WAC 495C-120-130 Disciplinary terms. The defini-
tions set forth in this section apply throughout WAC 495C-
120-180.

(1) Disciplinary warning means oral notice of violation
of college rules.

(2) Reprimand means formal action after censuring a stu-
dent for violation of college rules or failure to satisfy the col-
lege's expectations regarding conduct. Reprimands are made
in writing to the student by the disciplinary ofﬁcial. A repre-
mand indicates to the student that continuation or repetition
of the speciﬁc conduct involved or other misconduct will
result in one or more serious disciplinary actions described
below.

(3) Disciplinary probation means formal action placing
conditions upon the student's continued attendance because
of his or her violation of college rules or failure to satisfy the
college's expectations regarding conduct. The disciplinary ofﬁcial
placing the student on probation will specify, in writ-
ing, the period of probation and the conditions, such as limit-
ing the student's participation in extra-curricular activities.
Disciplinary probation warns the student that any further mis-
conduct will automatically raise the question of dismiss-
al from the college. Disciplinary probation may be for a speciﬁc
term or for an inﬁnite period which may extend to gradu-
atu or other termination of the student's enrollment in the
college.

(4) Suspension means temporary dismissal from the
college and temporary termination of student status for violation
of college rules or for failure to meet college standards of
conduct.

(5) Expulsion means dismissal from the college and ter-
mination of student status for violation of college rules or for failure to meet the college standards of conduct for an inﬁ-
dite period of time or permanently.

(6) Summary suspension means temporary dismissal
from the college and temporary termination of a student's sta-
tus for a period of time not to exceed ten instructional days
unless extended as provided in this chapter which occurs
prior to invocation of the formal hearing procedures speciﬁed
in these rules due to a necessity to take immediate disciplin-
ary action, where a student presents an imminent danger to
the college property, or to himself or herself, or other students
or persons in college facilities on or ofﬁcial campus, or to the edu-
cational process of the college.

WAC 495C-120-160 Hearing procedures. (1) A stu-
dent, if he or she wishes to appeal, has a right to a fair and
impartial hearing before the vice-president for student ser-
" ices or designee on any charge of misconduct. The failure of a student to cooperate with the hearing procedures, however,
shall not preclude the vice-president for student services or
designee from making his or her ﬁndings of fact, reaching
conclusions and imposing sanctions. Failure of the student to
cooperate may be taken into consideration by the vice-presi-
dent for student services or designee in recommending penal-
" ties.

(2) If a hearing is requested, notice of the hearing shall
be given to all parties at least seven days before the hearing.
The notice will indicate the names and addresses of all par-
ties, the names and addresses of their representatives, a state-
ment of the time, place, and nature of the proceeding, a short
and plain statement of the matters asserted, and the legal
authority and jurisdiction under which the hearing is to be held.

(3) The student, his or her representative, or both, shall be entitled to hear and examine the evidence against him or her and be informed of the identity of its sources; and shall be entitled to present evidence in his or her own behalf and question witnesses as to factual matters. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(4) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether the student is guilty of the misconduct charged but the student’s past record of conduct may be taken into account in formulating the vice-president for student services or designee’s recommendation for disciplinary action.

(5) The student may be represented by counsel and/or accompanied by an advisor of his or her choice, who shall not be a college employee.

(6) Hearings may be held in closed session at the discretion of the vice-president for student services or designee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing invited persons are disruptive of the proceedings, the vice-president for student services or designee may exclude such persons from the hearing room.

(7) The vice-president for student services or designee shall set the time, place and available seating capacity for a hearing.

(8) All proceedings of the vice-president for student services or designee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(9) An adequate summary of the proceedings will be kept. As a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student services during regular business hours.

(10) The student will be provided with a copy of the findings of fact and the conclusions of the vice-president for student services or designee as well as a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. The student will be advised of his or her right to present, within fifteen calendar days, a written statement of appeal to the president of the college before the decision and shall then notify the official who initiated the proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student’s file or other college repository after the date of the student’s graduation or not more than five years. No other records of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student’s file or other college repository after the date of the student’s graduation or not more than five years.

(1) Notice of an appeal by a student shall be made in writing and addressed to the president of the college within fifteen calendar days of receiving the formal notification of the hearing outcome.

(2) Review of appeals.

(a) The president must review the whole record or such portions of it as may be cited by the parties.

(b) The president must afford each party the opportunity to present written argument and may afford each party the opportunity to present oral argument.

(3) The president, after reviewing the case, shall either indicate his or her approval of the conclusions of the vice-president for student services or designee by sustaining the decision, shall give directions as to what other disciplinary action shall be taken by modifying his or her decision, or shall nullify previous sanctions imposed by reversing the decision and shall then notify the official who initiated the proceedings, the student and the vice-president for student services.

(4) The president will cause copies of the final order or remand order to be served on each party.

WAC 495C-140-010 Use of college facilities. The board and administration believe that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-010, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-020 Limitation of use to college activities. (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of, the college's own instructional, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established instructional, research, or public service activities of the college and its departments;
(b) Cultural, educational, or recreational activities of the students, faculty, or staff;
(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments;
(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;
(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its students, staff, administration, or the board of trustees, implicitly or explicitly, of the speaker's views.

(3) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper mainte-
nance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with college rules and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

(4) The college may restrict an individual’s or a group’s use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-020, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-030 Statement of intentions. The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-030, filed 9/16/92, effective 10/17/92.]

WAC 495C-140-040 General policies limiting use. (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2) Religious groups shall not, under any circumstances, use the college facilities as a permanent meeting place. Use may be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college’s commitment to nondiscrimination as set forth in its written policies and rules.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These rules shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed only in designated areas on the campus where, and at times when, such distribution will not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by the designated administrative officer shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times which will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(8) No person or group may use or enter onto college facilities having in their possession firearms, unless appropriately licensed to do so under state statute.

(9) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

WAC 495C-140-060 Trespass. (1) Individuals who are not students or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president or designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with these rules.

[Statutory Authority: RCW 28B.50.140, 42.30.075 and 1991 c 238. 92-19-091, § 495C-140-060, filed 9/16/92, effective 10/17/92.]

(2009 Ed.)
WAC 495C-140-070 Prohibited conduct at college facilities. (1) The use or possession of unlawful drugs or narcotics, not medically prescribed, on college property or at college functions, is prohibited. Students under the influence of intoxicants, unlawful drugs or narcotics while in college facilities are subject to disciplinary action.

(2) The use of tobacco is prohibited in accordance with health regulations. Clover Park Technical College facilities are smoke free. Smoking is approved at designated outdoor sites.

(3) Destruction of college property is also prohibited by state law in reference to public institutions.
