Chapter 388-484 WAC
TANF/SFA FIVE YEAR TIME LIMIT

WAC 388-484-0005 There is a five-year (sixty-month) time limit for TANF, SFA and GA-S cash assistance. (1) What is the sixty-month time limit?

(a) You can receive cash assistance for temporary assistance for needy families (TANF), state family assistance (SFA), and general assistance for pregnant women (GA-S) for a lifetime limit of sixty months. The time limit applies to cash assistance provided by any combination of these programs, and whether or not it was received in consecutive months.

(b) If you receive cash assistance for part of the month, it counts as a whole month against the time limit.

(c) If you have received cash assistance from another state on or after August 1, 1997, and it was paid for with federal TANF funds, those months will count against your time limit.

(d) The time limit does not apply to diversion cash assistance, support services, food assistance or medicaid.

(2) When did the sixty-month time limit go into effect?

The sixty-month time limit applies to cash assistance received on or after August 1, 1997 for TANF and SFA. Although the GA-S program no longer exists, the time limit applies to GA-S cash assistance received from May 1, 1999 through July 31, 1999.

(3) Does the time limit apply to me?

The sixty-month time limit applies to you for any month in which you are a parent or other relative as defined in WAC 388-454-0010, or a minor parent emancipated through court order or marriage.

(4) Do any exceptions to the time limits apply to me?

The department does not count months of assistance towards the sixty-month time limit if you are:

(a) An adult caretaker, as described in WAC 388-454-0005 through 388-454-0010, who is not a member of the assistance unit and you are receiving cash assistance on behalf of a child;

(b) An unemancipated pregnant or parenting minor living in a department approved living arrangement as defined by WAC 388-486-0005; or

(c) An adult and you are living in Indian country, as defined under 18 U.S.C. 1151, or an Alaskan native village and you are receiving TANF, SFA, or GA-S cash assistance during a period when at least fifty percent of the adults living in Indian country or in the village were not employed. See WAC 388-484-0010.

(5) What happens if a member of my assistance unit has received sixty months of TANF, SFA, and GA-S cash benefits?

Once any adult or emancipated minor in the assistance unit has received sixty months of cash assistance, the entire assistance unit becomes ineligible for TANF or SFA cash assistance, unless you qualify for a hardship extension and are eligible for an extended period of cash assistance called a TANF/SFA time limit extension under WAC 388-484-0010.

(6) What can I do if I disagree with how the department has counted my months of cash assistance?

(a) If you disagree with how we counted your months of cash assistance, you may ask for a hearing within ninety days of the date we sent you a letter telling you how many months we are counting.

(b) You will get continued benefits (the amount you were getting before the change) if:

(i) You have used all sixty months of benefits according to our records; and

(ii) You ask for a hearing within the ten-day notice period, as described in chapter 388-458 WAC.

(c) If you get continued benefits and the administrative law judge (ALJ) agrees with our decision, you may have to pay back the continued benefits after the hearing, as described in chapter 388-410 WAC.

(7) Does the department ever change the number of months that count against my time limit?

We change the number of months we count in the following situations:

(a) You repay an overpayment for a month where you received benefits but were not eligible for any of the benefits you received. We subtract one month for each month that you completely repay. If you were eligible for some of the benefits you received, we still count that month against your time limit.

(b) We did not close your grant on time when the division of child support (DCS) collected money for you that was over your grant amount two months in a row, as described in WAC 388-422-0030.

(c) An ALJ decides at an administrative hearing that we should change the number of months we count.

(d) You ask for a hearing within the ten-day notice period, as described in chapter 388-458 WAC.

(e) You participated in the excess real property (ERP) program in order to get assistance and we collected the funds when your property sold.

(f) Another state gave us incorrect information about the number of months you got cash assistance from them.

WAC 388-484-0006 TANF/SFA time limit extensions. (1) What happens after I receive sixty or more months of TANF/SFA cash assistance?

After you receive sixty or more months of TANF/SFA cash assistance, you may qualify for additional months of cash assistance. We call these additional months of TANF/SFA cash assistance a hardship TANF/SFA time limit extension.

(2) Who is eligible for a hardship TANF/SFA time limit extension?

Effective February 1, 2011, you are eligible for a hardship TANF/SFA time limit extension if you are on TANF or otherwise eligible for TANF, have received sixty cumulative months of TANF and:

(a) You are approved for one of the exemptions from mandatory participation according to WAC 388-310-0350 (1)(a) through (d); or
(b) You:

(i) Have an open child welfare case with a state or tribal government and this is the first time you have had a child dependent under RCW 13.34.030 in this or another state or had a child a ward of a tribal court; or
(ii) Are working in unsubsidized employment for thirty-two hours or more per week; or
(iii) Document that you meet the family violence option criteria in WAC 388-61-001 and are participating satisfactorily in specialized activities needed to address your family violence according to a service plan developed by a person trained in family violence.

(3) Who reviews and approves a hardship time limit extension?

(a) Your case manager or social worker will review your case and determine whether a hardship time limit extension type will be approved.
(b) This review will not happen until after you have received at least fifty-two months of assistance but before you reach your time limit.
(c) Before you reach your time limit, the department will send you a notice that tells you whether a hardship time limit extension will be approved when your time limit expires and how to request an administrative hearing if you disagree with the decision.

(4) Do my WorkFirst participation requirements change if I receive a hardship TANF/SFA time limit extension?

(a) Even if you qualify for a hardship TANF/SFA time limit extension you will still be required to participate as required in your individual responsibility plan (WAC 388-310-0500). You must still meet all of the WorkFirst participation requirements listed in chapter 388-310 WAC while you receive a hardship TANF/SFA time limit extension.

(b) If you do not participate in the WorkFirst activities required by your individual responsibility plan, and you do not have a good reason under WAC 388-310-1600, the department will follow the sanction rules in WAC 388-310-1600.

(5) Do my benefits change if I receive a hardship TANF/SFA time limit extension?

(a) You are still a TANF/SFA recipient and your cash assistance, services, or supports will not change as long as you continue to meet all other TANF/SFA eligibility requirements.

(b) During the hardship TANF/SFA time limit extension, you must continue to meet all other TANF/SFA eligibility requirements. If you no longer meet TANF/SFA eligibility criteria during your hardship time limit extension, your benefits will end.

(6) How long will a hardship TANF/SFA time limit extension last?

(a) We will review your hardship TANF/SFA time limit extension and your case periodically for changes in family circumstances:

(i) If you are extended under WAC 388-484-0006 (2)(a) then we will review your extension at least every twelve months;
(ii) If you are extended under WAC 388-484-0006 (2)(b) then we will review your extension at least every six months.

(b) Your hardship TANF/SFA time limit extension may be renewed for as long as you continue to meet the criteria to qualify for a hardship time limit extension.

(c) If during the extension period we get proof that your circumstances have changed, we may review your case and determine if you continue to qualify for a hardship TANF/SFA time limit extension. When you no longer qualify for a hardship TANF/SFA time limit extension we will stop your TANF/SFA cash assistance. You will be notified of your case closing and will be given the opportunity to request an administrative hearing before your benefits will stop.

WAC 388-484-0010 How does the five-year (sixty-month) time limit for TANF, SFA and GA-S cash assistance apply to adults living in Indian country? (1) If you are an adult living in Indian country, months of temporary assistance for needy families (TANF), state family assistance (SFA) and general assistance for pregnant women (from May 1, 1999 to July 31, 1999) do not count towards the time limit under certain circumstances.

Months of cash assistance received do not count against the sixty-month lifetime limit while you are an adult living in Indian country or an Alaskan native village where at least fifty percent of adults are not employed.

[Ch. 388-484 WAC—p. 2]
(2) Where must I live to qualify for the Indian country exemption to time limits?

To qualify for this exemption to TANF time limits, you must live in "Indian country." The department uses the "Indian country" definition in federal law at 18 U.S.C. 1151. Indian country is defined as reservations, dependent Indian communities, and allotments. Dependent Indian communities must be set aside by the federal government for the use of Indians and be under federal superintendence. Near reservation areas (areas or communities adjacent or contiguous to reservations) are not considered Indian country for purposes of this exemption.

(3) How does the department determine if at least fifty percent of adults living in Indian country are not employed?

The department uses the most current biennial Indian Service Population and Labor Force Estimates Report published by the Bureau of Indian Affairs (BIA), or any successor report, as the default data source to determine if the not employed rates for areas of Indian country are at least fifty percent.

(4) What if a tribe disagrees with the not employed rate published in the BIA Indian Service Population and Labor Force Estimates Report?

A tribe may provide alternative data, based on similar periods to the Indian Service Population and Labor Force Estimates Report, to demonstrate that the not employed rate is at least fifty percent.
