WAC 495C-120-130 Disciplinary terms. The definitions set forth in this section apply throughout WAC 495C-120-180.

(1) Disciplinary warning means oral notice of violation of college rules.

(2) Reprimand means formal action after censuring a student for violation of college rules or failure to satisfy the college's expectations regarding conduct. Reprimands are made in writing to the student by the disciplinary official. A reprimand indicates to the student that continuation or repetition of the specific conduct involved or other misconduct will result in one or more serious disciplinary actions described below.

(3) Disciplinary probation means formal action placing conditions upon the student's continued attendance because of his or her violation of college rules or failure to satisfy the college's expectations regarding conduct. The disciplinary official placing the student on probation will specify, in writing, the period of probation and the conditions, such as limiting the student's participation in extra-curricular activities. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the college. Disciplinary probation may be for a specific term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(4) Suspension means temporary dismissal from the college and temporary termination of student status for violation of college rules or for failure to meet college standards of conduct.

(5) Expulsion means dismissal from the college and termination of student status for violation of college rules or for failure to meet the college standards of conduct for an indefinite period of time or permanently.

(6) Summary suspension means temporary dismissal from the college and temporary termination of a student's status for a period of time not to exceed ten instructional days unless extended as provided in this chapter which occurs prior to invocation of the formal hearing procedures specified in these rules due to a necessity to take immediate disciplinary action, where a student presents an imminent danger to the college property, or to himself or herself, or other students or persons in college facilities on or off campus, or to the educational process of the college.

WAC 495C-120-140 Readmission after suspension or expulsion. Any student suspended from the college for disciplinary reasons will normally be readmitted upon expiration of the time period for which the suspension was issued. If the student has been expelled or feels that circumstances warrant reconsideration of a temporary suspension prior to its expiration, or if the student was suspended with conditions imposed for readmission, the student may be readmitted following approval of a written petition submitted to the vice-president for student services or designee. Such petition must state reasons which support a reconsideration of the matter. Before readmission may be granted, such petition must be reviewed and approved by the vice-president for student services.

WAC 495C-120-160 Hearing procedures. (1) A student, if he or she wishes to appeal, has a right to a fair and impartial hearing before the vice-president for student services or designee on any charge of misconduct. The failure of a student to cooperate with the hearing procedures, however, shall not preclude the vice-president for student services or designee from making his or her findings of fact, reaching conclusions and imposing sanctions. Failure of the student to cooperate may be taken into consideration by the vice-president for student services or designee in recommending penalties.

(2) If a hearing is requested, notice of the hearing shall be given to all parties at least seven days before the hearing. The notice will indicate the names and addresses of all parties, the names and addresses of their representatives, a statement of the time, place, and nature of the proceeding, a short and plain statement of the matters asserted, and the legal

authority and jurisdiction under which the hearing is to be held.

(3) The student, his or her representative, or both, shall be entitled to hear and examine the evidence against him or her and be informed of the identity of its sources; and shall be entitled to present evidence in his or her own behalf and question witnesses as to factual matters. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(4) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether the student is guilty of the misconduct charged but the student's past record of conduct may be taken into account in formulating the vice-president for student services or designee's recommendation for disciplinary action.

(5) The student may be represented by counsel and/or accompanied by an advisor of his or her choice, who shall not be a college employee.

(6) Hearings may be held in closed session at the discretion of the vice-president for student services or designee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing invited persons are disruptive of the proceedings, the vice-president for student services or designee may exclude such persons from the hearing room.

(7) The vice-president for student services or designee shall set the time, place and available seating capacity for a hearing.

(8) All proceedings of the vice-president for student services or designee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(9) An adequate summary of the proceedings will be kept. As a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student services during regular business hours.

(10) The student will be provided with a copy of the findings of fact and the conclusions of the vice-president for student services or designee as well as a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. The student will be advised of his or her right to present, within fifteen calendar days, a written statement of appeal to the president of the college before action is taken on the decision of the vice-president for student services or designee. In the case of an unemancipated minor, written notice of any action involving dismissal or disciplinary probation may be sent to the parents or guardian of the student.

(11) The vice-president for student services or designee shall establish general rules of procedure for conducting hearings consistent with these guidelines, the college's rules of practice and procedure set forth in chapter 495C-108 WAC and the Administrative Procedure Act, chapter 34.05 RCW.

(d) The final order must include a statement of findings and conclusions, and the basis and reasons therefor, on all material issues of fact, law, or discretion presented on the record, including the remedy or sanction.

(3) The president, after reviewing the case, shall either indicate his or her approval of the conclusions of the vice-president for student services or designee by sustaining the decision, shall give directions as to what other disciplinary action shall be taken by modifying his or her decision, or shall nullify previous sanctions imposed by reversing the decision and shall then notify the official who initiated the proceedings, the student and the vice-president for student services.

WAC 495C-140-010 Use of college facilities. The board and administration believe that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238, 92-19-091, § 495C-140-010, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-020 Limitation of use to college activities. (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of, the college's own instructional, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established instructional, research, or public service activities of the college and its departments;

(b) Cultural, educational, or recreational activities of the students, faculty, or staff;

(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments;

(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;

(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its students, staff, administration, or the board of trustees, implicitly or explicitly, of the speaker's views.

(3) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance

[Title 495C WAC—p. 13]

nance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with college rules and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

(4) The college may restrict an individual's or a group's use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-020, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-030 Statement of intentions. The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-030, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-040 General policies limiting use. (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2) Religious groups shall not, under any circumstances, use the college facilities as a permanent meeting place. Use may be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college's commitment to nondiscrimination as set forth in its written policies and rules.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These rules shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed only in designated areas on the campus where, and at times when, such distribution will not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by the designated administrative officer shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times which will not interfere with the nor-

mal conduct of college affairs as determined by the appropriate administrative officer.

(8) No person or group may use or enter onto college facilities having in their possession firearms, unless appropriately licensed to do so under state statute.

(9) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-040, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-050 Administrative control. The board hereby delegates to the president authority to set up administrative procedures for the use of college facilities; and to establish rental schedules where appropriate.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-050, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-060 Trespass. (1) Individuals who are not students or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president or designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with these rules.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-060, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-070 Prohibited conduct at college facilities. (1) The use or possession of unlawful drugs or narcotics, not medically prescribed, on college property or at college functions, is prohibited. Students under the influence of intoxicants, unlawful drugs or narcotics while in college facilities are subject to disciplinary action.

(2) The use of tobacco is prohibited in accordance with health regulations. Clover Park Technical College facilities are smoke free. Smoking is approved at designated outdoor sites.

(3) Destruction of college property is also prohibited by state law in reference to public institutions.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-070, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-080 Control of pets in college facilities. Pets are not permitted in campus buildings or on the grounds except guide or service dogs for the visually or hearing impaired and those performing a support function to law enforcement agencies and/or those approved by the president or designee.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-080, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-090 Basis of fee assessment. (1) The basis for establishing and charging fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the office of vice-president for operations and facilities.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration feels a commercial facility should be patronized. At no time will facility use be granted for a noncollege related commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: RCW 28B.50.140(13). 00-12-019, § 495C-140-090, filed 5/26/00, effective 6/26/00. Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-090, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-100 Application procedures. (1) At least seven working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application which may be obtained through the college's office of operations and facilities. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; if so, separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory

(2009 Ed.)

becomes responsible for all charges which may include interest payment for overdue accounts as specified on the rental form but not less than one percent per month.

(3) Events requiring expenditures on the part of the college, or where significant areas are blocked out for the renter, a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The vice-president for operations and facilities or designee reserve the right to cancel any permit and refund any payments for use of college facilities and equipment when they deem such action advisable and in the college's best interests.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) Any admission charge is to be specified and approved by the college.

(9) Organizations using Clover Park Technical College's facilities shall conduct all activities in accordance with applicable local, state, and federal laws including all rules adopted by the Clover Park Technical College board of trustees.

[Statutory Authority: RCW 28B.50.140(13). 00-12-019, § 495C-140-100, filed 5/26/00, effective 6/26/00. Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-100, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-110 Supervision during activity. (1) Signatories of the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of special facilities makes it necessary that supervision or security be provided, a staff member will represent the college at any activity on college facilities. Such service shall be paid at the current rate, by the organization requesting use of the facility, and does not relieve the organization from safeguarding the college's property.

(2) College personnel will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned on any occasion to any organization with the exception of keys to designated off-campus locations.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-110, filed 9/16/92, effective 10/17/92.]

WAC 495C-300-010 Preamble. Clover Park Technical College is covered by Title IX of the Civil Rights Act of 1964 prohibiting sex discrimination in education. Applicants for admission, enrolled students, applicants for employment, or employees of Clover Park Technical College who believe they have been discriminated against on the basis of sex may lodge an institutional grievance by following the procedures below.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-300-010, filed 9/16/92, effective 10/17/92.]

WAC 495C-300-020 Informal procedure. All employees and students should feel free to discuss perceived discrimination with the individual immediately in charge,

such as the first-line supervisor or instructor, to see if the situation can be resolved informally. Employees and students may also consult directly with the college affirmative action officer or designee without making a formal written complaint, and this consultation may be considered confidential. Employees and students are not required to use the informal process and may go directly to the formal procedure.

Any college official receiving a discrimination complaint shall contact the affirmative action officer or designee as soon as reasonably convenient. The college official shall arrange for the complainant to receive a copy of the complaint procedure.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-300-020, filed 9/16/92, effective 10/17/92.]

WAC 495C-300-030 Formal procedure. Step one: Employees and students must make a written complaint concerning discriminatory behavior to the affirmative action officer or designee.

(1) Complaints may be held in confidence. Formal action against the person accused may not be taken on behalf of the complainant unless the complainant consents to be identified to the one accused in connection with the investigation.

(2) The complainant may bring a person of his or her choice to the initial or subsequent complaint meetings.

(3) The affirmative action officer or designee shall give a copy of these regulations and any applicable board policy to the person making the formal complaint and to the accused.

(4) The result of that consultation and any investigation made may be communicated to the complainant before any further action is taken.

(5) An informal hearing may be substituted for investigation if the complainant and the accused agree. The affirmative action officer or designee will be responsible for investigating the complaint and discussing the complaint with the accused. The affirmative action officer will make a written recommendation to the president within a reasonable time following the close of the investigation or hearing.

(6) Appropriate corrective measures will be decided by the president of the college upon consultation with the affirmative action officer and the appropriate administrators or supervisors involved. If an accused employee or student disagrees with the determination or appropriateness of the corrective measures, that individual may contest those measures through the appropriate staff grievance procedures, if they are covered by an agreement, or the student disciplinary code.

(7) Information will be entered in the personnel or student file only to the extent that a formal reprimand or other disciplinary action has been taken. If no disciplinary action is taken, the affirmative action officer will keep a record of the investigation accessible to the president, the complainant and the accused for a period of three years and then that record will be destroyed. If a formal complaint is filed with an outside state or federal agency, files will be maintained until the complaint is resolved. When such files are used, written notice will be placed in the file indicating the person using the file and the date used.
