Chapter 181-77 WAC
STANDARDS FOR CAREER AND TECHNICAL EDUCATION CERTIFICATION

WAC 181-77-005 Types of career and technical education certificates. The following types of certificates shall be issued:
(1) Teacher. The teacher certificate authorizes service as a teacher in the school district(s) or skills center(s) and shall be issued in one of the following categories and/or in a specific subcategory of the major category as approved by the professional educator standards board and/or its designee:
(a) Agriculture education;
(b) Business and marketing education;
(c) Family and consumer sciences education;
(d) Technology education;
(e) Trade and industrial;
(f) Health occupations;
(g) Career choices;
(h) Coordinator for worksite learning; or
(i) New and emerging fields;
(j) Categories which may be added to a continuing career and technical education certificate are:
(i) Mathematics applied. To add this category, the candidate shall:
(A) Hold a continuing career and technical education certificate based on WAC 181-77-041;
(B) Hold a baccalaureate degree or higher in a math-related area such as engineering from a regionally accredited college or university pursuant to WAC 181-79A-030(5);
(C) Be fully contracted as a teacher or long-term substitute teacher by a Washington public school;
(D) Pass the mathematics subject knowledge test approved by the professional educator standards board; and
(E) Document a minimum of one year teaching experience in technology education or skilled and technical science courses.
(ii) Science applied, biology applied, chemistry applied, physics or earth and space science applied. To add these categories, the candidate shall:
(A) Hold a continuing career and technical education certificate based on WAC 181-77-041;
(B) Hold a baccalaureate degree or higher in a science-related area such as engineering or in a medical field from a regionally accredited college or university pursuant to WAC 181-79A-030(5);
(C) Be fully contracted as a teacher or long-term substitute by a Washington public school;
(D) Pass the appropriate science, biology, chemistry, physics, or earth and space science subject knowledge test approved by the professional educator standards board; and
(E) Document a minimum of one year teaching experience in agriculture education, health occupations, or skilled and technical science courses.
(2) Director. The director certificate authorizes service as a career and technical education director, as an assistant director, or as a career and technical education supervisor in the school district(s) or skills center(s);
(3) Counselor. The career and technical education counselor certificate authorizes service in the role of career and technical education guidance and counseling;
(4) Occupational information specialist. The occupational information specialist certificate authorizes service in the role as an occupational information specialist.

WAC 181-77-025 Personnel assignment. Career and technical education teachers teaching other secondary school subjects and career and technical education counselors serving in addition as general counselors need to hold a valid certificate as provided for in chapter 181-79A WAC. CTE teachers who have earned a certificate for mathematics applied, science applied, biology applied, chemistry applied, physics applied, or earth and space science applied category are eligible for teaching assignments in general education mathematics, science, biology, chemistry, physics, or earth and space science courses, dependent upon the category on the continuing career and technical education certificate.

Chapter 181-78A WAC

APPROVAL STANDARDS FOR PERFORMANCE-BASED PREPARATION PROGRAMS FOR TEACHERS, ADMINISTRATORS, AND EDUCATIONAL STAFF ASSOCIATES

WAC

181-78A-007 Minimum state standards. All state standards prescribed in this chapter for the approval of professional preparation programs are minimal standards for state approval. Where allowed programs may and are encouraged to develop program standards which exceed the minimums herein prescribed.

[Statutory Authority: RCW 28A.410.210. 11-01-047, § 181-78A-007, filed 12/7/10, effective 1/7/11. 06-02-051, recodified as § 181-78A-007, filed 12/29/05, effective 1/1/06. Statutory Authority: RCW 28A.305.130. 97-04-084, § 180-78A-007, filed 2/5/97, effective 3/8/97.]

181-78A-010 Definition of terms. The following definitions shall be used in this chapter:

(1) "College or university" means any regionally accredited baccalaureate degree granting Washington institution of
higher learning or cooperative group of such institutions which has or develops programs of preparation in education which are submitted to the professional educator standards board for approval.

(2) "Endorsement" means a specification placed on a certificate to indicate the subject area, grade level, and/or specialization for which the individual is prepared to teach.

(3) "Interstate compact" means the contractual agreement among several states authorized by RCW 28A.690.010 and 28A.690.020 which facilitates interstate reciprocity.

(4) "Program approval" means the approval by the professional educator standards board of an educator preparation program within Washington state.

(5) "Field experience" means a sequence of learning experiences which occur in actual school settings or clinical or laboratory settings. Such learning experiences are related to specific program outcomes and are designed to integrate educational theory, knowledge, and skills in actual practice under the direction of a qualified supervisor.

(6) "Regionally accredited institution of higher education" means a community college, college, or university which is a candidate for accreditation or is accredited by one of the following regional accrediting bodies:

(a) Middle States Association of Colleges and Schools;
(b) New England Association of Schools and Colleges;
(c) North Central Association of Colleges and Schools;
(d) Northwest Association of Schools and of Colleges and Universities;
(e) Southern Association of Colleges and Schools;
(f) Western Association of Schools and Colleges: Accrediting Commission for Junior and Senior Colleges.

(7) "Accredited institution of higher education," for purposes of credit on salary schedule per RCW 28A.415.024, means a regionally accredited institution of higher education, or a community college, college, or university, which is a candidate for accreditation or is accredited by the distance education and training council (DETC).

(8) "An approved performance-based educator preparation program" means a program that requires the candidate to demonstrate in multiple ways, over time, specific professional educator standards board required standards, criteria, knowledge and skills, including, where appropriate, evidence related to positive impact on student learning.

(9) "A positive impact on student learning" means that a teacher through instruction and assessment has been able to document students' increased knowledge and/or demonstration of a skill or skills related to the state goals and/or essential academic learning requirements: Provided, That teachers employed by private schools who are candidates for the professional teaching certificate shall document students' increased knowledge and/or demonstration of a skill or skills related to either:

(a) The state goals or essential academic learning requirements; or

(b) Such alternative learning goals as the private school has established.

(10) "Collaboration" (as used in WAC 181-78A-500 through 181-78A-540) means ongoing communication among the professional growth team members using a variety of formats (e.g., conferences, electronic mail, conference calls, etc.) to reach consensus regarding the content - course work, experiences, competencies, knowledge and skills - of the candidate's professional growth plan.

(11) "Professional growth team."

(a) Principal/program administrator "professional growth team," for the purpose of professional certification, means a team comprised of the candidate for the professional certificate, a district representative or designee, a professional association representative, and a college or university advisor. "Professional growth team," for the purpose of renewal of the professional certificate, means a team comprised of the individual renewing the certificate and the superintendent, or superintendent designee or appointed representative.

(b) School counselor, school psychologist, and school social worker "professional growth team" for the purpose of professional certification, means a team comprised of the candidate for the professional certificate, a college/university program administrator/designee, and a colleague/peer from the same professional role specified by the candidate. A district representative is also required to serve on the professional growth team. Provided that, a candidate may petition the university to have membership of a district representative waived.

(12) "Individual professional growth plan" means the document which identifies the specific competencies, knowledge, skills and experiences needed to meet the standards set forth in WAC 181-78A-540.

(13) "Culminating seminar" means that component of the approved professional certificate program in which the candidate for a professional certificate presents his/her final documentation and evidence of professional certificate level knowledge, skill and performance, and positive impact on student learning. The culminating seminar shall meet requirements set forth in WAC 181-78A-535(2).

WAC 181-78A-100 Existing approved programs.

Chapter 181-78A WAC rules shall govern all policies related to programs upon adoption by the professional educator standards board, which shall provide assistance to programs in the revision of their existing programs.

(1) All professional education programs shall be reviewed for approval under the 1997 program approval standards of chapter 181-78A WAC by August 31, 2000. Colleges and universities may permit individuals accepted into teacher preparation programs on or before August 31, 2000, to obtain certification by meeting requirements of programs approved under approval standards described in chapter 181-
78 WAC if the individuals complete the program on or before August 31, 2003, and the college or university verifies program completion to the superintendent of public instruction on or before December 31, 2003: Provided, That the professional educator standards board or its designee may waive this deadline on a case-by-case basis.

(2) All principal/program administrator programs shall be reviewed for approval under the 2002 program approval standards of chapter 181-78A WAC by August 31, 2004. Colleges and universities may permit individuals accepted into principal/program administrator programs on or before August 31, 2004, to obtain a residency certificate by meeting requirements of programs approved under 1997 approval standards as described in chapter 181-78A WAC if the individuals complete the program on or before August 31, 2006, and the college or university verifies program completion to the superintendent of public instruction on or before December 31, 2006. Provided, That the professional educator standards board or its designee may waive this deadline on a case-by-case basis.

(3) All school counselor, school psychologist, or school social worker programs shall be approved under the 2004 program approval standards of chapter 181-78A WAC by August 31, 2005. Colleges and universities may permit individuals accepted into the school counselor, school psychologist, or school social worker programs on or before August 31, 2005, to obtain a residency certificate by meeting requirements of programs approved under the 1997 approval standards as described in chapter 181-78A WAC if the individuals complete the program on or before August 31, 2007, and the college or university verifies program completion to the superintendent of public instruction on or before December 31, 2007. Provided, That the professional educator standards board or its designee may waive this deadline on a case-by-case basis.

(4) Individuals who completed a principal/program administrator program on or before August 31, 2004, shall be granted an initial certificate if the preparing college or university verifies completion by December 31, 2004. Individuals who complete an educational staff associate program on or before August 31, 2005, shall be granted an initial certificate if the preparing college or university verifies completion by December 31, 2005.

(5) Institutions shall be given at least one year notification prior to a professional educator standards board review for compliance with these standards: Provided, That if an institution requests a visit with less than a year's notice, the professional educator standards board shall consider that request.

(6) The professional educator standards board shall determine the schedule for such approval reviews and whether an on-site visit or other forms of documentation and validation shall be used for the purposes of granting approval under the 1997 program approval standards. In determining the schedule for site visits, the board shall take into consideration the partnership agreement between the state and the National Council for the Accreditation of Teacher Education (NCATE) as such agreement relates to the NCATE accreditation cycle and allow NCATE accredited colleges/universities to follow the NCATE schedule for their state site visit. Non-NCATE accredited colleges/universities shall have a state approval site visit every five years. The professional educator standards board may require more frequent site visits at their discretion pursuant to WAC 181-78A-110(2).

(7) Each institution shall submit its program for review when requested by the professional educator standards board to ensure that the program meets the state's program approval standards and to provide assessment data relative to the performance standards to the professional educator standards board for the year prior to the site visit.

(a) Institutions shall follow professional educator standards board posted timelines to submit an institutional report that shall:

(i) Describe how the program approval standards are met for each educator preparation program scheduled for review (NCATE reports may fulfill this requirement);

(ii) Describe how "unmet" standards or program weaknesses, identified during the previous site visit, have been corrected;

(iii) Describe major program(s) changes implemented since the last site visit;

(iv) Summarize all WEST-E data since the last site visit;

(v) Summarize all program completer survey data compiled since the last site visit;

(vi) Include all professional education advisory board reports submitted since the last site visit;

(vii) Summarize complaints related to the program(s) and actions taken to remedy the complaints; and

(viii) Describe the criteria used by the program(s) to assess, in multiple ways over time, its candidates' knowledge and skills, including evidence of positive impact on student learning.

(b) The site visit shall be conducted by a team whose membership is composed of:

(i) One member of the professional educator standards board;

(ii) One peer institution representative;

(iii) One individual with assessment expertise;

(iv) Two K-12 practitioners with expertise related to the programs scheduled for review; and

(v) A designated professional educator standards board staff member shall serve as team leader. Substitutions, drawn from (b)(i) through (iv) of this subsection, may be assigned when individuals are not available. Additions to the team shall be drawn from (b)(i) through (iv) of this subsection when necessary. The professional educator standards board liaison for that institution may be present, but shall not serve in an evaluative role. All members, including substitutes, shall be trained.

(c) The site visit shall be conducted in compliance with the protocol and process adopted and published by the professional educator standards board.

(d) The final site visit report and other appropriate documentation will be submitted to the professional educator standards board.

(e) Institutions may submit a reply to the report within two weeks following receipt of the report. The reply may address issues for consideration, including a request for appeal per subsection (g) of this section, limited to factual errors, evidence that the review disregarded state standards, failed to follow state procedures for review, or failed to consider evidence that was available at the time of the review.
Performance-Based Preparation Programs

WAC 181-78A-105 Procedures for initial approval of an educator preparation program. Each institution or organization desiring to establish a preparation program shall comply with the following:

(1) Advise the professional educator standards board of its desire to establish a preparation program.

(2) Develop with the assistance of the professional educator advisory board a written preproposal plan which addresses all preproposal components adopted and published by the professional educator standards board and submit such plan to the designated official of the professional educator standards board for review and comment.

(3) Submit such plan to the professional educator standards board. The institution or organization may be granted approval for full proposal development or denied approval.

(a) If approved, the institution or organization shall comply with the following:

(i) Establish the appropriate professional education advisory board pursuant to WAC 181-78A-205;

(ii) Develop with assistance of the professional educator advisory board a written plan which includes the following:

(A) Timelines for the implementation of all applicable program approval standards during the first year of the program;

(B) The criteria that the program will use to assess, in multiple ways over time, its candidates' knowledge and skills including evidence related to positive impact on student learning (WAC 181-78A-205(4));

(C) How the professional education advisory board was involved in program development, including a letter of support; and

(D) Letters of support from partnership districts and/or other agencies.

(iii) Present the written plan to the professional educator standards board.

(A) The program may be conditionally approved in a specific location(s) for a period of up to twenty-seven months following the beginning of instruction. The institution or organization shall notify the professional educator standards board when instruction has begun. If not approved, the institution or organization may request a contested hearing via an appeal team appointed by the professional educator standards board.

(B) Prior to the expiration of approval, staff of the professional educator standards board shall conduct a site visit and/or other forms of documentation to determine if the program is in full compliance with the 1997 program approval standards; provided that a college/university with an approved residency principal program which adds an approved program administrator program is not required to have a site visit of the program administrator program until the next regularly scheduled site visit of that institution.

(b) If denied, the institution or organization may resubmit its plan based upon the suggestions of the professional educator standards board.

(4) Programs shall be approved for a specific location(s) identified in the written plan presented to the professional educator standards board. Institutions and organizations seeking to expand an existing program to a new location shall submit a request to the professional educator standards board which contains the following:

(a) A description of the location and facilities;

(b) Verification that no complaints have been filed against the program in its current location(s);

(c) A summary of the findings from the most recent site review, including how weaknesses, if any, have been addressed;

(d) A statement that supports need for the program;

(e) Cost to the students;

(f) Mode(s) of the program delivery; and

(g) Letters of support from program partners. The length of time for which the program approval status shall be granted shall coincide with the length of time for which the program in its current location(s) last received approval. The program review cycle for programs at all locations shall be the same.

WAC 181-78A-110 Length of time for which program approval status shall be granted. (1) Existing programs. Based upon review of the program site visit report and other documentation requested, and taking into consideration: The degree to which previously identified issues have

[2011 WAC Supp—page 5]
been successfully addressed, the relationship and balance between program strengths and weaknesses, and the relative importance of specific unmet criteria to the overall function of the program, the professional educator standards board shall exercise professional judgment in taking one of the following actions:

(a) Limited approval of up to one year in length. In issuing limited approval, and depending on the nature of evidence that must be considered to regain full approval, the board may specify the requirements of a:

(i) Focused-site visit related to unmet standards; or
(ii) Written report, related to unmet standards.

(b) Full approval of either:

(i) Five years; or
(ii) Seven years, per provisions of WAC 181-78A-100(6); or

(c) Disapproval (WAC 181-78A-115):

(i) A program with full five- or seven-year approval prior to the site visit shall not receive a disapproval rating, except under the provisions of subsection (3) of this section.

(ii) A program awarded a disapproval rating may request a hearing conducted through the office of administrative hearings under WAC 181-78A-100(7)(g) and 10-08-035.

(2) New programs. All new programs shall be conditionally approved for up to twenty-seven months under WAC 181-78A-105.

(3) The professional educator standards board, upon receipt of a serious complaint from any source or upon its own initiative prompted by indications of the need for response, may at any time review all or any part of a preparation program for compliance with the provisions of this chapter. If deviations are found, the professional educator standards board is authorized to change the program's current approval status, including full disapproval.

WAC 181-78A-115 Disapproved programs.

Approved preparation programs shall not lose official approval status until the professional educator standards board has taken final action to disapprove the preparation program pending the provisions under WAC 181-78A-110 (1)(d)(ii) programs shall be permitted to continue to prepare and recommend for certification candidates who have been previously admitted to the program, provided that no recommendations for certifications will be accepted later than thirty months following receipt of the formal notice of disapproval. Following the receipt of formal notice of disapproval, the program shall notify all currently enrolled candidates of the program's disapproved status.

WAC 181-78A-120 Procedures for reestablishment of approval status for an educator preparation program.

(1) The procedures for the reestablishment of professional educator standards board approval of a preparation program shall be the same as the procedures for initial approval as provided in WAC 181-78A-105, except that if the preparation program continues to operate pursuant to the probationary status provision of WAC 181-78A-115, the professional educator standards board may limit the content of the written plan required by WAC 181-78A-105(3) to program standards determined by the professional educator standards board to be the cause of the program's disapproved status.

(2) A disapproved program may submit a compliance agreement for review by the professional educator standards board. If the program submits an acceptable compliance agreement, the program may be granted permission to admit new candidates for a period of time not to exceed twelve calendar months from the date of disapproval. Compliance agreements, not to exceed ten pages, must document the following:

(a) A work plan overview;

(b) A timeline of work that has been and will be performed; and

(c) A matrix that cross references components of the work plan with all unmet standards identified in the site visit report.

WAC 181-78A-130 Approval of preparation program offered by an out-of-state institution or organization within the state applicable to certification.

No out-of-state institution or organization shall offer a program of courses within Washington state for purposes of Washington state certification without meeting all program approval requirements set forth in this chapter and those set forth in the Degree Authorization Act, chapter 28B.85 RCW where applicable.

[Statutory Authority: RCW 28A.410.210. 11-01-047, § 181-78A-130, filed 12/7/10, effective 1/7/11. 06-02-051, recodified as § 181-78A-130, filed 12/29/05, effective 1/1/06. WAC 181-78A-136 Responsibilities of deans, directors, or other designated administrators.

Each institution or organization operating an approved preparation program shall require the dean, director, or other designee of the administrative unit required by WAC 181-78A-261(2) to coordinate the following responsibilities:

(1) Formation of professional education advisory boards.

(2) Management of operations and resources for each preparation program.

(3) Filing of affidavits and reports required by this chapter and chapter 181-79A WAC.

(4) Dissemination of information relative to initial and continuing certification procedures and requirements.

(5) The application process for certification.
Performance-Based Preparation Programs

181-78A-205 Required professional education advisory board. Institutions and organizations seeking approval by the professional educator standards board as an approved preparation program, and in order to maintain such approval status, shall establish a professional education advisory board (PEAB) in accordance with the following:

(1) The program areas for which an institution or organization may seek approval and maintain an approved preparation program are:

(a) Teacher.
(b) Administrator.
(c) Educational staff associate (ESA), school counselor.
(d) Educational staff associate, school psychologist.
(e) Educational staff associate, school social worker.

(2) An institution or organization may combine educational staff associate professional education advisory boards as long as one-half or more of the voting members are appointed by the associations representing the ESA roles involved and are divided equally among those roles.

(3) An institution or organization may have separate administrator professional education advisory boards for each administrator role as long as one-half or more of the voting members are appointed by the association representing the administrator role involved: Provided, That each administrator PEAB shall include at least one member appointed by the Association of Washington School Principals (AWSP), one appointed by the Washington Association of School Administrators (WASA), and one appointed by the Washington Federation of Independent Schools (WFIS).

(4) The failure of a designated organization, as specified in WAC 181-78A-209, to make appointments to the designated board, or to make such appointments in a timely manner, shall not cause the preparation program to lose its approval status.

181-78A-207 Qualification to be appointed to an institution or organization professional education advisory board. (1) Professional education advisory boards may authorize the appointment of additional representatives from other school districts or other public and private agencies as long as one-half or more of the members of the professional education advisory board consist of representatives who meet the qualifications of this subsection and who are from the role for which the professional education advisory board has responsibility.

(2) If any professional education advisory board receives a written request from other school districts or other public or private agencies for representation on such professional education advisory board, the current members of such professional education advisory board shall vote on such request at the next regular meeting of such board: Provided, That a program may elect to add private school representatives to a professional education advisory board without adding to the representation from the role for which the professional education advisory board has responsibility if the professional education advisory board authorizes such action by a majority vote.

181-78A-209 Professional education advisory boards—Membership. The professional education advisory boards shall at a minimum consist of the following:

(1) TEACHER.

(a) One-half or more of the voting members shall be classroom teachers. All, but one, will be appointed by the president of the Washington Education Association. The remaining teacher shall be employed in a state-approved private school and appointed by the Washington Federation of Independent Schools.

(b) At least one principal appointed by the president of the Association of Washington School Principals.

(c) At least one school administrator appointed by the Washington Association of School Administrators.

(d) At least one educational staff associate (school counselor, school psychologist, school social worker, school nurse, school occupational therapist, school physical therapist, or school speech language pathologist or audiologist) appointed by the president of the individual's professional association.

(e) At least one institution or organization representative who may serve in a voting or nonvoting role.

(f) At programs where career and technical education programs are offered, one career and technical education director or career and technical education teacher, with expertise in one of the approved career and technical education programs at the institution or organization, appointed by the Washington Association of Vocational Administrators in cooperation with the institution or organization.

(2) ADMINISTRATOR.

(a) One-half or more of the voting members shall be administrators. One-half of these administrators shall be appointed by the president of the Washington Association of School Administrators. The remaining administrators shall be appointed by the president of the Association of Washington School Principals except one who shall be employed in an approved private school and appointed by the Washington Federation of Independent Schools.

(b) At least one or more classroom teachers appointed by the president of the Washington Education Association.

(c) At least one educational staff associate (school counselor, school psychologist, school social worker, school nurse, school occupational therapist, school physical therapist, or school speech language pathologist or audiologist) appointed by the president of the individual's professional association.

(d) At least one institution or organization representative who may serve in a voting or nonvoting role.

(3) SCHOOL COUNSELOR.
(a) At least one-half of the voting members shall be school counselors appointed by the president of the Washington School Counselors Association.
(b) At least one teacher appointed by the president of the Washington Education Association.
(c) At least one principal appointed by the Association of Washington School Principals.
(d) At least one administrator appointed by the Washington Association of School Administrators.
(e) At least one institution or organization representative who may serve in a voting or nonvoting role.

(4) SCHOOL PSYCHOLOGIST.
(a) At least one-half of the voting members shall be school psychologists appointed by the president of the Washington State Association of School Psychologists.
(b) At least one teacher appointed by the president of the Washington Education Association.
(c) At least one principal appointed by the Association of Washington School Principals.
(d) At least one administrator appointed by the Washington Association of School Administrators.
(e) At least one institution or organization representative who may serve in a voting or nonvoting role.

(5) SCHOOL SOCIAL WORKER.
(a) At least one-half of the voting members shall be school social workers appointed by the president of the Washington Association of School Social Workers.
(b) At least one teacher appointed by the president of the Washington Education Association.
(c) At least one principal appointed by the Association of Washington School Principals.
(d) At least one administrator appointed by the Washington Association of School Administrators.
(e) At least one institution or organization representative who may serve in a voting or nonvoting role.

(6) MEMBERSHIP APPOINTMENTS. Applicable to all professional association appointments, if the professional association does not respond to the program's request for an appointment of a representative within sixty days of the receipt of the request, a program may appoint the representative of its choice in the role for which an appointment is being sought. If the program makes an appointment, it must notify the appropriate professional association within one week that the appointment has been made. If an association is unable to appoint a representative due to the geographic restriction of possible candidates, the PEAB will appoint an alternate to represent that association with their consent.

WAC 181-78A-210 Joint professional education advisory board. Any two or more institutions and/or organizations may agree to have the same professional education advisory board for their respective preparation program at such institution or organization.

WAC 181-78A-220 Program approval standards for approved preparation programs. The program approval standards for approved preparation programs for teachers, administrators, and educational staff associates are as follows:

(1) Professional education advisory boards: The institution or organization, in compliance with the provisions of WAC 181-78A-250, has established and maintained a professional education advisory board to participate in and cooperate with the institution or organization on decisions related to the development, implementation, and revision of each preparation program—i.e., teacher, administrator, school counselor, school psychologist, and school social workers.

(2) Accountability: Each institution or organization, in compliance with the provision of WAC 181-78A-255, has established a performance-based preparation program.

(3) Unit governance and resources: A separate school, department, or other administrative unit within the institution or organization, in compliance with the provision of WAC 181-78A-261, is responsible for providing the resources needed to develop and maintain quality preparation programs.

(4) Program design: Each institution or organization, in compliance with the provision of WAC 181-78A-264, is responsible for establishing a collaboratively developed approved preparation program that is based on a conceptual framework, current research and best practice that reflects the state's learning goals and essential academic learning requirements.

(5) Knowledge and skills: Each institution or organization, in compliance with the provision of WAC 181-78A-270, has established policies requiring all candidates for certification to know and demonstrate the content, pedagogical, and professional knowledge and skills required for the particular certificate and areas of endorsement, which reflect the state's learning goals and essential academic learning requirements, and are necessary to help all students learn.

[2011 WAC Supp—page 8]
WAC 181-78A-255 Approval standard—Accountability. Building on the mission to prepare educators who demonstrate a positive impact on student learning, the following evidence shall be evaluated to determine whether each preparation program is in compliance with the program approval standards of WAC 181-78A-220(2).

(1) Each approved educator preparation program shall maintain an assessment system that:
   (a) Assesses outcomes in alignment with the conceptual framework and state standards.
   (b) Systematically and comprehensively gathers evidence on:
       (i) Candidate learning;
       (ii) Program operations, including placement rates, clinical experiences, and candidate characteristics.
   (c) Collects candidate work samples that document positive impact on student learning.
   (d) Aggregates key data over time.
   (e) Incorporates perspectives of faculty, candidates, and P-12 partners.
   (f) Includes processes and safeguards that ensure fair and unbiased assessment of candidates.
   (g) Provides for regular analysis of assessment results.
   (h) Is systematically linked to program decision-making processes.

(2) Each approved program shall reach agreement with the professional educator standards board on the delivery of data as described in a memorandum of understanding. The memorandum will detail the minimum data requirements for approved programs.

WAC 181-78A-261 Approval standard—Program resources and governance. Building on the mission to prepare educators who demonstrate a positive impact on student learning, the unit has the leadership, authority, budget, personnel, facilities, and resources, including information technology resources, for the preparation of candidates to meet state standards. The following evidence shall be evaluated to determine whether each preparation program is in compliance with the resources program approval standard of WAC 181-78A-220(3):

Program leadership, authority and budget

(1) A separate administrative unit is responsible for the composition and organization of the preparation program.
   (a) An officially designated administrator is responsible for the management of operations and resources for the preparation program.
   (b) Budgetary allocations are sufficient for the program to assure that candidates meet state standards.

Performance-Based Preparation Programs

Personnel

(2) The program has adequate personnel to promote teaching and learning.
   (a) Workload policies allow program personnel to effectively perform their assigned responsibilities within the program.
   (b) Specific program personnel are assigned the responsibility of advising applicants for certification and endorsements and for maintaining certification records.
   (c) The program has adequate field supervisors and other support personnel.

Faculty qualifications and professional practices

(3) Faculty are qualified and exemplify professional practices.
   (a) Faculty are qualified for their assignments by virtue of education, experience and current understanding of research and best practices.
   (b) Faculty exemplify professional practices in teaching.

Faculty performance and professional development

(4) The program systematically and comprehensively evaluates faculty performance and supports professional development.
   (a) The faculty evaluate their own effectiveness in achieving program goals.
   (b) The program evaluates faculty effectiveness in teaching and learning.
   (c) The program provides opportunity for faculty to engage in professional development.

Program facilities and resources

(5) The program has adequate facilities and resources to promote teaching and learning.
   (a) The program has the necessary classrooms, lab space, office space, and/or other facilities.
   (b) The program has technology, library, curricular, and electronic information resources.
   (c) The facilities support faculty and candidate use of technology.

WAC 181-78A-264 Approval standard—Program design. Building on the mission to prepare educators who demonstrate a positive impact on student learning, evidence shall be evaluated to determine whether each preparation program is in compliance with the program design standard of WAC 181-78A-220(4):

(1) The conceptual framework establishes the shared vision for the unit’s efforts in preparing educators to work effectively in P-12 schools. The conceptual framework:
   (a) Provides coherence among curriculum, instruction, field experiences, clinical practice, candidate assessment, and program evaluation;
(b) Establishes the philosophy, purpose, goals, and standards of the program or unit;
(c) Reflects renewing commitment to current research and best practices; and
(d) Supports the state's goals for P-12 student learning and program approval Standard V.

(2) Recruitment, admission, retention, and transition to the field.
   (a) Programs recruit, admit, retain, and transition candidates to the field who:
      (i) Demonstrate the content and pedagogical knowledge and skills for success as educators in schools;
      (ii) Demonstrate the dispositions of a professional educator;
      (iii) Address the program, state and partner districts' goals for increasing underrepresented populations in the workplace;
      (iv) Address the content areas identified by work force data of the state and region.
   (b) Learner expectations for program requirements, progression, and completion are identified, published, and accessible.
   (c) Faculty regularly review recruitment and retention data for effectiveness of program.

Programs create, implement and communicate a recruitment and retention plan in response to data.

(3) Field experiences and clinical practice.
   (a) The program(s) and its school partners design, implement, and evaluate field experiences and clinical practices.
   (b) Field experiences are integrated throughout the preparation program.
      (i) Field experiences provide opportunity to plan, practice and reflect on methods of instruction and differentiation;
      (ii) Field experiences provide opportunity to work in communities with populations dissimilar to the background of the candidate;
      (iii) Faculty supervision, including on-site visits, will be provided on an on-going basis.
      (c) Mentors are instructional leaders identified collaboratively with the partner school of district.
         (i) Mentors and principals are provided with a set of internship expectations;
         (ii) Mentors receive or provide evidence of training on mentoring of adult learners;
         (iii) Mentors must be fully certificated school personnel and have a minimum of three years of professional experience in the role they are supervising;
      (iv) Effectiveness of mentor preparation and communication are reviewed annually by faculty.
   (d) All Washington educator preparation programs operating field experiences in Washington state shall establish and maintain field placement agreements with all Washington school districts in which candidates are placed for field experiences leading to certification or endorsement under WAC 181-78A-125.
   (e) Entry and exit criteria and a process for mitigating concerns during clinical practice are provided for candidates and the mentor.
   (f) Requirements for specific educator preparation programs.
      (i) Teacher programs.

(A) Programs shall administer the pedagogy assessment adopted by the professional educator standards board to all candidates in a residency certificate program.
(B) Clinical practice (defined as supervised planning, instruction, and reflection) for teacher candidates should consist of no less than four hundred fifty hours in classroom settings.

(ii) School counselor programs.
   (A) Candidates complete a supervised internship in the schools that includes a minimum of four hundred hours of on the job professional service and one hour per week of individual supervision provided by the mentor.
   (B) Prior to the internship, the candidate will complete a faculty supervised practicum (a distinctly defined clinical experience intended to enable the candidate to develop basic counseling skills and integrate professional knowledge).

(iii) School psychology programs.
   (A) Candidates complete a supervised internship in the schools that includes a minimum of one thousand two hundred hours of on the job professional service and one hour per week of individual supervision provided by the mentor.
   (B) Prior to the internship, the candidate will complete a faculty supervised practicum (a distinctly defined clinical experience intended to enable the candidate to develop basic school psychology skills and integrate professional knowledge).

(iv) Administrator programs.
   (A) The internship for administrators shall take place in an education setting serving under the general supervision of a certificated practitioner who is performing in the role for which certification is sought.
   (B) Components of the required internship shall include demonstration by the candidate that he or she has the appropriate, specific relevant skills pursuant to WAC 181-78A-270.

(C) An approved preparation program for superintendents shall require an internship of at least three hundred sixty hours.
(D) An approved preparation program for principals shall require for those persons beginning their internship August 1, 2009, and after, an internship which requires practice as an intern during the full school year. A "full school year" shall mean five hundred forty hours of which at least one-half shall be during school hours, when students and/or staff are present. Provided further, That an approved preparation program for principals shall require an internship that shall include demonstration by the candidate that she or he has the appropriate, specific skills pursuant to the standards identified in WAC 181-78A-270(2) and meets, at minimum, the standards-based benchmarks approved and published by the professional educator standards board. The benchmarks
may not be changed without prior professional educator standards board approval.

(4) Program and faculty collaboration.
   (a) Faculty within the program and unit collaborate for continuous program improvement.
   (b) Faculty collaborate with content area specialists.
   (c) Programs collaborate with P-12 schools to assess and respond to workforce, student learning, and professional development needs.
   (d) Faculty collaborate with members of the broader professional community.
   (e) Faculty collaborate with members of under-represented populations for program improvement.

(5) Diversity in learning experiences.
   (a) Candidates have significant interaction with diverse populations including colleagues, faculty, P-12 practitioners, and P-12 students and families.
   (i) Candidates reflect on interactions with diverse populations in order to integrate professional growth in cultural competency as a habit of practice.
   (ii) Candidates integrate their cultural and linguistic backgrounds into classroom activities in order to build the multicultural capacity of the preparation program cohort.
   (b) Faculty model equity pedagogy through:
      (i) Interaction with diverse populations;
      (ii) Reflective practice on their own professional growth in cultural competency;
      (iii) Culturally relevant communication and problem solving; and
      (iv) Personalized instruction that addresses cultural and linguistic backgrounds.

WAC 181-78A-270 Approval standard—Knowledge and skills. Building on the mission to prepare educators who demonstrate a positive impact on student learning based on the Improvement of Student Achievement Act of 1993 (1209), the following evidence shall be evaluated to determine whether each preparation program is in compliance with the program approval standards of WAC 181-78A-220(5):

(i) Applying principles of differentiated instruction, including theories of language acquisition, stages of language, and academic language development, in the integration of subject matter across the content areas of reading, mathematical, scientific, and aesthetic reasoning;

(ii) Using standards-based assessment that is systematically analyzed using multiple formative, summative, and self-assessment strategies to monitor and improve instruction;

(iv) Implementing classroom/school centered instruction, including sheltered instruction that is connected to communities within the classroom and the school, and includes knowledge and skills for working with other;

(v) Planning and/or adapting standards-based curricula that are personalized to the diverse needs of each student;

(vi) Aligning instruction to the learning standards and outcomes so all students know the learning targets and their progress toward meeting them;

(vii) Planning and/or adapting curricula that are standards driven so students develop understanding and problem-solving expertise in the content area(s) using reading, written and oral communication, and technology;

(viii) Preparing students to be responsible citizens for an environmentally sustainable, globally interconnected, and diverse society;

(ix) Planning and/or adapting learner centered curricula that engage students in a variety of culturally responsive, developmentally, and age appropriate strategies;

(x) Using technology that is effectively integrated to create technologically proficient learners; and

(xi) Informing, involving, and collaborating with families/neighborhoods, and communities in each student's educational process, including using information about student cultural identity, achievement and performance.

(b) PROFESSIONAL DEVELOPMENT. Developing reflective, collaborative, professional growth-centered practices through regularly evaluating the effects of his/her teaching through feedback and reflection.

(c) TEACHING AS A PROFESSION.
   (i) Participating collaboratively and professionally in school activities and using appropriate and respectful verbal and written communication.

(ii) Demonstrating knowledge of professional, legal, and ethical responsibilities and policies.

(d) PERFORMANCE ASSESSMENT. An approved preparation program for teachers shall require that each candidate engage in an assessment process approved by the professional educator standards board. The assessment will verify that the candidate for a residency teacher certificate can meet the teacher standards in (a), (b) and (c) of this subsection and understands teacher impact on student learning.

(2) PRINCIPAL AND PROGRAM ADMINISTRATOR.
   (a) Effective August 31, 1997, through August 31, 2004, principal and program administrator candidates, in order to support student achievement of the state learning goals and essential academic learning requirements, will complete a well-planned sequence of courses and/or experiences in an approved preparation program which shall include:

      (G) System dynamics, including family, school, community, etc.
   (iii) Consultation. Studies in this area shall include:
      (A) Methods of enhancing teamwork within the school community; and
      (B) Methods of involving parents, teachers, administrators, support staff and community agency personnel.

(5) SCHOOL COUNSELOR. Effective September 1, 2005, school counselor candidates, in order to support student achievement of the state learning goals and essential academic learning requirements, will complete formalized learning opportunities, including an internship, in an approved program that includes:

   (a) Successful demonstration of standards:
   (i) Foundations of the school counseling profession:
      Certified school counselors design, deliver, and evaluate student-centered, data-driven school counseling programs that advance the mission of the school in light of recognized theory, research, exemplary models, community context, and professional standards.
   (ii) School counseling and student competencies: Certified school counselors integrate academic, career, and personal/social student competencies, including Washington state learning goals and essential academic learning requirements, into the school counseling program; teach counseling and guidance related material by using effective curriculum, instructional strategies, and instructional management; support teachers and parents in helping students develop knowledge and skill for learning, living, and working; and provide information about best practices to a school community.
   (iii) Human growth and development: Certified school counselors apply comprehensive, in-depth knowledge of human growth and development to improve student learning, well-being, and to enhance resiliency; provide guidance to parents and teachers about developmentally appropriate practices that support students throughout their schooling experience.
   (iv) Counseling theories and technique: Certified school counselors demonstrate an understanding of established and emerging counseling theories through effective use of individual and group techniques for working with a diverse population.
   (v) Equity, fairness, and diversity: Certified school counselors value and show respect for all members of the community; demonstrate fairness, equity, and sensitivity to every student, and advocate for equitable access to instructional programs and activities; use data for designing and implementing plans that remove barriers to learning; and help to close achievement gaps among subgroups of students.
   (vi) School climate: Certified school counselors establish and foster a safe, inclusive, and nurturing learning environment for students, staff, and families and use strategies designed to prevent or resolve problems that could limit or diminish the capacity of students to learn and achieve at their highest levels.
   (vii) Collaboration with school staff, family, and community: Certified school counselors work collaboratively with school staff, families and community members to achieve common goals for the education of students, improvement of schools, and advancement of the larger community; know appropriate behavior management strategies and can team with staff and families to improve student achievement; and use their knowledge of community resources to make appropriate referrals based on the needs of students.
   (viii) Information resources and technology: Certified school counselors select and use informational resources and technology to facilitate delivery of a comprehensive
school counseling program that meets student needs; and skillfully use technology to enhance communication.

(ix) **Student assessment and program evaluation:** Certified school counselors understand the basic principles and purposes of assessment; collection and use of data; regularly monitor student progress and are able to communicate the purposes, design, and results of assessments to various audiences; know basic principles of research design, action research, and program evaluation for purposes of program improvement and accountability.

(x) **Leadership and advocacy:** Certified school counselors support practices and policies that promote academic rigor-skills for learning, living, and working; provide leadership that enhances student academic, career, and personal/social development and advocate for guidance as an integral part of a school's educational system; model practices that help students, parents, teachers, and policy makers understand how curriculum, instruction and assessment can help students see the relationship between effort, performance, and success beyond high school. Certified school counselors help promote understanding of graduation requirements, WASL scores, and development of the high school and beyond plan.

(xi) **Professionalism, ethics, and legal mandates:** Certified school counselors develop a professional identity congruent with knowledge of all aspects of professional functions, professional development, and state and national school counselor organizations. They adhere strictly to the profession's codes of ethics, especially those that have been established by the American Counseling Association (ACA), the American School Counselor Association (ASCA), the National Board for Certified Counselors (NBCC), and other relevant codes of ethics. They are familiar with state and federal policies, laws, and legislation relevant to school counseling.

(xii) **Reflective practice:** Certified school counselors integrate knowledge, skills, and life experiences to respond effectively to new or unexpected critical events and situations; serve as change agents by using their understanding of larger organizational context; monitor practice with continuous, in-depth reflection; and make adjustments as needed.

(b) **Performance assessment.** An approved preparation program for school counselors shall require that each candidate engage in an assessment process using the standards-based benchmarks approved by the professional educator standards board and published by the office of the superintendent of public instruction. The benchmarks may not be changed without prior professional educator standards board approval. All candidates shall exit the residency certificate program with a draft professional growth plan.

(6) **SCHOOL PSYCHOLOGIST.** Effective August 31, 1997, through August 31, 2005, school psychologist candidates, in order to support student achievement of the state learning goals and essential academic learning requirements, will complete a well-planned sequence of courses and/or experiences in which they acquire and apply knowledge about:

(a) Knowledge of the field. The candidate has knowledge and skill in relevant fields of study, including:

(i) Learning theory.

(ii) Personality theory and development.

Two levels of certification may be issued.

(1) Initial and continuing certificates: Teachers with program completion dates through August 31, 2000, administrators with program completion dates through August 31, 2004, and educational staff associates with program completion dates through August 31, 2005, will be issued the following levels of certificates: Provided, That initial and continuing teachers’ certificates after August 31, 2000, initial and continuing principal and program administrator certificates after August 31, 2004, and initial and continuing educational staff associate certificates after August 31, 2005, will be issued only to previous Washington certificate holders, pursuant to WAC 181-79A-123:

(a) Initial certificate. The initial teacher certificate is valid for four years and the initial administrator and educational staff associate certificates are valid for seven years. Initial teacher certificates shall be subject to renewal pursuant to WAC 181-79A-250(1) and 181-79A-123. Initial administrator and educational staff associate certificates shall not be subject to renewal. Initial administrator and educational staff associate certificate holders shall be issued a continuing certificate if they meet the requirements for such certificate. Initial administrator and educational staff associate certificate holders shall be issued a residency certificate if their initial certificate has expired or they do not meet the requirements for a continuing certificate.

(b) Continuing certificate. The continuing certificate is valid on a continuing basis as specified in WAC 181-79A-250(3).

(2) Residency and professional certificates: Teachers, administrators, and educational staff associates with program completion dates commencing with the dates indicated below will be issued the following levels of certificates:

(a) Residency certificate. The residency certificate will be issued to teachers beginning September 1, 2000, to principal/program administrators beginning September 1, 2004, and to educational staff associate school counselors, school psychologists, and school social workers no later than September 1, 2005.

(b) The first issue of a residency certificate for teachers, principals, program administrators, and educational staff associates shall be valid until the holder has completed two consecutive years of successful service in the role in Washington with a school district, state approved private school, or state agency that provides educational services for students. When the principal, program administrator, or educational staff associate completes two consecutive years of successful service in the role in the state with the same employer, their residency certificate will be reissued with a five-year expiration date; provided, that the second consecutive year of successful service in the role will be considered to be complete for purposes of reissuance if a contract for the third such year has been signed and returned to the employer. Prior to the expiration date, the candidate must earn a professional certificate or meet residency renewal requirements under WAC 181-79A-250.

(c) For teachers, after September 1, 2011, a first issue teacher residency certificate remains undated until the teacher is eligible to register for the professional certificate assessment under WAC 181-79A-206, at which time the residency certificate is dated for three years as verified by the certification office of the superintendent of public instruction: Provided, That teachers who hold an undated initial residency certification and teach in nonpublic school settings as defined under chapter 180-55 WAC are considered to hold a valid certificate and may participate in the professional certificate requirements by submitting proof of experience under WAC 181-79A-206.

(d) Professional certificate. The professional certificate will be issued to teachers beginning September 1, 2001, to principals/program administrators beginning September 1, 2007, and to educational staff associate school counselors, school psychologists, and school social workers beginning September 1, 2007. The professional certificate is valid for five years and shall be subject to renewal pursuant to WAC 181-79A-250. Provided, That a professional teacher’s certificate based on the possession of a valid teacher’s certificate issued by the National Board for Professional Teaching Standards National Board Certification pursuant to WAC 181-79A-257 (3)(b) or 181-79A-206 (3)(a) shall be valid for five years or until the expiration of the National Board Certificate, whichever is greater. Provided further that a professional educational staff associate certificate for school counselors based on the possession of a valid school counselor’s certificate issued by the National Board for Professional Teaching Standards National Board Certification pursuant to WAC 181-79A-257 or 181-79A-206 shall be valid for five years or until the expiration of the National Board Certificate, whichever is greater.

(3) First peoples’ language, culture, and oral tribal traditions certificates: The first peoples’ language, culture, and oral tribal traditions certificate will be issued beginning in January 2007. The first peoples’ language, culture, and oral tribal traditions certificate is valid for five years and shall be subject to renewal pursuant to WAC 181-79A-252.

WAC 181-79A-158 Requirements for providing contact information. Educators holding certificates shall provide a current mailing address to the superintendent of public instruction. Beginning September, 2010, any change of address shall be communicated to the same office within sixty days.

WAC 181-79A-213 Issues of abuse course work requirement for continuing certification—Administrators. Candidates who apply for a continuing or professional administrator certificate after August 31, 1994, must have successfully completed the abuse course work requirement as defined in WAC 181-79A-030(6).

WAC 181-79A-231 Limited certificates. Notwithstanding other requirements prescribed in this chapter for eligibility for certification in the state of Washington, the following certificates shall be issued under specific circumstances set forth below for limited service:

(1) Conditional certificate.

(a) The purpose of the conditional certificate is to assist local school districts, approved private schools, and educational service districts in meeting the state’s educational goals by giving them flexibility in hiring decisions based on shortages or the opportunity to secure the services of unusually talented individuals. The professional educator standards board encourages in all cases the hiring of fully certified individuals and understands that districts will employ individuals with conditional certificates only after careful review of all other options. The professional educator standards board asks districts when reviewing such individuals for employment to consider, in particular, previous experience the individual has had working with children.

(b) Conditional certificates are issued upon application by the local school district, approved private school, or educational service district superintendent to persons who meet the age, good moral character, and personal fitness requirements of WAC 181-79A-150(1) and (2), if one of the following conditions is verified:

(i) The applicant is highly qualified and experienced in the subject matter to be taught and has unusual distinction or exceptional talent which is able to be demonstrated through public records of accomplishments and/or awards; or

(ii) No person with regular teacher certification in the endorsement area is available as verified by the district or educational service district superintendent or approved private school administrator, or circumstances warrant consideration of issuance of a conditional certificate.

(c) In addition, conditional certificates are issued to persons in the following categories only if no person with regular certification is available:

(i) The applicant qualifies to instruct in the traffic safety program as paraprofessionals pursuant to WAC 392-153-020 (2) and (3); or

(ii) The applicant is assigned instructional responsibility for intramural/ interscholastic activities which are part of the district or approved private school approved program; or

(iii) The applicant possesses a state of Washington license for a registered nurse: Provided, That the district will be responsible for orienting and preparing individuals for their assignment as described in (e)(iii) of this subsection; or

(iv) The applicant has completed a bachelor’s degree or higher from a regionally accredited college/university. All speech-language pathologists or audiologists providing services under a current and valid conditional certificate issued as of June 30, 2003, will be fully qualified consistent with WAC 181-79A-223 by the year 2010. First conditional certificates, issued to speech-language pathologists or audiologists after June 30, 2003, which are valid for up to two years, may be reissued once for up to two years, if the individual provides evidence that he/she is enrolled in and completing satisfactory progress in a master’s degree program resulting in the initial ESA school speech-language pathologist or audiologist certificate.

(v) The applicant for a conditional teaching certificate in special education shall hold a bachelor’s degree or higher from a regionally accredited college/university.

(vi) The issuance of a conditional certificate to a special education teacher after July 1, 2003, is contingent upon the individual being enrolled in an approved teacher preparation program resulting in a residency teacher certificate endorsed in special education. The conditional certificate is valid for up to two years and may be reissued once for up to two years, if the individual provides evidence that he/she is enrolled in and completing satisfactory progress in the residency teacher certificate program.

(vii) An individual with full certification and endorsed in special education shall be assigned as a mentor to the special education teacher during the duration of the conditional certificate.

(d) The educational service district or local district superintendent or administrator of an approved private school will verify that the following criteria have been met when requesting the conditional certificate:

(i) The district or educational service district superintendent or approved private school administrator has indicated the basis on which he/she has determined that the individual is competent for the assignment;
(ii) The individual is being certificated for a specific assignment and responsibility in a specified activity/field;

(e) When requesting the conditional certificate for persons who provide classroom instruction, the educational service district superintendent or local district superintendent or approved private school administrator will verify that the following additional criteria will be met:

(i) After specific inclusion on the agenda, the school board or educational service district board has authorized submission of the application.

(ii) The individual will be delegated primary responsibility for planning, conducting, and evaluating instructional activities with the direct assistance of a school district or approved private school mentor and will not be serving in a paraprofessional role which would not require certification;

(iii) Personnel so certificated will be oriented and prepared for the specific assignment by the employing district or approved private school. A written plan of assistance will be developed, in cooperation with the person to be employed within twenty working days from the commencement of the assignment. In addition, prior to service the person will be apprised of any legal liability, the responsibilities of a professional educator, the lines of authority, and the duration of the assignment;

(iv) Within the first sixty working days, personnel so certificated will complete sixty clock hours (six quarter hours or four semester hours) of course work in pedagogy and child/adolescent development appropriate to the assigned grade level(s) as approved by the employing school district or approved private school.

(f) The certificate is valid for two years or less, as evidenced by the expiration date which is printed on the certificate, and only for the activity specified. The certificate may be reissued for two years and for two-year intervals thereafter upon application by the employing local school district, approved private school, or educational service district and upon completion of sixty clock hours (six quarter hours or four semester hours) of course work since the issuance of the most recent certificate. The requesting local school district, approved private school, or educational service district shall verify that the sixty clock hours taken for the reissuance of the certificate shall be designed to support the participant's professional growth and enhance the participant's instructional knowledge or skills to better assist students meeting the state learning goals and/or essential academic learning requirements.

(2) Substitute certificate.

(a) The substitute certificate entitles the holder to act as substitute during the absence of the regularly certificated staff member for a period not to exceed thirty consecutive school days during the school year in any one assignment. This certificate may be issued to:

(i) Teachers, educational staff associates or administrators whose state of regular Washington certificates have expired; or

(ii) Persons who have completed state approved preparation programs and baccalaureate degrees at regionally accredited colleges and universities for certificates; or

(iii) Persons applying as out-of-state applicants who qualify for certification pursuant to WAC 181-79A-257 (1)(c) and (d).

(b) The substitute certificate is valid for life.

(3) Emergency certification.

(a) Emergency certification for specific positions may be issued upon the recommendation of school district and educational service district superintendents or approved private school administrators to persons who hold the appropriate degree and have substantially completed a program of preparation in accordance with Washington requirements for certification: Provided, That a qualified person who holds regular certification is not available or that the position is essential and circumstances warrant consideration of issuance of an emergency certificate: Provided further, That a candidate for emergency certification as a school counselor, school psychologist, or social worker shall be the best qualified of the candidates for the position as verified by the employing school district and shall have completed all course work for the required master's degree with the exception of the internship: Provided further, That a candidate for emergency certification as a school psychologist shall be enrolled in an approved school psychologist preparation program and shall be participating in the required internship.

(b) The emergency certificate is valid for one year or less, as evidenced by the expiration date which is printed on the certificate.

(4) Emergency substitute certification.

(a) If the district or approved private school has exhausted or reasonably anticipates it will exhaust its list of qualified substitutes who are willing to serve as substitutes, the superintendent of public instruction may issue emergency substitute certificates to persons not fully qualified under subsection (2) of this section for use in a particular school district or approved private school once the list of otherwise qualified substitutes has been exhausted.

(b) Such emergency substitute certificates shall be valid for three years or less, as evidenced by the expiration date which is printed on the certificate.

(5) Nonimmigrant alien exchange teacher. Applicants for certification as a nonimmigrant alien exchange teacher must qualify pursuant to WAC 181-79A-270 and be eligible to serve as a teacher in the elementary or secondary schools of the country of residence.

(6) Intern substitute teacher certificate.

(a) School districts and approved private schools may request intern substitute teacher certificates for persons enrolled in student teaching/internships to serve as substitute teachers in the absence of the classroom teacher.

(b) The supervising college or university must approve the candidate for the intern substitute teacher certificate.

(c) Such certificated substitutes may be called at the discretion of the school district or approved private school to serve as a substitute teacher only in the classroom(s) to which the individual is assigned as a student teacher/intern.

(d) The intern substitute teacher certificate is valid for one year, or less, as evidenced by the expiration date which is printed on the certificate.

(7) Transitional certificate.

(a) An individual whose continuing or residency certificate has expired according to WAC 181-85-040 or 181-79A-251 may be issued a transitional certificate to be employed on a conditional basis upon request by a school district, approved private school, or educational service district super-
intendent. The holder of the transitional certificate must successfully complete the external assessment established by the professional educator standards board within two years of the date the holder was issued the transitional certificate in order to continue to be employed: Provided, five years has elapsed since the final renewal expired and the teacher registers and passes the professional certificate assessment within the two years under WAC 181-79A-251. The transitional certificate expiration date shall not be calculated under professional educator standards board policy WAC 181-79A-117.

(b) No individual whose continuing certificate has been suspended or revoked shall be eligible to be employed under this section.

(c) School districts, approved private schools, and educational service districts are strongly encouraged to develop with the holder of a transitional certificate a plan of assistance to be sure the holder completes the necessary continuing certificate reinstatement requirements under WAC 181-85-130 within the two-year conditional employment period specified under (a) of this subsection if the holder is to continue to be employed.

(d) The transitional certificate is not renewable and may not be reissued.

(8) Provisional alternative administrative certificate.

(a) This certificate shall be issued to individuals admitted to the professional educator standards board alternative route to principal certification pilot program.

(b) The certificate is valid for one year from date of issue.

(c) A comprehensive assessment of the intern’s performance by school officials and program faculty and a recommendation that the person be issued a residency principal certificate upon successful completion of the program.

WAC 181-79A-250 Initial and continuing certificates—Renewal, reinstatement, and continuing education requirements. The following shall apply to initial and continuing certificates issued pursuant to this chapter:

(1) Initial certificate.

(a) Teachers.

An initial teacher certificate may be renewed for an additional three-year period on application and verification that the individual has completed all course work requirements from a regionally accredited institution of higher education as defined in WAC 181-78A-010(6) for continuing certification or has completed at least fifteen quarter credit hours (ten semester credit hours) since the certificate was issued or renewed. After August 31, 2000, provisions of WAC 181-79A-123 will apply.

(b) Administrators.

(c) Educational staff associates.

After June 30, 2005, provisions of WAC 181-79A-123 will apply.

(2) Continuing certificate.

(a) The continuing certificates of holders who were eligible for such certificates prior to August 31, 1987, and who applied for such certificates prior to July 1, 1988, or who would have been eligible for such certificates prior to August 31, 1987, but for one of the three-year experience requirement and who complete such requirement and apply for such certificate prior to August 31, 1988, will be valid for life.

Holders of valid continuing certificates affected by this subsection shall be entitled to have such certificate reissued and subject to the terms and conditions applicable to certification at the time of reissuance including the continuing education requirements of chapter 181-85 WAC.

(b) All continuing certificates not affected by the exception stated in (a) of this subsection shall expire if the holder does not complete the continuing education requirement, to include the filing requirement specified in chapter 181-85 WAC. To reinstate such an expired continuing certificate the individual must complete the requirements for reinstatement stated within chapter 181-85 WAC and must meet the conditions stated in WAC 181-79A-253.

(1) Residency certificate. Residency certificates shall be renewed under one of the following options:

(a) Teachers.

(i) Prior to September 1, 2011, individuals who hold, or have held, a residency certificate and who qualify for enrollment in a professional certificate program pursuant to WAC 181-78A-535 (1)(a) may have the certificate renewed for one additional two-year period upon verification by the professional certificate administrator that the candidate is enrolled in a state-approved professional certificate program or has registered for the professional certificate assessment under WAC 181-79A-206.

(A) Individuals who hold, or have held, a residency certificate and who qualify for enrollment in a professional certificate program pursuant to WAC 181-78A-535 (1)(a) may have the certificate renewed for one additional two-year period upon verification by the professional certificate administrator that the candidate is enrolled in a state-approved professional certificate program or has registered for the professional certificate assessment under WAC 181-79A-206.
have the certificate renewed for one additional two-year period upon verification by the professional certificate administrator that the candidate is enrolled in a state approved professional certificate program.

(B) Individuals who hold a residency certificate that expires in 2010 or 2011 may have the certificate renewed for two years by registering for the external assessment pursuant to WAC 181-79A-206: Provided, That individuals who are unable to complete the professional certificate program by the expiration date on the two-year renewal who have not successfully completed the professional certificate program and enroll in the external assessment pursuant to WAC 181-79A-206 or taught for any portion of the nine years between employment and expiration date of the renewal can obtain an additional two-year renewal upon verification they had been unemployed during those years, been on a leave of absence or were unemployed due to a reduction in force.

(ii) Beginning September 1, 2011, individuals who hold, or have held, residency certificates have three options for renewal past the first three-year certificate:

(A) Candidates who have attempted and failed the professional certificate assessment are eligible for a two-year renewal;

(B) Candidates who have not been employed or employed less than full-time as a teacher during the dated, three-year residency certificate may receive a two-year renewal by registering for the professional certificate assessment or may permit their certificate to lapse until such time they register for the professional certificate assessment.

(C) Candidates whose three-year residency certificate has lapsed may receive a two-year renewal by registering for the professional certificate assessment.

(iii) A residency certificate expires after the first renewal if the candidate has taken no action to achieve the professional certificate, provided: When the first two-year renewal on residency certificates expires, teachers have two renewal options:

(A) Teachers who were employed but failed the professional certificate assessment, may receive a second two-year renewal;

(B) Teachers who were unemployed or employed less than full-time during the first two-year renewal may permit their certificate to lapse and receive a second two-year renewal by registering for the professional certificate assessment.

(iv) An individual who completes a National Board Certification assessment but does not earn National Board Certification, may use that completed assessment to renew the residency certificate for two years.

(v) Teachers who hold expired residency certificates may be reinstated by having a district request, under WAC 181-79A-231, a transitional certification not less than five years following the final residency expiration: Provided, That the teacher registers and passes the professional certification assessment within two years.

(vi) Teachers that hold a dated residency certificate prior to September 2011 that have expiration dates past September 2011 are subject to the same renewal options as described in (a)(ii) and (iii) of this subsection.

(b) Principals/program administrators.

(i) Individuals who hold, or have held, a residency certificate and who qualify for enrollment in a professional certificate program pursuant to WAC 181-78A-535 (2)(a) may have the certificate renewed for one additional two-year period upon verification by the professional certificate program administrator that the candidate is enrolled in a state approved professional certificate program.

(ii) Individuals who hold, or have held, residency certificates who do not qualify for enrollment in a professional certificate program under WAC 181-78A-535 (2)(a) may have their residency certificates renewed for one additional five-year period by the completion of fifteen quarter credits (ten semester credits) of college credit course work, directly related to the current performance-based leadership standards as defined in WAC 181-78A-270 (2)(b) plus an internship approved by a college or university with a professional educator standards board-approved residency certificate program and taken since the issuance of the last residency certificate.

(c) School counselors, school psychologists, or school social workers.

(i) Individuals who hold a residency certificate and who qualify for enrollment in a professional certificate program pursuant to WAC 181-78A-535(3) may have the certificate renewed for one additional two-year period upon verification by the professional certificate program administrator that the candidate is enrolled in a state approved professional certificate program.

(ii) Individuals who hold, or have held, a residency certificate who do not qualify for admission to a professional certificate program under WAC 181-78A-535 (3)(a) may have their residency certificates renewed for one additional five-year period by the completion of fifteen quarter credits (ten semester credits) of college credit course work, directly related to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9) from a regionally accredited institution of higher education taken since the issuance of the residency certificate. Renewal for an additional five-year period requires the completion of fifteen quarter credits (ten semester credits) directly related to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9) completed since the issuance of the most recent residency certificate plus an internship approved by a college or university with a professional educator standards board-approved residency certificate program and taken since the issuance of the last residency certificate.

(2) Professional certificate.

(a) Teachers.

(i) A valid professional certificate may be renewed for additional five-year periods by the completion of one hundred fifty continuing education credit hours as defined in chapter 181-85 WAC or by completing the professional growth plan as defined in WAC 181-79A-030 until September 1, 2012. Beginning September 1, 2012, only the professional growth plan developed in collaboration with the professional growth team as defined in WAC 181-79A-030 is
individuals employed as a principal, assistant principal, or program administrator in a public school or state board of education-approved private school may have their professional certificate renewed for an additional five-year period by the completion of fifteen quarter credits (ten semester credits) of college credit course work directly related to the current performance-based leadership standards as defined in WAC 181-78A-270 (2)(b) from a regionally accredited institution of higher education taken since the issuance of the professional certificate. Renewal beyond one time requires the completion of fifteen quarter credits (ten semester credits) directly related to the current performance-based leadership standards as defined in WAC 181-78A-270 (2)(b) plus an internship approved by a college or university with a professional educator standards board-approved professional certificate program, and taken since the issuance of the last professional certificate.

(c) School counselors, school psychologists, or school social workers.

(i) A professional certificate may be renewed for additional five-year periods for individuals employed as a school counselor, school psychologist, or school social worker in a public school, state board of education-approved private school, or in a state agency which provides educational services to students by:

(A) Completion of a professional growth plan that is developed and approved with the principal or principal designee, and that documents formalized learning opportunities and professional development activities that:

(I) Emphasize continuous learning;

(II) Positively impact student learning; and

(III) Reflect contributions to the school, district, and greater professional community; or

(B) Documented evidence of results of the professional growth plan on student learning.

(ii) Individuals not employed as a principal, assistant principal, or program administrator in a public school or state board of education-approved private school may have their professional certificate renewed for an additional five-year period by:

(A) Completion of fifteen quarter credits (ten semester credits) of college credit course work directly related to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9).  

(B) Completion of one hundred fifty continuing education credit hours as defined in chapter 181-85 WAC since the certificate was issued and which relate to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9).

(ii) Individuals not employed as a school counselor, school psychologist, or a school social worker in a public school or state board of education-approved private school may have their professional certificate renewed for an additional five-year period by:

(A) Completion of fifteen quarter credits (ten semester credits) of college credit course work directly related to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9) from a regionally accredited institution of higher education taken since the issuance of the professional certificate; or

(B) Completion of one hundred fifty continuing education credit hours as defined in chapter 181-85 WAC since the certificate was issued and which relate to the current performance-based standards as defined in WAC 181-78A-270 (5), (7), or (9); or

WAC 181-82A-204 Endorsement requirements. (1) Candidates completing endorsements required to obtain a residency certificate, shall complete college/university teacher preparation programs approved by the professional educator standards board pursuant to chapter 181-78A WAC, which include methodology (see WAC 181-78A-264(5)), and field experience/internship (see WAC 181-78A-264(6)) and pursuant to endorsement program approval requirements in this chapter.

(2) In order to add an additional endorsement, the candidate shall:

(a) Have completed a state-approved endorsement program which includes methodology (see WAC 181-78A-264(5)) and addresses all endorsement-specific competencies adopted and published by the professional educator standards board. The requirement for field experience shall be at the discretion of the college/university. Provided, that in cases where programs require a field experience/internship, the colleges/universities should make every attempt to allow the individual to complete field-based requirements.

(b) Achieve National Board certification in a Washington teaching endorsement area and hold a valid National Board certificate.

(c) Pass the subject knowledge test approved by the professional educator standards board for the certificate endorsement being sought. The instructional methodology and content-related skills of the desired subject endorsement must be compatible with one or more of the current endorsement(s) on the applicant's teacher certificate, per the list of Pathway 1 endorsements adopted and published by the professional educator standards board. The applicant must document a minimum of ninety days teaching experience as a teacher via full-time, part-time, or substitute experience, in a public or state approved private school, or state agency providing educational services for students, in the endorsement area that is compatible in instructional methodology and content-related skills to the Pathway 1 endorsement; or

(d)(i) Pass the subject knowledge test approved by the professional educator standards board for the certificate endorsement being sought and successfully meet all eligibility criteria and process requirements for Pathway 2 endorsements as adopted and published by the professional educator standards board. The desired subject endorsement must be identified as a Pathway 2 endorsement for one or more of the current endorsement(s) on the applicant's teacher certificate, per the list of Pathway 2 endorsements adopted and published by the professional educator standards board. The applicant must document a minimum of ninety days teaching experience as a teacher via full-time, part-time, or substitute experience, in a public or state approved private school, or state agency providing educational services for students, while holding the endorsement area that is compatible in instructional methodology and content-related skills to the Pathway 2 endorsement.

The ninety day teaching requirement is waived per RCW 28A.660.045 for individuals having an elementary education certificate but who are not employed in positions requiring an elementary education certificate and pursuing an endorsement in middle level mathematics or science.

(ii) Teacher preparation programs that offer Pathway 2 endorsement programs shall follow process steps as adopted by the professional educator standards board and published by the superintendent of public instruction to verify successful completion of the Pathway 2 process and to recommend adding the endorsement to the applicant's teacher certificate.

(3) Candidates from out-of-state shall be required to present verification that they completed a state-approved program (equivalent to a major) in a Washington endorsement area.

(4) Course work used to meet endorsement requirements must be completed through a regionally accredited college/university.

(5) Only course work in which an individual received a grade of C (2.0) or higher or a grade of pass on a pass-fail system of grading shall be counted toward the course work required for the approved endorsement program.

(6) Nothing within this chapter precludes a college or university from adopting additional requirements as conditions for recommendation, by such college or university, to
the superintendent of public instruction for a particular subject area endorsement.

**WAC 181-82A-208 Specialty endorsements.** The following specialty endorsements may be added to an existing endorsed teaching certificate:

(1) Deaf education (per RCW 28A.410.225).
   (a) This specialty endorsement is required for teachers who will be working almost exclusively with students who are deaf or hard of hearing.
   (b) Program requirements are waived and this specialty endorsement granted if a candidate possesses a baccalaureate or master's degree in deaf education from a teacher training program approved by the council on education of the deaf.

(2) Environmental and sustainability education.

(3) Teacher of the visually impaired.

(4) Orientation and mobility teacher.

(5) Gifted education.
