Chapter 172-100 WAC
TRAFFIC AND PARKING RULES

WAC 172-100-010 Purpose. These rules govern pedestrian, bicycle, and motor vehicle traffic and parking at Eastern Washington University (EWU). The purpose of these rules is to facilitate campus safety and access. Specifically, these rules are intended to:

(1) Control parking on campus and in off-campus parking lots that are owned or leased by the university;
(2) Assure access at all times for emergency equipment;
(3) Expedite EWU business, protect state property, and provide maximum safety and convenience;
(4) Provide funds to obtain and maintain suitable campus parking and traffic facilities;
(5) Regulate motor vehicles and minimize traffic disturbances on campus; and
(6) Protect pedestrians and bicyclists.

[Statutory Authority: RCW 28B.35.120(12). WSR 13-24-119, § 172-100-010, filed 12/4/13, effective 1/4/14.]

WAC 172-100-020 Applicability. (1) All rules in this chapter and all motor vehicle and traffic laws of the state of Washington apply on campus.

(2) The traffic code of the city of Cheney applies on city streets located on campus.

(3) The traffic and parking rules are effective at all times.

(4) It is the responsibility of all individuals who operate bicycles or motor vehicles on campus to read and fully understand these rules. A lack of knowledge of these rules will not constitute a defense for violation of these rules nor will it limit a violator's responsibility for any citations.

WAC 172-100-030 Liability of university. The university assumes no liability for bicycles or motor vehicles or their contents when such bicycles or motor vehicles are on campus. The university offers parking permits to those desiring to park on campus. A parking permit licenses the holder (licensee) to park one motor vehicle in the lot designated on the permit. The university is not responsible for fire, theft, damage, or loss of vehicle or any article left in such vehicle. A parking permit is a license to park and no bailment is created.

[Statutory Authority: RCW 28B.35.120(12). WSR 13-24-119, § 172-100-030, filed 12/4/13, effective 1/4/14.]

WAC 172-100-040 Authorities. (1) The board of trustees of EWU is granted statutory authority under RCW 28B.10.560 to establish rules to govern pedestrian and vehicular traffic and parking on the campus of the university.

(2) The officers of the EWU police department are fully commissioned peace officers of the state of Washington and have police powers as are vested in sheriffs and peace officers generally under the laws of the state of Washington.

(3) Designated employees of EWU parking services have authority to enforce traffic and parking rules on the campuses and property of Eastern Washington University. All actions and decisions of parking services personnel in the enforcement of traffic and parking rules are subject to administrative review and approval.

[Statutory Authority: RCW 28B.35.120(12). WSR 13-24-119, § 172-100-040, filed 12/4/13, effective 1/4/14.]

WAC 172-100-100 General traffic and vehicle rules.
(1) Bicycle riders and motor vehicle operators shall operate such equipment in a careful and prudent manner at all times and must comply with posted speed limits.

(2) Bicycle riders and motor vehicle operators shall obey all regulatory signs and comply with directions given by parking services personnel and public safety officers and their designees.

(3) Bicycle riders and motor vehicle operators shall yield the right of way to pedestrians. This includes, but is not limited to, yielding to pedestrians crossing streets, roadways, and parking areas within the campus. Riders and drivers shall also yield to pedestrians at intersections, clearly marked crosswalks, or city streets on campus.

(4) Vehicles on university property must be kept in operating condition, except those in a garage, research facility, or automotive shop. Vehicle repairs or maintenance are prohibited on campus unless preauthorized by parking services.

(5) Bicycles may be operated any place where motor vehicles are permitted. Bicycles may also be operated on university walkways, so long as the bicycle is operated in a safe manner and does not interfere with pedestrian traffic or other campus activities.

[Statutory Authority: RCW 28B.35.120(12). WSR 13-24-119, § 172-100-100, filed 12/4/13, effective 1/4/14.]

Appeals will be reviewed by a board consisting of voting members from the following groups: Associated students, classified staff, faculty, and administrative exempt staff. A parking services representative will act as a consultant to the board and vote only to break a tie. The board may uphold or dismiss the citation. If the board upholds the citation, it may reduce the fine amount. In no event may the board impose a fine exceeding the amount set forth in the fine schedule. Within five calendar days following the board's review, parking services shall notify the appellant, by mail or by e-mail, of the board's determination. (1) All campus parking lots that require a parking permit have designated times during which a permit is required.

(2) Parking permits do not entitle permit holders to any parking right or privilege beyond the dates and times specifically designated for the campus parking lot(s) for which they hold a permit.

(3) During special events, parking services personnel may modify existing parking rules for any campus parking lot. Special event parking modifications include, but are not limited to:

(4) Special ('S') permits: The 'S' permit may be issued to university employees whose duties require frequent visits or deliveries to other campus locations. The permit allows employees to park their vehicles in undesignated lots for official campus duties. Issuance and use of 'S' permits is subject to the following:
   (a) Requests: University employees may request an 'S' permit through parking services. Requests for an 'S' permit must describe the employee's duties that justify the 'S' permit, including detailed information regarding the frequency and nature of the employee's intra-campus business activities and why a departmental permit is inadequate to support those activities. Requests must be endorsed by the president or appropriate vice-president. The vice-president for business and finance, or designee, is the approval authority for 'S' permits.
   (b) Issuance. The parking services office shall provide an 'S' permit to an employee who has been authorized by their department's vice-president to obtain an 'S' permit and has purchased a core lot permit and paid the additional 'S' permit fee.
   (c) Use: 'S' permits may only be used for the purpose of conducting official university business. 'S' permits may be used to park in any campus parking lot, loading zone, or service area, on a space-available basis, limited to the time needed to conduct university business. They may not be used for personal use or convenience.

[Ch. 172-100 WAC p. 3]

(6) Duplicate permits and car pool permits:

(a) Permit holders may purchase duplicate decals for additional vehicles.

(b) Duplicate permits may also be purchased for each vehicle in a car pool, up to a maximum of five permits per pool.

(c) A fee is charged for each duplicate permit.

(d) Duplicate and car pool permits must be purchased and signed for by the purchaser of the original permit.

(e) Only one vehicle bearing the duplicate permit number may park in the designated parking lot at a time. Violation of this section will subject each vehicle involved to a fine.

[Statutory Authority: RCW 28B.35.120(12). WSR 13-24-119, § 172-100-250, filed 12/4/13, effective 1/4/14.]
