Chapter 132W-117 WAC
PARKING AND TRAFFIC

WAC 132W-117-010 Purpose. The parking and traffic rules and regulations contained herein provide a fair and uniform method of regulating college vehicular, nonvehicular, and pedestrian traffic and are based on the following objectives:

To protect and control vehicular, nonvehicular, and pedestrian traffic.

To assure access for emergency equipment at all times.

To minimize traffic disturbances during class hours.

To facilitate the work of the college by assuring access for college vehicles and by assigning the limited parking spaces to the most efficient use.

To protect college facilities.

Permission to park or operate a vehicle on college property is governed by these regulations. The purchase of a permit for designated parking does not ensure the regular availability of a parking space.
