which the funds or securities are maintained, promptly when the account is opened and following any changes to this information;

(4) **Either you or a qualified custodian sends account statements to your clients.** You or a qualified custodian sends your clients account statements subject to the following requirements:

(a) **Requirements if qualified custodian sends account statements.** If you do not send account statements to your

clients, you have a reasonable basis for believing that the qualified custodian sends an account statement, at least quarterly, to each of your clients for which the qualified custodian maintains funds or securities, identifying the amount of funds and of each security in the account at the end of the period and setting forth all transactions in the account during that period;

(b) **Requirements if you send account statements.** If the qualified custodian does not send account statements to your clients:

(ii) An independent certified public accountant verifies all client funds and securities by actual examination at least once during each calendar year at a time that is chosen by the accountant without prior notice or announcement to you and that is irregular from year to year, and files a copy of the special examination report with the director within thirty days after the completion of the examination, stating that it has examined the funds and securities and describing the nature and extent of the examination; and

(iii) The independent certified public accountant, upon finding any material discrepancies during the course of the examination, notifies the director within one business day of the finding, by means of a facsimile transmission or electronic mail, followed by first class mail, directed to the attention of the director; and

(c) **Account statements are sent to limited partners and members of limited liability companies that you advise.** If you are a general partner of a limited partnership (or managing member of a limited liability company, or hold a comparable position for another type of pooled investment vehicle), the account statements required under this subsection are sent to each limited partner (or member or other beneficial owner); and

(5) **A client may designate an independent representative to receive account statements.** A client may designate an independent representative to receive, on his or her behalf, notices and account statements as required under subsections (3) and (4) of this section.

WAC 460-24A-110 Agency cross transactions. (a) For purposes of this rule, "agency cross transaction for an advisory client" means a transaction in which a person acts as an investment adviser in relation to a transaction in which the investment adviser, or any person controlling, controlled by, or under common control with such investment adviser, including an investment adviser representative, acts as a broker-dealer for both the advisory client and another person on the other side of the transaction. When acting in such capacity such person is required to be registered as a broker-dealer in this state unless excluded from the definition.

(b) An investment effecting an agency cross transaction for an advisory client shall be in compliance with RCW 21.20.020(3) if the following conditions are met:

(1) The advisory client executes a written consent prospectively authorizing the investment adviser to effect agency cross transactions for such client;

(2) Before obtaining such written consent from the client, the investment adviser makes full written disclosure to the client that, with respect to agency cross transactions, the investment adviser will act as broker-dealer for, receive commissions from and have a potentially conflicting division of loyalties and responsibilities regarding both parties to the transactions;

(3) At or before the completion of each agency cross transaction, the investment adviser or any other person relying on this rule sends the client a written confirmation. The written confirmation shall include (A) a statement of the nature of the transaction, (B) the date the transaction took place (C) an offer to furnish, upon request, the time when the transaction took place and (D) the source and amount of any other remuneration the investment adviser received or will receive in connection with the transaction. In the case of a purchase, if the investment adviser was not participating in a distribution, or, in the case of a sale, if the investment adviser was not participating in a tender offer, the written confirmation may state whether the investment adviser has been receiving or will receive any other remuneration and that the investment adviser will furnish the source and amount of

such remuneration to the client upon the client's written request;

(4) At least annually, and with or as part of any written statement or summary of the account from the investment adviser, the investment adviser or any other person relying on this rule sends each client a written disclosure statement identifying (A) the total number of agency cross transactions during the period for the client since the date of the last such statement or summary and (B) the total amount of all commissions or other remuneration the investment adviser received or will receive in connection with agency cross transactions for the client during the period;

(5) Each written disclosure and confirmation required by this rule must include a conspicuous statement that the client may revoke the written consent required under subsection (b)(1) of this rule at any time by providing written notice to the investment adviser;

(6) No agency cross transaction may be effected in which the same investment adviser recommended the transaction to both any seller and any purchaser.

(c) Nothing in this rule shall be construed to relieve an investment adviser or investment adviser representative from acting in the best interest of the client, including fulfilling his duty with respect to the best price and execution for the particular transaction for the client nor shall it relieve any investment adviser or investment adviser representative of any other disclosure obligations imposed by the Securities Act of Washington, chapter 21.20 RCW, and the rules and regulations thereunder.

WAC 460-24A-220 Unethical business practices—Investment advisers and federal covered advisers. A person who is an investment adviser or a federal covered adviser is a fiduciary and has a duty to act primarily for the benefit of its clients. The provisions of this subsection apply to federal covered advisers to the extent that the conduct alleged is fraudulent, deceptive, or as otherwise permitted by the National Securities Markets Improvement Act of 1996 (Pub. L. No. 104-290). While the extent and nature of this duty varies according to the nature of the relationship with the client and the circumstances of each case, in accordance with RCW 21.20.020 (1)(c) and 21.20.110 (1)(g) an investment adviser

or a federal covered adviser shall not engage in dishonest or unethical business practices, including the following:

(1) Recommending to a client to whom investment supervisory, management or consulting services are provided the purchase, sale or exchange of any security without reasonable grounds to believe that the recommendation is suitable for the client on the basis of information furnished by the client after reasonable inquiry concerning the client's investment objectives, financial situation and needs, and any other information known by the investment adviser.

(2) Exercising any discretionary power in placing an order for the purchase or sale of securities for a client without obtaining written discretionary authority from the client within ten business days after the date of the first transaction placed pursuant to oral discretionary authority, unless the discretionary power relates solely to the price at which, or the time when, an order involving a definite amount of a specified security shall be executed, or both.

(3) Inducing trading in a client's account that is excessive in size or frequency in view of the financial resources, investment objectives and character of the account in light of the fact that an adviser in such situations can directly benefit from the number of securities transactions effected in a client's account. The rule appropriately forbids an excessive number of transaction orders to be induced by an adviser for a "customer's account."

(4) Placing an order to purchase or sell a security for the account of a client without authority to do so.

(5) Placing an order to purchase or sell a security for the account of a client upon instruction of a third party without first having obtained a written third-party trading authorization from the client.

(6) Borrowing money or securities from a client unless the client is a broker-dealer, an affiliate of the investment adviser, or a financial institution engaged in the business of loaning funds.

(7) Loaning money to a client unless the investment adviser is a financial institution engaged in the business of loaning funds or the client is an affiliate of the investment adviser.

(8) To misrepresent to any advisory client, or prospective advisory client, the qualifications of the investment adviser or any employees of the investment adviser, or to misrepresent the nature of the advisory services being offered or fees to be charged for such service, or to omit to state a material fact necessary to make the statements made regarding qualifications, services or fees, in light of the circumstances under which they are made, not misleading.

(9) Providing a report or recommendation to any advisory client prepared by someone other than the adviser without disclosing that fact. (This prohibition does not apply to a situation where the adviser uses published research reports or statistical analyses to render advice or where an adviser orders such a report in the normal course of providing service.)

(10) Charging a client an unreasonable advisory fee.

(11) Failing to disclose to clients in writing before any advice is rendered any material conflict of interest relating to the adviser or any of its employees which could reasonably be expected to impair the rendering of unbiased and objective advice including:

(a) Compensation arrangements connected with advisory services to clients which are in addition to compensation from such clients for such services; and

(b) Charging a client an advisory fee for rendering advice when a commission for executing securities transactions pursuant to such advice will be received by the adviser or its employees.

(12) Guaranteeing a client that a specific result will be achieved (gain or no loss) with advice which will be rendered.

(13) Publishing, circulating or distributing any advertisement which does not comply with Rule 206(4)-1 under the Investment Advisers Act of 1940.

(14) Disclosing the identity, affairs, or investments of any client unless required by law to do so, or unless consented to by the client.

(15) Taking any action, directly or indirectly, with respect to those securities or funds in which any client has any beneficial interest, where the investment adviser has custody or possession of such securities or funds when the adviser's action is subject to and does not comply with the requirements of Reg. 206(4)-2 under the Investment Advisers Act of 1940.

(16) Entering into, extending or renewing any investment advisory contract unless such contract is in writing and discloses, in substance, the services to be provided, the term of the contract, the advisory fee, the formula for computing the fee, the amount of prepaid fee to be returned in the event of contract termination or nonperformance, whether the contract grants discretionary power to the adviser and that no assignment of such contract shall be made by the investment adviser without the consent of the other party to the contract.

(17) Failing to establish, maintain, and enforce written policies and procedures reasonably designed to prevent the misuse of material nonpublic information contrary to the provisions of Section 204A of the Investment Advisers Act of 1940.

(18) Entering into, extending, or renewing any advisory contract contrary to the provisions of section 205 of the Investment Advisers Act of 1940. This provision shall apply to all advisers registered or required to be registered under the Securities Act of Washington, chapter 21.20 RCW, notwithstanding whether such adviser would be exempt from federal registration pursuant to section 203(b) of the Investment Advisers Act of 1940.

(19) To indicate, in an advisory contract, any condition, stipulation, or provisions binding any person to waive compliance with any provision of the Securities Act of Washington, chapter 21.20 RCW, or of the Investment Advisers Act of 1940, or any other practice contrary to the provisions of section 215 of the Investment Advisers Act of 1940.

(20) Engaging in any act, practice, or course of business which is fraudulent, deceptive, or manipulative contrary to the provisions of section 206(4) of the Investment Advisers Act of 1940, notwithstanding the fact that such investment adviser is not registered or required to be registered under section 203 of the Investment Advisers Act of 1940.

(21) Engaging in conduct or any act, indirectly or through or by any other person, which would be unlawful for such person to do directly under the provisions of the Securities

ties Act of Washington, chapter 21.20 RCW, or any rule or regulation thereunder.

(22) Using any term or abbreviation thereof in a manner that misleadingly states or implies that a person has special expertise, certification, or training in financial planning, including, but not limited to, the misleading use of a senior-specific certification or designation as set forth in WAC 460-25A-020.

The conduct set forth above is not inclusive. Engaging in other conduct such as nondisclosure, incomplete disclosure, or deceptive practices shall be deemed an unethical business practice. The federal statutory and regulatory provisions referenced herein shall apply to investment advisers and federal covered advisers, to the extent permitted by the National Securities Markets Improvement Act of 1996 (Pub. L. No. 104-290).

WAC 460-25A-010 Purpose of chapter. The rules in this chapter apply to the use of senior certifications and designations.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-010, filed 6/19/08, effective 7/20/08.]

WAC 460-25A-020 Use of senior-specific certifications and professional designations. (1) Consistent with the model rule on the use of senior-specific certifications and professional designations adopted by the North American Securities Administrators Association, Inc. on March 20, 2008, the use of a senior-specific certification or designation by any person in connection with the offer, sale, or purchase of securities, or the provision of advice as to the value of or the advisability of investing in, purchasing, or selling securities, either directly or indirectly or through publications or writings, or by issuing or promulgating analyses or reports relating to securities, that indicates or implies that the user has special certification or training in advising or servicing senior citizens or retirees, in such a way as to mislead any person shall be a dishonest and unethical practice within the meaning of RCW 21.20.020 (1)(c) and 21.20.110 (1)(g).

(2) The prohibited use of such certifications or professional designations includes, but is not limited to, the following:

(2009 Ed.)

(a) Use of a certification or professional designation by a person who has not actually earned or is otherwise ineligible to use such certification or designation;

(b) Use of a nonexistent or self-conferred certification or professional designation;

(c) Use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training, or experience that the person using the certification or professional designation does not have; and

(d) Use of a certification or professional designation that was obtained from a designating or certifying organization that:

(i) Is primarily engaged in the business of instruction in sales and/or marketing;

(ii) Does not have reasonable standards or procedures for assuring the competency of its designees or certificants;

(iii) Does not have reasonable standards or procedures for monitoring and disciplining its designees or certificants for improper or unethical conduct; or

(iv) Does not have reasonable continuing education requirements for its designees or certificants in order to maintain the designation or certificate.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-020, filed 6/19/08, effective 7/20/08.]

WAC 460-25A-030 Designations awarded by recognized designating or certifying organizations. There is a rebuttable presumption that a designating or certifying organization is not disqualified solely for purposes of WAC 460-25A-020 (2)(d) when the organization has been accredited by:

(1) The American National Standards Institute;

(2) The National Commission for Certifying Agencies;

or

(3) An organization that is on the United States Department of Education's list entitled "Accrediting Agencies Recognized for Title IV Purposes" and the designation or credential issued therefrom does not primarily apply to sales and/or marketing.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-030, filed 6/19/08, effective 7/20/08.]

WAC 460-25A-040 Factors considered to determine whether a term is a senior-specific certification or professional designation. In determining whether a combination of words (or an acronym standing for a combination of words) constitutes a certification or professional designation indicating or implying that a person has special certification or training in advising or servicing senior citizens or retirees, factors to be considered shall include:

(1) Use of one or more words such as a "senior," "retirement," "elder," or like words, combined with one or more words such as "certified," "registered," "chartered," "adviser," "specialist," "consultant," "planner," or like words, in the name of the certification or professional designation; and

(2) The manner in which those words are combined.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-040, filed 6/19/08, effective 7/20/08.]

WAC 460-25A-050 Exception for certain job titles.

(1) There is a rebuttable presumption that a certification or professional designation does not include a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency, when that job title:

(a) Indicates seniority or standing within the organization; or

(b) Specifies an individual's area of specialization within the organization.

(2) For purposes of this section, financial services regulatory agency includes, but is not limited to, an agency that regulates broker-dealers, investment advisers, or investment companies as defined under the Investment Company Act of 1940.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-050, filed 6/19/08, effective 7/20/08.]

WAC 460-25A-060 Application of chapter not exclusive. Nothing in this chapter shall limit the director's authority to enforce existing provisions of law.

[Statutory Authority: RCW 21.20.450, 21.20.020 (1)(c), 21.20.110 (1)(g), 08-14-006, § 460-25A-060, filed 6/19/08, effective 7/20/08.]

WAC 460-33A-035 Limitations on the use of optional registration of this chapter. Unless the director makes a special notation on the permit issued to the mortgage broker-dealer granting permission to offer the following types of securities based upon a showing that the investors will be adequately protected, the following types of securities cannot be offered or sold under the rules of this chapter:

(1) Offerings involving construction loans may not be sold using the rules of this chapter unless the loan to value ratio, as determined utilizing the current value of the property without considering future improvements, is within the limits established by subsection (7) of this section.

(2) Offerings involving the mortgage broker-dealer, its officers, agents, affiliates, and persons controlling the mortgage broker-dealer or affiliates may not be sold as part of the optional registration of the rules of this chapter unless the registration with the director includes a full description of these transactions. An offering "involves" the persons listed where the person is the owner, the borrower, or has an interest in the proceeds other than fees, commissions, or mark-ups.

(3) Offerings involving documents reserving the right to subordinate the position of any investor to any mortgage, trust deed or lien created at or after the sale.

(4) Offerings involving pooling or participations involving more than ten investors may not be sold under the optional registration of the rules of this chapter. However, where only first liens are involved and the note amount equals or exceeds one hundred thousand dollars, the registrant may sell to up to twenty five investors. A husband and wife and their dependents may be counted as one investor.

(5) Offerings in which the real property or other collateral securing the notes, bonds or obligations is not within this state unless the general offering circular contains disclosure of all material facts concerning the relevant laws of the state in which the real property is situated and a risk factor discussing the risks of investing in out-of-state real estate.

(6) Offerings involving notes, bonds, or obligations secured by a single mortgage, deed of trust or real estate contract or a single group of mortgages, deeds of trust or real estate contracts that are not identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being a lender, and the sale to each purchaser or investor is not upon the same terms; provided however, an offering may be subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued.

(7) Offerings in which the aggregate principal amount of the notes, bonds or obligations sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, exceed the following percentages of the current market value (as determined by WAC 460-33A-105) of the real property:

(a) Single-family residences - eighty percent.

(b) Commercial and income-producing properties - seventy percent.

(c) Unimproved property which has been zoned for commercial or residential development - fifty percent. For purposes of this section, "unimproved property" includes real property with structures that cannot be legally occupied, do not substantially conform with the appraisal of the property prepared pursuant to WAC 460-33A-105, or otherwise lack the functional attributes or basic amenities customarily found in the type of structures in question.

(d) Other real property - forty percent.

(8) Offerings involving real estate paper in which a default in any note, bond or obligation will not be a default in all notes, bonds or obligations concerning a specific loan.

(9) Offerings in which the following actions may be taken on behalf of the investors without the consent of investors holding a majority percentage of the unpaid dollar amount of notes, bonds, or obligations:

(a) Consenting to the sale or transfer by the borrower of the collateral securing the loan, or the substitution of a new borrower;

(b) Approving any modification to the loan which decreases the rate of interest payable to the investors;

(c) Deferring or forgiving the payment of any principal or interest;

(d) Making any agreements concerning the release, substitution, or exchange of any collateral, or any portion of the collateral, for the loan;

(e) Entering into any agreement to reduce the principal amount of the loan (except for actual payments of principal);

(f) Making any concession with respect to compliance with any material obligations imposed by the instruments evidencing or securing the loan; or

(g) Extending or renewing the loan.

(10) Loans in which investors are required to designate the servicing agent as their attorney-in-fact with respect to documents and instruments, other than those described below, which would otherwise require signing or other action by the investors:

(a) Escrow instructions concerning the closing and collection of the loan;

(b) Instruments necessary to substitute investors; and

(c) Partial or full satisfaction or release of the deed of trust or other security instrument pursuant to the provisions

of the deed of trust or security agreement upon receipt of the appropriate payment.

(11) Offerings in which the investors holding a majority percentage of the unpaid dollar amount of any loan may not remove the servicing agent.

(12) A registrant requesting a modification under this section must request it in writing and must provide satisfactory evidence that the interest of the public will be adequately protected.

The costs of such an appraisal shall be the responsibility of the mortgage paper security investors unless the mortgage broker-dealer agrees to pay for the appraisal.

(i) The right of investors holding a majority percentage of the interest in the property to remove the mortgage broker-dealer as the servicing agent in accordance with WAC 460-33A-035(11).

(5) If the terms of the purchase and sale agreement include seller financing, the disclosure document required in this section shall disclose the following in addition to the disclosure required under subsection (4) of this section:

(a) A loan application completed by the prospective buyer;

(b) The credit report of the prospective buyer;

(c) The financial statements of the prospective buyer, if available;

(d) A comparison of the loan terms in the original offering with those proposed in the purchase and sale agreement; and

WAC 460-44A-300 Exemption for offers and sales to accredited investors pursuant to a public solicitation. (1)

Any offer or sale of a security by an issuer in a transaction that meets the requirements of this rule and any exemption adopted by the Securities and Exchange Commission pursuant to Section 3(b) of the Securities Act of 1933 which provides for public solicitation of accredited investors, shall be exempt under RCW 21.20.320(17).

(2) Sales of securities shall be made only to persons who are or the issuer reasonably believes are accredited investors. "Accredited investor" shall have the meaning indicated in WAC 460-44A-501(1).

(3) The exemption is not available to an issuer that is in the development stage that either has no specific business plan or purpose or has indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies, or other entity or person.

(4) The issuer reasonably believes that all purchasers are purchasing for investment and not with the view to or for sale in connection with a distribution of the security. Any resale of a security sold in reliance on this exemption within twelve months of sale shall be presumed to be with a view to distribution and not for investment, except a resale pursuant to a registration statement effective under RCW 21.20.190 or 21.20.230 or to an accredited investor pursuant to an exemption available under the Securities Act of Washington, chapter 21.20 RCW. Securities issued under this exemption may only be resold pursuant to registration or an exemption under the Securities Act of Washington, chapter 21.20 RCW.

(5)(a) The exemption is not available to an issuer if the issuer, any of the issuer's predecessors, any affiliated issuer, any of the issuer's directors, officers, general partners, beneficial owners of ten percent or more of any class of its equity securities, any of the issuer's promoters presently connected with the issuer in any capacity, any underwriter of the securities to be offered, or any partner, director or officer of such underwriter:

(i) Within the last five years, has filed a registration statement which is the subject of a currently effective registration stop order entered by any state securities administrator or the United States Securities and Exchange Commission;

(ii) Within the last five years, has been convicted of any criminal offense in connection with the offer, purchase or sale of any security, or involving fraud or deceit;

(iii) Is currently subject to any state or federal administrative enforcement order or judgment, entered within the last five years, finding fraud or deceit in connection with the purchase or sale of any security; or

(iv) Is currently subject to any order, judgment or decree of any court of competent jurisdiction, entered with [within] the last five years, temporarily, preliminarily or permanently restraining or enjoining such party from engaging in or continuing to engage in any conduct or practice involving fraud or deceit in connection with the purchase or sale of any security.

(b) Subsection (5)(a) shall not apply if:

(i) The party subject to the disqualification is licensed or registered to conduct securities related business in the state in

which the order, judgment or decree creating the disqualification was entered against such party;

(ii) Before the first offer under this exemption, the state securities administrator, or the court or regulatory authority that entered the order, judgment or decree, waives the disqualification; or

(iii) The issuer establishes that it did not know and in the exercise of reasonable care, based on a factual inquiry, could not have known that a disqualification existed under subsection (5)(a).

(6)(a) A general announcement of the proposed offering may be made by any means.

(b) The general announcement shall include only the following information, unless additional information is specifically permitted by the securities administrator:

(i) The name, address and telephone number of the issuer of the securities;

(ii) The name, a brief description and price (if known) of any security to be issued;

(iii) A brief description of the business of the issuer in twenty-five words or less;

(iv) The type, number and aggregate amount of securities being offered;

(v) The name, address and telephone number of the person to contact for additional information; and

(vi) A statement that:

(A) Sales will only be made to accredited investors;

(B) No money or other consideration is being solicited or will be accepted by way of this general announcement; and

(C) The securities have not been registered with or approved by any state securities agency or the U.S. Securities and Exchange Commission and are being offered and sold pursuant to an exemption from registration.

(7) The issuer, in connection with an offer, may provide information in addition to the general announcement under subsection (6), if such information:

(a) Is delivered through an electronic data base that is restricted to persons who have been prequalified as accredited investors; or

(b) Is delivered after the issuer reasonably believes that the prospective purchaser is an accredited investor.

(8) No telephone solicitation shall be permitted unless prior to placing the call, the issuer reasonably believes that the prospective purchaser to be solicited is an accredited investor.

(9) Dissemination of the general announcement of the proposed offering to persons who are not accredited investors shall not disqualify the issuer from claiming the exemption under this rule.

(10) The issuer shall file with the administrator a notice of transaction, a consent to service of process, a copy of the general announcement, and a fee of three hundred dollars within fifteen days after the first sale in this state.

[Statutory Authority: RCW 21.20.450 and 21.20.320(17). 97-16-121, § 460-44A-300, filed 8/6/97, effective 9/6/97.]

WAC 460-44A-500 Preliminary notes. (1) The rules of WAC 460-44A-501 through 460-44A-508 relate to transactions exempted from the registration requirements of the Federal Securities Act of 1933 that are also exempted or pre-empted from RCW 21.20.140. WAC 460-44A-504 is an

exemption from registration for offerings exempted under Securities and Exchange Commission Rule 504 or Rule 147. WAC 460-44A-505 is an exemption from registration for offerings exempted under Securities and Exchange Commission Rule 505. WAC 460-44A-506 establishes certain conditions for offerings exempted under Securities and Exchange Commission Rule 506. Unless expressly provided otherwise, such transactions are not exempt from anti-fraud, civil liability, or other provisions of the federal and state securities laws. Issuers are reminded of their obligation to provide such further material information, if any, as may be necessary to make the information required under these rules, in light of the circumstances under which it is furnished, not misleading.

(2) Attempted compliance with the exemption of WAC 460-44A-504, 460-44A-505, or 460-44A-506 does not act as an exclusive election; the issuer can also claim the availability of any other applicable exemption.

(3) These rules are available only to the issuer of the securities and not to any affiliate of that issuer or to any other person for resale of the issuer's securities. The rules provide an exemption only for the transactions in which the securities are offered or sold by the issuer, not for the securities themselves.

(4) In any proceeding involving the rules in WAC 460-44A-501 through 460-44A-508, the burden of proving the exemption, an exception from a definition or condition, or preemption, is upon the person claiming it.

(5) For offerings commenced but not completed prior to the amendment of WAC 460-44A-501 through 460-44A-508, issuers may opt to follow the rules in effect at the date of filing notice of the offering.

(6) Securities offered and sold outside the United States in accordance with Securities and Exchange Commission Regulation S need not be registered under chapter 21.20 RCW. Regulation S may be relied upon for such offers and sales even if coincident offers and sales are made in accordance with Regulation D and WAC 460-44A-501 through 460-44A-508 inside the United States. Thus, for example, persons who are offered and sold securities in accordance with Regulation S would not be counted in the calculation of the number of purchasers under Regulation D and WAC 460-44A-501 through 460-44A-508. Similarly proceeds from such sales would not be included in the aggregate offering price. The provisions of this subsection, however, do not apply if the issuer elects to rely solely on Regulation D for offers or sales to persons made outside the United States.

(7) These rules have been amended in recognition of the amendment of Regulation D by the Securities and Exchange Commission (SEC) to authorize the filing of Form D in electronic format with the SEC through the Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) in accordance with EDGAR rules set forth in Regulation S-T (17 CFR Part 232) as described in Securities and Exchange Commission Securities Act Release No. 8891. WAC 460-44A-503 (1)(b) authorizes an issuer to file Temporary Form D (17 CFR 239.500T) together with an executed uniform consent to service of process on Form U-2 while Temporary Form D remains in effect or a copy of the notice of sales on Form D filed electronically or in paper format with the SEC (17 CFR 239.500) until an electronic filing system acceptable to the

administrator of securities of the department of financial institutions is implemented that permits the electronic filing of Form D with the administrator or his or her designee.

WAC 460-44A-501 Definitions and terms. As used in rules WAC 460-44A-501 through 460-44A-508, the following terms shall have the meaning indicated:

(1) "Accredited investor" shall mean any person who comes within any of the following categories, or who the issuer reasonably believes comes within any of the following categories, at the time of the sale of the securities to that person:

(a) Any bank as defined in section 3 (a)(2) of the Securities Act of 1933, or any savings and loan association or other institution as defined in section 3 (a)(5)(A) of the Securities Act of 1933 whether acting in its individual or fiduciary capacity; any broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934; any insurance company as defined in section 2(13) of the Securities Act of 1933; any investment company registered under the Investment Company Act of 1940 or a business development company as defined in section 2 (a)(48) of that act; any small business investment company licensed by the U.S. Small Business Administration under section 301 (c) or (d) of the Small Business Investment Act of 1958; any plan established and maintained by a state, its political subdivisions, or any agency or instrumentality of a state or its political subdivisions, for the benefit of its employees, if such plan has total assets in excess of \$5,000,000; any employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974 if the investment decision is made by a plan fiduciary, as defined in section 3(21) of such act, which is either a bank, savings and loan association, insurance company, or registered investment adviser, or if the employee benefit plan has total assets in excess of \$5,000,000 or, if a self-directed plan, with investment decisions made solely by persons that are accredited investors;

(b) Any private business development company as defined in section 202 (a)(22) of the Investment Advisers Act of 1940;

(c) Any organization described in section 501 (c)(3) of the Internal Revenue Code, corporation, Massachusetts or similar business trust, or partnership, not formed for the specific purpose of acquiring the securities offered, with total assets in excess of \$5,000,000;

(d) Any director, executive officer, or general partner of the issuer of the securities being offered or sold, or any direc-

tor, executive officer, or general partner of a general partner of that issuer;

(e) Any natural person whose individual net worth, or joint net worth with that person's spouse, at the time of his purchase exceeds \$1,000,000;

(f) Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person's spouse in excess of \$300,000 in each of those years and has a reasonable expectation of reaching the same income level in the current year;

(g) Any trust, with total assets in excess of \$5,000,000, not formed for the specific purpose of acquiring the securities offered, whose purchase is directed by a sophisticated person as described in 17 CFR Sec. 230.506 (b)(2)(ii); and

(h) Any entity in which all of the equity owners are accredited investors.

(2) "Affiliate" an "affiliate" of, or person "affiliated" with, a specified person shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified;

(3) "Aggregate offering price" shall mean the sum of all cash, services, property, notes, cancellation of debt, or other consideration to be received by an issuer for issuance of its securities. Where securities are being offered for both cash and noncash consideration, the aggregate offering price shall be based on the price at which the securities are offered for cash. Any portion of the aggregate offering price attributable to cash received in a foreign currency shall be translated into United States currency at the currency exchange rate in effect at a reasonable time prior to or on the date of the sale of the securities. If securities are not offered for cash, the aggregate offering price shall be based on the value of the consideration as established by bona fide sales of that consideration made within a reasonable time, or, in the absence of sales, on the fair value as determined by an accepted standard. Such valuations of noncash consideration must be reasonable at the time made;

(4) "Business combination" shall mean any transaction of the type specified in paragraph (a) of Rule 145 under the Securities Act of 1933 and any transaction involving the acquisition by one issuer, in exchange for all or a part of its own or its parent's stock, of stock of another issuer if, immediately after the acquisition, the acquiring issuer has control of the other issuer (whether or not it had control before the acquisition);

(5) "Calculation of number of purchasers." For purposes of calculating the number of purchasers under WAC 460-44A-504 and 460-44A-505 the following shall apply:

(a) The following purchasers shall be excluded:

(i) Any relative, spouse or relative of the spouse of a purchaser who has the same principal residence as the purchaser;

(ii) Any trust or estate in which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (iii) collectively have more than fifty percent of the beneficial interest (excluding contingent interests);

(iii) Any corporation or other organization of which a purchaser and any of the persons related to him as specified in WAC 460-44A-501 (5)(a)(i) or (ii) collectively are beneficial owners of more than fifty percent of the equity securities

(excluding directors' qualifying shares) or equity interests; and

(iv) Any accredited investor.

(b) A corporation, partnership or other entity shall be counted as one purchaser. If, however, that entity is organized for the specific purpose of acquiring the securities offered and is not an accredited investor under WAC 460-44A-501 (1)(h), then each beneficial owner of equity securities or equity interests in the entity shall count as a separate purchaser for all provisions of WAC 460-44A-501 through 460-44A-508, except to the extent provided in (a) of this subsection.

(c) A noncontributory employee benefit plan within the meaning of Title I of the Employee Retirement Income Security Act of 1974 shall be counted as one purchaser where the trustee makes all investment decisions for the plan.

Note: The issuer must satisfy all the other provisions of WAC 460-44A-501 through 460-44A-505 for all purchasers whether or not they are included in calculating the number of purchasers. Clients of an investment adviser or customers of a broker-dealer shall be considered the "purchasers" under WAC 460-44A-501 through 460-44A-505 regardless of the amount of discretion given to the investment adviser or broker-dealer to act on behalf of the client or customer.

(6) "Executive officer" shall mean the president, any vice-president in charge of a principal business unit, division or function (such as sales, administration or finance), or any other officer who performs a policy making function, or any other person who performs similar policy making functions for the issuer. Executive officers of subsidiaries may be deemed executive officers of the issuer if they perform such policy making functions for the issuer.

(7) "Issuer" as defined in Section 2(4) of the Securities Act of 1933 or RCW 21.20.005(7) shall apply, except that in the case of a proceeding under the Federal Bankruptcy Code (11 U.S.C. 101 et seq.), the trustee or debtor in possession shall be considered the issuer in an offering under a plan or reorganization, if the securities are to be issued under the plan.

(8) "Purchaser representative" shall mean any person who satisfies all of the following conditions or who the issuer reasonably believes satisfies all of the following conditions:

(a) Is not an affiliate, director, officer or other employee of the issuer, or beneficial owner of ten percent or more of any class of the equity securities or ten percent or more of the equity interest in the issuer, except where the purchaser is:

(i) A relative of the purchaser representative by blood, marriage or adoption and not more remote than a first cousin;

(ii) A trust or estate in which the purchaser representative and any person related to him as specified in WAC 460-44A-501 (8)(a)(i) or (iii) collectively have more than fifty percent of the beneficial interest (excluding contingent interest) or of which the purchaser representative serves as trustee, executor, or in any similar capacity; or

(iii) A corporation or other organization of which the purchaser representative and any persons related to him as specified in WAC 460-44A-501 (8)(a)(i) or (ii) collectively are the beneficial owners of more than 50 percent of the equity securities (excluding directors' qualifying shares) or equity interests;

(b) Has such knowledge and experience in financial and business matters that he is capable of evaluating, alone, or together with other purchaser representatives of the purchaser, or together with the purchaser, the merits and risks of the prospective investment;

(c) Is acknowledged by the purchaser in writing, during the course of the transaction, to be his purchaser representative in connection with evaluating the merits and risks of the prospective investment; and

(d) Discloses to the purchaser in writing a reasonable time prior to the sale of securities to that purchaser any material relationship between himself or his affiliates and the issuer or its affiliates that then exists, that is mutually understood to be contemplated, or that has existed at any time during the previous two years, and any compensation received or to be received as a result of such relationship.

Note 1: A person acting as a purchaser representative should consider the applicability of the registration and anti-fraud provisions relating to broker-dealers under chapter 21.20 RCW and the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq., as amended) and relating to investment advisers under chapter 21.20 RCW and the Investment Advisers Act of 1940.

Note 2: The acknowledgment required by paragraph (8)(c) and the disclosure required by paragraph (8)(d) of this WAC 460-44A-501 must be made with specific reference to each prospective investment. Advance blanket acknowledgment, such as for "all securities transactions" or "all private placements," is not sufficient.

Note 3: Disclosure of any material relationships between the purchaser representative or his affiliates and the issuer or its affiliates does not relieve the purchaser representative of his obligation to act in the best interest of the purchaser.

WAC 460-44A-502 General conditions to be met. The following conditions shall be applicable to offers and sales made under WAC 460-44A-504 or 460-44A-505:

(1) "Integration." All sales that are part of the same offering under these rules must meet all of the terms and conditions of these rules. Offers and sales that are made more than six months before the start of an offering or are made more than six months after completion of an offering, will not be considered part of that offering, so long as during those six month periods there are no offers or sales of securities by or for the issuer that are of the same or a similar class as those offered or sold under these rules, other than those offers or sales of securities under an employee benefit plan.

Note: The term "offering" is not defined in the securities acts. If the issuer offers or sells securities for which the safe harbor rule in WAC 460-44A-502(1) is unavailable, the determination as to whether separate sales of securities are part of the same offering (i.e. are considered "integrated") depends on the particular facts and circumstances. Generally, transactions otherwise meeting the requirements of an exemption will not be integrated with simultaneous offerings

being made outside the United States in compliance with Securities and Exchange Commission Regulation S.

The following factors should be considered in determining whether offers and sales should be integrated for purposes of the exemptions under these rules:

- (a) Whether the sales are part of a single plan of financing;
- (b) Whether the sales involve issuance of the same class of securities;
- (c) Whether the sales have been made at or about the same time;
- (d) Whether the same type of consideration is received; and
- (e) Whether the sales are made for the same general purpose.

See Securities and Exchange Commission Release No. 33-4552 (November 6, 1962).

(2) Information requirements.

(a) When information must be furnished.

If the issuer sells securities under WAC 460-44A-505 to any purchaser that is not an accredited investor, the issuer shall furnish the information specified in WAC 460-44A-502 (2)(b) to such purchaser a reasonable time prior to sale. The issuer is not required to furnish the specified information when it sells securities under WAC 460-44A-504, or to any accredited investor.

Note: When an issuer provides information to investors pursuant to WAC 460-44A-502 (2)(a), it should consider providing such information to accredited investors as well, in view of the anti-fraud provisions of the federal and state securities laws.

(b) Type of information to be furnished.

(i) If the issuer is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the following information, to the extent material to an understanding of the issuer, its business, and the securities being offered:

(A) Nonfinancial statement information. If the issuer is eligible to use Regulation A, the same kind of information as would be required in Part II of Form 1-A, 17 CFR Sec. 239.90. If the issuer is not eligible to use Regulation A, the same kind of information as required in Part I of a registration statement filed under the Securities Act on the form that the issuer would be entitled to use.

(B) Financial statement information.

(I) Offerings up to \$2,000,000. The information required in Item 310 of Regulation S-B, 17 CFR Sec. 228.310, except that only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited.

(II) Offerings up to \$5,000,000. The financial statement information required in Form SB-2, 17 CFR Sec. 239.10. If an issuer, other than a limited partnership, cannot obtain audited financial statements without unreasonable effort or expense, then only the issuer's balance sheet, which shall be dated within 120 days of the start of the offering, must be audited. If the issuer is a limited partnership and cannot obtain the required financial statements without unreasonable effort or expense, it may furnish financial statements that have been prepared on the basis of federal income tax requirements and examined and reported on in accordance

(2009 Ed.)

with generally accepted auditing standards by an independent public or certified accountant.

(C) If the issuer is a foreign private issuer eligible to use Form 20-F, the issuer shall disclose the same kind of information required to be included in a registration statement filed under the Securities Act of 1933 on the form that the issuer would be entitled to use. The financial statements need be certified only to the extent required by (2)(b)(i)(B)(I) or (II) of this subsection, as appropriate.

(ii) If the issuer is subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, at a reasonable time prior to the sale of securities the issuer shall furnish to the purchaser the information required by Securities and Exchange Commission Regulation D, Rule 502 (b)(2)(ii) as appropriate.

(iii) Exhibits required to be filed with the administrator of securities or the securities and exchange commission as part of a registration statement or report, other than an annual report to shareholders or parts of that report incorporated by reference in a Form 10-K and Form 10-KSB report, need not be furnished to each purchaser that is not an accredited investor if the contents of material exhibits are identified and such exhibits are made available to a purchaser, upon his written request, a reasonable time prior to his purchase.

(iv) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505, the issuer shall furnish to the purchaser a brief description in writing of any material written information concerning the offering that has been provided by the issuer to any accredited investor but not previously delivered to such unaccredited purchaser. The issuer shall furnish any portion or all of this information to the purchaser, upon his written request a reasonable time prior to his purchase.

(v) The issuer shall also make available to each purchaser at a reasonable time prior to his purchase of securities in a transaction under WAC 460-44A-505 the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and to obtain any additional information which the issuer possesses or can acquire without unreasonable effort or expense that is necessary to verify the accuracy of information furnished under WAC 460-44A-502 (2)(b)(i) or (ii).

(vi) For business combinations or exchange offers, in addition to information required by Form S-4, 17 CFR Sec. 239.25, the issuer shall provide to each purchaser at the time the plan is submitted to security holders, or, with an exchange, during the course of the transaction and prior to sale, written information about any terms or arrangements of the proposed transactions that are materially different from those for all other security holders. For purposes of this subsection, an issuer which is not subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934 may satisfy the requirements of Part I.B. or C. of Form S-4 by compliance with (b)(i) of this subsection.

(vii) At a reasonable time prior to the sale of securities to any purchaser that is not an accredited investor in a transaction under WAC 460-44A-505, the issuer shall advise the purchaser of the limitations on resale in the manner contained in subsection (4)(b) of this section. Such disclosure may be

contained in other materials required to be provided by this paragraph.

(3) Limitation on manner of offering. Neither the issuer nor any person acting on its behalf shall offer or sell the securities by any form of general solicitation or general advertising, including, but not limited to, the following:

(a) Any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio; and

(b) Any seminar or meeting whose attendees have been invited by any general solicitation or general advertising:

Provided, however, that publication by an issuer of a notice in accordance with 17 CFR Sec. 230.135c or filing with the Securities and Exchange Commission by an issuer of a notice of sales on Form D (17 CFR 239.500) in which the issuer has made a good faith and reasonable attempt to comply with the requirements of such form, shall not be deemed to constitute general solicitation or general advertising for purposes of this section: Provided further, that, if the requirements of 17 CFR Sec. 230.135e are satisfied, providing any journalist with access to press conferences held outside of the United States, to meetings with issuer or selling security holder representatives conducted outside of the United States, or to written press-related materials released outside the United States, at or in which a present or proposed offering of securities is discussed, will not be deemed to constitute general solicitation or general advertising for purposes of this section.

(4) Limitations on resale. Securities acquired in a transaction under WAC 460-44A-501 through 460-44A-505 shall have the status of restricted securities acquired in a nonpublic offering transaction under section 4(2) of the Securities Act of 1933 and RCW 21.20.320(1) and cannot be resold without registration under the Securities Act of Washington or an exemption therefrom. The issuer shall exercise reasonable care to assure that the securities are restricted and that the purchasers of the securities are not underwriters within the meaning of section 2(11) of the Securities Act of 1933, which reasonable care may be demonstrated by the following:

(a) Reasonable inquiry to determine if the purchaser is acquiring the securities for himself or for other persons;

(b) Written disclosure to each purchaser prior to sale that the securities have not been registered under the Securities Act of 1933, and the Washington administrator of securities has not reviewed or recommended the offering or offering circular and the securities have not been registered under the Securities Act of Washington, chapter 21.20 RCW, and, therefore, cannot be resold unless they are registered under the Securities Act of 1933 and the Securities Act of Washington chapter 21.20 RCW or unless an exemption from registration is available; and

(c) Placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under the Securities Act of 1933 and the Securities Act of Washington chapter 21.20 RCW and setting forth or referring to the restrictions on transferability and sale of the securities.

(d) A written disclosure or legend will be deemed to comply with the provisions of WAC 460-44A-502 (4)(b) or (c) if it complies with the North American Securities Admin-

istrators Association Uniform Disclosure Guidelines on Legends, NASAA Reports CCH Para. 1352 (1989).

While taking these actions will establish the requisite reasonable care, it is not the exclusive method to demonstrate such care. Other actions by the issuer may satisfy this provision. In addition, WAC 460-44A-502 (2)(b)(vii) requires the delivery of written disclosure of the limitations on resale to investors in certain instances.

WAC 460-44A-503 Filing of notice and payment of fee.

(1) An issuer offering or selling securities in reliance on WAC 460-44A-504, 460-44A-505, or 460-44A-506 shall file with the administrator of securities of the department of financial institutions or his or her designee a notice and pay a filing fee as follows:

(a)(i)(A) For an offering of a security in reliance upon the Securities Act of 1933, Regulation D, Rule 230.506 and RCW 21.20.327(2) and 21.20.320(1), the issuer shall file a notice on Securities and Exchange Commission Form D marking Rule 506 and pay a filing fee of three hundred dollars no later than fifteen days after the first sale of such securities in the state of Washington, unless the end of that period falls on a Saturday, Sunday or holiday, in which case the due date would be the first business day following.

(B) For an offering in reliance on Securities and Exchange Commission Rule 505 and WAC 460-44A-505, the issuer shall file the initial notice on Securities and Exchange Commission Form D marking Rule 505 and pay a filing fee of three hundred dollars no later than fifteen days after the first sale of securities in the state of Washington which results from an offer being made in reliance upon WAC 460-44A-505, unless the end of that period falls on a Saturday, Sunday or holiday, in which case the due date would be the first business day following;

(C) For an offering in reliance on Securities and Exchange Commission Rule 504 and WAC 460-44A-504, the issuer shall file the initial notice on Securities and Exchange Commission Form D marking Rule 504 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscription agreement by an investor in the state of Washington which results from an offer being made in reliance upon WAC 460-44A-504;

(D) For an offering in reliance on Securities and Exchange Commission Rule 147 and WAC 460-44A-504, the issuer shall file the initial notice on Washington Securities Division Form WAC 460-44A-504/Rule 147 and pay a filing fee of fifty dollars no later than ten business days (or such lesser period as the administrator may allow) prior to receipt of consideration or the delivery of a signed subscrip-

tion agreement by an investor in the state of Washington which results from an offer being made in reliance on the exemption of WAC 460-44A-504;

(ii) The issuer shall include with the initial notice a statement indicating:

(A) The date of first sale of securities in the state of Washington; or

(B) That sales have yet to occur in the state of Washington.

(b) The issuer shall file with the administrator or his or her designee such other notices on Form D as are required to be filed with the Securities and Exchange Commission. For purposes of this section, the initial notice on Securities and Exchange Commission Form D shall consist of either the Temporary Form D (17 CFR 239.500T) as adopted by the Securities and Exchange Commission together with an executed uniform consent to service of process on Form U-2 while Temporary Form D remains in effect from September 15, 2008 through March 15, 2009, or the notice of sales on Form D filed in paper or electronic format with the Securities and Exchange Commission through the Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) in accordance with EDGAR rules set forth in Regulation S-T (17 CFR Part 232) and in effect on September 15, 2008.

(c) If the issuer files a notice of sales on Temporary Form D or a copy of the notice of sales on Form D filed in electronic format with the Securities and Exchange Commission, it shall either be manually signed by a person duly authorized by the issuer or a photocopy of a manually signed copy.

(d) By filing for the exemption of WAC 460-44A-504 or 460-44A-505, the issuer undertakes to furnish to the administrator, upon request, the information to be furnished or furnished by the issuer under WAC 460-44A-502 (2)(b) or otherwise to any purchaser that is not an accredited investor. Failure to submit the information in a timely manner will be a ground for denial or revocation of the exemption of WAC 460-44A-504 or 460-44A-505.

(2) An issuer may file an amendment to a previously filed notice of sales on Form D at any time.

(3) An issuer must file an amendment to a previously filed notice of sales on Form D for an offering:

(a) To correct a material mistake of fact or error in the previously filed notice of sales on Form D, as soon as practicable after discovery of the mistake or error;

(b) To reflect a change in the information provided in the previously filed notice of sales on Form D, as soon as practicable after the change, except that no amendment is required to reflect a change that occurs after the offering terminates or a change that occurs solely in the following information:

(i) The address or relationship of the issuer of a related person identified in response to Item 3 of the notice of sales on Form D;

(ii) An issuer's revenues or aggregate net asset value;

(iii) The minimum investment amount, if the change is an increase, or if the change, together with all other changes in that amount since the previously filed notice of sales on Form D, does not result in a decrease of more than ten percent;

(iv) Any address or state(s) of solicitation shown in response to Item 12 of the notice of sales on Form D;

(v) The total offering amount, if the change is a decrease, or if the change, together with all other changes in that amount since the previously filed notice of sales on Form D, does not result in an increase of more than ten percent;

(vi) The amount of securities sold in the offering or the amount remaining to be sold;

(vii) The number of nonaccredited investors who have invested in the offering, as long as the change does not increase the number to more than thirty-five;

(viii) The total number of investors who have invested in the offering;

(ix) The amount of sales commissions, finders' fees or use of proceeds for payments to executive officers, directors or promoters, if the change is a decrease, or if the change, together with all other changes in that amount since the previously filed notice of sales on Form D, does not result in an increase of more than ten percent; and

(x) Annually, on or before the first anniversary of the filing of the notice of sales on Form D or the filing of the most recent amendment to the notice of sales on Form D, if the offering is continuing at that time.

(4) An issuer that files an amendment to a previously filed notice of sales on Form D must provide current information in response to all requirements of the notice of sales on Form D regardless of why the amendment is filed.

(5) Amendments to notices filed before September 15, 2008 and to notices filed on or after September 15, 2008 in paper format using Temporary Form D (17 CFR 239.500T) must use Temporary Form D but need only report the issuer's name and the information required by Part C and any material change in the facts from those set forth in Parts A and B.

WAC 460-44A-504 Exemption for limited offers and sales of securities not exceeding \$1,000,000 to not more than twenty purchasers. (1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.504 and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, 33-6825, 33-6863, 33-6949, 33-6996, 33-7300, 33-7644, and 33-8891, or in compliance with the Securities Act of 1933, Rule 230.147 as made effective in Release No. 33-5450, that satisfy the conditions in subsections (2) and (3) of this section shall be exempt under RCW 21.20.320(9).

(2) General conditions to be met. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503 and 460-44A-508.

(3) Specific conditions to be met.

(a) Limitation on aggregate offering price. The aggregate offering price for an offering of securities under this section,

as defined in WAC 460-44A-501(3), shall not exceed \$1,000,000, within or without this state, less the aggregate offering price for all securities sold within the twelve months before the start of and during the offering of securities under this section in reliance on any exemption under RCW 21.20.320(9) or sections 3 (a)(11) or 3(b) of the Securities Act of 1933 or in violation of RCW 21.20.140 or section 5(a) of the Securities Act of 1933.

(b) No commissions. No commission, fee, or other remuneration shall be paid or given, directly or indirectly, to any person for soliciting any prospective purchaser in the state of Washington.

(c) Limitation on number of purchasers. There are no more than or the issuer reasonably believes that there are no more than twenty purchasers of securities in this state from the issuer in any offering in reliance on this section.

(d) In all sales to nonaccredited investors in this state under this section the issuer and any person acting on its behalf shall have reasonable grounds to believe and after making reasonable inquiry shall believe that, as to each purchaser, one of the following conditions, (i) or (ii) of this subsection, is satisfied:

(i) The investment is suitable for the purchaser upon the basis of the facts, if any, disclosed by the purchaser as to his other security holdings and as to his financial situation and needs. For the purpose of this condition only, it may be presumed that if the investment does not exceed ten percent of the purchaser's net worth, it is suitable. This presumption is rebuttable; or

(ii) The purchaser either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is or they are capable of evaluating the merits and risks of the prospective investment.

(e) Disqualifications. No exemption under this section shall be available for the securities of any issuer if any of the parties described in the Securities Act of 1933, Regulation A, Rule 230.262 is disqualified for any of the reasons listed in WAC 460-44A-505 (2)(d) unless inapplicable or waived as set forth in WAC 460-44A-505 (2)(d)(vi) and (vii).

(f) Notice filing. The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(g) Advice about the limitations on resale.

The issuer, at a reasonable time prior to the sale of securities, shall advise each purchaser of the limitations on resale in the manner contained in WAC 460-44A-502 (4)(b).

(4) Transactions which are exempt under this section may not be combined with offers and sales exempt under any other rule or section of the Securities Act of Washington, however, nothing in this limitation shall act as an election. Should for any reason the offer and sale fail to comply with all of the conditions for the exemption of this section, the issuer may claim the availability of any other applicable exemption.

(5) WAC 460-44A-504 is not the exclusive method by which issuers may make offerings under Securities and Exchange Commission Rules 504 and 147. For example, offers and sales of an issuer in compliance with Securities and Exchange Commission Rule 504 or Rule 147 may also be registered by qualification under chapter 21.20 RCW. An issuer that qualifies may elect to register an offering pursuant

to the Small Company Offering Registration (SCOR) program as set out in chapter 460-17A WAC.

(6) Issuers are reminded that nothing in these rules alters their obligation under RCW 21.20.010. RCW 21.20.010(2) renders it unlawful "to make any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading..." In addition, issuers must otherwise comply with the anti-fraud provisions of the federal and state securities laws. No format for disclosure is prescribed. However, issuers may wish to consider the question and answer disclosure format of the SCOR Form of chapter 460-17A WAC in determining the disclosure they make. If the SCOR form is used, the issuer should indicate that the Form is being used for an exempt offering under this section rather than in an offering registered under chapter 21.20 RCW and chapter 460-17A WAC.

(1) Exemption. Offers and sales of securities by an issuer in compliance with the Securities Act of 1933, Regulation D, Rules 230.501 through 230.503; 230.505; and 230.508 as made effective in Release No. 33-6389, and as amended in Release Nos. 33-6437, 33-6663, 33-6758, 33-6825, 33-6863, 33-6949, 33-6996, and 33-8891 that satisfy the conditions in subsection (2) of this section shall be exempt transactions under RCW 21.20.320(17).

(2) Conditions to be met.

(a) General conditions. To qualify for exemption under this section, offers and sales must satisfy all the terms and conditions of WAC 460-44A-501 through 460-44A-503.

Note: In order to comply with this section the issuer must comply with the provisions of Rule 505 (17 CFR Sec. 230.505) of the Federal Securities and Exchange Commission.

(b) Specific conditions.

(i) No commission, fee, or other remuneration shall be paid or given directly or indirectly, to any person for soliciting any prospective purchaser that is not an accredited investor in the state of Washington unless such person is registered in this state as a broker-dealer or salesperson.

(ii) It is a defense to a violation of (b)(i) of this subsection if the issuer sustains the burden of proof to establish that he did not know and in the exercise of reasonable care could not have known that the person who offered or sold the security was not appropriately registered in this state.

(c) In all sales to nonaccredited investors in this state under this section the issuer and any person acting on its behalf shall have reasonable grounds to believe and after making reasonable inquiry shall believe that, as to each purchaser, one of the following conditions, (i) or (ii) of this subsection, is satisfied:

(i) The investment is suitable for the purchaser upon the basis of the facts, if any, disclosed by the purchaser as to his other security holdings and as to his financial situation and needs. For the purpose of this condition only, it may be presumed that if the investment does not exceed ten percent of the purchaser's net worth, it is suitable. This presumption is rebuttable; or

(ii) The purchaser either alone or with his purchaser representative(s) has such knowledge and experience in financial and business matters that he is or they are capable of evaluating the merits and risks of the prospective investment.

(d) No exemption under this rule shall be available for the securities of any issuer if any of the parties described in Securities Act of 1933, Regulation A, Rule 230.262:

(i) Has filed a registration statement which is the subject of a currently effective registration stop order entered pursuant to the Securities Act of Washington, chapter 21.20 RCW, or any other state's securities law, within five years prior to the filing of the notice required under this exemption.

(ii) Has been convicted within ten years prior to the filing of the notice required under this exemption of any felony or misdemeanor in connection with the offer, purchase or sale of any security or any felony involving fraud or deceit, including but not limited to forgery, embezzlement, obtaining money under false pretenses, larceny, or conspiracy to defraud.

(iii) Is currently subject to any state administrative enforcement order or judgment entered by the Washington state administrator of securities or any other state's securities administrator within five years prior to the filing of the notice required under this section or is subject to any state's administrative enforcement order or judgment in which fraud or deceit, including but not limited to making untrue statements of material facts and omitting to state material facts, was found and the order or judgment was entered within five years prior to the filing of the notice required under this exemption.

(iv) Is subject to an order or judgment of the Washington state administrator of securities or any other state's administrative enforcement order or judgment which prohibits, denies or revokes the use of any exemption from registration in connection with the offer, purchase or sale of securities.

(v) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction temporarily or preliminarily restraining or enjoining, or is subject to any order, judgment or decree of any court of competent jurisdiction, permanently restraining or enjoining, such party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any filing with this or any state entered within five years prior to the filing of the notice required under this exemption.

(vi) The prohibitions of (d)(i), (ii), (iii), and (v) of this subsection shall not apply if the person subject to the disqualification is duly licensed or registered to conduct securities related business in this state and the Form B-D filed with this state discloses the order, conviction, judgment or decree relating to such person. No person disqualified under (d) of this subsection may act in a capacity other than that for which the person is licensed or registered.

(vii) Any disqualification caused by (d) of this subsection is automatically waived if the Washington state administrator of securities or the state securities administrator or other agency which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that the exemption of this section be denied.

(viii) It is a defense to a violation of this paragraph (d) if the issuer sustains the burden of proof to establish that the issuer did not know and in the exercise of reasonable care could not have known that a disqualification under this paragraph existed.

(e) The issuer shall file a notice, with a consent to service of process, and pay a filing fee as set forth in WAC 460-44A-503.

(3) Transactions which are exempt under this section may not be combined with offers and sales exempt under any other rule or section of the Securities Act of Washington, however, nothing in this limitation shall act as an election. Should for any reason the offer and sale fail to comply with all of the conditions for the exemption of this section, the issuer may claim the availability of any other applicable exemption.

(4) The Washington state administrator of securities may, by rule or order, waive the conditions of this section.

(5) The exemption authorized by this section shall be known and may be cited as the "Washington uniform limited offering exemption."

WAC 460-80-140 Financial statements. (a) Financial statements required to be filed in connection with an application for registration or renewal of an offer or sale of a franchise shall be prepared in accordance with generally accepted accounting principles as set forth in rules as adopted pursuant to chapter 460-60A WAC etc. Such financial statements should be audited by a certified public accountant having the same qualifications and restrictions as those set forth in WAC 460-60A-100, except where the particular form or this section permits the use of unaudited statements for interim periods.

(b) In extraordinary cases the director may waive the requirement for audited statements if the statements have been prepared by an independent certified public accountant or independent public accountant and the director is otherwise satisfied as to the reliability of such statements and as to the ability of the franchisor to perform future commitments. Such waiver will ordinarily be granted only upon a showing that the franchisor has not had prior audited statements; that the close of the most recent or current fiscal year is so near the time of filing of the application that it would be unreasonably costly or impractical to provide audited statements with the application; and that audited statements will be furnished within a reasonable time after the end of the most recent or current fiscal year. In such cases the director may impose an impound condition and such other conditions and restrictions as in his discretion may be appropriate.

(c) The use of unaudited financial statements as provided in these rules does not relieve the applicant or any person

from any liability for false and misleading statements contained in such financial statements.

[Order 11, § 460-80-190, filed 3/3/72.]

WAC 460-80-195 Approval is not an endorsement.

The filing of the application for registration or the effectiveness of the registration does not constitute a finding by the director that any document filed under this act is true, complete and not misleading. Neither any such fact nor the fact that an exemption is available for a transaction means that the director has passed in any way upon the merits or qualification of, or recommended or given approval to any person, franchise or transaction.
