(3) "Eligible student" means any student who meets the following two conditions:
   (a) The primary language of the student must be other than English; and
   (b) The student's English skills must be sufficiently deficient or absent to impair learning.

WAC 392-160-010 School district board of directors duties. Consistent with the provisions of this chapter, every school district board of directors:

(3) Annual reassessment of all (eligible) students is required: Each school year each school in which an eligible student is enrolled shall conduct an evaluation of the overall academic progress and English language development of the student. This evaluation must include but not be limited to the administration of a standardized test in reading, writing, listening and speaking in English as set forth in WAC 392-160-035.

The application shall apply to programs to be conducted during the ensuing school year and shall provide data and information in accordance with instructions and forms now or hereafter established and published by the superintendent of public instruction in bulletins distributed to school districts.

WAC 392-160-035 Program exit requirements—Testing. (1) No student shall continue to be entitled to a transitional bilingual instructional program or alternative instruc-
transitional program after the student has received instruction in a
transitional bilingual instructional program or alternative
instructional program conducted pursuant to this chapter
within any one or more school districts for a period of three
consecutive school years (i.e., 540 school days or portions
thereof): Unless the student has not yet met exit criteria on
Washington language proficiency test as established by the
office of superintendent of public instruction.

(2) The approved test for measurement of improvement
in English language skills for purposes of exit from the tran-
sitional bilingual instructional program or alternative instruc-
tional programs shall be the Washington language profi-
ciency test.

(3) No student shall be eligible for continued funding in
the transitional bilingual instructional program or alternative
program upon meeting or exceeding the state standards as
measured by the WLPT. As provided for in this section and
WAC 392-160-015, the parent/guardian retains the option to
refuse program services for the eligible student.

WAC 392-160-040 Alternative instructional pro-
gram. School districts under one or more of the following
conditions may elect to provide an alternative instructional
program:

(1) Necessary instructional materials in the student's pri-
mary language are unavailable and the district has made rea-
sonable efforts to obtain necessary materials without success;

(2) The capacity of the district's bilingual instructional
program is temporarily exceeded by an unexpected increase
in the enrollment of eligible students;

(3) Bilingual instruction cannot be provided to students
without substantially impairing their basic education because
of their distribution throughout many grade levels or schools,
or both; or

(4) Teachers who are trained in bilingual education
methods and sufficiently skilled in the non-English primary
language(s) are unavailable, and the district has made reason-
able attempts to obtain the services of such teachers.

(2) The district, in consultation with the student's IEP
team shall determine whether the child's disability is the
determinant factor for the child's English language skill defi-
ciency.

(3) If it is determined that the child's disability is the
determinant factor for the English language skill deficiency,
the child shall not be eligible for the TBIP.

(4) If it is determined that the child's disability is not the
determinant factor for the English language skill deficiency,
the child shall be eligible for the TBIP.

(5) If it cannot be determined whether or not the child's
disability is the determinant factor for the child's English lan-
guage skill deficiency, the child shall be eligible for TBIP
and the special education program. The child's district, in
consultation with the student's IEP team shall assess annually
whether or not the child's disability is the determinant factor
for the child's English language skill deficiency. If the district
and IEP team determine that the child's disability is the deter-
minant factor for the child's English language skill deficiency
then the child shall not be eligible for the TBIP.

(6) A child who is participating in both the TBIP and the
special education program under this chapter shall be subject
to all conditions of participation provided in this chapter.

WAC 392-160-045 Students with disabilities—Con-
ditions for transitional bilingual entitlement. (1) Students
identified as being eligible for both the state transitional
bilingual instructional program (TBIP) and special education
program will participate in the TBIP to the same degree and
consideration given to every other child in the TBIP.
