WAC 390-17-030 Sample ballots and slate cards. (1) **Intent.** The commission finds that, under certain conditions, expenditures for slate cards and other candidate listings fall within the scope of RCW 42.17A.405(15) and are, therefore, exempt from contribution limits and eligible for payment with a bona fide political party's exempt funds. Slate cards and other candidate listings remain reportable under chapter 42.17A RCW and subject to the political advertising provisions of the law.

The purpose of this exemption from the contribution limits is to allow political parties and other sponsors to tell the general public which candidates they support. The exemption is not intended as a device to circumvent the contribution limits and full reporting requirements by undertaking any degree of significant campaigning on behalf of candidates.

(2) For purposes of RCW 42.17A.005(19) and 42.17A.405(15), "**sample ballots**" means slate cards, or other candidate listings, whether written or oral, that satisfy the qualifying criteria specified in subsection (10) of this section.

(3) Sample ballots constitute political advertising for a slate or list of candidates and must be properly identified and otherwise in compliance with the provisions of RCW 42.17A.320 through 42.17A.340.

(4)(a) **A bona fide political party** may use contributions it receives pursuant to RCW 42.17A.405(15) to produce and distribute sample ballots.

(b) Expenditures for sample ballots do not count against a bona fide political party's contribution limit to the candidates listed on the sample ballot. Further, when reporting sample ballot expenditures, a bona fide political party is not required to attribute a portion of the expenditure to each of the candidates listed on the sample ballot, but the names of the candidates must be reported along with the other information required by chapter 42.17A RCW and chapter 390-17 WAC.

(5) **Any person**, as defined by RCW 42.17A.005, who makes an expenditure for sample ballots has made an expenditure that does not count against that person's contribution limit to the candidates listed.

(6) **An in-state political committee**, when disclosing expenditures for sample ballots as part of its C-4 report, is not required to attribute a portion of the expenditure to the candidates listed on the sample ballot, but the names of the candidates and their respective party affiliations must be reported along with other information required by chapter 42.17A RCW and chapter 390-17 WAC.

(7) **An out-of-state committee**, when disclosing expenditures for sample ballots on a C-5 report, is not required to allocate a portion of the expenditure to the candidates listed on the sample ballot, but must report that an expenditure for sample ballots was made, the name and address of the person to whom the expenditure was made, the full amount of the expenditure, and the name, office sought and party affiliation of each candidate listed on the sample ballot. The report is due no later than the 10th day of the month following the month in which the expenditure was made.

(8) If a **lobbyist or lobbyist employer** makes expenditures for sample ballots, those expenditures are required to be reported in detail on the lobbyist's monthly L-2 report. Itemization of these expenditures must include the names and respective party affiliations of the candidates listed on the sample ballot, but no portion of the expenditure need be allocated to individual candidates listed on the sample ballot.

(9) **The candidates listed on a sample ballot** are not required to report any portion of the expenditure as an in-kind contribution to their campaigns.

(10) **Qualifying criteria for sample ballots, slate cards and other candidate listings.** In order not to count against a person's contribution limit to the candidates listed on a sample ballot and, in the case of a bona fide political party, in order to be eligible for payment with contributions received pursuant to RCW 42.17A.405(15), a sample ballot must satisfy **all** of the criteria in (a) through (d) of this subsection.

(a) The sample ballot must list the names of at least three candidates for election to public office in Washington state and be distributed in a geographical area where voters are eligible to vote for at least three candidates listed. The candidate listing may include any combination of three or more candidates, whether the candidates are seeking federal, state or local office in Washington.

(b) The sample ballot must not be distributed through public political advertising; for example, through broadcast media, newspapers, magazines, billboards or the like. The sample ballot may be distributed through direct mail, telephone, electronic mail, Web sites, electronic bulletin boards, electronic billboards or personal delivery by volunteers.

(c) The content of a sample ballot is limited to:

- The identification of each candidate (pictures may be used);
- The office or position currently held;
- The office sought;
- Party affiliation; and
- Information about voting hours and locations.

Therefore, the sample ballot must exclude any additional biographical data on candidates and their positions on issues as well as statements about the sponsor's philosophy, goals or

accomplishments. The list must also exclude any statements, check marks or other indications showing support of or opposition to ballot propositions.

(d) The sample ballot is a stand-alone political advertisement. It must not be a portion of a more comprehensive message or combined in the same mailing or packet with any other information, including get-out-the-vote material, candidate brochures, or statements about the sponsor's philosophy, goals or accomplishments. On Web sites, electronic bulletin boards or electronic billboards, the sample ballot must be a separate document.

WAC 390-17-300 Contribution designation for primary and general election. (1) Pursuant to RCW 42.17A.-405 and 42.17A.410, if a contribution is designated in writing by the contributor for a specific election, the contribution will be attributed to the contributor's limit for that designated election.

(3) Any portion of an undesignated contribution made prior to the date of the primary which exceeds the contributor's primary election contribution limit shall be attributed to the contributor's limit for the general election.

(4) Contributions for the primary election shall be accounted for separately from those for the general election, such that campaign records reflect one aggregate contribution total for each contributor giving in the primary election as well as one aggregate contribution total for each contributor giving in the general election.

(5) General election contributions shall not be spent for the primary election if to do so would cause the contributor of the general election contribution to exceed that contributor's contribution limit for the primary election.

(6) If a candidate loses in the primary election, or otherwise is not a candidate in the general election, all contributions attributed to the primary election remaining after repayment of outstanding campaign obligations shall be considered surplus funds, disposal of which is governed by RCW 42.17A.430. If a candidate loses in the primary election, or otherwise is not a candidate in the general election, all contributions attributed to the general election shall be returned to the contributors of the funds in an amount equal to the contributor's general election aggregate total. (1) Pursuant to RCW 42.17A.405 and 42.17A.410, the date of the primary is the last day for making primary-related contributions unless a candidate subject to contribution limits loses in the primary, that candidate's authorized committee has insufficient funds to pay debts outstanding as of the date of the primary, and the contributions are used to satisfy this outstanding debt.

(2) For purposes of the contribution limit in RCW 42.17A.405 and 42.17A.410, any contribution made up to thirty days after the primary election pursuant to RCW 42.17A.405 and 42.17A.410 is aggregated with contributions made on or before the date of the primary from the same contributor and any person with whom that contributor shares a limit under RCW 42.17A.455 and WAC 390-16-309.

(3) The day following the primary election is considered the first day of the thirty-day period during which contributions may be made to candidates subject to contribution limits who lose in the primary election and who have outstanding primary debts.

(4) For purposes of RCW 42.17A.405 and 42.17A.410, "outstanding primary debts," "outstanding debts" and "debts outstanding" all mean:

(b) Reasonable costs associated with activities of the losing candidate's authorized committee necessary to retire the primary-related debts it incurred on or before the date of the primary. Examples of such reasonable costs include:

(i) Necessary administrative expenses (office space rental, staff wages, taxes, supplies, telephone and computer costs, postage, and the like) for activities actually and directly related to retiring the committee's debt; and

(ii) Necessary expenses actually and directly related to the fund-raising activities undertaken to retire the debt, as long as all persons solicited for contributions are notified that the contributions are subject to that contributor's primary election limit for that losing candidate.

(5) Nothing in this section is to be construed as authorizing contributors to make, or candidates subject to contribution limits who lose the primary to receive, contributions that are used for a purpose not specifically authorized by RCW 42.17A.405 or 42.17A.410, including use for some future election or as surplus funds.

(6) All contributions received in excess of the sum needed to satisfy outstanding primary debts shall be returned to the original contributors in an amount not to exceed the amount contributed in accordance with the first in, first out

accounting principle wherein the most recent contribution received is the first to be returned until all excess funds are returned to contributors.

(1) **"Campaign debt,"** as used in RCW 42.17A.560 and this rule, means any debt incurred by a candidate seeking election to a nonfederal public office, including campaigns for state, county, city, town, school district, special district or other state political subdivision elective office.

(2) **"Known candidates"** means individuals who are, or who become, candidates for state or local office during a legislative session freeze period.

(3) **"Legislative session freeze period"** means the period of time in RCW 42.17A.560 within which contributions shall not be solicited or accepted by a state official or a person employed by or acting on behalf of a state official.

(a) The freeze period begins at 12:01 a.m. on the thirtieth day before the start of the regular legislative session and ends at 11:59 p.m. on the day of adjournment of the regular legislative session.

(4) A successful candidate for state office who does not already hold a state office is not required to comply with RCW 42.17A.560 until sworn into office.

(5) A state official must comply with RCW 42.17A.560 until he or she no longer holds state office.

(6) **"Person employed by or acting on behalf of a state official"** includes a caucus political committee or any political committee financed or controlled by a legislative caucus as a whole or by one or more officers of a caucus political committee.

(7) **State officials may do the following.** During a legislative session freeze period, the activities in which state officials may engage include, but are not limited to:

(a) Soliciting or accepting contributions to assist his or her own campaign for federal office;

(b) Accepting gifts or other items permitted under chapter 42.52 RCW, so long as the gift or other item is not

- A contribution to an incumbent state official or known candidate,
- A contribution to a public office fund,
- Used to pay a nonreimbursed public office related expense, or
- Used to retire a campaign debt;

(c) Attending and speaking at a fund raising event held by or on behalf of a bona fide political party, so long as the contributions raised are not earmarked or otherwise designated for any incumbent state official or known candidate;

(d) Transferring their own personal funds, as defined in WAC 390-17-305, or their own surplus funds, as defined in RCW 42.17A.005, to their own campaign account, so long as the funds are properly reported;

(f) Soliciting or accepting contributions on behalf of any political committee, including a caucus political committee, a bona fide political party or a ballot measure committee, so long as the political committee does not spend the contributions for the benefit of incumbent state officials or known candidates.

(8) **State officials may not do the following.** During a legislative session freeze period, a state official, or a person employed by or acting on behalf of a state official, may not solicit or accept contributions that:

(a) Go to an incumbent state official or known candidate;

(b) Go to a public office fund;

(c) Are used to pay a nonreimbursed public office related expense;

(d) Are used to retire a campaign debt;

(e) Go to a caucus political committee if the committee spends the contributions for the benefit of incumbent state officials or known candidates; or

(f) Go to a bona fide political party or a political committee if the political party or committee spends the contributions for the benefit of incumbent state officials or known candidates.

(9) **Caucus political committees.** During a legislative session freeze period, a caucus political committee

(a) May solicit or accept contributions from caucus members if the members make the contributions with their own personal funds, as defined in WAC 390-17-305, or with their own surplus funds, as defined in RCW 42.17A.005;

(b) May not solicit or accept contributions for any of the purposes specified in subsection (8) of this rule.

- Used for a public office fund,
- Used for a state official's nonreimbursed public office related expenses,
- Used for retiring a state official's campaign debt, or
- Earmarked contributions to specific incumbent state officials or known candidates.

However, a bona fide political party may solicit or accept contributions for its own fund raising purposes.

(12) **Segregating session freeze funds.** During a legislative session freeze period, if a state official, a caucus political committee, or another person employed by or acting on behalf of a state official solicits or accepts contributions to

- A caucus political committee,
- A bona fide political party, or
- Any political committee that supports or opposes state or local office candidates, the contributions are presumed to violate RCW 42.17A.560, unless the contributions are
 - Deposited into a separate bank account and
 - Not spent for the benefit of incumbent state officials or known candidates.

However, nothing in this subsection authorizes a state official, a caucus political committee or any person employed by or acting on behalf of a state official to take any of the actions prohibited by subsection (8) or (9)(b) of this section.

(13) **Session freeze solicitations.** If a person is solicited for a contribution during the legislative session freeze period

- By a state official, a caucus political committee, or another person employed by or acting on behalf of a state official, and
- The contribution is to a caucus political committee, a bona fide political party, or a political committee that supports or opposes candidates for state or local office, and
- The person makes a contribution during or after the freeze period in response to this solicitation, the contribution is subject to RCW 42.17A.560 and subsection (12) of this section.

(14) **Spending contributions to benefit incumbents or known candidates.** For purposes of complying with subsections (7)(f), (8)(e) and (f), and (12) of this section, contributions are considered spent for the benefit of incumbent state officials or known candidates if the contributions are used at any time for one or more of the following purposes.

(a) Contributions to incumbent state officials or known candidates.

(b) Independent expenditures supporting incumbent state officials or known candidates, or opposing their opponents, whether or not the opponents are themselves known candidates during a legislative session freeze period.

(c) Payments to staff, consultants or advisors for performing activities that directly assist or promote the election of incumbent state officials or known candidates.

(d) Polls or surveys that relate to incumbent state officials, known candidates or their districts, or to general voter attitudes or preferences, unless

- A poll or survey is produced, conducted, tabulated and analyzed according to the terms of a written confidentiality agreement and, if the agreement is breached, all reasonable steps are taken to enforce it, and
- The results of a poll or survey are not provided by the spender, or with the spender's permission or prior knowledge, to incumbent state officials, known candidates or their agents.

However, candidate recruitment poll or survey results may be provided to an individual who later becomes a known candidate without the expenditure being considered as benefiting a known candidate so long as the poll or survey does not constitute a contribution to the individual or does not otherwise support or promote his or her election to state or local office. For purposes of this subsection, a "candidate recruitment poll or survey" is a poll or survey that is conducted for the sole purpose of recruiting candidates to run for public office and only determines

- The respondent's party preference,
- The level of support the incumbent currently has and how strong that support is, but not why he or she has that support,
- Whether respondents recognize the names of individuals who may decide to seek that elective office,
- Whether respondents currently hold a favorable opinion about these individuals, their abilities or fitness for elective office, but not why such opinions are held,
- Whether respondents would likely vote for one or more of these individuals were they to seek office, but not why respondents would vote in the manner they indicated or whether they could be persuaded to change their vote, and
- The validity of the poll or survey results.

(e) Any other expenditure that directly benefits or promotes the election to state or local office of incumbent state officials or known candidates.
